Articulation Agreement
Minot State University (MiSU) and Dakota College Bottineau (DCB)
May 1, 2015

The purpose of this articulation agreement is to enable students who have earned their Associate of Applied Science Degree (AAS) in Nursing from Dakota College Bottineau to transfer to Minot State University and enter the BSN Completion online program. The AAS in Nursing would not be considered MiSU General Education complete. The agreement will provide a structure through which transfer articulation on all levels can be supported.

Therefore, it would be understood and agreed that courses taken at DCB are considered equally transferable into Minot State University's BSN Completion online program and NDUS GERTA applies to the articulation agreement.

Transfer Requirements for the AAS in Nursing from DCB include:

1. Complete an Associate of Applied Science Degree in Nursing (AAS)
2. Have a 2.75 Cumulative GPA on a 4.0 scale
3. Pass NCLEX-RN®
 - a. Submit proof of current US unencumbered RN license to MiSU Dept of Nursing
4. Apply for admission to Minot State University
 - a. Complete MSU Application
 - b. Pay \$35.00 application fee
5. Supply Minot State University with all required documentation:
 - a. Official transcripts from ALL prior colleges/universities attended sent to MiSU Enrollment Services
 - b. Provide appropriate evidence of immunizations by completion of Minot State University Immunization Record
6. Meet all deadlines set by Minot State University
7. Apply to Minot State University's Department of Nursing
 - a. Complete BSN Completion online program for Nursing Major application form
 - b. Submit \$25.00 application fee
 - c. Request an appointment with BSN Completion online program Advanced Standing Director for an informal review of prior course work to begin a Plan of Study
 - d. Students who have graduated from a board approved nursing education program and have passed NCLEX-RN® need to make application to the Department of Nursing and submit current unencumbered US RN license documentation to the Department of Nursing.
 - e. Students who have graduated from a board approved nursing education program, but have not passed the NCLEX-RN® may take the following courses before acceptance into the program: general education courses, required support course (Statistics), NURS 363 Research & Theory, NURS 383 Professional Nursing I and Special Topics course approved by the Nursing Department
 - f. Submit current American Heart CPR certification documentation
8. Be in good standing with prior institution

TABLE

Refer to table at end of document.

Joint Obligations:

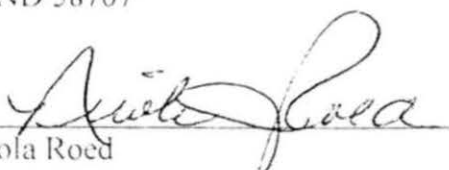

Minot State University and Dakota College Bottineau agree to exchange data and documents as agreed that will contribute to the maintenance and improvement of these transfer arrangements, and promote effective cooperation between the two institutions.

Monitoring, Review and Agreement Longevity:

Both parties shall each name a principal contact person / office related to the partnership program; further, these individuals (or department representative) will be responsible for coordination related to the partnership program and the flow of communication within their own institution. All agreements must be reviewed for updates and appropriate signatures or deletion at least every five years. This articulation agreement may be discontinued by either educational partner by submitting written notification to the other partner one year prior to the identified cancellation date in order to protect all students transferring between these institutions.
