Theatre arts presents 'A Midsummer Night's Dream'

Comm 281

Minot State University's Program of Theatre Arts presents William Shakespeare's "A Midsummer Night's Dream," re-envisioned and directed by Aili Smith, MSU associate professor and co-chair of Humanities, Oct. 22-24 in the

Aleshire Theater at 7:30 p.m. Doors will open at 7 p.m. A matinee performance will be held at 2 p.m. Saturday, Oct. 24. Doors will open at 1:30 p.m.

In Shakespeare's comedic and colorful tale, "A Midsummer Night's Dream," love, drama and mischief descend upon a magical world where anything is possible. Shakespeare's classic comedy is about the misadventures of star-crossed lovers, fairies and a troupe of actors.

Set on a Midsummer's night, the story begins with the announcement of the nuptials of Theseus, Duke of Athens (Jenny Castro), and Hippolyta, Queen of the Amazons (Erin Kampen). Then Hermia's father, Egeus (Casey Feldner) threatens to deprive Hermia (Madison Curtiss), of her true love, Lysander

Student Spotlight ... Katie Abrahamson

Creativity inspires academic destination

By Kryz Zorbaugh
Staff Writer

At its core, Minot State University values both critical and creative thinking. With more than 60 undergraduate degrees – spanning a broad range of academic paths, along with several notable graduate degrees, it is no surprise that MSU is increasingly becoming a favored destination for students both near and far. For talented and creative Minot native Katie Abrahamson, MSU has become the perfect canvas and foundation for a very bright future.

“Even before I graduated from high school,” Abrahamson said, “I knew my next academic adventure was going to be at MSU. While in high school, in addition to advanced placement courses, I had the opportunity to take a few college courses at MSU. By the time I was in my senior year, I had received offers from several colleges and universities, but when it came down to it, there was really no comparison – I knew MSU was going to be the right university for me.”

With a full and colorful palette of opportunities available to stu-

Abrahamson

dents, often aligning personal interests with future goals might seem overwhelming. However, MSU prides itself on being first and foremost, dedicated to the success of all students. Talented, experienced and engaged faculty

and staff, in addition to small class sizes, and a variety of support services and student-oriented programs are dedicated to guiding students in the right direction.

“Before being accepted into MSU’s Bachelor of Fine Arts pro-

gram,” Abrahamson said, “I had amazing freedom and encouragement to explore so many possibilities. However, the greatest thing I enjoy as an MSU student is that, even now that I have focused on a particular path, I still feel encouraged to stay engaged and take full advantage of the creative opportunities all around me.”

In addition to pursuing her BFA, she is actively engaged in MSU’s Honors program and several clubs on campus, in addition to participating both on stage and behind the scenes in theatre pro-

ductions. As she enters into her third year at MSU, Abrahamson offers the following advice to all new and transfer students of all ages:

“Be fearless! Life is always going to be full of changes, and some things can take some time to adjust to. But when your path seems unclear or uncertain, just know and trust that there will always be someone who can help make the seemingly impossible an adventure that can change your entire experience.”

The lovers, Hermia and Lysander, flee into an enchanted forest filled with fairies, and are followed by Demetrius, who loves Hermia and Helena who loves him. Written more than 300 years ago, "A Midsummer Night's Dream," is considered to be one of Shakespeare's most popular comedies. Shakespeare artfully and imaginatively weaves together mistaken identities, misunder-

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Volleyball falls to St. Cloud State and Minnesota Duluth

St. Cloud State forces MSU out of sync

By Isaac Hunt
Sports Writer

After gaining a small lead early in the first set, the Minot State University volleyball team allowed St. Cloud State to take the lead and stay in control throughout the remainder of the three sets.

With only one lead change in the second set and no lead changes in the third, the Beavers were unable to do much against the Huskies.

St. Cloud State's defense limited MSU to an attack percentage of .092 with seven blocks and 59 digs. Minot State was able to get eight blocks against their opponent, but only dug 35 balls.

"You have to give credit to St. Cloud," head coach Ben Kaszeta said. "They were very disciplined and well coached. We cannot hit the ball the way we did tonight and expect to be successful. I give credit to them. They took us out of our system a lot, but we need to limit our mistakes."

Offensively, Mallory Sall (OH, Sr.) and Shaunessy Dauwalder (MH, Jr.) led the Beavers with nine and eight kills, respectively.

Dauwalder also helped the team on defense with five assisted blocks. Defensive specialist Hailey Richards (R-Fr.) led the

team with nine digs.

After being swept on day one of the weekend, the Beavers were once again swept in the second, but this time it was a much-improved performance against the No. 1 team in the country, Minnesota Duluth.

"I love it when a team shows potential," Kaszeta said. "Today we showed what we are capable of. We played right with the best team in the nation in game one. Unfortunately they are the best in the nation and they showed it the rest of the match. They are the epitome of what we are trying to get to over the next couple of years."

No. 1 team too much for Beavers

In the first match, with a score of 18-25, Minot State (3-11, 0-7) hung around with Minnesota Duluth (13-2, 6-1). In the second and third matches, 8-25 and 14-25, the Bulldogs showed why they have earned the ranking of No. 1.

Dauwalder led the team with seven kills on 13 attempts and an attack percentage of .462.

Freshmen Logan Desorcy (L) and Kelsey Dewulf (S) led the team with eight digs and 20 assists, respectively.

Minot State will travel to Minnesota State for its next game tomorrow at 7 p.m.

any shots on goal against Winona State. The defense allowed just eight total shots throughout the weekend.

Hatfield assisted her first goal of the season to Ninfa "Ninja" Ramirez in the first half of the game against Winona State to put the Beavers up 1-0 with 52 seconds left in the half.

The play from Hatfield helped Minot State remain undefeated in conference play with a record of 9-1 overall, and a 7-0 mark in the NSIC.

Big plays made a big difference in Saturday's Hall of Fame game

(MSU Sports Information) — Northern State scored with just 10 seconds remaining before half-time, converted on a fake field goal and had a 90-yard kickoff return for a touchdown in a 45-14 win over Minot State in Northern Sun Intercollegiate Conference football Saturday night at Herb Parker Stadium.

"That was a big impact play," MSU head coach Tyler Hughes said of the TD just before the half. "We came out in the second half and were pressing hard. We were pressing too hard. That allowed them to get two quick scores and we didn't respond too well to that."

The Beavers (0-5 overall, 0-5 NSIC, 0-1 NSIC North) opened the game with a big play as MSU recovered a muffed opening kick as Spencer Wiley (Jr., LB) fell on the loose football. Eight plays

later, Charles Hall (Jr., RB) bowled in from one yard out for his second rushing TD of the season to make it 7-0 MSU early on.

But it was all NSU (1-4, 1-4, 1-0) after that to end the half. The Wolves went 57 yards in 15 plays to cut the lead to 7-3 on a field goal midway through the first quarter and then scored six minutes apart in the second quarter, the first on a Nicholas Truen run and the second on a pass from Kyle Lavand to Tyrell Anderson just before the half. The first TD was set up by a blocked punt, giving the Wolves the ball on the MSU 20, and the second came after Lavand hit Connor Doherty on a 44-yard pass on third-and-1 from their own 29.

"We were in man coverage in short yardage and they ran play action," Hughes said of the third-down play. "We were looking in the backfield and not looking at

our man. We have to play that situation better."

The blocked punt was a theme for the Wolves as they got a hand on three Aaron LaDeaux (Jr., K/P) punts and, while only the first one was fully blocked, the final two changed the field position game in the second half. Those miscues, along with the kickoff return for a TD by Channing Barber, loomed large according to Hughes.

"They were huge," Hughes said, referring to the special team's mistakes. "The turning point was the initial blocked punt, and things started spiraling down. We really performed poorly there. It's disappointing to see that, that's stuff we work on a number of times. We just didn't get the job done."

NSU scored twice in the third quarter and twice in the fourth as

Lavand threw another TD pass, Christian McAlvain scored on a fake field goal and C Kelly capped the scoring with an 11-yard run.

MSU's lone score in the second half came as Kristian Shaide (Jr., LB) fell on a fumble caused by Dalton Houghton (Jr., DL) in the end zone for his first career TD.

Lavand completed just 13 passes, but two of them went for scores as he threw for 124 yards. Truen led the Wolves with 87 yards receiving, and Connor Doherty caught four passes for 65 yards and a TD.

Lucas Romanski (Jr., QB) started at quarterback for the Beavers and was 16 for 28 for 163 yards and one interception. Jarvis Mustipher (Jr., RB) finished with a season-high 86 yards rushing, while Larry Overstreet (Jr., RB)

added 55 yards on the ground. Porter Sturm (Sr., WR) continued to produce yards for the Beavers as he caught seven passes for 56

yards and added 144 yards in the return game.

Trevin Swensen (Jr., LB) and Marcel Brinson (Sr., DB) both

reached double figures with 10 tackles each. Swensen added a quarterback sack to his totals.

MSU is on the road for two

Soccer team has one of its best-ever games

By Isaac Hunt
Sports Writer

A strong wind from the southeast affected the way both the Minot State University and the Winona State University soccer teams played on Saturday.

Going against the wind, in the first half, the Beavers struggled to gather the ball and take advantage of the shots they took. Until the final minute.

With 52 seconds left on the clock Breanne Hatfield kicked a long ball to Ninfa Ramirez who got it off quickly for the first goal of the game and her seventh of the season.

"I thought the keeper was going to get it or the defender was going to get it," Ramirez said. "I kind of just hit it and it somehow went in."

At halftime, knowing he would be playing with the wind against his team's backs, head coach Jason Spain told his

team not to let up. And his team listened as Minot State (8-1, 6-0) scored three goals in the second half against Winona State (6-3, 3-3).

Chloe Melton scored her second goal of the year, Ramirez scored again with her eighth goal of the season and Rimke Eurlings found the back of the net for the first time.

Every goal was assisted by a different player including an assist to Ramirez from Maritssa Perez making it the second straight game the two have connected.

Not only was the offense hitting their shots in the second half, but the defense played a strong game allowing zero shots on goal and only five shots total.

Defensive senior Haley Lolmaugh said it was the best defensive performance the group has put together all season. The performance began during a

pregame huddle that has become a tradition this year.

"Before each game the four of us, me Emilie [Rebelo], Breanne and Ashley [Franco] get together right before kickoff and talk. We say, 'It starts with us guys. No shots, keep your man, play for each other, we're all tired, just do what you know how to do.' It's just a little pump up and we communicate really well."

With the defense and offense

playing a great game, it was no surprise Spain was in a good mood when the final bell rang.

"I'm happy," Spain said. "We played really well. Where it

ranks? This is probably the best game Minot State has ever played. Each of the past six games, we have gotten better each game."

Beavers get revenge from 2014 elimination

By Isaac Hunt
Sports Writer

The Minot State University soccer team was able to get its seventh conference win with a 2-1 final against Upper Iowa.

An emotional game for the Beavers, Upper Iowa took them out of the conference tournament last season, they were able to control the game for much of the first half and the majority of the second.

"We've been wanting this game all year, a rematch of the playoffs last year," senior forward Emilie Rebelo said. "We wanted it a lot. Us being pumped up and ready to play them definitely helped us with the attack."

Rebelo assisted the first goal of the game from a midfield free ball that was shot on target for Ninfa Ramirez (F, Jr.) to score with a header. The goal for Ramirez was her ninth on the season.

Upper Iowa was able to tie the game up before halftime after a corner kick was cleared and kicked back in by Charlotte Ryan to assist on Madie Edwards's eighth goal for the year.

The second, and game-winning, goal for Minot State was scored by sophomore Sydnee Canales (F) after a turnover from Upper Iowa's goal keeper.

"It kind of happened really fast," Canales said about her first goal of the season. "I saw my space and took it. I looked up and saw the goalie come out so I placed it. I held my breath for a second, but it went in."

Whether it was a goal from Canales or another player the Beavers were on the offensive and were certain they would get the lead eventually.

"I think it was a matter of time before we were going to get our second one," Canales said. "We

were hammering away, their goalie kept them in the game a lot longer than we hoped, but we found a way."

Having played Upper Iowa (4-4-2, 3-3-1) four times throughout Minot State (9-1, 7-0) history and failing to win before today, it was obvious this game meant a lot to the players and coaches.

"This a very satisfying win for multiple reasons," head coach Jason Spain said. "Obviously, anytime you get eliminated, it's a big deal. Second, this was the fifth place team so when you're looking for a home game [in the conference tournament] we have now distanced ourselves. And third, you have a very difficult opponent right before you're facing the undefeated team in conference and we did not overlook them.

"I was worried about all those things heading into the match, but our girls were very clean in the

walk through, they were quiet and very serious in the team meal and were all laughs and smiles before the game."

That undefeated team coming

up is Minnesota State who has an identical 9-1 record with a 7-0 conference record.

Minot State will travel to Minnesota State on Oct. 10.
