

COLLABORATIVE FOR THE APPLIED STUDY OF COGNITION AND LEARNING SCIENCES (CASCLS)

Mind/Brain Myth-busters Session Evaluations September 14-15, 2007

Please select the sessions you attended below and provide a brief reflection on the content of the presentation, including:

- a. what you found most interesting or challenging, and
- b. how you feel this information could be of use to educators or parents.

General comments on the overall seminar site, flow, structure, and hospitality may be made on the back of this form. Thank you once again for attending and providing this valuable feedback.

PLEASE NOTE:

INDIVIDUALS SEEKING GRADUATE CREDIT MUST TURN IN THIS REFLECTION FORM WITH SUBSTANTIVE COMMENTS FOR SESSIONS AND TABLE-TALK INTERACTIONS. THIS IS YOUR 'IN-CLASS' WRITTEN ASSIGNMENT SINCE THERE IS NO FOLLOW-UP WORK. THANK YOU FOR YOUR THOUGHTFUL REFLECTION AS YOU PROCESS THIS INFORMATION THROUGH YOUR OWN MIND/BRAIN!
