GRADUATE COMMITTEE
Master of Science - Communication Disorders

Oral Comprehensive Examinations
Notification of Exam Date and Committee Members

Communication disorders graduate students are required to complete oral examinations after written exams. The program director and graduate student are responsible for completing the following information and submitting this form to the Graduate School no less than one week prior to the oral exam.

Name _____ ID# _____

Semester and Year all course work, practicum hours, and exams will be complete: _____

This is to notify the Graduate School that I have scheduled my Oral Comprehensive Examination to be held:

Date: _____ Time: _____ Location: _____

Please appoint the following faculty members to my Graduate Committee.

The CD graduate committee consists of three graduate faculty members from the communication disorders department who are assigned to the committee based on the outcome of the student's written exam. The faculty members have been selected by the department, are willing to participate, and are approved for graduate faculty status as verified by the program director's signature. The student may select his/her outside member and must obtain that member's signature on this form.
