2D Entries

▸ 2-D work must be ready to hang with proper hardware and/or wire. Works on paper smaller than 21" x 30" should be framed and behind plexiglass, unless an alternative method of display is approved by the NAC.

▸ Artist will be notified if work is not suitable for display, all work not ready to display by entry deadline will be disqualified.

New Media (Animation, Video, etc.)

▸ Submit animation, video, and time based media with an exhibition quality file in the appropriate playback format, deliverable by flash storage, link to Vimeo, YouTube or cloud storage.

▸ While the gallery has multiple projectors, display screens and devices available for use with digital media, you will be responsible for any required specialized equipment.

Large Sculpture & Installation

▸ For installation and large sculpture, it is suggested that work be set up and photographed or diagrammed for the Juror. The artist will be responsible for assisting with installation and removal of large work.

Collaborative Artwork & Group Entries

▸ Collaborative artworks count separately from individual entries for each student. Information must be provided for each student.

▸ Information must be provided for each student involved in the artwork.

▸ If AI imagery or AI elements are used in the creation of an artwork in any capacity, the NAC director must give approval for the artwork to be entered, and such usage must be detailed in the artwork medium.
