

NEW STUDENT GUIDE

Fall 2025

Be seen. Be heard. Be you.

Welcome to Minot State University!

Whatever you do, **save this guidebook!** It's been designed to help you transition to college life. This information will be useful every day until you graduate from Minot State.

This might seem like a lot of information — and it is! But behind every word and every page, there are people at Minot State who are here to make this the most memorable and successful time in your life. We are here for you.

This is your story, and it's up to you to stack your days. By going to class, participating in your education, and engaging in MSU life outside the classroom day after day, you will succeed. Our team is here to help you create memories for a lifetime.

Land Acknowledgement Statement

Minot State University gratefully acknowledges the Native Peoples on whose ancestral lands we sit. We praise the Anishinaabe and Assiniboine peoples, as well as the other sovereign nations of the northern plains whose lands encompass North Dakota today: The Turtle Mountain Band of Chippewa, the Mandan Hidatsa Arikara Nation, the Spirit Lake Nation, the Standing Rock Sioux Tribe, and the Sisseton Wahpeton Oyate.

Minot State University is proud that Native people have chosen to attend our university and enrich it with their knowledge and achievements.

In the spirit of collaboration, we reach out to our university and regional community with programs and activities that demonstrate our commitment to the First Peoples of the northern plains.

Prepare for your life at Minot State

Start with the following steps to make sure you are ready for your journey as a Minot State student!

Sign up for class registration

All new students must attend a class registration session. Once you have been admitted to Minot State, you will receive your invitation via email with a link to sign up for class registration.

Visit [AskMSU.com/register](https://askmsu.com/register) for more information and a list of upcoming dates. The sessions are limited, so make your reservation early!

If you would like to schedule a time to take a placement test, contact the Minot State Testing Center at 701-858-3830.

Submit final transcripts and test scores

Freshman students: Submit your **OFFICIAL, FINAL TRANSCRIPTS** noting the date of high school graduation. If you have dual credit enrollment, you must also provide an official college transcript from the institution offering courses regardless of whether the coursework is on your high school transcript.

Transfer students: Submit your **OFFICIAL, FINAL TRANSCRIPTS** from previous colleges and universities. *If you attended another NDUS campus, Minot State will access your official, final transcript.*

Mail official, final transcripts to:
Minot State University
Enrollment Services
500 University Avenue W
Minot, ND 58707

Activate your NDUS accounts

You will need access to your Campus Connection account to register for classes. Follow these instructions to activate your account:

1. Go to MinotStateU.edu/cc.
2. Click Claim Your Account.
3. Enter your DOB and your student ID number (also known as your EMPLID), which was included in your acceptance letter.
4. Follow the steps as indicated.
5. Be sure to record your username and password in a safe place for future reference!

Apply online for housing

1. Log into your Campus Connection account at MinotStateU.edu/cc.
2. Click on Student Self-Service.
3. Click On-Campus Housing > Minot State University.
4. Read the Housing Contract.
5. Click on Housing Applications (make sure to choose the correct application).
 - Complete all information requested
 - GradGuard insurance is optional. Students are encouraged to have renters insurance. Minot State is not liable for student belongings.
 - Submit your \$100 room reservation fee. The \$100 goes towards your payment once you move in.
6. Now it is time to pack! See page 7 of this guide for a list of what to pack.

Room selection for incoming students starts Tuesday, April 15.

Set up your Minot State email account

1. Go to MinotStateU.edu/mail.
2. Click on Office 365 Webmail.
3. Enter your name (User ID) as your email address in the format created when you claimed your Campus Connection account.
Example: firstname.lastname@ndus.edu (must be all lower case; sometimes a middle initial is included in the User ID)
4. Your password for your Minot State email is the same as your Campus Connection account.

Need help? Contact the Minot State Help Desk at 701-858-4444 or visit MinotStateU.edu/helpdesk.

Log in and check your Minot State email account regularly! All official campus announcements are sent to your Minot State email account, including information about financial aid, registration, academic advising, campus events, and more.

Submit your immunization records

to Student Health (instructions on page 26).

Complete your Financial Obligation Agreement

in Campus Connection before registering for classes (instructions are on page 17 of this guide).

"It is so easy to get nervous and let an unfamiliar environment with new people keep you in your shell. The best thing you can do for yourself is get involved! Join a club, go to events, and experience all that Minot State has to offer. It is the easiest way to make friendships and memories that will last forever. The more you step out of your comfort zone and try new things; the less intimidating college becomes and the more enjoyable it gets. Time flies faster than you think, so enjoy every second and immerse yourself in red and green!"

– Sara Van Wickler, MSU Life

First-Year Experience

The First-Year Experience (FYE) at Minot State is required for all students in their first semester or who transfer to MSU

with less than 24 semester hours. This powerful learning experience will inspire the transition to university life and learning through unique learning communities, peer mentors, and opportunities to engage with the campus and larger community.

First-Year Learning Communities

Learning Communities are composed of two or three courses that are connected by a theme. Class sizes are small, and instructors work together to create meaningful assignments around the theme and across the courses. All learning communities include UNIV 110: First-Year Seminar which is a general education requirement for graduation.

To register for a FYE Learning Community:

1. Review the current Learning Community options at [MinotStateU.edu/FYE](https://minotstateu.edu/fye).
2. Discuss the Learning Communities with your advisor and choose the best option for you.
3. Complete the online FYE registration form.

Note: Students must register for all courses in the Learning Community.

Honors Program

The Honors Program in Engagement and Scholarship (HOPES) challenges students who want a stimulating academic experience, caring faculty, collaborative learning, and creative thinking. These courses empower you to earn a concentration or minor in honors.

You will participate in lively seminar discussions, conduct independent research, participate in community service projects, create a comprehensive honors portfolio, and earn recognition for your achievements.

Program eligibility requirements:

- High school GPA of 3.25+ **or**
- ACT score of 25+ / SAT score of 1200+

Honors program benefits:

- Dedicated honors program advisor
- Extended library privileges
- Priority registration each semester
- Eligibility for achievement awards
- Use of Honors Center
- Membership in Honors Society, an honors student organization (optional)

Looyenga Leadership Center

The Looyenga Leadership Center is dedicated to your leadership development and growth. Through courses, co-curricular programming, and engagement with community partners, you will enhance your leadership skills and competencies while at Minot State, preparing you for future success as a citizen and change agent.

Leadership programs at Minot State:

Academic

- Leadership courses: LEAD 101, 201, 211, and 301
- Leadership certificate (9 credits)
- Leadership concentration (12 credits)
- Leadership minor (18 credits)

Co-curricular

- Leadership workshops
- Student Leader Summit
- Emerging Leaders program
- Leadership speakers
- Personal leadership coaching
- Larson Leadership Scholars
- Women's Leadership Conference

Leadership Living Learning Community

This First-Year Experience will empower you for current and future success through involvement in leadership, citizenship, and relationship building as you create a tightknit community in Lura Manor.

Residents of the Leadership Living Learning Community will interact with successful alumni, community members, and civic leaders and participate in interactive workshops, experiential activities, and service-learning opportunities. For more information, visit MinotStateU.edu/leadership/programs/community.shtml.

University Policies

It is your responsibility as a student to know and abide by Minot State University policies, found both in the Student Handbook and the Undergraduate Catalog.

Student Handbook

MinotStateU.edu/handbook

The Student Handbook is provided to assist you in finding the information you need in order to pursue your academic career, including:

- Services available to you on campus, as well as business, financial aid, and registration information.
- Official campus policies on a variety of topics which affect you as a student. These policies are subject to change.
- The Student Government Association (SGA) Constitution, provided to help further your understanding of the governmental process and encourage your participation in the University.

Undergraduate Catalog

catalog.MinotStateU.edu/undergraduate

This catalog has been prepared by faculty and administration to provide information to prospective and enrolled students. Topics include:

- Calendar
- Degree offerings
- Admissions
- Academic information
- Degree requirements
- Special academic programs
- Policies and procedures
- Course descriptions
- Financial information, services, and organizations

The right is reserved to change any of the rules and regulations of the University at any time, including those relating to admission, instruction, and graduation. The right to withdraw curricula and specific courses, alter course content, change the calendar, and to add or increase fees is similarly reserved. All such changes are effective at such times as the proper authorities determine and may apply not only to prospective students but also to those who already are enrolled in the University.

Student Rights to Privacy

The Family Education Rights and Privacy Act (FERPA) of 1974 mandates that information contained in a student's educational records must be kept confidential. Additional FERPA information is available in the Undergraduate Catalog and online at MinotStateU.edu/records.

- Examples of confidential information: class schedule, grades, and student ID number.
- Examples of directory information (NOT confidential): name, campus email, major, and dates of attendance.
- Confidential information should only be given to students in person, with proper identification, and should not be given over the telephone.
- Confidential information should not be given to the parent of any student unless he/she verifies with the Registrar's Office that the student has provided written permission.

Go to MinotStateU.edu/records/right_to_privacy.shtml and click on **Consent to Release Information Electronic Form** to complete the form to allow a person(s) access to your academic or financial information (e.g., your mom or dad).

How to pay for Minot State

Campus Connection

Paying Tuition, Fees, Housing, and Meals
Financial Aid

Does graduating in four years matter? You decide.

At Minot State, you will earn the degree for the career you desire. When designing your class schedule, planning ahead can save you time and money!

Estimated total cost of education at Minot State University*

*Based on 2024-25 annual rate of \$17,285:

- Tuition \$7,168
- Fees \$1,533
- Books & supplies \$1,000

Financial Aid

Federal Financial Aid

Students are encouraged to apply for federal financial aid, which includes:

- **Federal and State Grants**
Financial aid that generally doesn't have to be repaid — unless, for example, you withdraw from school and owe a refund.
- **Loans**
Borrowed money that you must repay, with interest. In most cases, repayment will begin six months after you drop below half-time status (six credit hours) or complete your program.
- **Work study**
A work program in which you earn money through campus employment to help you pay for school and cover personal expenses throughout the year.

International and Canadian students do not qualify for federal student aid programs. Canadian loans are accepted.

Minot State scholarships

How to apply:

- The application is available in early December.
- Submit the scholarship application online by **Feb. 15 every year.**
- Some Minot State scholarships are based on financial need, determined by the FAFSA.
- Be aware of terms and conditions and renewal criteria.

MinotStateU.edu/finaid/scholarships.shtml

To learn more about the types of financial aid available, visit MinotStateU.edu/finaid and StudentAid.gov.

STUDENT CONSUMER INFORMATION

The Higher Education Opportunity Act requires that all United States academic institutions provide certain consumer information about the University to future and current students, including financial aid information. For your convenience, Minot State has consolidated that information on the Student Consumer Information website: MinotStateU.edu/finaid/policies-and-consumer-information.shtml.

Free Application for Federal Student Aid (FAFSA)

- › Complete the **2025-26 FAFSA** for Fall 2025, Spring 2026, Summer 2026 – **Available Now**
- › Complete the **2026-27 FAFSA** for Fall 2026, Spring 2027, Summer 2027 – **Available October 2025**

Apply at: StudentAid.gov
Minot State School Code: 002994
Minot State FAFSA Priority Funding Deadline: April 15

By submitting the FAFSA, you maximize your eligibility for student aid programs, including:

- Federal SEOG Grant
- Federal Work Study
- Federal Pell Grant
- Federal TEACH Grant
- Federal Direct Loan programs
- ND State Grant (*ND high school graduates should apply ASAP after December for consideration*)

.....
If there has been a significant change in income/tax information, we encourage you to contact the Minot State financial aid office.
.....

To be eligible to complete the FAFSA you must:

- Be a U.S. citizen or eligible noncitizen
- Be enrolled and fully accepted into a degree seeking program
 - New and transfer students must have **all** admission requirements completed before aid is disbursed
- Maintain Satisfactory Academic Progress (SAP)
- Not be in default on any federal student loans
- Not owe a repayment of any grant funds previously received

Financial Aid

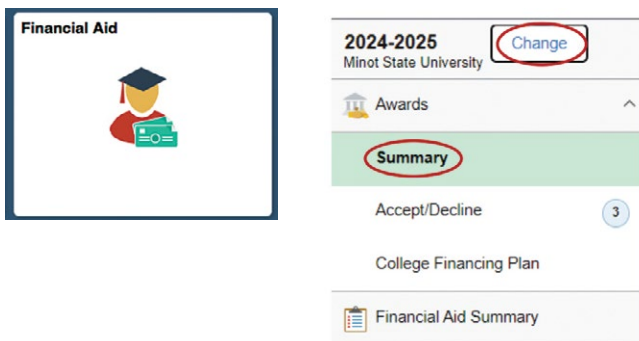

Accept or decline your financial aid offer through Campus Connection.

To view your financial aid offer, log in to Campus Connection at MinotStateU.edu/cc and follow these steps.

STEP 1 | Review financial aid notification

Go to the **Financial Aid** tile in Campus Connection and click on **Awards Summary**. Make sure the appropriate aid year is selected (2025-2026).

Under Financial Aid Summary, click on **Cost of Attendance** to see a breakdown of your tuition and fees, housing, food, books and supplies, and miscellaneous living expenses.

Keep in mind that these are **estimated costs** and not all your expenses will be paid directly to Minot State. The miscellaneous and personal expenses line provides you with estimated costs for additional living expenses, i.e. laundry detergent and toiletries. Minot State encourages you to pursue student employment opportunities rather than seek additional student loans to pay these types of costs.

Display Summary

Category	Amount
Books and Supplies	1,000.00
Housing and Food	8,534.00
Loan Fees	62.00
Misc Personal Expenses	2,490.00
Transportation Costs	1,350.00
Tuition and Fees	8,702.00
Total	22,138.00

STEP 2 | Accept/Decline financial aid offer

Go to the **Financial Aid** tile in Campus Connection and click **Accept/Decline**. You may view more details about each offer by clicking on the title of the offer. Click the **edit** button to accept, decline, or reduce your financial aid offer and click **Submit**. All grants and scholarships are awarded in accepted status.

STEP 3 | First-time borrowers

Federal Direct Loans

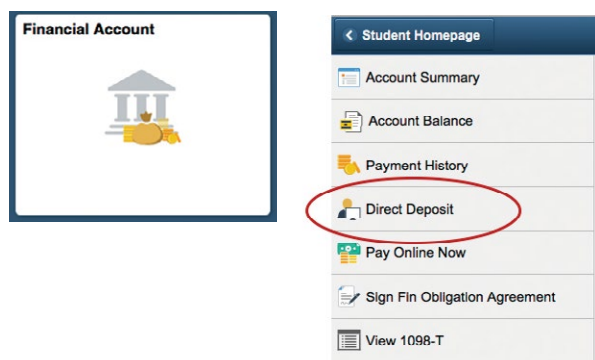

If you're accepting a Federal Direct Loan for the first time (and are enrolled in at least six credits), you must complete a Master Promissory Note and Entrance Loan Counseling through the U.S. Department of Education. To complete these sessions, go to StudentAid.gov and log in with your FSA ID.

Federal Nursing Loans

If you are borrowing a Nursing Loan for the first time (and are enrolled in at least six credits), you will be required to complete a Loan Agreement and entrance counseling each year through the Nursing Loan servicer, Heartland ECSI. When you have accepted your Nursing Loan, Heartland ECSI will send you an email with instructions on how to complete these items.

STEP 4 | Financial aid refund

If your financial aid total is greater than the balance you owe to Minot State, the excess aid may be direct deposited into your bank account. You can enroll in direct deposit through your Campus Connection. Click on the **Financial Account** tile and **Direct Deposit**. Refund distribution for Fall 2025 will begin on Wednesday, Sept. 10.

My Direct Deposits

i You are currently not enrolled in Direct Deposit. Please click on the Enroll button to proceed.

BSC and UND Students: BankMobile (formerly Higher One) provides you with a Direct Deposit option. Please visit RefundSelection.com to select your refund preference. Bank Account information in Campus Connection is not used for BSC nor UND refunds.

ENROLL IN DIRECT DEPOSIT

STEP 5 | Other aid

It is important to notify the financial aid office by email of any other outside aid you have accepted.

Encourage your scholarship organization to mail checks early. All outside scholarship checks must be made payable to Minot State University and mailed to:

Minot State University
Financial Aid Office
500 University Ave W
Minot, ND 58707

Enrollment status

Your financial aid offer is based on your enrollment as a full-time student. If you plan to take fewer than 12 credits per semester, please notify the financial aid office to have your aid adjusted appropriately. Some aid, such as grants, will be pro-rated based on the actual number of credits in which you are enrolled at the last day to add/drop a 16-week course.

Diversity

The Minot State Diversity Council is an institutional committee of faculty, staff, and students whose mission is to promote and build a diverse and inclusive university climate by extending diversity

and inclusion awareness throughout the campus community. Their vision is to be an exemplary council that equips the campus community to support diversity and inclusion.

The Diversity Council's goals include:

- to promote and sponsor activities and events supporting diversity;
- to advocate for a diverse and inclusive campus community;
- to forward to the university president recommendations that enhance a diverse and inclusive campus.

Title IX

The University does not discriminate in its admissions practices (except as permitted by law), in its employment practices, or in its educational programs or activities on the basis of sex/gender. As a recipient of federal financial assistance for education activities, the University is required by Title IX of the Education Amendments of 1972 to ensure that all of its education programs and activities do not discriminate on the basis of sex/gender. Sex includes sex, sex stereotypes, gender identity, gender expression, sexual orientation, and pregnancy or parenting status.

Sexual harassment, sexual assault, dating and domestic violence, and stalking are forms of sexual harassment, which are prohibited under Title IX and by University policy. Questions, comments, or complaints regarding gender-based harassment and or sexual harassment may be directed to the Title IX office at 701-858-3447.

Title IX Support and Accommodations

Title IX prohibits discrimination on the basis of sex in any federally funded education program or activity.

Minot State strongly encourages individuals who have experienced, have knowledge of, or have witnessed gender-based harassment, sexual harassment, sexual assault, domestic and dating violence, stalking, sexual exploitation, or other forms of sexual and related misconduct committed by or against students, staff, or faculty to report the incident immediately to the University. Other actions prohibited by Title IX include the failure to provide equal opportunity in athletics and discrimination based on pregnancy.

The University also prohibits retaliation against any person opposing sexual harassment or participating in any investigation or complaint process internal or external to the institution.

Sexual harassment, sexual assault, dating and domestic violence, and stalking are forms of sexual harassment, which are prohibited under Title IX and by University policy. For a complete description of Minot State's policies and procedures regarding sexual harassment, go to [MinotStateU.edu/title9](https://minotstateu.edu/title9).

Non-Discrimination Policy Statement

The University adheres to all federal and state civil rights laws and regulations prohibiting discrimination in public institutions of higher education.

Minot State University does not engage in discrimination or harassment against any person because of race, color, religion or creed, sex, gender, gender identity, pregnancy, national or ethnic origin, disability, age, ancestry, marital status, sexual orientation, veteran status, political beliefs or affiliations, or information protected by the Genetic Information Nondiscrimination Act ("GINA"); and complies with all federal and state non-discrimination, equal opportunity and affirmative action laws, orders and regulations, including remaining compliant and consistent with the Civil Rights Act, the Americans with Disabilities Act, the Rehabilitation Act of 1973, and Title IX of the Education Amendments of 1972. This policy on non-discrimination applies to admissions, enrollment, scholarships, loan programs, participation in University activities, employment, and access to participation in, and treatment in all University programs and activities. The University prohibits retaliation against any individual or group who exercises its rights or responsibilities protected under the provisions of state law, federal law and/or University policy. Employees or students who violate this policy may face disciplinary action up to and including separation from the University. Third parties who commit discrimination or harassment may have their relationships with the University terminated and/or their privileges of being on University premises withdrawn.

Questions, comments, or complaints regarding sexual harassment may be directed to the Title IX Office. All other forms of discrimination (e.g., race) or harassment may be directed to the Vice President for Student Affairs or the Director of Human Resources, as appropriate. Complaints may also be filed with the U.S. Department of Education, Office for Civil Rights.

GLOSSARY OF TERMS

When you first arrive, it may seem that Minot State University has a language all its own. The following list is meant to help you interpret the various terms you may hear.

Academic advising: Process whereby students are provided with information regarding degree requirements, recommended coursework, programs of study, academic support services, and policies and procedures defining academic progress.

Accredited: An institution or program that has been certified as fulfilling certain standards by a national and/or regional professional association. Minot State is accredited by the Higher Learning Commission, which reviews all Colleges and Universities in this geographic region. Individual academic programs may have additional accreditations.

Add/Drop: Formally enroll in a class (add) /remove yourself from a class (drop), after you have registered.

Adult student: A student who is 21 years old or older and who has been out of high school for three years or more at the time of their first college enrollment. May also be referred to as a non-traditional student.

Advisor: Faculty member or staff person who provides students with information concerning courses, programs of study, and other aspects of academic life.

Articulation: Formal agreements between colleges/universities regarding policies, course equivalencies, general education programs, etc.

Associate degree: An Associate of Arts or Associate of Sciences degree, awarded upon completion of a set program of study, usually done in two years (full-time), though completion time may exceed two years.

Asynchronous: An online class that does not require students to meet at specific times. Students can complete the material on their own schedule as long as they submit assignments according to the established due dates.

Bachelor's degree: A Bachelor of Arts (B.A.), Bachelor of Science (B.S.), or related degree, awarded upon completion of a program of study, usually done in four years (full-time).

Blackboard: Online academic platform where course materials and grades are made available.

Career planning: The development and coordination of a student's experiences, including programs of study, extracurricular activities, and employment pursuits, to assist in the selection and planning of a vocation.

Career Services: The campus office which provides career exploration and counseling.

Clinical: Similar to an internship, a clinical involves spending a certain number of required hours working at an offsite location such as a hospital or clinic and observing and treating patients.

Code of Conduct: A summary of expectations of student behavior (rules) and judicial procedures.

College catalog: The publication that describes college programs, services, degrees, graduation requirements, academic policies, and courses taught throughout the year.

Concentration: An option or special emphasis within a degree program.

Course number: The number or letter following a course title (i.e., Biology 108). Usually, the higher the number, the higher the difficulty level.

Credit hours: Units acquired for completed coursework applied toward a degree. (They often reflect the weekly time interval required for class attendance.)

Distance learning: Any form of learning in which the instructor and student are geographically separate, e.g., televised or Web-based instruction.

Electives: Courses that are not required but are taken by the student out of personal interest for credit.

Financial aid: Financial assistance for an eligible student; available in the form of grants, loans, scholarships, and federal work-study employment.

Food Pantry: The Food Pantry, part of Lutheran Campus Ministries, provides food and personal care items at no cost to students in need. Donations of non-perishable items are gladly accepted.

Full-time student: A student who is enrolled in at least twelve (12) credits. Fifteen (15) credits per semester will allow more rapid progress toward degree completion or transfer.

FYE (First-Year Experience): The First-Year Experience consists of two or three courses connected by a theme. The same students register for all of the connected courses to form a learning community. Some learning communities are discipline-specific, and only students majoring in that discipline can enroll, while others are open to anyone. All FYEs include the first-year seminar course, UNIV 110. It is in this course that students will interact with their peer mentors.

General Education: The General Education Requirement is one of the requirements for a degree. It is a pattern of courses that all students are expected to complete regardless of their major to ensure that they have a broad, basic education.

Grade Point Average (GPA): A numerical indication of the final letter grades earned by a student. Hilbert College uses a four-point grading scale for both semester and cumulative grade-point averages. A grade of A is equivalent to a 4.0, a B is equivalent to a 3.0, and so on.

Graduation honors: Based on the cumulative undergraduate grade point average, honors at graduation are awarded as follows:

Grade Point Average	Graduation Honor
3.50	cum laude
3.75	magna cum laude
3.90	summa cum laude

Transfer students must complete at least two terms and 30 credit hours of graded coursework at Minot State to qualify for honors at graduation.

Hold: A flag on your account that may prevent you from registering for classes. Some reasons for holds include missing immunization records or unpaid bills.

Hybrid: A class that is offered partly in person and partly online.

Incomplete: The grade of Incomplete (I) is used when the instructor is not prepared to give a final mark for the semester, either because of the student's illness or some other justifiable delay in the completion of the course requirements.

Intercollegiate: Activities involving two or more colleges or universities.

Internship: A work experience in a position related to the academic field of preparation.

Intramurals: Athletic activities between and among groups on one campus.

Lab: A specific additional requirement of a class that often includes hands-on application of course material.

Liberal Arts: Programs/courses in the humanities, natural sciences, and social sciences

Major: The student's major field of interest and program of study, which, when combined with other requirements, leads to a degree.

Matriculation: The process of initially enrolling in college and participating in assessment, orientation, and advisement.

Meal plan: A food service contract that allows students to eat a certain number of meals per week.

Minor: A secondary field of study outside of the major field.

MSU Life: MSU Life plans, coordinates, and hosts over 100 events for Minot State University students each academic year.

Part-time student: A student who is enrolled in fewer than twelve (12) credits a semester.

Pell Grant: A non-repayable financial aid award provided by the federal government directly to an undergraduate student; formerly named Basic Educational Opportunity Grant.

Practicum: A practicum is considered an extension of students' classroom experience. Its purpose is observation and learning, but in a real-world work environment rather than a classroom. Practicums vary depending on the area of study, as different degrees require different levels of hands-on experience.

“Don't be afraid to try new things, take new chances, and explore new opportunities—college is a great time to push yourself outside of your comfort zone. Focus on creating high-quality relationships with close friends who support and trust you, as these friendships will be more valuable in the long run than anything else.”

– Kyle Sandy

Tips for Commuters

› Check your email before you leave

Your Minot State email is the official communication method. Professors may email about delays or cancellations.

› Pack everything you need

Unlike on-campus students, you can't easily grab forgotten items. A checklist can help ensure you have class essentials.

› Plan your commute

Learn the best route, leave early, and allow time for parking, traffic, or weather delays.

› Know the parking lots

Not all spots are right by your building, but some lots always have open spaces.

› Get involved

It's easy to feel disconnected as a commuter. Join clubs, attend events, and talk to classmates to stay connected.

› Make friends with residents

Having a friend on campus is helpful for snowstorms, late events, or inside info on-campus activities.

› Manage your time

Staying on top of classes, studying, and assignments is key to success. Use breaks between classes to get work done or join campus activities. It'll make your day more productive and fun!

› Use campus resources

Just because you don't live on campus doesn't mean you can't use all the resources on campus. Many helpful places are available on campus, like the Academic Support Center, Gordon B. Olson Library, dining hall, and the Beaver Dam.

› Food options

Take advantage of campus events that offer free food, like the popular Free Soup Tuesdays! Consider a Beaver Bucks account for cashless payments at campus food locations for everyday dining. Funds roll over to the next semester, and the dining hall is a great place to meet people.

› Bring your own snacks

Keep your car stocked with granola bars, nuts, and bottled water so you stay fueled throughout the day.

› Pack a change of clothes

Whether for the gym, work, or evening plans, having extra clothes saves a trip home.

› Stay connected with home

Commuting allows you to maintain your home support system but stay open to new friends, responsibilities, and perspectives.

› Essential car items

Keep a phone charger, snacks, emergency kit, umbrella, shovel, sunglasses, and parking tag in your car. Get your permit at [MinotStateU.edu/parking/pages/permits.shtml](https://minotstateu.edu/parking/pages/permits.shtml).

"The best thing you can do in college is to be open to new experiences and opportunities. As you are beginning a new chapter in your life, it's normal to feel somewhat out of place. Join clubs, attend events, and put yourself out there. It's okay not to have everything figured out right away—college is all about making mistakes and learning from them. Another important piece of advice would be to remember to balance school and social life. The key to success is knowing when you need a break and when to say no. Embrace every opportunity to grow and learn; it's all part of the journey."

MINOT AREA RECOMMENDATIONS

from the Orientation Leaders

For those who are new to North Dakota or the Minot area, and even for those from North Dakota who may be unfamiliar with all Minot has to offer, our orientation leaders have put together a collection of some of their favorite Minot area places and activities for you to explore.

Halia – One of my absolute favorite places to visit is Margie's, a glass art studio with an in-store cafe and an art studio downstairs where you can paint pottery and get it cured to take home in just two weeks! It can be a day-long activity or something to pass the time with for an hour or two.

Kaydee – Get a YMCA membership! As a college student, you will qualify for a cheaper membership package, making it pretty affordable. The YMCA has a welcoming atmosphere and allows you to meet people that you don't go to school with and get off campus from time to time!

Faith – As the school year in Minot consists mostly of snow, I'll share some of my favorite places and activities to do here in the winter. Just a little over an hour's drive away from Minot is the Bottineau Winter Park, the perfect place for experienced and beginner skiers and snowboarders. While you're there, don't forget to stop at Pride Dairy, a famous North Dakota creamery! One of my favorite things is grabbing my skates and hitting up one of the many outdoor rinks throughout town. If you head to the Maysa Arena, you are welcome to rent and skate indoors. In December, get some hot chocolate and drive through Christmas in the Park, where countless light displays decorate Oak Park. Make the most of the weather!

Jack – Find your groove! Whether it's music, theater, sports, volunteering, trying new foods, etc., find what piques your interest and pursue it. Minot has a lot of opportunities.

Maelyn – As someone who loves to be active and participate in creative events, Minot has many things to offer, such as multiple beautiful parks with trails for walking, running, and even biking! These parks also contain courts for basketball, tennis, and pickleball. During those hot days, people love to go to various food trucks around the city and the craft/marketplace events. When it turns cold, Minot offers indoor activities such as bowling, mini golf, the YMCA, and ice skating. The two movie theaters stay up to date with the latest releases. Overall, Minot offers a great variety of events and things to do for all ages, no matter the season!

Kyle – If you're seeking fun and exciting activities in Minot, I highly recommend visiting North Hill Bowl or Shots Fired Paintball. During the colder months, the North Hill Bowl offers a fantastic indoor experience for everyone, making it the perfect choice for year-round fun. When the weather warms up, check out Shots Fired Paintball, an outdoor paintball course that provides an action-packed, thrilling experience—it's a must-try for anyone looking to add adventure to their day!

Colby – If you're anything like me, food is always at the top of your mind! My favorite spot for a meal and some good vibes is Ebenezer's Eatery & Irish Pub! They offer a unique and hearty menu with many intriguing options (including breakfast) that will satisfy you. Ebenezer's is located at 300 E. Central Ave. in downtown Minot and is open seven days a week from 7 A.M. to 9 P.M. Ebb's is a Minot restaurant staple everyone should try at least once!

Jersey – I recommend checking out downtown Minot. Our downtown has a variety of experiences, such as shopping, restaurants, mini golf, art experiences, music, and more. It is a great area to explore at any time of the day.

Hadyn – The Bottineau Winter Park is a great place to spend a weekend participating in various winter sports. The Winter Park is an hour and a half drive from Minot and a great way to take advantage of North Dakota winters. Additionally, they offer hiking trails in the off-season that are especially beautiful in the fall. While in that area, I would also encourage you to head to Mystical Horizons for a stunning sunset overlooking the North Dakota plains.

Kerzy – One place that I recommend as a Minot native is the Minot Family YMCA. There is a membership discount for full-time students, and it is an all-in-one facility! The YMCA has a rock-climbing wall, basketball courts, a swimming pool, a walking track, and a complete weight room.

Brek – Being from North Dakota, I've never minded the cold weather during the winter. However, when the temperature drops and the outdoor activities come to a lull, it can feel like there is a lack of things to go out and do. One overlooked winter activity I love participating in is ice skating and outdoor hockey. There are plenty of ice rinks around Minot, including outdoor rinks to play hockey or the downtown ice rink in Citizens Alley, where you can skate under the lights! If the temperatures get too low to skate outside, there are indoor rinks like the Maysa Arena, so I'd highly recommend finding yourself a nice (budget-friendly) pair of skates or renting a pair to have fun out on the ice!

Payton – In Minot, I love to visit the local coffee shops and walk around downtown. I am simple — any place where my friends and I can have a good time adventuring works for me! There is never a dull moment in the Magic City.

Alec – Being able to do things with friends is something that I like to do! Downtown, there is Escape Point for the competitive group to try to escape one of their great escape rooms. Or if you are looking for something a little more relaxed, you can always go to The Putt District and mini golf! There is something for everyone in Minot!
