

Minot State UNIVERSITY

Department of Nursing

Articulation Agreement

Minot State University-MiSU, (Minot, ND) and
North Dakota State College of Science-NDSCS, (Wahpeton, ND)
March 9, 2015

The purpose of this articulation agreement is to enable NDSCS students who have earned their Associate of Science (ASN) RN degree to transfer to MiSU and enter the Bachelor of Science in Nursing (BSN) Completion program. The agreement will provide a structure through which transfer articulation can be supported.

Therefore, it would be understood and agreed that courses taken at NDSCS are considered fully transferable into MiSU's BSN Completion program and since these students complete an ASN-RN Degree, the NDUS and MiSU General Education requirements would be complete.

Transfer Requirements

Students Must:

1. Complete an Associate in Science in Nursing Degree (ASN-RN) from NDSCS.
NDUS general education requirements will then be complete and MiSU will identify this on MiSU transcript.
2. Have a 2.75 Cumulative GPA on a 4.0 scale
3. Pass NCLEX-RN®
 - a. Submit proof of current unencumbered US RN license to MiSU Dept. of Nursing
4. Apply for admission to MiSU
 - a. Complete MSU Application
 - b. \$35.00 application fee
5. Provide MiSU with all required documents:
 - a. Official transcripts from ALL colleges attended sent to MiSU Admissions/Enrollment Services
 - b. Appropriate evidence of immunizations/TB testing
6. Meet all deadlines set by MiSU
7. Apply to MiSU Department of Nursing
 - a. Complete Application for Admission to the BSN Completion Program.
 - b. Submit \$25.00 mandatory application fee
 - c. Request an appointment with BSN Completion program Advanced Standing Director for an informal review of prior coursework to begin a plan of study
 - d. Students who have graduated from a board approved nursing education program and have passed NCLEX-RN need to: make application to the Department of Nursing and submit current/active unencumbered U.S. RN license documentation to the Department of Nursing
 - e. Students who have graduated from a board approved nursing education program and have not passed NCLEX-RN may take the following courses before acceptance into the program: general education courses (if needed), required support course, NURS 363 Research & Theory, NURS 383 Professional Nursing I, and Special Topics course approved by the Nursing Department

- f. Submit current CPR certification--American Heart Association documentation
8. Be in good standing with prior institution

Articulation Agreement

Minot State University (Minot, ND) and North Dakota State College of Science (Wahpeton, ND). The North Dakota State College of Science Associate Degree - RN meets the general education requirements (GERTA) for the North Dakota University System.
