Informational booths on

Wednesday and Friday from 11 a.m. to 1 p.m. will cover the topics of sexual assault and sexual harassment and Title IX.

'Two American Insurrections' lecture Wednesday

Bacon's Rebellion in Virginia in 1676. "Both [uprisings] deposed the governor, both created new forms of political representation, and both reduced taxes," writes Figueiredo in the abstract of his talk. "Their differences, also great, were related to how indigenous and African populations were integrated into the local societies." His comparative study attempts to discover some of the permanent conflicts that marked the birth of societies in the Americas. The lecture is free and open to everyone.

The Northwest Art Center's Hartnett Hall Gallery presents the Minot State University Juried Student Art Show on display through May 7. Greg Walter, Dickinson, is the juror. The gallery is open Monday through Friday, 8 a.m. to 4:30 p.m. and by special arrangement.

How to manage student loan debt

By Metro Creative

Thanks to student loans and other financing options, a college education has become much more attainable for a wider array of students. Student loans may make it possible for millions of students to attend college when they otherwise could not afford tuition, but such loans also can put borrowers in financial hot water if they're not careful.

Just like any other form of credit, a student loan is usually easy to spend but not as easily repaid. Add to that the fact that most educational loans do not require payment until after graduation, it could seem to a student that he or she is attending classes with no strings attached. Some students also use loans to finance their living arrangements and pay for their books, making it easy for loans to add up quickly.

Another potential pitfall of borrowing to finance your education is the uncertainty many people have with regard to the terms of their loans. Many people sign on the dotted line of their lending agreements without ever reading the fine print, which may dictate repayment terms and interest rates.

But students need not succumb to student loan debt shortly after they don their caps and gowns. The following are a few ways to avoid financial struggles that stem from student loans.

Learn your loans

Learning the terms of your loan is the first step to avoiding delinquency or default. Take the

time to fully understand the type of loan you are receiving as well as when repayment begins and how much your monthly payments will be. Loans may be backed by private lenders, but many student loans are issued through federal government programs. Each type of loan has its own set of regulations. It's also important that you understand the details of loan forgiveness and what happens should you miss a payment.

Familiarize yourself with the loan repayment schedule. Every student loan comes with a grace period, or the time between when you graduate and when the first payment must be made. Grace periods typically range between six and nine months for federal loans, while privately issued loans may have a different grace period. If you have yet to secure steady employment when your first payment comes due, contact your lender to see if payments can be deferred a little longer.

Negotiate payment options

Some lenders simply follow a standard formula for determining a repayment schedule, which typically lasts 10 years. If that payment amount or schedule seems unattainable, consider speaking with the lender about changing your payments. Repaying the loan over a longer period of time will lower your monthly payments but result in you paying more interest over the life of the loan.

If you find you have extra money on hand, make larger payments toward the loan and ask that this money be applied to the principal. Paying down the principal can significantly reduce the loan and reduce the interest you're paying as well.

Choose an employer wisely

According to The Project on Student Debt, some jobs offer loan forgiveness. After 10 years of qualifying payments for people in government, nonprofit, and other public service jobs, loans may be written off. There are additional federal loan forgiveness options available to teachers, nurses, AmeriCorps and PeaceCorps volunteers, and other professions, as well as some state, school, and private programs.

Don't ignore problems

If you are falling behind on your loan payments, take action right away. Doing something is better than doing nothing at all. An inability to repay your student loan debt can cause problems later in life, so don't allow the problem to snowball before you do anything about it.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Answers, page 7

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Beavers win 5 before dropping 2 to Mankato

By Vanessa Christiuk
Sports Writer

The Minot State University Beaver softball team has been looking for wins to make the conference tournament. Only the top ten teams go to the conference final.

Coming home, on April 14, they took on Minnesota State University Moorhead at home at the South Hill Softball Complex. Ashley Hill went 2-3 at the plate with two runs and an RBI and the Beavers came out on top, 3-2 and 2-0.

The wins kept on coming for the Beavers, as Lorimor started looking more like herself in the circle when the Beavers went to Bismarck to take on the University of Mary on April 15 for a makeup game. The game started out a little rocky, but the Beavers managed to rack up 10 hits and score 6 runs. Lorimor shut out UMary as the Beavers came out on top, 6-0.

This past weekend, the Beaver softball team had four games at the South Hill Softball Complex. On Saturday, Minot State took on Concordia University. Again it was Lorimor in the circle helping the Beavers to victory. Pitching 14 innings and both games, Lorimor shut out Concordia in game one for a 5-0 win.

The second game of the day followed suit, as the Beavers won

again, 6-2.

On Sunday, the Beavers looked to continue their win streak against Minnesota State Mankato. The games were close, tough and low scoring. Melissa Bell scored the first run of the game on a passed ball, but Mankato managed to score some runs also. After the Beavers dropped game one 6-3, they were looking for the win in game two. A double from Ali Cygan and a home run from Alyssa Cornejo scored runs for the Beavers, but it wasn't enough as Mankato won 4-2.

The Beavers were at home yesterday playing Bemidji State. Results were not known at press time.

The Beavers end conference play this weekend traveling to St. Cloud State on Saturday and University of Minnesota Duluth on Sunday.

Split track and field team competes at 4 meets

Flatland finishes in 18th at Mt. SAC Relays

(MSU Sports Information) — Minot State University's Tyler Flatland (Sr., Hurdles) finished in 18th place in the 400-meter hurdles at the 57th annual Mt. SAC Relays Friday at Walnut, Calif.

Flatland took fourth in his heat, racing against NCAA Division I athletes from UC Riverside, Long Beach State, North Dakota State, Houston and Northern Arizona. Flatland topped Caleb Holl from Houston and Chris Oestmann of Northern Arizona.

He was 18th out of 32 racers overall with a time of 53.87 seconds at the largest track & field competition in the world with over 13,500 competitors competing over three weekends and six days.

Also competing on day 1 was Sienna Dailey (Sr., Sprints), who finished in 57th place in the women's 400-meters with a 57.78. She was hampered by a chest cold, finishing eighth in her heat.

MSU's Tyler Bates (So., Sprints) started the men's 400-meters but did not finish due to an injury.

Minot State also participated in the Cal State LA Twilight Open late Thursday night.

At Cal State, MSU's DelRay Audet (Jr., Hurdles) had a solid outing. She was ninth overall in the 400-meter hurdles, battling multiple NCAA DI opponents and finished with a time of 1:04.06. The time was a personal best for Audet — her second on the day as she went 15.59 in the prelims of the

women's 100-hurdles — and moved her into No. 2 all-time at Minot State. She moved into fifth in the women's 100 hurdles all-time at MSU, taking 15th at the meet.

Joel Cartwright (Jr., Distance) also earned a personal best time in the men's 1,500-meters, winning his heat and going 4:16.51 to finish seventh overall. He followed that up with a 16:14:34 for a fourth-place finish in the men's 5,000.

Phillip Streccius (Sr., Javelin) followed up a title at the University of Mary Marauder's Open with a seventh-place finish in the javelin, finishing with a best of 49.64 meters. He threw the mark on his opening toss, but couldn't follow up with a bigger number.

MSU's Josh Sandy (Sr., Sprints/Jumps) just missed a PR in the 400, running a 51.57 for 16th. He was 25th overall in the men's 200 with a 23.18. Darin Malafa (Sr., Hurdles) finished 16th overall in the men's 110-hurdles.

Schmidt wins javelin; reaches DII Provisional mark

(MSU Sports Information) — Minot State University's Cody Schmidt (Jr., Javelin) has made an immediate impact in his first season with the Beavers.

Schmidt threw a season-best 59.46-meters to win the javelin and reach a NCAA Division II Provisional Qualifying mark at the Dickinson State Blue Hawk Games Saturday at the Hank Biesiot Activities Center.

He was a part of a split team for the Beavers as Minot State had athletes at the Blue Hawks Games and at the 2015 Beach Invitational hosted by Long Beach State at C e r r i t o s College's Falcon Stadium.

Schmidt currently sits in 25th place in NCAA DII with the 195-plus-foot toss. The national qualifier highlighted a day of personal bests and seasons bests.

At the Beach Invitational, Audet (Jr., Hurdles) continued her solid west coast trip as she narrowly missed another PR in the 400-meter hurdles. She finished second in her heat with a time of 1 minute, 4.14 seconds and finished 32nd out of 64 runners, most from NCAA Division I. She was 53rd out of 67 in the women's 100 hurdles, clocking a time of 15.64.

Dailey (Sr., Sprints) also had a solid weekend despite battling an illness. She finished in 42nd overall in the women's 400, running a 58.18. She topped 48 runners in the event. She was 86th out of 120 runners in the 200, finishing with a 26.06.

Sandy also completed the grueling 200/400 race schedule against a total of 189 other runners. He was 79th in the men's 200, running a 23.32, while he finished 85th in the 400 with a 51.96.

Flatland nearly cracked the scoring totals with a solid 10th

place finish out of 42 runners in the men's 400-meter hurdles. He was clocked in a time of 53.86.

At the Blue Hawk Games, MSU's Allison Windish (Jr., Distance) won the women's 5,000-meters with a season-best time of 18:53.33. She was joined on the women's side by the 4x100-meter relay as meet champions as the team of Dijah Silva (Jr., Sprints), Erica Clark (Jr., Mid-Distance), Breanne Sherlock (Jr., Hurdles) and Mary Roy (So., Sprints/Jumps) raced to a 49.18 to top teams from Dickinson State and Black Hills State for the title. It was the school's No. 3 all-time finish.

MSU's men's 4x100 team of Chigozie Anaukwu (So., Sprints), Glyn Borel (Sr., Sprints), Alex Cundiff (Jr., Sprints) and Farai

Madungwe (Jr., Jumps/Sprints) finished second overall, but ran the school's second fastest time in the event, going 42.49 overall.

Roy and Randii Widmer (Fr., Jumps) finished with a pair of PRs in the long jump and the triple jump as Roy was second in the long jump (5.39-meters) and third in the triple jump (11.13-meters) and Widmer was fifth in the LJ (4.94-meters) and seventh in the TJ (10.09-meters).

The Beavers will be back in action as a whole unit at the University of Jamestown Al Cassel Relays Saturday in Jamestown.

Baseball 8-14 in NSIC

By Kurt Miller
Sports Writer

After a mid-week sweep at Bemidji State last week, the Minot State baseball team hoped to carry its momentum into the weekend series against Northern State. The Wolves' bats didn't allow that to happen.

Despite Minot State belting eight home runs of its own, four courtesy of Jordan Schulz (So., OF), the NSU power proved to be too much as the Wolves took game one, 20-8, and game two, 16-10.

"We didn't throw with confidence," MSU head coach Brock Weppler said. "We left the ball up in the zone. You've got to get the ball down—you've got to throw with confidence. We've talked over and over with our pitchers about being confident."

Early on in game one, it looked as if the Beavers' winning ways and hot bats would carry them to their third straight win. Paul Vogelsang (So., C) put an exclamation point on the first inning with a grand slam as the Beavers crossed home plate six times and ended the inning with a 6-1 lead.

NSU continued to chip away, though, taking its first lead of the game in the fourth inning, and it never trailed the rest of the way. An eight-run sixth inning from the Wolves put the game out of reach for Minot State.

Game two started off all Northern State as the Wolves built an 8-1 lead after three innings.

Tacking on three more runs in the top of the sixth inning, NSU looked to have a day one sweep locked up, but the Beavers made things interesting in the bottom half of the sixth.

Minot State sent 11 batters to the plate in the inning, scoring eight runs on four home runs. Kyle Williamson (Fr., OF) led off the inning with a home run and hit his second home run of the inning with a two-out grand slam. The grand slam was his second of the season and his fifth

home run this season.

The Beavers' rally fell short, though, as MSU managed to score just one run the rest of the way compared to five more runs for the Wolves.

Schulz accounted for the lone MSU run in the seventh as he drilled his third home run of the game and 11th of the season.

As the regular season begins to wind down, Weppler said tomorrow's games against NSU beginning at noon are very important.

"It's getting down to it—it's getting down to that time of the year," he said. "We've got to focus on game one, the old adage, then game two, but yeah, it's that time of year and our backs are against the wall."

In a day extended by rain and hail that forced Sunday's games to be played at Jack Hoeven Park, the Minot State baseball team managed to salvage a split with Northern State on the second day of its four-game weekend series. The Beavers took game one 2-1 and the Wolves closed out the series with a 13-3 win in game two.

Austin Zorn (Sr., P) carried Minot State to victory in game one, tossing a complete game while giving up just five hits and one unearned run.

"He did a better job of keeping the ball down, attacked their hitters, worked at a good pace and he kind of got back to what he's been in the past," Weppler said. "He just challenged hitters and did his thing. He was really good that game."

After going down 1-0 in the top of the second, Minot State responded right away in the bottom half of the inning as Keith Ailes (Jr., OF/1B) singled up the middle driving in Jared Young (Fr., INF).

Vogelsang gave the Beavers their winning run when he doubled to right center driving in Young once again. Vogelsang and Young combined for four of the five Minot State hits in game one.

MSU edged in final match

(MSU Sports Information) — Minot State University men's golf went 1-1 in a pair of matches during the first day of the Concordia University, St. Paul Golden Bear Match Play Invite Saturday at Tartan Park Golf Club.

The Beavers defeated host CSP 3-2 in the second round after falling 4-1 to St. Cloud State. Teams played two rounds on the first day and finished with a single match on Sunday.

Against St. Cloud State, Minot's Shadreck Chiweshe (Jr.) was the team's lone winner. He topped SCSU's David Scharenroch at No. 5 1-up. MSU's Kowan O'Keefe (Sr.) and Nick Liebel (Sr.) were edged in their matches. O'Keefe fell 2 and 1 to Tyler Koivisto at No. 1, while Liebel was defeated by Chase Hahne 1-up.

In the win over the Golden Bears, MSU's No. 1, 2 and 3 all earned wins. O'Keefe, at No. 1, topped Adam Petterson 2 and 1, Karson O'Keefe (So.) defeated Garrett Edmod at No. 2 2-up, while Liebel bettered Alex

Uloth 4 and 3 to help the Beavers to the win.

The third round and final match was on Sunday.

In Sunday's third and final round, MSU finished 1-3 overall, falling 3-2 to Winona State.

The Beavers finished with six points as each match had a total of five points. Minot State had four points with three- and one-point matches on Saturday, topping CSP, but falling to St. Cloud State. The Huskies won the event as they finished with nine points total.

On Sunday, MSU's No. 2 and 3 golfers Karson O'Keefe and Liebel each earned wins. O'Keefe defeated Winona State's Nick Hernandez, 3 and 2, while Liebel topped Troy Salewske, 3 and 1.

The Beavers lost three tight matches to finish with the two points as Kowan O'Keefe was edged, 3 and 2, Jersey Kelly lost, 3 and 2, and Chiweshe was defeated, 2 and 1.

The CSP Match Play Invite marked the final event of the season for the Beavers.

MSU's Barke finished in a tie for 12th, the same position she entered the final round, shooting a 170 overall. She hit an 87 in Sunday's final round and tied with Augustana College's Abby Martin and Matt Tschider.

The Vikings ran away with their own meet, despite shooting 23 strokes higher in the second round. Augie carded a solid 617 for the title. Kali Trautman from AC also finished with the top score as she fended off University of Sioux Falls' Rutherford for medalist honors by two strokes.

MSU's biggest mover was Danielle Foster, who jumped up to a tie for 31st overall after cutting 15 strokes off her first-round score. Foster carded a 93 in the second round for the Beavers' second best score of the day behind Barke.

Palcewski and Cottingham placed 28th and 29th overall respectively. Palcewski finished with a 191 over two rounds, hitting a 95 on day 2. Cottingham cut five strokes off her first-round score to finish with a 95 Sunday and a 195 overall.

MSU moves on to the Northern Sun Intercollegiate Conference Spring Championships on Friday.

more offense as the two teams combined to double the amount of runs scored in the first game in the first inning of game two. Unfortunately for MSU, the majority of the runs scored in game two came from Northern State.

After scoring two runs in the bottom of the second, the Beavers managed to score just one run the rest of the way. The Wolves scored four runs in the first and fourth, three runs in the third and two runs in the sixth.

Young collected three more hits in game two, all doubles, ending his day with five hits and three runs scored. Nicholas Hammerl (Sr., SS/2B) and Brad Rolff (Sr., INF) each recorded two hits in game two.

Minot State is now 11-22 over-

all and 8-14 in the NSIC.

The Beavers begin a six-game road trip Wednesday with a mid-

week series at U-Mary. This weekend they will travel to No. 2 St. Cloud State.
