General Electives (12 CR) Any art courses, including study tours and advanced studies, may apply.

Second Major or Minor and/or Concentration(s) (32 cr)

NOTE

Art majors and minors are expected to attend a minimum of three Northwest Art Center exhibition receptions and one other public art reception per semester. This requirement is usually met during Art Seminar courses (191, 291, 391, 491.) Art Majors are required to enroll in Art 491 the fall semester prior to the date they wish their senior exhibition to take place.

To get the Major GPA:

1. Multiply the CR for the course by the HP for the grade earned (A=4, B=3, C=2, D=1) to get the honor points for the course.
2. Total both the CR and HP columns.
3. Divide the total HP by the total CR to get the Major GPA

Transfers:

If a requirement is satisfied by a transfer course, note that fact by a check in the TR column and include in the student's file a course substitution form with all transfers noted and approved.

If a transfer student has completed the General Education requirements at another institution, they are still required to complete the Developmental Content portion of General Education at Minot State University. These courses can often be met from Equivalency transfer courses and/or Art major requirements.
