METHODS PRACTICUM EXPERIENCE
REPORTING FORM – ELEMENTARY

Student: ___________________________ Term: ___________________________

Elementary Classroom Teacher(s): ___________________________

School: ____________________________________________________________

MSU Instructors: Carol Bellew, Patrick Schwab, Dan Conn, Dannah Schaffer, Kathy Hintz

Megablock: Reading, Mathematics, Language Arts, Science, Social Studies

To the classroom teacher: Thank you for agreeing to work with a Minot State University teacher education practicum student. You should expect this student to spend a total of five weeks with you in your school this semester.

The purpose of the elementary methods practicums at MSU is to give our elementary education pre-service students an opportunity for hands-on experience involving interaction with children, planning, implementation, and assessment of instruction prior to a full student teaching experience. The attachments outline our goals in this context. Following completion of the five-week practicum, please sign this form in the appropriate blank below. The student may hand carry the form back to the MSU instructor directly or you may mail (or Pony) it to:

Kathy Hintz
Department of Teacher Education & Human Performance
Minot State University
500 University Avenue West
Minot, ND 58707

Yes, the above student has completed the practicum experience with me for a total of _______ days.

Teacher Signature: ______________________________________________________
