# THANK YOU for your support of MSU!

— President Steven Shirley

**A**s you will note in the “Year in Review” section, it has been another exciting year at MSU, full of achievements by our students, faculty, and staff. Please review these accomplishments and note the range of possibilities at MSU from the arts to athletics to business to the sciences to service and volunteerism to international connections to community partnering, and on and on. It is a terrific litany of activities demonstrating the breadth of teaching, learning, service, and research underway at MSU.

You will also see highlights from the recently concluded multi-year capital campaign: a 7-year, \$31.2 million campaign, the largest and most successful of its kind in MSU's history. Through this campaign, 100 new endowments were created, upgrades were made to academic and athletic facilities, scholarship opportunities were boosted, and academic programs were enhanced. This campaign has significantly elevated MSU's trajectory, and none of this is possible without the support of the 5,104 donors who participated. THANK YOU!

Additionally, you will see how the 2017 fiscal year set an all-time record for private giving, breaking the previous record set just last year. Your support is helping ensure MSU remains an attractive destination for students seeking their post-secondary educational dreams. Endowed scholarship programs are now at a record high, thereby assisting to lessen the financial burden of our current and future students. THANK YOU for supporting MSU and creating these remarkable milestones.

Please read the stories profiling four terrific friends of MSU: Al & Shirley Dietz and Bob and Jo Ann Skabo. These two couples are wonderful individuals who value the power of a high-quality education and firmly believe in the importance of giving back. They are North Dakota natives who represent the very best of their home state, and the very best of Minot State University!

I would be remiss not to comment on recent budget challenges. MSU is beginning the 2017-19 biennium with approximately \$8.6 million less in state funding when compared to the appropriation from the start of the 2015-17 biennium. This decrease has resulted in campus-wide reductions, including the elimination of 51 positions at MSU. Campus operations will undoubtedly be tight during the next couple years. We will have a “new normal” going forward as classes will be larger, class sections might be offered less frequently, and certain offices/departments will not be as fully staffed. It is worth noting that MSU has not eliminated a single academic program, athletic program, or student-service opportunity. Important student opportunities abound at MSU, and I am confident our campus remains a destination for students throughout North Dakota and beyond. In addressing these budgetary challenges the past months, I felt strongly that we not eliminate any major student opportunity thereby ensuring every option remains available for current and future students alike. I am proud of how our outstanding team of faculty and staff have responded to these challenges.

Your support is as important now as it has ever been given these challenging fiscal realities. THANK YOU for being part of the MSU family, for supporting our students, and for taking time to peruse this 2016-17 President's Report. It is indeed an exciting time at Minot State University.

**THANK YOU, AND AS ALWAYS, GO BEAVERS!**

## STUDENTS PACK IT IN for the Grand Canyon

Most students don't spend their Spring Break in the Grand Canyon, hiking steep trails for 11 days and 16 miles. A group of adventurous students did just that. MSU geosciences professor John Webster led this educational experience, as he has done for 10 previous groups.

## TRINITY'S RENEWED PARTNERSHIP supports nursing education

Trinity Health committed \$1.25 million to MSU's Department of Nursing over the next five years. The initiative, "Nursing for the Future," is aimed at ensuring

MSU will continue to admit, prepare, and graduate high-quality nurses. Pictured left to right are: Larry Brooks, Dakota College at Bottineau (DCB); Dawn Romfo, DCB; Pat Holien, Trinity Health board; Jerry Migler, DCB; Steve Shirley, MSU; Laurie Geller, MSU; Karen Krebsbach, Trinity Health board; Karen Zimmerman, Trinity Health; and Niki Roed, MSU.

## 2016-17 Year in Review

### ROBOTICS TEAM

#### earn awards

In rigorous robotic competitions, MSU computer science assistant professor Scott Kast and his students made it to the top at the Digi-Key Collegiate Computing Competition, bringing home the traveling trophy and a \$5,000 award for the first time. In addition, at the 50th Midwest Instruction and Computing Symposium, our students earned first place honors. Caitlyn Bachmeier received a drone for her 1st place finish in the gaming competition.

### TECHNOLOGY DAY

#### experiences record participation

Technology Day, coordinated by MSU's business education students, showcased area high school students in their business and technology skills. Fifteen schools, the most ever, competed in several categories. Berthold High School earned the Sweepstakes Award. Other high schools participating were Bowbells, Burke Central, Des Lacs-Burlington, Kenmare, Max, Nedrose, Powers Lake, Stanley, Surrey, TGU Granville, TGU Towner, Tioga, Underwood, and Westhope.

## BROADCASTING MAJORS earn awards

One faculty member and three students from the broadcasting program received eight Eric Sevareid awards at the 2017 Midwest Journalism Conference in Minneapolis. Faculty member Neil Roberts earned four awards. Alex Coleman received a first place award in series reporting; Nolan Axten received a merit award in sportscast; Alexis Arthur received first place awards in broadcast writing and weather.

## State capitol site of CONCERT CHOIR PERFORMANCE

The MSU Concert Choir, directed by Dr. Carlos Vieira, performed during the North Dakota University System Showcase Concert, a special higher education day at the North Dakota Capitol. After singing three songs, the MSU choir joined the choirs of Valley City State University and the University of North Dakota for the finale.

## MSU HONORED DECEMBER GRADUATES with inaugural celebration social

Class of  2016

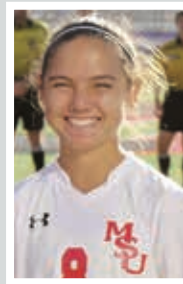

Minot State University recognized its December 2016 graduates at an inaugural celebration social Nov. 29. Since not all December graduates can attend the May commencement ceremony, this social acknowledged their achievements and congratulated students on earning degrees.

## FIRST-YEAR STUDENTS and senior citizens learn through book club

Freshmen students enrolled in a First-Year Experience class facilitated a book club with the residents at the Parker Senior Center. The university students led the group, which was attended by senior citizens. They met to discuss their memories of themes related to the book, "Little House in the Big Woods," by Laura Ingalls Wilder.

Fornshell

Franco

## Student-athletes Fornshell & Franco earn ELITE 18 AWARD

Minot State's Caleb Fornshell and Andrea Franco each won the prestigious Northern Sun Intercollegiate Conference Elite 18 Awards in their respective sports. The NSIC Elite 18 award is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NSIC's 18 Championships. Fornshell, a junior baseball player from Minot, N.D., and Franco, a sophomore soccer player from Long Beach, Calif., both carry a perfect 4.0 GPA.

## DECA EXCELS at international competition

Four MSU students placed at the International Career Development Competition in Anaheim, Calif. Jordan Busch and Nicholas Trumbauer each placed in the Top 5. Levy Cabatingan and Paula Cabatingan placed as event finalists and as top 10 finalists. A total of twelve MSU students qualified for the competition.

## MOTHER LANGUAGE DAY celebrated

The MSU Diversity Council offered Mother Language Day, a unique event held in February focusing on multilingualism, diversity, and culture. The day educated, engaged, and immersed individuals in the multi-faceted representation of culture present on campus and in the Minot area.

# UNIVERSITY CONNECTS WITH COMMUNITY through rock and roll

Bringing together the music of Metallica, Billy Joel, Led Zeppelin, Heart, Eric Johnson and many others with the sounds of a symphony orchestra, Community Rocks proves to be an event unlike any other. Founded in 2014 by MSU professors Andy Bertsch and Erik Anderson, the event has raised more than \$200,000 to benefit local organizations. This year's primary beneficiary was the Roosevelt Park Zoo. MSU's Division of Music received \$2,000.

## Poland and College of Business forge **PARTNERSHIP**

MSU and the University of Lodz, Poland, entered into a cooperation between MSU's Master of Science in Management degree and UL's MBA program delivered by its Polish-American Management Center. The two universities signed a Memorandum of Understanding forming the basis for the partnership to have MSU's management concepts graduate certificate be delivered online to UL students. Pictured from left to right: Dr. Robert Kozielski, Exe. Dir. of the Polish-American Management Center, U. Lodz; Dr. Linda Cresap, MSU COB faculty; Dr. Lori Willoughby, MSU COB faculty; Dr. Jerzy Gajdka, faculty and former MBA Program Director, U. Lodz.

## **CRISSLER CHOSEN** for \$5,000 Bakken Scholarship

Briley Crissler was awarded a \$5,000 Bakken U Scholarship by the North Dakota University System Foundation. Funds were provided by the North Dakota Petroleum Council and the Hess Corporation. Crissler, a Belcourt native, returned to school after working in the energy industry to major in management and wrestle for the Beavers.

# SCIENCE GOES WILD

for the community

The Minot State Science Club hosted a STEM event for female elementary students. The event's theme focused on forensic science. The club collaborated with Scheels Kids Club by offering a mad scientist event, where their science-based activities were carried out.

The Cyril Moore Science Center and the Beta Gamma Science Club, Club Biology and the Association of Undergraduate Geologists in Industry, Technology, and Education coordinated an open house for elementary students. Faculty and students demonstrated science research projects and hosted a chemistry magic show.

Annually, the Division of Science hosts a regional Science Olympiad for area middle and high school students. Winners advanced to the state competition. In addition, the Biology Club hosts the annual Darwin Day event.

Miles for Smiles Walk

## GIVES CHILDREN SMILES

Minot State University's National Student Speech Language Hearing Association sponsored the sixth annual Miles for Smiles walkathon. Walkers fundraised for Operation Smile, a mobilized force of medical professionals and volunteers who provide safe and effective reconstructive surgery for children born with facial deformation such as cleft lip and palate. Each surgery costs \$240. In the past six years, the Department of Communication Disorders and NSSLHA financed nearly 220 surgeries.

## FIDDLER ON THE ROOF performs to high-spirited crowds

This fan-favorite Western Plains Opera production received resounding applause in front of four nearly sold out performances. The superbly casted musical brought students, faculty, alumni, friends, and staff together to deliver magnificent performances.

## SHANTELLE CAREY'S ARTWORK

**depicts the coming together of the Three Affiliated Tribes**

The MSU Native American Cultural Awareness Club selected art student, Shantelle Carey, to design a buffalo hide painting depicting the coming together of the Mandan, Hidatsa, and Arikara Nations. The hide was presented to the Three Affiliated Tribes during the annual Spring Honor Dance and Powwow Celebration.

## NDUS AWARDS MINIGRANTS

**for training related to veterans' education**

Andy Heitkamp, Veterans Center director, and Rebecca Ringham, registrar, received NDUS mini-grants on behalf of the Midwest Higher Education Compact through the state's participation in the Multistate Collaborative for Military Credit with funding from the Lumina Foundation and USA Funds. Via the grant, two activities were offered. One, a statewide training on options available to NDUS institutions in managing the educational benefits of veterans, service members and their families. Secondly, training for faculty, administrators and others involved in the evaluation of military training and experiences for the award of credit toward a degree.

## SOCCER continues rise to the top

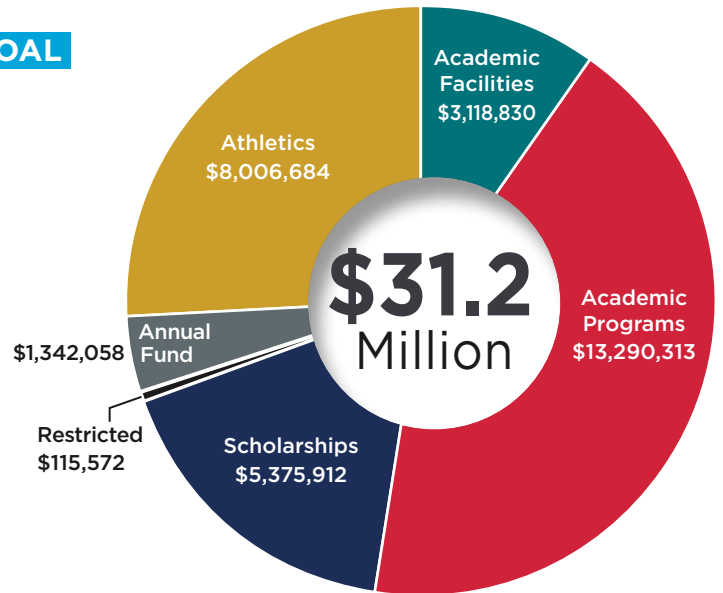

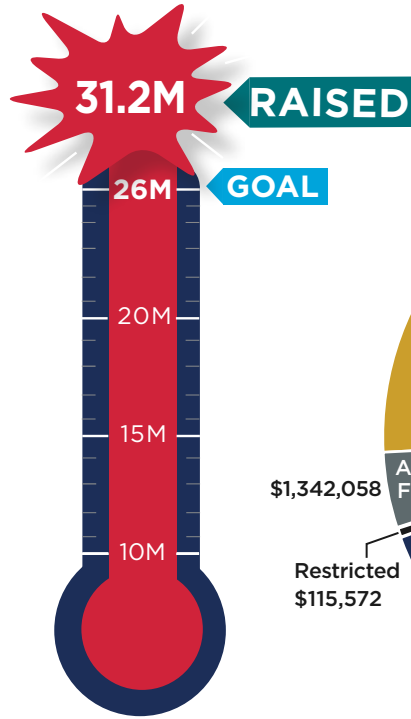

Minot State soccer continued its rise to the top of the NSIC and the NCAA Division II Central Region. MSU captured the school's first-ever NSIC regular-season title, going a near perfect 14-0-1 and was the host site for the NSIC Tournament. The Beavers advanced to their third NCAA DII National Tournament before falling to Central Oklahoma in the first round. MSU had five individuals on the All-Region team and Ninfa Ramirez became the first Beaver to be named All-American during the DII era.

# Together, we did it!

Successful capital campaign completed

In July 2009, Minot State University embarked on a \$26 million capital campaign to raise significant funds supporting students, university programs, and facilities. The campaign concluded December 31, 2016 exceeding its goal, raising \$31.2 million from alumni and friends, making it the most ambitious and successful fundraising campaign in Minot State University history.

**A**l and Shirley Dietz were older-than-average students at Minot State long before the phrase gained currency.

Al Dietz graduated with a degree in business administration in 1961. Shirley (Johnson) Dietz earned a degree through the Minot State-Trinity Hospital nursing program.

Al grew up in the town of Cathay, while Shirley was raised in Heimdal. For this couple, college wasn't the carefree romp depicted in popular culture.

"I was married and had a family," Al recalled.

"I worked nights and went to school during the day. I worked on the extra board on the Great Northern in Minot. Otherwise, I couldn't have gone (to college)."

Club activities, frat parties and athletic events were enjoyed by other students, but not for this hard-working pair.

"I had time for studying and taking care of two small girls and my wife. It was tough," he said.

The frenzied pace paid off for the young couple.

"I finished in three years because I overloaded and went summers. I was 30 years old when I graduated," Al said.

A fond memory for the couple was the steel barracks that provided cheap campus housing. They lived in the makeshift housing during their last two years at Minot State.

"There was a lot of competition for those barracks," Al said. "They were comfortable."

The only downside was the extra monthly charge for hot water. But, generally, the good features outweighed the bad.

"There were a lot of other young families there. We'd get together in the evening and visit," he said.

After graduation, Al employed his keen accounting skills at the IRS, a CPA firm, American State Bank & Trust and Dean Witter. Shirley pursued a career in nursing.

Their two young daughters later returned to the Minot State campus as students. Kimberly (Dietz) Foster followed her mother into the nursing program, while Karla (Dietz) Gabriel '84 earned a degree in elementary education.

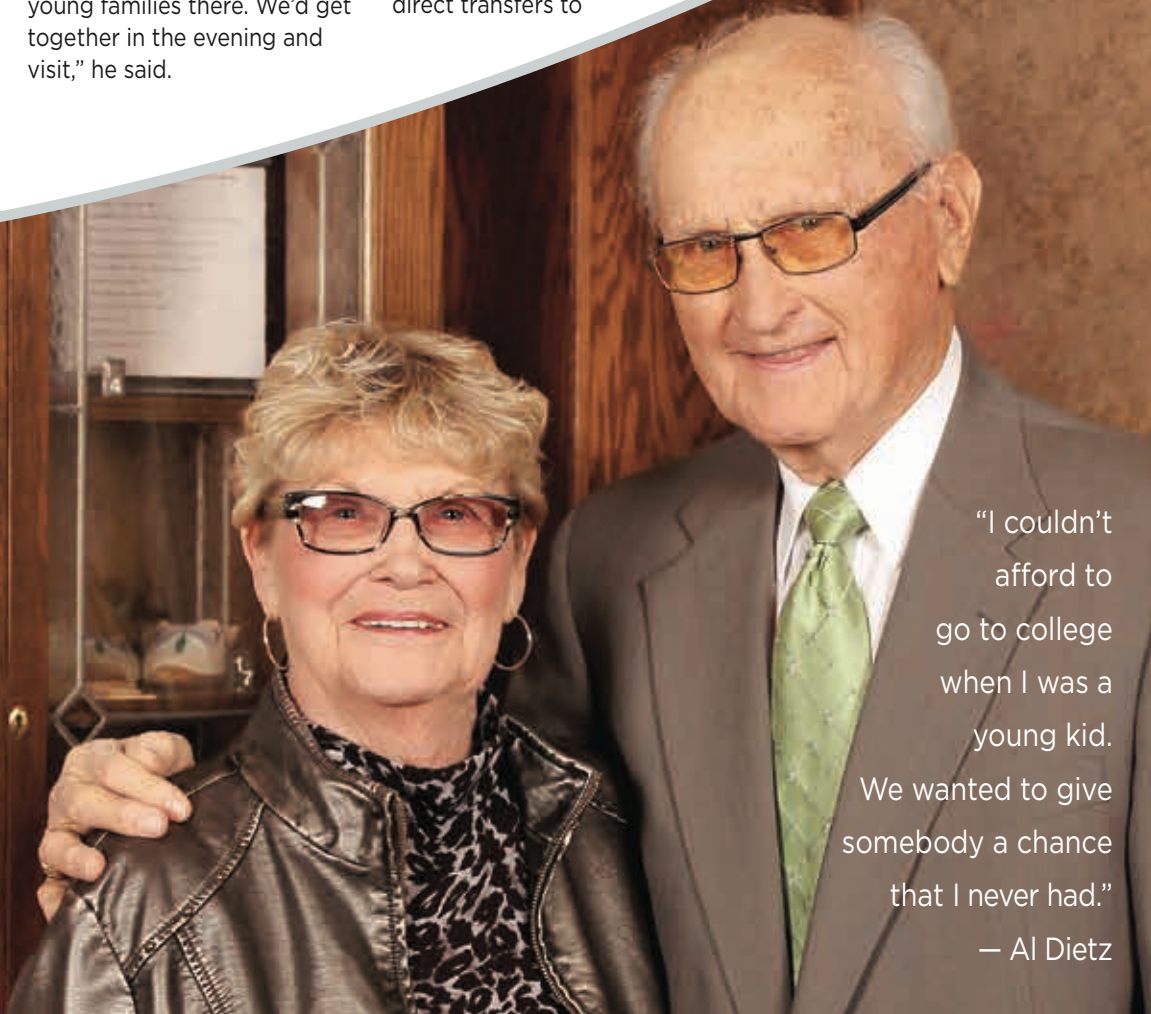

The Dietzes recently established a sizable scholarship fund through the MSU Foundation, by taking advantage of an IRA charitable rollover. This unique opportunity allows owners of Individual Retirement Accounts (IRAs) to make direct transfers to

qualified charitable endowments, free of income tax liability. Their gift also qualified for a matching grant, pursuant to the ND Challenge Grant Fund for Higher Education. These benefits combine to provide a lasting educational legacy to help future students attend MSU.

"I couldn't afford to go to college when I was a young kid. We wanted to give somebody a chance that we never had," Al said.

"The scholarship endowment will be held in perpetuity, with only the earnings distributed. That's what's great about it." ■

## Bob and Jo Ann Skabo

“We feel education is extremely important and a number of people can’t afford college. Giving something back will enable others to have that option”

—Bob Skabo

The life of one Minot State alumnus has come full circle. Raised in a small town in western North Dakota, Bob Skabo went on to have a successful optometric career in Illinois and then returned to his home state after retirement.

Bob was born in Crosby, attended elementary school in Stanley and finished high school in Grenora. He went to college by default.

“I was 17 years old when I graduated from high school,” he said. “My father was deceased. My mother would not sign for me to go into the service because I was an only child. My choice then was to go on to college.”

Bob chose to attend Minot State, where he double majored in business and math and graduated in 1960. One professor who impressed him was Bernard Busse.

“He was an excellent teacher and a taskmaster,” he said. “I came late to my first class, a class that was bigger than my high school. I was embarrassed. He made some comment. I never came late again.”

Other instructors who made lasting impressions were Agnes Ladendorf and Doris Slaaten.

While he studied at Minot State, his future wife, Jo Ann Garaas, earned a degree at North Dakota State University. After their marriage, the couple taught for three years in Mentor, Minn. He taught math and business and coached basketball and football. She taught home economics.

The pair next moved to Chicago, where Bob attended the Illinois College of Optometry.

“Not having had the experience of a major metropolitan area before, it was quite a change,” he recalled.

The couple eventually settled in DeKalb, Ill., where he practiced optometry for 46 years before retiring in 2010.

Jo Ann retired from the University of Illinois, where she served as an extension educator in the field of nutrition.

“We didn’t intend to stay there that long, but we stayed for almost 50 years,” he said of their time in Illinois.

The couple moved to Fargo last fall.

Bob and Jo Ann have generously supported their respective alma maters, and over the past several years, have established a number of Charitable Gift Annuities (CGAs) through Minot State (Bob’s alma mater). CGAs are a wonderful charitable gift vehicle which allow donors to provide for future gifts to a favorite charitable organization, while retaining tax benefits and receiving a lifetime

income.

Donors cannot outlive the payments, and no change in the economy can affect the payments. Plus, there are no probate fees or expenses when the annuity balance passes to the charitable organization upon the death of the donor.

“We feel education is extremely important and a number of people can’t afford college. Giving something back will enable others to have that option,” he said.

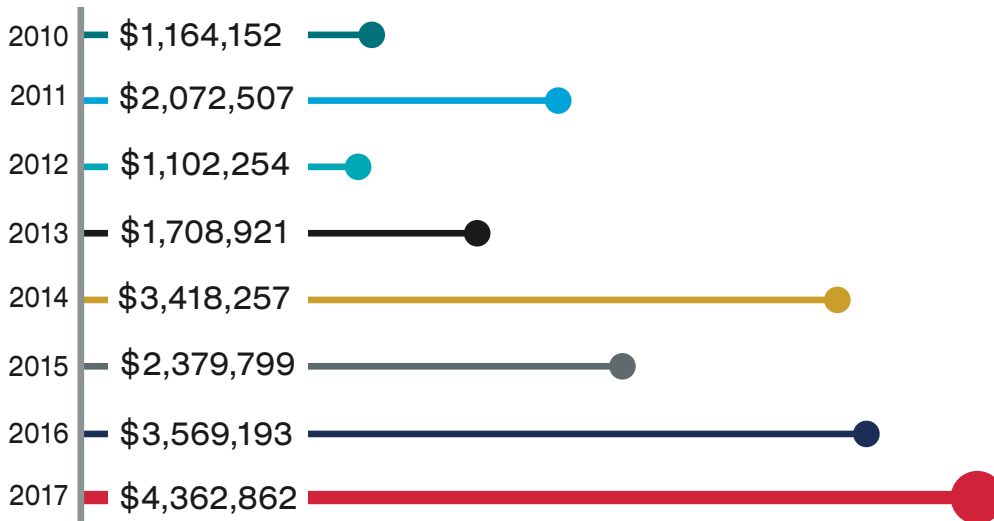

He felt he made the right choice when he attended Minot State back in the late '50s.

“I found a number of new friends back then,” he said. “I enjoyed the community. I received a good education, which provided me the background to pursue other opportunities.”

Bob recently joined the MSU Board of Regents. ■

# Establishing a scholarship

**Creating a named scholarship through the Minot State University Development Foundation assists students and leaves a legacy to Minot State University. It is also a meaningful way to honor family and friends.**

The first step in establishing a scholarship is to determine whether you would like to establish an “endowed” scholarship or an “annual” scholarship:

- **Endowed Scholarships**

Endowed scholarship funds are designed to be permanent and perpetual and can be created with gifts totaling a minimum amount of \$10,000 contributed in full at the outset or with an initial commitment that is added to over time until the endowment level of \$10,000 is reached. The principal of the fund is invested to produce income, and an annual award is made to a student(s). The principal remains untouched, so the endowment can last into perpetuity.

- **Annual Scholarships**

Annual scholarships can be established with an outright gift of any amount. Unlike an endowed scholarship described above, an annual scholarship is not a permanent fund and is awarded only as long as you (or others) choose to contribute to the fund.

As a scholarship donor, you choose the name of the scholarship as well as the criteria. The Office of Advancement staff is available to help you create the criteria for your scholarship. Endowed and annual scholarships at Minot State are awarded to deserving students based upon area of interest, geographical origin, leadership potential, merit, financial need, academic achievement or other criteria.

Typically, a selection committee carefully reviews the scholarship applications submitted by students and selects the most deserving recipient(s) based on the donor-established criteria.

Contributors of a scholarship fund are notified annually when the scholarship recipient(s) has been selected and are informed of the name, as well as the amount of the award. Recipients often write a thank you note to the donor, and in some cases, the recipient and donor are able to meet.

“You have inspired me to help others and give back to my community. I hope one day I will be able to help students achieve their goals just as you have helped me!”

## Donor Honor Roll

Alumni and friends continue to provide financial assistance through annual donations for Minot State University students and the university. These contributions are vital for a solid future for Minot State. Cash donations, endowments, gifts of property, bequests, annuities, and trusts are vehicles to match the dreams of our donors with the needs of our students. Gifts can be made conveniently at [MinotStateU.edu/alumni](http://MinotStateU.edu/alumni) or by contacting the Advancement Office at 701-858-4243 or 800-777-0750 ext. 4243.
