

Communication Sciences and Disorders Department

APPLICANT NAME:

BEFORE completing this form, save it on your computer. Open from saved location, complete, save, and upload designated location of your Speech-Language Pathology Graduate School Admission Application.

Instructions: List all courses taken or currently in-process to fulfill the course audit listed below. Please include the institution name, course number, number of credits, grade earned, and semester taken/expected for each course. We realize that course content may have been covered through multiple courses, if so, please list multiple courses. Leave blank courses where content has not been met. The admission committee may ask for supplemental material (e.g., course description and/or syllabus) to verify that course content has been adequately met.

Descriptions of MiSU courses are located on our programs catalog page:

<https://catalog.minotstateu.edu/undergraduate/academicprograms/communicationsciencesanddisorders/#bachelorstext>
