*Please include the subject area & number for each course. For example, College Composition I is Engl 110. The course name is unneeded.

Authorization

Students enrolled in college credit course(s) at Minot State University will receive a letter grade that will become a part of their permanent college transcript. A numerical grade will appear on the high school transcript for dual credit courses; conversion of grades is the responsibility of the respective high school. It is the student's responsibility to verify the transferability of courses with the institution of choice.

Eligibility for continued participation in this program requires satisfactory academic performance at the high school; earned grades of A, B or C in all college courses; and parental and school approval for each subsequent semester of enrollment. A student who earns grades of D or F may not be eligible for future dual credit courses or may have restrictions.

If a student wishes to withdraw from any college course(s), it is his/her responsibility to first discuss this matter with the high school counselor and notify Minot State University. Students must adhere to the college calendar including but not limited to: class dates, fee payment and drop/add dates.

This course obligates the student, parent and/or guardian financially. All fees associated with this course(s) must be paid by the established deadlines and failure to do so could result in not receiving college credit for this course(s) and an unfavorable hold placed on the student's account. Please visit the Business Office's webpage for deadlines.

The student authorizes MSU to release all academic and financial records (including, but not limited to, course grades, account balances, and account holds) to my attending high school and my parents/guardians.
