

Lecturing for Active Learning

Presented by Jennifer Sherman, September 12, 2018, for

Conversations with Colleagues about Teaching

Strategies to engage students:

- Request students visit with a neighbor (somebody near them).
 - It's okay to say you don't know. Share what you're thinking.
- Ask for students' reasoning. How do they see it?
- Voting:
 - Who agrees with claim x ? Claim y ?
 - Who's unsure?
 - Who didn't vote?
- Thumb voting for feedback.
