**Concurrent Enrollment**: Federal regulations allow F-1 students to take courses at more than one institution as long as: 1) enrollment at both schools amounts to a full-time course load; 2) both schools are SEVIS-certified; and 3) Minot State will apply the courses taken at the other institution towards the student’s program of study at MSU (USCIS 8 C.F.R. § 214.2(f)(6)(iv)).

A full-time course load is defined as 12 credits for undergraduates and 9 credits for graduate students.

Questions should be directed to Elizabeth Sund, International Student Coordinator, at elizabeth.sund@minotstateu.edu.

---

Student’s Name:___________________________________________________ MSU ID#: __________________________

The semester in which concurrent enrollment will take place: ______________________ / _______________ (Fall or Spring) Year

**A. Classes to be taken at other institution:**

</tbody>
</table>

**B. Student Certification**

By signing below, I verify my understanding that I must enroll in classes that are transferable and that will be applied towards my academic program at MSU. I also understand that I must be registered for a full-time course load between the two schools in order to maintain my F-1 student status. I acknowledge that my SEVIS record will be maintained by Minot State University and therefore, on-campus employment will only be allowed at MSU.

Furthermore, I agree to submit proof of registration at the other school for my file in the MSU Office of International Programs, and I understand that failure to complete this step could result in the termination of my F-1 status.

Student’s signature                                                            Date

**C. Approval from MSU Academic Department** - This section is to be completed by the student’s academic advisor.

I certify that the courses listed above are transferable and will be applied towards the student’s academic program at MSU. I also certify that the combination of classes to be taken at both schools is equivalent to full-time course load.
