

**North Dakota Early Childhood Higher Education Consortium
Statewide Early Childhood Education Articulation Agreement¹**

Fall 2021 through Spring 2024

Purpose: This agreement has been drafted by and is endorsed by the members of the North Dakota Early Childhood Higher Education Consortium (NDECHEC). It is intended to facilitate student transfer and early childhood education program articulation among the following campuses:

Bismarck State College	Cankdeska Cikana Community College
Dakota College at Bottineau	Dickinson State University
Lake Region State College	Mayville State University
Minot State University	North Dakota State College of Science
North Dakota State University	Nueta Hidatsa Sahnish College
Sitting Bull College	Turtle Mountain Community College
United Tribes Technical College	University of Jamestown
University of Mary	University of North Dakota
Valley City State University	Williston State College

Guidelines:

1. The articulated courses listed within this agreement have been evaluated by the members of NDECHEC and have been found to be equivalent. Further these courses have been found to meet criteria required for early childhood education teacher certification in the state of North Dakota.
2. Except where specifically noted, individual courses or groups of courses will be transferable to all institutions listed above. A student may attend a single campus prior to transfer or may attend multiple campuses prior to transfer. In either case, the courses will transfer between listed institutions and will fulfill general education, pre-requisite, and/or early childhood education requirements as annotated in the attached agreement.
3. A minimum grade of "C" is required for transfer of any course that is to be used as a part of the early childhood education major. Courses not required as part of the early childhood major must meet minimum grade standards of the receiving institution. In some cases, a grade of "D" in non-major courses will meet certain requirements, but acceptance of grades of "D" is at the discretion of the receiving institution. In all cases, grades of "C" or above will be accepted as equivalent to matching courses on the receiving campus as annotated in the attached agreement.
4. Acceptance into the receiving institution's education program is based upon both academic criteria (overall GPA, successful completion of required courses, and successful completion of the Praxis I (PPST) test) and non-academic criteria (viability for teacher certification, i.e. ESPB-required background check).
5. Students who transfer between signatory institutions of the North Dakota General Education Requirements Transfer Agreement and who completed their general education requirements after 1996 (for university system institutions) or after their final sending institution has its GERTA Gold Page approved (for non system institutions) will be deemed to have completed all lower division general education requirements at the receiving institution.
6. Members of NDECHEC must approve subsequent early childhood education articulation agreements drafted between an individual signatory or between groups of signatories to this document and secondary schools.
7. This agreement is in force from the date of its approval and will be formally reviewed by consortium members every other year. All signatories will have the right to continue, amend, or cancel their involvement with this agreement at that time.
8. The signatories to this document are not responsible for any required changes to this document that come about as a result of changing state teacher certification requirements, national accreditation requirements or changes to state or federal law.

Completed Course						Transfer Acceptance	SH	
English Composition I/ Writing	X = ENGL or ENG 110, College Composition I						Each of these courses fulfills/satisfies the first/introductory writing course for all partner institutions.	3-4

The remaining courses listed within this agreement are part of the required courses for early childhood major (and some for Kindergarten Endorsement). Students may choose a maximum of five of the eight listed courses to transfer to a North Dakota bachelor's degree-granting institution. Students should seek advisement prior to registering for these courses to determine the best course of action.

	*Only four programs offer this course.					

- Each institution maintains its own set of general education requirements (GERs) under North Dakota State Board of Higher Education policy. Completing lower division GERs at any NDUS institution guarantees completion at all NDUS institutions. Completion of lower division GERs at Cankdeska Cikana Community College, Turtle Mountain Community College, Sitting Bull College and United Tribes Technical College guarantees completion at all NDUS institutions.
- Most campuses require a cultural diversity course, which should be selected from the Social Science or Arts and Humanities general education categories.
- College algebra *is not* required for early childhood education majors at all campuses. College algebra *is* required for students who double-major in early childhood and elementary education at all campuses. Students should consult with individual campuses to determine a best course of action prior to transferring.
- While some sciences are required for all majors at all campuses in North Dakota, these *particular* categories are not required for early childhood education majors. These categories *are required* for students who double-major in both early childhood and elementary education. All early childhood education majors should consult with an advisor prior to registering for science courses.
- Students must request evidence of successful field experience be forwarded from their previous institution's education department to their new institution's education department.
- UMary may not accept these courses in transfer
- SOC 220 may be a substitute for 238/338 at some institutions and not others

NOTE: Some campuses require a higher GPA for admission into education programs than is required for admission to the institution. Consult with your receiving institution to determine GPA requirements.

NOTE: The PRAXIS I is now required for teacher certification in North Dakota. Some campuses require this prior to admission into the program.

NOTE: Although grades of "C" will transfer to UND, all transferred education courses used as part of an education major must earn a minimum grade of "B."

NOTE: Completion of the AA/AS degree has been shown to increase the likelihood of a student's completion of a baccalaureate degree.

NOTE: Sending campuses may include Cankdeska Cikana Community College, Nueta Hidatsa Sahnish College, Turtle Mountain Community College, Sitting Bull College, United Tribes Technical College, and all North Dakota University System campuses. To be included in this agreement, campuses must have their individual courses approved by the Physics Common Course Number Discipline Group.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, North Dakota University System (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact North Dakota University System:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: ericka.westphal@ndus.edu

To advise North Dakota University System of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at dirk.huggett@ndus.edu and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from North Dakota University System

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to ericka.westphal@ndus.edu and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with North Dakota University System

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to ericka.westphal@ndus.edu and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

By selecting the check-box next to ‘I agree to use electronic records and signatures’, you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify North Dakota University System as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by North Dakota University System during the course of your relationship with North Dakota University System.
