## FOREWORD

Man-made satellites tangling the earth in a skein of potentialities and problems keynoted progress during the year. Symbolizing this progress in expanding North Dakota are new buildings and teaching methods in our schools, freedom of ideas and cooperation among religious groups, growth of industrial centers, new fields of research and exploration. Around us are Garrison Dam, Great Northern Railway's Gavin Yard, oil rigs, the jet air base, new schools, homes, churches—all manifestations of growth and progress.

To benefit from these changes we must be aware of scientific discoveries, of industrial advances, and ready to meet, challenge and accept or discard new ideas. To prepare us for service in our fast-paced age, Minot State Teachers College is also growing—a new library, additional dormitories, increased faculty and enlarged curriculum.

Recognizing the increasing tempo of life, we must shoulder our responsibilities as citizens, as leaders in our communities and occupations. We are the adults of today, traveling with courage and hope into the Age of Space.

# DEDICATION

To Campus Players,  
to director Harold Aleshire,  
and those he follows,  
to actors who thrilled to applause,  
to those who worked behind the lights  
and with the props and grease paint,  
since 1925,  
we dedicate this 1958 BEAVER.

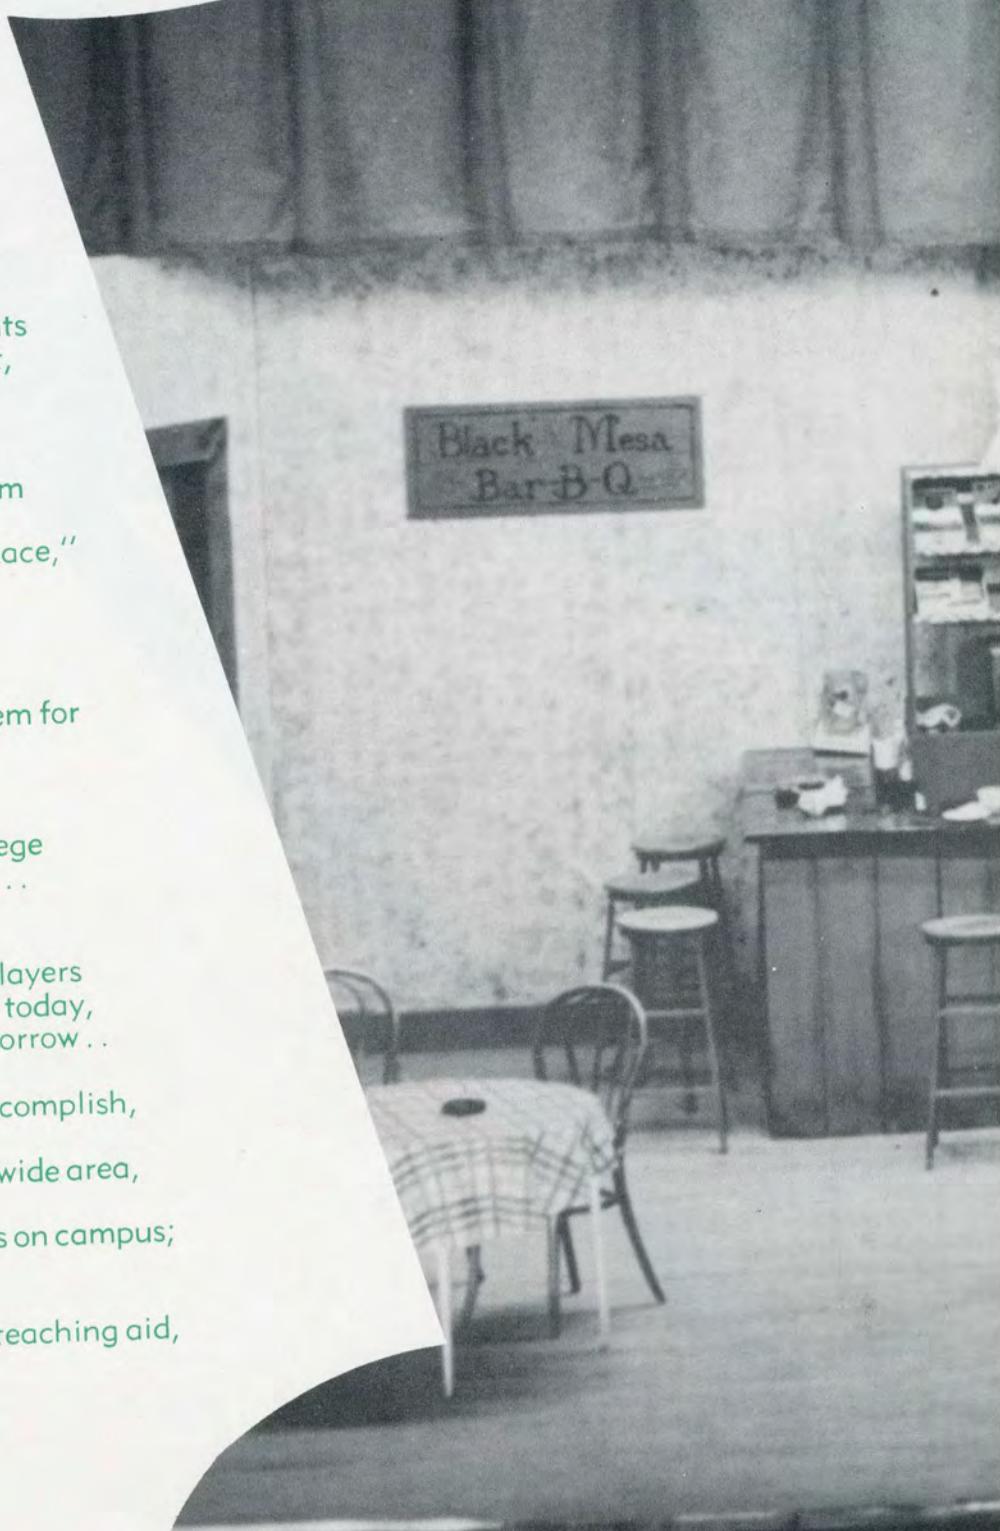

It could have been dedicated to them  
for "Taming of the Shrew,"  
"Fledermaus," "Arsenic and Old Lace,"  
"Petrified Forest,"  
"Hedda Gabler," "King Lear,"  
"The Fortune Teller"

It could have been dedicated to them for  
the sense of creativity,  
interest in drama,  
the growth of public taste,  
the community interest in our college  
which they so vigorously fostered . . .

We choose instead  
to dedicate this book to Campus Players  
for yesterday's dreams—realities today,  
for today's visions we well see tomorrow . . .

For material things they will accomplish,  
the puppet theatre,  
touring plays to bring drama to a wide area,  
the children's theatre,  
modernization of drama facilities on campus;

For intangible things,  
quicken notice of drama as a teaching aid,  
the widening of our horizons,  
we dedicate the 1958 BEAVER  
to Campus Players.

# ADMINISTRATION

Garrison Dam, the largest earth-filled dam in the world, is a boon to many people in the north central states because of its irrigation, recreation and power potentialities.

**Administration Editor**

Dr. C. P. Lura  
President of Minot State Teachers College

President and Mrs. Lura return home to the comfortable white house that crowns the college campus.

## Able Administrators

### Greetings:

A college is people—people engaged in activities of great variety all calculated to provide information on and practice in good living for the present and for the future. Improvement of people is its fundamental aim, for by improving people—their knowledge, skill, ideas, ideals, standards—a college makes its contribution to the individual person, to the community, to the state, to the nation and to the world at large.

The people of our college and the activities in which they engage are faithfully described in this excellent book. We are proud of our people. We are proud of the well-organized activities in which they engage. We are pleased that the Student Association, through the staff of our college annual, presents our people and life at our college as a true and very interesting record for all to see in this very excellent 1958 BEAVER.

Sincerely,

A handwritten signature in cursive script that reads "C. Lura".

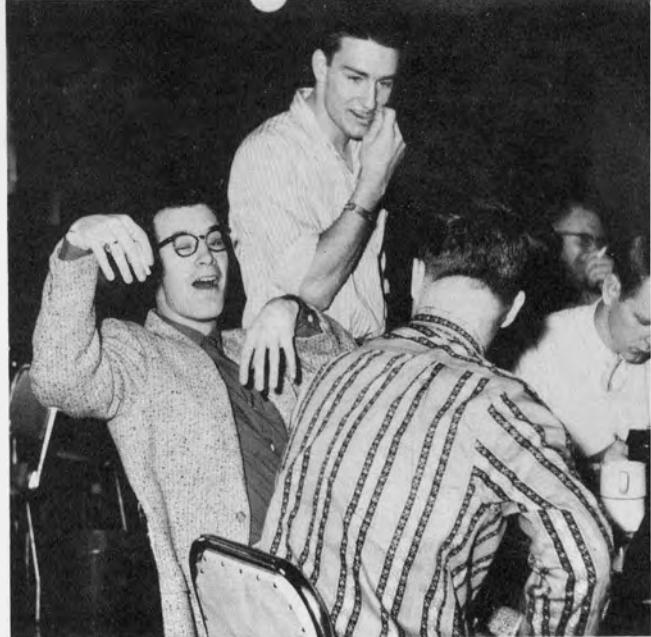

Dr. Lura's office is always open to students and faculty members.

# To Build Better System

Once each month the eighty-odd faculty members of Minot State Teachers College gather in the Student Union basement to discuss the problems of the educational standards and the policies of the school. Many of the problems with which we, as students, are not confronted are ironed out here at the informal meetings. A lunch is served from the little kitchenette, by a committee of teachers which changes each month.

In order to save time and work, much of the work of the faculty is done by standing committees, directors of different phases of college life, by the deans of the college and the chairmen of the divisions. The chairmen and their divisions are Mr. Wells, Fine and Applied Arts; Mr. Busse, Business Education; Dr. Reuter, Education and Psychology; Dr. Keck, Health and Physical Education; Dr. Scheffer, Literature and Language; Mr. Hahn, Music; Dr. Hoffman, Science; and Dr. Morrison, Social Science.

Top: Mr. Wehrer may be gathering jokes to tell in his classes. Middle: Dr. Duane Young, Biology instructor, prepares work for his students. Lower Left: Mr. MacDonald often used chemicals, machines and charts for class demonstrations. Lower Right: Miss White is a friend to many MSTC students, including fellow coffee drinker, Wayne Lenaburg.

Sherrie Rosencrans applies water color under Mrs. Hartnett's approving eve.

## Division of Fine and Applied Arts

Courses offered in the arts division equip majors in these fields with pre-professional training. They also offer electives to the regu-

lar two year or four year courses which provide a rich background for use in many future fields.

## Division of Music

The division of music offers courses in the fields of practical and applied music which assist the student to develop technical skills

and theoretical and appreciative backgrounds to teach and play music correctly, effectively, and add to the enjoyment of it.

Jean Lierbo and Mary Lou Weiman are surrounded by fellow band members at practice.

Marlys Brudvik, Carol Carlson and Jackie Tarvestad concentrate on a difficult piece of music.

Rose Cavanaugh, Speech Correction major, helps two Campus School children learn to make an "s" sound using visual and auditory stimulation.

Ron Archer, Speech Correction major, uses a desk aid with a Campus School hard of hearing child for auditory training—a method of helping the child learn to understand sounds or words he may have never heard before.

## Divisions of Literature and Language

The courses offered in the division of literature and language are designed to enable students to realize such major objectives as the ability to write and speak the English language clearly and effectively, the ability to read and listen with comprehension and dis-

crimination, a first hand acquaintance and appreciation of literary works, the ability to speak, read and write a foreign language, skills necessary for successful teaching of literature and language and allied subjects in the public schools.

## Division of Business

The offerings of the division of business education are designed to prepare students and future teachers of business and those who plan to enter private industry by giving them a basic

course in all the necessary phases of business life. Concentration is on skill courses, to give a good background in business practice.

Stan Linnertz and Murray Anderson work at their typewriters.

Mr. Busse helps a student with a problem.

Student teacher Rust helps sixth grade pupils, Tim and Vern, with spelling.

Bob Detloff surveys his studying Model High School junior English class.

## Divisions of Education and Psychology

Professional courses in education and psychology are designed to meet several objectives in preparing students for teaching in rural and urban elementary and secondary schools. Chief among these are the broadening

of professional knowledge and attitudes, teaching techniques, skills and understanding of characteristics of the child and the nature of his educational growth.

## Division of Social Studies

Some of the objectives of the division of social studies are to understand and promote democracy; better world understanding and sense of patriotism and good citizenship through study of history, geography, eco-

nomics and philosophy; to develop appreciation of our social heritage; to lay bases for tolerance and insight into social values; to gain skill in use of materials for sifting evidence and drawing conclusions.

Student teacher Beverly Scott helps sixth grade pupils, Danny, Kay and Yvonne, gather evidence on the class aquarium.

Mr. Phillips' class listens to records to gain a better understanding of history of recent times.

Mrs. Linbloom checks her square dancers.

Ayca Izbaduk checks a book out to a student.

## Divisions of Health and Physical Education

The course provides a wide comprehensive program of teacher training which adequately prepares teachers in the field of physical education on both the elementary and secondary school levels. A general phy-

sical fitness program helps to develop organic strength and neuro-muscular coordination. The college competes in football, basketball, track, golf and tennis within the North Dakota Intercollegiate Conference.

## Division of Science

The major aims of the division of science are to give the student practice in thinking, reading and speaking exactly and clearly while obtaining first-hand understanding of laws governing our material universe. The

Two future scientists prepare material for an experiment.

ability of teaching the sciences effectively is developed along with a personal responsibility for using all abilities in a socially desirable manner.

In the sciences, with its complex material and exact figuring, there is little room for human error.

## Two Hospitals

The girls from the two schools of nursing are a rare sight at MSTC. Many of the girls from St. Joseph's Hospital live at the St. Francis School of Nursing and others from the Trinity School of Nursing live at

Dakota Hall so neither of the two groups of girls are seen very often. Whether it is because of the long hours of labor or their pre-occupation in their future occupation we shall have to guess.

Miss Hovey gives Miss Young a shot while Miss Wellenbring looks on.

Miss Murphy, Miss Donaldson and Miss Miller look at a patient's chart.

## Train Future Nurses

The nurses going to and from duties, usually travel via foot, bus, or boyfriend. They too are faced with 8:00 classes but unfortunately they can't get that extra forty winks because many of them rise before there is any sign that

morning has dawned.

The life of the student nurse is long hours over a microscope or book, uniforms, and worrying over the endless details in the life of white-gowned workers of mercy.

Miss Schultz, Miss Wagner, Miss Brant and Miss Jeglum read nursing books.

## Senior Officers Represent Grads

The 67 Seniors at MSTC could be classified as the busiest group on campus. Many of them are married and have families. Some have jobs in addition to their classes. The senior class numbers among its members the presidents of a large portion of the school organizations, the Homecoming Chairman, officers of the Student Association and other positions of responsibility. The seniors worry through the year in a whirl of placement pictures, job offers, required courses and discussions with Mr. Sather in the registrar's office. The entire year is touched with the regret that everything is being done for the last time. Perhaps they try to slow the millrace of days, but June arrives and with it the happiness and regret that come with the diploma. And then our seniors face the jobs and responsibilities for which they prepared during college days.

Leading the senior class are Jim Allen, president; Marge Sather, secretary; Andrew Tossett, vice president; and Janice Day, treasurer.

Senators Bernell Lima and Dick Jensen discuss problems over a cup of coffee.

One hundred sixty-one energetic juniors returned to MSTC this year. Behind them were two years of college life and they knew what to expect from the coming weeks and months of the school year. The juniors knew from experience that though they could occasionally fail a test or cut classes, the end of the quarter always came with its final tests and term projects and papers. Busy as they became with many different organizations and activities, they kept up with their special fields of study to make sure the next year would find them among the seniors.

## Juniors Participate

# Sophomores Are Leaders

Always ready for action are the sophomore class officers, Kay Homer, treasurer; Everett Leitzke, vice president; Marceda Kost, secretary and Vern Neidlinger, president.

Fall registration found the sophomore class smaller than the freshman class of 1956 had been. Some of the previous year's freshmen, in preparatory courses for law, medicine and engineering, had gone to other colleges for further training, taking with them happy memories of a year at Minot State Teachers College. The nurses, now sophomores, were busy at their hospitals. Those who returned were a more closely knit group; they knew most

of the other sophomores. They were acquainted with the instructors and fitted into the college routine with ease. The sophomores were proud of a nodding acquaintances with important upperclassmen, and old hands at finding a ride home on the weekends when they could get away from college. They were a better organized group. This confident body of students was the mainstay of campus organizations.

# Freshmen Officers Repre

The freshman class officers are Carol Torgerson, secretary and treasurer; Gerald Holmstrom, president; and Gerald Scheffer, vice president.

Don Myhra and Marcia Hamre represent the freshman in Student Senate.

Again this year the freshman class is the largest on campus. Its 440 members come from scattered North Dakota communities and several other states. In this class we find nurses, veterans, teachers, medical technicians and those preparing for medicine, engineering and law. Their hobbies and interests are as widely separated as their ages —15 and 59.

# sent the Largest Class

Yet the freshman class this year has worked together at many things which add to the school and community. For the first time in years, the freshman class prepared a float for Homecoming. Though it didn't win a prize, the freshmen were justifiably proud as their "Showboat, the Queen Donna" rolled through Minot streets. They are well represented in student government by their fine slate of officers.

The Great Northern Railway's Gavin Yard east of Minot occupies 472 acres filled with 56 miles of track. It is one of the largest classification yards in the world and is able to handle 3,600 cars in 24 hours.

## Young Beavers Have Successful 5-2 Season

The Minot State Teachers College football team for 1957 finished second in the conference with a 5-1 mark in loop play. Their only conference loss was to the champion Jamestown Jimmies. Their other loss was to Eastern Normal at Billings, Montana.

This Beaver team, under new head coach Vence Elgie, was primarily a defensive team. They allowed seven opponents a total of 47 points while they scored 117 points. Leading the defense was rugged Bob Ryan, who usually

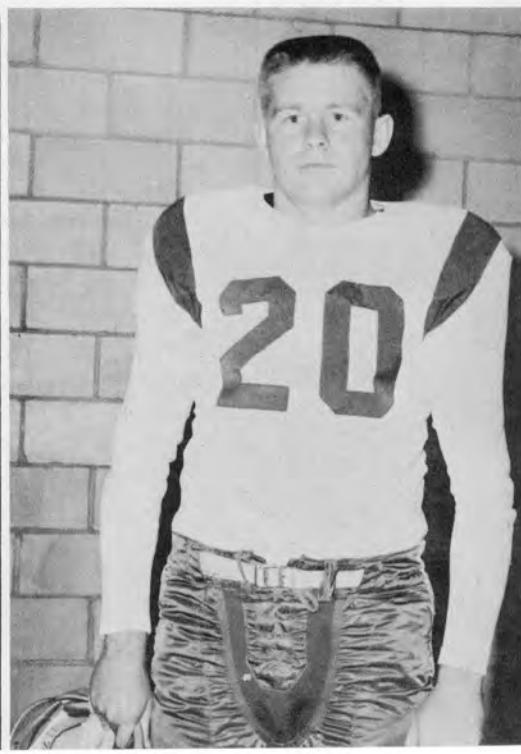

spent most of his time in the opponents' back-fields. Others who shone on defense were Don Sleeper, Gary Leslie, Joe Fritz, and Leo Haberlack.

The offense was primarily a running attack off the split-T formation. It featured the breakaway running of Doyle Radke and Ron Bodine and the power running of Bob Ulrich and Al Thomas. Bob Bodine did a creditable job at quarterback.

## Beaver Juggernaut Buries Forestry 65-0

Displaying both defensive and offensive punch, the Beavers romped over hapless Bottineau Forestry, 65-0. The Beavers scored with about two minutes gone in the first period when Al Thomas scored on a plunge. From then on, it was all Beavers. They scored at will as six other Minoters scored. Scoring besides Thomas were Ron Bodine with three touchdowns, Bob

Ulrich with two, and Bob Bodine, Moe Johnson, Ron Wald, and Doyle Radke with one each. Radke kicked three extra points and Bob Ulrich and Ron Bodine each converted once.

Bottineau threatened once when they reached the Minot 10 yard line, but the Beavers recovered a fumble on the next play.

## Beavers Defeat Wildcats 7-0

In a defensive battle at Wahpeton, the Beavers scored in the first period and held on to win, 7-0. Minot scored after recovering a Wildcat fumble on the Wahpeton 33. They moved the ball to the 15 and Radke scored from there. Bob Ulrich converted and for all practical purposes, that was the ball game.

Both defenses were equally tough in this game. Wahpeton never advanced inside the Minot 20 and the Beavers were stopped on numerous drives, twice by fumbles. Ryan, Leslie and Haberlack were defensive standouts for the Beavers.

## Beavers Win Third Straight

The Beavers needed a Frank Merriwell finish to win their third straight game. After a scoreless first half, Mayville went ahead on an eighteen yard, third period field goal by John Koch. After another field goal attempt in the fourth period, Minot took the ball on their 20. From there they moved to the Mayville one. Bob Bodine then scored on a quarterback sneak. Again it was Radke that provided the spark that ignited the Beaver machine.

## Beavers Outlast Dusties, 13-0

The next game on the Beavers rugged schedule was played at Ellendale in the Dusties Homecoming. Again, as it had been in the past two games, the story was the defense and Doyle Radke as the Beavers won, 13-0.

The Dusties threatened several times, but each time they got moving, they would fumble or the defense would catch up with them. In all,

Ellendale fumbled five times. They also had two passes intercepted.

After a scoreless first period, Radke put the Beavers ahead 6-0 with a .75 yard gallop. In the fourth quarter the flashy back from Underwood scored from 16 yards out and Bob Bodine converted to ice the game.

## Jimmies Thump Beavers, 25-0 in Homecoming

The Beavers next met the Jamestown Jimmies at MSTC's Homecoming game. The fast-stepping charges of Sid Grande picked this day to commit mayhem on the Beavers and they did just that.

On their first play from scrimmage, the Jimmies scored. Ron Joslin passed to end John Ford for the score on a play that covered 60

yards. Late in the first quarter, Joslin seemed hemmed in but reversed his field and went 24 yards for the score.

In the third period Joslin scored again from the one yard line. Their final touchdown came in the fourth quarter as Jim Ringstrom plunged over to climax an eleven play drive.

## Beavers Trounce Savages, 25-0

The Beavers traveled to Dickinson to encounter the Savages. In this game the Minoters put on their best showing of the season, especially in the passing department. Three of the four Beaver touchdowns were results of passes. The Beavers unveiled a new threat in the name of Ron Wald, a freshman end from Bismarck St. Mary's. He caught two passes for touchdowns.

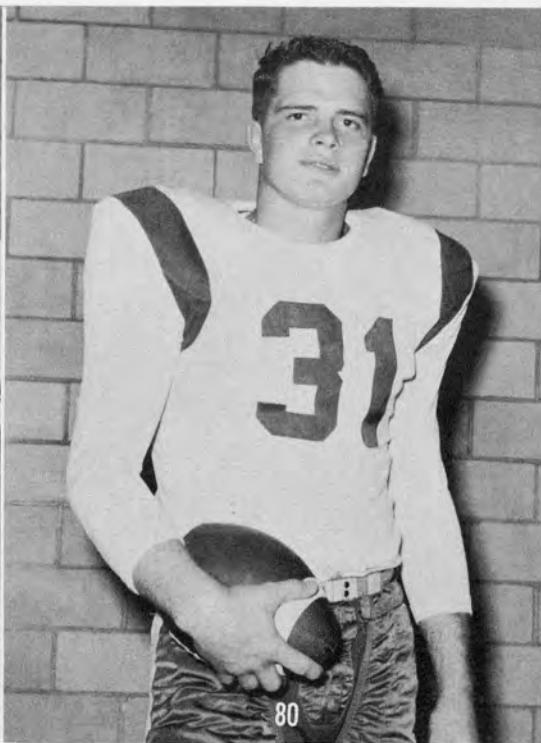

He was on the receiving end of a two yard pass from Bob Bodine and also a 31 yard pass by Ron Bodine.

The other two touchdowns were scored by Bob Ulrich and Doyle Radke. Ulrich scored his on a 31 yard pass from Bob Bodine and Radke ran 90 yards for a final score. Bob Bodine made one extra point.

## Beavers Lose Final, 19-0 to Eastern Montana

The Beavers closed out their season by traveling to Billings, Montana, to play Eastern Normal College of Education. The strong Montana team was too strong for the undermanned Beavers.

On the 12th play of the game, Eastern blocked a Minot punt that was recovered in the

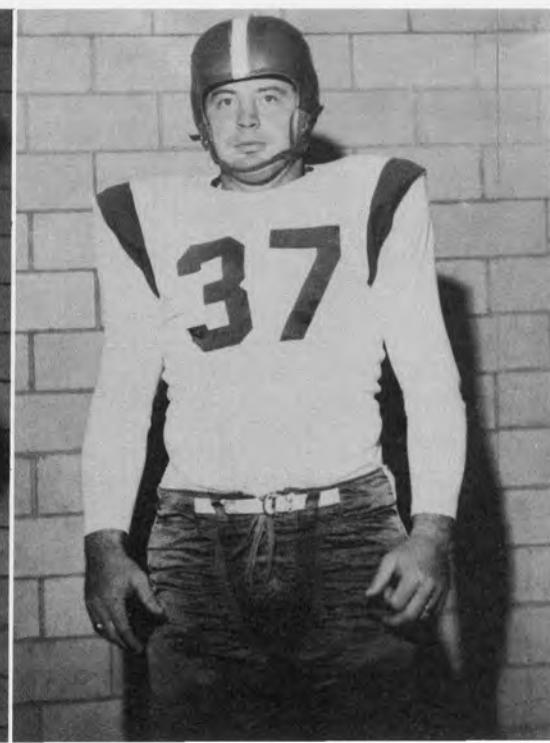

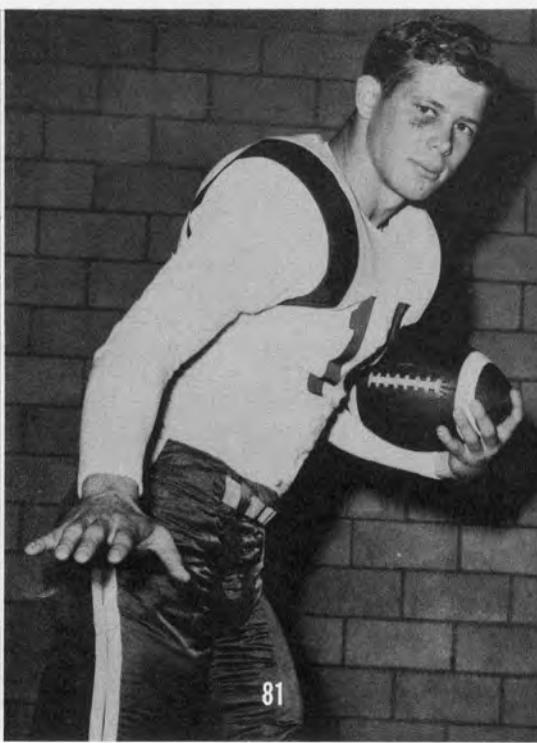

end zone by Dick Harkins for their first score. Later in the first period, Eastern scored on a six yard pass to fullback Ron Ewing on fourth down.

Again in the fourth period, Eastern blocked another Minot punt on the Beaver 45 yard line. Ewing later scored his second touchdown on a plunge.

## Surprising Young Beavers Finish Second in NDIC

Coach Herb Parker

The sophomore - dominated basketball team of the 1957-58 season wasn't given much of a chance to finish in the running for the conference championship at the beginning of the campaign but through the good performances of key men, the Beavers finished behind only Valley City with a 12-4 record.

Lead by senior Ron Nelson, the Beavers went through the entire season with 14 wins and 6 losses. Supporting Nelson, who was a driving and rebounding specialist, were Maurice Railing and Ray Stein. These three accounted for 678 points in the 16 conference games. Nelson finished fourth in the league scoring with 263 points. Stein had 216 and Railing tallied 199. Behind these stalwarts were Carl Long, Curt Johnson, Bruce Baker, Clarence Christenson, Russ Carlson, Darrell Anderson and Larry Schumacher. Of these Long and Christenson are seniors, Carlson a junior and the rest are sophomores.

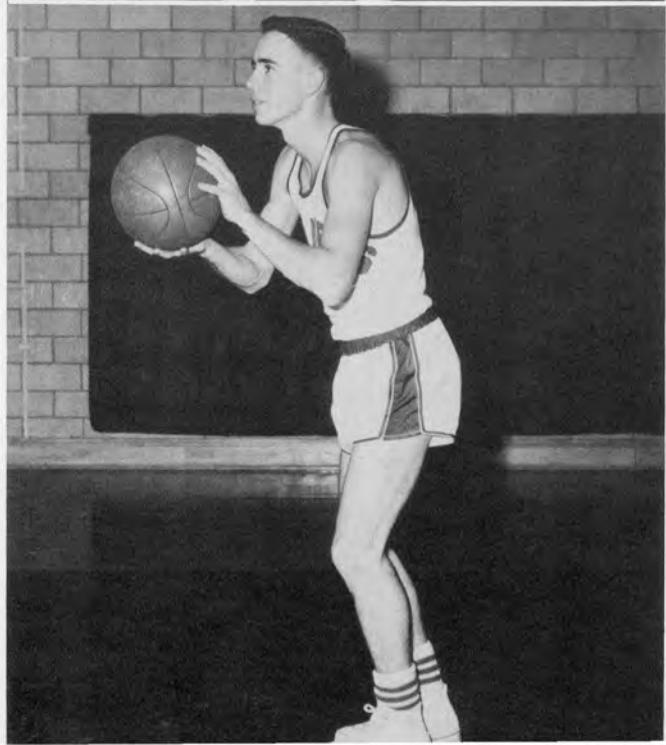

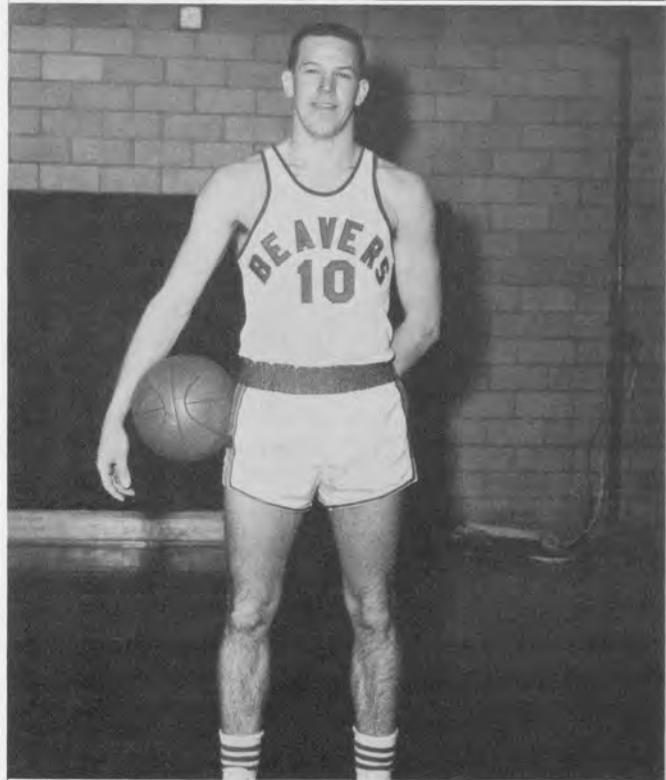

# Beavers Win From Wildcats, Carroll College,

## Lose to Northern Montana and BJC

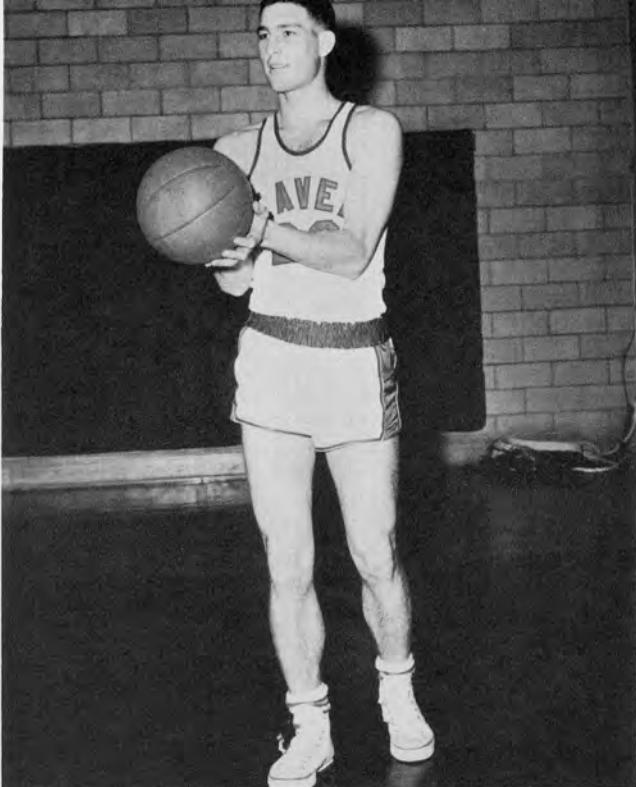

The Beavers started the season against Wahpeton Science at Minot. The Beavers won 68-67 after trailing the greater portion of the game. With the Beavers trailing by 10 points with 8 minutes to play, the fouls began to hurt the Wildcats. Their big man, Bob Danielson, fouled out in this time. Two free throws by Railing won it for Minot.

Next, Minot took a road trip into Montana to play Carroll College at Helena and Northern Montana at Havre. At Helena, the Beavers put on an impressive offensive show and walked off the court with a 101-86 victory. After having a rough time of it through most of the first half, the Beavers led 50-40 at the intermission. Six Beavers scored in double figures. Railing had 16, Carlson and Nelson 15 each, Long 13, Christianson 12 and Stein 10. At Havre the Beavers played a complete reversal of the night before. Minot led 31-29 at half-time but Northern came back strong to win 64-60. Railing and Christianson scored 14 and 11 respectively for Minot.

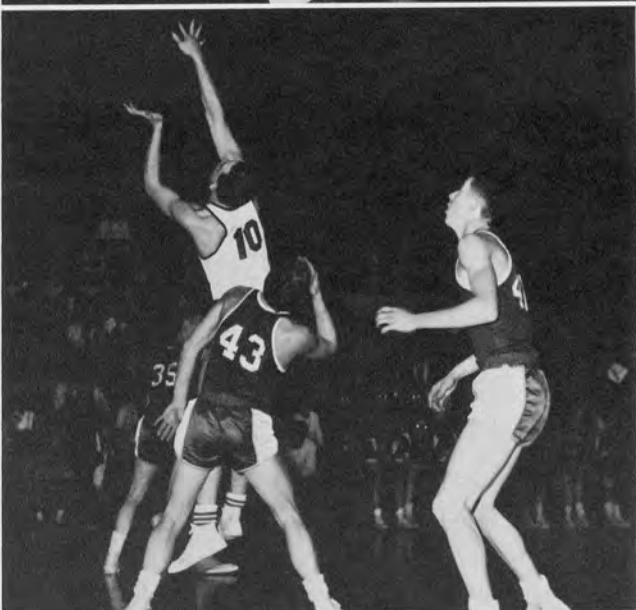

The Beavers got back to conference play at Bismarck December 10. The Mystics outplayed and outbounded the faltering Minoters to win 81-68. BJC led by as much as 23 points. Don Prouty led BJC with 24 points. Carlson scored 19, Nelson 15, and Stein 11 for the Beavers.

## Minoters Win from Bottineau, Wallop BJC Then Lose to Wildcats, Edge Comets

Next the Beavers traveled to Bottineau to encounter the BF Lumberjacks. Operating against a pressing defense and shooting at a .421 clip, the Minoters won 62-54. With 11 men playing, the scoring was well distributed with Railing's 13 points leading.

In a display of fine scoring balance, the Beavers avenged an earlier loss to Bismarck Junior College by beating the Mystics 81-51 at Minot. Nelson led Minot scoring with 12 points.

The Beavers took a two game road trip to play at Wapheton and Mayville on January 16-17 respectively. At Wapheton, the Wild-

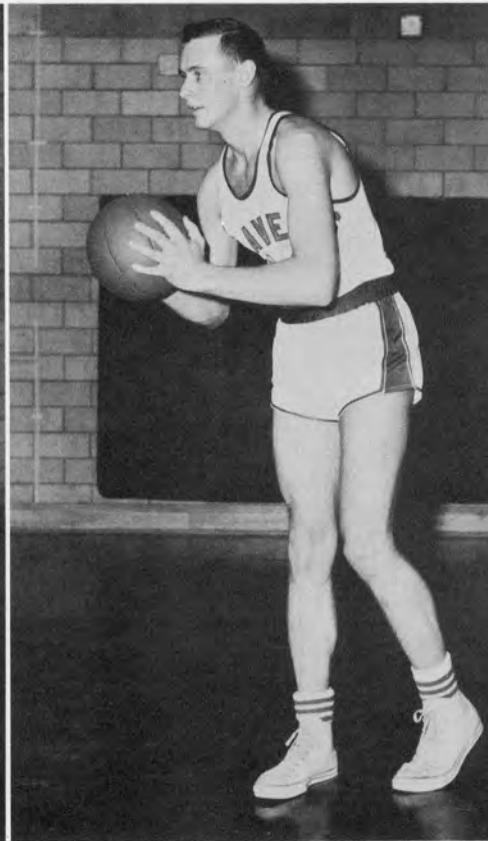

cats, who had lost a heart-breaker at Minot, soundly beat the Beavers 76-69. Wapheton took a permanent lead at 13-12 and Minot never got closer than five points thereafter. Bob Kanielson and Jack Lee scored 26 and 22 points to lead Wapheton. Nelson and Johnson had 17 each and Railing 14 to lead Minot. On the next night the Beavers upset the second place Mayville in overtime play 80-78. There were 15 ties and 19 lead changes in the contest with Stein icing it for Minot with 10 seconds remaining in the overtime period. Stein also led Minot scoring with 22 mark-ups. Nelson had 20 and Railing 16.

## Beavers Lose to Valley City, Rout Dusties

In their next encounter, the Beavers met the Valley City Vikings at Minot. In a slow-moving game, the Vikings eked out a 66-60 verdict. Valley City led at halftime 36-35. Big DuWayne Bott and Jim McPherson paced the Vikings with 20 and 16 points respectively. Railing tallied 23 and Long 10 for Minot.

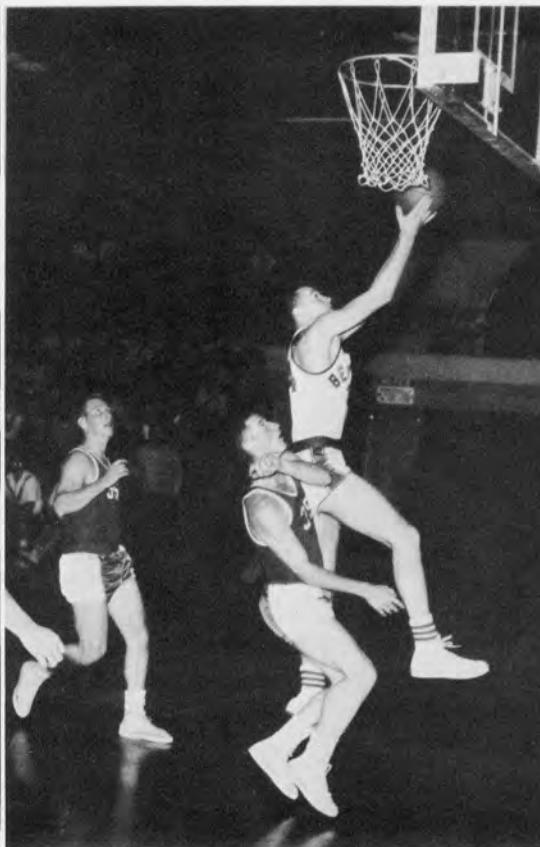

The Ellendale Normal Dusties invaded Swain Hall on January 23 to encounter the Beavers. In a very unimpressive performance by both clubs, the Minot quintet won 78-60. The Beavers were lead again by Nelson and Railing with 20 and 16 points respectively. Harlan Stahlecker led Ellendale with 14.

In losing to Valley City on January 30, the Beavers scored their highest losing total in history. The final score was Valley City 107 and Minot 99. Don Maks scored 37 points to lead the Vikings and DuWayne Bott had 22. Minot was led by Stein with 24 and Nelson with 20.

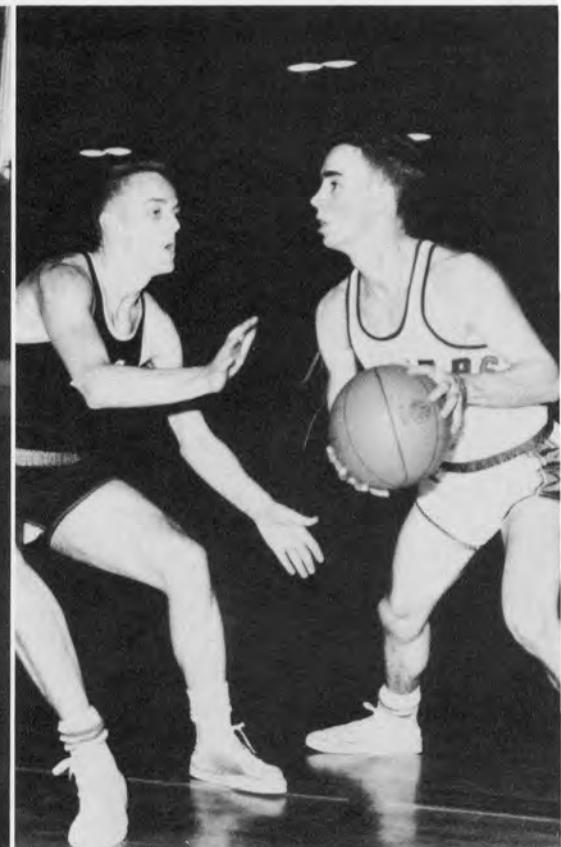

Everyone scrambled for the rebound in this shot of the Valley City game.

## Nelson, Stein and Railing Lead Beavers Past Jamestown, Ellendale and Mayville

On February 4 and 5, the Beavers took a two game road trip to Jamestown and Ellendale. At Jamestown, the Beavers enjoyed a very good first half in whipping the Jimmies, 84-65. From a 15-12 lead, the Beavers had a 52-19 advantage in the first half. Nelson led the pack with 17 points followed by Stein and Railing with 14 each. At Ellendale, the Beavers continued on the rampage in scoring a 79-57 victory. Nelson and Stein led again for the Minoters with 26 and 22 markers.

The next encounters for the Beavers was against Mayville in Minot February 19. Paced

by Railing, who scored 14 of the last 25 Beaver points and 23 for a game total, the Beavers came from 8 points behind with 8 minutes and 27 seconds to go in the game to win 76-67. Carl Long and Johnson scored 15 and 10 points, behind Railing. Don McIntyre paced the Comets with 21 points.

Jamestown was the next opposition for the Beavers. This game was played February 15 on the Minot court. Minot led all the way, paced by Nelson with 26 points and Long with 15.

## Beavers Edge Savages In Finale

In the season finale, the Beavers had a scare in defeating Dickinson 74-66 at Minot. Minot led at the half 37-34. After Dickinson had taken a 46-45 lead with 12 minutes, 26 seconds left in the contest, the Beavers out-scored the Savages 17-5 to lead 61-52 with 8 minutes to play. From there on, the Beavers led by as much as 12 points. Nelson, Stein and Railing scored 20, 17, and 13 to pace Minot. Bill Ueckert and Harlan Wash led Dickinson with 14 points apiece.

The years Beavers surprised many people, including the most diehard skeptics. The team is a result of determination by the new blood mixed with the experienced returning lettermen.

After the first games, anyone would wonder whether the aggregation could win in college competition. In the first five games, Coach Parker used five different starting line-ups trying for the winning combination. He seemed to have it at Carroll College but the combo couldn't produce after that. After the first Bismarck game, it looked like a long winter for those 10 boys and Parker.

At Dickinson, the Beavers hit a temporary stride but slowed against Wapheton. Against Mayville they eked out a win that put them on the right track. Against Valley City, they hit a man-made obstacle, Valley City Coach, Bill Osman. He saw his Vikings stood a chance to lose so he put the Vikings in a deep-freeze stall that lasted for 15 minutes of the second half. The Beavers never got going and lost by 16 points.

After that fiasco, the Beavers sharpened their gnawing teeth and dug into the hardwood. Starting their drive against Ellendale, they ran into Valley City. They scored 99 points and lost. Minot was hot, but the Vikings were boiling.

After that encounter, the Beavers won their remaining five games. We would like to wish good luck to the 58-59 team that will be made up primarily of this year's team.

## Jayvees Gain Much-Needed Experience in Compiling 8-8 Record

This team played the top independent teams in the area plus the Jayvees of Jamestown and Dickinson. Among the independents were the Lansford Blue Devils, Rugby Independents, Crystal Cafe of Crosby, and Minot Federal Savings and Farmers Union of Minot.

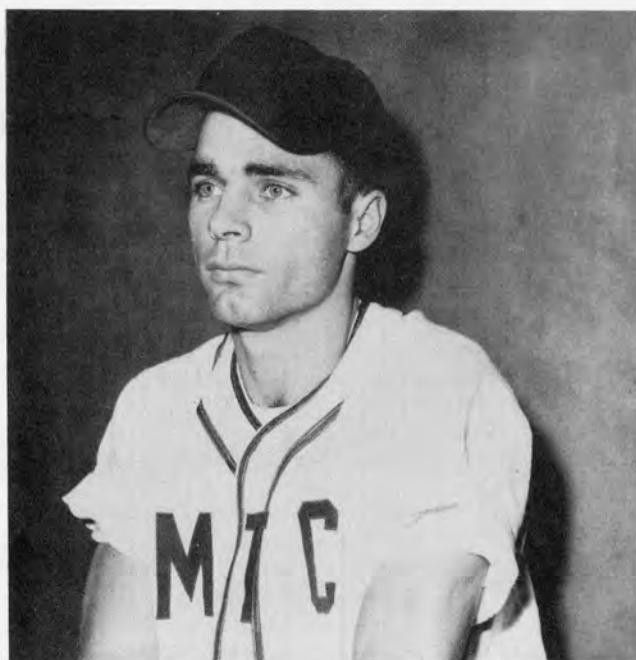

Scoring on the team was usually well distributed because Coach Caufield used his reserves liberally. Usually Scheffer, Brundage and Sanford carried much of the load.

Rod Caufield's background doesn't go back very far—a BS degree in Physical Education from MSTC in '53. He coached at Sherwood for two years before coming to Minot Model in 1956. He moved to MSTC in the fall of 1957. Coach Caufield has also done some graduate work at Oregon State University.

This year's Junior Varsity basketball team was composed of first year men whom, for the most part, played their high school basketball within a 100 mile radius, of Minot. Two played Class A ball in North Dakota, one played Class A ball in Montana, six played Class B ball and one was in Class C. Roger Brundage and Bob Reslock played on Devils Lake's Class A runners-up in the state tournament last year. Jerry Smith played his high school ball at Sidney, Montana. Phil Rabon played at Velva; Mark Sanford was a star at Watford City. Ellis Olson, a returning serviceman, is from Granville. Keith Olson is from Arnegard, John Brey from Surrey, while Jerry Scheffer and Joey Laskowski played at Minot Model.

## Beaver Nine Cop

Baseball made its first appearance in MSTC's history in the spring of '57. The sport was not as good as a spectator sport as it was hoped to be but it showed good signs of sticking around for a long time.

There were about sixty candidates out at the first call for drills. Of that number, 21 were kept on the team. These 21 men consisted of six pitchers, two catchers, seven infielders, four outfielders and two utility men. The traveling squad was somewhat less in number.

The pitching staff was made up of four righthanders and two southpaws. The righthanders were Lewis Saum, Stanley; Andy Tossett, Lansford; Bob Tollerud, Esmond; and Don Smith, Minot. Smith also played in the outfield. The lefthanders were Gary Johnson, Minot, and Gary Bethke, Upham.

The starting infield was, for all practical purposes, a family affair. Ron, Bob and Mark Bodine played third base, shortstop and second base respectively. They hail from Velva. Other infielders were Maurice Railing, Lansford; Lynn Hummel, Garrison; Darrel Palmer,

Clarence Jore, catcher

Lynn Hummel, infielder.

# Western NDIC Honors

Glenburn; and Joe Fritz, Minot.

The catching was done by Melford Aus, Rugby, and Clarence Jore, Watford City. One would spell the other in doubleheaders.

The outfield was also a strong point in this team. The gardeners were Larry Lawston, Rolla; Wally LaRose, Williston; David Henry, Westhope; and Gary Leslie, Minot. Gary also did some pitching.

The utility men were Clyde Fandrich, Beulah, and Glen Bethke, Upham. They saw very little action during the season.

A tight defense, good pitching and timely hitting was the formula of this team as they ran up an 11-2 record. They competed in the Western NDIC which consisted of teams from Bismarck Junior College, Dickinson Teachers College and Bottineau Forestry.

The Beavers won the conference title on the basis of an 11-1 record. Their only loss came at the hands of Bismarck at Bismarck.

## Beavers Take Title With First Team

The Minot team traveled to Mayville to meet the Eastern NDIC champion Comets. The powerful Comets cut loose with a barrage that smothered the Beavers 12-3, thus costing Minot the state championship.

If one were to single out individuals who made this team click, he would pick Lewis Saum, Bob Bodine, and Don Smith.

First to be discussed is pitcher Lewis Saum. This big, six four-four inch righthander has remarkable control. He pitched four shut-outs during the season. He allowed very few hits and seldom walked anyone.

Bob Bodine, the Beaver shortstop, has great potential. Equipped with good coordination and a strong arm, he can make difficult plays look very easy. His work at shortstop saved many hits against the Beavers during the season.

Don Smith also has the strong arm and terrific coordination which enabled him to play any position on the field. He is a good hitter with power.

Although these men were outstanding, the rest of the team was also splendid. Much credit for the outstanding beginning season has to go to coach Ted Keck and his assistant, Rod Caufield.

Front Row: Clarence Jore, Don Caldwell, Doyle Radke. Back Row: Coach Herb Parker, Doug Hogland, Darrel Henry, Dale Brown, Ray Stein.

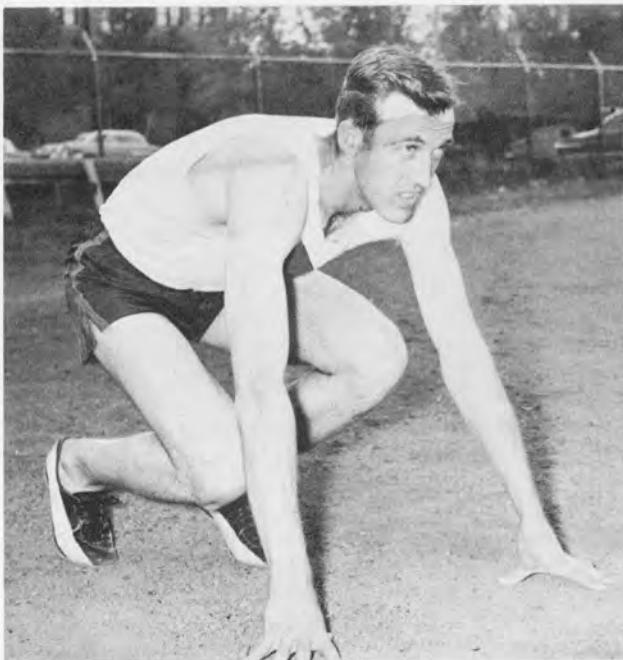

## Small Beaver Track Squad Enters Four Meets

Because of the introduction of baseball at MSTC, the track squad was smaller than in previous years. The team consisted of eleven men. They were Wayne Busch and Maurice Johnson in the hurdles, Doug Hoglund in the long distances, Lewis Saum in the middle dis-

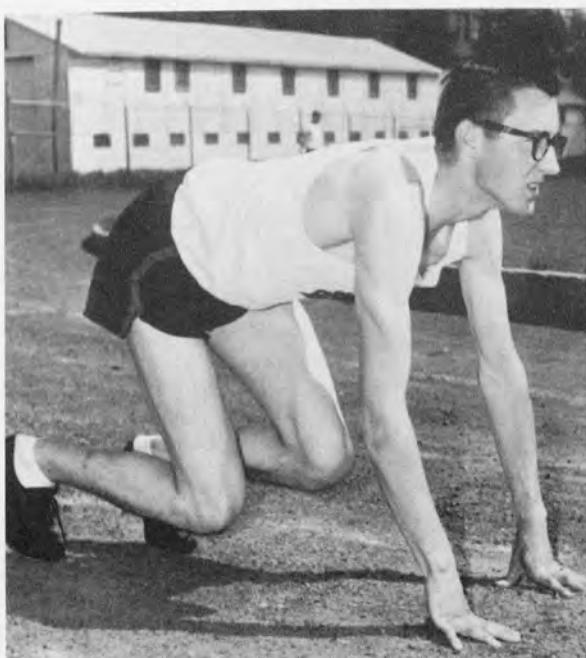

tances, Don Caldwell and Doyle Radke in the dashes, Ray Stein, Dale Brown, Wayne Phelps, and Clarence Jore in the weights and Darrel Henry in the pole vault and high jump. Of these, only three are seniors. They are Brown, Phelps and Saum.

Tracksters strain in action during Minot Invitational Meet.

## Young Track Team

The Beaver track schedule consisted of four meets, two invitationals and State and Conference meets. The invitationals were at Dickinson and Minot.

The teams that competed in the Dickinson meet were Black Hills Teachers College, South Dakota School of Mines, Bismarck Junior College and Dickinson Teachers College. The School of Mines won the meet with 48 points. Minot finished second with 40 points, followed by Black Hills, Dickinson and Bismarck. Doug Hoglund scored ten points for Minot with firsts in the mile and two mile runs. Other point gainers for the Beavers were David Henry with first place in the pole vault and a tie for first in the high jump, Doyle Radke with first in the broad jump and Lewis Saum with first in the 440.

The second annual Minot Invitational Track and Field Meet found four teams in the

# Makes Fair Record

Magic City, Minot, Dickinson Teachers College, Bismarck Junior College and Bottineau Forestry. Minot won the meet followed by Dickinson, Bismarck and Bottineau. Scoring for Minot were Maurice Johnson and Wayne Busch in the hurdles, Doyle Radke in the broad jump and the dashes, Don Caldwell in the dashes, Lewis Saum in the middle distances, Doug Hoglund in the long distances, Dale Brown and Wayne Phelps in the weights and Darrel Henry in the pole vault and high jump.

The Conference and State meets followed on successive weekends. The Conference meet was held at Valley City, while the State meet found the teams at Grand Forks. The Beavers placed third in the Conference meet and fifth in the State meet. Finishing above them in the Conference meet were Jamestown and Valley City. The Beavers finished behind UND, NDAC, Jamestown and Valley City in the State contest. Five men, Radke, Brown, Hoglund, Saum and Henry, did the scoring for the Beavers at Grand Forks.

Richard Ellestad and Don Sleeper prepare to go into action.

Pete Reed, undefeated 130 lb. State champ, took second at Moorhead and went to Mankato.

Jim Mar, 137 lbs., won third place at ND Tournament and second at Moorhead.

## New MSTC Wrestling

MSTC's wrestling team, in its first year of existence, made a good showing individually despite the fact that there were so few men out for the squad. The season's scoring went:

MSTC 14  
MSTC 18  
MSTC 24

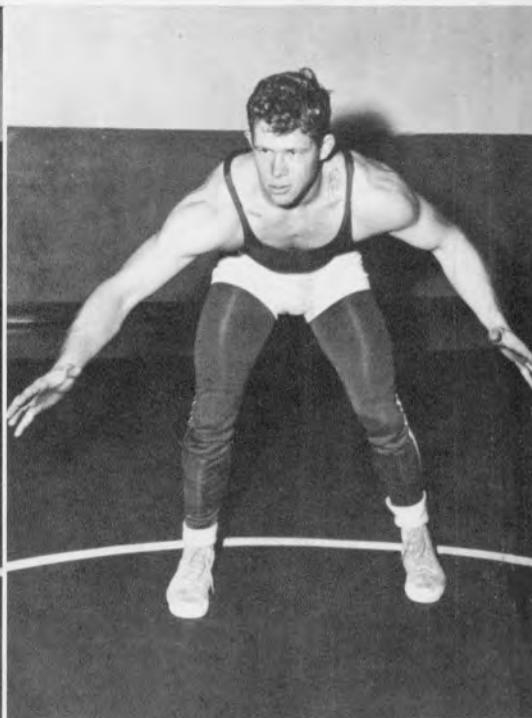

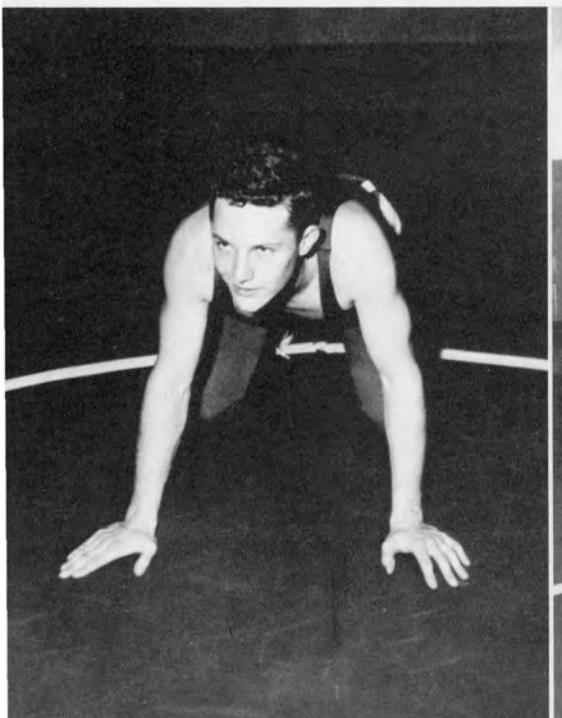

Valley City 25  
Jamestown 25  
Jamestown 15

In the match with Valley City, the mat men won as many matches as did the Vikings.

Clyde Fandrich, 147 lb. wrestler, started the season, but was sidelined with an injury.

Arnie Nelson, 147 lb. class, took third in the state tournament.

Moe Johnson, the 157 lb. State champ, placed third in the Moorhead Tourney after an undefeated season and went to the National Invitational at Mankato.

Pete Reed grips and Moe Johnson fakes for the cameraman while Dr. Keck looks innocent.

Roy Dalthorp, won the 167 lb. third title in the N. D. State but was injured and didn't go to Moorhead.

Arnie Nelson and Roy Dalthorp are in a typical action while the squad watches.

## Team Makes Good Record

But the Valley City boys garnered more pins. The highlight of the year was the defeat of the Jimmies on the home mats.

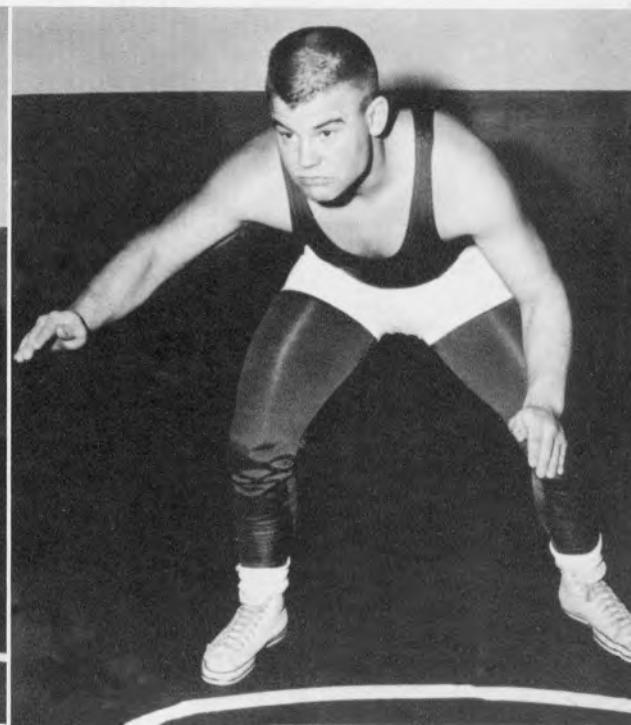

The "Campus Clampers" participated in two tournies; one, the first North Dakota State College Wrestling Meet, and the Moorhead

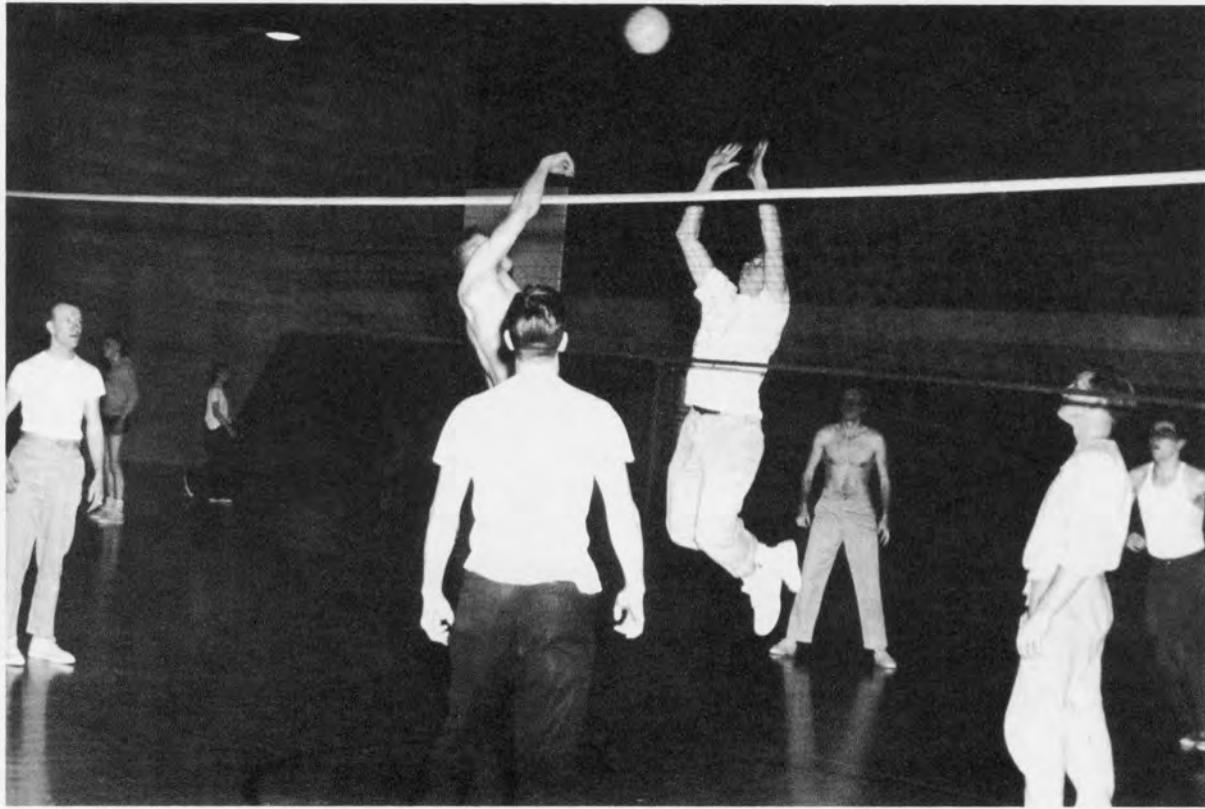

State Teachers Invitational. At the N.D. State Tourney, held at Swain Hall, the Beavers copped two firsts, a second and 5 third place scores. When the team traveled to Moorhead, they won 2 seconds and a third.

Don Sleeper won second place, 191 lb. class, in the N. D. State Tourney.

Richard Ellestad, 177 lb. weight, was third in the State meet.

Chuck Krause, a heavyweight, took third in the North Dakota State Meet.

A fast game of volleyball is enjoyed at Swain Hall.

## Intramurals Get

Although Girls' intramurals got off to a good start this year, there was a rather disappointing season in the boys' department. Only four flagball teams signed up and played games. These four split first and second title, the Vets and Pioneer Hall sharing first place with 116 points each and the TKEs and Mu

Sigs tied for second, scoring 86 points.

For volleyball there was a slight increase in numbers, mainly because both the TKEs and Mu Sigs had "A" and "B" teams. Many of the losses sustained by the teams have been through forfeits.

Girls play volleyball in an intramural game.

Marge Sather, Pat Schmidt, Kay Homer and Kathy McCann enjoy a game of table tennis.

## Away to a Slow Start

It seems that even though there are more registered teams for volleyball, the team attendance and participation has been rather weak.

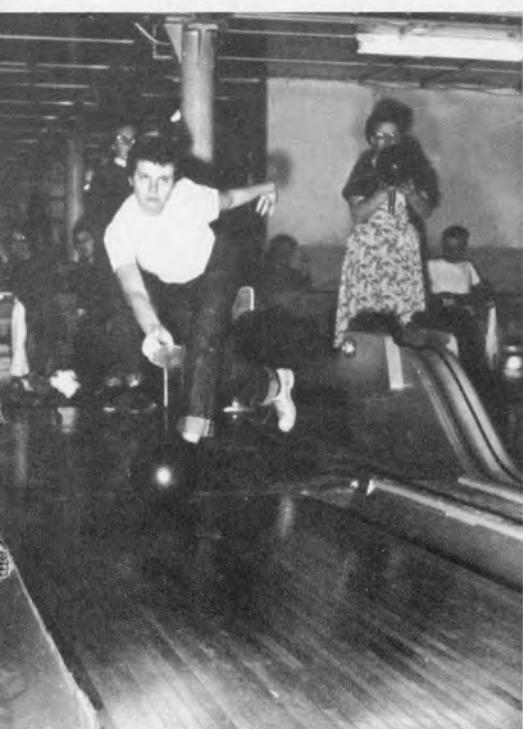

The ratings of the teams at the beginning of the spring quarter was:

TEAM	WINS	LOSSES
Vets	5	0
Pioneer Hall	4	1
TKEs	4	1
MST "A"	2	2

Bowlers Marke Sausker, Joyce Olson and Pat Wald try for those all-important strikes and spares.

PE Club	1	3
MST "B"	1	4
TKE "B"	1	4
Lettermen's	1	4

Many of these teams would have a better record if there were fewer "forfeits" written across the scoresheets. However, the year has been a valuable experience in setting up such a program and it is hoped and expected that 1958-59 will bring more teams, more participation and the same interest in girls' sports.

## Women's Recreation Association Promotes Girls Sports

Volleyball is a favorite sport at the weekly meetings.

The Women's Recreation Association was organized to furnish recreational activities for all college women who are interested in sports. Volleyball, table tennis, basketball and shuffleboard tournaments were sponsored by WRA. Women's Recreation Association meets weekly on Monday evenings.

Officers this year were Pat Schmidt, president; Kay Homer, treasurer; Bernice Hoffert, vice president; Kathy McCann, secretary; and Marge Sather, assistant adviser.

Allen, Emery take Second in Conference Tennis.

## Wrestling Instituted at MSTC This Year

Wrestling was instituted at MSTC this year. For being an inexperienced crew of grapplers, the Beavers did well for themselves.

They were defeated in duel meets with Valley City and Jamestown. They later avenged the loss to Jamestown. In the state meet held at Minot, the Beavers finished third behind NDAC and Valley City. Jamestown finished last in the four team field. Maurice Johnson and Pete won state titles in the 157 pound and 130 pound divisions respectively. They also participated in a meet at Moorhead, Minnesota, where they finished fifth.

The members of the team and their weight classes were Chuck Kraus, unlimited heavyweight; Don Sleeper, 191 pound class; Dick Ellestad, 177 pound; Roy Dalthorp, 167 pound; Maurice Johnson, 157 pound; Arnie Nelson and Clyde Fandrick, 147 pound; Jim Mar, 137 pound; and Pete Reed, 130 pound.

The coach is Dr. Keck, head of the Health and Physical Education.

Jim Allen and Wayne Emery, MSTC's only two competing tennis players, finished second to Dickinson in the conference meet last year.

Front Row: Maurice Johnson, Arnie Nelson, Clyde Fandrick, Jim Mar, Pete Reed. Back Row: Dick Ellestad, Don Sleeper, Chuck Kraus, Roy Dalthorp, Coach Ted Keck.

## Physical Education Club Promotes Interest in Health and Education

Promotion of interest in health, physical education and recreation, and cooperation among all health and physical education teachers, students and alumni are the purposes of the Physical Education Club. The group, composed of majors and minors in physical education, has a clubroom located in Swain Hall. The room, open to members at

all times, is used for studying, watching television and general gatherings.

Here, many of the activities for the year are planned. The group sponsors parties at schools, donated YMCA membership cards to four needy Minot youngsters, and planned many other parties and recreational gatherings.

Officers, Front Row: Pat Ness, secretary; Marge Sather, women's program chairman; Pat Wald, treasurer. Back Row: Ted Keck, adviser; Duane Leitzke, vice president; and Maurice Johnson, president.

## Lettermen's Club, Cheerleaders

### Promote School Spirit at M.S.T.C.

The Lettermen's Club is an organization whose contributions to the college could easily be overlooked unless it is remembered how much behind the scenes work is necessary to produce a well-rounded department. The group is often called upon when planning or producing an athletic event is in process. The Lettermen sponsor Kampus Kapers each year to help raise money to reward men earning honors in sports at MSTC. They also furnish the workers for sporting events and work toward a greater awareness of sports and more school spirit at MSTC.

Lettermen are, Front Row: Leo Haberlack, Larry Welsh, Ron Bodine, Ron Wald, Joe Fritz, Bob Ryan, Maurice Johnson. Back Row: Jerry Miller, Dick Lemke, Jim Allen, Carl Long, Gene Launt, Marvin Johns, Bob Ulrich.

## Band Attracts Many Students

All college students who have previous training and experience to meet the requirements are eligible for membership in the Minot State Teachers College Concert Band which is maintained both as a training group for future teachers and as a performing organization. A marching band, concert band, and the pep band are smaller groups within the main framework. The marching band climaxes its season with the Homecoming parade and half-time show for the Homecom-

ing game. The Concert band, one of the outstanding organizations of the campus, presents concerts at the college and surrounding communities. An annual spring home concert is the grand finale to the year. The pep band performs at all pep rallies, football games, and basketball games.

There is also a summer session band which concludes the summer quarter with a concert.

## College Orchestra Gives Three Concerts

Considerable emphasis is placed upon the college orchestra not only as a concert medium but also as a training factor for future teachers. Competent players from the college and the surrounding community make music at weekly practices. The college orchestra presents two out of town concerts and one home spring concert each season.

Soloist JoAnne Rowe awaits the cue from Director Arturo Petrucci.

## Support Music Activities

The third Tuesday of every month finds the Music Educators National Conference meeting in the Fireplace Room. This organization was brought to the MSTC campus the fall of 1950. It is composed of students majoring

or minoring in music and others interested in the field of music. This group meets with the music faculty who are professional members. They support the musical activities on campus and also sponsor the District Music Festival.

The officers of MENC are Pauline Bucklin, secretary; Bob Landis, president; Jean Lierbo, treasurer; and David Reiser, vice president.

## Fifty Girls Sing in Bel Canto Chorus

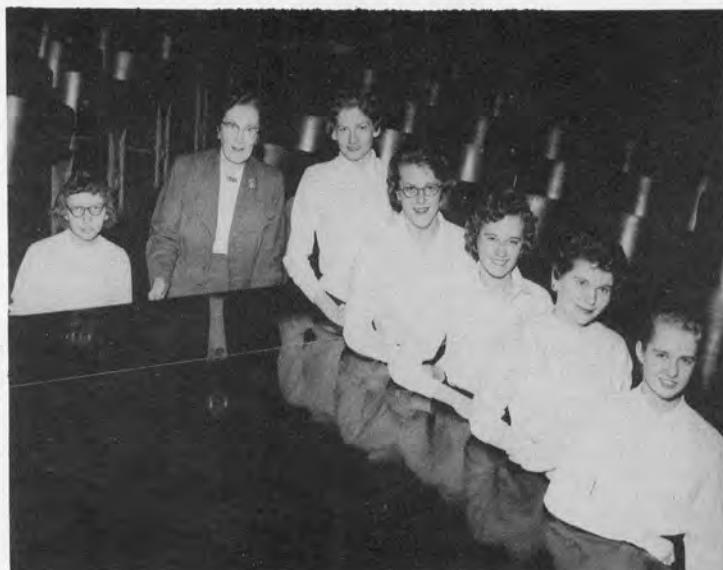

The Bel Canto Chorus, organized in 1954, is under the direction of Elizabeth B. Schmidt. The chorus membership is open to any girl in college who shows at least average ability in singing. This year there are two accompanists for the group. They are Jean Kolden Trueblood and Anne DeMers. Both are members of the chorus and sing when not accompanying.

The first public appearance of the chorus

this year was at the annual Christmas Concert in the college Concert Band. The Bel Canto Annual Spring Concert in the college auditorium is an outstanding achievement of the year. At this event, the Dakota Warblers will be featured, and an octette of singers chosen from the entire Bel Canto membership.

Rehearsals are twice a week. Informal luncheons are enjoyed once each quarter, usually at the rehearsal hour, from 12 to 1.

Posing by the piano are the officers of the Bel Canto Chorus, Jean Kolden Trueblood, secretary; Mrs. Schmidt, director; Jane Faul, president; Janice Lundt, librarian; Helen Black, treasurer; Kaaren Hammer, vice-president; and Marjorie Bradley, librarian.

The Dakota Warblers are Carol Renk, Claudia Ash, Margo Jacobson, Jean Kolden Trueblood, Lola Morris, Verna Bentz, Pat Breding, Helen Lee and Gaylen Sanderson.

Mrs. Schmidt often reviews the teaching unit she sends to rural schools which listen to her program.

The rural broadcast group practices for tape recording session.

People who compose the Music Broadcasting group for the winter quarter are Dennis Mosser, Jean Lierbo, Mrs. Schmidt and JoAnn Rowe.

## Music Broadcast Aids Rural Teachers

Children from 400 schools in 13 different counties eagerly wait every Wednesday for the Music Broadcast for Rural and Grade Schools sponsored by the Music Division over Station KLPM. Under the supervision and direction of Mrs. Elizabeth Schmidt, this program is used as an aid to teachers in smaller schools who do not have the facilities to teach music or who want to add variety to their music program.

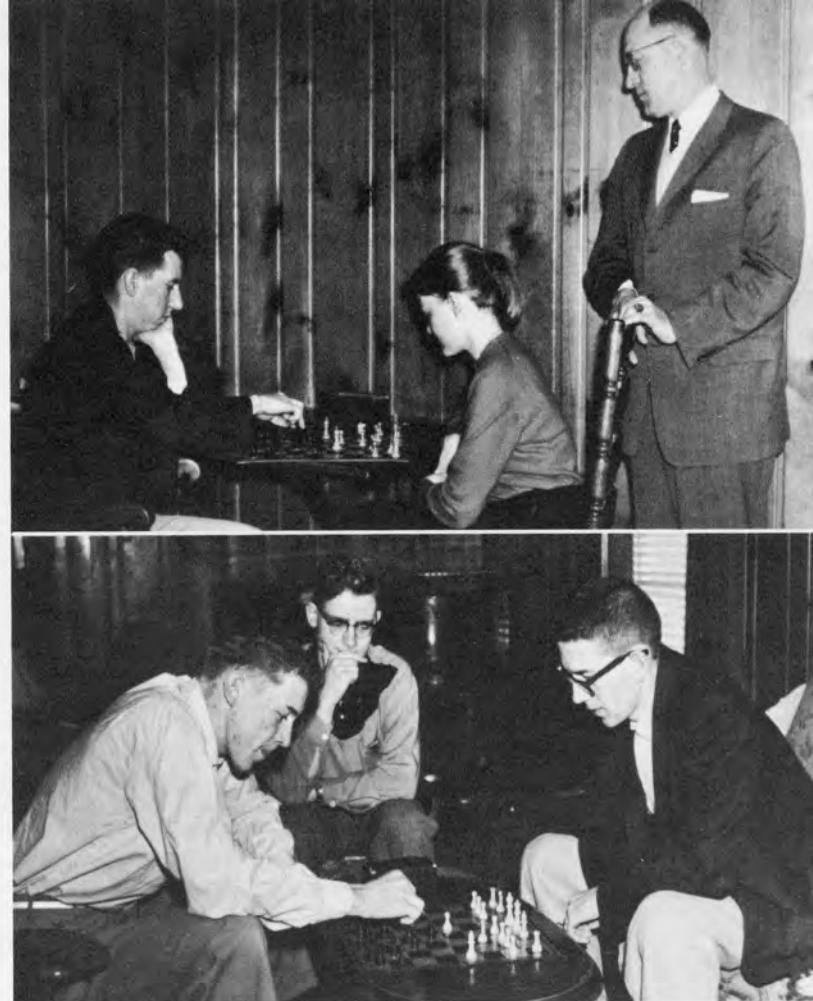

This program is produced by music major students who get radio work experience, and learn how to use the tape recorder, different microphones, and the right techniques for speaking and singing on the air.

# Chess Club Grows Rapidly

One of the newest organizations at MSTC is the Chess Club. The club, which began shortly after Christmas, is under the direction of Charles Wehrer, its organizer.

The club which began with ten people has swelled in a short time to a membership of thirty. Minot residents other than college students have shown a great interest in the group, also.

The informal meeting soon split into pairs of ardent chess players, pitted against each other and the game while those not engaged look on. The members come from every age group and varied professions, as well as different levels of experience in playing the game of chess.

## Campus Players Present "Petrified"

The house lights dim . . . The curtain opens. As the actors move, the audience is lifted out of the theatre and transported into another world—a world that varies from the lush setting of an Italian garden to the sun-baked squalor of a rundown filling station and grill in the Arizona desert. The story unfolds and the actors cease to be actors, but become real people. The audience no longer watches a mere play; it has become a slice of life, laid bare and glimpsed for a fleeting moment.

This is the result of weeks of preparation, planning, and rehearsal by the M.S. theatre

group—The Campus Players.

In these days when everyone is discovering the harsh realities of our modern world, man as a whole, is concerned with the stark facts of science, and the cold, frigid mathematics of survival. In this, the Age of Sputnik, it is refreshing to find those who are at home in the harsh glare of a spotlight, the complexity of a switchboard, or the construction of a set; those who love the smell of grease-paint; and those who know the "butterflies" before the first act and the thrill of a curtain call after a successful performance.

## Forest"; Reactivate Alpha Psi Omega

The Campus Players have built themselves an enviable reputation in past years with such presentations as **Taming of the Shrew**, **Arsonic and Old Lace**, **Hedda Gabler**, and other fine plays. Lately they have moved into opera, producing **Fledermaus**, a resultant sellout.

The group presented Robert Sherwood's **The Petrified Forest** in the fall quarter. Under the able direction of Harold Aleshire, the play was a great success.

The players incurred a great loss when Mr. Aleshire became ill. The lack of a director cancelled the next two planned productions,

Campus Player Gary Hagen looks askance at Clara Carr's portrayal of an enthusiastic role.

Although the absence of Mr. Aleshire has hurt the Minot State Thespians, things are far from dead. Some of their plans include a one-act play and the presentation of excerpts from certain plays. Members are also doing sketches and excerpts at the biweekly meetings in the Fireplace Room. These performances are then constructively criticized by the other members, a la Actors Studio.

## BEAVER STAFF Presents Journalistic

An enthusiastic staff, scores of ideas and the necessary materials for the 1958 BEAVER were gathered in the yearbook office in the Student Union basement. Then began a year packed with deadlines, class pictures, the Miss BEAVER pageant, and impromptu parties. Very

late evenings of work were punctuated by visits from our RED AND GREEN staff neighbors, strange noises, the janitor coming in to shovel up the floor, and the arrival of the friendly photographers. The result of our work is this

book: We hope you like it.

The members of the BEAVER staff feel we have accomplished our goals: to produce a yearbook which reflects life at MSTC, teach responsibility and bring abilities to light, and teach the satisfaction of making something permanent. We wish to thank the many people who helped, especially Dr. Lura and Mr. Davidson who kept us on schedule and out of the red. We owe a debt of gratitude to Miss Foley, our adviser, who has been a one woman staff of experts in our problems.

## RED AND GREEN

For the first time in many years the RED AND GREEN was published twice a month during the 1957-58 college year. The staff hoped in this way to better serve everyone by reporting future news instead of giving reviews of past news.

Of course, coming out more often meant more work for all of us. We spent twice as much time in our office in the basement of the College Union, read what seemed like twice as much copy, wrote twice as many headlines and perhaps, drank twice as much coffee.

In the few spare moments we had between issues we read criticisms, and papers

from other colleges, but above all, planned for the next paper. One of the biggest helps to the RED AND GREEN staff was the criticisms we received from the Associated Collegiate Press on consecutive issues of the paper. These criticisms helped us to improve the papers and bring up its journalistic quality.

Though we spend long, hard hours on the paper, it is reward enough to walk into the Union on the publication day and see every pair of eyes searching a copy of the RED AND GREEN for their name or that of a friend or roommate.

## Alumni Association Numbers Nearly 7,000

The Alumni Association wishes to congratulate Miss McCulloch, Alumni Director, on being the first winner of Minot's Golden Deeds Award. The Award, given by the Exchange Club, was in recognition of her work in making the college known as a vital and active part of the community.

The MSTC Alumni Association to date numbers nearly 7,000 members, 6,908 to be exact. This includes 1,818 degree graduates and 5,090 standards. In the past the standards have not always been counted, but in the future they will be. And why not? One may develop a love of our college and a desire and willingness to work for it in one year, let alone four.

In the past the methods of joining the Association have not always been consistent, but the Administration Council of the MSTC faculty and the representatives of the Alumni Association held a meeting and adjusted some overlapping details. Moreover, any student who has ever attended MSTC is eligible to join.

# Beta Gamma Phi Science Club

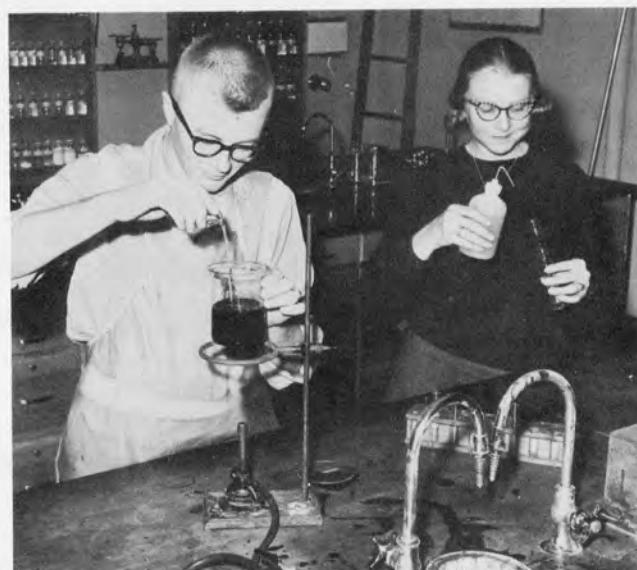

The Beta Gamma Phi Science Club is celebrating its first anniversary this year. It was organized by faculty and students with interests in this field who felt a need for such a group. This club has had many guest speakers lecture at the regular monthly meetings. Last year the members took a three day trip to Laurel, Montana, and observed the refining of crude oil into all of its useful components.

The club's activities center around lectures, field trips, movies, demonstrations, and experiments. These projects are planned "to give the individual an opportunity to develop and broaden his scientific interest."

The science club cordially welcomes anyone interested in belonging to this group.

## Phi Sigma Pi Hears Speakers

Phi Sigma Pi is a national professional education fraternity for men. It is founded upon the basis of high scholarship and with the objective of advancing educational ideals. This fraternity strives to give its members a higher and more purposeful understanding in the field of education.

It accomplishes this by having well-known speakers give enlightening talks on educational problems during the regular meetings. "Brothers are we in Phi Sigma Pi; knowledge the teacher, still the means of life...."

Marvin Johns, Ken Johnson and Jack Block, members of the Phi Sigma Pi, are talking things over.

## Kappa Delta Pi Gains New Members

Kappa Delta Pi, a national co-educational honor society in the field of education, offers membership to persons who exhibit commendable personal qualities, worthy educational ideals and sound scholarship.

Requirements for this local chapter are: a 2.06 over-all academic average, senior college standing and completion of a required number of education courses.

The objective of Kappa Delta Pi, as stated in its constitution, is "... to encourage high professional, intellectual and personal standards and to recognize outstanding contributions to education." Its members are expected to be interested in the improvement of the teaching service, to obligate themselves to strive to improve the teaching profession and exhibit high standards of education and conduct.

Zeta Xi chapter of Kappa Delta Pi has been active on campus for 10 years. Each year the chapter strives to promote higher scholarship and encourage and increase interest in education.

## Student Association Completes Twenty

For some students, spring quarter means a time of intense preparation and activity for it brings the Student Association elections. Pre-election work, started by Greek organizations long before election, culminates in a rally at McFarland Auditorium. To the blare of campaign bands, poster-carrying students try to sweep their opponents off the floor by sheer razzle-dazzle.

Beneath all the excitement, however, is the serious business of electing the leaders of the student government for the coming year.

The Student Association, since its inception in 1938, has a long record of worthwhile achievements. Much of its work is done under the direction of the Social, Convocation, Publications and Student Affairs committees and other temporary ones.

SOCIAL COMMITTEE: Miss White, Mr. Phillips, Darrell Anderson, Kay Homer, Miss Eggers, Marion Smith, Wayne Lenaburg, Mrs. Lyman, and Arnie Nelson.

BOARD OF PUBLICATIONS: Steve Mengel, Patsy Wrolstad, Marilyn Malke, David Reiser, JoAnne Rowe.

Mr. Bussee, Murray Anderson, and Dale Backen go over plans for future work.

## Years of Student Government

Under the capable advisorship of Mr. Manning, they have, in cooperation with the Administration Council, secured longer hours for the library, revised the Student Handbook, promoted social affairs and now are trying to obtain student cooperation for a fund raising drive to finance a unique advertising campaign. This campaign for a proposed 1 mill levy to finance statewide school construction will mean new dormitories for MSTC if it is

successful.

Of universal concern in SA was the lack of participation by the students. Meetings are open to all and if a student has something to contribute he is welcome to attend and participate in running his school.

Feet on the ground, head in the sky, the SA is working toward a better college for everyone.

CONVOCATION COMMITTEE: Dale Backen, Mr. Moore, Mr. Bussee, Miss Eggers, Mr. Sillers, Murray Anderson, Marlys Tofte, Marge Sather, and Mr. Shearer.

## Enjoy Friendships

Our candidate for Miss Beaver Contest was MariAnne Geiger, Kenmare. During the year, we sponsored bake sales, had a tea during Homecoming festivities, a Christmas Party for the girls at the Dorm, an all-school party November 22, with bingo, whist, and dancing. In the spring we had a huge picnic where we ate all the food we could.

## Pioneer Hall Men Tell

To a portion of the men at college, Pioneer Hall is both a sanctuary and a base of operation. It is from these orderly rooms that they go into the many varied organizations they represent. Here, under the supervision of Dr. Warren G. Allen who just survived his first year, the fellows sleep, form friendships, and occasionally hit the books. An air of congeniality pervades the Hall from the lounge where

Striving to promote professional interest and activity in its members, around the campus, and throughout the community, the Student National Education Association is an organization for young men and women enrolled in the educational curriculum.

The purpose of this organization is to give its members knowledge of, experiences in, and inspiration toward the profession of teaching to which they will devote their lives.

This local chapter of SNEA is affiliated with the state and national NDEA and NEA organizations. The yearly membership fee is three dollars, of which one dollar is local, one state, and one national, thus giving the support of the state and national organizations to our local group.

This past fall the state SNEA Convention was held here in Minot, and throughout the past year monthly meetings featured programs consisting of panel groups of our own members as well as campus laboratory school students which served the campus and public school PTA's in the Minot vicinity, guest speakers, and other professional and social activities on campus.

SNEA urges all persons in the field of education to join and partake in this organization. Do not wait until you are about to graduate; become interested in and active now!

## Inter-Varsity Christian Fellowship Active in Local Churches

Weekly Bible study and prayer meetings comprised a major part of the activity of the Inter-Varsity Christian Fellowship during the past year. Students were given opportunities to prepare and lead the informal studies. Several special speakers spoke at the regular meetings.

Local churches enjoyed the services of the group several times, as members presented musical numbers and gave short talks. Monthly social meetings were also on the agenda.

Inter - Varsity is non - denominational, and is made up of students from varied evangelical backgrounds. Its principal purposes are to promote spiritual growth through prayer and study of the Bible, and to provide opportunities to get to know others of similar religious faiths.

Officers are Earl Shearer and Betsy Nokleby, advisers; Phyllis Seibel, treasurer; Florine Simbalenko, secretary; and Edna Berg, president.

Man shall not live by bread alone—no matter what a student's religious preference, there is a church group he can join for the enrichment of his life. The Catholic students belong to Newman Club, a worldwide organization named after its founder, the famous convert, Cardinal Newman. Meetings twice a week are under the direction of Father Andrews, Newman adviser and pastor of the Little Flower church.

Guest speakers are heard often. One such occasion was a successful and informative lecture on "Mixed Marriages and You" by Father McKenna from Mohall.

Socially the Newman Club sponsored their annual "Hobo Hop" where one saw an assemblage of the worst dressed students on earth. Prizes were given to "Worst Dressed," Everett Leitzke and Marjorie Bradley.

Tribute was paid to area parish priests at the annual Father's Day Banquet. College members enjoyed a dinner with their home town pastors, as each priest contributed anecdotes or a number to the program.

The Club also participated in Cardinal Newman Week. Living Rosary was said during the Marion Hour at the Little Flower Church. After Ash Wednesday devotions the biography of Cardinal Newman was read and the goals of Newman Club reviewed by the members.

## Conferences Highlight Wesley Foundation Year

One responsibility of Christian youth is to deepen his faith in God. With this purpose in mind the Wesley Foundation strives to center its programs around three basic objectives. Through intellectual pursuits, recreation, and worship of God we strive to become true Christian witnesses.

Some of this year's functions included programs devoted to recreation, study of other faiths, supper meetings, deputations, and retreats. This year Wesley also sponsored a fall retreat in an effort to build fellowship and enthusiasm early in the year. The concluding highlight of the year annually is a Spring Retreat.

The year's highlights have included many conferences, national, regional, and local. Two members attended the Regional Leadership Training Camp at Lake Poinsett in South Dakota late last summer. In November ten students attended the State Convention held in Valley City. During Christmas vacation five members of our group represented Minot at the National Quadrennial Conference of MSM held at Lawrence, Kansas. The North Dakota delegation numbered 35. In the spring quarter the Minot Wesley Foundation will host the State Spring Conference.

## American-Canadian Relations Topic at Peace Garden Conference

The lovely autumn trip to the sixth International Peace Gardens Conference was a welcome one to the 31 Minot State Teachers College students and six faculty members who met with Brandon College students to discuss American-Canadian relations. The day, which was filled with two banquets, two rounds of interesting panels, and a tour of the Peace Gardens, certainly achieved its purposes, to create a better understanding of world affairs and contribute to a friendly spirit between the two countries.

Dr. Eric Kollman, the main speaker of the evening, is an outstanding educator who is presently at Cornell College. His interesting speech was interjected with anecdotes and jokes which added to the friendly atmosphere.

Student directors in charge of the Minot delegation were Orlin Backes and Donna Jean Selk.

Gamma Delta, an international association of Lutheran college and university students, meets every other Wednesday at the new St. Mark's Church. It is sponsored by the Student Service Commission of the Lutheran Church, Missouri Synod, and is governed by Lutheran Students of the Synodical Conference. Gamma Iota, the chapter on MSTC's campus, was organized seven years ago.

The purpose of this group is to train the Lutheran students for intelligent leadership in the Church, to increase and establish Lutheran consciousness on the campus and to promote fraternal relations with Lutheran students of other colleges and universities.

The activities of the chapter are spiritual, cultural, social and athletic in nature. The pastoral advisor is the Rev. Robert Plagens.

The Roger Williams Fellowship was started in 1954 under the direction of the Rev. E. A. Lambert, who is still adviser to the group. Since that time the group has increased considerably from five to sixty members. The Fellowship meets on the first and third Wednesdays of the month for panel discussions, social gatherings or to hear guest speakers. The purpose of the group is to provide Christian fellowship among

Different groups during the year were sent out as gospel teams to perform services in neighboring churches. The formal spring banquet in April and a party with some of the other religious organizations at the college were two of the highlights of this year.

## Westminster Fellowship Enjoys Active Year

The members of Westminster Fellowship are very proud of their new meeting place, the newly built Presbyterian Church at the end of tenth avenue. This group strives to further their Christian ideal by working with others of like purpose and inviting them to join in building a Christian experience in worship and study.

Every Wednesday evening one can find them at either supper meetings, listening to guest speakers, having panels or participating in worship and discussion.

This year kept them quite busy working in the new church library, visiting the Veteran's hospital and calling on shut-ins. They felt one of the most interesting things was the sponsoring of gospel teams to different towns and speaking in church services.

The Rev. Kenneth Lehmen is adviser of the group.

## John Robinson Promotes Spiritual Growth

To promote spiritual growth in the individual, and cooperation and fellowship among church groups on campus, is the purpose of the John Robinson Club. Supper meetings are every Wednesday evening at the Congregational Church, with each member paying a small fee to cover the expense of these meals.

Programs of the year included discussions on other faiths, a more detailed study of the Life of Christ and animated extemporaneous discussions on other important issues. As a special service project the group planned and conducted church services in the area where pastor vacancies existed.

Leading the group this year are President Charles Kraus, Vice President Marion Smith, Secretary Carole Walton, Treasurer Eleanor Terpening and Advisers, Dr. and Mrs. Paul Morrison.

Friendly supper meetings are a weekly affair.

"Service to the School" is the main ambition put forth by the Mu Sigma Tau fraternity, a social organization for men at Minot State Teachers College, organized January 26, 1926.

This statement was made a reality again this fall quarter when the Mu Sigs gathered the names, addresses and telephone numbers of all students and faculty members and published them in the form of a student directory.

## Directory; Holds Mu Sigma Tau Sweetheart Ball

As stated in the by-laws of the constitution of the Mu Sigma Tau fraternity, another big purpose of the fraternity is to advance the development of character, leadership and scholarship among its members. This was accomplished by giving the members the opportunity to undertake projects and discuss mutual problems intelligently with men who share many opinions and ideals.

Besides a fall smoker for men, the Mu Sig Sweetheart Ball, a public dance between quarters and the annual Mu Sig Alumni Breakfast, the fraternity has hosted many informal dances during the year.

The climax of the school year was the Mu Sig formal held during the spring quarter. Extensive decorating along one main theme, and a top-flight orchestra for dance music made the formal a memorable event.

So, at the end of another successful year, the Mu Sigma Tau fraternity wishes to extend a sincere "Thank You" to advisers, Mr. Busse and Mr. Aleshire, for the many times they have aided the group, and to President Dick Jensen, who can be proud of a tough job successfully completed.

## TEKE's First Year

Epsilon Omega chapter of Tau Kappa Epsilon originally started as the Kota Klub on the MSTC campus in 1924, receiving a state charter as the Alpha Kappa Delta Fraternity in 1926.

The BIG DAY, May 18, 1957, the Alpha Kaps moved forward and took that big step—going national. We affiliated ourselves with the Tau Kappa Epsilon Fraternity, the fourth largest national fraternity in the United States.

That morning we entered the Union with notebooks in hand to take notes on lectures delivered by National officers and representatives.

After a day of testing we dined at the First Lutheran

Our motto, "The fraternity for life," is simply what we believe to be one of the prime purposes and functions of a fraternity. It should foster a feeling of brotherhood between its members for life rather than for the short span of one's college days.

Highlighting our year's social activities are the annual Fall Frolic, Winter Party and the Red Carnation Ball. At our Fall Frolic we gave to two people a turkey or goose if they happened to have the lucky numbers. The Winter Party is for fraternity members only as is the Red Carnation Ball. ## Beta President

Paging through the Beta Theta scrapbook for 1957-58, we see many activities and hard work recorded. We started the year during Freshman Week, escorting freshmen girls to the Municipal Auditorium style show. Fall rushing brought new talent and personalities into our group.

Though we didn't win a prize on our pink and silver float, "Say It With Music," Homecoming was especially exciting. Our candidate, Donna Jean Selk, became queen. We had a record attendance at our alumnae breakfast.

## Crowned Homecoming Queen; Elect Snow King

November 1 found the College Union decorated with ghosts, grinning jack-o-lanterns, black cats and packed with collegians for our Halloween party. At our all-school Christmas party on December 14, Santa Claus made his usual appearance with gifts for the other Greek organizations. After the Christmas holidays our winter rush tea made a sizeable increase in our membership.

In February, Merlynn Olson, Snow King of 1957, crowned the new king, elected by all students attending Beta Theta Play Day.

We are proud of our Miss Beaver candidates who were Donna Dockter and Carol Sue Smith.

Miss Helen White and Mrs. Carol Belinskey, our advisers, deserve a big thank you for their devoted service. They played a big role in making the school year a successful one.

Officers are Miss White, adviser; Lauretta Yager, corresponding secretary; Janis Holmes, corresponding secretary; Donna Jean Selk, president; and Mary Iverson, secretary. Not pictured are Mrs. Belinskey, adviser; Marlys Brudvik, vice president; and Carolyn Adam, treasurer.

## Phi Chooses Lil Abner; Plan Weekend Retreat

The group numbered 26 at the beginning of the fall quarter. Six pledges were gained in fall rushing and 19 more in the winter quarter.

Margie Sausker was the Delta Phi Homecoming Queen candidate, and the float "A Toast to MSTC" won third place. L'il Abner, Wayne Lenaburg, was chosen at the annual Sadie Hawkins party, a college favorite. A Christmas party, spring rushing and a very enjoyable weekend at Kenosee Lake were some of the other activities rounding out the Delta Phi year.

The Delta Phi's would like to extend their sincere thanks to Miss Reishus, Mrs. Zimmerman and Miss Christenson, our advisers, and to Beverly Metzger, our president.

## Visit of

Sigma Sigma Sigma, the only national sorority on campus, has led an active year at the college, as well as participating in its national functions. The year began with the Homecoming breakfast as returning Sigmas gathered beneath Chinese lanterns and flowers to hear the campus news. The Sigma float, "Madame Butterfly," received many hours of attention in those busy days, as did campaigning for Marion Klaudt, our Queen candidate.

The Sigma Autumn Nocturn, an annual event, was again enjoyed by a large number of couples.

The Christmas Bazaar included items for sale from sequined felt stockings.

Mrs. Eva "Mom" Benest smiles from the front walk of the Sigma house on ninth avenue.

La Vonne Brandt receives her silence week card from Sigma president Helen Fay at the winter rush tea.

## Chapter Inspector Crowns Tri Sigma Year

to fruit cakes, all home made. The Cotton Ball and Dream Man party later in the year were very successful. Other projects included car washes, rush teas and parties for the pledges.

The Beta Iota chapter of Sigma Sigma Sigma was especially honored this year to have Mrs. Chester Kyle, a Sigma national inspector, on campus. She visited over an event-filled weekend in the fall, and when Mrs. Kyle left, it was with many happy memories shared with her "singing sorority chapter" members.

Other national ties Sigmas shared were social service projects such as the Robbie Page Memorial Fund for patients at Chapel Hill, South Carolina, the Tri Sigma Bookshelves to contribute books to the John Randolph Library, and many others.

The aims of Tri Sigma are to establish among its members a perpetual bond of friendship, to develop strong character and to impress upon the members high standards of conduct. It promotes high scholarship, good spiritual ideals and the development of social poise and charm.

At the end of the year, the Sigmas wish to thank Mrs. Hartnett, Miss Hoffine and Miss Foley and President Helen Fay.

Jean Lierbo accompanied Pauline Bucklin at the Sigma rush tea.

Sigma officers are Rose Marie Cavanaugh, recording secretary; Miss Hoffine, adviser; Marilyn Malke, vice president; Helen Fay, president; Mrs. Hartnett, adviser; Janice Swenson, treasurer; and Madelyne Russell, corresponding secretary.

Sigma winter pledges are: Front Row: Pat Pfau, Gwen Steinwand, Lavonne Groniger, Kathleen King, Gaynor Ihla. Middle Row: Pat Kuykendall, Mary Lou Wieman, Luella Maas, Myrna Berg, Jean Ralston, Shirley Strain. Back Row: Gayle Fryckman, Marilyn Swanson, Charlene Kragness, Joyce Wehrman, Gretchen Werzel, LaVonne Brandt, Charlotte Cain.

## Sigmas Add Twenty Pledges to Their Number

Sigmas are especially proud of this page in their scrapbook, showing Marion Klaudt, Miss Hoffine, adviser, Mrs. Rachel Kyle, and Mrs. Hartnett, adviser, at a tea honoring Mrs. Kyle, the Sigma national inspecting officer.

Sigma Marion Klaudt, Joyce Olson and Helen Fay must be doing well from the approving glance of Kay Homer, a Delta Phi bowling neighbor. Marge Sausker watches.

Members of the Panhellenic Council are Miss Eggers, Kathy McCann, Jan Day, Helen Fay, Jean Brooks, Bev Scott, Carole Walton, Bev Metzger, Mrs. Zimmerman, Donna Jean Selk and Carol Carlson.

## Two Councils Help Direct Greek Activities

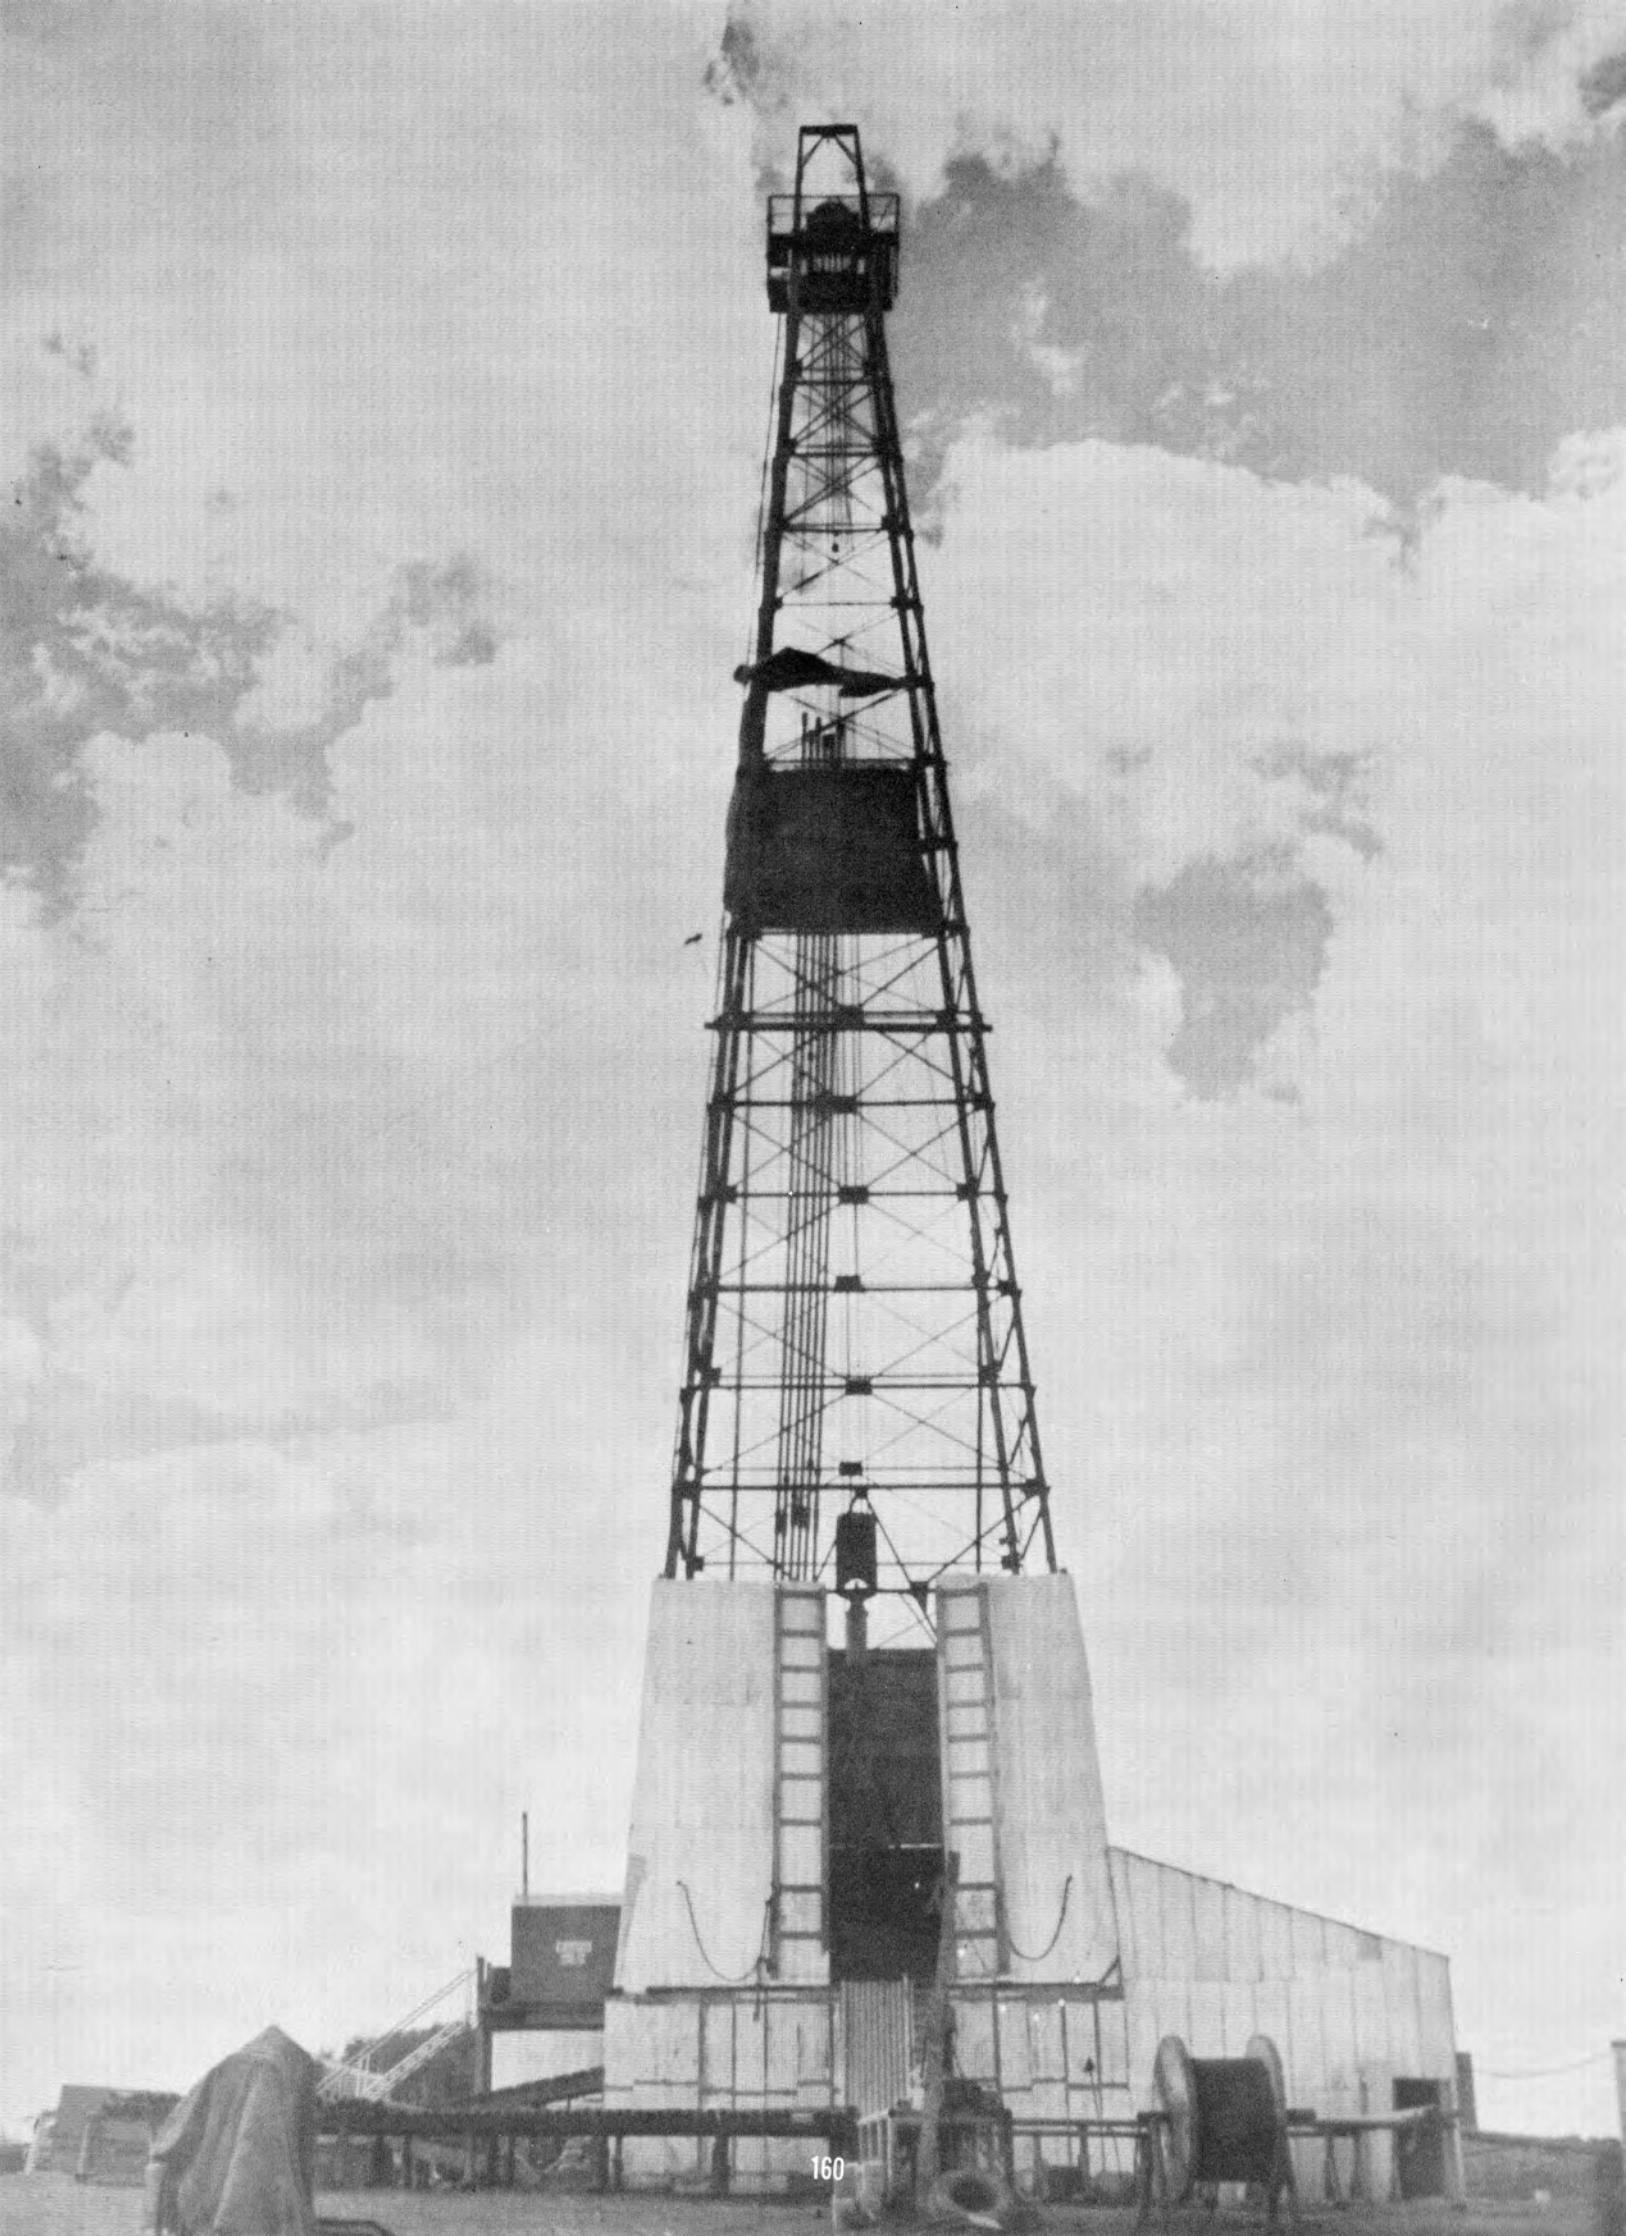

The purposes of these organizations are to promote even better cooperation among sororities and fraternities on campus, to provide an opportunity for discussion of matters of common interest, to make rules governing

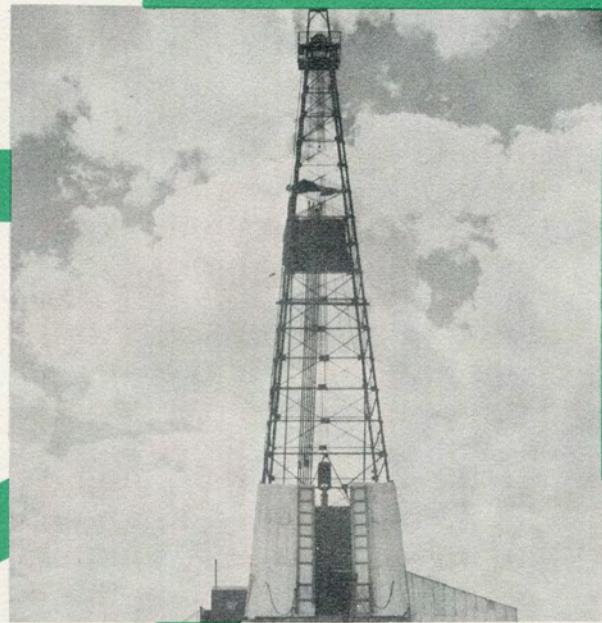

these matters and to take action in the event of any broken regulations.

The Panhellenic Council sponsored a formal this year using a Grecian theme. Many couples attended the even February 1.

Members of the Interfraternity Council are Orlin Backes, Dick Jensen, Vern Neidlinger and Everett Leitzke.

## Homecoming Committee

Freshmen started off our Homecoming wearing green and red beanies to advertise our college and the event of October 10-11-12. Ken Johnson and the Homecoming Committee worked weeks before the first event of campaigning for Queen began.

Thursday evening started when 20 freshmen, carrying lighted torches, marched around the football field and lit a big MSTC; this was followed by a Pep Rally, dance, and Beard Contest where the shaggiest and most continental beards were chosen.

MSTC is proud of Queen Donna Jean Selk and Princesses Marion Klaudt and Marge Sausker.

## Sets Off Whirl of Opening Events

Friday brought the parents to campus for the first Parents Day. Tours, coffee hours, and entertainment were provided for them.

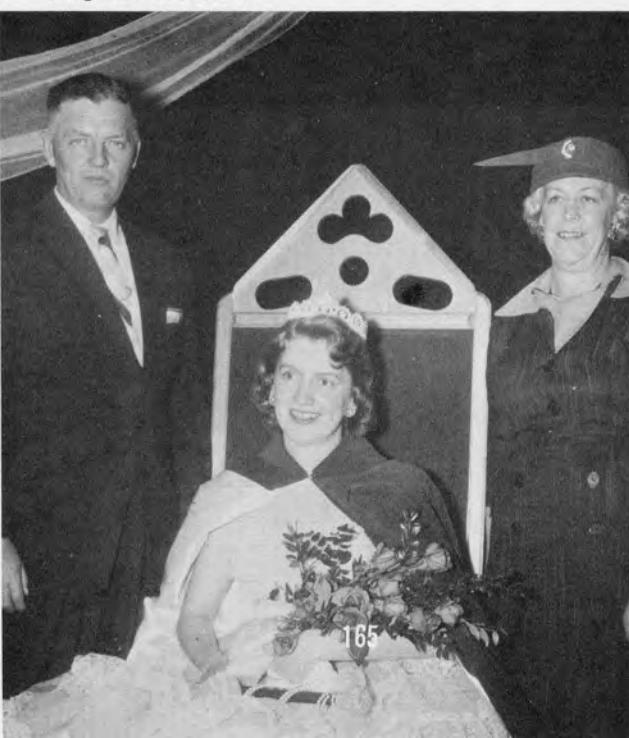

To the setting of "Dream Come True" with white pillars draped in white misty cloth and a men's chorus singing "At Your Command," Donna Jean Selk paraded up the aisle to be crowned Homecoming Queen of 1957. After the knighting of Homecoming Chairman Ken John-

son, the royal court was entertained by a girls' triple trio singing "All the Things You Are." Introduced by Mistress of Ceremonies Janice Day, a program of "This Is My Song" by Danny Hennum, a saxophone solo by Alton Burns, a reading for her majesty by Janice Larson and presentation of gifts by Jean Lierbo was given. JoAnn Rowe concluded the program singing "The Way You Look Tonight."

Ken Johnson and Queen Donna enjoyed the program.

Mu Sigs went "Around the World" for second place in the float contest.

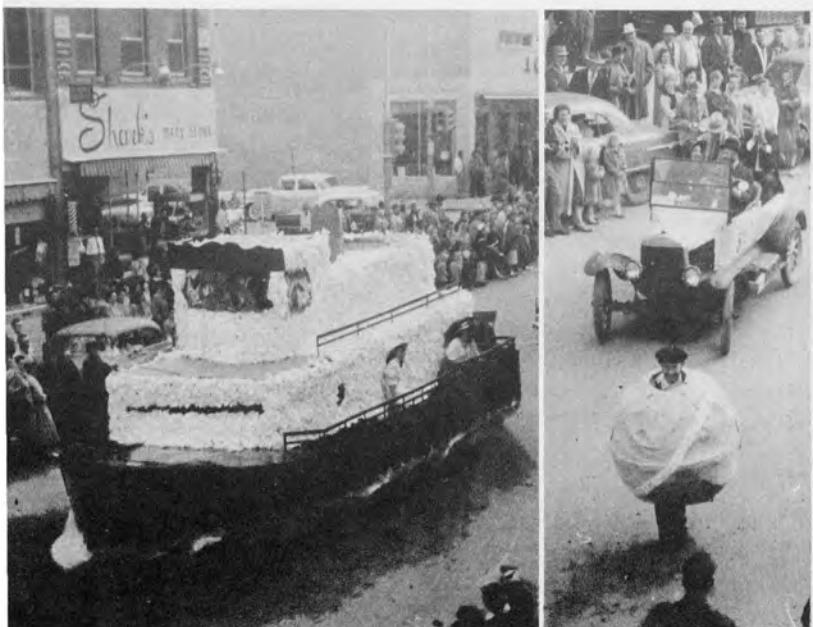

The freshman showboat, "The Queen Donna," floated down main street, and Sputnik's orbit crossed that of the MSTC parade.

## Homecoming Ended

To the hundreds of Minot area children lining the streets early Saturday afternoon, the MSTC Homecoming parade, to the theme of "Musical Panorama," was an exciting event. This climaxed many hours of hard work for the sororities, fraternities and freshmen who entered floats in the parade.

"Say It With Music," the Beta Theta float, was a symphony in pink and silver.

TKE won first place with Uncle Remus' "Song of the South."

Action at Homecoming game and pep rallies was sparked by cheerleaders Diane Nelson, Vonnie Ness, Carol Afseth, Chummy King and Carol Sue Smith.

## in Whirl of Colorful Events

With Queen Donna throwing in the football to captain Leo Haberlack and the cheerleaders leading "On, You Beavers," the game was off to a fine start. Half time program numbers included the marching band in formation,

presentation of the Queen and Court, and was highlighted by the announcement of the winning float. Dancing to the romantic music of Russ Carlyle in the evening was a fitting conclusion to a wonderful Homecoming.

TKE President Orlin Backes proudly received the first place trophy from Mrs. Gwen Hellebust, president of the Alumni Association.

MSTC students and alumni enjoyed the final event of Homecoming.

Duke Mantee (Steve Mengel) and Jackie (David Reiser) intimidated Gabby Maple and the rest of the people of the Black Mesa Bar B-Q.

## "The Petrified Forest" Electrifies Audience

Some spectators at the Campus Players performance of "Petrified Forest" were astounded at the stark realism of the lines of characters in the Robert Sherwood drama. However, most of the audience seemed to agree that the mature attitude of the cast and theme of the play rose above the cynical speeches used to further the action.

The action of the play took place during an afternoon and evening of a day in 1934 at the Black Mesa Bar B-Q, an isolated gas station and lunch counter in the Arizona desert. The fast action and disturbing ideas posed a sharp contrast against the even tenor of existence at the cafe.

The uneventful lives of Gramp, Jason and Gabby Maple, who owned the Bar B-Q, and Boze Hertzlinger and Paula, who worked there, were interrupted by the invasion of Duke Mantee, a big-time gangster fleeing for his life, and Jackie, Ruby and Pyles, his gunmen. The most important interruption in their boring existence, however, was not the thugs and the lawmen who captured them, but the arrival from nowhere of Alan Squires, an educated vagabond with dreams of a different future. The story moved to a swift and eventful close.

This large group from Minot presented Handel's Messiah.

The twenty-fourth presentation of George Fredrick Handel's oratorio, "The Messiah," was given this year by a chorus of 200 members accompanied by a string ensemble under the direction of Arturo Petrucci. The soloists for the performance were Mrs. Harold B.

Kildahl, contralto; Mrs. Fred Crane, soprano; Ernest C. Livingston, bass; and Larus J. W. Thomasson, tenor. The entire performance was under the direction of Mr. Fred Crane, vocal director at Minot State Teachers College.

were grouped the tables. Small replicas of a Greek temple and a short white candle adorned each table.

The lack of a floor show was not noticed by the couples whirling to the music of the Esquires.

## Frontier, Winter Parties

February 22, the Tau Kappa Epsilon fraternity held its annual winter party. The student Union was turned into a dimly-lit, smoky scene, reminiscent of the 1920 prohibition era and the days of the speak-easy.

There were the "Big Boys" with their cigars and raccoon coats, and the gay young flappers gowned in shapeless dresses with

ropes and ropes of beads. Some huddled over the roulette and dice tables to gamble with play dollars. Others stood around the "bar" or danced to that new jazz, provided by Gene Biuhjell and his combo from Bismarck, as TEKEs and dates Charleston to complete an evening typically '20.

## Take-off on "Lil' Abner" Wins Kampus Kapers for Tri Sigmas, Mu Sigs

One of the last important events of the school year of 1957 was Kampus Kapers. The Greek letter organizations on campus worked for two months to produce their acts. The Sigma-Mu Sig combination, a satire on the Broadway musical L'il Abner won over the TKE-Beta-Delta Phi Act "It's A Good Day,"

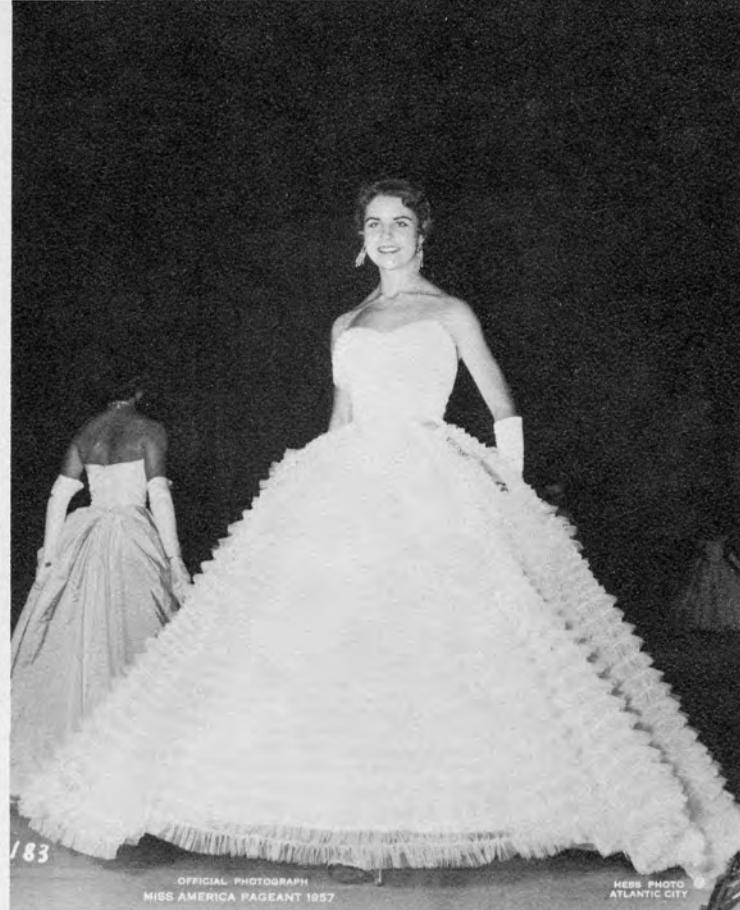

a 1920's production, by a narrow margin.

The "L'il Abner" skit starred Virginia Hanson as Daisey Mae and Bob McIlroy as I'l Abner. As a large cast of Dogpatchers danced, sang and chased their way across the stage and into the audience in a gay production of the Sadie Hawkins Day events.

Dennis Host sings one of the many and varied songs of the hit as the Dogpatchers look on.

The five finalists were chosen by semi-final judges in the annual Miss Beaver for 1958 Contest sponsored by the BEAVER. The finalists were selected from a group of 12 girls sponsored by the Greek letter organizations, Pioneer Hall and Dakota Hall.

Following a private interview, a dinner and the pageant, the five semifinal judges rated each girl on the basis of talent, poise, personality and beauty.

Semi-finalists are: Front Row: Jackie Tarvestad, Vonnie Ness. Back Row: Lynda Carufel, Jean Lierbo, Gail Jacobson.

*Official portrait of Miss Beaver, made  
by Mr. Meizitis.*

Hello, there!

The yearbook, the 1958 BEAVER, is completed now. I hope that you enjoy receiving it this spring and looking at it whenever you take it down in the years to come.

I would like to thank the many people, beside my wonderful staff, who helped to put out the yearbook. Much credit is due to Mr. Davidson and Dr. Lura, our two other advisers; to Semco Color Press and all the people there; to Mr. Walter Sherman, who represents them and still is always more of a friend and adviser than a salesman; to Mr. Peteris Meizitis, for making the lovely Miss Beaver pictures; to all the people who arranged for pictures and copy, who identified pictures for me, and who got caught on impromptu typing parties. I would especially like to thank Kay Homer, my partner in crime, for the fine job she did on the ads and Miss Foley, without whom this book could not have been printed. To my neighbors in the Red and Green office, a word of thanks for use of typewriters, telephone, cars, and everything else we needed.

We all wish to congratulate Jean Lierbo, Miss Beaver of 1958, and wish her luck in the Miss North Dakota contest.

I hope you enjoy your BEAVERS!

Sincerely,  
Cleo Loveland  
Editor
