A NEWSLETTER FOR EMPLOYEES AND FRIENDS OF MINOT STATE UNIVERSITY

Dear Minot State University Faculty, Staff, Students, Alumni and Friends:

I am writing to encourage you on Veterans Day, Nov. 11, to thank our veterans for their service and to think of those who sacrificed their lives for our country. To honor and show our appreciation to our veterans and their families, we are inviting veterans to come free of charge to our inaugural men's wrestling match on Nov. 11 in the Dome. At that time we will announce a moment of silence in honor of our fallen veterans and express our deep appreciation for their service.

Minot State University is proud of our veterans — our faculty, staff, students and alumni who have served our country so well. Please join me this coming week in saying thank you to our veterans for their service.

— *David Fuller, president of Minot State University*

New faculty and staff aboard

Minot State University would like to welcome one new employee, Shawna VanSkiver, and introduce her to the campus.

VanSkiver, a training and research associate with the Rural Crime and Justice Center, previously worked at the Kingsbury Elementary School in Sumter, S.C. She completed an associate's degree in education and arts, a bachelor's degree in elementary education and a master's degree in school guidance from New Mexico State University, Las Cruces. She and her husband, Jeff, who is an active duty member of the United States Air Force, have been married nine years. The couple has two cats and enjoys traveling, snowboarding, visiting family and spending time outdoors.

MSU and USPS host MSU passport drive Nov. 18

Minot State University's Office of International Programs and the Minot office of the United States Postal Service are sponsoring their fourth annual passport drive Nov. 18 in the Multicultural Center (Student Center, first floor), 3-6:30 p.m. This drive's objective is to offer an easy and convenient avenue for American students, faculty, staff and community members to apply for a passport book or passport card.

The drive is one of many activities planned on the MSU campus in celebration of International Education Week, Nov. 15-19. IEW is a nationwide effort to prepare Americans for a global environment and attract future leaders from abroad to study, learn and exchange experiences in the United States.

Nov. 3, 2010 PIO update

Two weeks ago, four Minot State employees and I had the opportunity to join forces with dozens across the state to discuss the needs of adult learners in North Dakota — specifically, how the 11 public colleges and universities can work together to help the 79,000 plus 25-64 year-olds in the state who have “some college, but no degree.”

Assisting this age group achieve educational success and improve their overall life will not be an easy task. Many of these individuals have one or two jobs already, families they are raising and a long list of other priorities that often does not include going back to school.

Teams of college and university employees will spend time over the next five to eight months organizing efforts, recognizing challenges and making proposals for overcoming potential roadblocks.

The entire state was brought into this effort thanks to the multistate Western Interstate Commission for Higher Education (WICHE) initiative “Non-Traditional No More: Policy Solutions for Adult Learners.”

Efforts from these working groups will go a long way to assisting the many “older-than-average” learners in our state. Stay tuned!

“Holding a passport drive has two primary purposes: first, to make it a quick and simple process for students, faculty, staff and the community to apply for a passport book or passport card, and second, to raise awareness of international travel in general,” said Libby Claerbout, director of international programs. “Holding a passport is the first step to embarking upon an international experience.”

Passport books cost \$135 for adults and \$105 for minors 16 years and under. Passport cards cost \$55 for adults and \$45 for those 16 years and under. The passport drive will also provide passport photos for an extra \$15. To see a complete list of documents required to submit a passport or passport card application, visit the OIP’s website at www.minotstateu.edu/international.

Wellness works

Wellness Fair will promote a healthy lifestyle Thursday

The fourth annual Wellness Fair is Thursday (Nov. 4) in the Student Center Atrium from 9:30 a.m. to 2 p.m. This event is planned by the MSU Wellness Committee and is based on the MSU philosophy of wellness: "Wellness is a way of life that emphasizes the whole person through a positive approach to healthy living and is more than the absence of disease. It involves education, prevention and promotion of self-responsibility."

The MSU Wellness Committee has contacted several organizations, on and off campus, to participate in this event. The committee members are excited to announce that they have more than 20 participants coming to spend the day in the Atrium. Blue Cross/Blue Shield is a new addition to the Wellness Fair and will provide two educational sessions in the Westlie Room.
