

The following courses, offered at MSU’s international partner institutions, or other approved study abroad programs, are accepted as equivalent to an MSU course by endorsement of the academic department. **Students are not limited to the courses that are listed below. Students are able to inquire about additional courses that might receive approval for equivalency with department chairs and advisors. The following simply lists courses that have already been approved prior to January 2015.** The credits vary based on contact hours at the host university.

University of Canterbury: New Zealand
