# MESSAGE FROM THE PRESIDENT

## Steven Shirley

As we are in the final planning stages to start the 2025-26 academic year, there is much for us to be grateful for thanks in large part to your support of Minot State University. The past year has been a busy one with a number of highlights featured in this President's Report.

Perhaps the biggest highlight was concluding the \$54.8 million EMPOWER Capital Campaign – the largest such campaign in MSU's history. We wrapped up the campaign in December 2024 but officially unveiled the final results during this spring's annual Gala. With the pillars of student scholarships, academic programs, university facilities, athletics, and the Vision Fund, this campaign and its initiatives will be incredibly beneficial for countless future students. Together, we surpassed the original campaign goal of \$40 million by 37%. Your incredible generosity will truly be game-changing for so many future students and initiatives at MSU, and so I offer my heartfelt and most sincere thanks for making EMPOWER such a success!

Additionally, this past year, we had a ribbon-cutting in September to officially re-open the newly renovated Hartnett Hall. A few other notable upgrades this year:

- In Old Main, renovated classroom and office areas for the Severson Entrepreneurship Academy
- A new, modern greenhouse attached to Cyril Moore Hall
- In the Dome, a completely revamped weight room and strength & conditioning area for Beaver Athletics

MSU's academic offerings continue evolving as we are excited to offer new baccalaureate degrees in biomedical science and environmental science, new two-year associate offerings in policing and early childhood education, and a new certificate and minor in applied artificial intelligence. We also hosted three comprehensive accreditation visits for nursing, teacher education, and school psychology, and all of these exhaustive reviews affirmed the outstanding quality of these three important academic programs at Minot State.

In May, the MSU choir traveled with the Minot Chamber Chorale to Norway to perform in multiple cities in conjunction with Norwegian Syttende Mai celebrations. The MSU men's basketball team won its most games (26) since entering the NCAA Division II era 15 years ago, and wrestler Jake Swirple and basketball player Caleb Van De Griend both earned All-American status. In March, MSU was recognized for "Outstanding Military Support" by the Minot Area Chamber-EDC during its annual meeting as the most supportive community organization for the Minot Air Force Base. This is just a sampling among many highlights from a productive past year at MSU.

As you will note throughout this issue of the President's Report, there are so many different initiatives and ways each of you are supporting Minot State and our students. Regardless of the area or opportunity you support across campus, your investment and kindness helps ensure students will continue attending MSU and see it as an important way to enhance their future and fulfill their academic dreams and pursuits.

We appreciate your ongoing interest, dedication, and belief in Minot State University. We remain focused on educating the next generation of leaders across so many different fields and ensuring they have important opportunities to grow and develop during their time at MSU.

Best wishes for a pleasant remainder of the summer. The new year ahead promises to be another fulfilling one, and I look forward to seeing many of you at Homecoming in September along with many of our other events throughout the year.

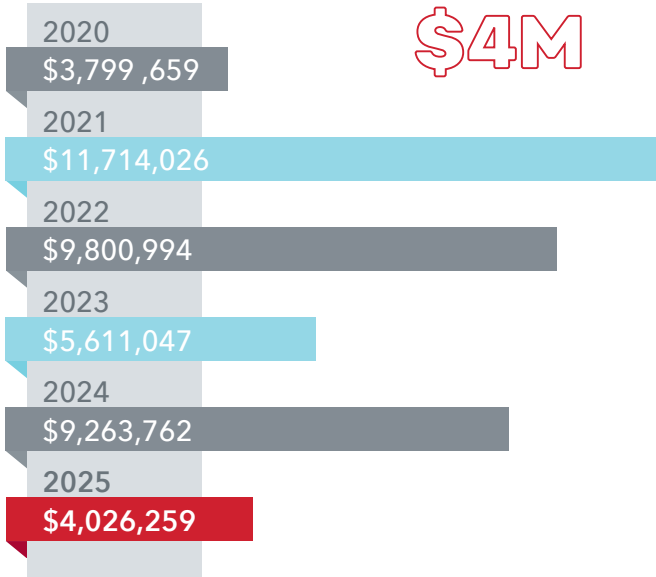

THANK YOU for your support, and ... **As always, GO BEAVERS!** ...

A handwritten signature in black ink, appearing to read "Steve Shirley". The signature is fluid and stylized, with a large, sweeping flourish at the end.

## How to donate to an existing endowment fund

You can donate to an endowment fund in any amount as often as you like. With no minimum amount required, one can contribute in a variety of ways, from once-in-a-lifetime, to annually, or monthly.

Donations can also be made in honor of or to memorialize someone special.

# » Establishing a SCHOLARSHIP

**CREATING A NAMED SCHOLARSHIP** through the Minot State University Development Foundation assists students and leaves a legacy at Minot State University. It is also a meaningful way to honor family and friends.

The first step is to determine whether you would like to establish an endowed scholarship or an annual scholarship.

### Endowed scholarships

Endowed scholarship funds are designed to be permanent and can be created with gifts totaling a minimum amount of \$10,000 contributed in full at the outset or with an initial commitment that is added to over time until the endowment level of \$10,000 is reached. The principal of the fund is invested to produce income, and an annual award is made to a student(s). The principal remains untouched so the endowment can last into perpetuity.

### Annual scholarships

Annual scholarships can be established with an outright gift of any amount. Unlike an endowed scholarship, an annual scholarship is not a permanent fund and is awarded only as long as you (or others) choose to contribute to the fund.

As a scholarship donor, you choose the name and the criteria. Development Foundation staff is available to help you with the process. Endowed and annual scholarships are awarded to students based upon area of interest, geographical origin, merit, financial need, academic achievement, or other criteria.

Typically, a selection committee carefully reviews the scholarship applications submitted by students and selects the most deserving recipient(s) based on the donor-established criteria.

Contributors of a scholarship fund are notified annually when the scholarship recipient(s) has been selected and are informed of the name, as well as the amount of the award. Recipients often write a thank you note to the donor, and in some cases the recipient(s) and donor are able to meet.

**FOR MORE INFORMATION** on establishing a scholarship, contact the MSU Development Foundation at 701-858-3890 or 1-800-777-0750 ext. 3890. ...

## » NOTSTOCK, NoDAKoN, Entrepreneurial Perspective return as featured events

Three premier Minot State University events took center stage as MSU presented its annual NOTSTOCK art festival, the cybersecurity-driven NoDAKoN event, and the Entrepreneurial Perspective speaker series.

NOTSTOCK featured guest artists and MSU students and faculty sharing their creativity, energy, knowledge, and artistic talents inside and outside Hartnett Hall.

NOTSTOCK

NoDAKoN

NoDAKoN returned for its fourth year in October, including the long-running SRT Tech Day along with a cybersecurity summit, Cyber Safety: Protecting Yourself from Online Threats, with area and regional experts in online safety.

Opportunities in Healthcare panel

Al-Katib

The Entrepreneurial Perspective speaker series returned for events in the fall and spring. The November event was titled Opportunities in Healthcare. MSU alumni Katie (Aide) Kringen '07/'09 and Jerick Hensen '06 were joined by Chad Thompson for a feature luncheon panel. In March, MSU celebrated the renovation at the Severson Entrepreneurship Academy with guest Murad Al-Katib, president and chief executive officer at AGT Food and Ingredients. Al-Katib presented From a Smalltown to the World: An Entrepreneur's Journey and the Adventures of Feeding the World.

## Williams selected for Executive Leadership Academy <<

Minot State University's Alaric Williams was selected for the 2024-25 Executive Leadership Academy (ELA) cohort by the American Association of State Colleges and

Universities (AASCU) and the Council of Independent Colleges (CIC). The ELA is a yearlong program to develop the next generation of college and university presidents. The program is jointly sponsored by CIC, AASCU, and the American Academic Leadership Institute (AALI). Williams began serving as assistant vice president for academic affairs at Minot State in February 2023. He has 20-plus years of experience in higher education.

## MSU adds two new science degrees, social work online, new associate degree

Minot State announced a series of new innovative ways for students to earn degrees in 2024-25. Starting in the fall, students will be able to earn degrees in biomedical science and environmental science. This summer, students began taking classes in MSU's fully accredited online Bachelor of Social Work. MSU introduced two new Associate of Arts in University Studies degrees with concentrations in early childhood education and policing.

A CAMPAIGN FOR MIN

An aerial photograph of the Montana State University campus. The image shows several large, multi-story brick and concrete buildings, including a prominent circular structure on the left. The campus is surrounded by green lawns, numerous trees with vibrant autumn foliage in shades of yellow, orange, and red, and several parking lots filled with cars. A large, stylized, white-outlined text 'OWER' is superimposed over the lower half of the image, partially obscuring the buildings and trees. The text is cut off on the left side.

ONT STATE UNIVERSITY

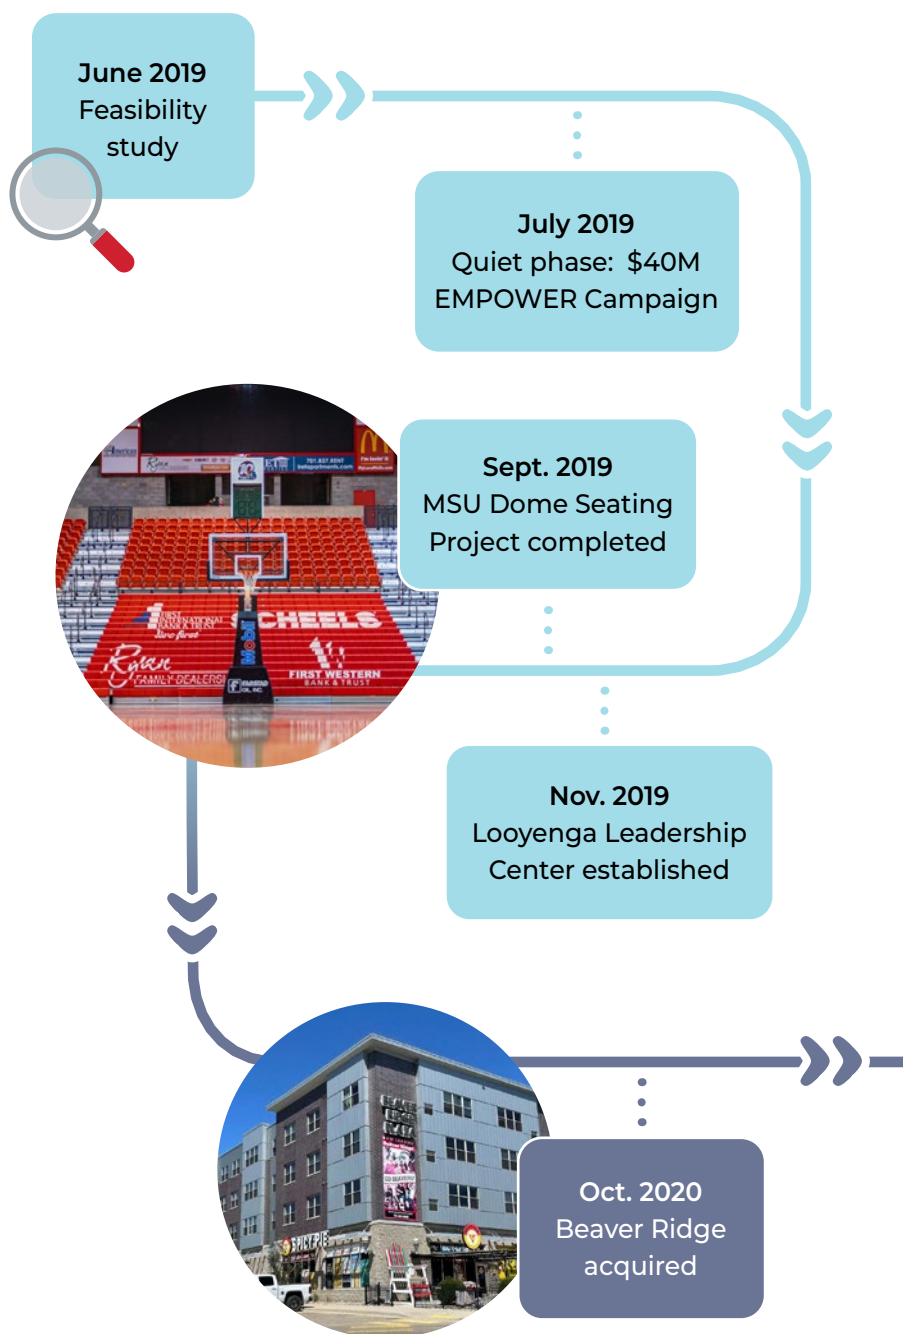

In just five and a half years, Minot State University and the MSU Development Foundation surpassed its goal, raising **\$54.8 million** – the largest comprehensive fundraising effort in the University’s 112-year history. The **EMPOWER** Capital Campaign was a remarkable team effort, reflecting the deep generosity and unwavering support of those who believe in Minot State and its students.

The collective commitment from the MSU campus, alumni, donors, and friends propelled the EMPOWER Capital Campaign beyond expectations. Initially set at \$40 million during the feasibility study in June 2019, which was a record-setting target at the time, the goal appeared ambitious, particularly as the University navigated the challenges of the COVID-19 pandemic. However, buoyed by early success and support, MSU was inspired to raise the goal to \$50 million in early 2022, ahead of the campaign’s public launch during Homecoming that same year. Officially launched during its quiet phase in July 2019, EMPOWER concluded on Dec. 31, 2024.

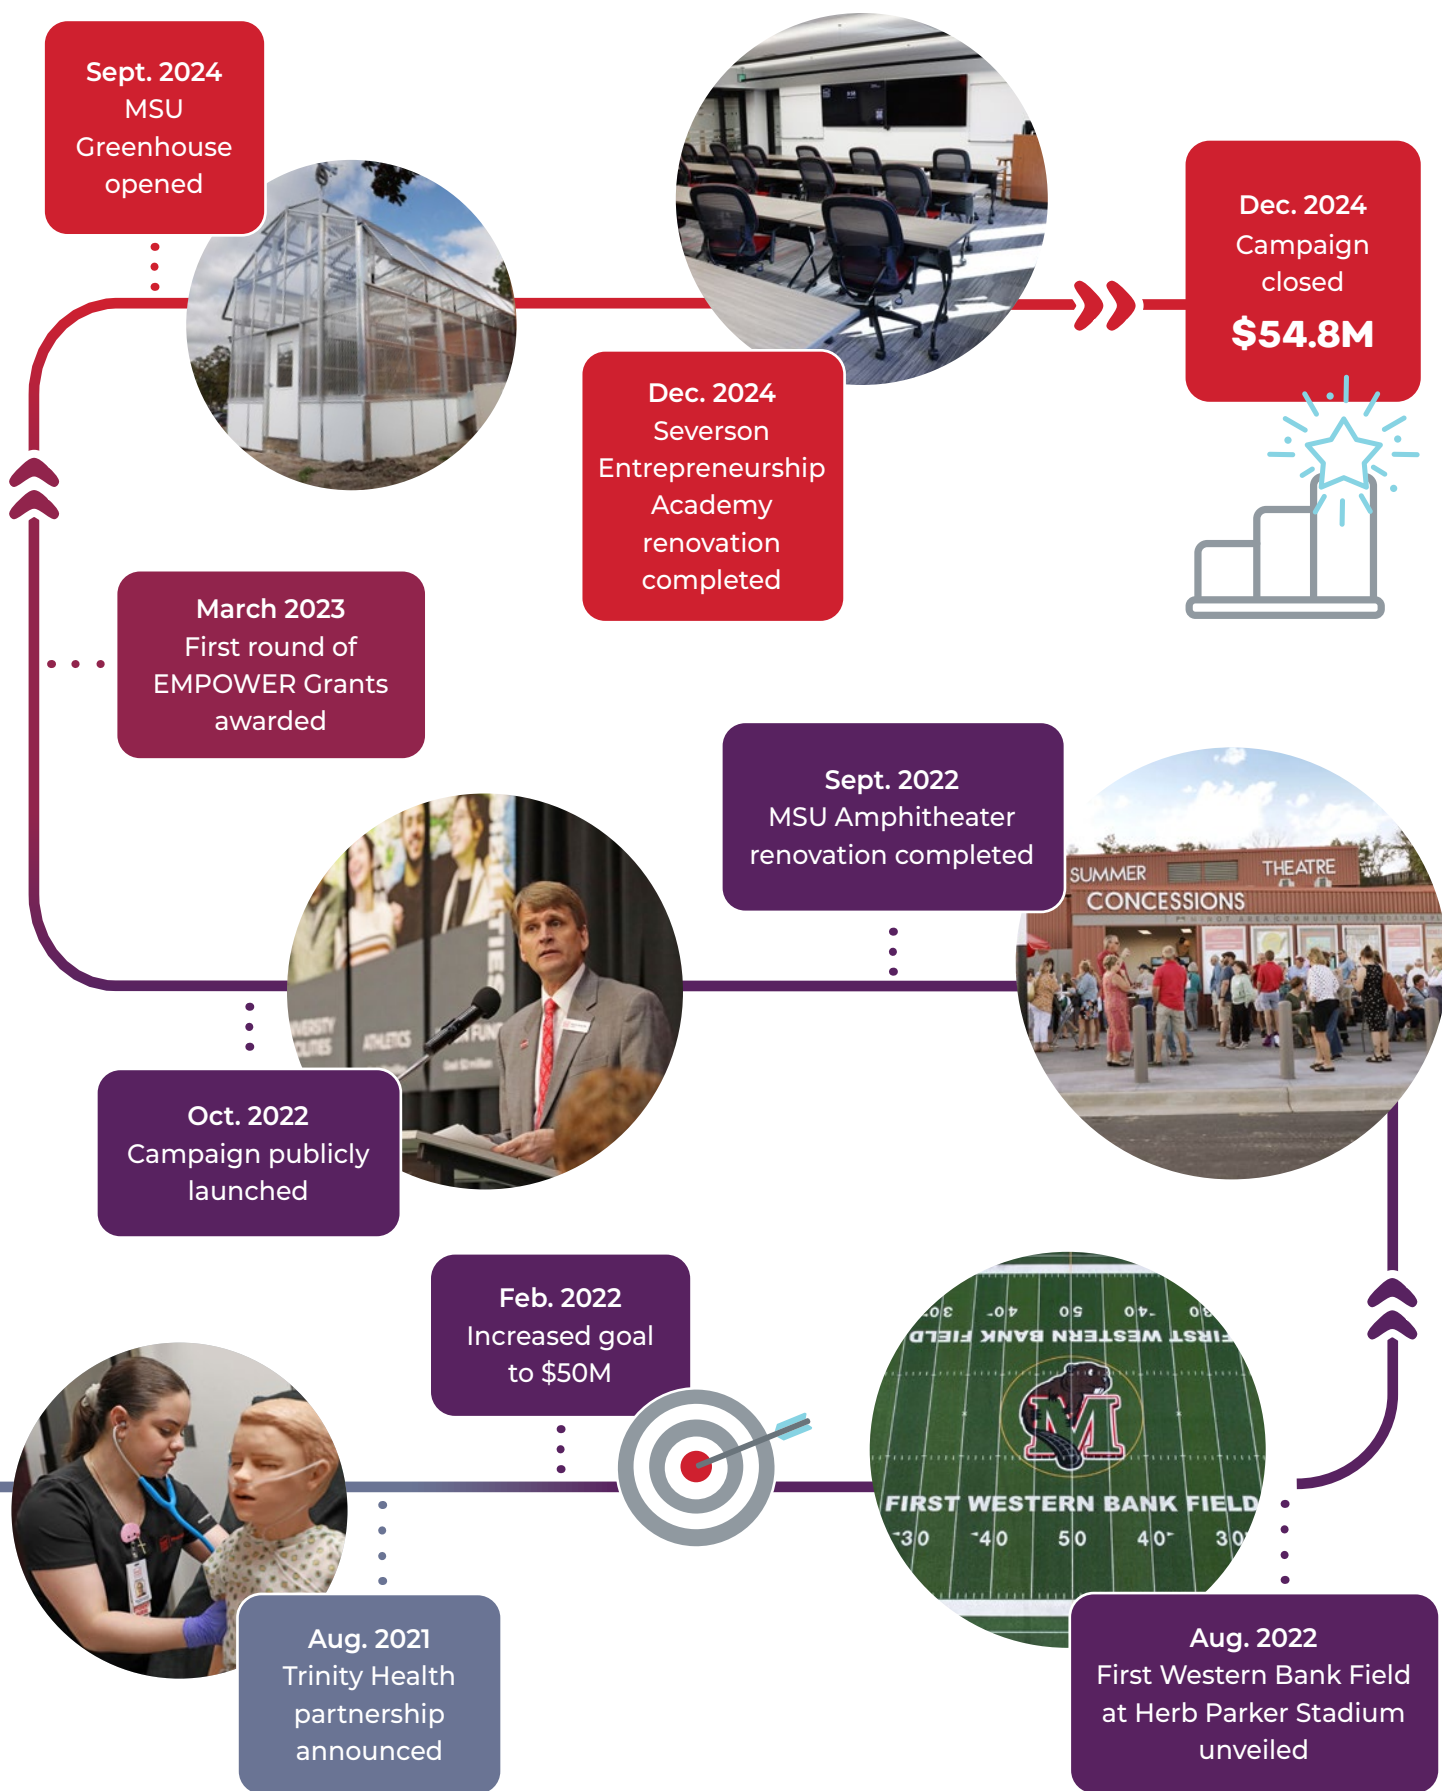

Built around five strategic pillars – Scholarships, Academic Programs, University Facilities, Athletics, and the MSU Vision Fund – EMPOWER made a transformative impact across all areas of campus life.

From new scholarships and enhanced academic resources to upgraded athletic facilities and growing annual support, the EMPOWER Campaign has laid a strong foundation for Minot State’s future. It’s more than a milestone – it’s a movement made possible by the incredible 43,426 gifts made by nearly 10,000 donors who believe in the power of education.

## EMPOWER CAMPAIGN TIMELINE

# *Aspiration, Achievement, and Appreciation*

In July 2019, Minot State University launched the most ambitious fundraising campaign in the school's history, with a goal of securing \$40 million built on the pillar of empowering the next generation of leaders at MSU. In 2022, after pacing ahead of schedule in our fundraising efforts, we increased our goal to \$50 million.

Now, having closed on Dec. 31, 2024, EMPOWER: A Campaign for Minot State University has raised over \$54.8 million. Together, we've made history but, more importantly, we've changed lives. Lives have been changed through the availability of scholarships. New programs have been launched while others have been enhanced and expanded. Faculty have new resources to engage students in collaborative research projects, internships, new coursework, and co-curricular activities. Through this campaign, our campus continues to grow with new first-rate facilities for academics, student life, wellness, and athletics.

Every one of the 43,426 gifts to the EMPOWER campaign has made an impact. Your investment in Minot State University is a testament to your belief in the power of education to transform lives. The success of the EMPOWER campaign reflects the strength of our community and the shared vision we hold for a brighter future. We are deeply appreciative of your role in this transformative journey, and we look forward to continuing this partnership as we build on the momentum you've helped create.

Within these pages, you will learn more about the impact that your philanthropy has made possible. On behalf of a grateful Minot State University,  
**THANK YOU.**

Sincerely,

Rick Hedberg '89

# THANK YOU

# EMPOWER *Donors!*

Because of you, Minot State students have the opportunity to pursue their passions and unlock their full potential. Your support ensures they have access to a challenging curriculum, an active campus community, innovative leadership opportunities, athletic activities, and hands-on learning experiences. **Your generosity makes all this possible!**

This honor roll recognizes donors who contributed a minimum of \$5,000 to the EMPOWER Capital Campaign between July 1, 2019 and Dec. 31, 2024, and includes cash, pledges, bequests, and matching funds. *Please note: ND Challenge Grant matching funds are included in donor giving.*

## » Scholarships

Minot State University takes pride in being a leader in delivering high-quality education at an affordable cost. A cornerstone of that commitment is the continued growth of endowed scholarships, which provide students with essential financial support to help offset the rising costs of higher education. Building on this commitment, the EMPOWER Capital Campaign significantly expanded opportunities across academics, athletics, majors and programs, campus life, and student support services. This wide-ranging effort enabled donors to create meaningful, lasting impact – enhancing the student experience both in and outside the classroom.

Scholarship support became a driving force of the campaign's success. In fact, scholarships accounted for 45% of total funds raised, resulting in 171 new endowed scholarships and bringing the total number of endowments to 491 by the end of 2024.

One of the most impactful scholarship initiatives is the Hometown Pride Scholarship, which reflects MSU's dedication to supporting students close to home. This program awards an automatic \$1,000 scholarship to students from Northcentral and Northwest North Dakota. First launched in 2021, it was later expanded by the Prairie Rose Scholarship to include students from central and southwestern counties. Together, these scholarships have helped hundreds of North Dakota students access and afford higher education.

In addition to geographic-based awards, the EMPOWER Campaign supported a wide range of scholarships, including those focused on Native American students, undergraduate research, transfer and graduate students, athletics, and financial need – broadening access and equity across MSU's student population.

Minot State University's rich history of serving students continues today with more than 100 areas of study. From its beginnings as the State Normal School of Minot, preparing future teachers, to cutting-edge programs like cybersecurity, MSU remains committed to meeting the evolving needs of a global workforce.

Recognizing the importance of staying ahead in a changing world, academic programs became a central pillar of the EMPOWER Capital Campaign. Increased funding not only strengthened existing programs but also supported the development of new and emerging degrees and certificates, ensuring students are ready for the careers of tomorrow.

This commitment to academic excellence goes beyond expanding course offerings. Donor support also benefits faculty and staff by providing professional development opportunities, fostering collaboration with alumni, and encouraging learning from community experts and industry leaders who bring real-world experience into the classroom.

Among the most innovative examples is MSU's major in cybersecurity and operations. With cybersecurity identified as one of the fastest-growing sectors globally – and an estimated three million job openings worldwide – this program equips students with the critical skills needed to defend systems, networks, and data in today's digital age.

MSU's investment in academic programs also includes strong support for the arts, recognizing their vital role in a well-rounded education and a vibrant community. Thanks to donor generosity, Minot enjoys a thriving arts scene supported by MSU faculty and students who regularly collaborate and perform with community members and professionals. These partnerships include ongoing work with the Minot Symphony Orchestra and Western Plains Opera, providing students with invaluable experiences.

## » University Facilities

Significant upgrades and renovations have transformed University facilities across Minot State's campus. These improvements include modernized classrooms, advanced labs, and enhanced living and community spaces – all designed to nurture creativity, collaboration, and personal development while enriching the student experience.

To support dynamic, hands-on learning, new lab and simulation spaces bridge the gap between theory and practice. The state-of-the-art nursing simulation lab, for example, offers cutting-edge technology and training that help address local and regional nursing shortages while meeting rigorous national standards.

Facility investments also celebrate the unique character of campus. The Minot State Amphitheater, set into the hill on the north end of campus, is one of North Dakota's top outdoor venues. A \$2.8 million renovation replaced the box office, dressing rooms, and restrooms, while upgrading lighting and sound to enhance performances.

Supporting academic excellence in the sciences, the nearly 60-year-old greenhouse at the Cyril Moore Science Center was completely rebuilt. The new 300-square-foot facility includes double-layered panels, a functioning irrigation system, and a climate-controlled interior, creating a year-round environment for research and exploration.

Additionally, investments in University facilities have strengthened MSU's focus on innovation and entrepreneurship. The Severson Entrepreneurship Academy, made possible by Clint Severson and Conni Ahart, features a renovated third floor of Old Main with modern classrooms and collaborative spaces designed to inspire the next generation of business leaders.

Athletics received vital investments to strengthen student life, promote school spirit, and elevate competitive excellence. At Minot State, intercollegiate athletics are a cornerstone of a vibrant, engaged campus community – bringing students, alumni, and fans together in shared pride. MSU is proud to compete in the highly competitive Northern Sun Intercollegiate Conference, serve as a powerhouse in the American Collegiate Hockey Association for both men's and women's hockey, and stand as the only public university in North Dakota competing at the NCAA Division II level.

Building on this tradition of excellence, Beaver Athletics benefited from significant upgrades to playing and practice facilities. These improvements ensure student-athletes have access to high-quality resources that support both their performance and well-being.

One of the most visible transformations took place at the Minot State Dome. This renovation dramatically changed the look and feel of the 45-year-old field house. As one of the largest indoor arenas in the Upper Midwest, the Dome serves not only as the epicenter of Beaver Athletics but also as a key venue for regional and statewide events. The initial renovation phase included opening the second-floor concourse and installing new seating throughout the lower bowl, along with the addition of the Dean Frantsvog Academic Success Center, a new women's soccer locker room, a nutrition center, and a weight room.

Improvements also extended to outdoor facilities. The playing surface at Herb Parker Stadium was replaced and renamed First Western Bank Field, now featuring state-of-the-art FieldTurf that meets industry standards and enhances safety and playability for student-athletes.

## » Vision Fund

**\$3  
million**  
RAISED

The ability to meet today's needs, respond to unexpected circumstances, and fund innovative ideas is at the heart of unrestricted gifts. This unique type of support provides the University with the flexibility to adapt to changing times and make meaningful, campus-wide transformations.

One of the key vehicles for this kind of impact is the Vision Fund, which supports MSU's highest priorities and bridges the gap between long-term goals and immediate, everyday needs. From superior instruction and emerging technology to academic and financial support for students and a vibrant student life, the Vision Fund ensures critical resources are always available where they're needed most.

To further strengthen this flexible support, EMPOWER Grants were introduced in 2023 to encourage innovation among faculty and staff. These grants fund projects that enhance student enrollment, advance academic initiatives, and improve the overall student experience. Over three years, EMPOWER Grants have supported 26 unique projects, ranging from student fieldwork opportunities to upgraded equipment.

In addition to supporting innovation, unrestricted giving also ensures urgent student needs do not go unmet. The Student Emergency Fund offers vital help to students in crisis, providing support when unplanned and unforeseen issues arise each semester. Thanks to donor generosity, individual student emergency award allotments have doubled to \$1,000, ensuring even greater assistance when it's needed most.

# Momentum Matched: North Dakota **CHALLENGE GRANT**

Following the successful completion of the \$50 million campaign, Minot State University is pleased to share the North Dakota Challenge Grant Program has been renewed, offering donors another powerful way to maximize their impact.

This program provides a 50% match on gifts designated to scholarship endowments, technology, educational infrastructure, classroom enhancements, and equipment. Minot State has been allocated \$2.045 million in matching funds, allocated by the 69th North Dakota Legislative Assembly, with eligible gifts to be received between July 1, 2025, and December 31, 2026. Donors may also make multi-year pledges (up to seven years) and receive the full 50% match immediately. This renewed opportunity ensures continued support for students, academic programs, and the ongoing advancement of Minot State University.

## » Boag named to NSIC Hall of Fame

Former Minot State University women's basketball standout Carly Boag made history once again for the University by being named the

first-ever inductee into the Northern Sun Intercollegiate College (NSIC) Hall of Fame. She was inducted on July 9, 2024 at the NSIC Summer Meetings Award Banquet in Minneapolis. Boag rewrote the MSU women's basketball record book during her time at MSU. The Tamworth, Australia native finished as the school's all-time leading scorer with 1,809 points. She set MSU career records in rebounds with 1,030 and steals with 264. She was a two-time NSIC scoring champion, setting the conference record for rebounds in a season with 270, and was named NSIC Player of the Year in 2013-14. The two-time All-American played professionally with the Leon Tregor Basket 29 in France and the Brydens Sydney Uni Flames, winning the 2016-17 WNBL Championship.

## Men's basketball makes memorable run to NCAA tournament

Minot State University men's basketball finished with a school-record 26 wins and its first berth in the NCAA Division II Men's Basketball National Tournament in 2024-25. The Beavers went 26-10, earning a spot in the Northern Sun Intercollegiate Conference (NSIC) championship game for the first time. MSU reached as high as No. 4 in the nation in the National Association of Basketball Coaches DII rankings. The Beavers topped defending national champion Minnesota State Mankato 72-70 in the semifinals of the NSIC tournament, reaching their first title game against Minnesota State Moorhead. Minot State advanced to the NCAA tournament and the No. 4 seed in the Central Region in Topeka, Kansas, but were upended by Concordia-St. Paul 83-71 in the quarterfinals. MSU's Caleb Van De Griend earned two All-American awards, becoming the second Beaver to earn All-American status, joining former Beaver great Tyler Rudolph.

## Hartnett Hall officially opens during Business After Hours <<

Minot State University officially opened the newly renovated Hartnett Hall during a ribbon-cutting ceremony at Business After Hours hosted by the Minot Area Chamber EDC. The \$26.6 million renovation project – awarded by the North Dakota Legislature during a special session in 2021 – began in May 2022. Some MSU classes and collaboration spaces were open during the Spring 2024 semester, and the building became fully operational in Fall 2024. Hartnett Hall is home to several key academic programs at MSU, such as English, humanities, art, theater arts, and professional communication, as well as many general education courses. It also features Aleshire Theater, a new performing arts recital hall, KMSU radio station and television studio, and MSU's Esports studio.

## Department of Nursing signs two guaranteed admission agreements

Proving to be a regional leader in healthcare workforce initiatives, the Minot State University Department of Nursing signed two articulation agreements for guaranteed admission with regional two-year colleges in 2024-25.

MSU and Lake Region State College signed an agreement in November and added Northland Community and Technical College (NCTC) in East Grand Forks, Minnesota as its first non-North Dakota University System school in June. Minot State holds a previous agreement with Dakota College at Bottineau for guaranteed admission and maintains general articulation agreements with six colleges overall.

The guaranteed admission agreements confirm that all students admitted to the three programs will be given the additional option of guaranteed admission into MSU's online Bachelor of Science in Nursing (BSN) Completion Program, provided all Minot State admissions and BSN Completion Program requirements are met. The partnerships emphasize the importance of a well-educated nursing workforce, which includes BSN-prepared nurses.

## Minot State reports continued enrollment growth

Minot State University's Spring 2025 enrollment grew 2.6% for a total of 2,633 students. It is the second straight spring semester increase and the third consecutive semester in which the University saw growth in its overall headcount. The University saw its biggest growth area in new transfer students with 112 incoming transfers, its biggest spring transfer class in seven years. Minot State also reported nice increases in dual credit students and Canadian students. Minot State's Hometown Pride Scholarship, now in its third year, continues to attract local students as MSU's Ward County enrollment increased to the highest total in three years. The spring enrollment also included the largest number of full-time graduate students at MSU since 2015.

## Larsen, Kramer first two MSU students to earn Oslo Chamber Choir Apprenticeship

Minot State University student Christina Larsen broke new ground as the first to take part in the Oslo Chamber Choir Apprenticeship Program, returning from an exceptional musical journey in August 2024.

Megan Kramer became the second student to earn the prestigious honor as she joined the Minot State University Choir on its Norway tour in May and then had the unique opportunity to extend her stay for an additional week in Oslo. During her time abroad, she worked closely with the Oslo Chamber Choir as they collaborated with the renowned St. Olaf Choir for a joint concert.

Kramer

This exciting collaboration between Minot State University and the Oslo Chamber Choir began with the chamber choir's residency as Artists in Residence at MSU in Fall 2023. This distinguished apprenticeship covers all travel expenses for one MSU choral scholar to assist and learn from the Oslo Chamber Choir as they prepare for their summer concert season.
