October 23, 2024: Herding CATs - The Use and Importance of Classroom Assessment Techniques (CATs)

CATs (Cross and Angelo, 1993) are tools to drive learner engagement whilst acting as powerful (and easy-to-manage) formative assessments. Join your colleagues to learn more about these techniques and web resources you could use to design and conduct your own assessments.

Presenter:

David Paterno of Professional Communication
in Fine and Performing Arts

Location:

Hartnett Hall Collaboration Space

Time:

4 – 5 P.M.
