6:00-9:00		Philip	Philip		

Math Clinic Assistants: If you are ill and can't work a shift please contact a replacement assistant. If unable to find a replacement please let Rosie know. If absence is known prior to workday and replacement person isn't available then write date and time you aren't able to assist on room 212 board so students are aware no assistance is available for that time frame Thank you. 1/15/10
