Announcements

- CEL has new Credit Coordinator – Jennifer Beneke
- Engagement Honor roll deadline is November 15.

Kevin Harmon presented on the review process for transcripts of international students. This is based on the fact that some departments appear to want to evaluate all international transcripts.

- $200 is paid by students to have outside evaluator approved by NDUS to review transcripts that are then sent to the registrar's office.
- Time/turn-around on transcript evaluations is a concern. Admissions sets 48 from the time the transcripts are received from WES to give students an answer.
- Recommendation that the registrar's office continue to do the GE review and consult with departments as needed there. Major courses are still in the purview of the departments with regard to how we award those credits.

Rebecca Porter gave an update on the ASC (developmental) Course Enrollment (document attached) shows remedial courses.

Jacek Mrozik gave an update on the College of Business cooperative programs planned between Minot State University and Turtle Mountain Community College. They hope to have this online program technology available by March for the TMCC to utilize. An MOU between Minot State and TMCC needs to be in place.

Dr. Kris Warmoth gave update on the Scantron Pilot for Online Course Evaluations; the documents are attached to review. Dr. Warmoth met with Lisa Borden-King, Chair of Faculty Senate Ad Hoc committee to revise the questions for online evaluations at the same time the campus version is updated. The online course evaluation pilot will take place at the end of fall 2013 classes.

Stephen Banister reminded AAC of the Friends of the Library Organization gathering on December 4, 2013 at Gordon Olson library. He gave updates on the Library operating budget.

The Maymester courses will overlap with summer courses for the 2014. The cut off is right at the start of 2015 regular summer but they will not overlap.

- Maymester session 2014 will be held May 19 to June 2.
- Regular summer session 2014 will be May 27 to July 24.
- Final grades are due by noon on August 4.

Lenore Koczon gave updates from November AAC NDUS meeting.

- Dual credit/early admit -- lots of discussion but nothing settled
- Sonia Cowen, who replaces Mike Hillman, first day was November 5. She will be serving as interim Assistant Vice Chancellor for Academic and Student Affairs through 2014.
- Open text books are being encouraged by a few US Senators (in addition to ND state legislators) to be free online. Durbin from Illinois is pushing for grants to publishers to develop open textbooks.
- Honorary degrees policy included procedures that will be voted on in NDUS-AAC at their next meeting.

- Currently MSU Online uses a program called Vovici to collect evaluations for online courses.
  - Vovici is designed to collect surveys, not course evaluations.
  - Reports are time consuming to produce.
  - License expires March 1, 2014 when MSU will be forced to upgrade.
- We need a new software program to deliver course evaluations to online students.
  - Requirements:
    - Integration with Blackboard to help improve response rates.
    - Quick access to reports for faculty, chairs, and deans.
    - Comparisons to department averages and across semesters.
