

Be seen. Be heard. BE YOU.

Our story

With a nod to the past and a vision for the future, Minot State University empowers generations for today's world. Founded in 1913 as Minot Normal School, our history began in Model Hall, where future teachers prepared for service in Northwestern North Dakota. As the decades changed, so did our name, campus, and degree offerings.

Today, we are proud to offer 100+ areas of study on a beautiful campus that has grown to over 100 acres in size. Students from our backyard to across the United States and over 55 countries call Minot State home.

Our community

We are proud to call Minot home. You will always have something to do in North Dakota's fourth-largest city. Discover the magic at [VisitMinot.org](https://www.visitminot.org).

Minot population:

47,000+

1,000+

Program spotlight:
**Communication Sciences and
Disorders/Speech-Language Pathology**

Accredited, affordable, nationally respected and absolutely worth it—our Communication Sciences and Disorders undergraduate program plus our Speech-Language Pathology graduate program offer cutting-edge clinical facilities and opportunities, flexible online options, expert faculty, and hands-on experience.

100%
career placement

100% pass rate on the NCLEX-RN
(National Council Licensure Exam)

Program spotlight:
Nursing

We know that nursing is more than just a career, it's a passion. At Minot State, you'll get hands-on experience at a Level II Trauma Center coupled with rural healthcare systems while learning from devoted experts who honed their skills on the floor, in the clinic, and on the job.

Experience »

At Minot State, you'll join a community that values inclusivity, fosters leadership, and builds each other up.

First-Year Experience (FYE)

First-Year Experience classes help you transition to university life, engage with campus and the community, and create connections with other new students.

FYE Learning Community spotlight:

Go Take a Hike!

Embrace your nature-loving side in the classroom and outdoors — including an eight-day camping and hiking trip in October. See places like Arches National Park and Dinosaur National Monument from a whole new perspective.

Wellness Center

Maximize your potential and prioritize your well-being. From exercise equipment and group fitness classes to rock climbing and outdoor recreation equipment, your exercise opportunities are boundless.

Student Health

Our Student Health Clinic and Counseling Services has the team and resources to help you feel your best.
