THE DEPARTMENT OF RESIDENCE LIFE

Philosophy

The Department of Residence Life is professionally and personally committed to celebrating and valuing the rich diversity of people who live in our residence halls and apartment communities. We believe our living environment must foster freedom of thoughts and opinion in the spirit of mutual respect. Our programs, activities, and interactions are enriched by accepting each other as we are and by celebrating our uniqueness as well as our commonalities.

Diversity exists in ethnicity, socioeconomic status, race, religion, age, gender, sexual orientation, country of origin, ability, and in rural and urban environments. We are guided by the principles that celebrating diversity enriches and empowers the lives of all people in addition to preparing graduates to live and work in a culturally pluralistic, interdependent world.

To further strengthen this wonderful community at Minot State University, we affirm the following:
1. That everyone be allowed to work, learn and live in a safe and caring environment.
2. That everyone learn about, understand, appreciate and respect differences.
3. That everyone matters.
4. That all individuals be respected and treated with dignity and civility.
5. That we will not tolerate any form of bigotry, harassment, intimidation, threat, or abuse, whether verbal or written, physical or psychological, direct or implied. Alcohol or substance abuse, ignorance, or “it was just a joke” will not be accepted as an excuse.
6. That everyone continue to share in the responsibility in making MSU a better place.

Our residence and apartment communities are rich, alive and dynamic environments which are designed for all individuals to stretch and grow to their full potential. Only by celebrating and understanding our differences can we create an environment where innovation, individuality and creativity are maintained.

Eligibility and Procedures
Following are the eligibility requirements and the procedural steps necessary to obtain a Student or Faculty/Staff ID Card. Please refer to this information as your guide to helping individuals better understand who is eligible to receive an ID card and how, when and where it can be obtained. ID Cards can be obtained in the Photo ID office located on the second floor of the Student Center. An individual must meet one of these criteria prior to obtaining an ID card:

• Students (undergraduate, graduate and professional) must be admitted or registered with the University. University entitlements are based on current status, not future status.
• Faculty, academic staff, staff, and graduate students must be entered into PeopleSoft.

A good indication that an individual is in PeopleSoft and is ready to receive a card is when they have received an official University e-mail address.

Terms and Conditions
Minot State University issues an ID card to all registered students, and employed faculty and staff subject to the following:

A. The ID card is the property of the Minot State University. The University reserves the right to revoke use of the card or any of its accounts at any time. The card is non-transferable and may be used only by the individual to whom it is registered.

B. The ID card, transactions related to the use of the card, and any account balances are the sole responsibility of the individual Cardholder until the University is notified in writing that
the card is lost or stolen. For all online accounts, the Cardholder will not be held liable for any unauthorized transaction which occurs after the University has been notified of a loss, theft, or possible unauthorized use of the card.

C. Money deposited into the debit account (Beaver Bucks) is subject to the terms and conditions of the debit account. Any money left in your individual Beaver Bucks Account will revert to the ID card Office two years after becoming inactive. An application for deposit and a complete copy of these terms and conditions can be obtained at the ID Card Office.

D. The Cardholder will not damage or alter the card in any manner. This includes, but is not limited to, punching holes in or affixing stickers to the card.

E. The Cardholder is solely responsible for all fees associated with the card including the cost of replacing a physically damaged, lost or stolen card. A non-refundable fee of $20 is charged to replace a lost or stolen card.

INTERIM HOUSING
Housing for students during winter and spring breaks is available on a case-by-case basis. It is limited to students participating in campus based activities or groups who have housing arrangements with the University. Additional charges for housing are the responsibility of the student or department making the housing arrangements. Housing will be limited to the space available in the residence hall. Those currently living in a residence hall may have to relocate to another residence hall in order to stay on campus. Communication will come from the Residence Life office regarding information for arranging interim housing for winter break and summer break. Housing will not be available between summer and fall sessions due to the need to conduct any annual maintenance in the residence halls.

LINENS
Students must provide their own bed linens, including mattress pads. The beds in Crane Hall, Lura Manor and McCulloch Hall require longer sheets as the mattresses are 80 inches. Furniture and drapes/blinds for each room are provided by the University.

GENERAL POLICIES AND PROCEDURES

MSU students who are not residents are bound by the Student Conduct Policy to abide by all campus policies, including residence hall policies, and will be held accountable for any policy violations that may occur during their time spent in the residence hall(s). Policies and procedures are to be followed during breaks and holidays.

RESIDENCE LIFE AND HOUSING JUDICIAL PROCESS

Minot State University Housing Judicial Code

Any violation of the Residence Hall Handbook that occurs in facilities defined as Residence Halls on campus at Minot State University, will be addressed through the Residence Life and Housing judicial system through the procedures set forth in the MSU Housing Judicial Code.

MSU students who are not residents are bound by the Student Conduct Policy to abide by all campus policies, including residence hall policies, and will be held accountable for any policy violations that may occur during their time spent in the residence hall(s). Policies and procedures are to be followed during breaks and holidays.

The Residence Life Coordinator will be the primary judicial coordinator for housing policy violations, and reserves the authority to exercise discretion in all disciplinary matters, giving consideration to the particular circumstances of each violation. The Director of Residence Life may designate another residence life staff member to act as a judicial coordinator depending on the nature of the incident. Other Staff members may include: a Residence Hall Director, the Director of Residence Life, or other bodies as outlined in the Student Handbook.

Offenses will be accumulated over the course of a period beginning with the first day the student moves into a residence hall and ending on the day a student is no longer considered an on campus resident. A student will no longer be considered an on campus resident when they no longer have a current or future housing application on file with the MSU Residence Life and Housing Office. Disciplinary files will also carry over if a student moves to an apartment location during their time living on campus. Students residing on campus during the summer term are still subject to disciplinary action if in violation of residence hall policies.

Complaints

Any person can make a complaint. Complaints are typically documented by Residence Life staff (RA's, RM's or RHD's) or Campus Security, and are submitted as “Incident Reports.” The Residence Life Coordinator (or designee) will be notified when a report has been submitted, and they will review the report. After reviewing the report, the Residence Life Coordinator (or designee) will set a meeting with all involved students in the submitted report. Meetings will be scheduled around students’ academic schedules, which the Residence Life Coordinator (or designee) will review prior to setting the meeting. Some complaints may not require a meeting to be set, and the Residence Life Coordinator (or designee) will only send an informational “warning” letter to a student.

Initial Meeting Request

Involved students will receive in writing, via their MSU e-mail account, an “Initial Meeting Request” letter indicating that a student has been identified as being involved in a report that was submitted to the Residence Life Office. The letter will also indicate the type of violation, alleged behavior, the date, time, and location of the “Judicial Meeting.”

Judicial Meeting

Once a Judicial Meeting is scheduled by the Residence Life Coordinator (or designee), it is the responsibility of the student to attend the meeting on the day and time, at the designated location of the meeting. If a student is unable to attend the Judicial Meeting, it is the responsibility of the student to reschedule the meeting with the designated judicial coordinator identified in the “Initial Meeting Request” letter. If a student fails to reschedule, or attend the initial judicial meeting, the coordinator will make one attempt to reschedule the meeting. If a student fails to attend the rescheduled meeting, the coordinator will determine an outcome based on the information available. During the judicial meeting, the student will:

- Be made aware of the complaint and alleged violations
- Discuss the complaint in question
- Refute or affirm any evidence presented
- Discuss the behaviors with the coordinator
- Discuss the potential outcomes to the violation

Outcomes

After the conclusion of the meeting, the coordinator will determine whether a student is: “responsible,” “partially responsible,” or “not responsible” for the alleged violations. Furthermore, the coordinator may indicate that another meeting is needed before determining an outcome. The determination will be made based off of the “preponderance of evidence,” meaning that it is more likely than not that the student is responsible for the alleged violation.

If a student is found “responsible” or “partially responsible” for the alleged violation, the coordinator will determine an appropriate outcome to the violation.

An outcome is a consequence incurred by the student due to the behavior that violated policies outlined in the Residence Hall Handbook, the General
Conditions of the Housing Contract, or policies outlined in the Student Handbook. Residence Life and Housing makes an effort to make outcomes that are based in education and service, and will avoid monetary outcomes when there are no damages incurred. However, monetary outcomes may be imposed when a violation occurs during the last two weeks of the fall and spring semesters as students are typically focused on their end of semester exams and projects.

Outcomes may include, but are not limited to:
- Written Warning
- Housing probation
- Community service hours
- Research paper
- Reflection paper
- Educational programs in residence halls
- Attendance loss in student's academic programs
- Online Alcohol/Drug course (there is a $35 fee which will be waived if course is completed prior to the timeline established in the meeting response letter, typically 2 weeks)
- eChug/Toke Program
- Guardian notification (for students under 21 years of age)
- Restitution to the University for cleaning, replacing, or restoring a specific area or thing when loss or damage is incurred as a result of a student's actions.
- Disciplinary fine (as outlined in the Residence Hall Handbook)
- Restriction/removal of privileges for a specified time frame
- Administrative moves from one hall or floor to another hall or floor
- Removal from residence halls (students removed from residence halls as a result of violations will be held to the standard cancellation charge)

**Interim Measures**
In incidents where a student's behavior is deemed to be extremely disruptive, dangerous to others, or involves illegal activity, the Director of Residence Life reserves the right to institute interim measures until the completion of a Judicial Meeting. Interim measures may include but are not limited to:
- Restriction or removal of privileges
- Administrative move from one hall to another hall
- Removal from the residence halls

**Meeting Response**
After a judicial meeting, the coordinator will notify the student in a letter sent to the student's MSU e-mail account, which will have: a finding of responsibility, the determined outcome, the timeframe for completion of the outcome, and a statement of the appeal process.

**Appeal Process**
If a student wishes to appeal an outcome determined by the Residence Life Coordinator (or designee) they must do so, in writing, within 96 business hours (4 business days), not including weekends or other university holiday's, from the day the outcome letter was sent to the student's MSU e-mail account. The appeal letter should state what the student is appealing and the reasoning for which they are appealing to the Director of Residence Life. If the Director was the coordinator of the judicial meeting, then the Vice President for Student Affairs will be the appeal Coordinator. Students can appeal a decision based on the following reasons:
1. There was an error in the judicial process.
2. There is new evidence or material directly relating to the complaint that was not available at the time of the judicial meeting.

If an appeal is granted, a new meeting will be set up by the appeal coordinator around a student's class schedule. If a student fails to attend or reschedule an appeal meeting (prior to the appeal meeting), then the original decision will remain in place.

At the conclusion of the meeting, the appeal coordinator decides whether to:
- Affirm the outcome decision of the original judicial coordinator
- Reverse the outcome decision of the original judicial coordinator
- Modify the outcome of the original judicial coordinator

The determination made by the appeal coordinator will be considered final. In cases where a student is removed from MSU Housing, the appeal body will be the Student Welfare and University Affairs Committee and the appeals procedure outlined in Section J (pg. 49) of the Student Handbook will take precedence.

In cases where the outcome of a meeting may be suspension or expulsion from Minot State University, the Judicial Procedures outlined in the Student Handbook: Student Conduct Policy-Section IV. (pg. 49) will take precedence.

**ACADEMIC PROGRESS PROGRAM**
Each resident should earn a minimum term grade point average of 1.50. Residents who fail to meet this requirement may be contacted by the Residence Life Office.

**ALCOHOL & OTHER DRUGS**
Minot State University is committed to maintaining an academic and social environment conducive to the intellectual and personal development of students. It is also committed to the health and welfare of all members of the University community, including healthy learning and living environments and respect for the law. This aspiration is threatened by illegal and high-risk alcohol and drug use. Students currently living in the residence halls are responsible for educating their guests on the residence hall policies.

In accordance with state and federal laws, and with the necessary regulations and shared responsibilities of community
living in mind, Residence Life has established the following priorities:

1. To provide and maintain an alcohol and drug free campus, including alcohol and drug free residence halls
2. To discourage and prohibit illicit and illegal drug usage
3. To discourage and prohibit underage drinking
4. To prevent problem behavior and to combat alcohol and drug abuse
5. To provide prevention, intervention information, and education for all residents, including information about confidential and effective guidance and counseling services for those with special concerns or needs regarding alcohol and drug use and/or abuse

In incidents of suspected drug use, or possession, and/or consumption of alcohol by minors, law enforcement WILL BE contacted. During the course of an investigation, a Police Canine Team may be used.

**Policy Violations**

Minot State has declared all residence halls drug and alcohol free. Violations of this policy include:

- Drinking alcoholic beverages in the residence halls
- Being in possession of alcohol in the residence halls
- Using illegal drugs or prescription drugs that are not prescribed to the student in possession
- Abusing prescription drugs
- Possessing illegal drugs or prescription drugs that are not written for the student in possession
- Being in possession of items that may be reasonably considered drug paraphernalia
- Selling and/or distributing alcohol or other drugs from any location on campus
- Entering a residence hall while dangerously intoxicated
- Committing a separate policy violation while intoxicated (i.e. Vandalism violation, noise violation, etc.)
- Displaying or possessing alcohol containers, full or empty for consumption or decoration
- Signs (including neon “bar signs”), posters, or other material advertising or encouraging alcohol use displayed in residence hall windows, or visible from hallway of the residence hall
- Being in a room or situation in any residence hall with person(s) who are drinking or in possession of alcohol, even if you are not drinking

The Residence Life Coordinator reserves the authority to exercise discretion in all disciplinary matters, giving consideration to the particular circumstances of each violation.

Offenses will be accumulated over the course of a period beginning with the first day the student moves into a residence hall and ending on the day a student is no longer considered an on campus resident. Disciplinary files will also carry over if a student moves to an apartment location during their time living on campus. Students residing on campus during the summer term are still subject to disciplinary action if in violation of residence hall policies.

**Sanctions**

Student may be sanctioned on an individual basis after meeting with the Residence Life Coordinator. Sanctioning will be determined by factors including, but not limited to:

- Involvement in the incident
- Number of prior incidents a student has been documented in
- Type of incident

Sanctions include but are not limited to:

- Alcohol course ($35 fee will be waived if course is completed within two weeks of given date)
- Community service hours
- Parental notification (for students under 21 years of age)
- Disciplinary fine ($100)
- Research paper
- Reflection paper
- Educational programs in the residence halls
- Required meeting with campus counselor
- Housing probation
- Removal from the residence halls

**Minot State University Parental Notification Policy**

Minot State University has a responsibility to help students whenever University personnel believe the student is in need of assistance. This responsibility extends to “notification of parents” which is permitted under the 1998 Amendments to the Family Educational Rights and Privacy Act (FERPA). Therefore, parental notification may occur at MSU after any violation or serious offense where alcohol is involved, e.g. assault, D.U.I., destruction of property, etc. If the students is under the age of 21.

In order to encourage those who may be in danger from alcohol poisoning or alcohol-related injuries to seek proper assistance, no student seeking medical treatment for his/her alcohol or drug-related overdose, or assisting another student in obtaining such treatment, will be subject to University discipline for that Alcohol Violation. The incident will be documented for health and safety purposes.

**BEHAVIOR**

The primary responsibility for behavior rests with the individual resident. Consideration and tolerance of others is required in the hall setting in order to avoid an overload of rules governing individual conduct. It is expected that all students abide by the guidelines set forth in the Student Conduct Policy located in the Student Handbook and all residence hall policies in the Residence Hall Handbook and/or posted in the halls. Violations of the Student Handbook or the Residence Hall Handbook may result in a disciplinary letter, fines, loss of privileges, and/or eviction from the residence halls.
Any attempt to physically or verbally harass University or Housing employees in the performance of their duty will be viewed seriously and may lead to eviction from the halls.

**BICYCLES**

Bike racks are available for use outside each residence hall as well as near campus buildings. All students who own bikes are encouraged to obtain strong locks and chains and to register their bikes with the Minot Police Department. As they are outdoor bikes, you cannot ride bikes in the residence halls. Bikes may not be stored in the residence hall common areas or in the room/suite areas unless you can remove one wheel and can store the bike in a residence hall location approved by the RHD. No winter storage is available for bikes, except the outdoor bike rack. Other recreational equipment with wheels is not permitted for use in the halls.

**CANDLES/INCENSE**

See Fire Hazards section.

**COMMON COURTESY POLICY**

The Residence Life Office has developed the following guidelines to ensure a safe, positive, and respectful living and learning community to all our residents in the halls.

1. The right to read and study without interference, unreasonable noises and other distractions
2. The right to sleep without undue disturbance
3. The right of all residents to have personal privacy in their rooms
4. The right to live in a clean environment
5. The right to have free access to one’s room and facilities
6. The right of a resident to sleep or study supersedes the right of another person to entertain
7. The right to be free of fear or intimidation and physical or emotional harm
8. Each resident must respect his or her roommate’s belongings

**COMMON DAMAGE**

The Department of Residence Life is committed to developing positive living/learning environments within the residence halls. This requires well maintained facilities. One factor critical to the attainment of this goal is the encouragement of a sense of community among the residents of any particular living unit. This sense of community inheres a sense of responsibility and respect for one’s fellow residents as well as the facility where one resides. In order for this policy to be fair and effective, all residents within a particular living unit must work to develop a positive environment for themselves. This will include a respect for the facilities and furnishings of that living unit as well as the willingness to take responsibility for damages caused by one’s self and/or one’s guests. When this does not happen, and when residents are not willing to confront and, if necessary, report those responsible for damages, then all members of the living unit will take on the burden of paying for these damages. The increased cost of building repair and maintenance due to vandalism lead to increased rent charges. Your cooperation in the investigation of person(s) responsible for vandalism will result in cost containment.

Common damage charges will be billed to each resident of a floor/building, at the end of each semester, for any damages that occur within that living unit that cannot be attributed to specific individual(s). Common areas are defined as all building space outside of resident rooms/suite areas including building and property damage and/or theft.

**COOKING**

See Fire Hazards section.

**FINALS WEEK CONDUCT**

Your housing contract expires at the completion of final exams at the end of fall semester and again at the end of spring semester. All residents are expected to check out of their hall 24 hours after their last final exam. Those residents who violate residence hall policies during finals week will face immediate disciplinary action and may be asked to leave the hall.

**FIRE ALARMS**

Each room is equipped with a smoke detector for your protection. The light on the detector indicates it is in working order. The detectors must be tested at the beginning of each year. If the light is not on, report it to your Hall Director.

**FIRE DRILLS**

Fire drills will be held periodically in order to vacate the building in an orderly fashion should an emergency occur. Everyone must vacate the building regardless of whether they are in bed, on the telephone, etc. Exit procedures are posted on each floor. Campus Security (Minot Police Dept.) and the Residence Hall Director(s) will conduct all official fire drills. Any policy violations that are found during this time will be dealt with accordingly.

**FIRE HAZARDS**

**Candles/Incense**

Fire regulations prohibit the use of open flames. Therefore, candles and incense are PROHIBITED in the residence halls. no person living in the residence halls may have candles (including tarts/wickless candles), Scentsy pots, candle warmers, or incense in their room, regardless of whether or not the item has been or will be burned. Lava lamps are also prohibited.

**Space Heaters**

Due to the risk of fire associated with space heaters, space heaters are not permitted in the residence halls.

**Cooking**

Fire regulations forbid cooking in your room. No electrical cooking appliances, including microwave ovens, are permitted in the residence hall rooms. Cooking facilities are available and microwaves,
toasters, and ovens are provided for the residents use. Only residents may use these facilities. Residents must stay with their food while cooking. Kitchens may be closed if residents neglect to clean up after using the facilities. Electrical cooking appliances will be confiscated and returned to the student at the end of the term or when he/she is no longer in residence.

**FIRE SAFETY**
Observation of fire safety standards is especially important in the residence halls. Prohibited are:

- Overloaded electrical outlets, damaged or non-UL approved cords, unsafe placement of cords or improper use of electrical items
- Damaging or tampering with fire safety equipment (smoke detectors, fire extinguishers)
- Obstruction of room door/windows.
- Use of any open flame device, (candles, etc.) or any cooking appliance; burning of incense; possession/use of fireworks or other explosives; possession/storage of gasoline or other fuels/flammable chemicals
- Cloth and/or paper items hung near incandescent/halogen lamps
- Blocking open or otherwise interfering with the intended smoke barrier purpose of fire doors
- Blocking hallways or building exits.
- Failure to evacuate according to designated procedures during a building alarm and/or failure to follow instructions of University or fire safety personnel
- False report of fire or other dangerous condition (bomb threats, etc.)
- Activating false alarms will result in disciplinary action and possible removal from the residence hall

**FIREARMS/WEAPONS**
Firearms, explosives (including fireworks), ammunition, bows and arrows, knives, guns, paintball guns, airsoft guns, nerf guns, BB guns, nunchucks, brass knuckles and any other fighting materials or objects that can be used or viewed as a weapon are prohibited on campus. A violation of this policy may result in eviction, restitution and damages, and other disciplinary action to be determined by the Residence Life Coordinator.

**GAMBLING**
Gambling of any form is not permitted in the residence halls.

**GUESTS**
See Visitation section.

**HALL SPORTS**
The common areas are not designed for sporting activities and may not be used for any sporting activities. All sports related activities should be held outside, in the Dome, or in Swain Hall. Students are not to rollerblade in the building and are expected to carry their skates to/from the building doors. Students playing sports outside the buildings may be asked to move or cease if they are causing disturbance to those within the building or if their behavior may result in damage to person or property. Water fights (often beginning with squirt guns) are not allowed in the residence halls.

**HEALTH & SAFETY**
As stated in the General Conditions of Contract for Residence Halls, residents are responsible for the care and cleaning of their rooms. The Residence Hall staffs perform routine Health and Safety checks once a semester. During this time they are looking for over-loaded outlets, unhygienic living environments, as well as anything that would be considered a violation of the Fire Hazard policy. Any other policy violations that are found during this time will be dealt with accordingly.

**KEYS**
Residence hall security starts with responsible use of keys. Duplicating of university keys or allowing someone else to use your keys are not permitted. You are expected to report the loss of your keys immediately to the Hall Director or Resident Assistant. A $50 charge to re-core the door will be billed to your university account if appropriate. If you are locked out of your room, contact an RA or your Hall Director.

**LEAVING FOR BREAKS**
Whenever you leave your room for vacation periods, you must turn off all lights, unplug all appliances, empty your wastebasket, close and lock windows, and lock your door. The residence hall staff and maintenance personnel may enter a student’s room without notification of the resident in emergency situations (smoke detectors activated, water problems, close windows, check thermostats, etc.) when the building is officially closed or during vacation breaks. Any policy violations that are found during this time will be dealt with accordingly.

**LOUNGE FURNITURE**
The lounge furniture (including garbage bins) will not be allowed in resident rooms. A $25 fine will be assessed for removal of lounge furniture to individual rooms.

**MEETINGS/SOLICITATION**
No person or organization, whether or not affiliated with the University, may advertise, sell, conduct a business, campaign, hold meetings or programs, or raise funds in University residences without receiving permission from the Residence Life Office.

**MUSICAL INSTRUMENTS**
See Noise section.

**NOISE**
Residents and staff are responsible for maintaining an atmosphere conducive to study and sleep. Noise which is disruptive to other residents is prohibited as courtesy and consideration of others is expected at all times. Excessive noise at any hour is not acceptable and at no time should amplified sound or yelling be directed out or at residents’ windows. Noise may be deemed disruptive if it can
be heard through a closed door or window. Residents are expected to respond positively to requests to reduce noise and should be able to feel comfortable approaching others with requests for noise reduction.

The first offense for a noise violation is a verbal warning; for a second offense the student will be documented for violation and may receive a letter from the Residence Life Office. Violations that occur during mandatory 24 hours quiet times (such as finals week) or violations of a severe and/or extreme nature can be deemed serious enough and no verbal warning will be given. Such decision will be made by the Residence Life Coordinator. Violations of the noise policy may result in disciplinary actions that include but are not limited to:

- Written warning
- Disciplinary fine ($25, $50, $75)
- Educational bulletin boards
- Research paper
- Reflection paper
- Community Service hours
- Education programs in the Residence Halls

**Musical Instruments**

Individual rooms may not be used as a practice room. Practice rooms are available in Old Main.

**PETS**

Health policies do not permit pets in the residence hall, with the exception of fish in a tank no larger than ten gallons.

**ROLLERBLADES**

The wearing of rollerblades is prohibited in the residence halls, and across campus.

**ROOM ENTRY POLICY**

Authorized university personnel may enter a student's residence hall room without permission for the following reasons:

1. To provide routine maintenance and to ensure that residents are following health, fire, and safety regulations
2. To respond to emergency situations; i.e., situations which threaten the health and/or safety of room occupants and situations which require immediate maintenance to prevent property damage

Authorization to enter a student's room under this policy does not constitute authorization to conduct a search of the room. Authorized university personnel indicated above include:

- Full-time members of the Housing and Residence Life staff, including maintenance and custodial personnel and members
- Full-time members of IT Central, including approved part-time staff members
- Residence Hall Directors, subject to the following restriction: In non-emergency situations, RHDs must receive prior authorization from a full-time professional staff member when using the master key to enter a student's room
- Campus Security
- Fire Marshall

Protocol for using the master key to enter a residence hall room:

1. No student room should be entered without knocking, regardless of whether the door is locked, unlocked, or open. The only situations in which staff are not required to knock are emergencies.
2. Before using the master key, university personnel attempting to enter a room should identify themselves and state the reason for entry. In addition, they should request that the door be opened.
3. If the door is not opened and authorized personnel deem it necessary, the master key will be used to enter the student's room for one or more of the reasons listed above.

**ROOM PERSONALIZATION**

Personalizing your room is permitted. However, residents must not alter or damage the condition of the room.

Tacks, nails, and duct tape should not be used on the doors and walls (blue painter's tape may be used). Walls and fixtures within the room should not be painted and plant hangers are not permitted in the ceiling. Posters, pictures, etc. hung on the outside of the door must be in good taste and not offensive to other residents or guests. Lofting of beds is not allowed. Waterbeds are not allowed in the residence hall. All carpeting in the room should be jute back and not attached to the floor with tape.

**SAFETY & SECURITY**

Residence halls are locked on a 24 hour basis. Residents are strongly encouraged to lock their room and suite doors whenever they leave and carry their keys with them at all times. Residents should never prop locked building doors open or permit entry to persons they do not know. Doing so may jeopardize the safety of all residents.

**SCREEN REMOVAL**

Residents are not permitted to remove the screens from any windows or damage the screens in any way. A fine of $50-$75 will be assessed for the removal and/or damage of any screen. In addition, any fees for the repair or replacement of a damaged window screen in a residence hall room will be the responsibility of the student(s) living in that room.

**SOCIAL NETWORKING RESPONSIBILITY**

It is a student's responsibility to conduct his/her self appropriately when representing his/her self or the university online. If evidence of a policy violation is documented on social networking web sites (Facebook, Twitter, Instagram, Snapchat, etc.) and brought to the attention of the University, the students may be held accountable for the violations and/or conduct. Such a decision will be made by the Director of Residence Life and/or Residence Life Coordinator.
Tobacco Policy
Minot State University is a tobacco free campus effective January 1, 2009. This policy was established to protect the health and promote wellness and safety to all students, employees, and the general public. Smoking on university property, indoors or outdoors, or in university vehicles is prohibited at all times, including residential buildings.

For purposes of this policy, “tobacco use” means the personal use of any tobacco product, whether intended to be lit or not, which shall include smoking, as well as the use of:
- An electronic cigarette or any other device intended to simulate smoking
- Use of smokeless tobacco, including snuff, chewing tobacco, smokeless pouches, and any other form
- The use of unlit cigarettes, cigars, and pipe tobacco
- Any other device intended to be used to simulate smoking

Violations of the tobacco policy may result in disciplinary actions that include but are not limited to:
- Written warning
- Disciplinary fine ($25, $50, $75)
- Educational bulletin boards
- Research paper
- Reflection paper
- Community Service hours
- Education programs in the Residence Halls

Tornado Procedures
The Residence Hall Director has an Emergency Broadcast System Unit for receiving messages and directions pertaining to emergencies. Residents will be alerted by either the fire alarm system or by their RA. Procedure to be followed for Tornado Warnings will be posted in each residence.

Trash Removal
Each resident is responsible for removal of their own garbage. Please place your personal garbage in the dumpster adjacent to the building. Bathroom and lobby trash cans are not for personal trash deposit. A minimum $25 charge may be assessed for personal garbage found left in bathroom and lobby trash cans or abandoned in hallways, bathrooms, stairwells, or any common areas of the building. Be aware that if the person(s) responsible cannot be identified, all residents may be charged for the violation.

Underage Guests
Policy for ages 17 & under:
- Must be escorted (and supervised, if age-appropriate) at all times
- Cannot spend the night in the hall, unless approved by the RHD
- Cannot be left in a room alone at any time
- Must follow all University and Residence Hall policies
- Cannot roam or play in the hallways. Play must be limited to the room and public lounge areas
- Restroom use is limited to appropriate gender of the child on the floors and in the public restrooms only

Any supervisor of a child not following this policy is subject to disciplinary action, as designated by the Director of Residence Life and/or Residence Life Coordinator.

Vandalism
Any defacing or destruction of University property is considered vandalism and is a violation of the Student Conduct Policy.

A violation of this policy may result in restitution of the costs involved in the repair and/or replacement of the vandalized item(s). Additional consequences may include eviction from the residence halls and/or suspension from Minot State University. These decisions will be made on a case by case basis.

Visitation
Visitors and Overnight Guests
Guests are welcome in MSU’s residence halls. However, in order to maintain a positive and comfortable living environment certain policies must be followed. All non-residents of a building must be escorted by a resident of that building 24 hours a day, seven days per week. Visitors to the residence halls must be an invited guest of the resident. Open (24-hour) visitation means that students may have guests of the opposite gender in their rooms at any time. However, cohabitation is against University Policy. Any overnight guest must be of the same gender as the resident. Requested exceptions for member of the resident’s immediate family must be made in advance with the Residence Life Coordinator.

Discussion with your roommate prior to bringing a visitor to the room should be done. Times and frequency of visitors need to be arranged in advance between roommates. The right of a resident to sleep or study supersedes the rights of another to entertain a guest.

Visitation Hours
All residence halls allow visitors 24 hours a day, 7 days a week. However, guests may be asked to leave the building if the situation becomes disruptive.

Roommates and suitemates should discuss with each other an agreement of visitation and times that guests will be allowed in the room and suite areas. The right of a student to reasonably sleep, study, and feel safe in their unit supersedes the right to have a guest. Complaints and other violations (see overnight guest policy) may result in disciplinary action.

Violations of the visitation policy may result in disciplinary actions that includes but are not limited to:
- Written warning
- Disciplinary fines ($25, $50, $75)
- Educational bulletin boards
- Research paper
- Reflection paper
- Community Service hours
- Education programs in the Residence Halls
- Loss of visitation privileges

SAFETY

Minor State University understands the concern of students and parents regarding the safety on the campus of the university. The university accepts its responsibility to employ security measures to ensure that students at Minot State are as free as possible from any threats to their safety or well-being.

CAMPUS SAFETY
1. When walking at night, travel in groups if possible. Always walk in well-lit areas and do not take short cuts through dark or isolated areas. If an escort is desired, call Campus Security (701-500-2423), and a campus security officer will either escort you by cart or foot to any destination on campus.
2. If you feel threatened or think you are being followed, call either Minot Police Department (911) or Campus Security (701-500-2423) and walk toward a well-lit or well-populated area. After reaching your destination, report the incident to Campus Security, your RA, Hall Director, or the Director of Residence Life.
3. In public areas, do not leave your belongings unattended. Keep coats, book bags, purses, and other valuables with you at all times.
4. If you bring your bicycle with you to MSU, always keep it secured with an oversized chain- or cable-style bike lock. Licensing your bike with the Minot Police Department is also recommended. This will help identify your bike if it is stolen.

5. If you feel uncomfortable or threatened, report it immediately to Campus Security (701-500-2423), the Minot Police Department (911 or 852-0111), your RA, Hall Director, or the Director of Residence Life.

6. Keep your car keys handy when you are walking from the parking lots to your residence hall or vice versa. Many vehicles are equipped with a car alarm. If you feel endangered, press the panic button on your car remote. Doing so should set off your car alarm, and the horn will continue to sound until either you turn it off or the car battery dies. Chances are that the person of concern is up to no good, they will flee due to the attention drawn to that area by the car alarm, which would be an opportunity for you to seek out protection.

RESIDENCE HALL SAFETY
Cook Hall, Dakota Hall, and McCulloch Hall are Co-ed by floor. Crane Hall and Lura Manor are Co-ed by suite. Campus Heights Apartments and Pioneer Hall provide family living accommodations.

All students have the opportunity to request changes in room assignments, which are accommodated as quickly as possible based upon available facilities. Professional head residents and resident assistants, who are all members of the University residence hall staff, live in the residence halls and are on call 24 hours a day. All residence hall staff members undergo thorough training in enforcing residence hall security policies. Desk assistants are assigned to the desk at the main entrance of each residence hall during specific hours according to traffic patterns in each residence hall. These assistants are in immediate telephone contact with campus security personnel and the Minot Police Department. All residence hall entrance doors are locked 24 hours a day through an automatic locking system, and only students who are residents of the hall have access through their ID cards. Both on-campus and off-campus guests of the opposite sex must be escorted through the residence hall by a current resident. Overnight guests in the halls must be of the same sex as the resident, and guests must register with the appropriate housing staff. All student rooms in residence halls are equipped with dead-bolt locks or other security hardware. All windows have locking devices. As part of the programs sponsored by the residence hall staff and by other university organizations – including the Student Government Association, Student Social Work Organization, Criminal Justice Club, Campus Security, and Campus Ministries – sessions are conducted each semester on topics that have ranged from date rape to personal safety to depression and suicide. These programs and others provide information to students and employees about safety and personal well-being. The Student Development Center offers information in regard to counseling opportunities.

STUDENT RESPONSIBILITY
1. Lock the door to your room when you are alone, especially at night or when sleeping.
2. Do not let strangers into your room. If someone tries to force their way into your room, notify Campus Security (701-500-2423), an RA, or Hall Director immediately.
3. Do not give your name or phone number to strangers.
4. Do not loan your room key or student ID card to anyone.
5. When going out, let your roommate or a friend know where you are going and what time you expect to return.
6. Lock the door to your room every time you leave (even for a few minutes).
7. Close and fasten your windows when you leave your room. This protects you from theft and inclement weather.
8. MSU does not carry insurance to protect student property. Residents are encouraged to provide their own insurance against loss of or damage to personal possessions.
9. Keep a record of all the serial numbers of all your belongings so that if something lost or stolen is found, the police will be able to identify it.
10. Do not advertise your valuables or keep large sums of money in your room.
11. Never let an unauthorized guest into the building.
12. Under no circumstances should you prop open any exterior door, nor should you hold a door open to let another person into the building. Everyone entering must be either a resident that gains access through swiping his or her card, or a guest being physically escorted by a current resident.
13. Report any unescorted strangers in your building to an RA or Hall Director.
14. Do not store any gasoline powered vehicles or equipment (mopeds, motorcycles, barbecue grills, etc.) in the residence hall.
15. Individual smoke detectors are placed in every room. Do not remove or disconnect these because they are placed there for your own protection. Please notify either an RA or your Hall Director immediately if your smoke detector is malfunctioning or missing.
16. Never go up on the roof of your building or out on a window ledge.
17. Refrain from horseplay and practical jokes. They may seem harmless, but they could cause unforeseen damage or injury.
18. Fireworks, firearms, and other weapons are not allowed in the residence halls.
19. The fire extinguishers are placed in the residence halls for your safety. Do not tamper with them.

20. If the fire alarm sounds, leave the building immediately. Do not use the elevator. Do not pull the fire alarm unless there is a fire or smoke visibly verified in the building. If smoke or any other foreign odor is smelled, please contact Campus Security (701-500-2423) immediately so the situation can be assessed. Tampering with the fire alarm system (false alarm) is illegal and serious disciplinary actions may be taken against you.

21. Notify an RA or Hall Director if you receive an obscene phone call. Do no talk to the caller. Hang up immediately.

22. During severe weather, be alert for a tornado warning. If a warning is sounded, you should immediately take cover in a sheltered area.

23. Do not attempt to remodel your room. If you have plumbing, electrical, or structural problems in your room, notify your Hall Director immediately.

24. If you or someone you know gets sick, let someone (an RA or your Hall Director) know about it.

25. If you observe any Hazardous conditions in your residence hall, notify an RA or the Hall Director.

The cooperation and involvement of students themselves in maintaining campus safety is absolutely necessary. Students must assume responsibility for their own personal safety and the security of their personal belongings by taking simple, common sense precautions. For example, a University telephone located in the library can be used by a student at night to inform a roommate that he or she is leaving the library to walk back to the residence hall, or to call Campus Security for an escort. Room doors should be locked at night and when the room is unoccupied. Valuable items should be marked with engraving instruments.

Bicycles should be registered with the Minot Police Department. Vehicles should be parked in assigned parking lots and doors should be locked.

Students should report any suspicious individuals who they feel do not belong in their residence halls, or any unusual incident in and around the residence halls, to the residence hall staff, Campus Security (701-500-2423), or Minot Police Department (911 or 852-0111). Keys and student ID cards should be carried on your person at all times and never lent to others.

For more information about campus safety and security, contact the Office of Safety and Security at 701-500-2423.

**SNOW & ICE SAFETY PRECAUTIONS**

Your safety and that of the entire campus community is of the utmost importance and of the highest priority given by personnel of Facilities Management. Every effort will be made to promptly remove snow from sidewalks. Occasionally, Facilities Management will ask you to remove your car from the parking lot for snow removal. Please be aware of the presence of snow removal equipment as you are walking and driving on campus.

Please take precautions to protect your personal safety from slips and falls. Wear boots or shoes with grip soles. Slick leather or rubber soles are unsafe on ice and hard packed snow. Don’t walk with your hands in your pockets, it reduces your balance. Take short to medium steps or shuffle your feet when these conditions are present. Don’t step on uneven surfaces and place your full attention on walking. Don’t allow your attention to be divided while on ice and compacted snow.

**USE OF POLICE CANINE OPERATIONS**

In an effort to create a safe and comfortable living and learning environment for all students living in residence halls at MSU, the Residence Life Office, and Security will be partnering with local, county, and state law enforcement officers for utilization of Police Canine Teams. Police canines may be used at any time when reasonable suspicion exists that illegal drug activity is present on MSU property or any occasion where a police canine would be beneficial in locating a lost person, suspect, or evidentiary article.

A police canine team may be used to walkthrough building hallways and common areas. Positive alerts by the canine will result in further investigation based on procedural policies of the law enforcement agency. MSU Security and/or Housing Staff will stop to make contact with the residents of the location in question.

Violations of any federal law, state law or city ordinance will result in criminal prosecution and University disciplinary action.

Minot State University
General Conditions of Contract for Residence Halls for 2017-2018

A. Eligibility
1. Any student who is enrolled full time (12 credits undergraduate/6 credits graduate) in on-campus classes at Minot State University is eligible to live in University housing. A minimum of 6 credits undergraduate and 3 credits graduate must be on campus courses. A student who is serving in conjunction with another program may also be eligible based on the request.

B. Application and Assignment Procedures
1. Applicants must remit a $100.00 room reservation fee (check, money order, phone payment or online submission payable to Minot State University) with their application to the Residence Life and Housing Office, Minot State University, Minot ND, 58707. If you are applying online, you will be required to submit the reservation fee with a Credit/Debit Card at the time of application. Your application does not guarantee a room reservation until you have been so notified. Room assignments are made without discrimination to race, color, creed national origin, or religion according to the date the application and deposit are received, and after the Conditions of Contract is signed. The room reservation fee is applied to the first semester’s room rate.

2. All damage charges will be billed to the student’s account where appropriate.

3. On-campus housing is available to the extent that the University has regular space. However, students may be assigned to “temporary” quarters when “regular” space has been filled. Temporary housing may include area motels until space becomes available on campus, or adding additional beds to appropriate rooms.

4. Hall preference will be honored when possible. Hall preference will be determined by application date and priority. If the preferred location is not available, students will be assigned to the next most appropriate and available location.

5. Roommate preferences are honored when possible. If students request each other as roommates, both applications must state this preference.

6. Final confirmation of all housing is subject to admission and full time enrollment to the University. Assignment to a room does not mean that you have been accepted by the Office of Enrollment Services, and admission to the University does not guarantee a room assignment.

C. Contract Term
1. Assignments are made for the term of the contract signed. Available Contract Terms are: Full Academic Year or Spring Only (see Section K). The Housing Office reserves the right to cancel reservations not paid by the payment due dates (see Section E) and to make all final decisions regarding assignments.

D. Room and Board Rates
1. Average Room and board rates for 2017-2018 are based on double occupancy with a 7 day/unlimited gold meal plan and are proposed as follows: Cook Hall, Dakota Hall, and McCulloch Hall - $6500 per year; Lura Manor and Crane Hall - $7100 per year with additional options available. Please check with the Housing Office for additional information regarding specific building/meal costs. All residents are required to be on a meal plan. Check with the Student Union Director’s for more information regarding meal plan options.

2. The 2017-2018 rates do not include official University interim periods and are subject to change by the State Board of Higher Education. Interim periods include, but are not limited to: Thanksgiving Break, Winter Break, Spring Break, and Easter Break (See Section I for more information).

1. Room and Board payment: The one time $100 room reservation fee will be applied toward the first semester of housing room rate when tuition and fees are due. The balance of the semester’s room and board rate is due when tuition and fees are due in both the fall and spring semester.
2. Billing: Room and Board Plans are contracted for the terms; **Full Academic Year or Spring Only. Room and Board charges are billed each semester.**

3. Late payments: a delay on making the payment may result in cancellation of an applicant's Reservation, removal from housing and removal of meal plan, and/or a hold will be placed on his/her future registration.

4. Late assignments: a student assigned after the payment deadline date shall remit amount due to the Business Office within 10 business days from the date of the assignment notice.

Should you wish to obtain names of other students who need a roommate and/or wish to have your name added to the list, call the Housing Office at 701-858-3363 between 8:00 am and 4:30 pm Monday through Friday.

Other times when the board plan is not available include but are not limited to: Thanksgiving Break, Spring Break, or Easter Break.

1. The University assumes no responsibility for loss or damage to residents’ personal property. You should consider purchase of insurance or an extension of your parents/guardians insurance to cover loss or damage of personal property. In addition, you agree not to hold the University, the Housing Office and its employees and agents responsible for any claims for damages sustained by you or others in your room as a result of your acts or omissions relating to any changes or modifications made by you to your room or furnishings. This makes you financially responsible to the University and releases the University in the event of damage or injury.

K. Contract Releases and Refund Policy
