**Offered entirely online**

**In-state tuition for all students**

**Wide array of career opportunites**

## Learn with Minot State

Minot State University's Graduate Certificate in Knowledge Management (KM) program prepares you to be a knowledge leader in your organization by giving you the skills to:

- Describe the purposes, uses, and value of knowledge management
- Use social spaces to present business solutions, collaborate, and transfer knowledge
- Describe how intangible assets create value
- Manage knowledge workers in a virtual environment
- Exploit technology to enhance and accelerate management decisions

### Flexibility

Our KM certificate can be earned online, making it possible for you to attend class regardless of where you live, work, or travel.

You can complete this highly accelerated certificate program in as little as two semesters, giving you a competitive edge. You can also set a more relaxed pace by completing the program over additional semesters.

### Quality

Minot State faculty members are highly qualified in their respective fields.

### Affordability

When you enroll in the certificate program, you pay our affordable in-state tuition regardless of residency.

### Required courses

The Knowledge Management certificate requires completion of 12 semester hours.
