## Dedication

A concern for the individual . . . a concern for fairness . . . a concern for faculty and students . . . and above all a concern for the finest of educational institutions. Minot State College characterizes this individual as friendly and approachable. An office door that is always open. We know these attributes that characterize him so well. It would take too much time and space to write all of his achievements and of all he has done for MSC. We are all aware of them however. In his many duties and re-

sponsibilities he has not forgotten the publications department. Who among us has not failed to notice how faithfully he has supported our undertakings. He shows great interest in all individuals on publications and attends all functions connected with the Beaver. Nor do we want to forget his lovely wife whose interest and helpfulness have been noted and appreciated. To President C. P. Lura the editor and adviser proudly dedicate this book.

MINOT STATE COLLEGE

# FOREWORD

In the wake of progress many old things must fade away for marks of the present and future. The stream of progress takes a freshman up to the podium for his diploma and his next step is into the rapids of life. Progress brings into one's life memories of things past and thoughts of future plans. Minot State College is now engulfed in the first mild ripples of progress and will soon be right in the middle of the fast moving stream. We must not let the stream drown us; we must plan ahead and be prepared for change.

Oftentimes change and progress are not as dramatic as we would like or imagine them to be. Behind these transformations lie hard and often tedious hours of study. Of course a class outdoors is always welcome. Sometimes warnings are annoying, but awards at the end of the year make obstacles disappear.

## Growth, Progress

Minot State College has grown from a small campus of about 200 students to a larger one of 1,841. When the college was established, it was primarily for the education of teachers, but today it offers courses in many different fields. In its beginning the college was all alone out here in the hinterlands of Minot. Now the college has grown and right along with it Minot has developed into a booming metropolis. The campus first consisted of four buildings, but now it is a somewhat larger campus of ten buildings. Minot State College has grown a great deal during the past years and is still growing. We as students must be prepared for these changes.

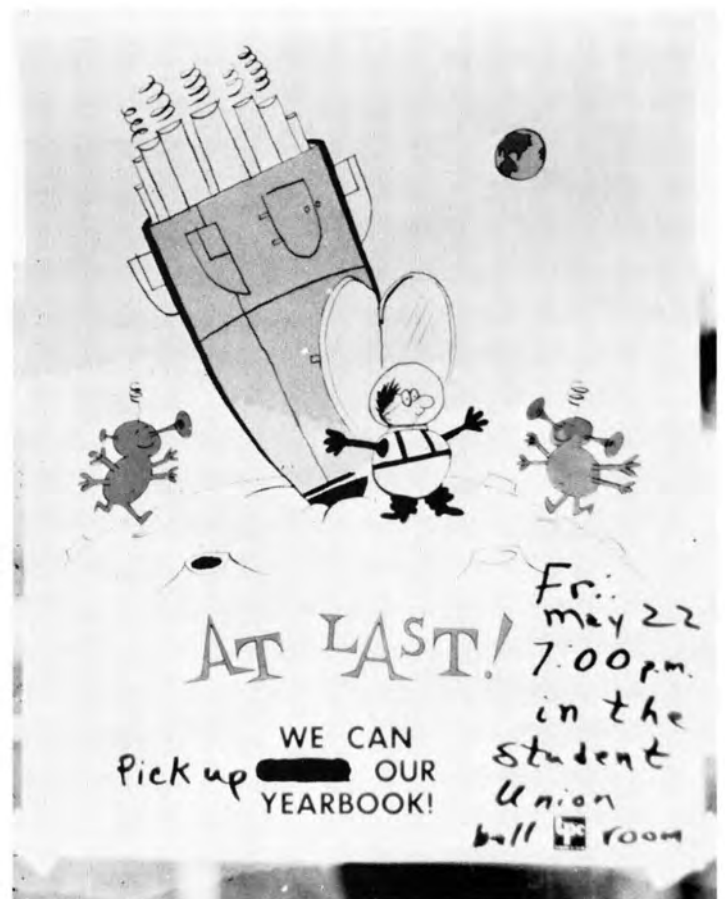

Reaching a goal in college life is not all books. Extracurricular activities are important to the individual and college as a whole. And signs again—progress—but we wonder whether we could go faster in that particular terrain than the posted limit.

MINOT STATE COLLEGE

# ADMINISTRATION and FACULTY

## From the President's Desk . . .

Greetings:

A college is people—younger and older—engaged in the important activities of learning and teaching in the broadest sense and including social as well as academic and professional pursuits.

Minot State College is proud of its program in all these regards. It takes steps to assure that desirable activities are fostered both in and out of the classroom with the hope and expectation that it thereby serves

its people well.

This fine book, the 1965 "Beaver," depicts the college program in action. We commend it to your viewing and we commend the "Beaver" staff on a job very well done.

Sincerely,

C. Lura  
President

## GREETINGS!

It is a great pleasure for me to once again have this opportunity of extending my best wishes to each of you through the pages of the Minot State College Beaver.

North Dakota is rapidly moving into one of the most challenging and exciting periods of its history. We will need the best minds and talents available if we are to meet these challenges and opportunities.

I congratulate each of you for your initiative and perseverance in pursuing a college education at one of our outstanding schools of higher learning. I am sure that each of you will gladly accept the responsibilities that will accompany the skills and abilities you will take with you as you take up new lives in various communities.

I wish you the best of success and happiness in the months and years ahead.

Sincerely,

William L. Guy  
Governor

## Our Best Interests Are in Their Hands

The State Board of Higher Education is responsible for the general management of Minot State College and is the final authority in all matters affecting this institution. It exercises jurisdiction over the financial,

educational and other policies and entrusts the execution of all its plans and policies with the administration of the college to the President and the faculty.

ROW ONE: Albert Haas, Mrs. Elvira Jestrab, Mrs. Mildred Johnson, John Conrad; president. ROW TWO: Henry P. Sullivan, Fred Orth, Martin Kruse; vice president, Commissioner Kenneth E. Raschke, Assistant Commissioner Lloyd Nygaard.

# Administrative Duties Are Theirs

DR. RANDOLPH N. FOSTER  
Dean of the College

Those persons holding positions of authority can be found in their shiny new offices on the second floor of the Administration Building. There are a total of 124 years of experience in these offices with spans ranging from 2 to 36 years. Dr. Norem, Vice President of MSC, holds the distinction of having acquired the largest number of years of experience among the administrators.

In order to further the interests of the college in all fields of endeavor, they are never too busy to lend a helping hand to the student whenever assistance is requested. Besides the everyday tasks which their positions entail, many have shown interest in extracurricular activities by serving in an advisory capacity.

With few encouraging words, they continue in their work of keeping the college running smoothly and efficiently.

MISS ELLEN V. JOHNSON  
Education

New to the division of education and psychology this year are two members of the psychology staff, James Brandt and Miss Carole Hoadley, completing a relatively new staff as Dr. Mauderie Saunders, the only other psychology teacher, has completed her second year at MSC.

Correlating and applying all other divisions to the teaching of methods and theory to initiate the student to the teacher situation is the main objective of the division. Opportunities to observe and teach in the real situation at Campus School are presented to anyone taking courses in education.

## Aleshire Heads Division

Chairman of the division of literature and language and member of the faculty for 24 years, Dr. John D. Scheffer took a 1-year leave of absence in 1964-65 to travel. Plans were to spend some time in both hemispheres. Acting as chairman of the division, one of the largest, this past year was Harold G. Aleshire.

The increased demand for foreign languages has caused the need for expansion of the language laboratory in the near future; the laboratory was originally started one year ago. The present setup consisting of 20 booths and a console make it possible to have seven different tapes playing at one time for the students using the system. Facilities are already such that the number of booths can be increased further.

## Variety

Included in this division are a variety of many extracurricular activities. The forensics team under the direction of Dennis Winters has collected many trophies and achievements to their credit for MSC. This year the team served as hosts to a forensics tournament.

Richard Hesler, head of the dramatics, began the year with the presentation of *J. B.* which made a very fine showing.

During the spring of 1964, an honorary professional English fraternity, Sigma Tau Delta, was organized. This group is made up exclusively of English majors. The chapter at MSC was named The John D. Scheffer chapter as a tribute to Dr. Scheffer for his services rendered to the division and to the college.

The special education division, the youngest on campus, is unique in that it is the first division to offer courses leading to a degree beyond the baccalaureate. It completed its first year with a nucleus of six students on the graduate level. Various financial aids have assisted these students to get the program started.

Experience of teachers in this field at MSC ranges from 1 to 33 years. Masters in special education wish to instill the student with the idea that work is important, but work is secondary to education.

MRS. EDITH L. BARRETT  
Assistant Librarian

Perhaps the most noticeable change on campus this past year is the Memorial Library, and this can be attributed for the most part to Gene Hanson, college librarian. Hanson, who received his degree from the University of Denver, took his position at MSC in January of 1964.

Students doing specialized study now have access to open stacks, closed sections of the basement, reference materials and instructional resources. Those who need reproductions of materials have the Thermo-fax process available.

Besides having materials in a more orderly arrangement, Miss Lillian Wilson, reference librarian, is near the reference station to help anyone having difficulties.

# Areas Train in Skills

The smallest division, the division of fine and applied arts, is a combination of home economics and art. Each department had a member new to MSC this year, Mrs. Stapleton and Watia.

One of the main projects for the home economics department was the district Make It With Wool contest which was held at Minot this year. The women entering garments were in competition with the college division.

Showings of some of the art projects are displayed on second floor Main and frequently on the campus grounds. Students use their own creativity to express their ideas in sculpture, sketches and ceramics. Free sculpture of Trojan horses was one of the projects for a beginning art class which was displayed on the campus during the early part of the year.

The division of business education increased its staff by one member this year making a total of seven to educate those students interested in teaching of business, secretarial training or business administration. To supplement the department a shorthand laboratory, which was started this year, has given the students the individual practice which cannot be done in class.

## Division Sees 50% Teacher Turnover

The division of health and physical education made a huge turnover in faculty as over 50 per cent are new to MSC this year, and this includes the head of the division, Dr. Dale Pennybaker. Others new to the staff in this division are Miss Marilyn Jespersen, Miss Arlene Fisher, Henry Hettwer and Myron Lempe.

Offering new ideas and interests in the teaching of their field is a major objective of the division. Besides giving the students an opportunity to relax in their activities, much emphasis is placed on the concept of human movement and the teaching of basic skills.

An added attraction this year was the new football field which is now located behind Swain Hall. Besides the enlarged seating capacity, the lighting facilities now consist of six 70-foot towers each having 12 lamps of 1500 watts apiece. Wiring has already been installed for future plans including the concession stand, public address system for both Swain Hall and the field, and communication between the field and the press box. With these overall assets, home games are looked forward to with even greater anticipation both for players and spectators.

# Division of Social Science Promotes Democracy in Action

DR. PAUL MORRISON  
Chairman of the Division of Social Science

The previously male dominated Social Science Division now has a female member — Miss Audrey Kirkpatrick, who teaches sociology. Other new faces are those of Richard Coy and Carl Kalvelage.

Under the guidance of division chairman, Dr. Paul Morrison, this department helps to serve the college by supervising student elections, including a mock election in the last part of October, and by sponsoring the International Affairs Society. There is a departmental library and several conference rooms for student convenience located in the home of this department, the first floor of the Administration building.

Proof of ability in the field of social science is shown by N. Manvel Lillehaugen, who has served as president of the North Dakota Education Association, and by Earl N. Shearer, who is president of the Association of North Dakota Geographers and a vice president of the North Dakota Social Science Association.

This division aids international relations by participating in the Annual Peace Garden Conference. Thirty students attended the meeting this year, accompanied by Gaylen Brown, adviser, Dr. Paul Morrison, Richard Coy and Carl Kalvelage.

Increasing its staff by one member is the division of science making it one of the largest divisions at MSC. Even though the science building was built as recently as 1962, crowded conditions still exist. Labs are occupied from 8 a.m. to 6 p.m. daily, and the science lecture room which has seating for 232 now has 235 students occupying it. With the yearly increase in enrollment and the present lack of facilities in mind, it is very likely that a third floor will be built soon.

## Parasitic Tapeworm Found in Foxes

Outstanding discoveries are made at MSC and of major interest this year was the finding of a tapeworm, the *Echinococcus multilocularis*, which is a parasite that has never previously been reported in continental United States. Six of nine red foxes in Ward County, North Dakota, were found to be infected with the adult cestode. The parasite goes through a sylvatic cycle of fox to rodent to fox; however various species of domestic animals can serve as hosts. There is reason to believe that in future years this tapeworm can be the cause of brain tumors in humans. Individual research is being stressed among the science faculty to find out more about the newly discovered animal in our country and area.

# Clinic Highlights Division's Year

JOHN A. STROHM  
Vocal Music  
Chairman of the Division of Music

Despite the threat of inclement weather, the division of music was able to hold its music clinic last fall after the disappointing cancellation last year. Carl Orff's Carmina Burana was presented by the massed voices of the college Concert Choir and Women's Chorus, the Minot High Symphonic Choir, and the Children's Choirs of Lincoln and North Plains schools accompanied by the college Community Orchestra. Guest soloist for the clinic was distinguished clarinetist Dwight Dailey from Tulsa, Oklahoma.

The division headed by John Strohm helps to prepare people to teach music by involving them in musical activities both on and off campus. Springtime brings the annual tours of the Women's Chorus, Concert Choir and Concert Band. Members of the division also help with the annual district music festival in the spring.

DuGarm, social science; and Miss Adelaide Johnson, junior high mathematics.

## Teachers Serve as Supervisors, Counselors

Exerting a great influence over the student teachers on campus are the supervising teachers at Model and Campus School. These teachers set an example for the students to follow in establishing their basic teaching methods and help them to formulate concepts of their chosen profession. The help and guidance of the faculty is a neces-

sary part of the prospective teacher's curriculum.

Outside of the Minot school system, student teaching is done in schools throughout northwestern North Dakota. It appears as though there is a definite tendency for students to go to home town schools to do their practice teaching.

Supervising teachers of the elementary grades are Mrs. Veronica Grimes, sixth grade; Mrs. Marjorie Olson, second grade; Harold Stolt, third grade; Mrs. Ruth Norem, fifth grade; Mrs. Dagmar Hawley, fourth grade; and Mrs. Lola Dokken, first grade.

College supervisors are Dr. Ron Archer, Special Education; C. S. Bjorlie, Principal of Campus School; Miss Bertha Okland, Education and Psychology; Miss Lucille Whitt, Physical Education; Nels Manvel Lillehaugen, Social Science; and Dr. Dale D. Atwood, Business.

## Team Teaching in Effect at Campus School

Student teacher JoAnne Weihemuller shows a sixth grader how to set up a letter correctly.

Put into practice now at MSC is a new innovation of student teaching; used primarily at the Campus School. The aims of team teaching is toward better control and greater freedom of the teachers. The undivided group is taught by a team of teachers consisting of one supervising teacher and two outstanding student teachers. Teaching units are planned together so that each knows what material the others will cover.

While one is conducting the class, the others observe the instruction and whenever necessary assist students with their problems. The advantages of this system are that instructional facilities are utilized more fully, the children learn more, interest is aroused, and more children can be taught with fewer teachers. At the present time, over 300 schools in the United States are using this system.

The Campus School at MSC enables college people to observe students in actual school situations and to learn the application of professional methods in education. It provides for junior students, a novice experience in teaching, an individual child study experience and a number of classroom observations. During their senior year about one third of the graduates do their student teaching in the Campus School.

Raimunds Aboltins concludes business via the telephone in his capacity as Business Office Manager.

Members of the Business Office staff are Mrs. Sylvia Melby, Mrs. Irene Lillegard, Miss Rosalie Regstad, Mrs. Roseina Toce and Miss Betty Arndt.

## In the Offices

The efficient and hard-working office forces of the Business Office and the Registrar's Office keep things running smoothly even at registration time when aside from the reams of paper work to complete, they hand out all kinds of information to confused students. Co-operation between these offices is needed in their many duties which range from the processing of petitions for graduation to collecting dormitory room rent.

Personal secretaries are Mrs. Olga Froemming, secretary to Oscar Quam; Betty Ellingson, secretary to Dr. Lura; Mrs. Edna Meulen, college stenographer; Mrs. Barbara Marquart, secretary to J. B. Busse; Mrs. Vida Gordon, secretary to Dr. Foster; and seated is Marlene Frounfelter, secretary to Dr. Norem.

Seated at their desks in the Registrar's Office are Mrs. Audrey Simms, Miss Lois Martinson, Mrs. Dawn Evenson, Mrs. Muriel Baldrige, assistant registrar; and Miss Jean Voight.

Busily filing papers is Jim Froeber, assistant business office manager.

Lyle White capably serves as director of the Student Union.

Mrs. Lola Castleman and Mrs. Lucy Matteson serve as postmistresses to the college.

Selling supplies in the bookstore are Mrs. Olga Johnson and Mrs. Marguerite Chambers.

## So Many Things

Keeping the student happy are the manager and employees of the student union. They help to keep the student well supplied, well fed and well groomed ready to face college life.

Little is more important to the college student than his mail from home, thus in his estimation the postmistress and her assistant rank as very important people on campus.

In their familiar surroundings in the Student Union Cafeteria are Mrs. Irene Owen, Miss Edna Snyder, Mrs. Mable Green, Mrs. Vera Weed and Mrs. Clara Lochthowe.

Monte Nelson gets a trim from barber Harold Krausert.

Seen in their offices in Swain Hall are Dr. Russell L. Odegard, college doctor, and Miss Betsy Nokleby, college nurse.

## To Handle

Safeguarding the student's health and keeping them in top physical condition as much as possible are the medically trained personnel on campus, Dr. Russell L. Odegard and Nurse Betsy Nokleby.

Also looking out for the student by providing a clean warm and safe campus are the power house crew and building and grounds crew. Many long hours are spent by these personnel to give the students an enjoyable place to work and live.

Helping to complete a physical examination is one of the many duties of Nurse Nokleby.

Members of the power house staff are ROW ONE: Erwin Fetzer, Merrill Williams, chief engineer; and Roy Matteson. ROW TWO: Stanley Skudlarek, Glen Rasmussen, Andrew Oen and Francis Goebel.

Making up the building and ground crew are ROW ONE: George Gouin, Howard Randall, Rose Boschert, Ole Salseg, Mike Mosser and Emil Onstad. ROW TWO: Lloyd Monson, Wendelin Keller, John Johnson, Benny Heilman, Edwin Auck, Robert Wallbert, Knut O. Haugen and Gene Wiltse.

Homecoming 1964 brought to our campus three nights of pleasant memories. These highlights were carefully planned by the Homecoming committee headed by Jack Bone and co-chaired by Lyle Grindy.

Commencing with a barbecue Thursday, October 22, a passer-by would have been shocked at the students that flocked into the "chow" line. The

raging bonfire, the displays, the pep yells given by the cheerleaders altogether put each MSC student in the proper frame of mind for the activities that were to follow. The

unique manner in which the mass was set afire cannot soon be forgotten.

A team brought the torch from Mayville on a bicycle built for two.

The crowd heralded by the bonfire

soon gathered in the Student Union Ballroom for a casual dance and music by the "Little Elk's". One will note, however, that Homecoming is not only for the undergraduate student, but for the purpose of bringing together alumni from various parts of the state and perchance, the nation. Thus on Friday, October 23, "Parents and Alumni Day" commenced in the afternoon. For the visitors there were guided tours, a coffee hour, and a campus-wide open house. Most of the alumni were quite surprised at the changes that had taken place on our campus. These remarkable changes are often overlooked by the undergraduate, and often-times, we never really appreciate where we come from until we are away for a while.

Larry Lium, Burgess Rosedale and Dave Estrem provided a hootenanny during Homecoming week.

Buffets mean free food, thus students were out en masse to eat to their hearts content.

## Parents, Alumni Visit Campus

Open house featured displays by various organizations. Mu Sigma Tau fraternity had a prize winning display.

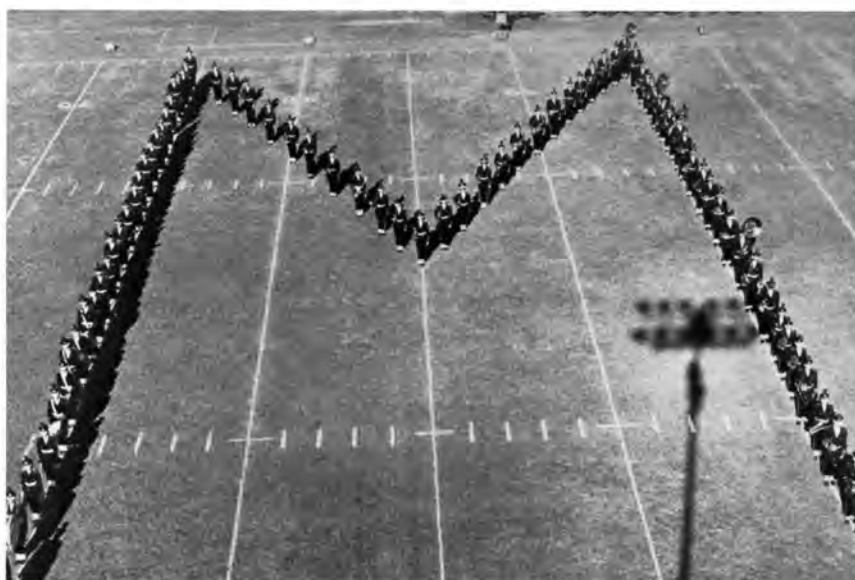

The Delta Epsilon Phi float illustrating North Dakota's 75th anniversary won a first place trophy in the women's division.

## "The Proud Years"

Saturday began conservatively. Each sorority, fraternity and various other organizations had their annual Homecoming breakfasts. Here the alumni had a chance to review the present plans and delve into plans for the future. With the "early bird" spirit in hand crowds overwhelmed the streets of Minot to afford themselves a good view of the forthcoming parade. The parade, led by the MSC marching band, brought forth a spectacle of floats from various organizations all gleaming of the theme "The Proud Years." Many illustrated North Dakota's 75th year of statehood by the "then and now" diamond anniversary theme. North Dakota's 75th celebration has been indeed victorious. The state has grown and along with it, its people. North Dakota, Minot State College salutes you.

Onward towards mid-afternoon the bleachers at the newly opened football field started to fill. One could hear the spirit of the Beavers as they commenced their pre-game workout. This spirit, this strength, that Mayville, ad infinitum! We were only sorrowful, as any crowd supporting the underdog, when the Beavers were beaten.

At halftime the awards were presented to outstanding organizations during the Homecoming festivities. The MSC marching band presented 75 years worth of memories for North Dakota and MSC by an array of various precision formations and matching songs led by Brad Parkinson and emceed by Dr. Ira Schwarz.

The MSC marching band illustrates precision marching at halftime during the Homecoming game.

The rapid action of the Beavers only meant gain to Mayville. It seemed that everything was reverse for the MSC squad's Homecoming game.

Tau Kappa Epsilon won a first place trophy for their float illustrating the "then and now" spirit and congratulating N.D. on its diamond jubilee.

# Bud & Travis Team Entertain for Homecoming

Whether comedy or song, Bud & Travis held their audience in captivity for two and one-half hours.

Si Zentner presented an extensive repertoire of hits, past and present, for the Victory Ball.

Bud & Travis sang various folk songs and "Buckwheat" interjected humorous anecdotes between numbers.

The "Little Elk's" Band of Minot provided music for the casual dance that followed the bonfire.

Following the coronation there was a hootenanny-concert given by the nationally renowned Bud & Travis team. One cannot forget, however, the antics of dear "Buckwheat" who plays bass for the team. Besides his antics there was the wild humor of "Bud that's beer" and Travis, the most conservative of the trio.

The Victory Ball was at the Minot Municipal Auditorium in downtown Minot. The dance was successful and the music was ultra-plus coming from Si Zentner and his marvelous band. Not one other band could have taken the student body out of the dumps as well as they all did.

*Homecoming Queen*  
*Micki Turneau*

Micki Turneau, a junior from Minot, was sponsored by the Beta Theta sorority. She is an elementary education major and a French minor.

*Princess*  
*Joan Hanson*

Sponsored by the Tri Sigma sorority was Joan Hanson of rural Minot. She is a physical education major and a health and home economics minor.

*Princess*  
*Mary Hansen*

Mary Hansen, a senior majoring in music and minoring in physical education, is from Minot. The Delta Epsilon Phi sorority sponsored her.

# It's Queen Micki

What Homecoming is complete without a Queen? Three beauties were introduced to the anxious audience by Jack Bone, emcee. For some, the anxiety was only in personal choice; for others, it was a group victory. The alumni were being introduced to the candidates for the first time, one of which was about to be crowned. Priscilla Mueller, Homecoming Queen for our Golden Anniversary, 1963, sat at her throne for the last time. Each word was enunciated so carefully so as not to be mistaken, and at last, the crown, Miss Micki Turneau.

Micki Turneau with an astounded look just after being crowned.

The freshman queen's float during the parade rolls into line as Queen Micki Turneau and Princesses Mary Hansen and Joan Hanson await the crowds.

There were jubilant shrieks and tears of happiness as Past-Queen Pris crowned her very own sorority sister. At this point Micki took the throne before her Court of Princesses, Miss Mary Hansen and Miss Joan Hanson. The gowns of red velvet and white brocade were tailored to perfection by Mary Hansen. The stage decoration was beautifully styled to the theme "The Proud Years" and quite fitting for the Queen and her Court.

Queen Micki and her escort, Maurice Hanson, at the Victory Ball.

Contestants receive final instructions from Mistress of Ceremonies, Carolyn Sanderson, before pageant rehearsals begin.

Judy Hefter portrays Kitty Smells in a comedy skit for her talent.

## Wrong Dates Cause False Superstition

The 1965 Miss Beaver pageant first got underway with a bit of superstition when rumor had it that this was the 13th pageant. This quickly faded when research showed that this was actually the 15th pageant. In this relaxed mood the girls received their last minute instructions from the mistress of ceremonies and practice was underway.

Why must girls always be so clumsy on their first day at practice? They find on the first day just what exactly constitutes a beauty pageant. Learning to walk correctly for long hours in high heels. Learning to smile all the time even if their feet did hurt. Relearning the art of walking down a flight of stairs with grace and ease in a formal.

After many long hours of practice the contestants must face the ever expectant audience. Now worry fills the minds of all the girls. Will I fall off the stairs in my formal? Is my formal here or at home? Are the lights going to be so bright that I'll fall off the Stage?

After the pageant the girls relax and let their pent up feelings flow. The winners with tears of gladness and the losers with tears of sorrow.

What makes a Miss Beaver? Many long hours of practice and the will to keep going when things look the worst.

## A Vital Task . . .

Local judges for the Miss Beaver pageants have been three men and two women. One of the five is an out-of-town judge. Judges are selected who have no academic, social, blood or any other connections with the contestants.

Judges this year, as in the past consisted of well-qualified members. They were Mrs. Joanne Muggenburg, Mrs. Harriet Landis, Ray Dobson, William Geen of Minot. This year's out-of-town judge was State Senator Ed Becker of Willow City.

The judges give two full evenings of their time for individual interviews and a pageant at which the final five are selected. Opinion from the judges over the years has been "It's a difficult job—this judging."

The eleven 1965 Miss Beaver contestants smile radiantly as they appear for their final judging.

Mrs. Turner is given a corsage for her many efforts with the Miss Beaver Pageant.

The girls anxiously wait for the curtain to open and "get it over with."

M. Merick, G. Weigel, D. Jackson, K. Davis, G. Ellis, J. Johnson, L. Throntvick, were the 1965 Snow Queen candidates.

## With 1965—Snow

In 1962 MSC had its first snow carnival with snow. The following two years were snowless! With the 1964 snow much interest and many activities came forth. Each organization that sponsored a queen or king candidate in the carnival had an area in which to create a snow sculpture on the theme, Disneyland in Dakota. Around this theme 14 characteristic sculptures were built. They ranged from Mickey House to Mark Twain's Mississippi steamboat.

It was a tough decision to pick this year's winner, but Tau Kappa Epsilon fraternity took first place honors with their portrayal of Pluto and Mickey Mouse standing by Pluto's dog house. Mu Sigma Tau fraternity was awarded second place with their authentic Donald Duck skiing down a man-made slope. Everyone had little ideas about Disneyland but the comment that really rang the bell was "Good Grief, snow in Disneyland."

Judy Johnson gets crowned by past queen Sheila.

Johnny Cousins Band played at the Coronation Dance at the Minot Armory.

1965 Snow King candidates were A. Lundervold, R. LeClerc, J. Sinn, B. Mullen, B. Bodine, and G. Jacobson.

Pluto was so lifelike that he could have gotten up and walked away.

## And Disneyland

Students voted for the Snow King and Queen and for the Mystery Snowman. Myron Lempe, the Mystery Snowman turned out to be the avid skier and Cavalier enthusiast. Judy Johnson was crowned Snow Queen and her court of Princesses were Diana Jackson and Leah Throntviet. Ron LeClerc was Snow King and Allen Lundervold and Gary Jacobson were Snow Princes.

Saturday found some early uppers. The busses left at 6 a.m. for Twilight Hills in Bismark. About 280 students attended and many descended the slopes for the first time.

Dick Halvorsen, Mary Lindemann, Mike Jackson and Mary Iverson busy themselves with the Young Dems snow sculpture.

## First Snow King

Ron LeClerc has the honor of being the first Snow King on the campus of MSC. Ron has a physical education major and a psychology minor. He is also active in M Club, Gamma Delta and plays football. With all these activities he still finds time to engage in his favorite hobbies of hockey and hunting.

## Snow Queen IV

Reigning as 1965 Snow Queen is Judy Johnson. Judy is active in WRA, gymnastics team and Beta Theta sorority. She is currently Miss WRA and a Miss Beaver finalist. Besides devoting time to her elementary education major and physical education minor, she finds time for her hobbies of skiing and horseback riding.

Allen Lundervold, a member of the Mu Sigma Tau fraternity, was put up by the Sigma Sigma Sigma sorority. He reigns as 1965 Snow Prince.

A member of the Delta Zeta sorority is Diana Jackson who was put up by the Tau Kappa Epsilon fraternity and reigns as 1965 Snow Princess.

## Royalty Reigns at MSC Snow Events

Leah Throntviet, 1965 Snow Princess, is a new freshman at the Minot State College campus. Crane Hall is responsible for her election.

From the Tau Kappa Epsilon fraternity is Gary Jacobson a 1965 Snow Prince. Gary was put up by the Delta Zeta sorority.

Mrs. Lucy Stolt and Mrs. Nina Argersinger, housemothers for the two dormitories, get together for a little chat.

When women recall their college days, their foremost memories are the frolicking hours they spent in the dorms. They will admit, too, that they became acquainted with their closest and dearest companions whom they associated with throughout their coed days. This year, however, Minot State College disappointed many incoming freshmen and undergraduate women because of inadequate housing facilities.

With projected enrollment comes the formation of plans backing new women's dormitories which are proposed for the fall of 1966. The administration has hopes of housing all freshmen women on campus next year; but they estimate that a minimum of the first two floors of McCulloch Hall and all of Dakota Hall will have to be utilized. The housemothers of the two dormitories, Mrs. Nina Argersinger and Mrs. Lucy Stolt, are in complete agreement with the proposed plans for the dormitories and are most anxious to see more women housed on campus.

Mrs. Stolt, who has only been at MSC since last fall, has enjoyed her residence at McCulloch Hall although she says that she didn't realize that running a dormitory involved so much work, time and planning. She has really enjoyed her new "family" and said that she wants to return next year.

## Coeds Recall

Each girl has her own idea about decorating, but this mode of stop sign is enough to make "art" history.

Carolyn Sanderson razzes a young frosh.

Mrs. Argersinger warns Dakota's about quiet hours.

Some girls are really nuts about hallway floors.

Nancy Farner and Jean Stahlberg spend a little time studying or is it "honey" writing?

Dakota Hall and McCulloch Hall girls get a special delight out of trying a new hair style created by dorm styles anonymous.

## Dorm Days

Mrs. Nina Argersinger, in her fifth year at Dakota Hall, seems to really enjoy each new group of girls she gets. Each year she surveys the needs of the dorm and presents them to the administration so that they can plan a summer renovation and general clean-up of the hall. Mrs. Argersinger commented that Miss Cox is due much credit for the new furnishings and new additions to Dakota Hall.

No dormitory could be run efficiently without a caretaker. Someone must see that the building is kept in working order and that the girls are made as comfortable as possible. Mrs. Matilda Janevics is the housekeeper in McCulloch Hall and Mrs. Matilda Patterson is the new housekeeper at Dakota Hall. At one time during the year Mrs. Janevics became ill and the girls at McCulloch all pitched in and kept the dorm clean. Needless to say, they considered it quite a job for one person.

The little candy store looks like it could be a big problem.

Mr. and Mrs. E. F. Zimmerman, who reside in Crane Hall, spend an unusually quiet evening in their dormitory apartment.

The Schwarzs take time out in their busy day to relax and discuss the day's happenings and problems.

## Modern, Older Aura Mark Style of Men's Dorms

Ted Grandall discovers that a girlfriend could "pay-off."

Gary Torske finds it difficult to get something for nothing.

Les Anderson gets in style for his Saturday "Escapade."

The two men's dormitories offer conflicting views in their structure—that of the modern era—Crane Hall, and then Pioneer Hall which reminds us of the settling days in North Dakota. The men who inhabit these halls do not, however, represent the framework of their residence. They are young, ambitious, future leaders of tomorrow.

Dr. Ira Schwarz and his family reside in Pioneer Hall, and Mr. and Mrs. E. F. Zimmerman, in Crane Hall. The resident families find the men easy to persuade during quiet hours as they walk softly and carry huge sticks. In agreement, now and then, with set ground rules, the overseers will agree that keeping a smile and a helping hand makes dormitory life more bittersweet and endurable.

## Of Fans and . . . Flights of Fancy

Sue Powell tiptoes through a human garden of "nastys," Janet Klovstad and Betty McKay, during a humorous interlude at Beta playday.

The more glamorous part of college is social life. This year the social committee has taken better advantage of the weekends and consequently more students have stayed on campus.

Such activities as skating parties, lively hops, formal dances, a skiing party, bingo parties and many other affairs have taken place.

These activities were not only well-organized but students showed enough interest in our campus to support them. It is a face lifting for MSC and shows that old horses can learn new tricks.

## A Sought For Honor . . .

This year 11 Minot State College seniors attained highest honors by being chosen as Who's Who Among Students in American Universities and Colleges. These students were chosen by the Student Affairs and Welfare Committee who based their decision on candidates who possess high standards of scholarship, leadership, citizenship, personality and character.

Jack Bone, a mathematics and history major, is from Minot. He has served as 1962 Homecoming parade chairman, 1963 assistant Homecoming chairman and 1964 Student Association Homecoming chairman. He is also a member of the Tau Kappa Epsilon fraternity and served as 1963-64 junior class president.

An elementary education major and physical education minor is John Thomas Galligan of Swanville, Minnesota. John is a member of Phi Sigma Pi, a professional education fraternity and was under secretary of that organization.

Judy Kemp of Minot is a member of the Sigma Sigma Sigma sorority of which she was president. She is an English major and German minor. Judy belonged to Kappa Delta Pi, served on Panhellenic council and the social committee. She was also a member of LSA and SNEA. She was sophomore and senior class treasurer and also supported the Beavers by being a cheerleader.

An elementary education major and music minor from Upham is Elaine Janice Lunde. She was rush chairman and corresponding secretary of the Delta Epsilon Phi sorority. She was active in concert choir, MENC, women's chorus, and vice president of Sigma Alpha Iota, a women's professional music fraternity. Elaine was publicity chairman of LSA, junior class treasurer and a Miss Beaver finalist.

Janice M. Rothacker, past president of the French club, is from Minot. She has an elementary education major and French minor. Janice was historian for Kappa Delta Pi, president of SNEA, a member of the Red and Green staff and the MSC band.

Mary Alice Hansen of Minot is past president of the Delta Epsilon Phi sorority. She is a music major and physical education minor. Coordinating her music major with her activities she was in the concert choir, the college community orchestra, MENC Sigma Alpha Iota, Band, and participated in many Campus Players productions. Brains put Mary in Kappa Delta Pi and on the Board of Publications while beauty made her a Miss Beaver finalist, Miss Minot State College and a Homecoming princess.

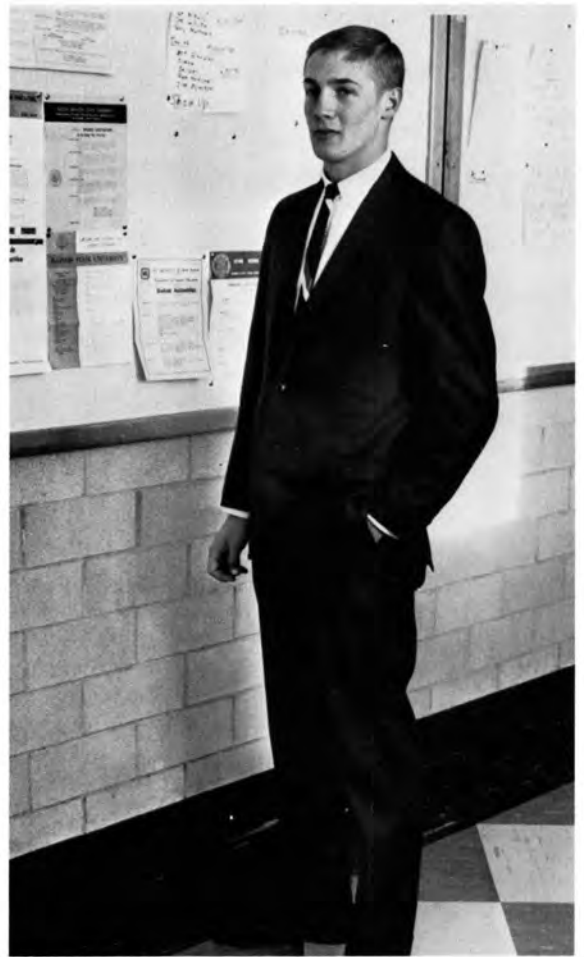

A physical education major and health and home economics minor from Minot is Joan Louise Hanson. She served as social chairman in the Sigma Sigma Sigma sorority and was treasurer of the physical education club. She has also been a member of WRA, French club, the convocation committee and SNEA. In 1964 she was Homecoming princess.

A member of the Beta Theta sorority is Dorothy Louise Keller from Minot. She is a music education major and literature and language minor. With her major she is active in Concert choir, MENC, MSC community symphony orchestra, varsity band, women's chorus, Sigma Alpha Iota president and past musician of her sorority. She is also a member of Kappa Delta Pi and Newman club of which she was secretary.

Paul O. Soderberg, an active athlete from Kenmare, is a mathematics and physical education major. He is a member of the Lettermen's club and participated in football, basketball and track. He was the only officer in student association in 1963-64 and was also a member of SNEA.

Pat Thomas, past president of the panhellenic council, is from Egeland. She has an English major and physical education minor. She is past parliamentarian of the Delta Epsilon Phi sorority, treasurer of Greek council, a member of women's chorus, SNEA, the physical education club, the student affairs and welfare committee and Newman club. Pat was also 1963 Homecoming princess.

President of Phi Sigma Pi is James E. Tveter, a business education major and physical education minor from Columbus. He was on the social committee for the student association and a member of the physical education club.

## SA Pivot Centers

The members of the Student Association are from left to right, P. Blevins, J. Feldner, E. Hovland, L. Hedberg, J. Reed, R. Koebernick, J. Thune, J. Vik, S. Bone, P. Mueller and R. Gross. These students are representatives of every student on this campus and aim to present the view of the student to the administration. SA helps other groups on campus and provides funds for worthy causes. The various offices in this organization are sought after and are considered the highest on campus as they do represent the student body. A group from SA are investigating student unions in the northwestern area so that they may recommend probable additions to our union.

The work and the functions of the Student Affairs and College Welfare Committee fall primarily in the disciplinary realm. Pictured left to right are P. Huettl, P. Thomas, D. Slaaten, E. Manning, H. Parker, G. Cox, J. Nestegard, K. Karnstedt and F. Morrison. Students who have been disciplined, whether suspension or probation, and Greek and other college organizations who have been placed on social probation may appeal to this committee for hearings. Among its other duties are choosing Who's Who in American Universities and Colleges and in past time have been confronted with various problems involving college policy. All decisions from this committee are final.

From left to right are J. Hanson, R. Hesler, W. Allen, E. Fargo, Secretary to the Minot School System; J. Strohm, E. Manning, G. Brown, L. Schneider and R. Compton who are members of the convocation committee. This committee contacts booking agencies and presents talent that represents varied fields. They do their own publicity, ushering, and help in the operation, setup, rehearsal and presentation of convocations. They work closely with the Homecoming chairman at Homecoming time to keep schedules from conflicting. This committee endeavors to present gatherings that would be of general interest to the college students and the faculty so as to promote better attendance.

The Student Board of Publications is appointed by the Student Association President in the fall. They are Mary Hansen, Mary Ann Saxon, Marlene Schmidt, and back, Linda Medley and Harlan Kulland. This board has the main job of selecting the editor of the Beaver, Red and Green and the literary magazine. They select these positions from applications and are responsible for interviewing the applicants. The Board of Publications is also responsible for selecting the best dressed coed on campus for Glamour magazines. Mrs. Muriel Turner is the advisor with no vote.

The officers of the Alumni Association are Archie Peterson, vice president; Lucille Whitt, president; Doris Slaaten, secretary; and Pearl Stusrud, treasurer.

## Alumni Further 'Service First'

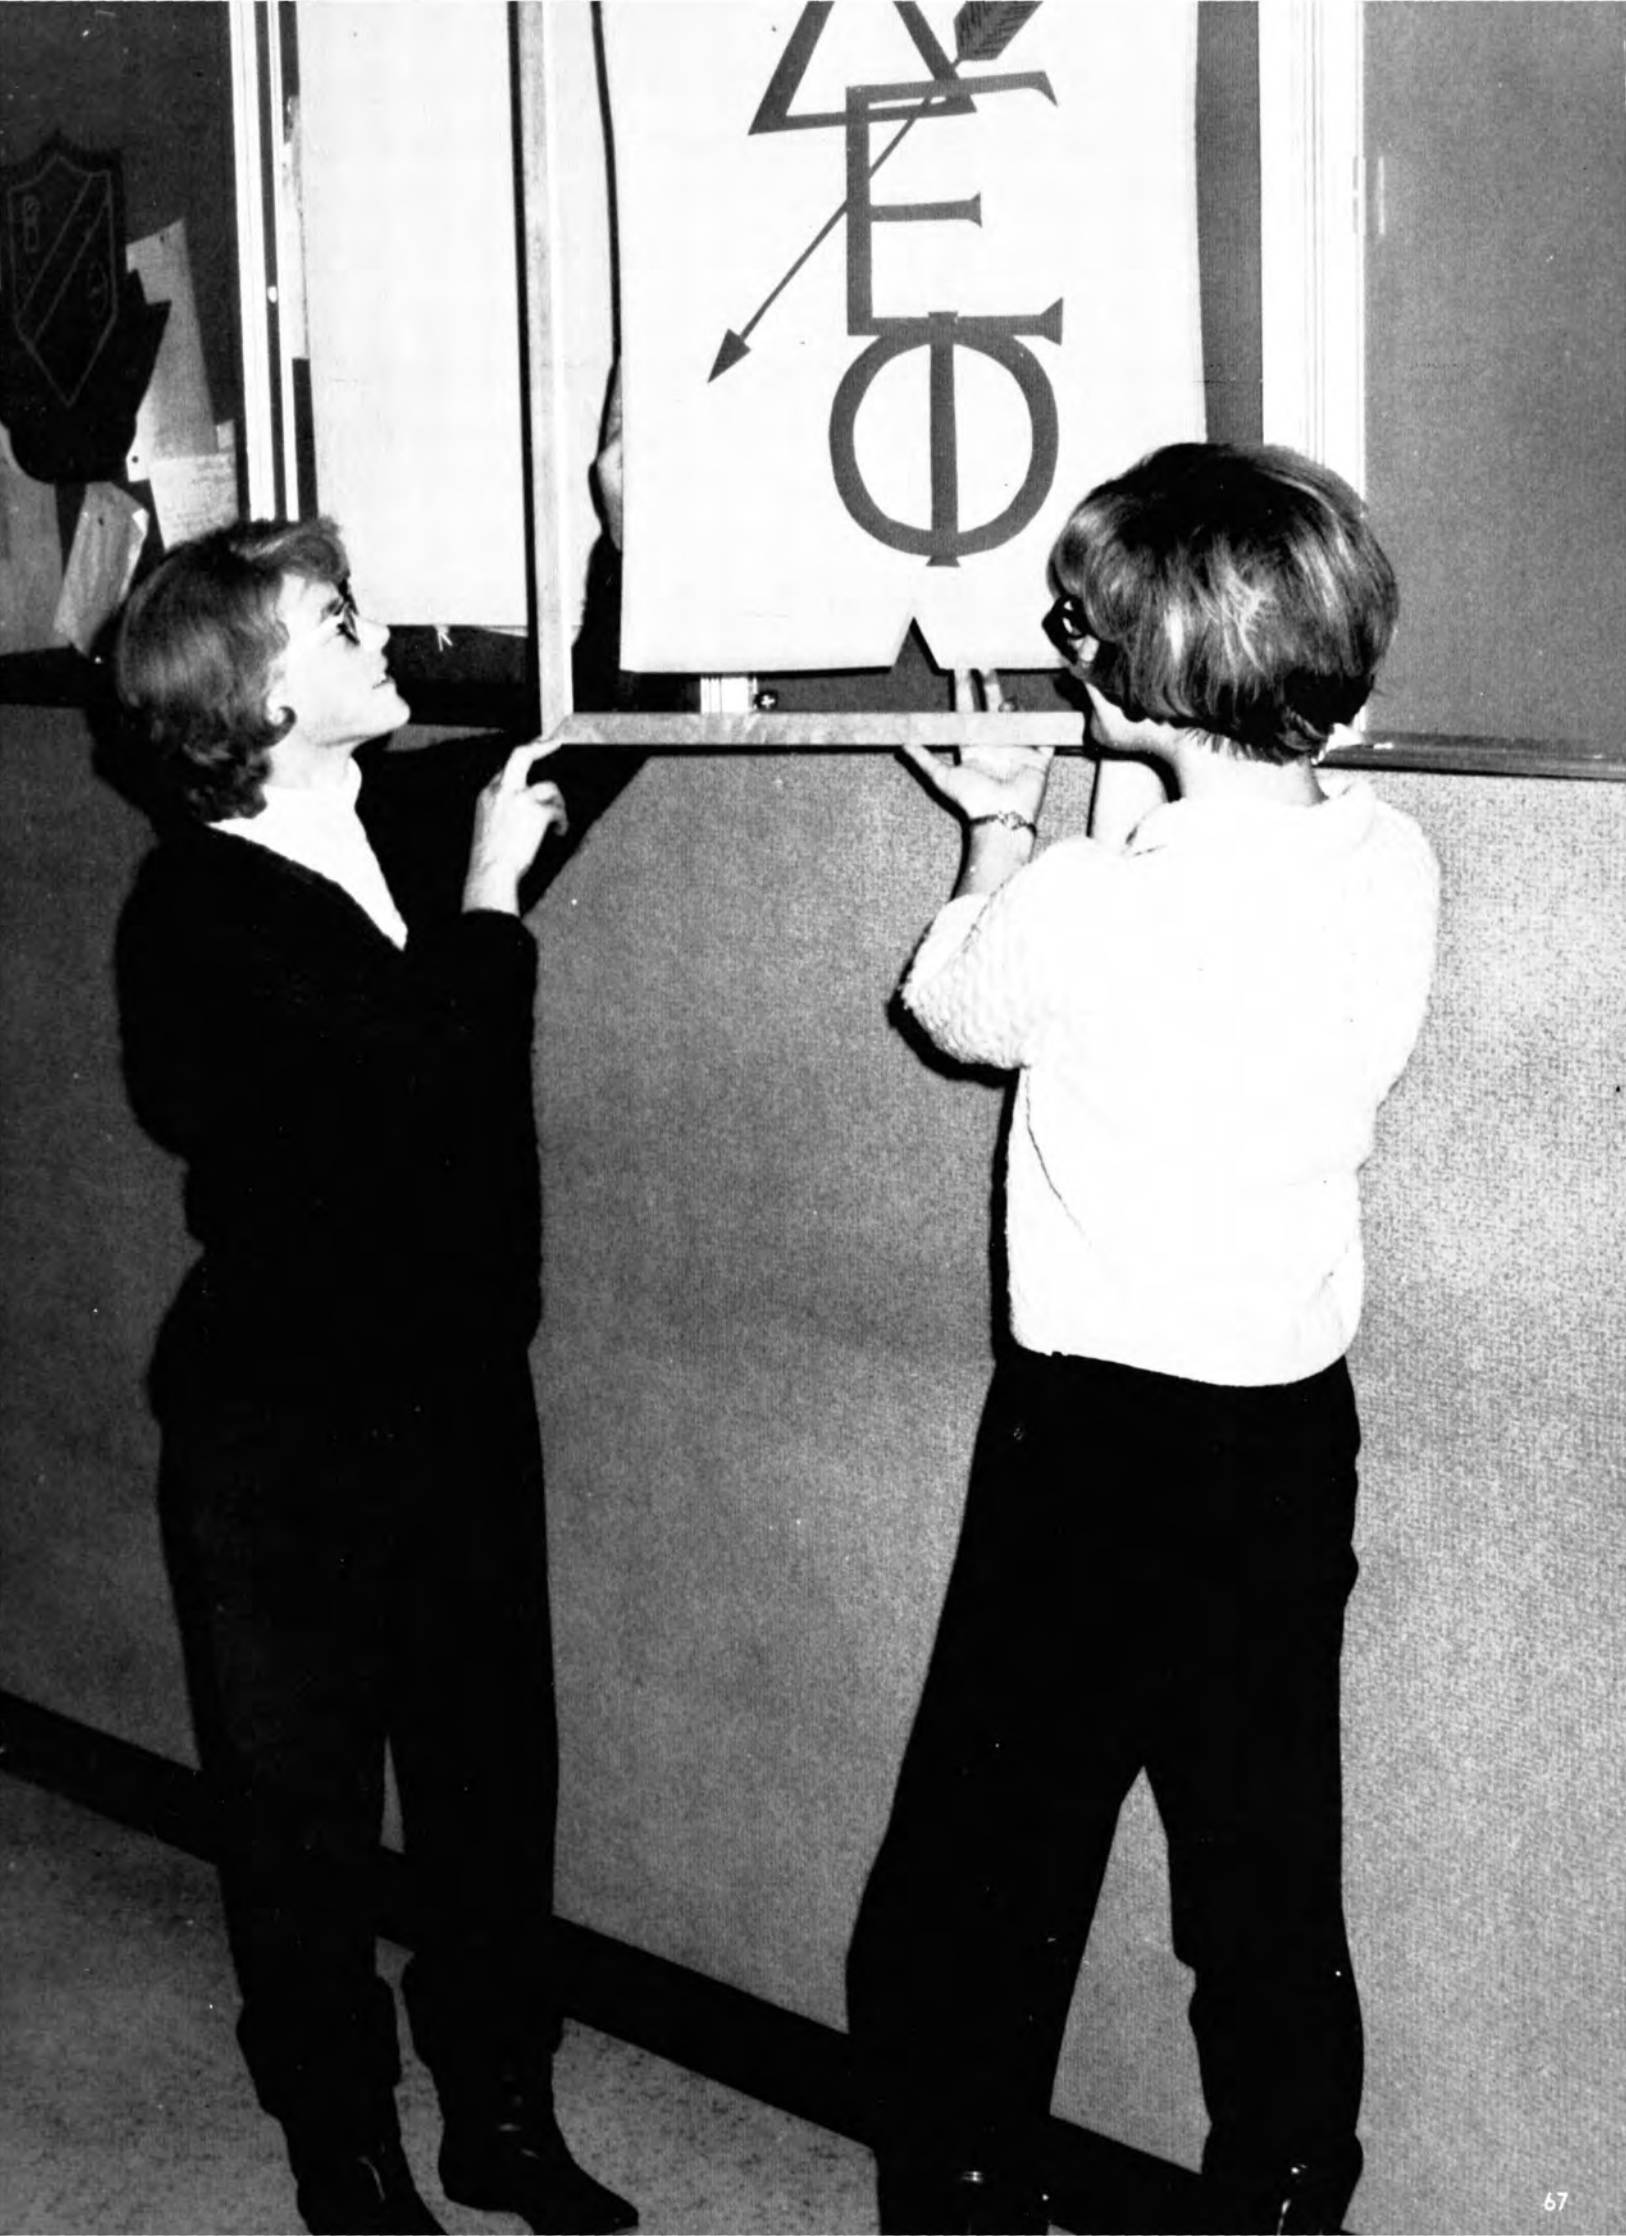

The Alumni Association aims to carry out and perpetuate the Minot State College Motto, "Service First." They do this in several ways such as advertising the advantages of studying at MSC, posting markers on the campus, and by keeping in touch with their alumni. Dean Manning, the Director of the association, pictured at right, keeps an up-to-date file of addresses on all past graduates of Minot State College. At Homecoming time news of the alumni activities are printed in a bulletin and various alumni functions take place during that week to acquaint the graduates of present happenings at the college. They have initiated MSC Alumni Clubs in various parts of the United States and only last October two more were added from Billings, Montana, and Minneapolis, Minnesota. Representing the "alum" are nine board of directors and four officers who meet monthly to carry out various business that will keep MSC graduates informed.

Six of the nine members were present at the February board of directors meeting. They were Gary Hovdestad, Kenneth Johnson, Lowell Latimer, Alta Johnson, A. G. Alberts and Aird Smith.

Tri Sigma sorority house is ideally located directly across the street from the college at 409 9th Ave. N.W. The house has living facilities for 12 Sigmas and "Mom," Eva Benest.

Their most cherished piece of furniture is an old and frequently used piano. The Alumni Chapter has started a fund so that it can be replaced when it becomes necessary.

Helen Madsen  
President

Helen, a senior from Westhope, is majoring in physical education. She enjoys music and reading. After graduation she hopes to teach junior high in western Montana.

## A Busy Year and Honors Too

Tri Sigmas attended a regional meeting of their national sorority in Menominee, Wisconsin, October 16-18 where they met hundreds of vivacious Sigma sisters from all over the midwest. They returned full of pep, energy and ready to get into the swing of things.

They are proud of their new national home which is the Waldon House in Woodstock, Virginia. It houses the national office, the living directory and has rooms for visiting Sigmas.

Here at MSC the Sigmas are especially proud of Judy Kemp and Joan Hanson who were elected to Who's Who in American Universities and Colleges. Sigma personality is represented by Mu Sigma Tau Sweetheart, Eileen Ehreth, and the Tri Sigma dream man, Bob Sundberg.

Raising money for their social service project was directed at aiding hospitalized children through the Robbie Page Memorial Fund. Other activities for the year included a Halloween party sponsored with the TKEs, teas and a term party. Adviser to the group, Miss Doris Slaaten, assisted them in all their endeavors.

Beta Theta sorority house, which is located at 725 9th Ave. N.W., provides living facilities for 10 girls. The recreation room is cleverly decorated with fish nets and bamboo to give it a Hawaiian yet homey effect.

The house is owned by Mr. and Mrs. Sylvester Effertz, and Mrs. Effertz acts as housemother.

## Betas Lead in Beauty

The Beta Thetas added another name to their list of former and reigning college beauties when Micki Turneau was crowned 1964 Diamond Jubilee Homecoming Queen by Priscilla Mueller, 1963 queen. This gave the Betas the honor for the second consecutive year.

A new "Little Sister" has been welcomed into their sorority. Because the underprivileged 12-year old child is from Eurlinda Urbisca in the Philippine Islands, it is impossible for the Betas to know her directly. However through pictures, letters and the \$15.00 a month that she receives from Beta Theta she undoubtedly shares "Beta Love."

Other new faces include those of the sorority advisers, Mrs. Bruce Farnum and Mrs. Bruce Morey and their Snow King, Nikkey Bedard.

The annual Christmas party, term party in April and an all school playday in March encourage participation in social functions.

Janice Nestegard

## New House

The most exciting event for the Deltas was the purchase of their new house. It is located at 806 3rd St. N.W. The big job for them was remodeling it so 14 Deltas who will live there could move in. Although the house is not a newly constructed one, it fills the place that for a long time was just a dream of the Deltas. The housemother is Mrs. Alice Albnecht.

Margaret Grimes  
President

Peggy, a junior from Minot, is majoring in English and minoring in music. Dancing and reading are among her many hobbies. Her post graduate plans are to teach English.

## Trophies, Who's Who and Beauties

Delta Epsilon Phi, the oldest organization of its kind on MSC campus, was established in 1926. The current advisers are Mrs. Beatrice Zimmerman and Miss Lucille Whitt.

Deltas swept the float honors in the Homecoming parade by winning the trophy for the best float in the sorority division and also the trophy for the best overall float in the parade. Another trophy they gained possession of was the Panhellenic Scholarship trophy. It was captured by maintaining an average of 1.90 for the school year 1963-1964.

Three Deltas, Pat Thomas, Elaine Lunde and Mary Hansen, were elected to Who's Who in American Universities and Colleges. Mary Hansen also won the crown of Miss Minot State College of 1964 in a pageant held for the first time in the spring of 1964. As Miss MSC she represented the sorority and the college in the 1965 Miss North Dakota Pageant.

Loren Zimmer was chosen as the Deltas Little Abner at the annual Sadie Hawkins Party November 13. Once again during the spring quarter a weekend was set aside for a trip to Lake Kenose.

At the present time the main point of interest is the colored television set. Mrs. John Johnson is the cook and Wes Sabbe, the house manager, keeps them under control.

Dennis Janke  
President

Dennis, a senior from Minot, is majoring in history and minoring in German and political science. Among his hobbies are bowling and politics. His interest in argument has prompted him to consider entering law.

## Alumni Group Gets Started

Establishment of the Mu Sigma Tau Alumni Association was undertaken to insure the perpetuation of the spirit of their fraternity beyond college.

For Homecoming a rotating diamond, the symbol of the 75 years of statehood for North Dakota, captured the house display trophy for them. The enormous diamond covered with tinfoil was given a brilliant sparkle by the use of floodlights.

Another sparkle in the fraternity is their

sweetheart Eileen Ehreth who succeeded her Tri Sigma sister Mary Lee Knudsvig. Until the fall smoker when seven bunny girls served refreshments, the sweetheart was the only coed to attend them.

The printing and distributing of the Student Directory, founder's day banquet on January 26, the annual Parent-Son banquet in April and the spring formal in May gave the Mu Sigs a well-rounded program for the year.

## Tekes Win 4th Float Trophy

Tau Kappa Epsilon's enthusiasm during Homecoming spurred them on to win the fraternity float division for the fourth consecutive year. They also won the bonfire display trophy with a life size cow and the quote, "and that's no bull!" referring to the hopeful defeat of the Mayville Comets. Jack Bone, who was appointed to Who's Who, acted as Homecoming chairman.

## DZ Newest Sorority at MSC

Marsha Young is a sophomore from Lignite. She is majoring in business education and her other interests include dancing and music.

Theta Pi Chapter of Delta Zeta became the national sorority's 154th chapter when it was installed at MSC this year. Delta Zeta is the largest national sorority in the United States. It is widely known for its national philanthropic program, "Adventures in Friendship."

Donating to the American Hearing Society is their chief project. This assists local centers and supports the unique work done by Gallaudet College the only college in the world that is entirely devoted to the needs, instruction and training of young deaf people.

Kay Morrow, an alumni, and Sally Bradley, an active member, trained the new members and directed the groups organization, enabling the Delta Zeta chapter from Grand Forks to initiate them formally on campus.

Other alumni advisers are Mrs. Hugh McCutcheon, Mrs. D. P. Morstad and Mrs. A. L. Bayone.

Myron Hanson volunteers to assist Judy Nelson and Barbara Stokke with an experiment for their panel discussion on first-year teaching.

## Group Finishes 1st Year

Pi Omega Pi, a business fraternity, completed its first active year on campus. This organization gives the students majoring and minoring in business education an opportunity to learn about the fundamentals of an operating business in addition to those taught in a textbook.

Two delegates, LeRoy Benson and Myron Hanson attended a three-day national Pi Omega Pi convention in Chicago during Christmas vacation. The entire group toured Minot Federal Savings and Loan. During their regular meetings they had a local realtor as a guest speaker and a first-year teacher's panel by Judy Nelson and Barbara Stokke.

Dr. Dale Atwood, chairman of the business division, and Nowell Powell serve as advisers to the organization.

The officers of Pi Omega Pi are LeRoy Benson, historian; Jackie Skabo, secretary; Dan Sipes, vice president; Myron Hanson, president.

## May Marks 1st Birthday

May 17, 1964, the Delta Kappa chapter of Sigma Alpha Iota National music fraternity for Women was formally installed at MSC. They began with 27 music majors and minors and during the winter quarter gained 21 pledges. SAI has a joint office in the music department with Lambda Chi chapter of Phi Mu Alpha Sinfonia. This enables the musical men and women to discuss the various aspects of music.

Members of Sigma Alpha Iota serve as hostesses for the music clinics and other musical functions on campus. They are given an opportunity to share their abilities with others each month when they provide either a public or private musical. Money for their many projects, including the International Music Fund, is earned in various ways; but the most outstanding is the annual bourbon ball sale.

## Music Chapter Gets Award Based on Excellence

The Lambda Chi chapter of Phi Mu Alpha Sinfonia, national professional music fraternity for men, was granted the Charles E. Lutton award for the outstanding chapter in Province Six.

February 22 Sinfonia and Sigma Alpha Iota co-sponsored the American Music Recital. This event was held in order to salute the songs of

American composers.

The constant goals for Phi Mu Alpha are to advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members and to encourage loyalty to the Alma Mater.

## MSC Band Exhibits 'Portrait of Versatility'

A portrait of versatility depicts the Minot State College band. As a concert band, they were heard at numerous musical functions throughout the year. As a pep band they provided spirited music for football and basketball games. As a band of many talents they furnished the tempo of today's modern

music at a special pop concert. As a marching band they passed each reviewing stand on Band Days in military array. The band was featured as a precise marching unit as special halftime entertainment during the Homecoming game. Directorship is shared by Dr. Schwarz, Mr. Moore and Mr. Parkinson.

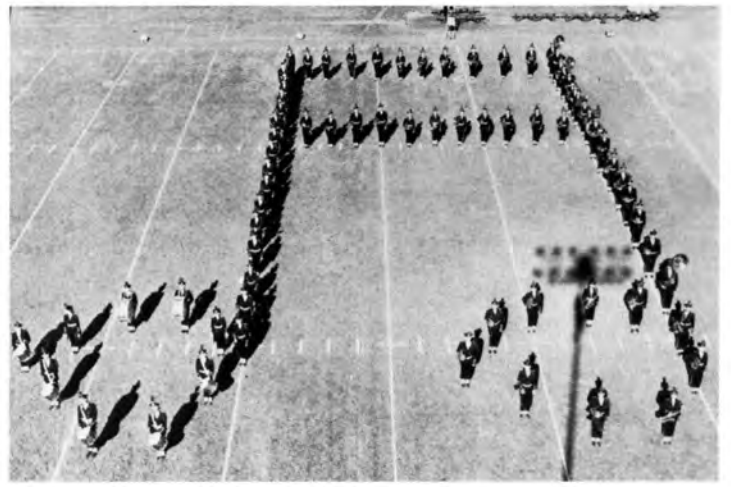

Concert band officers are Alvin Wermager, president; Dorothy Keller, secretary-treasurer; and Lyle Johnsen, vice president.

Dr. Ira Schwarz, director of the band, makes note of the intricate changes in dynamics on the conductor's score.

The clarinet section diligently tries to execute a trill.

The band forms sixteenth notes for Homecoming halftime entertainment.

Dave Bjornson, drum major, leads the band in the Homecoming parade.

Mr. Bradford Parkinson directs the marching band.

All eyes of the brass section are focused on their music.

College Community Symphony Orchestra is composed of MSC faculty and students, members of the community and outstanding high school students.

## Orchestra Makes Vital Contributions to Area

College Community Symphony Orchestra is acclaimed as one of North Dakota's most accomplished musical ensembles. The high caliber of orchestral ability displayed by this organization is due to its members' continuous desire to present to the public the best symphonic literature available. The institution is composed of MSC students, talented musicians of the community and advanced high school students with outstanding ability. In addition to the Director Ira P. Schwarz, other members of the music division faculty participating in orchestra are Trudy Muegel, Glenn Muegel, Charles Moore, Ralph Wallin, Walter Hartman

and Bradford Parkinson.

Community Symphony Orchestra provided ensemble accompaniment for the musical spectaculars of Handel's *Messiah* and Carl Orff's *Carmina Burana*. The performance of *Carmina Burana* was dedicated to Lawrence Hahn in appreciation for all the contributions he has made to MSC.

Under the conducting of Dr. Ira Schwarz, the orchestra was featured at a special concert February 20. This performance included a program of numerous types of music.

## Concert Choir Plays Public Relations Role

One of the outstanding public relations agents for Minot State College is the concert choir. The voices of prospective members are carefully screened, then the 60 members are selected on the basis of musicianship blend and quality.

Concert Choir joined three other choirs to present Carl Orff's *Carmina Burnana* with full orchestral ac-

companiment for the MSC Music clinic in November. Handel's *Messiah* was also among the presentations in which they participated.

In addition to the major productions, the choir performs for local clubs and organizations on many occasions. They also present an annual spring concert after returning from tour. This year the tour consisted of giving concerts in several cities throughout the state.

## Chorus Participates in Campus, Tour Events

Under the direction of John Spoelstra, Women's Chorus actively participates in on and off campus activities.

Women's Chorus harmonized with surrounding musical organizations to present Carl Orff's spectacular production of Carmina Burana. This concert featured the voices of the Young People's Choir, Minot High School Choir and MSC Concert Choir. Full orchestral accompaniment was provided by the Community Concert Symphony Orchestra.

Last spring the chorus went on tour to the Crippled Children's Home in Jamestown and Children's Village in Fargo.

Annual Christmas festivities featured a medley of songs given by the choir in a special concert. A tour of the Old Folks Home, local banks and shopping centers provided entertainment for the Yuletide Season to residents of Minot. The choir also participated with surrounding musical organizations in the annual presentation of The Messiah.

John Spoelstra sings as he directs the chorus.

Women's Chorus officers are Connie Lund, secretary; Doris Brown, vice president; Paulette Haugen, treasurer; and Marilyn Nelson, president.

Gamma Delta officers are Marlene Schmidt, Rev. Chambers, Sharon Olson, Bob Koebernick and Dale Niewoehner.

Dennis Klimpel helps the women dish the ice cream and apple crisps.

## Gamma Delta Relocates Meeting Quarters

Gamma Iota chapter of Gamma Delta has the distinction of being the first national church group on MSC campus. All Missouri Synod Lutheran information is located at national headquarters in Deerborn, Wisconsin.

The members have relocated their meetings at the newly built Good Shepherd Lutheran School to accommodate the doubling in its membership this year. This building gives them ample room to play volleyball, basketball and other recreational games.

The spacious kitchen enables the women to prepare weekly evening lunches after their business meetings. Occasionally the men take over and, except for a little assistance from the women, pre-

pare and serve the annual pancake supper.

Speakers from all over North Dakota, evening suppers, outdoor excursions and films on topics like "The Spenders" are among the varied activities enjoyed.

One of the main projects they worked on was the establishing of a Gamma Delta Center in the future. It will consist of a building or house with living facilities for college students and provide a meeting place for area members of their church.

Rev. John Chambers, pastor of St. Mark's Lutheran Church, assists them in their activities and gives advice when it is needed.

## UCCF Carries on Discussions

Wednesday evenings at 5:30 United Christian Campus Fellowship-ers dash to the EUB church to partake in spiritual worship, delicious food and fascinating conversation. They find the church a relaxing and enriching hideout where they can pursue the everlasting and neverending.

This year they journeyed to retreats at Rice Lake, Minneapolis, and Clearwater, Minnesota. They also worked for UNICEF and had a progressive supper and caroling session for the sick and shut in. Speakers have included a priest, a rabbi and a Protestant minister.

These searching discussions and worship services often lead them to inspired wisdom. Their various activities have been aided by their advisers, Rev. George Godfrey, Rev. John R. Hall, Rev. Norman Neumann and Dr. Paul W. Morrison.

## I-V Membership Represents Variety of Faiths

The outstanding difference between the Inter-Varsity Christian Fellowship and the other religious groups on campus is the fact that I-V represents a great variety of Evangelical churches. This representation of religions enables them to have enlightening discussions concerning minor differences in their beliefs, yet the beliefs are still similar enough to maintain close harmony within the

group.

Their weekly meetings were enriched by discussions on designated topics, speakers, films and sing-spirations. Their advisers, Miss Betsy Nokelby and Earl N. Shearer, assisted them in planning other significant plans including a fall retreat, a spring banquet and sending gospel teams to other churches in the Minot area.

Baptist Student Union is the newest church group on campus. The members set their goals at helping students and faculty members to have a deeper spiritual life. The only qualification for belonging is membership in a Baptist church. However honorary membership is occasionally granted to students of other church denominations.

The agenda for their first year included an International Student Social, Christmas activities, retreats and a Sweetheart banquet. It also included regular socials that were held once a month and weekly meetings.

Mrs. Rosemarie Lones is the faculty adviser, and Rev. Thomas Sherrill is the pastoral adviser.

## MSM Delegates Attend National Conference

Methodist Student Movement, under the leadership of President Arthur Scanson, launched another year of activities with a fall kickoff banquet put on by the ladies of Vincent Methodist Church.

MSM shared the benefits of their Christian faith by participating in the medicine for Cuba project which consisted of donations of money and specific drugs to aid the Christians ministering in Cuba.

Five selected delegates attended the National Methodist Student Movement Conference in Lincoln, Nebraska, December 28-January 2. These delegates joined 3,500 other college students representing all fifty states and many foreign countries.

The year was climaxed by a spring spiritual life retreat held at the Farmers Union Camp.

The officers of MSM are Arthur Scanson, Harold Eastburn, Cheryl Wicklander, Lorraine Gunlickson, Lyle Johnsen, and Frand Manolovitz.

## LSAers Work on Current Topics, Projects

Every Wednesday evening a stream of students could be seen going in the direction of Augustana Lutheran Church for the purpose of acquainting themselves with their religious backgrounds and to be prepared intellectually, emotionally and spiritually to meet the demands of today's life. Serving as advisers are Miss Adelaide Johnson, DeWayne Martin, and Rev. Dick Jurgensen.

In addition to the traditional Wednesday eve-

ning meetings Lutheran Student Association met Friday evenings to discuss literature, sing folk-songs, read poetry, look at artwork and eat popcorn. They engaged in a Christmas and Easter Pageant and Communion Service, a get acquainted picnic and a spring farewell banquet. They joined the small children of Minot on Halloween, but they went trick or treating for UNICEF.

## Newman Club Studies Changes in Liturgy

Newman Club concentrated its spiritual studies around a series of lectures and discussions on the changes in liturgy of the Catholic church and marriage. These instructions were presented by priests from Minot and the surrounding area.

Under the leadership of President Dan Strauss, Newman Club enlarged its facilities by furnishing

a lounge in Little Flower School. This lounge was utilized by all club members for relaxation. Tickets for a carnival were sold to finance their various including those to build a student center.

## Annual Follows

What really constitutes a yearbook staff? It's a group of hard-working students who take time from their busy schedules to capture the memories of the past year and compile them to make the 1965 Beaver.

Although they are responsible for most of the actual work, it takes an editor like Bill Flegel to make the major decisions, plan meetings, give "orders" and make it a success.

After a slow start due to unfamiliarity of people and yearbook standards, the staff got into high gear. The first deadline went well and nothing seemed to stop them. Then came the last two deadlines along with midterms and final tests which slowed them down. But with renewed "Vigah" they kept going and met the deadlines on time.

## R & G Newspaper Chronicle Year's Activities

The fine quality of the Red and Green was again proven in the 1964-65 academic year. Mary Ann Lindgren was editor in the fall quarter and was assisted by Darlene Keyes. Martha Reiquam assisted by Lorraine Smith took over for the winter and spring quarters. Through their fine work and the help of the adviser, Mrs. Muriel Turner, the Red and Green was able to achieve its high standard.

As each deadline drew near, many times the news staff followed the paper to the printing office to help reproof, rearrange and sometimes rewrite belated articles; but each paper turned out as hoped. Then Allan Aufforth, the circulation manager, took over and with the help of his assistants distributed the Red and Green to the students.

## Young Republicans Study Facets of Government

Young Republicans upheld GOP traditions by supporting all candidates of their party including their adviser Dr. Warren G. Allen who ran unsuccessfully for state representative. The academic year was dedicated to a study of the different facets of American government, including a complete survey of the Republican Party; its history, platform and constitution.

Young Republicans and their President Bill Grosz co-sponsored with the Young Democrats a special

pre-election Political Week. As a headline attraction for this week, Young Republicans presented "Little Bit of Politicing-Lot of Fun" which was spotlighted by two guest speakers, charleston contest and apple bobbing match. Participation in the Ward County Republican canvas, decorating for political rallies and a door-to-door campaign urging people to vote on election eve strengthened Republican support.

## Election Year Sets Pace for Young Democrats

Young Democrats embarked on a national presidential election year with a successful rousing campaign directed towards victory for the progressive liberal viewpoint.

In addition to specially designed Burdick Day, Redlin Day and a Governor Guy Luncheon, Young Democrats under the leadership of President Ed Velte stimulated campus interest by the presentation of state and local candidates. The featured personal appearance of Senator Quentin Burdick, Ro-

land Redlin and Wayne Sanstead accompanied by a float signifying the Democratic Party comprised Young Democrats Homecoming activities. Pre-election campaigning was climaxed by a mock election and election victory celebration.

Participation in the John Kennedy Memorial Fund and the competing of three local delegates for state offices at the State Democratic Convention in April gave the Young Democrats a successful election year.

## Toestmistresses Reactivate as Local Group

Toestmistresses is once again an active and smoothly functioning organization on MSC campus. In May of 1964 the members began laying the foundation of the club by drawing up a new constitution.

In the fall under the leadership of President Linda Medley and Adviser Helen I. White, an enthusiastic drive enabled the group to reach its full membership capacity. All the members are dedicated to acquiring skills in parliamentary procedure and spontaneous verbal communication. Being able to speak and think effectively not only fosters social grace and poise but it also aids the members in assuming speaking responsibilities for their professional lives.

The Clarence Parker Hotel was designated as the location for their biweekly dinner meetings. At each meeting two members were appointed to present five to eight minute speeches on topics of their choice. There were also impromptu speeches on various topics which gave each member an opportunity to speak.

Mrs. A. E. Chapman, organizer of the first Toestmistresses Club in Alberta, Sask., was one featured guest. One meeting each year is specified for the women to invite dates and encourage them to join in the discussion. The Toestmistresses challenged their ability to speak by having a joint meeting with the Gavel Club.

## Aggregation Changes Its Name to Gavel Club

President Raymond Haas presided over the year's activities of the Minot State College Gavel Club which was formerly known on campus as the ToastMasters Club. A certificate of affiliation from the ToastMasters International changed the status of the club.

Roberts Rules of Order Revised serves as the basis for the proceedings of each of the dinner meetings held by the club. Associated activities between the MSC Toastmistresses and

the Gavel Club provided an opportunity for members of both organizations to promote their public speaking abilities. Each quarter the club features a special date night when the members are allowed to bring a date or wife.

The club has a restricted membership of 25, so that each member is able to voice his opinions at each meeting. Gaylen A. Brown, Dr. Paul A. Morrison and N. Manvel Lillehaugen are the Gavel Club advisers.

Robert Riebe is engrossed by the comments of the speaker.

Alvin Wermager, president, and other MENC members wait for a decision from Mr. Moore, Dr. Schwarz and Mr. Watia.

## MENC Serves Best Interests of Musicians

MENC officers are president Alvin Wermager, LaDonna Green, vice president; secretary Karen Vetter, and treasurer Beverly Hovland.

The underlying motive behind Music Educators National Conference is its member's personal interest in the propagation of good music. This interest was stimulated throughout the year by a series of panels, group discussions and speeches.

The first panel presented a group of former graduates deliberating on the problems confronting a beginner teacher. Riggs Opland served as moderator of the panel.

A Christmas party for the music department was held in conjunction with a group discussion on the elementary aspect of operettas and Christmas music. Special speakers for the event were Terry Thomas, Judy Allen and Marianne Nelson.

Five MSC faculty members served as panelists for a discussion on the correlation and comparison of contemporary arts. The various aspects of art put forth by the members was aligned in a comprehensive manner by moderator Carolyn Varriano.

Profits from a candy drive during Christmas financed a special scholarship fund for students enrolled in the music division. Charles Moore and Bradford Parkinson serve as advisers for MENC.

Guest speaker Irving Iverson captures the group's interest with details concerning pertinent educational bills.

SNEA officers are Peggy Grimes, historian; Peggy Jo Clark, secretary; Janice Rothacker, president; Dave Stewart, vice president; and Dr. Bauman, adviser.

## Activities of SNEA Fill Varied Year

Student National Education Association is composed of students who will graduate with a degree in teacher education or those enrolled in a teacher education program. SNEA is affiliated with the National Education Association, a professional organization for teachers of this country.

The featured spokesman for the first session of SNEA was Dr. Olger Myhre. He expounded on the accomplishments the National Education Association strives to obtain for individual teachers. Irving Iverson, Executive Secretary of North Dakota's Education Association, lectured on the pros and cons of the educational bills to be acted on by the legislature.

At a later meeting a panel of four graduate teachers from MSC related humorous and rewarding experiences they

gained during their first year of teaching. During American Education Week, November 8-14, Graig L. Gjerde shared with SNEA his personal adventures as a Peace Corps volunteer at a training session.

Three official delegates, Connie Stene, Darlene Johnson and Peggy Jo Clark, attended a state teachers convention in Grand Forks in October. These delegates attended the lectures and a banquet where they learned some of the national education problems involving situations other than those limited to North Dakota.

Their able advisers Dr. Frank O. Bauman and James Brandt assisted President Janice Rothacker in carrying out another very successful year of enriching activities.

## Phi Sigma Pi No Longer Restricted to Education

The men of Phi Sigma Pi commenced the year with a fall smoker where they gained 17 new pledges. This increase doubled their previous membership.

Phi Sigma Pi is a national honorary fraternity for men in all professional fields. It is no longer restricted to men in education, although education remains among the primary fields of interest.

Dr. Olger Myhre and Kenneth G. Stockdell succeeded Dr. John D. Scheffer as advisers to the organization. Dr.

J. D. Scheffer served them for twenty-two successful years.

Aird C. Smith, a city alderman, spoke to the group on city government and how it functions. The group also took a guided tour of the Minot Air Force Base, where the various defense devices employed by our government were pointed out to them.

One project for the year was the selection of a uniform dress for all members. A black blazer with their coat of arms on it was the final choice.

The sacrifice for education made by Jack Johnsen is a great but happy one.

Officers are Dr. Myhre, adviser; John Galligan, under secretary; Dan Sipes, secretary; Lyle Grayson, vice president; Ronald Olson, president, and Maurice Hanson, treasurer.

Kappa Delta Pi officers are Wayne Spletstoser, vice president; Janice Rothacker, historian; Jean Dahl, president; Judy Pederson, secretary, and Judy Stavert, treasurer.

## Dahl Leads Kappa Delta Pi

Kappa Delta Pi holds the distinction of being the sole co-educational national honor society at Minot State. Membership is restricted to juniors and seniors on the BS degree program. Initiation ceremonies for new members are held in the fall and spring.

The club's agenda for the 1964-65 academic year emphasized the various problems that confront the prospective teacher who is now attending college. A special banquet in April honored all new members initiated during the school term and recognized the graduating seniors.

Honors Day Convocation is annually sponsored by Kappa Delta Pi. Special awards in every aspect of college curriculum are presented to students who reach a set degree of achievement. Honors Day is designed to encourage scholarship among all students on campus.

The gavel of leadership for Kappa Delta Pi's sixteenth year as an MSC organization was placed in the hands of President Jean Dahl, Vice President Wayne Spletstoser, Secretary Judy Pederson, Treasurer Judy Stavert and Historian Janice Rothacker.

## Irey Heads Fraternity

Hemingway's Farewell To Arms and other war novels were the theme of the John D. Scheffer chapter of Sigma Tau Delta, National fraternity for English majors. The members read, discuss and criticize the novels. In addition they search for the author's all-egorical and symbolic meaning.

Besides broadening their reading perspective the members are encouraged to contribute original literary expression to the Rectangle—a national magazine. This year Linda Medley contributed an essay to the rectangle.

Members listen intently as Drama Director Richard Hesler discusses J. B.

Roger Roberts, Dennis Winters and Robert Schoenwald inspect the Round Demonstration trophy awarded to Minot High during the tournament sponsored by Pi Kappa Delta.

## Group Excellence Their Goal

Beta chapter of Pi Kappa Delta once again traveled to tournaments in various parts of the United States. At times the members met defeat, but more frequently they returned victorious. They captured first place in a tournament in Missouri and 2nd place at one in Omaha, Nebraska. This year the members strived for a balance of team effort rather than individual excellence.

One milestone was reached when Pi Kappa Delta members hosted the North Dakota High School Debate Tournament. There were 187 students entered with 23 schools being represented. Fargo students won first place while Minot High School students placed second. It was the first time a tournament had been hosted by a college debate squad.

Roger Roberts, Bruce Carlson, Robert Schoenwald, Mark Hamilton, Charles Axness and Jack Hanson, members of Pi Kappa Delta listen to Mr. Winters tell the exciting details concerning the trip to the tournament in Omaha, Nebraska.

Robert Schoenwald and Charles Axness debate over the increase of high school dropouts during the past two years.

Adviser Dennis M. Winters was elected secretary of the North West Province of Pi Kappa Delta. Although this is the first year the MSC group has been national, they were given the distinction of housing the central office of the national Pi Kappa Delta for their province.

## Untraditional Party Initiates Year's Work

French Club, the first language club to be organized on campus, began its second year with great enthusiasm. Jean Dahl's appropriately decorated basement became the site for the second annual Halloween party. The members were arrayed in costumes ranging from the notorious Superman, alias Clark Kent, to the traditional witches and ghosts.

Mimi Farrow, a native of France, spoke to the club about French customs, life in Paris and taught them French songs. Informal discussions with French people provide students and other interested people with opportunities to speak and learn from them first hand. Local schools joined the club at a dinner and soiree and evening of skits and songs.

French Club members depict their version of a Frenchman's Halloween with pipes, pigtails, and painted faces.

## Men Outnumber Women in Beta Gamma Phi

Beta Gamma Phi compiles the scientific knowledge of its members each year to impress the visiting seniors on Senior Day with their presentation of a Magic Show. Instead of the "hand is quicker than the eye" technique, the wonders of science are utilized.

Tours of Gavin yards, Minot water plant, the television stations, and Trinity Hospital gave the members a better insight into the scientific fundamentals in practice. Not only did the club visit points of interest, but such things as a film on

"This Is the Mallard" and a lecture on "The New Mathematics" were brought to them.

The Audubon films, where the members ushered and took tickets, was one of the many ventures they engaged in to finance their annual spring tour.

Sister Mary Bernadette, Jean Bartz and Sherry Allen, the three women members, are outnumbered by both advisers and males. All of the science and mathematics instructors are advisers to the group.

## Campus Players Work in Drama, Sponsor Films

Campus Players symbolizes the only MSC organization that deals with the impersonation of personalities of the dramatic world. Under the advisership of Richard Hesler this goal was obtained by the presentation of a series of plays held each quarter throughout the year and by the sponsorship of classic films.

Through the setting of a circus atmosphere Campus Players presented Archibald Macleish Pulitzer prize winning play "J.B." This production depicted a twentieth century parallel to the Biblical story of Job.

Lope De Vega's romantic comedy, "The Gardener's Dog," was presented in February. This story is centralized around two concepts of honor: social reputation and honor as personal integrity and moral worth.

Campus Players is affiliated with Alpha Psi Omega, an honor fraternity for dramatics. A designated number of points must be attained before membership is awarded into this club. These points are earned by working on theatre productions performed by Campus Players.

## WRA Carries On Active Year

Women's Recreation Association provides open membership to all women on campus who invite the opportunity to exert themselves physically in team-work and solo competition.

WRA participated in Playday at Valley City State College November 14. They were joined by women from various parts of the state who represent the respected delegates of numerous WRAs in North Dakota. A welcome mat was also laid out to surrounding high school girls when they held their own playday.

Each year the women select their ideal Mr. Letterman. This year the honor went to Ron LeClerc.

Women's Recreation Association officers are Jackie Skabo, president; Sandy Lystvedt, vice president; Joan Hanson, treasurer; Joan Olson, secretary, and Miss Whitt, adviser.

Business cannot be too pressing if one is to judge by the expressions of the faces of the Lettermen at their weekly meeting.

"M" Club officers are Larry McDaniel, secretary; Ron LeClerc, vice president; Bob Sundberg, president; Mike Hepper, treasurer; and Owen Olson, publicity chairman.

## Athletic Group Changes Its Name to 'M' Club

The 1964-65 Lettermen's Club started the year by changing the name to the Minot State College "M" Club. Accompanying the name change was a change in the constitution and the addition of a group of Lettermen who have not been initiated. This group would be comparable to a pledge class.

The "M" Club also changed the type of jackets and sweaters to be worn in future years. Projects of the club this year were the selling of concessions at basketball, wrestling

and track contests. The lettermen also held its annual Kampus Kapers which is an all school talent show.

Girls also played a part in the new "M" Club. They elected Judy Johnson as their Miss WRA; Mary Merck was their candidate for Snow Queen; and Liz Hovland was chosen to represent them in the Miss Beaver Contest. A prominent letterman, Ron LeClerc, was chosen Mr. Letterman and was also elected by the student body to reign as Snow King.

13 DICKINSON O

Minot State, coming on strong in the third quarter, defeated Dickinson in the Beaver's first home game September 19. Five scrimmage plays separated the scores. The game saw freshman quarterback John Thompson pass 23 yards to Jerry LaRoque at end for 6-0. Bill Bodine got the extra point.

From the Savage 12, George Killmer stormed around left end to score but a conversion by Bodine failed.

Coach Vence Elgie praised Thompson, Killmer, Curt Seibel, Dan Hilligoss, Keith Flygare and Tom Fredericks for the decisive parts they played in the game.

## Strong; Wins at Home, on Road; 4 Get All Conference

### 47 JAMESTOWN 7

Jamestown fell before a powerful Minot State team in Jamestown September 26. Despite the cold and rain, the Beavers rolled to a 47-7 win over their hosts. Minot picked up 415 yards and 4 first downs.

Steve Hurd, George Killmer, Ron LeClerc, Doug Sanford and Curt Seibel scored touchdowns for the locals. Guard Larry McDaniel and linebackers Jerry Rudolph and Bruce Jessen, were impressive defensively.

### 26 WAHPETON 6

Minot romped to a 26-6 win over handicapped Wahpeton October 23. George Killmer and Doug Sanford shared carrying honors while scoring twice apiece.

A Minot-recovered Wahpeton fumble started the initial score. A 27-yard plunge by Bill Bodine set up the next marker. Doug Sanford collected 34 yards to lead the third tally. Curt Seibel tagged a Wildcat pass to pave the way for a 23-yard run by Bodine in the third quarter.

Wahpeton's lone score was on the fourth play late in the last period.

### 13 MORRIS 0

In a non-conference home game October 10 Minot made it four straight by conquering Minnesota Morris 13-0.

In the first quarter Morris progressed to the Beaver 4 but lost the ball on downs. Dan Hilligoss snatched a fumble when the visitors were at the Beaver 5 the next period.

A 39-yard, 10-play drive started by George Killmer ended with a quarterback sneak by John Thompson for 6-0 in the third. An attempted boot by Bill Bodine was blocked.

Bob Sundberg recovered a Cougar fumble on Morris' 31 in the fourth. Thompson made the score. A Thompson-Jerry LaRoque conversion was good.

### 19 ELLENDALE 7

Minot's strong defense October 17 allowed the Ellendale Dusties a total of 105 yards.

The first quarter was scoreless. In the second, the Dusties defensive dam disintegrated, and Steve Auch plunged over from the 1-yard line for the Beaver's first tally.

Rookie field general, John Thompson, flipped 4 yards to veteran end, Paul Soderberg, for the Beaver's second 6-pointer.

In the fourth period, Thompson ran the ball from the 3-yard on a keeper play for the Beaver's final score. Bill Bodine booted the extra point.

The last play of the game witnessed the Dusties' lone counter to make the final score 19-7.

## A New Field . . .

The Minot Air Force Base Color Guard led the festivities for the inauguration of "College Field." The new stadium which has a seating capacity of 1,200 was packed to support the Beavers in the season opener against Dickinson.

Archie Peterson, MSC Alum and president of the Quarterback Club, was appointed by Mayor C. D. Johnson to throw out the first ball. The Beavers topped off the inauguration by trampling Dickinson 13-0.

## First Defeat Comes in Homecoming Tussle

Quarterback Dennis Peterson is just about nailed for a long loss on an attempted pass.

Doug Sanford is caught behind the line for a short loss.

0 MAYVILLE 26

A capacity-plus Homecoming crowd saw visiting Mayville State College drop Minot from first place in a 26-0 tilt where fumbles proved to be Minot's downfall. The impregnable Comets scored 7 points in the second quarter and 19 in the fourth stanza. Late in the third and fourth periods the locals penetrated into scoring territory, but both times the threats failed.

Fullback Steve Auck led in running with 12 and 20 yards in the first drive and 20 yards in the second attempt. Halfback Bill Bodine also gained ground for the losers.

Tackles Dan Hilligoss and Keith Flygare, halfback Doug Sanford, end Jerry Rudolph, and Bruce Jessen, linebacker led in stopping drives during the October 24 game.

6 VALLEY CITY 7

Minot dropped from a first place tie to second while playing its best game of the season in a losing cause at Valley City October 29. The second quarter saw all the points scored, Minot getting 6 and the Vikings 7.

Quarterback John Thompson plunged across after Minot recovered a fumble on the Viking 28-yard line and a running conversion failed. With 50 seconds left in the half Valley City scored and the booted conversion made the difference.

Although guard Larry McDaniel and end Paul Soderberg played with sprained and broken hands, respectively, they drew praise from Coach Elgie.

St. Cloud State College smashed Minot 26-0 in a non-conference conclusion for both schools. The November 7 affair saw the hosts gain their first win in eight starts while the Beavers ended with a 5-3 record.

The Huskies scored in the first, second and fourth quarters.

Linebackers Bruce Jessen and Jerry Rudolph led on defense while Curt Seibel and Bill Bodine set the mark on offense for Minot.

## I-M Adds Curling

Intramural sports afford the men on campus who are unable to meet the requirements for the main teams an opportunity to participate in a variety of sports. In addition to the regular football, basketball, bowling, softball and wrestling events, curling has been added to the agenda.

Teams with such notorious names as the Jelly Bel-lies, the Tootsie Rolls and the Nameless compete in single elimination events and in team tournaments. They are refereed by students enrolled in coaching courses.

## Beaver Basketballers Finish 4th in NDCC

Fairly consistent opposition combined with Minot's errors produced one of the worst Minot seasons in recent years—7 wins, 14 losses overall. The Beavers finished fourth in the NDCC with a 3-9 record.

High point of the year for the Beavers was during the Red River Classic Tournament at Moorhead. St. John's University met defeat 63-60 as

did Mayville State 58-57. These two wins were good enough for MSC to snare fifth place in the holiday tourney.

Rod Caufield rotated seven men in the starting lineup: seniors Mike Hepper, Dick Belisle, Monte Rutten and Paul Soderberg; sophomore Tim Aden; and freshmen Jim Limke and Ed Baker.

The ref watches closely to see that no fouls are committed under the basket.

Coaches Caufield and Elgie discuss results of the game just played.

# First Win Does Not Set Precedent for Season

Under the direction of head Coach Rod Caufield, Minot won its first game of the season in a non-conference affair with Bismarck Junior College 78-64 at home November 24.

December was a bad month for the Red and Green, winning only 3 of 9. A two-game series at Spearfish, South Dakota, saw the Yellowjackets cuff the Beavers 92-57 and 83-67. Weakness in free-throw shooting was largely responsible for the losses. A hard fought, last minute win by the Northern Wolves of Aberdeen ended 70-67 at home December 9. At Mandan, BJC squeaked by 92-89 for their first win over a Caufield squad in 11 frays. The conference opener brought Wahpeton a last second victory rallying to 75-74. Dakota Wesleyan University of Mitchell next lost by the score of 89-80.

Participating in the Red River Classic at Concordia College in Moorhead, Minnesota, the locals made a fine effort while losing to Moorhead State 69-64. The unbeaten Dragons led in field accuracy while Minot was better in rebounds and field goals. In the consolation event St. John's fell to a pressing attack 63-60. Mayville nearly came out on top in a close 58-57 Red and Green triumph for fifth place honors.

Although January was a mediocre month with only two wins against five losses, three of the setbacks were by seven points or less. Powerful Valley City tripped the home

team 77-70 in conference play. The Vikings combined sharp offense, zone defense and excellent shooting. Ellendale fell 83-73, losing the lead in the last 13 minutes. Dickinson smashed MSC by 86-62 on the Savages' home court January 12.

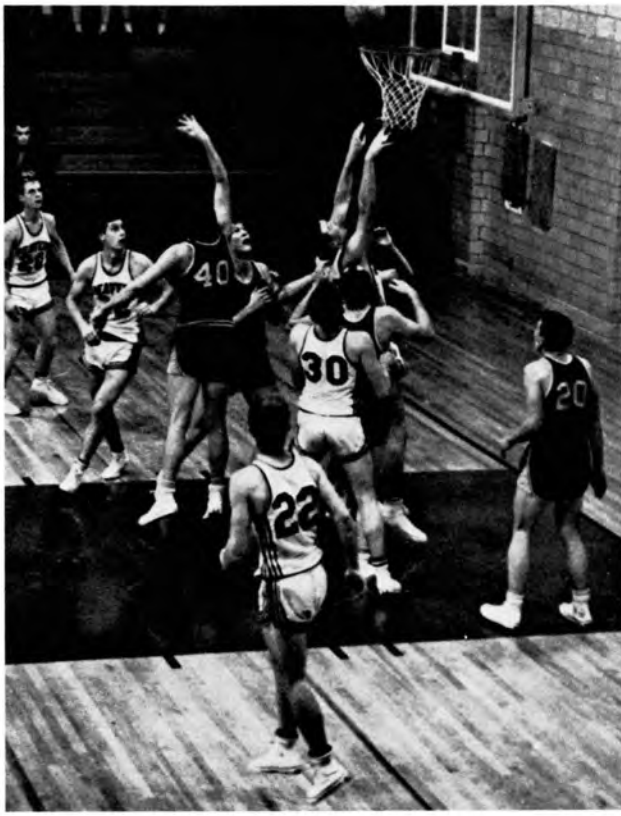

An upset by Jamestown for the first time in 18 appearances here ended with an 84-81 mark. The hard fought overtime wasn't decided until the last minute of the extra period. Mayville squeezed through by 74-73 in a January 21 road game. Minot's next victory was at Wahpeton's expense to settle the earlier defeat. The score was 75-67 as the buzzer sounded. Valley City clubbed the Red and Green 76-62 for the fifth straight time on their home court.

February began with a 65-55 win at Ellendale. On the 8th Dickinson State staged a comeback at Swain Hall to drop Minot 63-56. The battling Beavers never relinquished the lead until 3:06 left in the game. Jamestown's Jimmies led continually in an 83-72 victory on the Jimmies' home court.

From a 34-34 halftime tie, Mayville's Comets stamped over the hosts. The game ended at 83-58. Four seniors, Belisle, Hepper, Soderberg and Rutten, bowed out in the season finale on the 18th.

The prospects for the 1965-1966 season are very promising. In addition to the returning cagers, many freshmen and transfer students are expected to come out for the squad. The experience gained this year could be used in a championship team next year.

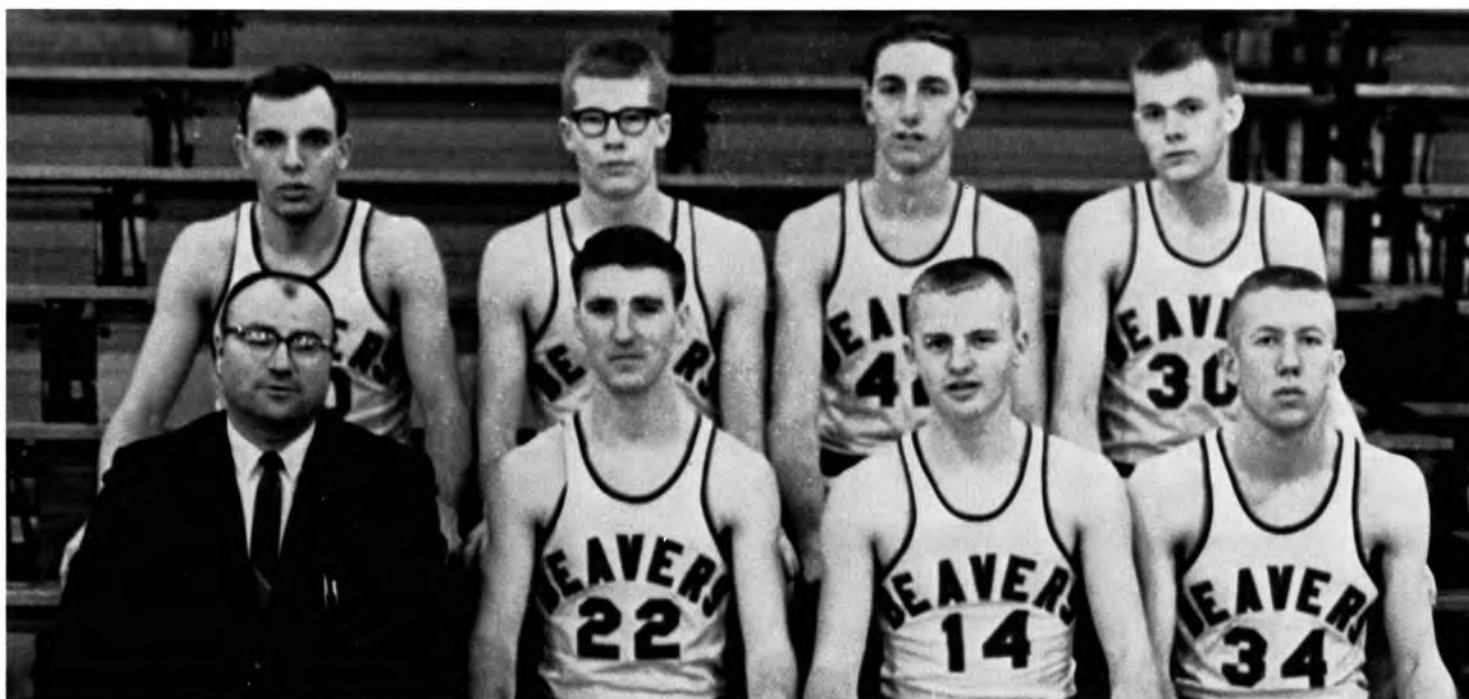

Tim Aden pushes in the after shot rebound.

Mike Hepper breaks away from his defensive man for an easy bucket.

Coach Caufield outlines a new offensive strategy during a time-out of the Minot-Dickinson game.

ROW ONE: Coach Vence Elgie, John Thompson, Mark Vibeto, Arvid Anderson. ROW TWO: John Strauss, Robert Torgerson, Jim Limke, Dale Axvig.

After faking out the Minot defense a Dickinson player goes in for an easy two points.

## Faithful Enthusiasts Attend Every Game

The six women always at every home football and basketball game are the cheerleaders. They provide the morale and enthusiasm necessary to encourage the team's quest for victory.

The two sophomores and four freshmen have 21 years experience in cheerleading. Athletic department faculty and organizations leaders chose the six on the basis of their performances in tryouts.

Because team spirit often depends upon crowd spirit, the cheerleaders try to keep audience spirit at a peak.

ROW ONE: Gay Ulrich, Nancy Nelson, Diana Jackson. ROW TWO: Sue Powell, Sharon McGregor, Marilyn Hanson.

ROW ONE: Dave Stewart, Fred Morrison, Leo Kinsella, Steve Taggart, Dwight Ormiston. ROW TWO: Terry Stadick, Emery Knudson, Gordon Erickson, Roger Behm, Larry McDaniel, Keith Flygare. ROW THREE: Delane Ihli, Howard Anderson, Roger Mortenson, Wayne Herzog, Ken Manolovitz, John Piotrowski, Coach Hank Hettwer.

## Wrestling Team Wins Coveted NDCC Title

This year's Minot State varsity wrestling team became the first to have an undefeated season since the 1946 football team did so. The Beaver grapplers went on to win the NDCC title by edging defending champ and host Valley City by the score of 66-65. Dave Stewart at 130 won 4-2, Leo Kinsella at 137 won 8-2, Keith Flygare at 191 got a pin in 4:29 and Larry McDaniel at heavyweight won by 3-2.

Coach Hank Hettwer, assistant coach of national cham-

pion Moorhead State last year, did an excellent job in guiding his men to the title this year.

Stewart has grabbed four consecutive titles, while Flygare has also taken four and placed 4th in the 1964 NAIA meet held at Spearfish, South Dakota. It is the first crowns that Kinsella and McDaniel have snared. The four new champs will go to the 1965 NAIA to be held at Terre Haute, Indiana, March 18-20.

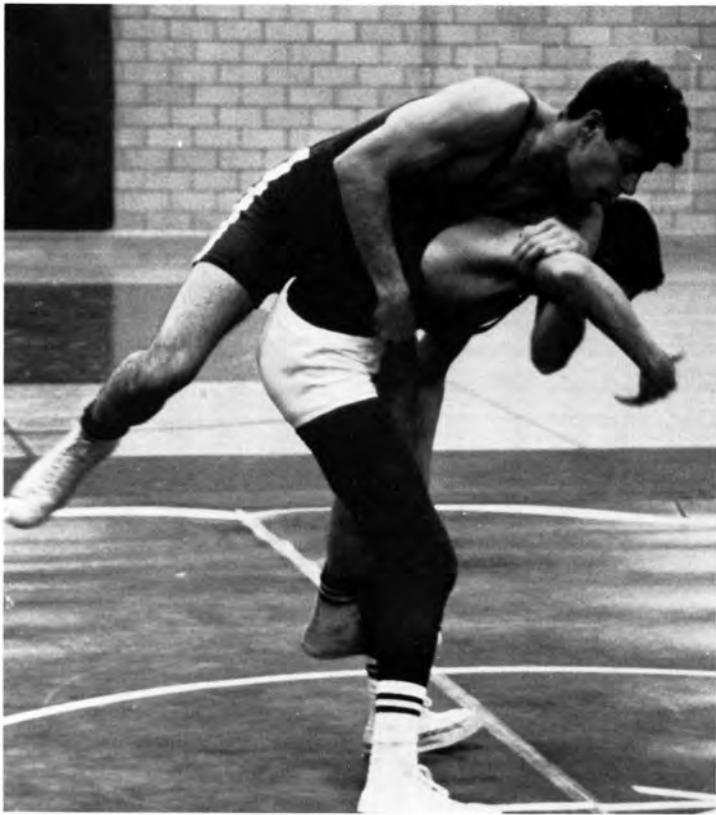

Captain Keith Flygare—191

Roger Behm—177

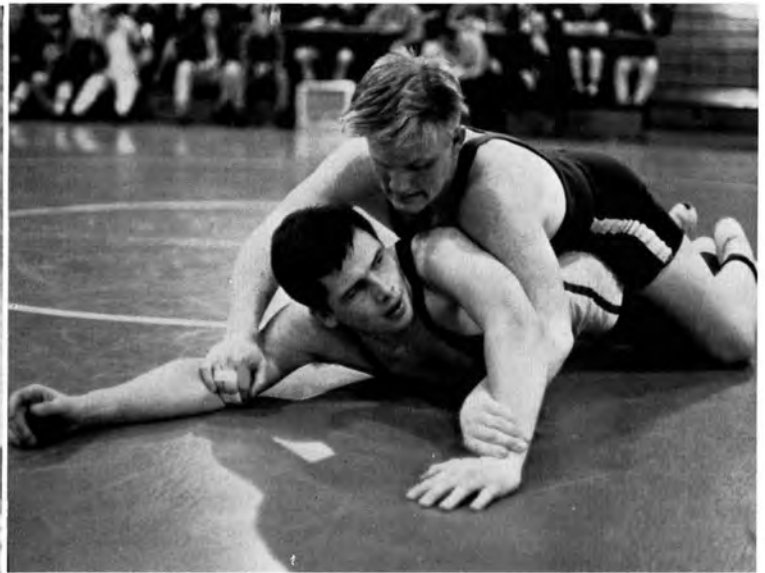

Dave Stewart—130

Larry McDaniel—Hwt.

It appears that Fred Morrison is up in the air.

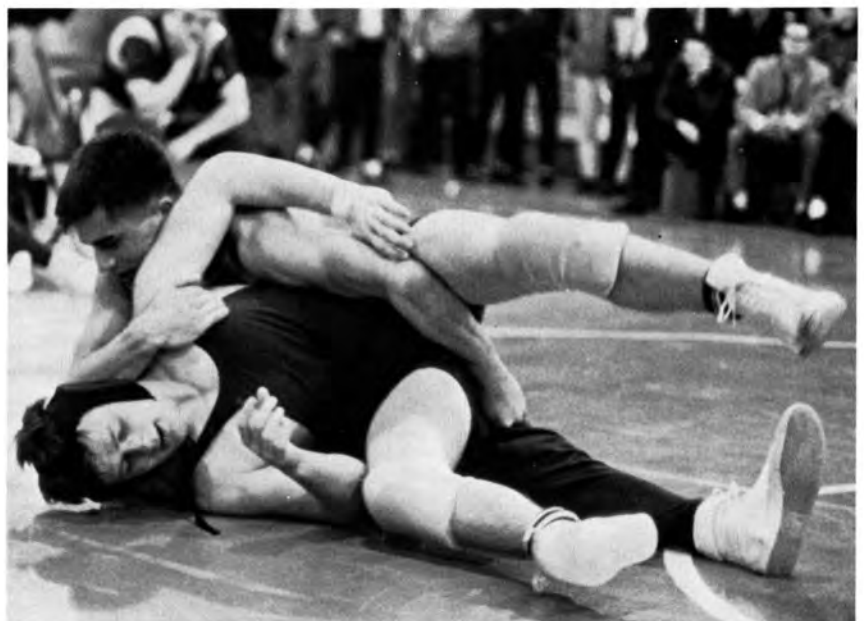

Roger Behm's opponent futilely ponders escape.

Mr. Hettwer seems puzzled about something.

Keith Flygare applies pressure to get a pin.

The Minot man is in an extremely bad situation.

ROW ONE: Ron Hudson, Jerry McCarty, Jerry Sinn, Gerald Hovland, Paul Widmayer, Dave Hanson, Darnell Blackwell, Doug Sanford, Co-Captain Mike Hepper, James Bleth, Fred Kraft. ROW TWO: Larry McDaniel, Bruce Ellington, John Strauss, Co-Captain Bob Sundberg, Harold Doerr, Todd Johnson, Paul Soderberg, Vance Spencer, Doug Engmann, coach Leo Haberlack.

## 1964 Cindermen Set Conference Records

One senior and eight other lettermen helped start the Minot State track squad on a record breaking season. One conference and nine school records were established by the fleet cindermen. Talented Harold Doerr set a conference record in the pole vault with a leap of 13 feet 3 inches and a school mark in the discus with a 148 foot 1 inch toss. Mike Hepper took the broad jump and hop-step-jump with leaps of 21 feet 11½ inches and 41 feet 4½ inches. Bob Sundberg threw 47 feet 2 inches in the shot put.

The 440 yard relay was grabbed by Gerald Hovland, James Bleth, Darnell Blackwell and Dave Anderson in record time of 43.5 seconds. Bleth, Hanson, Blackwell and Doug

Sanford turned in a 1:31.4 time in the 880 yard relay. A 3:23.6 was good enough for Sanford, Hovland, Blackwell and Hanson to cop the mile relay. Blackwell, Bleth, Hanson and Paul Soderberg used 3:52.5 while snaring the spring medley. Soderberg won the 330 yard intermediate high hurdles in 42.9.

Despite a fine Beaver effort, Dickinson roared over all competitors for their fifth straight track championship—four in the old NDIC and one in the new North Dakota College Conference. Dickinson garnered 70 points, Valley City had 50 for second and Minot was third with 45 in the conference championship meet at Dickinson.

Mike Hepper displays excellent form.

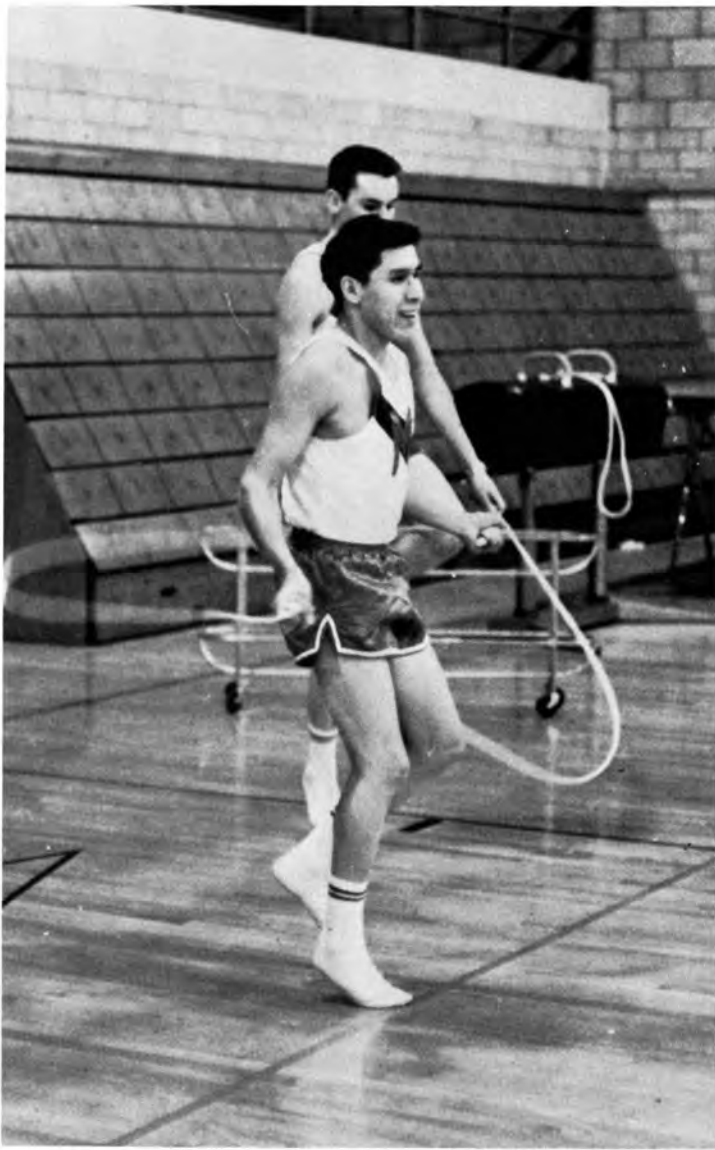

Jerry McCarty and Vance Spencer demonstrate the proper method of jogging.

Dave Hanson digs out from the starting block.

Wiedrich and Spotted Wolf exercise prior to a hard practice.

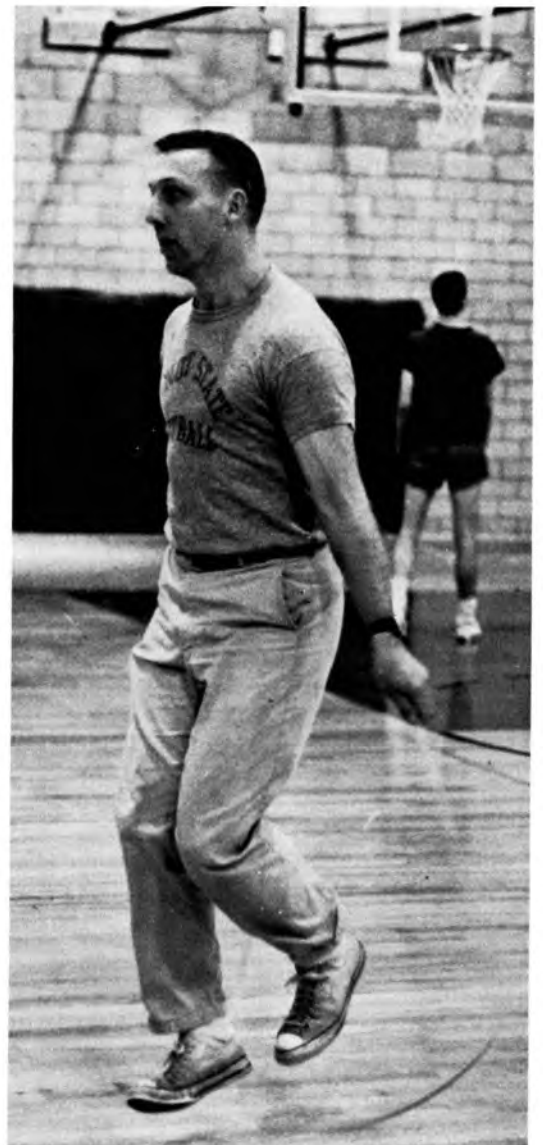

The team members are Al Skarie, Wilbur Spotted Wolf, Albert Wiedrich and Austin Gillette.

## Cross Country New at MSC

The men on MSC campus were given another chance to engage in varsity sports with the organization of the cross country team. The team was hindered by two main factors: a lack of experience and a shortage of participants. Led by coach Myron Lempe, the hard-working squad up their endurance through rope jumping, running and other exercise.

The four members—Al Skarie, Wilbur Spotted Wolf, Albert Wiedrich and Austin Gillette—have hopes of great improvement next year and that more men will take part.

The fledgling squad participated in only a couple of meets. In the conference showdown two of them finished 17th and 18th out of a field of approximately thirty.

Coach Lempe demonstrates the power way to jump rope.

ROW ONE: Gary Teets, Jan Olson, Irv Skelton, Larry Bredahl, Joe Colloca, Don Bunce, Mylo Wattenford, Dennis Peterson, Don Hanson. ROW TWO: Jim Everson, Charles VanCamp, Dick Belisle, Ed Polglaze, Stan Stokke, Bill Mitchell, Bob Rice, Roger Bowles and Coach John Greenslit.

## 1964 Baseball Team Boasts Successful Season

The 1964 Beaver baseball squad under freshman manager, John Greenslit, completed a successful season, compiling a 17-6 record. However, in three of the six losses ineligible players were evidenced on the opposition's team, and the games were thus forfeited to Minot. The Mayville Comets used a man who had previously played professional

baseball, while the Jamestown Jimmies utilized a scholastically ineligible man in the two other games.

Veteran pitcher Roger Bowles led the Beaver batters with an average of .388. Bill Mitchell drove in 17 runs while Dick Belisle crossed the plate 19 times.

Roger Bowles grimaces as the opposing pitcher tries to pick off his feet.

Stan Stokke races for home on a close play.

Roger Bowles is congratulated by his teammates after another victory.

Chuck Van Camp led the Beavers hit-wise with 23 hits. Stan Stokke accounted for a large portion of the Beaver's defense, putting out 149 of the opposition. Maury Wills of MSC, Ed Polglaze, set a new school record by stealing 23 bases.

Leading the mound staff, Jim Everson had a ERA of 1.39 in a total of 45 1/3 innings. Bowles accumulated a 1.98 in 41

innings pitched, while Bob Rice was third with a 2.25 in 8 innings.

The squad lost only three seasoned players by graduation. The three were Bowles, Don Hanson and Mylo Wattenford. Due to several freshmen and transfer students the prospects for 1965 are good.

An attempted bunt is hit back to the pitcher, Bowles.

## 4 Man Team

The four man Minot State tennis team was guided to the North Dakota College Conference tennis title by Coach Moe Johnson. The men provided a combination that usually stopped all opponents.

Gary Thune and Joe Lee teamed up to become the most feared twosome on the tennis courts.

Frank Manolovitz and Owen Olson ably handled rivals in the singles matches.

Thune met disaster at Dickinson when eastern NDCC champ Dale Johnson won the singles crown 6-4, 0-6 and 6-0. However Thune had previously defeated Johnson at Mayville 6-1 and 8-6.

## Gymnasts Hope for Competitive Standing

Terry Larsen seems ready to hit the water as he comes out of his jackknife.

The gymnastic team, under the guidance of Myron Lempe, has traveled throughout the northwestern part of the state giving exhibitions in schools and for various organizations. The team members have also held clinics in schools for the purpose of demonstrating the principles of gymnastics to beginning groups.

Although the goal of making gymnastics a competitive sport on this campus has not yet been realized, hope has been expressed for this achievement in the near future, due to the increased interest in the sport.

## Diploma Day

As graduation approaches, the seniors are making the transition from collegiate life to specific vocations. From freshman initiation to the day MSC becomes the students' Alma Mater, college life has been one big turmoil. Registration, Homecoming festivities, drop tests, dormitory life, deficiencies, Greek life, finals and the long, tedious hours of studying have been crammed into four short years. At the doorstep of graduation, each senior has to evaluate himself. Do I have my major and minor average? Have I forgotten to take a required subject somewhere along the way? Do I have 197 quarter hours? Would anyone ever hire me? These questions are embedded in each senior's mind like a broken record. When graduation day finally arrives, the college senior can say to himself, "Rejoice, the day of the diploma is here."

Senior class officers are Lee Snyder, vice president; Judy Kemp, treasurer; Bob Riebe, president.

## *The Westland Story*

Although the world of commerce and trade is nearly as old as civilization itself, perhaps no industry has so completely altered our mode of life as the era of petroleum. Barely a century ago, this agrarian nation experienced the discovery of oil in Pennsylvania. Since then, we have observed a revolution in industry — the phenomenal rise of the automotive industry — the sweep of aircraft from Kittyhawk to Outer Space — not to mention the commercial development, the vast expansion in research and the broadening of knowledge through the simplicity and ease of travel. We are truly living in an amazing time of history — an existence which leans heavily on petroleum, its derivatives and by-products.

As refiners, compounders and marketers of petroleum products in the great wheat growing and cattle raising area we have chosen as our home, we play but a small part in this picture. Yet, size in no way deters Westland from marketing the finest petroleum products and selling the best related goods available anywhere.

Westland continues, as it has for the past forty-five years, to be most concerned with providing our customers with the best of products, serving in a pleasant manner, and selling at a fair and equitable price. We believe it is on this basis that the integrity of a business is built.

Westland is very appreciative of those who rely on us for their petroleum and service needs.

"Your Eager Beaver Photographer"

How does an editor express his thanks in a final message for all the work his staff has done? We may have goofed off a little bit but when it came to the real work the members of the staff worked as one big unit to get the job done.

A special thanks must be given to Mrs. Turner for all the advice that she gave us. Without her the annual would be just one big blob of words and pictures.

Now as we are ready to mail, everyone looks back and sees that it wasn't as bad as we thought. Now all we have to do it wait until May and see what we've really produced.

Thanks again to the staff and especially the Business Manager who collected our ads so diligently.

*Bill*

I wish to take this opportunity to thank the various business concerns for the advertisements, donations and the courtesies extended to me. I suggest patronizing these places to show our appreciation.
