Student Center > How to … Drop Courses

FYI

Do not use the CampusConnection to drop/withdraw from all classes at MSU. If you are dropping or withdrawing from ALL CLASSES at MSU, you must complete and submit the withdrawal form located at http://www.minotstateu.edu/finaid/withdrawal.shtml.

Please pay close attention to the drop deadline. If a course is dropped after the last day to drop at a 100% or after the “Drop – Retain Record” date under the deadlines link a “W” will appear on your transcript and there will be no refund for the course.
Click on the drop tab at the top of the enroll screen. Click to place a checkmark in the box to select the course you wish to drop. Click DROP SELECTED CLASSES.

Confirm your selection and click FINISH DROPPING to process the request.
Verify the status of the results. The Message could either be success, error or message. The drop was only successful if the message says success. Click MY CLASS SCHEDULE to review your entire schedule.

Check your class schedule frequently. Check the status to be sure it is accurate. Courses may be dropped without your consent for non-payment of fees, non-attendance, cancelled course, or at an instructor’s request.
