FOREWORD

To many MSTC students, the BEAVER is something mentioned when pictures of organizations and classes are taken and then forgotten until it bursts clean-covered upon them in the spring. The hundreds of pictures and thousands of words of copy are, to most of the students, a real, but commonplace, miracle.

The staff spent a great deal of time putting the material together to make up this book, often working early in the morning and late into the evening. If this book reminds you of some of the personal incidents and the wonderful friendships and experiences that make college the rewarding time it is, the 1957 BEAVER is a success.

DEDICATION

Because . . .

*. . . their proficiency in playing
and marching has been the delight
of spectators throughout and beyond
the state . . .*

*. . . their esprit de corps has bubbled
over to the creation of a more vigorous
school spirit . . .*

*. . . their concerts have heightened the
culture of college and community . . .*

*because their every appearance has reflected
credit on the school . . .*

*we dedicate the 1957 Beaver to members of the
College Band and to Director Lawrence Hahn.*

ADMINISTRATION

Mary Elder

President Casper P. Lura

Greetings:

No college grows and thrives unless its students and faculty grow and thrive. Every competent staff member knows this. Every competent student comes to understand this.

To provide a college program in all its necessary variety, from utter seriousness to sheer fun, is a problem that is reconciled only when staff and students understand and respect each other. Only then do we secure the initiative and the cooperation essential to the successful organization and operation of a fine college.

We are proud of our staff and of our students. We are proud of our increasingly excellent college program. And we are proud of our 1957 BEAVER staff, which has so ably and interestingly depicted the many facets of the coordination of the efforts of students and staff to achieve the good life in our college.

*Sincerely,
C. LURA
President*

LURA..FIFTH MTC PRESIDENT

Appointment to be Effective July 1, 1954

These were the headlines on the Red and Green on January 4, 1954, soon after the announcement had been made by the Commissioner of the Board of Higher Education. The students knew Casper Lura was only 52 at that time, that he would bring with him his lovely wife and nephew, that he was a native North Dakotan, that he had a fine background to be president of our college.

On that day in 1954, however, they did not

realize how well President Lura and his family were to fit into the routine of MSTC. The Luras became part of college and the community, active in church organizations, social life, and other worthwhile groups. They were to learn these things, as well as that President Lura had definite views on educational policies, tempered by the beliefs of students and faculty. They were to learn that here, indeed, was a president whose office door and heart were open to each and every student at MSTC.

Left to right: Dr. A. D. McCannel, Minot; Fred Orth, Grand Forks; Mrs. Frank Jestrab, Williston; A. F. Arnason, Commissioner, Bismarck.

Left to right: Albert Haas, New Rockford; Mrs. Vernon Johnson, Wahpeton; Martin Kruse, Kindred; M. S. Byrne, Bowman.

As Dean of Finance and Plant, *Mr. L. F. Davidson* keeps very busy in his corner of the business office. He received his education at the Miles City Business Institute.

A new addition to the college this year is *Mr. Dan Sillers*, the Dean of Men and a Psychology Instructor. North Dakota is the place he earned his Masters Degree.

Miss Eunice Eggers came to MSTC from Cottey College this year. Her Home Economics major and many varied experiences help her in filling the post as Dean of Women.

Once a month the faculty of the college gather in the basement of the Student Union to discuss the problems of educational standards and the policies of the school over a lunch prepared in the kitchenette. Miss Louise Reishus is president of the Faculty Association. Many difficulties are ironed out over the cups of coffee.

Dr. A. M. Rempel obtained his Ph.D. from the University of Iowa and holds the titles of Dean of the College, Professor of Education and Chairman of the Division of Education.

Dean of Public Relations is *Mr. E. R. Manning*, who holds a Masters Degree from the University of North Dakota. He is also the Assistant Professor of Government and Director of Audio-visual Education.

Junior Class Officers

Juniors laugh at ambitious Seniors and busy Freshmen, sleep late, skip breakfast, become adept at packing, unpacking and casual living. They avoid committees, hotly defend the cut system, ignore the future, and then reluctantly but inevitably become Seniors.

Sophomore Class Officers

Sophomores return to college, attend meetings, build floats, try to study, choose careers and begin ulcers. They hold part-time jobs, long for home-cooking, come up with new or slightly used ideas for skits and term papers, and exhausted, become Juniors.

Freshman Class Officers

To freshmen, college was living in wonderland. Here they slept in dorms, ate out every day, pledged frats and sororities, got caught in the Union at ten by the teacher after cutting at nine. Here they wore either beanies or shoe polish on their whirling heads, came in late, wrote home for money, and somehow survived.

Beavers Close '56 Campaign With .500 Record

The Beaver gridders climaxed the 1956-57 football season with a very commendable three wins, three losses, and a single tie. This was good enough for a third place finish in the North Dakota Inter-collegiate Conference. Through the capable coach-

ing staff of Ted Keck, Vince Elgie and Herb Parker the young Minot charges improved considerably throughout the season and, after a slow start, finished strong.

Elgie and Keck, Minot mentors, watch practice.

Mystics Down Beavers 25-7

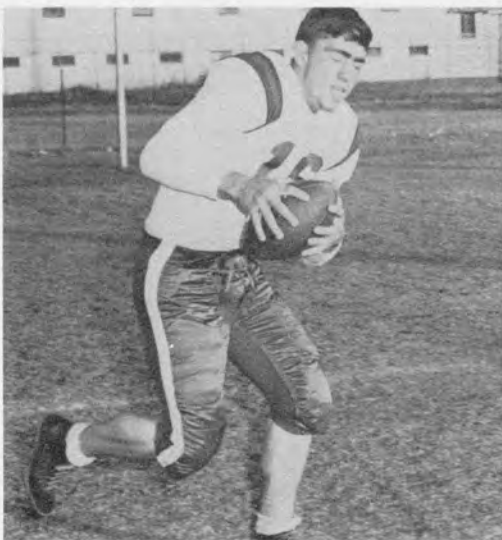

A young, inexperienced Beaver eleven kicked off the 1956 grid campaign at Bismarck Junior College where the Mystics, for the first time in NDIC history, overtook Ted Keck's Minot charges 25-7. The Bismarckers tallied early, recovering a Minot fumble after the opening kickoff and except for a few Minot threats, were in complete charge of the game. Dale Brown scored the lone Minot touchdown with a short thrust through the center and Rich Compton added the point after touchdown.

Beavers Tame Cats 13-6

In the home opener the Beavers, once again, had a poor first half and trailed at the intermission 6-0. They then showed their first signs of impressive football in the second half as they bounced back to tally two touchdowns, while the Beaver defense tamed the Wildcats to a scoreless half. Dale Brown burst into the end zone for the first score on a short plunge and Steve Dean sailed around end for the winning counter. Rich Compton booted the lone extra point.

Minoters Trounce Savages 32-0

The following weekend the Beavers roared into Allen Field and literally ran roughshod over the helpless Dickinson Savages 32-0. The Beavers once again lost the ball after the opening kickoff but this time the stone wall defense stiffened and stopped the invaders cold. From there the Beaver touchdown parade started. Dale Brown, Steve Dean, Boyd Perron, Bob Bodine and Doyle Radke netted the six-pointers with Rich Compton providing the placements.

Jims Nip Beavers in 15-14 Thriller

The ever improving Minot eleven then journeyed to Jamestown where the fans enjoyed watching two evenly matched football squads lock horns for a full sixty minutes in, perhaps, the most thrilling NDIC game in many years; one which found the Beavers on the short end of a 15-14 count. Coach Keck cited this losing effort, to the eventual conference champs, as the top performance of the campaign. Steve Dean and Don Runnels tallied the TD's with Dean kicking both extra points.

Beavers Rally for 27-19 Win

After trailing at the half, the Beavers surged back with determination and stamina to rack up an impressive 27-19 victory over the bigger Mayville Comets. Steve Dean raced goalward for the first touchdown and plunges by Dale Brown and Boyd Perron netted two more and Doyle Radke capped it with his jaunt into the end zone. Dean added three extra points.

Homecoming Tussle Ends in Deadlock

In a bitterly contested game, in which neither team could gain a real advantage, the Beavers and the Valley City Vikings fought to 13-13 tie at Allen Field in the annual Homecoming contest. Minot drew first blood with Bob Bodine's touch-down thrust. Rich Compton's kick was good but the Vikings quickly closed the gap to 7-6 at half-time. Compton took Lynn Hummel's short pass for the other six points but Valleys comeback knotted it at 13 apiece. A late Minot threat was thwarted.

Wolves Romp Over Beavers 42-0

The Beavers reached a season low when they traveled to Aberdeen, South Dakota, where they were completely outclassed in a non-conference battle with the highly touted Wolves of Northern Teachers of the South Dakota Intercollegiate Conference. The elusive South Dakotans exploded with the opening gun and the Keck crew could do nothing to stop the fast stepping backs. Except for a few shimmering moments of glory, always stopped, however, it was a very dismal afternoon for Minot.

Beavers Cop Second Place in N. D. I. C.

By netting 87 points per game and holding the opposition to a mere 69, the 1956-57 Beaver basketball team compiled an 18-4 season record. They lost one game in each holiday tournament they entered and two in conference action. 1901 points went through the hoop via the able hands of the adept Minot cagers

while the combined effort of all the opponents totaled only 1526.

Four times the Beavers went over the century mark in scoring and seven other times they netted over ninety.

In the opening game at Swain Hall the Beavers had little trouble with Northern Montana of Havre and wound up on top 63-31. The Minotors were pretty spotty in this first showing but were tough on the boards and controlled the ball throughout the game. They shot .317 from the field on 26-82 and amassed a .647 percentage from the charity line as they flipped in 11 of 12 chances. Henry Milkey paced the attack with 18 points.

In another tune-up game the Wolves of Northern Teachers of Aberdeen, South Dakota, invaded Swain Hall. Minot led 33-29 at half time but their defense stiffened in the second half and they pulled away to a 70-54 win. Milkey again paced the winners with 24 counters. Jim Walker and Gene Groninger added 12 apiece.

For the inauguration of the conference schedule the Beavers traveled to Bottineau and wrapped up a 91-54 win. Dale Brown led the Minotors with 19 points. Ron Nelson and Groninger tossed in 15 points each and Milkey added 11.

Five Beavers tallied in double figures as they rolled over Bismarck Junior College 97-76. Minot had 28 point leads twice and used the reserves extensively in the second half. Nine cagers scored. Milkey pumped in 23 points while Brown, Groninger, Nelson and John Fisher added 17, 16, 10 and 10 respectively.

HENRY MILKEY bowed out brilliantly in his last year as a Beaver. He scored in double figures in 21 of the 22 games and led the team in scoring 17 times. His season output was 473 points for a 21.5 average. He was second in conference scoring with 324 points. His .806 free throw percentage also topped the team.

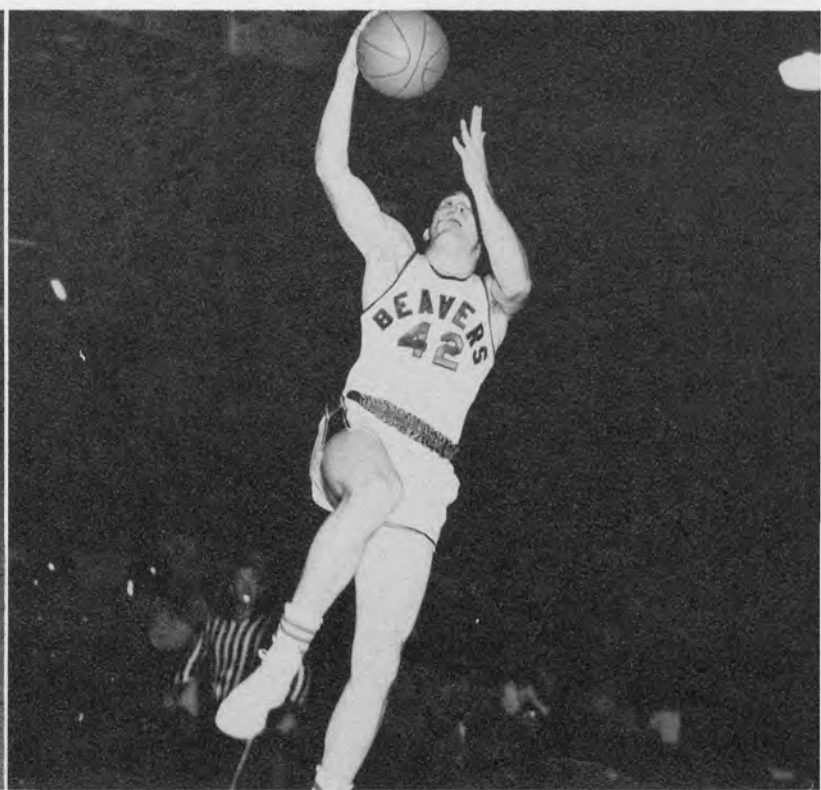

DALE BROWN earned his fourth basketball letter netting 307 points and rebounding and feeding brilliantly. He totaled 223 markers in conference action and averaged 13.9 in the 22 games. He paced the scoring attack twice and was in double figures 18 times.

A red hot .507 shooting display moved the Beavers out over the Dickinson Savages 89-70. Minot's fast breaking and rebounding were at their best as they tossed in 36 shots on 71 attempts. Milkey was again the pace setter with 24 points. Brown caged 15, Groninger, Whitey Aus and Jim Walker dropped in 10 each.

The Holiday Tournament in Minot opened with Moorhead dropping Valley City 81-67. In the second game of the evening Minot pulled steadily from behind and edged out the Concordia Cobblers 69-67. Minot got the permanent lead at 48-46 with 10:36 to go. Neither team was effective from the field but both were hot from the line, the Cobblers netting 27-34 and Minot 23-35. Milkey picked up 31 points and Art Johnson of Concordia 28.

5' 8" Ken Reitan of Moorhead whipped in 32 points for 15-25 fielders to pace the Dragons as they handed Minot their first loss 92-90 in a white hot shooting exhibition. Moorhead hit 40 fg's in 86 chances for .465 and Minot 34 of 81 for .420. There were 12 lead changes in the second half. Besides Reitan the big factors were Moorhead's rebounding and quick defense. Milkey led Minot with 30 markers including 10-12 freethrows. (19-21 for tournament).

In the Beaver's worst game of the season, Dakota Wesleyan outlasted Minot 80-68. Beaver fouling hurt tremendously as Dakota tossed in 38 free throws while Minot outgoaled them 25-21. Minot pulled to within six with five minutes left but Wesleyan pulled away handily. Milkey and Brown paced the losing effort with 18 and 15 points.

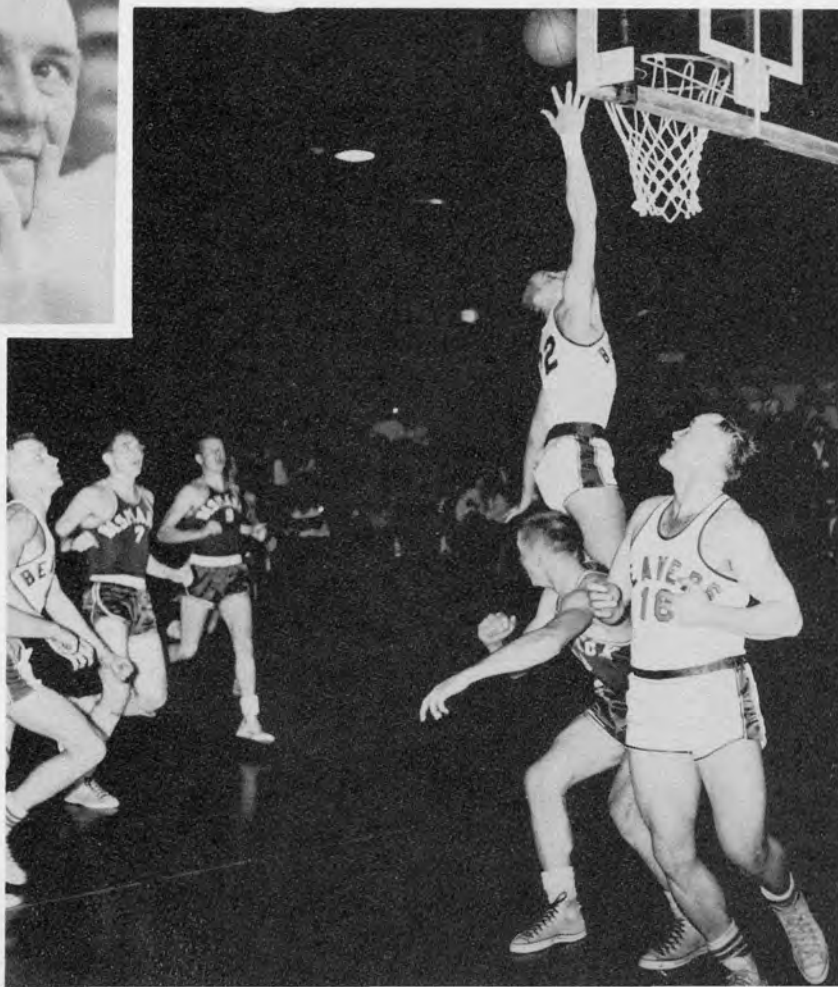

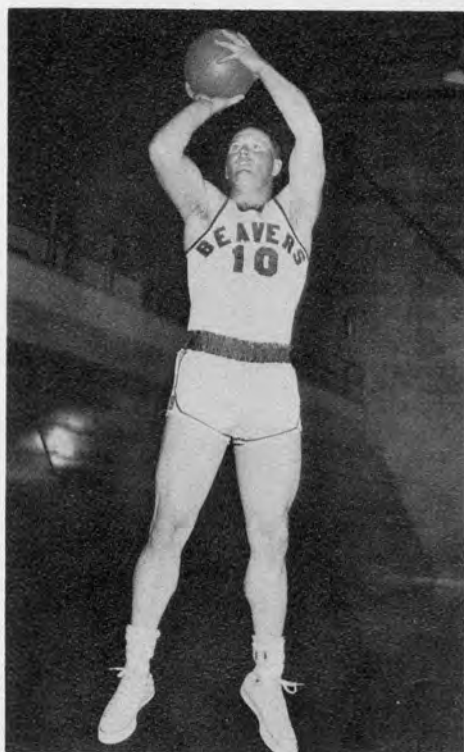

In the game for third place in the Snow Queen Tournament Minot and Valley City locked horns in a high scoring contest that Minot won 109 - 107. The 216 point game was the new record for the auditorium in Aberdeen, including many pro contests there. Valley led at the midway point 62 - 47 and once held an 18 point advantage until Minot closed in at 81 apiece. The Vikings netted 42 goals to Minot's 35 but the Beavers dropped in free throws at a .867 clip on 39 - 45. Milkey tallied 28 points, including 22 in the second half. Brown had 27, Walker, 22, Groninger, 15, and John Fisher, 13. Aberdeen downed Dakota Wesleyan 86-81 for the championship.

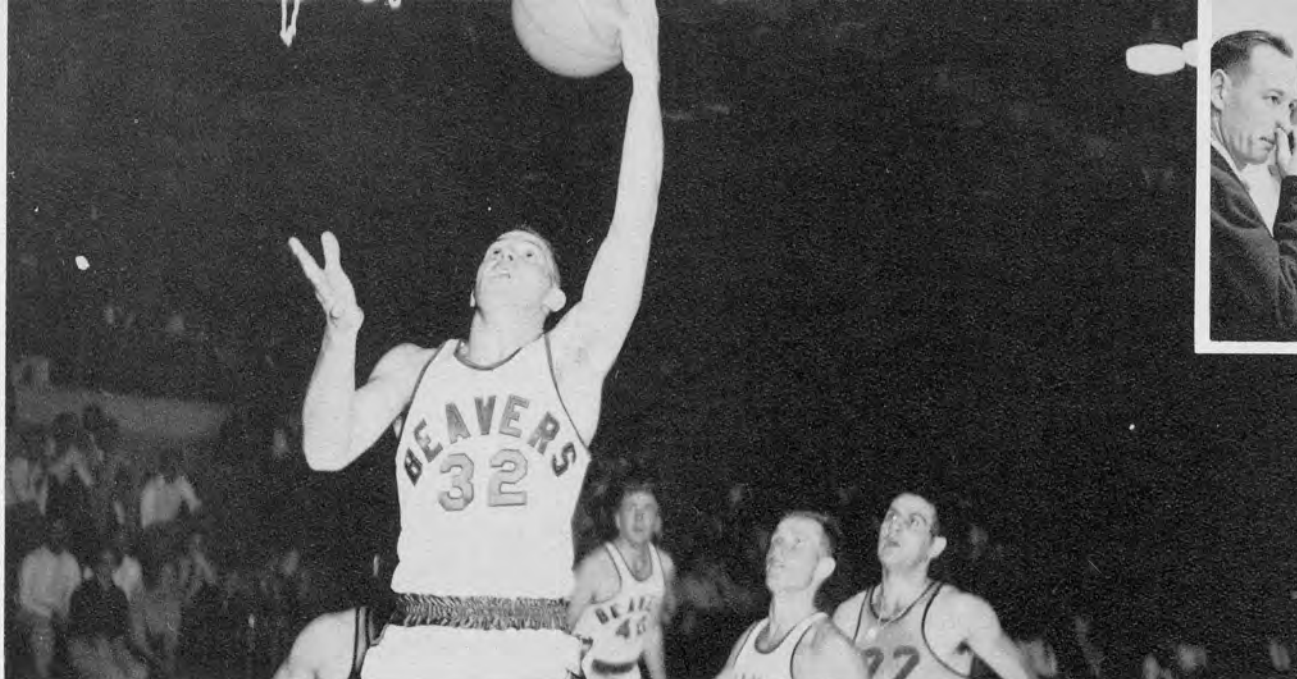

Back in conference action Minot tipped Ellendale 92 - 66 after trailing 14 - 13 after 8 minutes had elapsed. The Beavers scored the next 22 points and it was all Minot. Minot pumped in 30 of 64 from the field for .469 and 32 - 42 charity tosses for .762. Twelve Beavers were in the scoring column paced by Milkey and Walker's 16.

JOHN FISHER drilled in field goals at .464 rate to lead the Beavers in that department. His deft maneuvering under the basket aided the team and he was the best Beaver in the "clutch." He totaled 254 points for an 11.5 average. He was in double figures 13 times.

GENE GRONINGER capped his four year career as a Beaver with 265 points for a 12 point average. He netted an even 200 in conference play and tallied over ten 16 times. He led the team three times.

The Dickinson Savages were the next invaders to fall before the Minot quint 79 - 62. Minot's 25 point margin was whittled to six with 2½ minutes left but Milky took charge with nine straight markers and put the game on ice. Walker and Brown were especially effective on the boards. Milky's total was 25. Fisher tossed in 15, Brown, 14, and Groninger, 10.

Six Beavers scored in double figures in an exceptionally fine team effort over Bismarck 96 - 67. Minot's control of rebounds and fast break were big factors in a rough contest from the field the Beavers steamrolled in 40 of 73 chances for a percentage of .548. Milky's 20 was tops while Groninger, Brown, Ron Nelson, Walker and Fisher pitched in 15, 13, 11, 10 and 10.

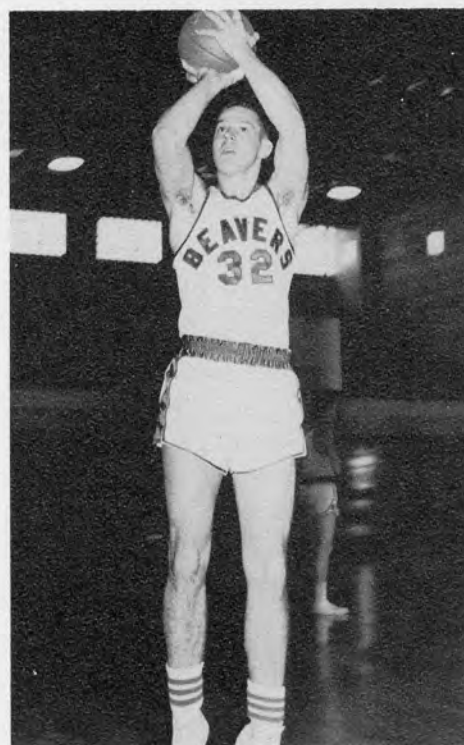

In an all important road contest the Beavers dropped Valley City 93 - 79 on the strength of good balance and depth. John Fisher took charge of the squad and his jump shots, tip ins, and drive in shots totaled 28 points. Minot took permanent possession of the lead at 60 - 58 and shot .551 from the field. The Beaver pattern worked well and after Fisher was Brown's 17, Milky's 17, Walker's 16, and Nelson's 11.

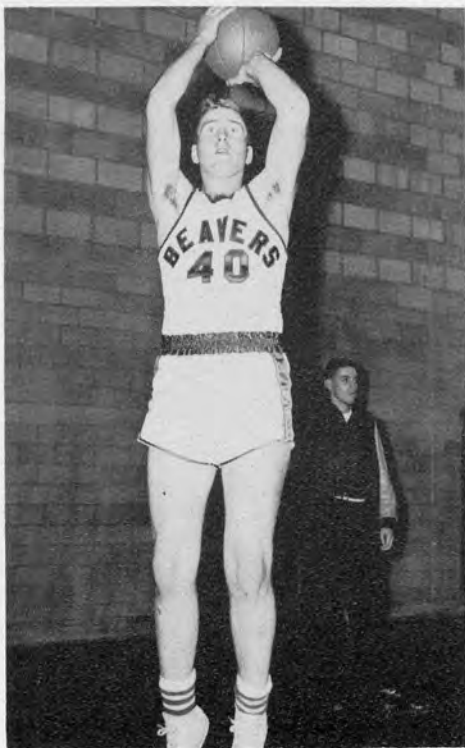

The next night the Minot cagers invaded Mayville where they tipped the Comets 76 - 62 as they scored the last 14 points in the game to break a 62 - 62 tie. Walker's rebounding and a .484 shooting percentage were deciding factors. Milky totaled 30 markers, Fisher, 14, Brown, 13, and Walker, 10, to bolster the Minot attack.

JIM WALKER, considered as the greatest rebounder in the annals of the conference, proved himself a capable scorer as he tipped in 200 points for a 9.1 average, including 130 in conference play. He tallied in double figures 9 times.

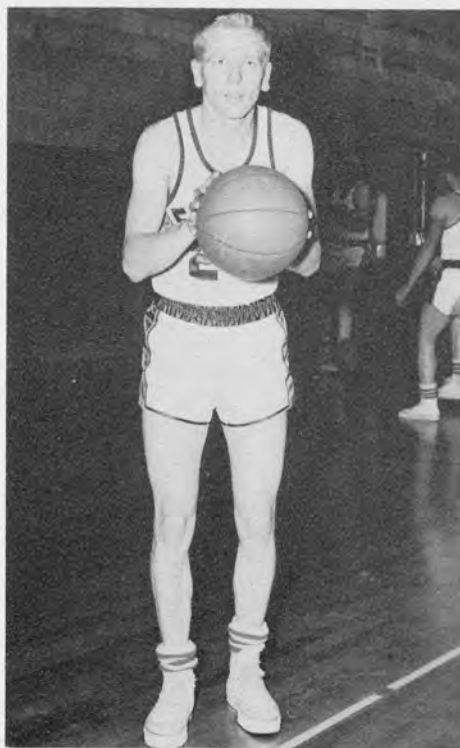

RON NELSON tipped in 109 points in 18 games for a 6.1 average. Playing all three positions equally well, his conference total was 98 and was in double figures 4 times.

CARL LONG, another junior, netted 91 points for a 5 point average in 18 games and totaled 67 points in conference play. Carl is a strong rebounder and the only southpaw on the squad.

CLARENCE CHRISTENSEN, the third three year man averaged 3 points in his games with 44 points. A good floor man and a deadly shot, he hit 42 of the points in the conference games.

After another slow start the Beavers salvaged an 87 - 64 win over the Jimmies from Jamestown. Minot led most of the distance but Jamestown was still in contention until the Minoters moved out with 7:30 remaining. Brown and Groninger's feeding looked good as well as Walker and Brown's rebounding. Milkey and Fisher topped the scoring with 24 and 18; Walker chipped in 11, Brown and Groninger, 10 each.

The Wahpeton Wildcats were the next victim, 96 - 68, in a raggedly played contest which saw 59 fouls committed. The last ten minutes of the game Minot played real well as Gene Groninger poured in twenty points that period but the rest of the game saw little good basketball. Brown chalked up 18 and Carl Long 11 to aid the Minot cause considerably.

A nine game winning streak and a string of 15 at home came to an end when Mayville invaded and nipped the Beavers 69 - 68 on the strength of a bril-

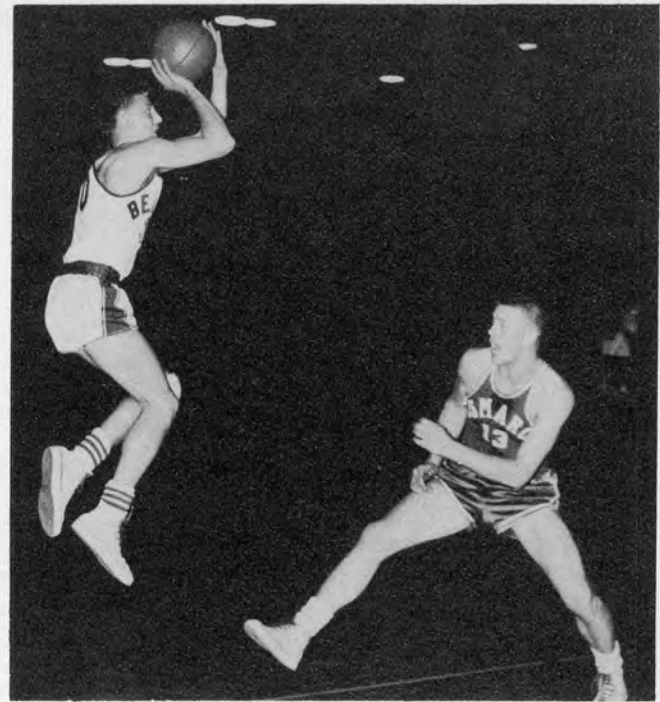

liant comeback. Minot set the pace and were ahead 49 - 34 at the break. Mayville tallied 20 of the next 24 to gain their first advantage 54 - 53 with 10:15 remaining. There were nine lead switches after that with Harvey Keene's two free throws with 28 seconds left ending the scoring and the win skein. Brown, Groninger and Fisher pumped in 16 apiece and Milkey 14.

All Minot's championship hopes were snuffed out when Valley City avenged the two earlier Minot wins and downed the Minoters 69 - 67. Minot led by 3 to 5 points until Valley tied it at 53 all. At 10:05 Jerry Kringlie popped in a set shot that gave the Vikings their first lead 57 - 55. It was deadlocked five more times and Minot regained the lead once but Kringlie's lay up with a minute to go provided the victory margin. The Vikings' rebounding and Kringlie's sharpshooting were the big factors. Milkey totaled 23 points to pace the Minoters with Fisher netting 21 and Groninger 11.

WHITEY AUS, the sixth senior on the squad, was instrumental as a rebounder and scorer as he banged in 74 points for 18 games for an average of 41.

Minot took some of the sting out of defeat in the next trip to Wahpeton as they tamed the Cats 107-72 in a brilliant team effort. Minot shot a 55% clip and the second team flipped in 43 of the points.

All ten players scored six or more points. Milkey's 25 was high followed by Carl Long's 13, Brown's 12, and Fisher's 11.

Another fine team performance gained the

Beavers an 87-62 victory over the Bottineau Forresters in the last home game of the year. Minot out rebounded, outplayed, and out maneuvered the invaders and whistled in 36 of 88 fielders for a 40.9 percentage. Groninger's score of 16 was tops, Brown and Mil-

key's 13, and Fisher's 12 followed. The team's four year record at Swain Hall was 33 - 6.

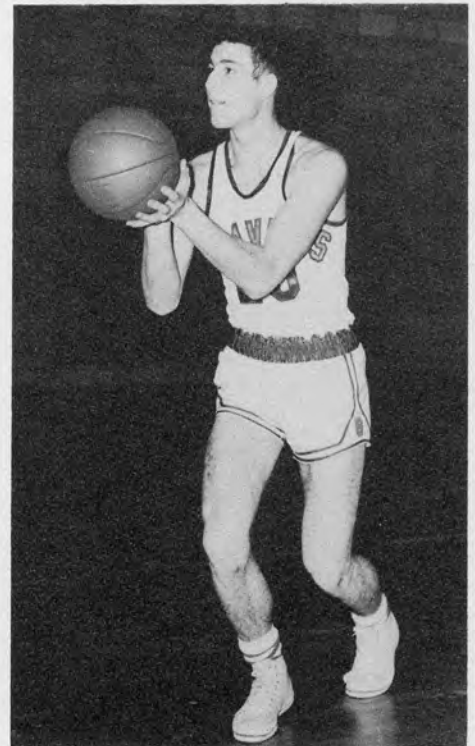

Minot shot close to 70% in the first half and coasted to a 106 - 75 win over Ellendale. The Minot fast break was most instrumental and the strength of the reserves was once more impressive. Milkey piloted in 31 points, including 8 of 9 field goals in first half. 16 for Fisher and 13 for Groninger followed. Star Ellendale forward, Bob Morehouse, set a new conference scoring record in the game as he dropped in 29 markers to eclipse Luther Aamold's old mark of 404 by eight.

The Parker crew closed out the season with an easy 101 - 80 victory over Jamestown. Minot's fast breaking, feeding and rebounding were especially sharp in the season finale.

Sophomore DON SMITH flipped in 32 markers in 15 games for a 2.1 average, 30 of them coming in conference tilts.

RAY STEIN, the only freshman, played in half of the games and added 20 points to the cause for a 1.8 average.

Row One: Robert Skabo, Norm Jellum, Maurice Railing, Dwight Redfern, Bob Bodine, Ray Stein. Row Two: Eldon Logon, LeRoy Lemke, Ray Peterson, Bruce Baker, Darrell Anderson.

Junior Varsity Boasts Season Record 13-3

The Junior Varsity, composed of freshman until late in the season, had a very successful season, winning 13 and losing 3 games. They won over the best City League teams as well as Devils Lake Junior College, Dickinson and Jamestown Junior Varsity.

The Jay Vees averaged about 65 points a game, hitting their peak performance in their next-to-last game of the season when they defeated Devils Lake Junior College 104 - 60. They hit their low sports in the Dickinson and Jamestown games.

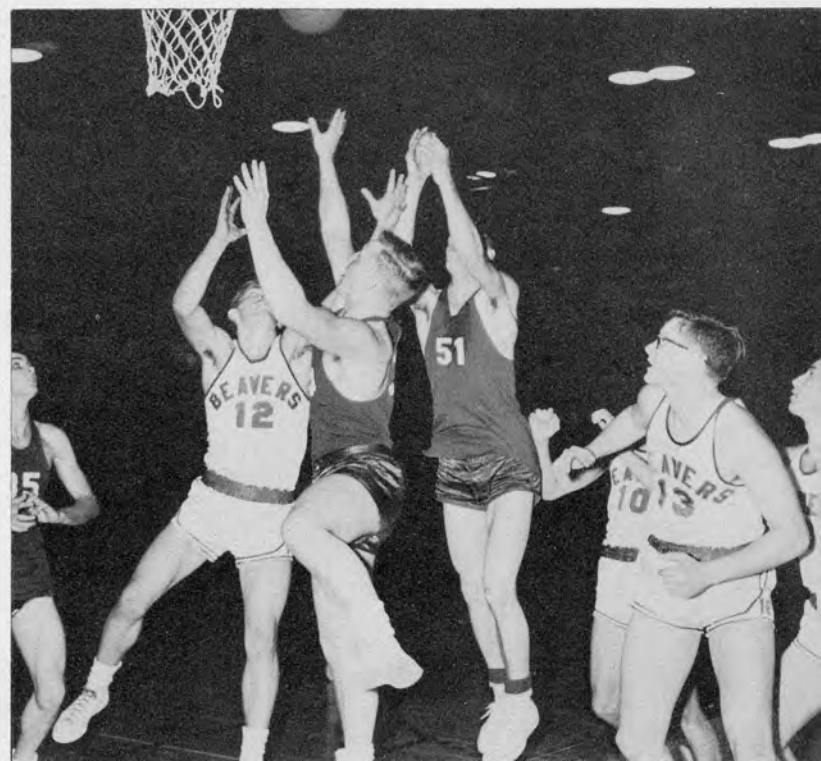

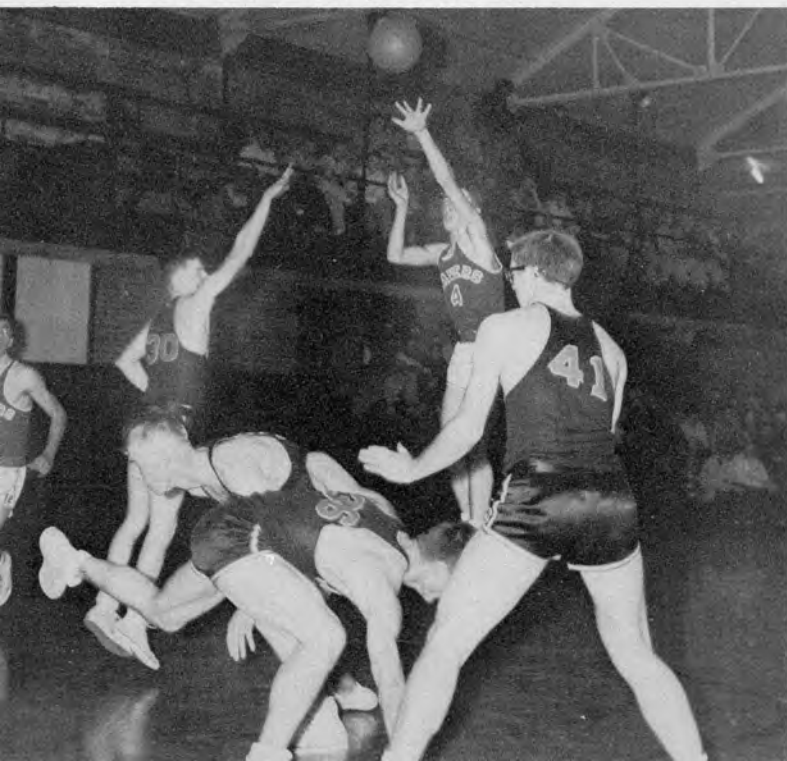

After many changes in personnel, the squad that finished the season consisted of Ray Stein of Bismarck St. Mary's, Maurice Railing of Lansford, Bob Bodine of Velva, Larry Baumann of Westhope, Bruce Baker of Minot Model, Norm Jellum of Williston, Dwight Redfern of Minot High School, David Anderson of New Rockford and Darrel Henry of Westhope.

The Jay Vees showed good scoring balance in most of their games. The fellows who topped the score list were Stein, Railing and Baker with plenty of support from Bodine, Anderson and Bauman.

These future Beavers are coached by Vencile Elgie. This is Elgie's first year on the College coaching staff after coaching at Stanley and Minot Model High Schools. Hats off to Vence for a job well done.

Track

Frank Berry 440, 220, and broad jump

The track section in the 1956-57 Beaver will be more or less dedicated to one of the finest track and field men ever to participate in the sport in the school's history. The spring season of 1956 brought to an end the illustrious and eventful career as a thinclad of Frank Berry and, although other conference schools will rejoice, Minot will miss his presence no end. In four years Frank grabbed more track medals than any other trackster that ever competed for the school. He will long be remembered as one of the greatest middle distance runners in North Dakota Intercollegiate Conference annals and a fine sprinter and broad jumper. Frank also anchored four outstanding mile relay teams and is almost solely responsible for track being one of the major sports that Minot enters in conference competition.

Besides Berry, the Minot track team was strengthened by other letterwinners, Lynn Hummel in the mile, Sheldon Brandt in the half mile, John Black in the two mile, Clarence Jore in the javelin, Dick Westlake in the weights, Melford Aus in the 440 and mile relay, and Dale Brown and Leo Haberlack in the mile relay. Other aspirants included Jerry Phillippe in the broad jump, Maurice Johnson in the hurdles, Wayne Phelps in the weights, Ken Chomo in the shotput and Gene Launt, pole vault and broad jump.

The Beaver thinclads participated in the N.D.I.C. meet at Valley City and came out second to Jamestown College. Individual first place winners were Berry in the 440 and broad jump and Jore in the javelin. Others scoring for Minot were Hummel, third in the mile, Brandt; third in the 880, Black, second in the two mile, Westlake, second in the shot, Aus, fourth in the 440, and Berry, second in the 220. The mile relay team placed second to Jamestown which set the conference record.

Minot placed fourth in the State meet held at Dickinson behind UND, NDAC, and Jamestown. Earning points for the Beavers were Berry, with a second in the 440, third in the broad jump and fourth in the 220, Jore, with a second in the javelin, Brandt, with fourth in the 880, Hummel, with second in the mile, and Aus, with fourth in the 440. The relay team placed third behind UND and Jamestown.

Tennis Gains Prominence in '56 Season

Jim Allen and Wayne Emery for the second season in a row bolstered the Minot tennis team to a very satisfactory season. Tennis goes hand in hand with the track meets as the meetsters travel on the same trips and meet the same schools. They fared as well, too, in most meets it seemed.

In the state meet they finished second to Dickinson. Both Allen and Emery showed much improvement on their 1955 form and both will be back for the 1957 campaign. Ted Keck, track coach, sighted a much better tennis future for MSTC as interest in the sport seems to be growing.

Lettermen's Club

The main purpose of the Lettermen's Club is to reward the men earning honors in sports at MSTC. These rewards consist of a letter for one year, a sweater for two years, a jacket for three years and a blanket for four years. The money for these things is made from receipts from basketball and football games and from sponsoring Kampus Kapers.

Another project of the Lettermen's Club is to furnish workers for sporting events.

Row Three: Harley Schepp, Jim Allen, Wayne Phelps, LeRoy Mayer, Herb Parker, Maurice Johnson. Row Four: Lynn Hummel, Clarence Christenson, Dick Lemke, Melford Aus, Bob Bodine, Mark Bodine.

MSTC Cheerleaders

To MSTC students, school spirit is something embodied in the four girls, resplendent in gay uniforms, who are officially called "Cheerleaders." Many hours of work are already behind them as they run out with the team for that first, important game. MSTC's athletes and sports lovers wish to thank the girls who urged the crowd to support the teams and who sparked them to victory many times.

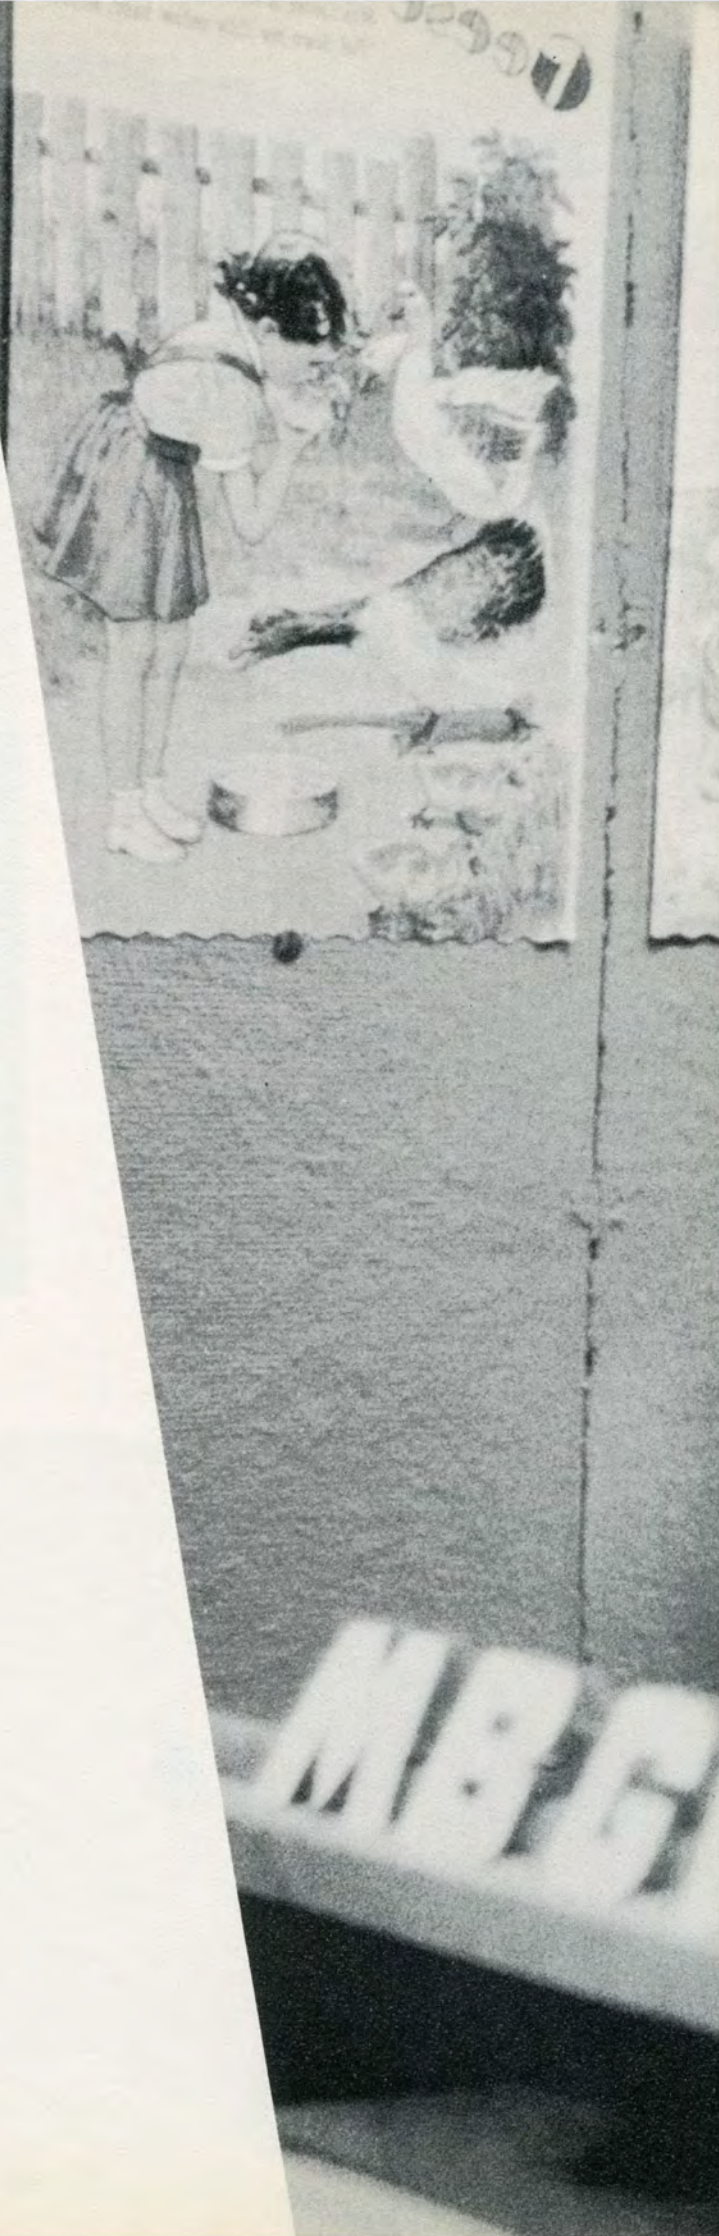

From bottom to top, Diane Nelson, Carol Sue Smith, Shirley Phipps, and Mary Ann Bauer.

Band

The College Band, organized in 1946, acquaints its members with about 200 selections ranging from jazz to symphony for reading and performing. Three rehearsals weekly prepare the group for the average of 45 public appearances it makes each year.

A spring tour of North Dakota was the climax of the entire year's work. The wonderful trip to the west coast brought the band the honor of being "one of the finest bands ever to take part in the Rose Festival."

School of Music Broadcast

The Music Broadcast for Rural and Grade Schools sponsored by the Music Division and given over Station KLPM is in its sixth year. It is a 25 minute weekly broadcast, meeting Wednesdays at 2:05, beginning in November and continuing till the middle of May.

Under the supervision and direction of Elizabeth Schmidt, this program is used as a teaching aid and guide by some 400 schools in 14 counties of Northwest North Dakota. Music major students assist in the program.

Instrumental demonstration members: Pat Wrolstad, french horn, Tom Mastel, trombone, JoAnn Rowe, vocalist, Darwin Unruh, trumpet, George Anderson, bass tuba, John Marshall, vocalist, Gordon Troxel, baritone, and Elizabeth Schmidt, director.

Under the direction of John Strohm, the Concert Choir spent many hours working on selections for various presentations. The choir comprised the chorus in the opera, "Fledermaus" by Johann Strauss, presented in February. The choir participated in the Messiah, presented a concert in the spring, sang for Baccalaureate, and also sang for

other engagements. A tour through the northeastern part of North Dakota was made in the spring.

Milton Schimke is student director; Rita Resch and Betty Ahmann are the accompanists.

A tremendous asset to M.S.T.C., the choir performs with high quality, pride and showmanship.

Men's Chorus

The Men's Chorus, absent from the campus during the past few years, became active once more. With John Strohm as director and JoAnn Rowe as accompanist, the group practices twice a week.

The chorus made several local appearances and a short tour in the spring. The Men's Chorus favors the lighter types of music.

M. E. N. C.

The third Tuesday of every month finds the Music Educators National Conference meeting in the Fireplace Room. This organization was brought to the M.S.T.C. Campus the fall of 1950. It is composed of students majoring or minoring in music and others interested in the field of music. This group meets with the music faculty who are professional members. They support the musical activities on campus and also sponsor the District Music Festival.

A delegation of approximately 10 members attended the Regional Convention in Omaha last March.

Campus Players was organized to promote student interest in dramatics at MSTC and to provide a creative outlet for those interested in acting or production. The group carried out these aims with two major productions, "Die Fledermaus," a comic operetta, and "Angel Street," a dramatic production.

The Spring quarter was spent helping the college give a "face-lifting" to the McFarland Auditorium stage and the dressing rooms.

The BEAVER is paid for by the advertisers listed in the back pages and a small part of each student's fees. Any student interested in this field of journalism is welcomed as an addition to the staff.

of a surprise to them as it is to everyone else. It seemed an impossibility that this book would ever be completed when one of the staff called forty-nine people in a picture trying to learn the name of the fiftieth.

We, the BEAVER staff, should not tell you, the people, who make this book necessary and possible, how hard we worked, or the hours we spent, or the difficulties we surmounted, so we shall say the BEAVER this year succeeded in its purposes: To put out a yearbook reflecting life at our college, to teach us responsibility and bring our abilities to light, and to teach the satisfaction of making some thing permanent.

Minot State Teachers College Alumni Association

Exactly thirty years ago last spring, the Minot State Teachers College Alumni Association graduated the first of eighteen hundred members which it now has scattered through every state in the union and over the globe.

The Association had a very successful year, said Hazel McCulloch, director of the Alumni Association since it began.

The Association met in several of the larger cities of North Dakota at dinners and parties with the Alumni. This was to fulfill the purposes of the Association, to promote public relations, and to establish a permanent link between alumni and the college.

The Association also published several bulletins, sponsored events in front of the main building made of the Normal School sign, and provided cash scholarships to senior college students.

Student Education Association

Recently reactivated and with a membership of over a hundred, the Student Education Association, formerly called the Future Teachers of America, is an organization for men and women enrolled in the education curriculum.

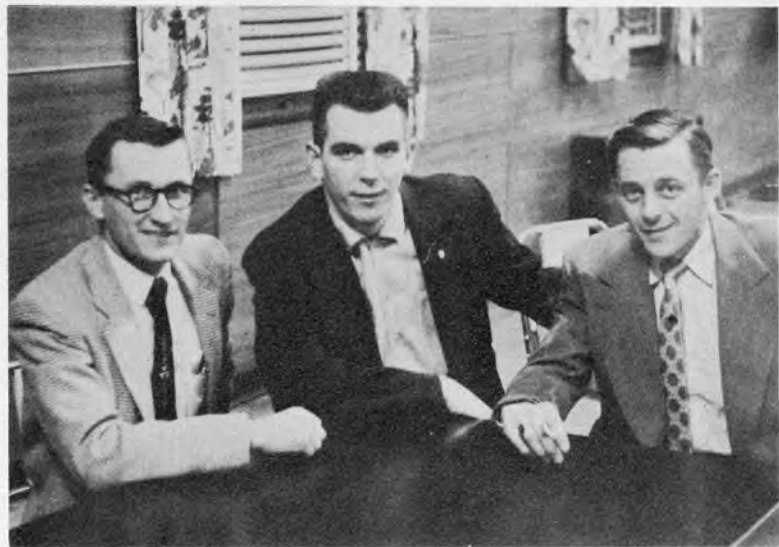

The purpose of this organization is to create professional interest in its members so they in turn can go out into the teaching profession carrying a desire to improve the profession to which they will devote their lives.

At the last Teachers Convention in Grand Forks a constitution was adopted binding together all the Student Education Associations in the state and linking this organization to the NDEA and the NEA. This was done by a standard membership fee of three dollars of which one dollar is local, one national and one state, giving the support of the national and state to the local group.

The activities are for the benefit of its members, such as combined meetings with local teacher groups, guest speakers who are authorities in their fields, and sponsoring intellectual and social activities at college.

The SEA realizes the dire need for teachers in North Dakota and at present is planning to establish Future Teacher groups in our high schools. This project will require the support of every teacher and prospective teacher to encourage more and better qualified people to become classroom teachers.

The SEA urges everyone in education to take part in this group. Don't wait until you are a Junior or Senior; become active now. Teaching has improved greatly and further improvement rests upon your shoulders.

Kappa Delta Pi

Kappa Delta Pi is a national honor society in education. It invites to membership such persons as exhibit commendable personable qualities, worthy educational ideals and sound scholarship.

The objective of Kappa Delta Pi, as stated in the by-laws of its constitution, is "... to encourage high professional, intellectual and personal standards and

to recognize outstanding contributions to education."

The Zeta Xi chapter of Kappa Delta Pi was installed on this campus November 20, 1948, by Dr. William McKinley Robinson. Each year the chapter has included many worthwhile projects.

Phi Sigma Pi

Phi Sigma Pi is a national professional education fraternity for men. It is founded upon the basis of high scholarship and with the objective of advancing educational ideals. This fraternity strives to give its members a higher and more purposeful understanding in the field of education.

It accomplishes this by having well-known speakers give enlightening talks on educational problems during the regular meetings. "Brothers are we in Phi Sigma Pi; knowledge the teacher, still the means of life . . ."

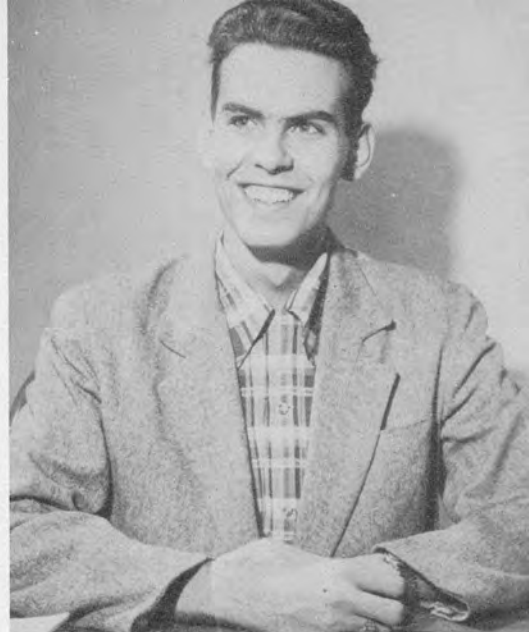

It's a man's world . . .
And we're running it.

Red and

To students on the *Red and Green* staff, home is the little office in the Union basement. On Friday and Saturday nights before the appearance of the *Red and Green*, we listen to the soft music from the ballroom while we type, proof-read miles of copy, write headlines and drink gallons of coffee.

Between issues we read criticisms, read papers from colleges we exchange with, study, and above all, plan for the next issue. Many new ideas for the *Red and Green* came back with Steve Mengel, editor, and Miss Foley, adviser, on their return from the Associated Collegiate Press convention in Cleveland.

Green Staff

The purposes of the paper are to provide practical experience for the staff, tell students and alumni the news of the college, comment on that news, provide entertainment and run a business on a sound financial basis.

The staff is interested in acquiring new staff members who like journalism and encouraging them to work actively in newspaper work.

Though we spend long, hard hours on the paper it is reward enough to walk into the Union on the publication day and see every pair of eyes searching a copy of the *Red and Green* for their name or that of a friend or roommate.

STUDENT SENATE: John Black, Darrell Anderson, Lynn Hummel, Mickey Lewis, Ginny Hanson, Tom Myhra, Loretta Kasper, Doris Sylvester, Janice Day, Margo Ahmann, Duane Leitzke, Ron McClelland.

Student Senate

The scholarly atmosphere will aid the Senate in its weighty discussions. Unquote.

The Student Senate — elected each spring by the students following a red-hot political campaign with charges and counter-charges — serves as the legislative body of the Student Association to which each MSTC student belongs. The Senate meets the first and third Monday evening of each month in Dr. Rempel's conference room and hopes that the scholarly atmosphere will aid the Senate in its weighty discussions.

Formed in 1938, the Student Association—and subsequently the Student Senate—is charged with fostering student and faculty cooperation; aiding in the internal administration of the college by promoting student participation in student activities and governing of affairs pertaining to the general welfare of the college.

Association

Much of its work is accomplished through standing and temporary committees.

With its head in the clouds and its feet on the terra firma, the Senate this year has sought to live up to its original expectations by tangling with problems as varied and knotty as student attendance at convocations and completion of the mural in the recreation room of the College Union.

Other important matters during the past year that have come under the scrutiny of the Senate are: longer open hours for the Union, more frequent publication of the *Red and Green*, Conference on Higher Education to be held at MSTC next fall and co-sponsorship of Jimmy Palmer for the Homecoming "Victory Ball."

The Physical Education Club is composed of all majors and minors in the field of physical education. Its purposes are to promote interests in health, physical education and recreation, and cooperation among all health and physical education teachers, students and alumni.

The P. E. Club has a clubroom located in Swain Hall. This room is open at all times to all members to be used for studying, watching television and general conversation.

As for activities, both on and off campus, the P. E. Club is very active. It has sponsored parties at school. The club plans to donate YMCA membership cards to four needy youngsters in Minot, a boy and girl of high-school age, and a boy and girl of grade-school age. The P. E. Beta Gamma Phi Science Club

The Beta Gamma Phi Science Club was organized this year by faculty and students with interests in this field who felt a need for such a group. At the regular monthly meetings guest speakers lecture on scientific topics, films are shown and experiments are made.

The purpose of the Science Club as outlined in the constitution is "to give the individual an opportunity to develop and broaden his scientific interest."

Anyone interested in belonging to this group is welcome.

Inter-Varsity Christian Fellowship

Newest religious group on campus, the Inter-Varsity Christian Fellowship, began as a simple prayer fellowship in the spring of 1955. Interested students continued to meet for prayer every noon during the summer and fall of that year.

A tentative plan of organization was drawn up in December of 1955 with the help of Eleanor Donaldson, IVCF representative from Minneapolis, and

Nureda Carter, an MSTC student completing study for missionary service. Miss Donaldson also aided the group in getting support of interested faculty members, and in constructing a constitution.

The fundamental aim of Inter-Varsity has been to bring students from varied evangelical backgrounds together for spiritual growth through prayer, Bible study and social contact.

Gamma Delta

Gamma Delta, an international association of Lutheran college and university students, meets every other week. It is sponsored by the Student Service Commission of the Lutheran Church, Missouri Synod, and is governed by Lutheran Students of the Synodical Conference. Gamma Iota, the chapter on MSTC's campus, was organized seven

years ago.

The activities of the chapter are spiritual, cultural, social, and athletic in nature. The objectives are to foster thorough study of the Bible, to train Lutheran students for Christian service to God and their fellowmen, and to maintain and increase Lutheran consciousness on the campus.

Lutheran Students

The Lutheran Students Association of America began its year with a series of discussions called "Know Your Lutheran Church." Guest speakers from different branches of the Lutheran church lectured and led discussions at the meetings.

Also on the agenda for fall was the conference

at Sioux Falls, South Dakota. The theme was "Those Who Are Called." Activities continued with weekly meetings featuring supper meetings, Bible studies and mixers.

Alpha Kappa Delta

The Alpha Kappa Delta, a social fraternity on MSTC's campus, endeavors to create brotherhood, to promote leadership, and to add socially and intellectually to its members. The AKDs constantly strive to sponsor activities that add to the betterment and enjoyment of all college students. Among the many social functions that the AKD's hold every year are the Fall Frolic, Winter Party, Sorority Appreciation Party and Spring Formal.

The fraternity had a very successful year beginning last spring with first place honors shared with the Beta Theta sorority in Kampus Kapers. When spring elections were over, the Student Association President and Homecoming Chairman positions were held by AKD's Tom Myhra and Jack Block. Other members hold class offices as well as offices and membership in Kappa Delta Pi, Phi Sigma Pi, S.E.A., M.E.N.C., Science Club, P.E. Club, Campus Players, and church organizations.

An outstanding AKD is Tom Myhra who has been elected state President and national Vice-President of S.E.A. Alpha Kap Steve Mengel is Editor of the *Red and Green*, the college newspaper.

With all these honors, the AKD's feel they have had a very successful year and look forward to a bigger, better and more successful one to come.

Muryl Danks
President

The purpose of Mu Sigma Tau fraternity is to promote a better feeling of brotherhood among all men. Any man on campus who has a "C" average, is a good leader and who will promote the fraternity is eligible for membership.

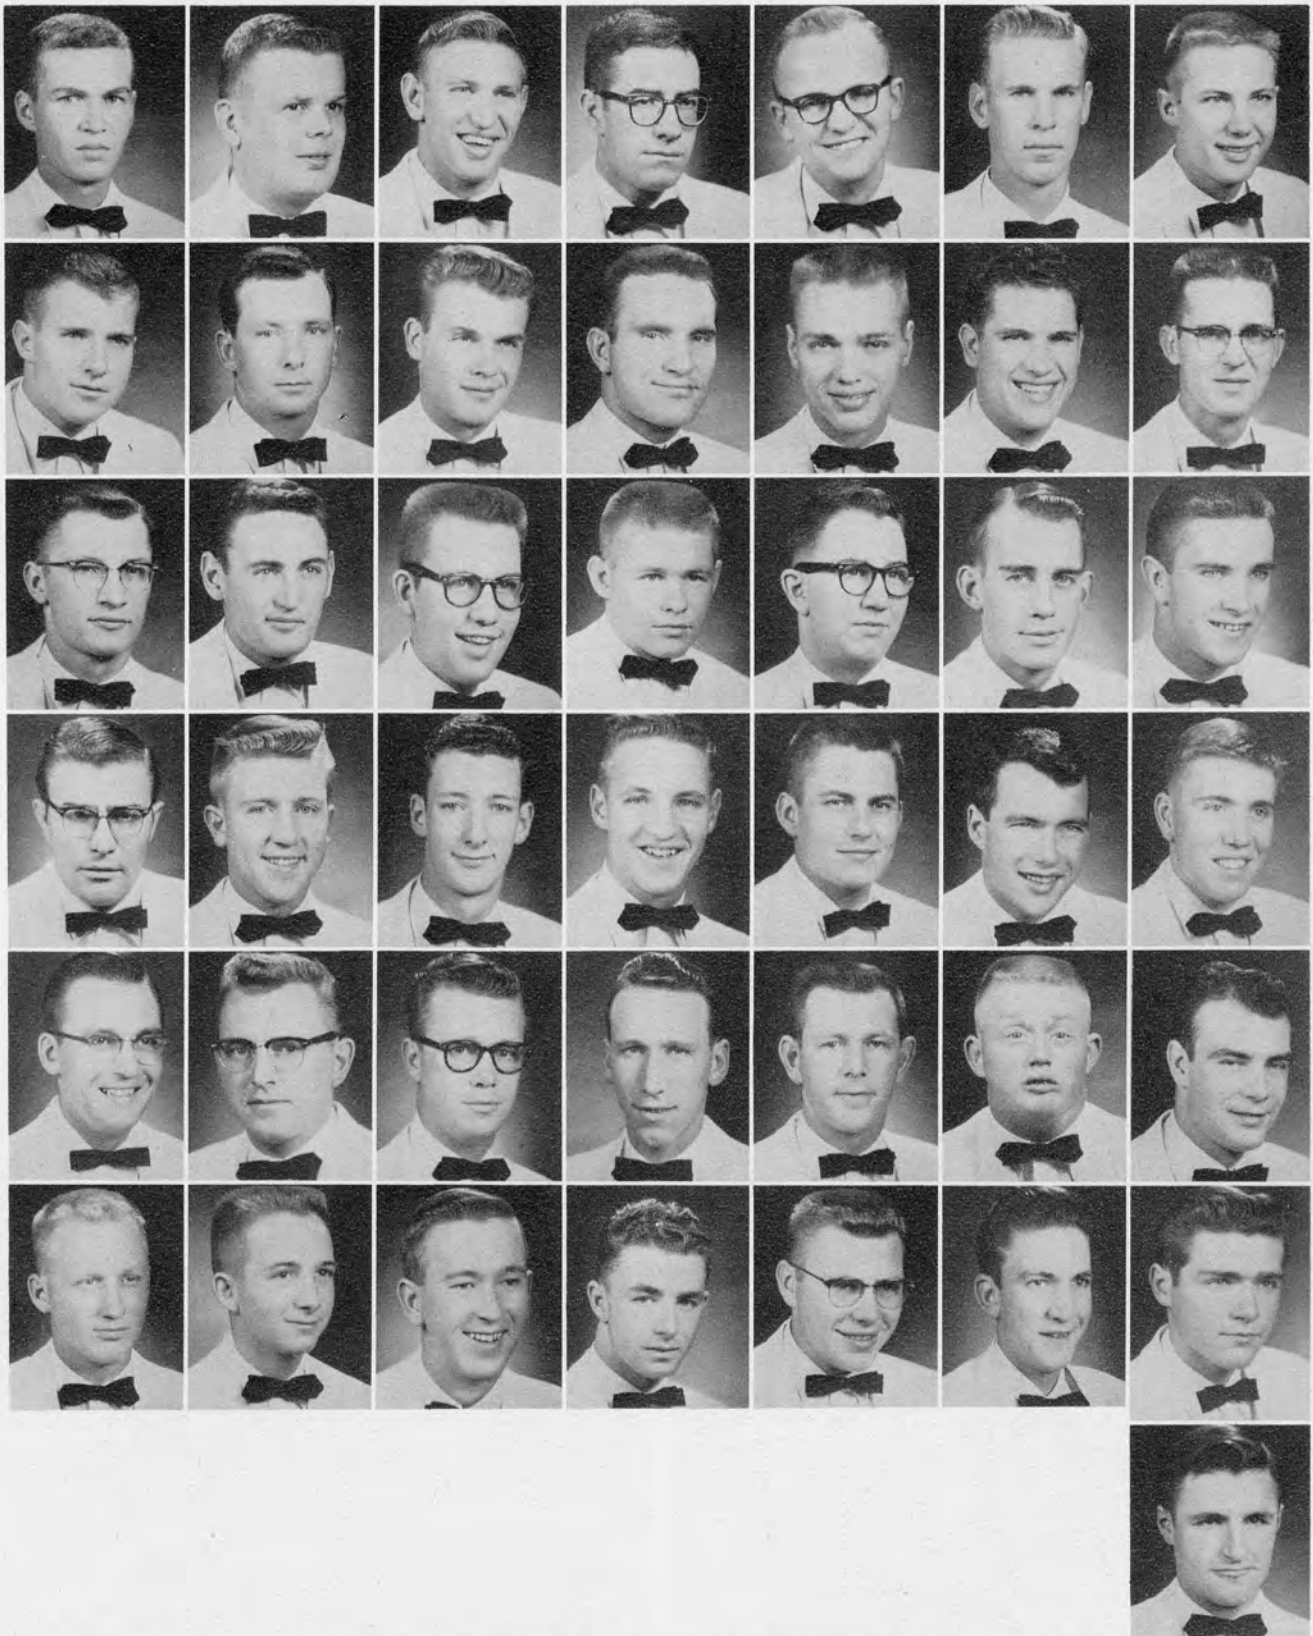

During the congenial meetings each Tuesday night, the Mu Sigs planned their many activities for the past busy and successful year. Besides the fall smoker for men, the Mu Sig Sweetheart Dance, a public dance at the auditorium between quarters, and the annual Mu Sig Alumni Breakfast, the fraternity has hosted at many informal dances during the year. The annual spring formal was another big event in the Mu Sig schedule. Other main projects for the past year were the informative Mu Sig Student Directory, containing the names, home addresses and phone numbers of all students and faculty, and decoration of the fraternity house which was planned by the members.

The Mu Sigma Tau fraternity wishes at this time to thank patronesses, patrons, and advisers for their help, encouragement and guidance through the past successful year.

Beta Theta

Another successful and active year for the Beta Theta sorority began with a "Harvest Moon" fall rush party, which brought ten new girls into the organization. Homecoming lived up to its reputation of being one of the most exciting times of the year. Following the general parade theme "Autumn Leaves" the sorority built a huge green worm with human legs which followed a large red apple down the street. Our theme was "Autumn Leaves Me Hungry." The group was very proud of its queen candidate Janice Day who was presented a corsage at the alumni homecoming breakfast.

November 2 found the Betas hostessing the all-school Halloween party and they held something new on December 9 when all sorority girls on campus were invited to a half-and-half party. Santa visited the annual Beta Theta Christmas party on December 16.

Using the theme "Colonial Enchantment," the formal rush tea January 10 led to the pledging of thirty-one girls.

The Student Union was converted to a carnival when the Beta Theta Playday was held, complete with floorshow and crowning of a Snow King. Kampus Kapers, the Mother-Daughter Banquet, and a picnic honoring graduates were main events of the spring quarter.

The Betas take this opportunity to publicly thank faithful adviser, Miss Helen White, for her several years of faithful guidance, and new adviser, Mrs. Carol Belinskey, who has, without a doubt, proved her capabilities.

Marg Sausker
President

Acting as hostesses at a Coke Party for the Freshman girls the first week of school, the Delta Epsilon Phi sorority was off on a big year. Homecoming activities called for many hours of hard work which proved to be very rewarding—Delta Phi queen candidate Patty Wald was crowned Homecoming Queen and their float, "Rake the Vikings," won third place. Fall rushing brought them six pledges. At the annual Sadie Hawkins Party, Marvin Sloboden won the honor of being Little Abner because he had the longest feet.

The Christmas Party at Stusrud's, the Winter Sweetheart Rush Tea which brought 13 pledges, the Arabian Party which crowned the Delta Phi Sheik, a weekend at Lake Kenosee, the Delta Phi formal and other activities kept the girls happily busy the whole year.

So, at the end of a very successful year, the Delta Phi sorority wishes to extend a sincere "Thank You" to advisers, Miss Reishus and Mrs. Zimmerman, and to the president, Margie Sausker.

Sigma Sigma Sigma

Sigma Sigma Sigma, the only national social sorority on campus, has completed a very active and successful year including sponsoring of the first school party of the year, Homecoming activities, the "Autumn Nocturne" all-school formal, a Christmas Bazaar, a car wash, the Dream Man Party, rush teas and Cotton Ball.

In addition to these and other local activities and participation in many organizations, the sorority also takes part in many social service projects organized by the national organization such as the Robbie Page fund for polio patients, The Tri Sigma Bookshelves to contribute books to the John Randolph Library, the Ruth Hathaway Memorial which established a mission for underprivileged children, the Clara Barton Higgon Project which is an anti-tuberculosis fund and the Good Neighbor Project which contributes to South American schools.

The aims of Tri Sigma are to establish among its members a perpetual bond of friendship, to develop strong character and to impress upon them high standards of conduct. It promotes high scholarship, good spiritual ideals and the development of social poise and charm.

Queen Pat Reigns Over

On Friday evening, October 19, the 1955 Homecoming Queen Evelyn Klaudt, crowned Pat Wald, Homecoming Queen for 1956. In a setting of "Autumn Leaves" Queen Pat officially began her reign over the Homecoming Festivities by knighting Sir Jack Block as Homecoming Chairman. Mistress of Ceremonies Joan Riebe, introduced JoAnn Rowe, soloist, who entertained Her Highness with "The Way You Look Tonight"; Jo Ann was joined by John Marshall and they sang "With a Song in My Heart"; John Gregor then played a trumpet solo "You Go To My Head."

Homecoming Festivities

Our annual Homecoming Parade held on Saturday, October 20, began at 1:00 p.m. winding through downtown Minot and then returning to Allen Field. The floats were decorated around the sub-theme "Autumn Leaves." Alpha Kappa Delta Fraternity claimed the trophy this year with the winning float "Early Fall." "Beavers Dam Vikings," theme for the Mu Sigma Tau Fraternity, placed second and the Delta Epsilon Phi Sorority took third place with "Raking Up The Leaves."

Preparations for Homecoming Festivities began long before October 18, 19, and 20. Each organization wishing to enter a float in the Homecoming parade started racking their brains early to come up with a winning variation of the theme "Autumn Leaves."

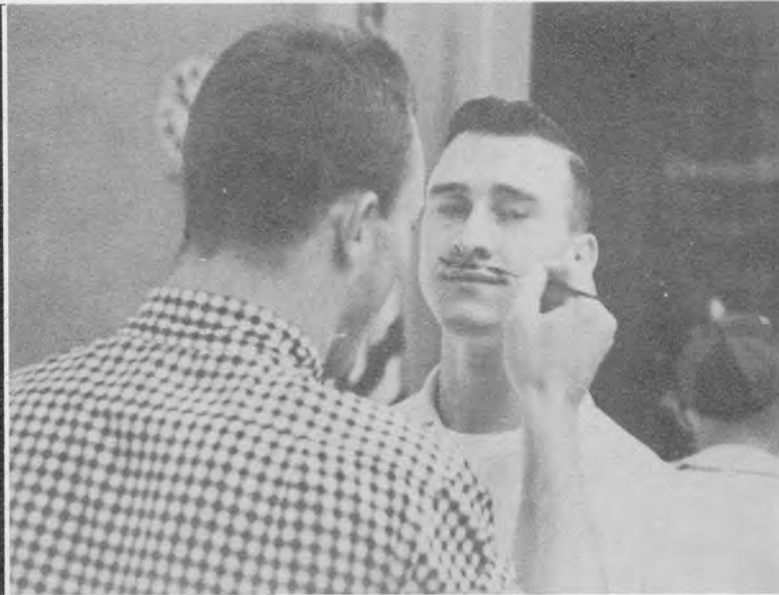

Jack Block's Homecoming Committee had been at work and freshmen were paying heavy penalties to "Hanging Judge" Duane Leitzke for breaking these laws: no lipstick for girls, no shaving for guys, and the wearing of beanies for both.

Actual events of Homecoming began with the annual Thursday evening bonfire and pep rally on

Friday featured preparations for the coronation in McFarland Auditorium and the informal dance at the Municipal Auditorium.

Saturday dawned the big day with the annual alumni breakfasts, the afternoon parade, led by Sally and Sammy Beaver, Tom Mahanna and Cheryl French, and the tied MSTC-Valley City football game. A perfect Homecoming ended with the Victory Ball at the city auditorium with music by Jimmy "Dancing Shoes" Palmer and his sixteen piece band.

World Affairs Discussed at International Peace Garden Conference

Thirty-eight students and faculty members from Minot State Teachers College met with the delegates from Brandon College to make up the fifth annual International Peace Garden Conference. The primary purpose of this conference is to create a better understanding of International Affairs so that in future years the knowledge gained will contribute to a friendly and co-operative spirit between Canada and the United States. Throughout the day, the delegates heard talks on problems of the Far East, toured the Peace Gardens, and attended a banquet that evening. Mr. M. M. Abba, second secretary in the office of the High Commissioner for Pakistan in Ottawa, presented the principal speech about Pakistan. Professor Smith, Brandon, and Mr. Manning of Minot, were in charge of the preparations. Student directors in charge were Jack Fotheringham of Brandon and Tom Myhra of Minot.

The Messiah Chorus and Orchestra

The twenty-third presentation of George Fredrick Handel's Messiah was made this year by a chorus of 284 members accompanied by a string ensemble under the direction of Arturo Petrucci. The soloists for the performance were Mrs. Harold B. Kildahl, contralto; Mrs. Ralph C. Wallin, soprano; Ernest C. Livingston, bass; and Cecil S. Murphy, tenor. This was the sixth year John Strohm, vocal director at Minot State Teachers College, directed The Messiah.

Mr. Nels Lillehaugen presided as the ever-joking master of ceremonies while the very able auctioneer, Lester McDonald, got top prices for cribs, test answers, free meals and other prize items donated by faculty members and organizations. High-

light of the evening was the bidding on a much-sought date with the lovely Miss Frontier, Bernell Lima, which finally went to Clarence Sauer for thirty dollars.

Jim Riebe, with his full thatch of chin whiskers stole the prize for the best men's costume while Barbara Hamre threw her red cowboy hat in the ring to cop the girl's prize.

Sigma Sigma Sigma Autumn Nocturne Formal

A stone-walled autumn garden, complete with park benches and a great, golden moon and a spotlighted silver leaf, was the breathtaking background for the annual Sigma Sigma Sigma sorority all-school formal. Eighty-six couples danced to the tan-

talizing music of the Collegiates at the early November event.

The Tri Sigma quartet and a large group of students from Virginia Maupin's Dance Studio provided floorshow entertainment.

Miss Beaver Contest of 1957

The five finalists were chosen by semi-final judges, Mrs. Verne Nyre, Mrs. John Ayash, Mr. Bob Olson, Mr. Rod Romine, and Mr. Peteris Miezeitis, in the annual Miss 1957 contest sponsored by the BEAVER. The finalists were selected from 12 girls sponsored by the Greek letter organizations, Pioneer Hall and Dakota Hall.

The semi-final judges scored each girl on the basis of a private interview, talent, poise, personality and beauty, with more emphasis placed on talent.

Janice Day acted as mistress of ceremonies and Patricia McLane, editor-in-chief of the BEAVER, was in charge of general arrangements for the contest.

The pictures of the 5 finalists were sent to popular bandleader Lawrence Welk, who made the final selection. At a special party in May, the winner was announced. She will be the M.S.T.C. entry in the Miss North Dakota pageant in Bismarck during the summer.

Contestants appearing in the contest are: Joan Riebe, Janice Larson, Bernell Lima, Jean Brooks, Mickey Lewis, Darla Gay Witty, Janet Wyman, Helen Jane Winje, Margie Hulberg, Marlys Tofte, Ardith Twaddle, Lorna Totdahl.

WESTLAND

Minot,

Home Owned

So it is with Westland. Our plan is to maintain a high position as independent marketers of petroleum products in the area we serve. We can best succeed by being strongly competitive. That is why one of our current plans includes an expansion program at our refinery. The picture to the left is a model of a Platformer which will become a part of our refinery before the year is out. Its purpose is to aid in the refining of better and higher octane gasoline for modern motor cars. Thus we keep abreast of latest advancements in petroleum's progress.

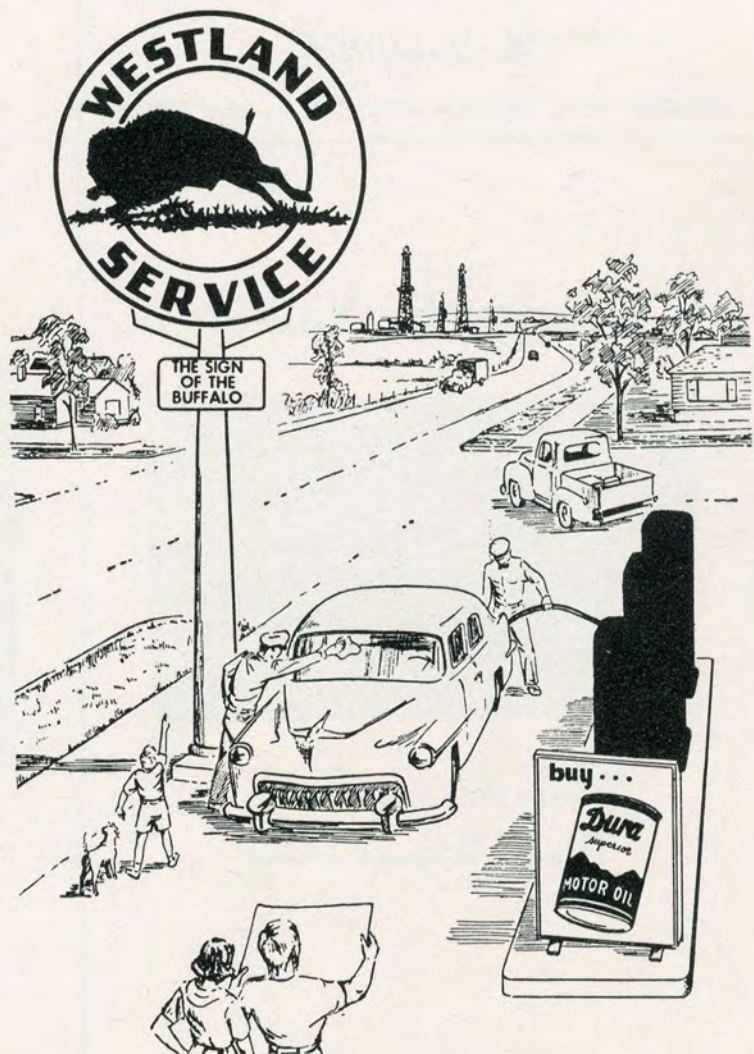

An interesting sidelight is that Westland's refinery was made possible thru a plan that resulted in the discovery of oil in the Williston Basin . . . exemplifying how industrial development benefits others. We are now better able to serve our thousands of customers . . . to keep the "sign of the buffalo" out in front.

Students and Advertisers:

To you this yearbook is priceless, but behind it is a price. The price of this publication is met by the generosity of the Advertisers interested in M.S.T.C. Only by them has this Beaver been made possible.

To our Advertisers—We of the Beaver staff and the students of M.S.T.C. would like to thank you for making this 1957 publication possible. May the coming year bring you success in your business.

A big thank you to the business office for their help.

To Pat McLane, the Editor, congratulations on a hard job well done.
