Foreword . . .

During our years in college, many opportunities to participate and to achieve are open to us. As students, we choose those areas that are of particular interest to our needs and desires.

College offers us the chance to become members in many organizations. We, then, can participate as a group to accomplish our ends.

As individuals we strive for recognition where the competition is exacting, and hope when everything else seems impossible.

Whether we choose the group as our medium or the role of individual attainment, or both, let us, as students, participate to our fullest to make these years in college most worthwhile.

Dedication . . .

Enthusiasm for his work and the building of professionals aptly describe this individual's role at Minot State College.

His service to the community and in the community have been most notable and worthwhile.

The results of unceasing hours of practice, teaching, and performing are seen also in the accomplishments of those he has trained.

The 1967 Beaver Editor, Adviser and Staff wish to honor and recognize the Chairman of the Music Division, John A. Strohm, during this his 17th year of service to MSC.

Old Main

A college is people. People who come from everywhere and to each of them MSC has a different meaning. Yet each is headed in the pursuit of a common goal—the attainment of an education.

These individuals study, play and live in an established social and intellectual framework in an attempt to reach their goal. The story begins in their dorms, classrooms and library where they are exposed to new processes, concepts and experiences.

They learn to accept early mornings, long days and late nights that become essential in the absorption of the knowledge presented to them.

They discover the necessity of learning as a requisite for a role in our modern, complex world. Each of them finds that an education brings an invitation to a lifetime of work held in the hands of the Future—and they must be ready to accept this role.

We can all remember the time spent studying for that English class next hour or the science test that we knew would be dropped soon.

But perhaps the memories we will remember the longest are the ones when we danced the night away.

Although most of us
have a graduation
planned for the future,
we still cannot survive
on work alone—there
must be a time for
play.

Administration

As Viewed From Here . . .

GREETINGS:

"Success is merely a matter of luck—ask any failure." While this statement is based on a certain truth I assume that few thinking people would subscribe to its first part.

There are ways of increasing one's chances of success and a good education is, for very substantial reasons, known to be a solid base supporting this possibility.

We at Minot State College have a sincere concern for adequacy in our instructional program. This fine publication depicts aspects of this manner of operation and reveals, too, the fact that a serious staff and student-body can sensibly fit into the total college program a pleasant and proper atmosphere in a lighter vein.

I commend the "Beaver" staff on a job very well done and I hope that interested folk—younger and older—will take pleasure in this review of our college in action.

Sincerely,

C. Lura
President

To The Beaver . . .

Greetings!

I am very pleased once again to be able to extend my greetings and best wishes to the student body and faculty through the pages of the Minot State College "Beaver."

Education and the pursuit of education has become an even more vital and challenging goal for all Americans in the 1960's. Our future as a state and as a nation will depend largely on the products of our institutions of higher learning during this vital period in our history and development.

Each of you, faculty and students, is to be commended for being a part of one of North Dakota's outstanding institutions of higher learning. It is my hope that the knowledge, both theoretical and practical, that each of you receives will provide you with the necessary skills and talents that can be used to meet the challenges of our society.

I wish each of you the best of success in the months and years ahead.

Sincerely,

William L. Guy
Governor

Front: Lloyd Nygaard, assistant to the commissioner; Mrs. Elvira Jestrab; John Conrad; Albert Haas, president. *Back:* Allen Hausauer; Henry Sullivan, vice president; Fred Orth; Martin Kruse; Kenneth Raschke, commissioner.

Board Directs Vital Work

The State Board of Higher Education is the governing group for the nine state-supported institutions of higher learning in North Dakota.

As the governing body, the members meet monthly to decide on such operating matters as buildings, finances, budgets and curricula, as well as more responsibilities in managing the ever-increasing enrollments in the colleges and universities of the state.

Established in 1939 by a constitutional amendment, the Board serves as the stepping stone between the state and the colleges and universities.

Dr. Randolph N. Foster

Dean of the College

From within the confines of his white-walled office in the Administration Building, Dr. Randolph N. Foster manages duties as Dean of the College at Minot State.

Those who are acquainted with Dr. Foster know him as a personable sort of fellow who has a stern dedication to duty. He excels in a job well done and takes pride just in knowing he had a little something to do with it.

One could best describe him as a man, a mature gentleman, who enjoys being with other people and talking about things of mutual interest or satisfaction. He is also a learned man who at times likes to be alone in thought, to read a good novel, or to take a solitary walk.

As a man who hails from "the largest state" in the Union, Texas, he is almost without that Texan drawl which one could easily use to pinpoint his area of the country.

Joel A. Davy

Assistant to the President

Joel A. Davy, Assistant to the President, is a man who will earnestly listen to any problem you may have and talk to you about it. Then, all of a sudden, your problem wasn't really that big anyway. An amiable man with a jovial sense of humor, he cannot help but share some of it with you. His enthusiasm and willingness in helping you is equaled only by his responsibility and devotion to his duties.

Davy is a husband and father who greatly delights in his family and in doing things with them, whether it be a picnic, a family ballgame, or an evening at home. He only wishes to spend more time with them.

He also enjoys being an active member of the community and is often the speaker at a banquet or community gathering. Currently, he is president of the North Dakota Education Association, an honor he has justly earned.

DEAN OF WOMEN

Garnet Cox

Dean of Women

Many of you can probably remember back last fall when the new dorm hadn't yet been completed. Many problems arose, the greatest of which was where to house the coeds who were supposed to move in. With this note, Dean of Women Garnet Cox was busy calling residents in town to find temporary housing for these women.

This, plus many other yearly responsibilities, exemplifies the hard-work and willingness of Miss Cox in her concern for MSC coeds. Although she has a difficult role in making sure these women keep their hours, she also is reasonable and friendly in her contact with them.

Miss Cox has served in her position here since fall, 1963. Those of us seniors who came at the same time will be leaving for new surroundings, but her duties as Dean of Women will continue.

Herb Parker

Dean of Men

If you should have a few extra minutes to spare you should stop into the Dean of Men's office and look at the tapestry hung on the East wall. On this wall, Herb Parker, Dean of Men, has arranged many school pennants from area high schools and universities. It presents a colorful diversion from the many duties that befall him as well as displaying his interest in school activities.

Parker also takes spectator and participator parts in many of the sports activities that take place on campus and in town. One can usually find him at a football game sitting in the cold or at a basketball game in which he often referees.

Parker has served as Dean of Men since 1959. Prior to that he was head basketball coach and a member of the athletic department, which just goes to show that he knows the game.

EMIL F. SATHER
Registrar

OSCAR M. QUAM
Business Manager

LARRY EIDE
Office Manager

Directors Function in Many Capacities;

DR. OLGER MYHRE
Placement Bureau

Emil F. Sather's busiest time of the quarter, perhaps, is during registration. This is the time when his staff clarifies, alphabetizes and processes the many cards we filled out during those hectic days. He also keeps the draft board informed of all male students' classifications. From his office, as well, come the college catalogues and the innumerable class schedules.

Conducting the business affairs of MSC is Oscar M. Quam. He has probably spent more of our money than anyone else on campus. But then it does take money to run a college. Out of his window, he is able to watch construction of the addition to the Student Union. It is over such building construction for which he also oversees all financial work.

If you search long enough on the second floor of the Administration Building, you might locate the office of Larry Eide, Office Manager. He also spends some of our money and therefore his office is appropriately placed next to the Business Office. It is his duty to keep the college accounts up to date as well as approving the funds spent for this publication.

When you finally finish all the courses and have met the graduation requirements of the administration you are in a position to have Dr. Olger Myhre assist you. As Director of the Placement Bureau, he will help you find a position in one of the various school systems, placing primary emphasis on North Dakota schools. This free service is also available to MSC students after graduation.

If you should find it impossible to attend classes during regular hours, the Extension service is your answer. Under the directorship of J. Bernard Busse, this office provides classes at the Minot Air Force Base and on campus in the evenings as well as extension classes in area towns. This year was Busse's 25th year of service to Minot State College.

Those students on a bachelor of science degree have student teaching requirements to fulfill during their senior year. This section locates the student in a high school, junior high, or grade school either in Minot or in nearby towns. Dr. Frank O. Bauman serves as director. His primary interest is to provide able and concerned teachers for public schools.

Those of you who frequent the Student Center have undoubtedly seen its director, James Froeber, running around checking the situation or setting up another gala smorgasbord. As of now, his greatest expectation is in awaiting completion of the new addition to the Student Union, and perhaps the first swim in the new Olympic size swimming pool.

Even before you were finally admitted to Minot State you were already filling out countless forms and taking several tests to help determine your strongest field of interest. It is the purpose of the Guidance and Testing Office, through the compiling of this data, to aid the student in his choice. Dr. Gary Scott served this past year as director, succeeding Dr. Grant M. Norem.

Vital Areas Are Divisional Concern

The Literature and Language Division is one of the most rapidly growing divisions here at MSC. Under the chairmanship of Harold Aleshire, it is working toward both cultural and academic progress.

One point of interest is the effort to gain majors in both German and French. At present minors are available in the languages of German, French and English.

Also a full quarter is being designated to the study of Geoffrey Chaucer and Middle English. This is being accomplished through the major writers class.

The Division is also striving for an increase in the area of journalism. At present this area is limited to three courses.

Culture is furthered by displaying a variety of paintings in the hall on the third floor of the Administration Building. The paintings range from a collection by faculty member, Floyd Fairweather, to those of students in the art division.

The Literature and Language Division sponsored the summer Tent Theater. A mammoth tent was erected in the parking lot behind Main. Here the summer cast, an orchestra and the directors produced "Bye Bye Birdie," "Damn Yankees" and "After the Ball."

Another facet that is steadily enlarging is that of forensics. Under the coaching of Jeffrey Cunningham, the debate squad and the individual event entrants have won recognition for MSC at numerous events across the United States.

The division is proud of its own divisional library off Room 361. It contains sample texts for college offerings in literature and language, a large supply of records, and a number of audio-visual aids. However the coffee pot remains the most popular single item in the library.

The men are being increasingly outnumbered with the majority of incoming teachers being of the feminine gender. New personalities that appeared in the division were those of Mrs. Shirley Jordan, Mrs. Dolores Sundet, Miss Gerilyn Tandberg, and Merritt Christensen. This leaves the ratio of men to women at 7 to 11.

Science-Math Outgrows Building New in 1961

Starting off a well-planned year, the Division of Science and Mathematics presented Mathematics 412 via TV.

Modern Math in this course was geared to the needs of elementary teachers of the area and about 225 persons went to class daily from 7:30 until 8 a.m. in front of their TV sets.

The course was from September 15 to January 15 and carried six quarter hours of credit. Melvin Lang was in charge of the course; he was assisted by John Holmen and Mrs. Georgia Cunningham. Every Tuesday and Thursday evening the teachers conducted problem sessions and gave exams at the study centers in Minot, Rugby, Bottineau, Harvey, Garrison and Kenmare.

Growing pains have already been experienced by this division as their new building first occupied in March, 1961, proved too small almost as soon as the teachers and students moved in. The \$225,000 third floor which is now being added should be completed this fall. Also this fall a major in physics will be added to the divisional offerings.

The science auditorium is one of the few air-conditioned rooms on campus, a fact sometimes envied by other not-so-fortunate divisions.

The halls of the Science Building offer the curious student a chance to gaze at many animal and insect species that he usually might see only in a museum. The collection ranges from a small brown bear to an alligator hide and from several varieties of birds to numerous mountings of butterflies.

To the student who is experimentally inclined, this division offers both an excellent chemistry lab and an equally well supplied physics lab. The only obligation on the student's part for using these labs is that he must be enrolled in a course in either field.

MSC also has well qualified teachers in the biology section. All six of the members of the biology "department" of the Science Division have their doctorates. Supposedly this is the first "department" in the history of the college so graced.

Groups Work on Projects, Renovations

The Art Department, whose curriculum is included within the Division of Fine and Applied Arts, had an art display up in the hall of the third floor of the Administration Building last fall almost before most teachers and students realized that college had started.

This fall a new art curriculum is planned. New courses to be added are Art 260, Water Color; Art 315, Art History; Art 414, Individual Problems in Art; Art 424, Advanced Art Studio.

An important aspect of the work of the Division of Business Education was the office education program for training teacher coordinators. Purpose of the pro-

gram was to train business education teachers at the secondary level for organization and directing programs of vocational office education. This new program is reimbursable under a federally supported program, one of the main supports of which is the Vocational Education Act of 1963.

In the Home Economics Department, which is also included in the Division of Fine and Applied Arts, the enrollment hit an all time high with 143 students during the fall quarter. Renovations included curtaining the whole department and installing two new unit kitchens.

Division Adds Courses; Plans More Facilities

The Division of Social Science will add an economics major this fall. Projected plans for the future include a political science major rather than only a minor as in effect now and also a sociology major rather than only a minor.

Plans are in the talking stage for social science facilities in the proposed addition to the Administration Building. Hopefully, the social science area would include one large auditorium type classroom. Because of large enrollment in general education requirement subjects in the division, mass lecture type classes have been provided for History 123 and Political Science 160. These classes meet in McFarland Auditorium in the Main Building and the minimum enrollment is 100 per class.

The Peace Garden Conference of late September each year is under the auspices of the social science division. This fall's conference with Brandon College in Brandon, Manitoba, was the 16th consecutive meeting and the subject considered was "Communist Revolution 50 Years Later."

Probably a routine activity, yet a vital one, is the work of the Division in supervising campus elections. They also sponsor and run the mock student and faculty elections previous to the state and national voting.

Music Division Presents State-Wide Program

The MSC music division forms an important link with the community through the Minot Symphony Orchestra Association. This organization provides a means of communication between students, faculty and residents of Minot.

Members of the Division served as clinicians for area high school students November 18-19. The clinic benefited the vocal and instrumental aspects of music.

Also for the first time MSC initiated a statewide program for outstanding high school students in this area. February 4-5 auditions were held and from here about 125 exceptional musicians were selected to take part in a band and choir.

Don Lentz of the University of Nebraska at Lincoln directed the band, and Ed Anderson of Colorado State University at Ft. Collins directed the choir. The program was an attempt to provide a real esthetic experience for those invited.

As has been traditional, the department displayed its spirited pep band, its professional marching unit, and the cultural concert band. The vocal male and women's chorus and the concert choir also provided entertainment at concerts, during convocations and on their annual tours of the state.

At Last Our Own Pool

The swimming program is an important item in the Division of Health and Physical Education. Minot State College is the only North Dakota institution of higher learning that lists one quarter of swimming as a general education requirement for graduation. Those students with sufficient ability may challenge the course.

Because of the impact of the swimming program, MSC is looking forward to their own swimming pool in the new addition to the Student Center.

Heretofore swimming classes have met downtown at the YMCA. While the facilities down there are certainly adequate, the entire operation was marked by inconvenience, mostly in lost time.

The Division is in need of a fieldhouse and as of now its facilities are taxed to the utmost. The big gym is occupied from 8 a.m. until 10:30 or 11 p.m. Usually the final events of each day are the men's intramurals which cannot start until basketball practice is over. The Women's Recreation Association is in charge of their own intramurals on Monday nights.

The first athletic competition for women on campus has been the gymnastic events. There has also been competition in volleyball events for the last two years.

Clinic Trains Those In Special Field

One of the valuable and far reaching services offered in the Division of Education and Psychology is the Reading Clinic directed by Miss Okland.

Purpose of the Reading Clinic is to train elementary teachers whose work in public schools is connected with reading problems of their students.

Children from public schools with reading problems are referred to the clinic for the testing and diagnosis which is done by the supervisor.

Student clinicians then instruct the referred children and work with them on their problems. The clinicians receive college credit for this work and also fulfill one of the requirements of the North Dakota State Department of Public Instruction for the granting of their Reading Credential.

Minot State College is the only institution of higher learning in the state which conducts a reading clinic that is based on a year round system—including summer school.

During the regular year about 5 clinicians work with approximately 15 referred children per quarter. In summer school this number increases. Last summer 12-26 clinicians worked with students who varied in number from 24-42. 1967 marks the 10th year of this clinic.

Special Ed, Library Handle Vital Work

Through its teaching, research and overall program the Division of Special Education has earned a reputation of achievement and worth. Its activities are generally well-known.

Perhaps certain facets of its program and services at MSC are not quite so evident to those outside the area of special education.

These services include an outpatient diagnostic program for all ages, speech and hearing evaluations, psychometric and psychological testing—with counseling.

A language nursery is part of the Division's service. Pre-school children with language and hearing difficulties are helped here.

These probably not readily known services and the ongoing research on the graduate level being carried on in the Division provided a full year.

Memorial Library is now a Depository Library. All state documents and official publications from state colleges and universities as required by law are mailed to the State Library in Bismarck which in turn redistributes them to the 10 depositories in North Dakota.

This past year saw increased use of the library's curriculum section which included textbooks and teaching aids in the elementary and secondary levels.

Plans and expansion this year included books and other material on the graduate level.

School Acts as 'Methods' Proving Station

Minot State College's laboratory school serves the needs of Grades 1-12 during the regular year and Grades Kindergarten through the 6th in summer.

Located on the west end of the campus, the laboratory school provides a novice experience for all MSC sophomores in the bachelor of science curriculum. To these college students this is their first exposure to the professional area of teaching. Then they can decide whether or not this is the area they want to pursue for their career.

A new project to the school this past year was the participation as a base for experimentation in video tape and closed circuit TV.

Acting as a proving station for new methods and providing individualized instruction on the primary level were two vital concerns of the Laboratory School during this past year.

"The focus now is towards serving a laboratory function for the entire campus," summarized Dr. Joseph Wax, school director.

1967 Miss Beaver Judge

Candy Bergan, Miss Beaver of 1966, takes her walk down the rampway during the 1967 pageant. The 12 contestants were Kathi Johnson, Susan Steenstrup, Sharon Aaberg, Marcia Ruud, Pamela Fassett, Beverly Ralph, Judith Bradley, Marilyn Haas, Zella Berg, Carol Anderson, Melodee Monicken and Mary Ahlberg. The contest was December 6 in McFarland.

Above: Accompanied by Brooks Grantier, Zella Berg sang "I Wish You Love" and "The Girl From Ipanema." *Right:* Smoothing last minute difficulties at rehearsal were Jerry Lee, master of ceremonies; Peggy Loveland, Bill Flegel and Bob Jones.

On With The Show

Above: Kathi Johnson sang a haunting version of "Cry Me A River." It was very professional with her finger snapping and bass fiddle accompaniment of Harold Eastburn. *Left:* It was nearing the final moments of the pageant and the coeds were backstage wishing each other good luck.

Right: Making a striking contrast with the subdued lights of the auditorium was Pamela Fassett. The formal portion of the pageant was perhaps the most beautiful. *Far right:* Susan Steenstrup looks very chic in the streetwear competition.

Above: A Musical Tour of the United States was Carol Anderson's talent. She sang "Chicago Is My Kind Of Town," "I'll Take Manhattan," "Swanee," "I Left My Heart In San Francisco" and "Right In Your Own Backyard." *Right:* Candy Bergan offers encouragement to the girls at rehearsal.

Melodee Monicken did a reading of T. S. Eliot's "Portrait of a Lady." It was done with such feeling and meaning that the audience waited for each word with anticipation.

Top: Miss Phyllis Evanko provided beautiful organ music during the pageant. She played the kind of contemporary music that went well with the beauty and grace of the contestants. *Above:* Beverly Ralph played a selection entitled "Carnival In Autumn" for her talent. She was later selected Miss Congeniality by the other contestants.

Homecoming Adds Heritage to Horizons

Delta Epsilon Phi Sorority's campaign slogan "Make King Queen" became a reality when Connie King, a sophomore from Starkweather, was crowned 1966 Homecoming Queen.

The ceremony October 13 at the Empire Theater commenced all Homecoming activities. Other members of the court were Princess Mary Merck, Sigma Sigma Sigma Sorority; Princess Barbara Sigurdson, Beta Theta Sorority; and Princess Joan Wiley, Delta Zeta Sorority.

The week began with illustrious success when the torch bearers arrived after running from Bismarck. At the traditional bonfire a spectacular array of fireworks and vigorous cheers led by MSC cheerleaders

boosted moral.

The theme "Heritage and Horizons" was executed in house displays, floats, and Homecoming buttons. Chairmen Wayne Wright and Gary Aljets planned a long slate of events.

They included a dance with Davy Bee and Sonics, barbeque, movie premiere, Glen Yarbrough concert, football game and victory ball.

A main event of Homecoming was the football game where students, faculty and alumni filled the stadium. The mighty Beavers were triumphant over the Mayville Comets to make the Homecoming a complete success.

A posse of Sigmas sing the "Ballad of Mary" while awaiting her.

One of the cheerleaders silhouetted against the bonfire helps get the students fired up.

Glen Yarbrough sang a variety of songs at his concert to the satisfaction of the entire audience.

Dave Welde, Mu Sigma Tau, proudly grasps their new trophy.

Ivy Stokes ends her reign by crowning Connie King, Homecoming Queen of 1966.

Sigma Tau Gamma's first place float in the men's division also won the overall trophy.

Delta Epsilon Phi captured the trophy in the women's division.

The Teke's rocket looked like it was ready to blast off.

The Beta's beaver was busy during the entire parade loading up the cannon.

Candy Bergan, Miss Beaver 1966, warmed the chilly day with her winning smile.

Homecoming '66

Miss North Dakota, Denise Fledderman, captivates her audience at the Victory Ball.

Carmen Lore goes for a first down.

Al Allstadt, Sigma Tau Gamma, accepts the overall best float trophy from Homecoming co-chairman Gary Aljets.

Delta Zetas won a trophy with their display.

A forty-niner pans in front of the Mu Sig house.

Memories Are
For Keeping

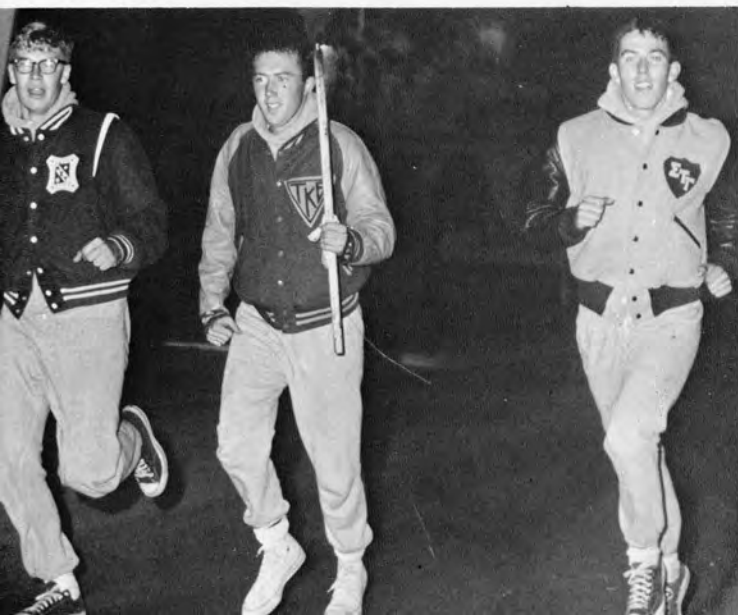

Proud sorority sisters watch their candidate, Connie King, crowned queen.

Princess Mary Merck is escorted to her place in the royal court by Gordon Erickson.

The colorful MSC band presents the halftime show at the Homecoming game.

Torch bearers are approaching Minot from the capitol in Bismarck.

Queen Connie reviews her loyal subjects.

And to begin . . .

The days were nice during September. In fact they were almost too nice to think of starting school again. But vacation was over and after all we did want to learn. Those first few days were hectic though and it was hard to get back in the old grind. Classes seemed dull and the memories of the summer were still clinging in our minds.

After a time we began to adjust and to look forward to Homecoming. The many hours we spent building floats were well worth the while when the parade came off so beautifully. Then there was the victory in the big game. And after that weekend the freshmen were finally considered a part of the mass when they no longer had to wear their red and green beanies.

The weather was still nice in November and those finals that were coming up were getting harder and harder to study for. But we made it through and were all ready to start a new quarter. And what more appropriate was there to come back to school than to have a beauty contest? The

For us . . . variety

annual Miss Beaver Pageant was one of the best in years. A rampway was built to bring the contestants closer to the audience and the great talent of the coeds brought the audience closer to them. It was a nice exchange.

Christmas vacation was a welcomed relief. In case you didn't count we had 17 days of freedom. Then as we looked ahead again, spring was a long way off. But there would be many things to break up the months.

Many snowball fights erupted on those days when the weather permitted us to be outside for any length of time. Once in a while we had a faculty member in a precarious position—especially when he was across campus and couldn't see which one of us threw the "weapon."

The Snow Carnival in February witnessed much artistic ability on behalf of several campus organizations. We formed snow sculptures to the theme of "Charlie Brown's Freezin' Season." We also saw the "husky race" and attended the Snow

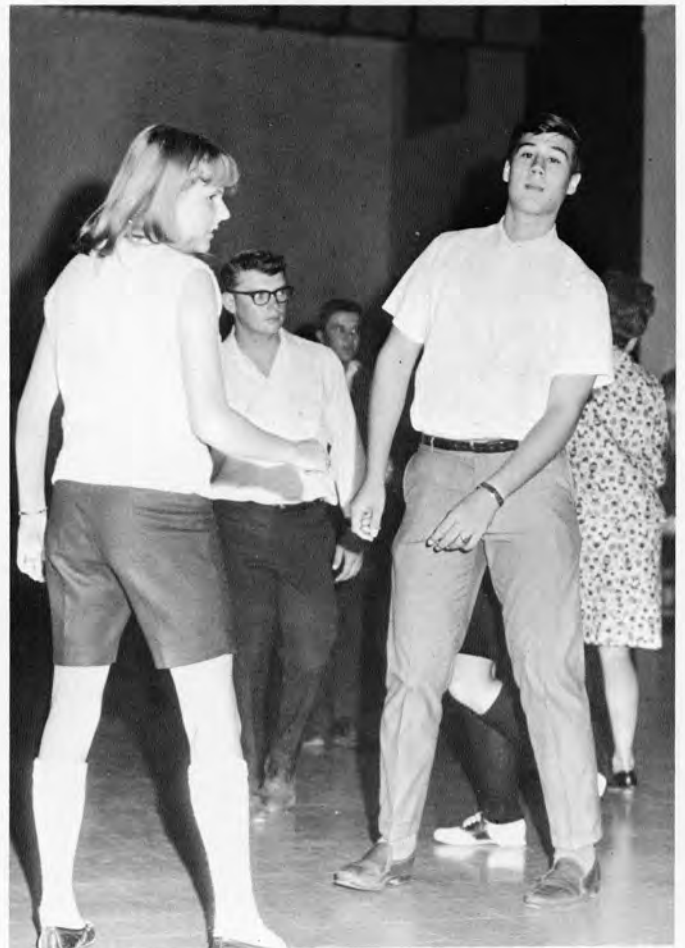

And relaxation . . .

Ball. In fact for probably the first time during the winter we had fun.

Winter kept us busy in many other respects also. We listened, and sometimes spoke out, at the Soap Box Soundoffs where the subjects of discussion ranged from the price of hamburgers to the style of dress in the modern college. We attended the many dances, went bowling and skated.

Many were the times when we had to run from building to building to keep warm. And then there were all those days when we had to go out and start our cars several times during the day to be sure that they would start at night. The sidewalk from the library to the Student Center was one of the better ones on campus. We slid down that one whether we wanted to or not. But it was just as well for we spent many of our hours in

All in a year . . .

the Center anyway. Perhaps it was to have a hot cup of coffee or, more than likely, a good place to sit when we didn't want to go to class.

Some people did make it to the library though. Those who did were well rewarded in their efforts. They received the better grades while some of us had to settle for the lower ones. In fact, just by walking into the library we could tell whether there was a zoology test coming up by witnessing the number of, or lack of, students studying. Sometimes we just went in to read a magazine or to browse in the open stacks, but we still became annoyed with the loud clamoring of the turnstile.

Now near April it started to get nice again. Once in a while we had a pleasant day when our feet could actually find a little water to splash. And now and then we would see a student going from class to class without a coat. This is when the first noticeable wave of spring fever hit the

campus. We were in for it now.

We had a little time to combat this feeling though when Easter vacation came. We went home wholeheartedly hopeful that when we returned our "fever" would be gone, at least for a couple of weeks. And we promised ourselves that when we got back we would faithfully study until the end of the quarter. We didn't have a Fort Lauderdale to look back on but we were thankful for the little vacation we did have.

A good breaker of the next two months was the annual presentation of "Kampus Kapers." We went and watched both groups and individuals perform comical, cynical and serious acts.

We were finally in the home stretch now. It was May and we would soon be at the end of another school year. But on second thoughts many of us felt a sudden loneliness. We soon would be leaving for different places and saying goodbys to the friends that we had made throughout the year. But we promised to meet again next fall.

We still had a couple of weeks left though and we took good advantage of them. Some sunbathed in the loop in front of Old Main, others made plans for summer school and still others were making final arrangements for summer jobs.

Upper Floors Provide Vista View of City

Memories are made of a multitude of incidents. The coeds living on campus will surely agree. Living with students from different parts of the state and varied backgrounds synthesizes an experience of a lifetime.

Coeds at Dakota, McCulloch and the New Dorm have their own trunkful of memories. Who can ever forget the first impression of girls on the floor? They were clean, snotty, nice, sweet, grubby and enthusiastic. Sleep was hard to get because of radios blaring late in the night, rattling pipes of the radiator, all night gossip sessions and studying for midterms and finals.

Settling down to work was quite a chore. The lazy atmosphere of a Sunday afternoon seemed to beckon the minds of the ambitious off on daydreams.

This variety of life was even more enjoyable to those girls on the upper floors of the New Dorm. Many winter nights they were able to see the city in a pleasing vista of lights. The less fortunate had to be content with views of the campus.

"Girls, take arms. We're being invaded."

Karen Morris and Dorothy Haberstroh come in from the chilly night with lots of time to spare.

Connie Huwe prepares for tomorrow's humanities test.

Wistful Pat Fohr wonders whether that telephone call could be the one she was expecting.

Arlene Erickson and Brenda Locken try to concentrate while Jessica Stene and Elaine Norstegaard find it hard to settle down.

Marlys Baker can't believe just how great the Tijuana Brass is.

Judeen Borgen hurries with her laundry.

Dormitory Men Take Domestic Roles

"For men may come and men may go, but I go on forever." Men residing in Pioneer and Crane Halls have definitely taken this attitude.

The men must be able to do their laundry with a professional touch, make their beds like servicemen, and keep their rooms neat and tidy. They are as familiar with dustmops, hot plates, and steam irons as they are with pop and candy machines, table tennis sets, and telephones.

With this serious attitude there is little time for pranks and general excitement. These gentlemen may be seen shortsheeting beds with the finished touch of cracker crumbs. Dusting someone in the face with a dustmop is quite "dirty." The tired men were often awakened by a knock on the door then by a bucket of water in the face.

These residents are quite independent as can be witnessed while they roam the campus in the late hours of the night. A few will find their way to the library while many others go to the union.

Donald Hoff thinks over his math assignment while Patrick Scott starts on his Communication theme.

"Shhhhhhh!" says Cliff Staehr, "climbing walls takes a great deal of concentration."

Jim Limke finds out that there isn't always someone around to do the cleaning.

These fellows are studying for their "Red Skelton 109" test.

"Sherwin Dockter, did someone hide your typewriter?"

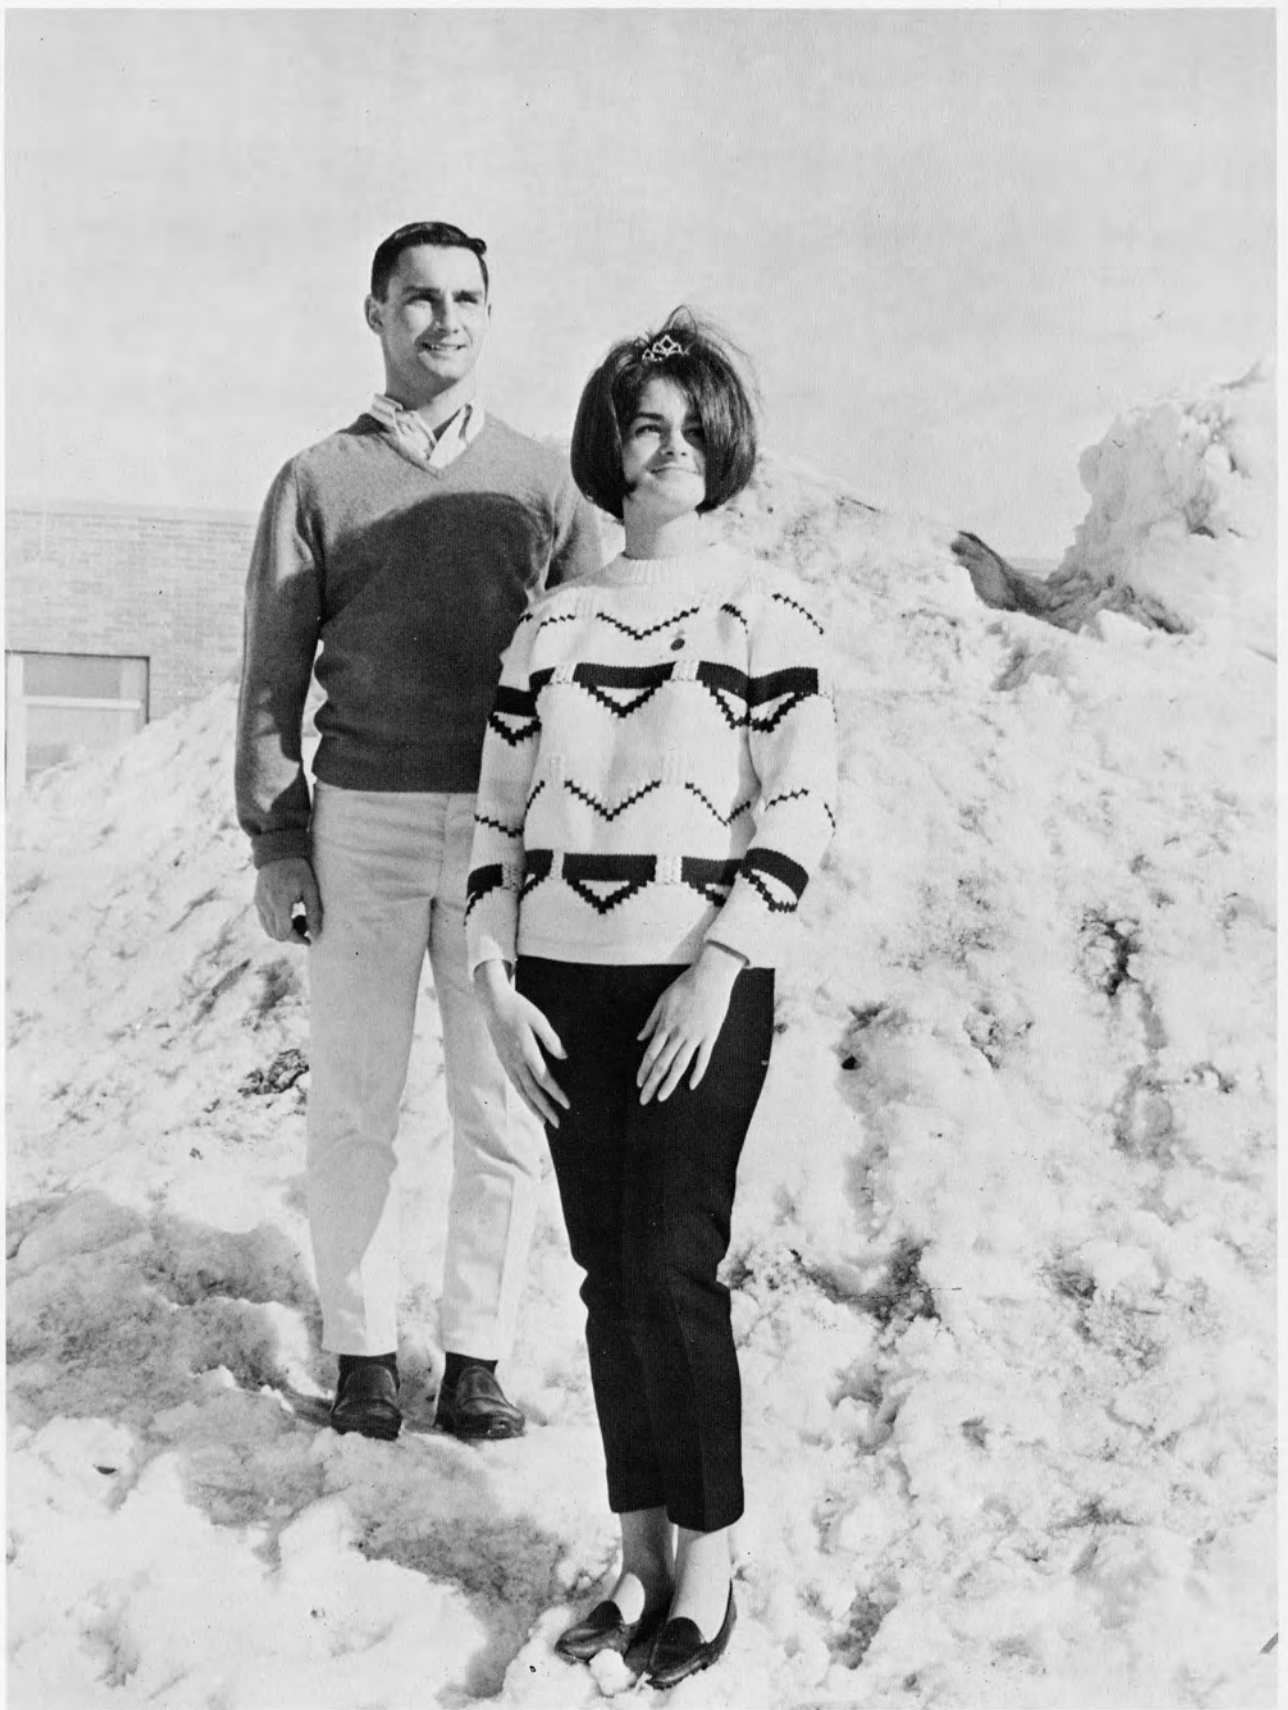

Larry Danielson must be making final plans for his weekend date, or should it be dates.

Who says freshman girls are shy? Looks like these girls had to go get the boys and they're still short one.

Conditions conducive to studying for Forrest Clyde seem to be an unmade bed, open drawers, empty coke bottles and perhaps some background music.

1967 SNOW KING and SNOW QUEEN

MARGARET ALEX

1967 Snow Court consisted of Penny Hoffard, Doug Flammang, Corene Dreyer, Stuart Loken, Queen Pat Fohr, King Curt Seibel, Jon Madsen, Margaret Alex, Jerry Helgeson and Carol Tveito, 1966 Snow Queen.

Below: Snoopy evidently shot the Red Baron from the "skies over Germany." This snow sculpture was constructed by Sigma Tau Gamma fraternity. *Right:* The "huskies race" drew a large crowd despite the cold. Here the Sigmas race toward the finish line. They were Debbie Hanson, Mary Merck, Kathy Thompson and Denise Huddleson.

Above: Mu Sigma Tau fraternity won the men's division of the "huskies race." The winning team consisted of Tim Kretschmar, Pat Jones, John Hovde, Pat Meuth, Dale Olson, Charlie Schwan and Ken Bosch. *Right:* The winning overall snow sculpture was the one built by the Campus Players. Their theme was, "Was it really George who crossed the Delaware?"

Top left: Even though the "huskies race" was short lived, it was soon time to head for home. *Top:* "Hang On Snoopy" was the sculpture of Mu Sigma Tau fraternity. *Above:* The first dance after the coronation at the Snow Ball was in honor of the Snow Court.

Beaver 11 Opens Season at Jamestown

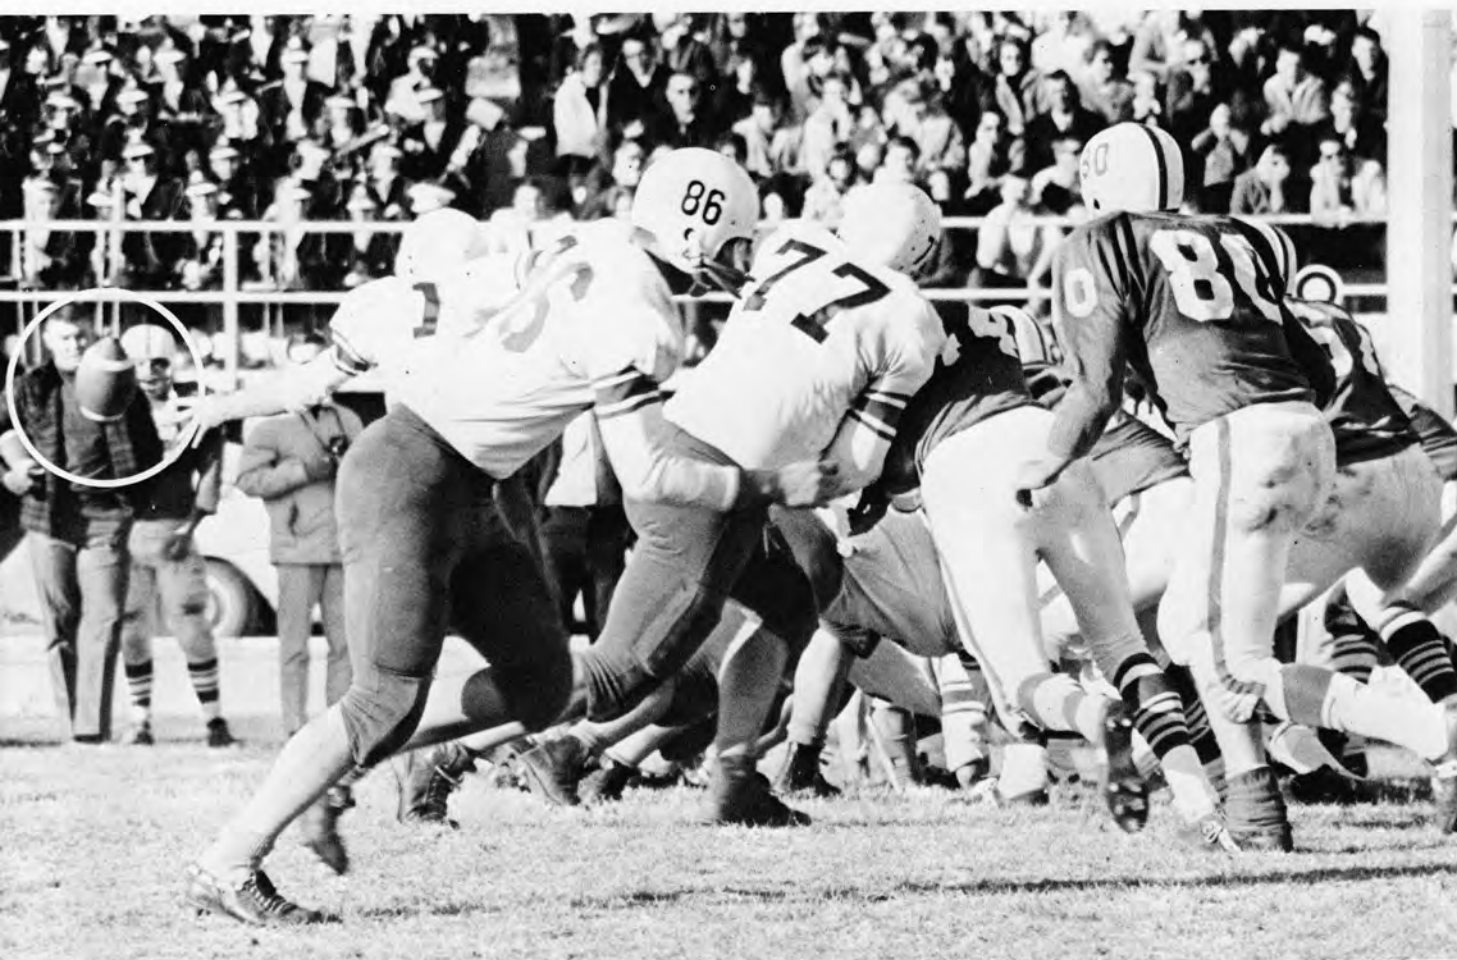

The 1966 Beavers opened the season against the Jamestown Jimmies at Jamestown September 17. After what was considered a good first half, by Minot coaches, the Beavers suffered a letdown in the second half. The final score was 21-14 in favor of the Jimmies.

Wahpeton State School of Science came to the Beaver's home field on September 21. The crowd, the cheering and the enthusiasm propelled the Beavers to a 42-13 win.

Morris, Minnesota, traveled a long way to conquer the Beavers, but the game was strictly ours. Their line was tough and they had speedy backs, but we came through with flying colors. Final score was 27-13.

Above: John Thompson quickly scans the field for an open runner. *Below:* John Theisen sets up an offensive attack against the Mayville Comets at the Minot State College Homecoming game.

Above: The Minot Beavers and the Mayville Comets fiercely scramble for the fumbled ball. However while they devote all of their attention toward the center of activity the ball quickly escapes.

Left: Curt Seibel holds his own against the opposition. Here he displays an effort that was relevant in his being named to the All-Conference team.

Below: (front) Assistant coaches Kenneth Becker and Kenneth Wiebolt, (back) head coach Hank Hettwer and assistant coach Wesley Luther. *Right:* Tony Kulig (front) and Bob Trobaugh anxiously await their moment to enter the game.

Front Row: D. Ormiston, P. McNally, R. Foster, T. Ness, R. Wigness, R. Stromberg, J. Clamon, M. Aardahl, S. Auch, C. Seibel, C. Lore, J. Thompson, J. Theisen, V. Hirschhorn. *Second Row:* Coach Hettwer, R. Wick, M. Ferraro, L. Trombetta, R. Trobaugh, R. Roe, M. Gessner, W. Sims, G. Foster, J. Nybakken, J. Fowler, M. Fowler, Coach Becker. *Third Row:* T. Auch, L. Volk, J. Rovito, K. Reinke, J. Helgeson, A. Kulig, W. Mongeon, G. Qvale, D. Struble, M. Elefante, J. Sacco, C. Sissel, Coach Wiebolt. *Back Row:* E. Meyle, G. Amundson, R. Fix, J. McFarland, W. Connole, J. Dockter, S. Charlebois, N. Koebernick, D. Gotvaslee, D. Anderson, J. Johnston, F. Kelesnik, J. Byron, Coach Luther.

Beavers End Season at 5-3

The Ellendale upset over the Beavers was unexpected and game conditions were very undesirable. Team spirit was also at a low. Outcome was 18-0 at Ellendale.

Minot State's next game was perhaps the best one of the entire season. The Beaver's homecoming game was victorious in all respects. We outclassed Mayville, the number one team in the conference, with a capacity audience that was jubilant despite the cool weather. Our record was raised to 3-2 with the 27-13 victory.

Due to the outstanding efforts of quarterbacks John Thompson and John Theisen the Beavers overcame the Valley City Vikings by a score of 19-6. The game was called with 38 seconds remaining because of wind, rain and sleet conditions in Valley City.

The Savages of Dickinson State proved to be the toughest team played by the Beavers. This home field game ended regular conference play. The final score was 28-20 giving the Beavers a conference record of 4-2 and an overall record of 5-2 after this game.

Top: Fullback; Terry Auch, Jeff Dockter, Vern Hirschhorn, Lou Trombetta, Fred Kelesnik.
Middle: Guards; (front) Rick Stromberg, Bob Trobaugh, Tom Ness, Tony Kulig. (Standing) Jack Nybakken, Jim Byron, Joe Sacco.
Bottom: Quarterbacks; Clyde Sissel, John Theisen, John Thompson, Jim Rovito.

In the final game of the season the Kearney State Antelopes of Nebraska completely overwhelmed the Beavers with a score of 58-0. The Antelopes proved to be a superior team both offensively and defensively. The game was played in Nebraska and the members of the Minot State team felt that was too far to travel and suffer such a tremendous defeat. Thus the entire season was ended with a final record of 5-3.

The Minot State Beavers won 5 games during the season and suffered 3 losses. This is a run-down of the scores:

Minot 14	Jamestown 21
Minot 42	Wapeton 13
Minot 27	Morris 13
Minot 0	Ellendale 18
Minot 27	Mayville 13
Minot 19	Valley City 6
Minot 28	Dickinson 20
Minot 0	Kearney 52

Above: Centers; Darrel Gotvaslee, Bill Connole, Mike Ferraro, Richard Wigness. *Right:* Ends; (front) Jerry Helgeson, Richard Wick, Gus Foster, Jim Clamon, Pat McNally. (back) Wendel Mongeon, Mike Elefante, John Johnston, Jim McFarland.

Left: Co-Captains; Steve Auch, Marv Aardahl.
Bottom Left: Pat McNally seems to be in somewhat of a predicament what with trampling feet coming towards him from every direction.

Below: Halfbacks; (front) Mike Gessner, Carmen Lore, Steve Auch, Curt Seibel, Ken Reinke, (back) Wally Sims, Greg Amundson, Duane Anderson, Larry Volk, Eugene Meyle, Richard Fix.

Bottom: Tackles; (front) Dean Struble, Marv Aardahl, Roy Foster, Bob Roe, (back) Neil Koebernick, Steve Charlebois, Joe Fowler, Mike Fowler, G. Qvale.

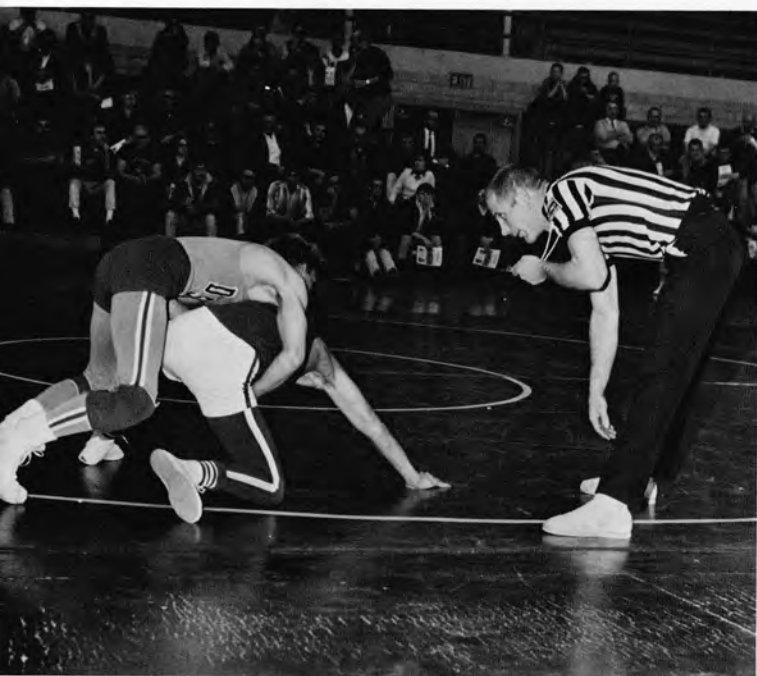

Top: 1967 Wrestling team: (front) Bob Trobaugh, Dwight Farrell, Dwight Ormiston, James Byron, Larry Silver, Charlie Schwan, Leo Kinsella, Al Allstadt, Bill McCollum, Tim Walsh, Pat Meuth. (back) Fred Kelesnik, student manager; Tom Ness, Mike Schaff, Larry Norton, Lou Trombetta, Rick Johnson, John Phillips, Bob Cvancara, Dean Struble, Ken Wiebolt, assistant coach; Hank Hettwer, head coach. Above: Charlie Schwan and Leo Kinsella were the two Minot wrestlers to win 1st in the conference. Opposite. Top: These two wrestlers await the ref's whistle to start. Bottom: Tension mounts as the wrestlers become more entwined.

Coach Hettwer Cops Enviably Record

Hank Hettwer's grapplers had the most successful athletic program in the history of Minot State College this past year, ending up with a 14-0 record. This is the first time this feat has been accomplished by an athletic team undertaking a major schedule of activities.

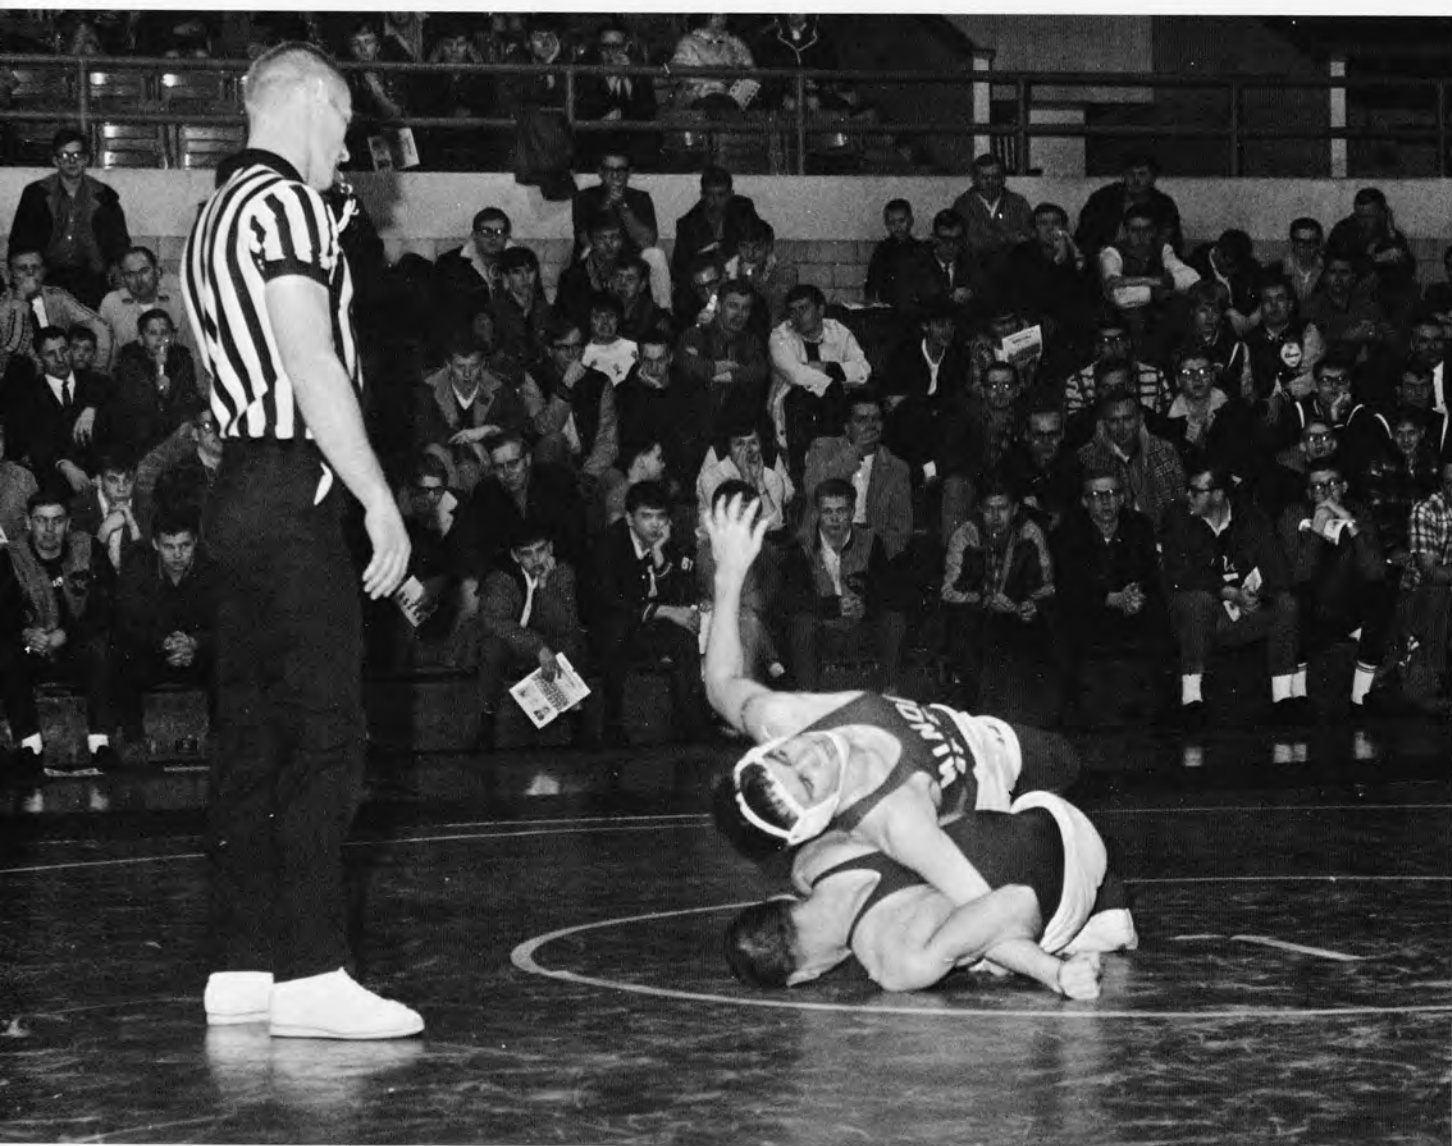

In the past three years Coach Hettwer's teams have compiled a 35 win, 1 loss and 1 tie record. To add to this outstanding feat, these matmen also won 3 conference championships and 3 Valley City championships. The team also put in an excellent showing at the nationals last year by taking 9th in the nation out of 62 schools.

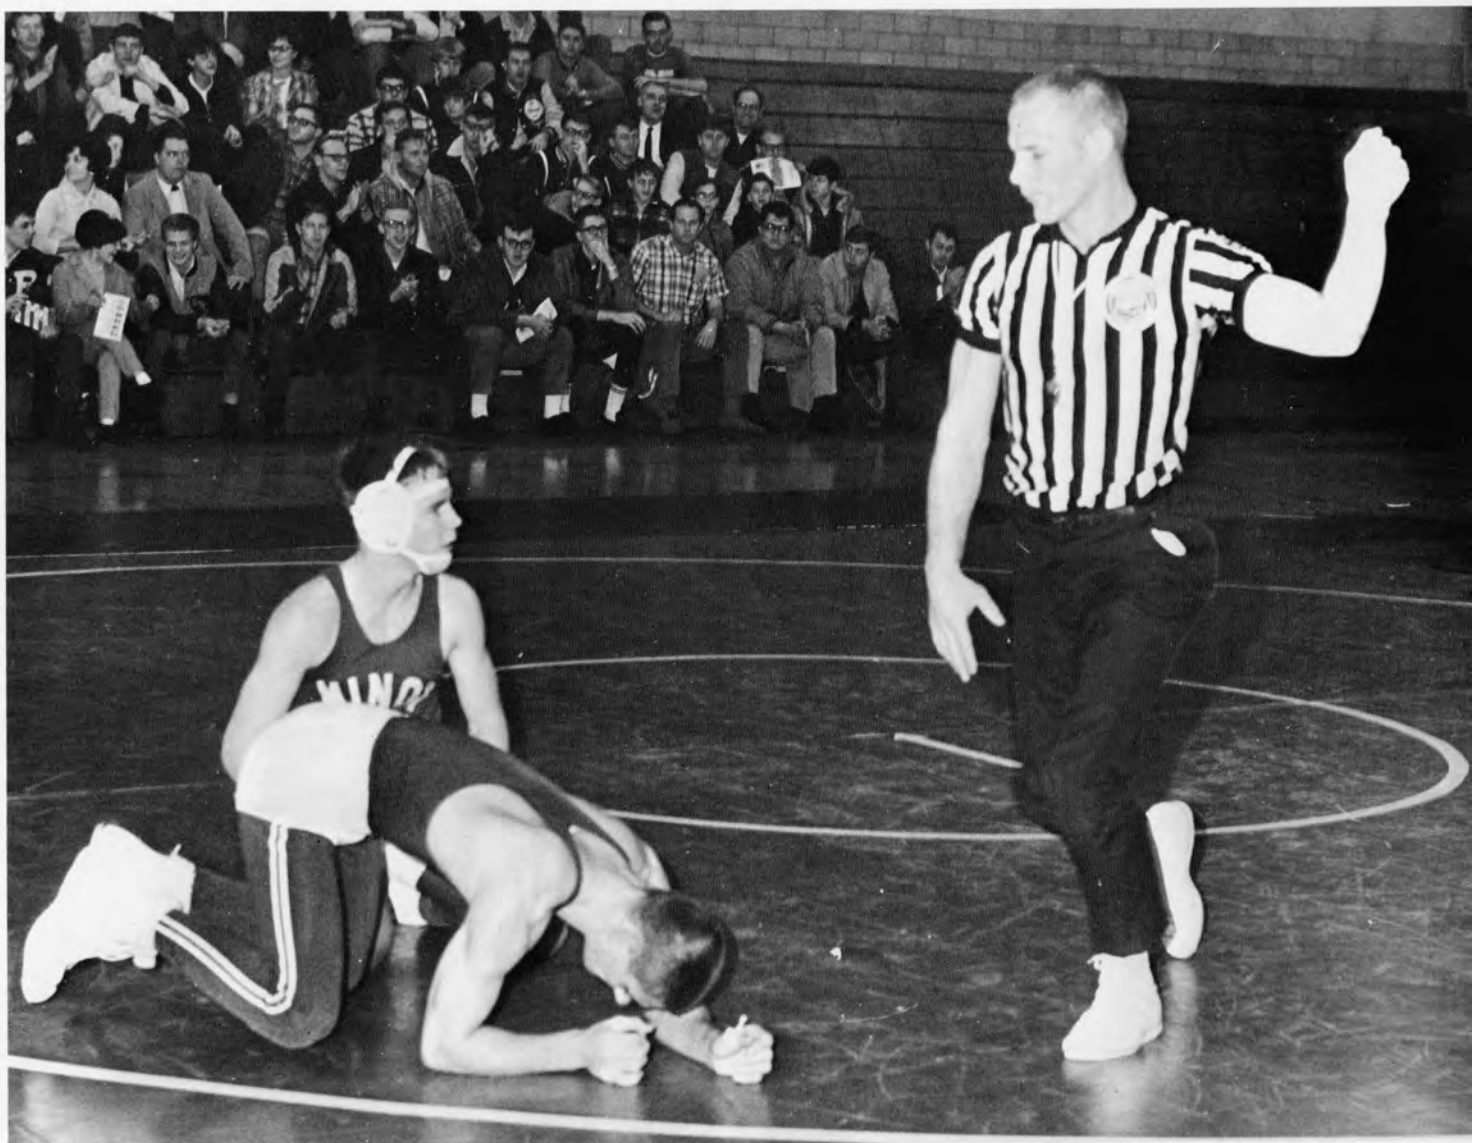

Minot State had 3 men place in this tournament. It was a real success.

During Hettwer's reign as head coach, Minot State has acquired 5 national places in 2 years with the hope of more for the future. The team will be at somewhat of a loss next year with the graduation of Leo Kinsella this spring. Kinsella was named outstanding wrestler of the conference.

Coach Hettwer received much congratulation on having the first untied and undefeated team in Minot State's history. No one is perfect but Hank Hettwer sure came close for Minot State College.

Above: Tim Walsh listens to the instructions of the referee during one of his matches. *Right:* Here Walsh attempts to get that other shoulder of his opponent down on the mat for a pin.

Top: Larry Silver shakes his opponent's hand during the introduction of the wrestlers. Bottom: In the final few minutes of the match Tim Walsh secures a pin.

1967 Minot State College basketball team members were: John Thompson, Ray Giesinger, Delton Olson, Steve Keller, Randy Busche, Dale Axvig, Jeffrey Faul, Jim Limke, Bob Baker, Jim White, Ed Baker, Dale Olson, Dave LaRoque. Coaches were: Wes Luther, Rodney Caufield, Ken Becker.

Quintet Suffers Season Setbacks

The MSC Beavers had their hopes set on a conference title this year but as things turned out they met a couple of tough competitors.

Coach Rod Caufield had most of last year's players back this year and their experience proved to be a key factor in a few of the Beavers wins. Junior, Ed Baker turned out to be the top scorer with an average of 18.6 points a game. A big set back was the loss of Tom Lium a 6'4" forward who lost his eligibility at the end of the fall quarter. But filling his shoes were very capable players like Jim White, Bob Baker, Mel Owens and Dale Axvig.

Record of 9-12

The starting five for the beavers proved to be quite a menace for many an opponent but the Beavers finished with a 5-7 conference record and a 9-12 overall record which put them slightly below the .500 mark in each category. The victory of the year came after a loss to Black Hills State when the Beavers took on a tough Carrol College. With the height in the opponent's favor the team came back to score a big 77-72 victory.

The season started off good with 2 wins, one over Northern Montana, and one over Northern State College. Then came 3 down heartening losses to General Beadle and two to Black Hills State.

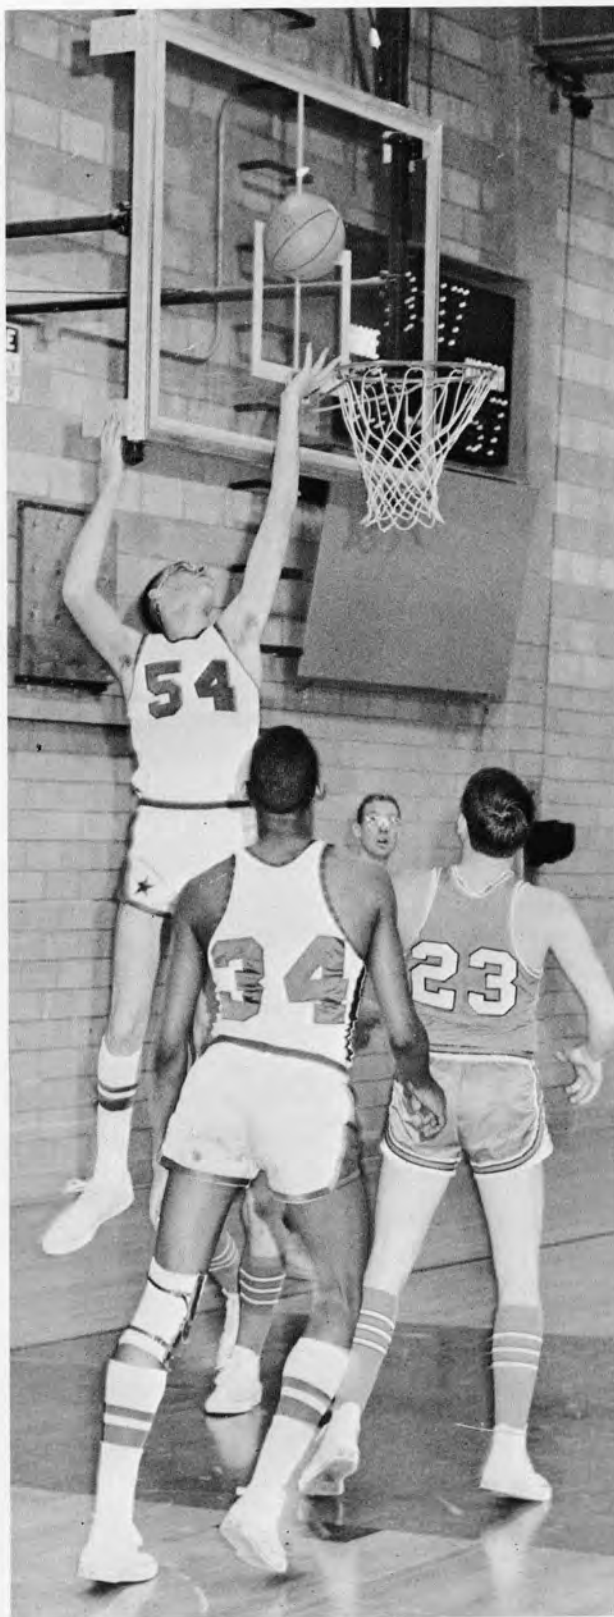

Left: Jim Limke shoots a long one from side court. *Bottom left:* The crowd watches in anticipation as the ball takes to the air and settles precariously on the rim of the basket. *Below:* Ed Baker carefully guards each of his moves before driving for the basket.

A victory over a good team from Carrol College lifted the Beavers spirits only to be followed by two more losses to Dickinson and Illinois State University. The Beavers with their hopes still high went on to beat the College of Southern Utah. After this impressive win the Beavers took 4 losses in a row to Grand Canyon College, Jamestown, Mayville and Wahpeton. They came back with two decisive wins in a row over Ellendale and Valley City State before losing to Mayville again and Dickinson by close margins. With the season coming to a close the Beavers finished by winning 3 out of the remaining 4 to show that they were down but never out.

Leading the team in scoring were Ed Baker, John Thompson, Jim Limke, Bob Baker, Jim White, Mel Owens and Dale Axvig.

Left: School spirit was much increased at the basketball games with the introduction of the "spirit jug." Here members of the Mu Sigma Tau fraternity support the team with banners and posters. *Above:* Well earning of his nickname of "Stretch", Jim Limke completes a backhand shot under the basket.

Left: Ed Baker suddenly halts in an attempt to survey the situation. Bob Baker waits for a probable chance to receive the ball. *Bottom left:* Freshmen squad members this year were: Kip Esterby, Jeffrey Faul, Richard Philo, Stephen Keller, Wayne Christensen, Ray Giesinger, Steven Frey, Kenneth Becker, coach. *Below:* Coach Rodney Caufield takes advantage of a time out to instruct the Beavers.

Savages Easily Take Top Spot

Minot was the host of the North Dakota College Conference track meet in May, 1966. Dickinson State College's talented Savages speared 14 first-place awards and placed in all 17 events in piling up 148 points. It marked the 7th straight championship for the Savages. The other places in the circuit crown were: Jamestown 51 points, Valley City 23, Mayville 22, Minot 21, Wahpeton 6 and Ellendale 0.

Minot's 21 points were the result of a second in the broad jump by Ken Reinke, a second in the shot put by Larry McDaniel, a third in the 220 by Jerry Hovland and a fourth in the discus by Bill Goodfellow.

1966 Minot State College's track team members: (*front*) Fred Kraft, Larry McDaniel, Merlin Erickson, Randy Busche, Richard Kingsley, Bill Goodfellow. (*back*) Assistant coach Ron LeClerc, Jerry Hovland, Jerry Sinn, Rauleigh Robinson, Myron Kanikkeberg, Jerry McCarty, Ken Reinke, Al Skari, Dave Hanson.

Right: Richard Kingsley dashes across the finish line ahead of the competition. *Below:* Larry McDaniel and Herb Parker show off the National Association of Intercollegiate Athletics plaque that was presented to the Beavers. *Bottom:* Fred Kraft displays the form he used in broad jumping.

The 440 relay team placed second and the mile relay team captured fourth place. Members of the 440 team were Jerry Hovland, Rauleigh Robinson, Dave Hanson and Ken Reinke. The mile relay team was composed of Hovland, Hanson, Bob Torgerson and Richard Kingsley. The 1966 track team was coached by Hank Hettwer. He was assisted by Ron LeClerc.

Throughout the season Minot's greatest ability was in the dashes and weights.

Top: Joe Colloca takes a mighty swing and sends the ball over the outfield fence. Right: As the base runner heads for home, the Beavers stopped him with a throw by Colloca while Jim Everson twirls around to see the play. Opposite: Top: Beavers were coached by Duke Benz. Bottom: The runner slides into second only to hear the familiar "Yer out!"

Beaver Baseball Ends Season 10-1

During regular conference play, Minot State College's baseball team did remarkably well. At the close of the season the Beavers had 16 wins and only 3 losses overall, and a conference record of 10-1.

The same formula that worked all season boosted Minot State to the Northern area title in National Athletic Intercollegiate Association baseball.

"Strong pitching and fielding with some timely hitting did the trick," stated Beaver's coach Duke Benz.

Big hitters in the conference were Donn Feldner, Jim Limke and Bob Baker, all new freshmen to the squad.

Smart base running might have been another factor for the Beavers. Twice they scored from second base on infield outs to win all three games in the conference.

Anyone For Tennis

As soon as the weather was nice enough, Minot State's tennis team moved from indoor to outdoor practice in preparation for numerous meets and tournaments.

In the first tournament at Jamestown, Minot State placed third. It was won by the the University of North Dakota. In a meet the following week at Dickinson State College, Minot took second place honors.

Minot also entered the NAIA at Aberdeen, South Dakota, as well as the Aberdeen Invitational. Here they took 4th place in one of their largest meets.

In a home tournament Minot placed 2nd. They also beat Dickinson in a dual meet here at 9-7. In conference positions Jamestown topped the league, while Minot and Valley City tied for second.

Team members were Charles Axness, Monty Eidem, Roger Looyenga, David Leverson, Doug Powell, Lowell Thomas and Frank Manolovitz.

Top: Frank Manolovitz attempts to return the ball to his opponent. *Above:* Monty Eidem serves the ball to start a new meet. *Right:* Making an all out effort to return the ball and keep it in bounds is Charles Axness.

Below: Mark Nedrud and Jerry Fundingsland return to the clubhouse after a round. *Right:* Jim Haider seems to have successfully putted the ball from the edge of the green. *Bottom:* Gordon Opstad tees off on another 18-hole meet.

Team Completes Winning Season

Having perhaps the most soothing and beautiful playing area of any of Minot State's sports is the golf team. All local rounds are played on the spacious grounds of the Minot Country Club. It was also the only 18-hole course in this area.

In their first round of the season, the Beavers won a dual meet from Dickinson State. Then traveling to the Dickinson Invitational tournament they captured first place among several teams.

In the final regular meet of the season they took second place at the Northern Open tournament in Aberdeen, South Dakota.

In the NDACA tournament at Minot, the Beavers again captured first place as well as top honors in the District 12 tournament at Aberdeen. It was a good season.

Agility, Grace — A Specialty

Under the direction of Miss Patricia Kempston and Miss Maureen Quigg, the coeds who participated in gymnastics learned many skills basic to physical fitness. A routine day would begin at 4 o'clock in Swain and last approximately two hours. During this time the women would practice their many exercises. These usually ranged from the seemingly simple form exhibited in a balancing position to the more outward difficult one of "falling" from one bar to another in such a manner that appeared graceful to the viewer. Other exercises included those on the parallel bars, the balancing beam and the trampoline.

One of the main activities that the team performed at were area basketball games and tournaments.

Left: Nancy Nelson is a second year veteran of the team. Here she performs a balancing position. Below: Jill Pettys displays perfect form on the beam. Bottom: Karen Ness, Jill Pettys, Miss Quigg, Miss Kempston and Nancy Nelson.

Forming a pretty picture are Jill Pettys, Sharon Opstad, Mary Muus, Nancy Bonebrake, Lyla Tracey, Karen Morris and Karen Ness. These coeds provided the enthusiasm witnessed at the games.

Assets of Beauty And Enthusiasm

Perhaps the most beautiful assets at Minot State games would have to be the seven cheerleaders. One would certainly have to agree that they were among the more energetic supporters.

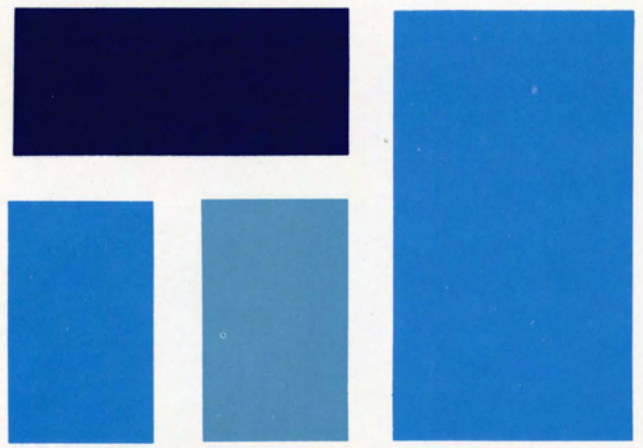

To have the honor of being a cheerleader involved more work and practice than one saw during the games. Every Monday, Wednesday and Friday evenings these coeds would practice for an hour or more in Swain Hall. Then when the games came they had to go out and get the crowds to yell along with them.

This year they had much support from the Greeks on campus. The cheering for the "coveted" spirit jug sometimes brought out individual yells as well as group participation in some audience cheers.

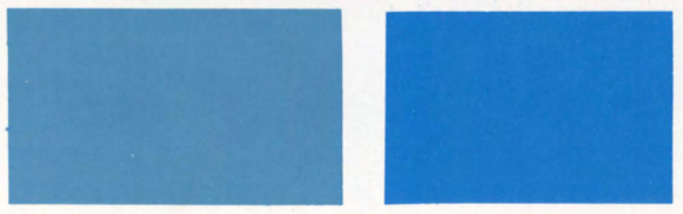

Nancy Bonebrake leads a cheer at a football game.

Greeks

Jeanne Lagerquist
President

SIGMA SIGMA SIGMA

Beta Iota Chapter of Sigma Sigma Sigma sorority completed their year as the largest sorority on the Minot State campus.

Tri-Sigmas started the year with a new home located just west of the college. It gives an outside appearance of an Old South mansion with its columns by the front door and its shutters gracing the windows. But the allusion doesn't end there. With a beautiful living room to lounge in and a large kitchen to raid the coeds experienced a real joy when they returned from classes. The house provided room for 28 women to live in and living quarters for their housemother, Mrs. Nina Argersinger.

This has been another eventful year for the Sigmas. Christmas time was especially busy. In addition to having a Christmas bazaar, they also sponsored a dinner dance with the alumni. Other events included the annual Dream Man Dance and a term party in the spring.

This year was also inspection time for the Minot chapter. In October, Miss Carol Dixon, Sigma national officer, arrived to do the honors. She received a warm reception from her "sisters."

Members of the Tau Kappa Epsilon fraternity participated in three major social functions during the school year. The first event was the annual Winter Party, a theme party decided by the social committee. Then, as in each spring, the Sweetheart Ball was held. Corene Dreyer, Sigma Sigma Sigma sorority, was 1966-67 Sweetheart. This ball was on campus and was open to all MSC students. Also in the spring, the Tekes had their annual Red Carnation Ball. The red carnation is the official flower of the fraternity. This was a formal dinner-dance which was also attended by many alumni.

Other events during the year were an alumni breakfast at Homecoming, a Christmas party for area underprivileged children, and term and exchange parties.

Along with the 230 other Teke chapters throughout the union, the Minot chapter took part in a "Public Service Weekend" this spring.

Larry Eide, Minot State Office Manager and a former Teke from his college days, serves as faculty adviser. Curt Medalen is the chapter adviser.

DELTA ZETA

Homecoming Princess Joan Wiley is escorted by Ray Kuntz.

Theta Pi chapter of Delta Zeta sorority found this past year to be very fruitful and rewarding for them.

The DZs moved into a new home this fall. It is located on 9th Avenue just across from the school. Busy holding the role of houseparents for these active coeds are Mr. and Mrs. Sylvester Effertz.

Putting themselves wholeheartedly into the school activities paid off for the Zetas. They were awarded for their Homecoming house display. They participated in money-making projects with the different fraternities.

In the early part of the new year, the DZs sponsored an all-campus semiformal at which time they announced their DZ Flame.

Zetas who won honors this year were Joan Wiley, Homecoming Princess; Marsha Young, Who's Who in American Universities and Colleges; and Candy Bergan, a social affiliate, Miss Beaver, 1966.

The DZs helped to support a college for the deaf at Gallaudet College in Washington, D. C. They also worked on a local philanthropic project.

The 11 pledges acquired during winter quarter made it one of the largest pledge classes the DZs have had.

Minot State's newest and fastest growing fraternity, Gamma Delta chapter of Sigma Tau Gamma, adopted a mother and father this year, Mr. and Mrs. Joe LaDuke.

Their unique organizational structure was also complimented by four advisers, two from the campus and two from the city. Dr. Ronald Archer and Dr. Gary Scott represented the campus, while Dr. Robert Decker and Frank Barron represented the city of Minot.

The prime function of the Sig Taus is to provide a national fraternity which serves the needs of the small campus. Objectives include scholarship, fellowship, fraternalization and character.

Sigma Tau Gamma chose its sweetheart during the winter quarter at the White Rose Ball. A spring formal dinner-dance was also held.

The Sig Taus are proud of their representation in every academic division on campus, likewise their participation in student government, athletics and other activities. Many of their members have been honored in these various fields. John Theisen, one of the founders of the Minot chapter, was named to Who's Who.

DELTA EPSILON PHI

With the distinction of being the oldest sorority on campus, the Delta Epsilon Phi sorority completed its 40th year of activities. This year was one of many accomplishments.

Three Delta Phis were named to the honor of Who's Who Among Students in American Universities and Colleges. They were Sharon Landis, Janice Smetana and Kay Westlake. Connie King was elected 1966 Homecoming Queen and the Delta Phis also captured first place float trophy in the Women's Division.

In November, members honored their advisers at a dinner. Mrs. Beatrice Zimmermann had completed 10 years of service to the sorority and Miss Lucille Whitt had completed 8 years. Both are Minot State faculty members.

At the annual Sadie Hawkins dance, Diane Moen was named Daisy Mae and Dave Mommens won the respected title of Lil' Abner.

Participating in campus events, promoting scholarship, extending friendship and believing in high moral and spiritual standards are the goals of the Delta Epsilon Phi sorority.

MU SIGMA TAU

M
Σ
T

Mu Sigma Tau fraternity had a year well rounded out with activities. The first project of the year was the publication of the Student Directory in the fall. This was done for the convenience of students and faculty alike.

Smokers were also a unique idea. They were held in the Arnold Theater and Shirley Room of the Minot Federal building in downtown Minot. A social hour was part of the program and a score of sorority coeds were always invited to attend to add that little bit of excitement. It was all very impressive.

School spirit was also instigated at the basketball games when the pledges of the winter pledge class served as cheerleaders for the frat. They would often yell with the regular cheerleaders, sometimes start a cheer on their own and, more than once, create their own cheer.

Mu Sigs also held their Sweetheart Dance in the spring. Liz Hovland was sweetheart this year. They also had a term party, exchange parties with sororities and a spring formal.

BETA THETA

B
O

709 9th Street Northwest

The objectives of the Beta Theta sorority are to extend friendship throughout the sorority, to maintain good scholarship and to promote leadership, personality, and school friendship through active participation in all college functions.

This was a big year for the Betas. They incorporated and leased a house to the southwest of the campus. The house rooms seven coeds and their house-mother, Mrs. Ethel Csech.

The Betas were active around campus. They participated in such activities as Homecoming alumni breakfast, Thanksgiving service projects, Beta Theta Christmas Formal, Founder's Day, Playday, spring term party, and Mother-Daughter banquet. Greek Week found the Betas along with the other Greeks enjoying themselves. A trip to Clear Lake helped the Betas recover from spring finals along with welcoming summer vacation.

Betas who won honors this past year were Barb Sigurdson, Homecoming Princess and Sigma Tau Gamma sweetheart; Lois Anderson, Miss Young Democrat of North Dakota; Kathi Johnson, Greek Goddess; and Carol Anderson, Miss Beaver finalist.

An abstract graphic composed of several blue rectangles of varying sizes and shades. A large dark blue rectangle is at the top left. Below it are two smaller rectangles, one dark blue and one medium blue. To the right of these is a tall, narrow medium blue rectangle. Below the large top rectangle is a horizontal dark blue bar containing the word "Organizations". At the bottom are two more rectangles, one medium blue and one dark blue.

Organizations

Student Association members for 1966-1967 were: (standing) Fred Morrison, president; Barb Headrick, sophomore class senator; Steve Wood, sophomore class senator; Zella Berg, freshmen class senator; Ron Lund, senior class senator; Kathy Thompson, secretary; Duane Bailey, freshmen class senator. (seated) Liz Hovland, senior class senator; Tom Lium, junior class senator; Marsha Richard, junior class senator; Duane Forde, vice president; Meredith Johnson, treasurer.

(governing boards)

Student Association: Minot State College's governing senate concerning the interests of the student body is the Student Association. Included are the usual offices of president, vice president, secretary and treasurer, as well as two representatives from each class and a faculty adviser. SA has to approve many of the policies that concern the students. They discuss new modes and trends that the students wish to try and also rehash the yearly questions of library hours and cold weather wear for women. This is the main board concerned with student welfare.

Social Committee: The Social Committee is headed by the vice president of SA. This year Duane Forde was president. The Social Committee plans all social activities on and off campus, but concerning the college. Dances, Homecoming and Snow Carnival are but a few of the projects that members planned during the year.

Student Affairs and Welfare Committee: This committee has the final decision on matters that concern the students and the organizations to which they belong. They settle disputes that arise between organizations by finding a suitable solution for all. They also select Who's Who candidates.

Board of Publications: This board makes the final decision on appointments of editors for the college publications—the Beaver, the Red and Green and the Coup. It also deals on matters concerning these publications, such as types of ads that can be sold and salaries of the editors.

Arts and Lectures Committee: This committee keeps the interests of the students in mind when planning guest speakers or artistic forms of entertainment. This year it also called a meeting of heads of all campus organizations to determine what students were interested in. A notable speaker this year was Dr. Ferenc Nagy, former Prime Minister of Hungary.

Staff Tries For Book to Remember By

Even before the classes started in the fall, the yearbook had already begun to take shape with the first deadline coming at the end of September. From that time until the beginning of March, the members of the staff literally had their hands full. Deadlines usually arrived earlier than expected and thus caused some anxieties on the part of adviser, Mrs. Muriel Turner, while the rest of the staff took it all in stride, and dealt another hand of whist.

Two main aspects of journalistic change were applied to this year's Beaver.

There was an additional emphasis on copy and the use of more varied layouts for effectiveness. A new technique was also tried on the division pages, that of posterization.

A yearbook should be many things for a college. It should be an analysis of the year both in copy and in photography. But because of the inherent limitation of space it obviously cannot attempt to describe every aspect of college life to the fullest. It also should attempt to preserve the year for the students and serve as a remembrance in years to come.

Above: (front) ElRita Albrecht. (middle) Lana Maxfield, Carol Mathias, Carole Hoffman. Changing Red and Green Goes Weekly

The Red and Green has been the source of many changes. It has been moved to a new location, put under a new editor and a new adviser, and changed from letterpress to offset printing.

The location was necessitated by the complete division of the Red and Green and the Beaver. Mrs. Muriel Turner, prior adviser of both publications, turned over her ties with the Red and Green to Merritt Christensen. The new editor is James Fisher, a junior.

The change from letterpress to offset printing gave the paper a sharper appearance in picture contrast and type. The masthead also revealed

a change in staff positions. The job of assistant editor was replaced by that of associate editor and new positions of copy editor and artist appeared.

The first of the year saw the bimonthly paper become a weekly publication. An official college bulletin in each issue relayed such pertinent information as graduation and registration.

The Coup, also under Christensen, was published every quarter. During this past year the job of editing this publication was delegated to Daniel Wald.

Chorus Enjoys Their Work

MSC Women's Chorus is composed of 75 members under the able direction of John Spoelstra. Membership consists of music majors and minors as well as a number of other college students who enjoy singing.

The first performance of the year was during the annual MSC Music Clinic which was in the fall. Members of the group participated in the performance of *The Messiah*. The group was also featured at the annual President's Christmas Convocation.

During early April, the chorus made their annual tour of area towns throughout the state. The school year was completed with the presentation of a home concert.

Women's Chorus members: (front row) John Spoelstra, director; Judith Bradley, Phyllis Evanko, Tedi Moen, Linda Nordmark, Sherrill Olson, Becky Carlson, Karen Christianson, Lana Maxfield, Barb Johnson, Joy Flaherty, Alana Knittel, Marilyn Guenther, DeVon Allmaras, Barbara Michel, Susan Michelson, president; Tanya Skakoon, Barbara Edman, Gwen Lawler, Marie Zuther. (second row) Melodee Monicken, Joyce Larsen, Susan Kotaska, Clarine Clark, Paulette Olson, Carol Ljunggren, Marlys Martwick, Jean Erickson, Swanna Osteros, Kathleen Dulmage, Liz Hovland, Donna Grenz, Myrna Seibel, Margean Heringer, Janet Klovstad, Gloria Crowther, Linda Erickson, Carol Waggoner. Male Chorus Upholds Best in Music

The latest addition to the music department is that of the Male Chorus. At prior times Minot State has had an organization similar to this one. John Strohm, chairman of the music division and director of the chorus, was responsible for its organization.

Male students who are music majors, minors or those who are merely interested in music constitute the Male Chorus's membership. They participated in numerous activities during the year.

Individual members assisted the Women's Chorus during the Christmas season with deep harmonizing in some of the carols. They also performed for Schumann Club at one of its regular meetings.

Male Chorus members sing a variety of works ranging from the traditional songs to the age old classics. They also added a nice flavor to some folksongs of the day.

Top: Male Chorus members: (front) John Strohm, director; James Haaland, Rodney Arnold, Donald Melland, Robert Pfau, Robert Briggs, Wayne Schempp, Tim Johner, Jim Mackey. (back) Gary Torske, Daryle Odden, Eugene Gackle, Vern Notbohm, Dave Krumwiede, Chuck Langbein, Kenneth Starr, David McCormack, Rodger Olson. Bottom: Male Chorus officers: Charles Langbein, vice president; Rodger Olson, secretary-treasurer; Robert Pfau, president.

Directors Howard Reitz and Dr. James Jurens prepare to lead the band in halftime entertainment.

Many Groups Call Band To Perform

College Band, one of the largest organizations on campus, endeavors to furnish music at all athletic events, to provide opportunities for musical growth through the preparation and presentation of the masterpieces, and also to develop group and individual responsibilities.

There are many parts of the College Band. The Beaver Marching Band gave tremendous halftime shows at all of the home football games. The Red—Green Pep Band provided the entertaining music that was heard at all of the home basketball games.

The Concert Band presented several home concerts and sponsored a Music Clinic in the fall. The winter saw the arrival of new uniforms for the entire band. They arrived in time for the February All State Band Concert.

Letters, squares, and other designs were some of the enjoyable features of the band's performance.

Renee Van Eckhout, majorette for the Minot State College Marching Band, gave a twirling exhibition that captivated her audience.

Highest Ideals . . .

Celebrating its third anniversary this year, Sigma Alpha Iota strives to uphold the highest ideals of musical education. SAI is a professional fraternity in that it promotes professional competency and achievement within the field of music.

This year Delta Kappa chapter of SAI programmed its monthly musicales around the theme of the major eras in music, beginning with Primitive Music and ending with Electronic Music.

Throughout the year SAI collaborated with Sinfonia in going Christmas caroling to the homes of the music faculty and in presenting an American Musicale in the spring. In the future, Sigma Alpha Iota and Sinfonia hope to present a musical play.

Last November 5 four SAI'ers and Xi Province President Jocelyn Mackey traveled to Aberdeen, South Dakota, where they took part in the first annual Province Day. Delta Kappa also assisted in the establishment of an alumnae chapter at Minot.

Above: Officers: (front) Joe Alme, vice president; Vern Notbohm, treasurer. (back) John Strohm, adviser; Terance Bradley, president; Dave Troxel, secretary.

Phi Mus Work For Professionalism

Phi Mu Alpha Sinfonia music fraternity for men is a group of professional nature. It advances the cause of music in America as well as promoting music on an international level. Loyalty to the Alma Mater is also highly stressed among members.

Phi Mus printed a newsletter tri-annually. Dinner meetings were monthly and the year was ended with a spring formal. Three recitals were presented during the year, one was jointly with Sigma Alpha Iota music sorority.

Members ushered at the various recitals and concerts throughout the school year. At Christmas programs were presented at the hospitals and local homes for the aged. They also participated in the annual music clinic.

There are over 250 active chapters of Phi Mu Alpha Sinfonia in the United States.

Music For Our Ears

One of the three vocal groups on campus, the Concert Choir, is a select group consisting of 55 voices. The main objective of the choir is to provide concerts on campus and at schools in the surrounding area.

An unusual feature of this year's Concert Choir was the formation of the group. There were five individual choirs within the major choir. They also had a twenty member choir within the choir. This group sang songs of popular arrangements.

The Concert Choir made a tour of Northwestern North Dakota, Montana, and Regina, Saskatchewan, in March. Also included in their activities were convocation presentations on campus, participation in "The Messiah", and presentation of programs at various high schools to recruit students for MSC and the Music Department. The Choir also participated in the Annual Music Clinic which was held in the fall and presented a singing oratorical at McFarland in May.

Sunday Concerts Bring Entertainment

Minot Community Symphony Orchestra is exactly that—an orchestra consisting of area and college individuals who are interested in performing the type of music heralded as classical. It is the only organization concerning itself with the college that has such an age difference. Members range from those of junior high school age to those of interested members of the community.

It was many a Sunday afternoon when the orchestra performed in McFarland auditorium. The music was soothing and the audience well-appreciative. It created an atmosphere of total involvement for those in attendance.

Guest artists often highlighted the performance as well as individual or group arrangements prepared by some of the members. Coleman S. Taube headed the orchestra association and Dr. Jerome A. Sundet conducted.

Violinist Salvatore Accardo of Milan, Italy, performed for the public during one Sunday afternoon presentation by the Minot Community Symphony Orchestra.

And Musically . . .

Music Educators National Conference is the only organization open to *all* students interested in music education. MENC'S purpose is directed toward the interest of present and future music teachers.

Meetings were once a month. They were organized into programs of panel discussions, guest speakers and films dealing with experiences in music education. Two topics discussed this year were Problems of Beginning Teaching and Choosing Materials of Contest.

Candy sales were again successful this year. All money earned is invested in a scholarship fund for some deserving music students. A banquet was held in the spring for current members and alumni.

An honor for the Minot chapter of MENC came when Joe Alme, chapter president, was elected State President of all student chapters of North Dakota.

Top: (front row) Phyllis Evanko, Paulette Olson, Margaret Heringer, Lana Maxfield, Marilyn Guenther, Corrine Brown, Barbara Michel, Gwen Lawlar, Mary Christianson, Betty Page, Jule Ann Lunden, Sandra Halvorson. Points Determine Who Belongs

Extending experience beyond Campus Players is the function of Alpha Psi Omega. Those students who participated in Campus Players can earn points whereby they are considered for membership in this organization.

It is a national dramatics honorary fraternity for those students who feel they have above average ability in the field of dramatic arts. Thomas Turner is adviser and morale supporter for the members.

Above: Campus Players advertise their fall production of *Midsummer Night's Dream* during the Homecoming parade.
Left: Alpha Psi Omega members are: (front row) Jerry Healy, Judy Bradley, Nell Boozenny. (back row) Jim Ballard, Pat Alexander, Tom Turner, advertiser; Jim Johnsen.

Plays in Tent Highlight Summer

Campus Players is an organized group whose aims and purposes are to participate in dramatic activities on this campus and to have fun in creative group enterprises.

Membership in Campus Players is attained through participation in at least one campus production, maintainance of a C average and a willingness to continue to support theater activities. Members were brought closer to the actual theatrical productions through the establishment of various production heads and backstage crews. These gave members well-diversified theatrical experience. Social advantages of being a C.P. included kool-aide and popcorn parties as well as cast dinners and C.P. banquets.

Last summer, in view of promoting drama in North Dakota, Campus Players presented three musicals in the Summer Tent Theatre here on campus. These were *Bye Bye Birdie*, *Damn Yankees* and *After The Ball*. The directors were Mr. Tom Turner and Mr. Richard Hesler, both of whom were connected with drama department.

Top: Officers: Jim Johnsen, president; Judy Bradley, secretary-treasurer; Jerry Healy, vice president. *Middle:* The Tent Theatre was erected on the huge parking lot behind Old Main. *Bottom:* The cast of *Bye Bye Birdie* rehearses a song and dance number entitled "Kids" at the Peace Gardens.

Members of this year's traveling team were: (*seated*) Peg Loveland, Corine Hansen, Judy Bradley, Melodee Monicken. (*standing*) Tim Davis, Ron Conrad, Mike Utgaard, Orville Schultz, Bruce Carlson, Mark Hamilton, Alan Eidsness.

Those Who Excel . . .

Students who excel in the areas of debate and individual forensic events have an opportunity to join Pi Kappa Delta. Pi Kap is the largest national forensic honorary society in America. Forensic events include oratory, extemporaneous speaking and oral interpretation. Minot State College is the North Dakota Beta chapter and is the second founded in the state.

This year the chapter was generally inactive during fall and winter quarters but participation increased in the spring quarter due to more tournaments. Plans for the future are to increase the members and establish a more active chapter.

Jeffrey Cunningham served this past year as adviser to all students interested in participation.

Above: Adviser for Pi Kappa Delta and the debate and forensics program is Jeffrey Cunningham. *Right:* Members of Pi Kappa Delta are (*front*) Melodee Monicken, Judy Bradley. (*back*) Mark Hamilton, Bruce Carlson, Alan Eidsness.

Group Establishes Memorial Fund

Perhaps the most literary organization at Minot State would have to be Sigma Tau Delta English fraternity. Members are taught to be aware of the rewards of varied reading and creative writing, and even contributing their own works to *The Coup*, Minot State's literary magazine, and to *The Rectangle*, the national magazine of Sigma Tau Delta.

Several books were placed under discussion this year—*Candide* by Voltaire and Edward Albee's controversial "*Who's Afraid of Virginia Woolf?*" Members attended all campus productions and offered criticism at following meetings. The Christmas program consisted of a series of light readings as well as a time to honor advisers Miss Margaret Dixon and Dr. John D. Scheffer.

A new project this year was the establishment of the James Redmann Memorial Loan Fund for a junior or senior majoring in English. Mr. Redmann was a former member of Sigma Tau Delta who drowned in the Caribbean during Peace Corps service.

Coeds Practice Effective Speech

The main purpose of the Toastmistresses is to help develop the capacity to think and speak effectively while addressing a group. Since many of the coeds attending MSC plan to go into teaching, where effective speaking is so important, the Toastmistresses is of special interest to them. The organization also works to develop an understanding of organized administration and the evaluation of meetings through the study of proper parliamentary procedure. Through practice of different phases of proper etiquette the members obtain a greater awareness of social grace and poise.

Toastmistresses meets six evenings a quarter and also have two or three joint meetings a year with the MSC Gravel Club. This year a joint meeting with the Gavel Club and the students from Brandon College, Manitoba was held.

Miss Gerilyn Tandberg is the faculty adviser.

Top: Gavel Club advisers are Dr. Paul Morrison and Gaylen Brown. *Bottom: (front)* Gordon Brandvold, Jim Stai, Jim Johnsen, Richard Hagen, Jerry Fundingsland. *(back)* Jerry Lee, Craig Vossetaig, Dick Bowser, Rauleigh Robinson, Gary Aljets.

Strive To Improve . . .

Primary aim of the MSC Gavel Club is to offer young men the opportunity to improve their speaking abilities. This is brought about by subjection to several areas of vocal communication, prepared speaking, impromptu speaking, evaluation, and criticism.

Gavel Club has six dinner meetings a quarter. The meetings are at various night spots and follow the usual Toastmaster's plan of organization. The meetings include a regular business meeting, Roberts Rule of Order lecture, parliamentary procedure session, impromptu and main speeches, critiques of each portion of the meeting, master evaluation of the over-all meeting and faculty comments by Gavel Club advisers, Dr. Morrison and Mr. Brown.

Language Club Shares Experiences

"... to promote an increased understanding of the German language and culture." As stated in its constitution, this is the purpose of German Club. Membership in this organization consists of two classifications: voting membership may be held by those members enrolled in classes at Minot State, and the open membership belongs to the members who are not students here but who are interested in the goals and benefits of the organization.

German Club acquaints members with the country of Germany and the specific customs of the German people. Through various speakers who have traveled or lived in Germany, members are kept informed of a society different than their own.

Marilyn Ulrich was this year's president and Mrs. Emma Aboltins served as the faculty adviser.

Top: (front row) Marilyn Ulrich, Jeanette Holien, Carole Okland, Sister Angela, Sister Mary Rita, Emma Aboltins, advisor; Sister Alexine, Sister Reinhildis, Donna Hoffert, Bonnie Gauderman, Dennis Batson. (back row) Ronald Herfindahl, Lloyd Weber, Duane Bjornson, Edgar Bowers, Jerry Helgeson, Joe A. Davis, Milton Smith, James McNamara, Samuel Floyd, Karen Frankhauser. Bottom: Gaylen Brown shares some highlights from his recent European tour with the German Club.

Fete Finale Ends Years

Busy promoting French culture in the general Minot area is the MSC French Club.

Some of the numerous activities of the French Club are singing French Christmas carols, preparing French dishes, and hosting a *Fete Finale* for French classes.

The purpose of the French Club is to help the students familiarize with France and its culture as well as its language. The club also promotes public interest among French students by having special guests at its meetings.

The January meeting was at Floyd Fairweather's apartment. It was very educational as well as entertaining for those who were present.

Top: Georgia Janavaras, Miss Margaret Dixon, Jim Johnson, Mrs. Sharon Johnson, Mrs. Linda Fuller, Linda Hoffman, Patricia Loucks, Miss Helen Hoar, adviser. *Bottom: (seated)* Mrs. Patricia Nell, Randee Dell, Lucretia Foss, president; Marcia Walhaug, Mary Jean Ostlund. *(standing)* Mrs. Jeffrey Cunningham, Ruth Anne Williams, Nancy Cassity.

Hestia . . .

A relatively new group on campus is the Hestia Home Economics Club. This marks the third year of its functioning at MSC.

From an informal fun-night last September to a formal style show to climax activities in May, Hestia had a well-filled year. The May style show was open to all majors and minors in home ec.

Hestia Club is for all women interested in home economics. The local club is affiliated with the North Dakota Home Economics Association which consists of clubs from the University of North Dakota, North Dakota State University and Minot.

Special projects of the club which were carried out independently of class activities were courses in poise, cake decoration, attractive gift wrapping especially for Christmas, making of candles and selection of china and silver.

Top: Officers: Donna Johansen, secretary; Vivian Burke, program chairman; Audrey Solheim, president; Diane Gefroh, treasurer; Bridget Dobson, vice president. *Above:* (front) Mrs. Beatrice Zimmermann, adviser; Elaine Larson, Patsy McGuire, Audrey Solheim. (back) Carol Mehl, Bridget Dobson, Sharleen Severance, Sharon Haberstroh, Linda Leet, Donna Johnsaen, Diane Gefroh, Vivian Burke.

Speakers Stress Need For Workers

One of the newer groups on campus is the MSC Social Work Club.

Members of this club are usually students who are interested in helping those who are less fortunate than themselves.

Students are acquainted through area speakers on the great need for social workers in North Dakota and elsewhere. In fact the Social Work Club provides a vital point of contact for the students planning on going into Social Work and those already in the field.

Meetings are monthly; membership is decided by interest in the field only. There are no dues. About 20 students participate in this club.

Top: Members try to obtain more information for their case studies. *Bottom:* (front) Kathy Moran, Arlis Flaten, Gracia Schall, Ernestine Gilbert, Marian Hirschhorn, Connie Phair. Future Med Techs

One of the new organizations to appear on campus recently was Medical Technology Club. Because of the increased demand for trained personnel in this field, Minot State has instituted a well-oriented program to meet the needs of future med techs. Naturally a club was formed to provide relaxing education for persons interested.

Objectives of the club are to learn the different fields of the profession, to become better acquainted with professional authorities and to come together as a group with a common interest—medical technology.

Members visited the local hospitals to observe laboratory principles and techniques and heard several medical experts speak on various topics. Movies were also shown to members. These pertained to several aspects of medical technology—hematology, bacteriology, microbiology and urinalogy.

For Science They Develop Interest

Beta Gamma Phi strives to afford the individual student an opportunity to develop and broaden his scientific interests.

In doing so Beta Gamma Phi, better known on campus as the Science Club, had reports at their monthly meeting. Discussions often followed these reports which dealt with research projects that members were working on or studying.

The year was completed with various activities such as their spring field trips and a relaxing spring picnic.

Top: Science Club members: (*front row*) Marlys Michalenko, president; Phyllis Evanenko, John Piotrowski, Maynard Novlesky. (*back row*) Janet Gauderman, Bonnie Gauderman, Skip Borstad, Dr. Donald Johnson, adviser. *Bottom:* Science Building.

Fraternity Views Business Workings

Pi Omega Pi is the only honorary on the campus that is a member of the American College Honor Society. It is a national business education honorary.

Pi Omega Pi stresses the promotion of scholarship and fellowship in business and education and provides an organization of common background for business students.

Four members of the Minot State Chapter attended the National Biennial Convention in Chicago December 28-30. They learned the latest techniques and procedures of business minded people in our modern society.

In the Spring, Pi Omega Pi sponsored a tea for the secretarial students and a banquet at which members welcomed the new initiates and honored the graduating members.

Top: Pi Omega Pi officers: Marsha Young, vice president; Carol Skarphol, secretary; Janice Smetana, president; Sharleen Severance, historian; Arliss Iverson, treasurer. *Bottom: (front row)* Audrey Solheim, Janice Smetana, Karan Evanger, Sharleen Severance, Donna Johnsen, Carol Mehl, Elaine Larson. *(back row)* Noel Powell, adviser; Terry Johnson, Marjorie Tallon, Marsha Young, Patsy McGuire, Freda Franson, Carol Skarphol, Janell Hoffert, Arliss Iverson, Theodora Nappen, Richard Lavik, Thomas Bolton.

Future Teachers Belong to SNEA

Student National Education Association is an organization of students who will graduate in teacher education or those enrolled in a teacher education program. Theoretically all students on a bachelor of science program are members of SNEA, but only a percentage of them claim membership in the form of attending meetings. Enrollment in Education 250 automatically assures "membership" in SNEA.

Minot State's SNEA is affiliated with the National Education Association, a professional organization for teachers in this country. The purposes of SNEA are four-fold: it strives to encourage higher qualifications for entrance into the teaching profession; it aids in securing adequate salaries, retirement systems and other benefits or improvements; it cooperates with the Parent Teachers Association and other civic organizations; and it stimulates good fellowship among faculty members.

Minot State's chapter of SNEA had a program for the year that consisted of keynote speakers and several panels on the many aspects of education. Members weighed both the advantages and disadvantages of teaching that were presented to them.

Three official delegates attended the fall executive meeting in Bismarck on September 24. These were Joan Spitzer, Betty Smith and Elaine Larson. Chapter programs, new resolutions to the constitution and committee assignments were the main topics discussed. The Minot chapter was assigned with promoting the Future Teachers Association in the North Dakota high school. Miss Larson, chapter president, also attended the SNEA fall convention in Fargo on October 20. It was held in conjunction with the North Dakota Education Association.

Officers of Student National Education Association are (*seated*) Elaine Larson, president; Adele Johnson, vice president. (*standing*) Betty Smith, historian; Sherry Hocking, treasurer; Joan Spitzer, secretary.

Only B Averages Eligible as Members

Kappa Delta Pi is an organization which recognizes individuals of good scholastic standing in the field of education.

Members are either seniors or juniors with B averages and enrolled in teacher education at Minot State.

The monthly meetings of Kappa Delta Pi are in the Student Center. There were many guest speakers throughout the year. One main topic was the discussion between the American Federation of Teachers and the North Dakota Education Association. Dr. C. Hoffman also spoke of his recent studies in Iran.

The main purpose of Kappa Delta Pi is to encourage high professional, intellectual and personal standards and to recognize outstanding contributions to education. It is for this reason that members are concerned with their common goal to promote better educational methods.

Top: Clyde Huber, president; Marilyn Enders, vice president; Mrs. Agnes Ladendorf, adviser; Roger Riveland, treasurer; Elaine Henning, secretary; Anita Curfman, historian recorder.
Bottom: Mrs. Ladendorf pours tea following the initiation of new members to Kappa Delta Pi.

Grandall Heads Honor Group

Phi Sigma Pi is a national honorary fraternity for men in all professional fields, especially the field of education. Pursuit of academic excellence and a well-rounded character are the main objectives of the organization.

A well planned program brings information about new trends in any area of interest to members. This is usually accomplished by presentation of guest speakers but also has been achieved through research, panel discussions and additional materials that had been sent for.

Smokers for prospective pledges are twice yearly. A goal of 20 new members is sought annually. A banquet was held in the spring to which alumni of Phi Sigma Pi were invited. This was the first so-called banquet in 3 years.

Top: Dr. Olger Myhre, adviser; Duane Forde, secretary; Richard Lavik, treasurer; Ted Grandall, president. *Bottom: (front)* Dennis Batson, LeRoy Byre, Tom Bolton, Arlo Tonnessen, Ted Grandall, Rod Gillund, Milton Smith, Joe A. Davis. *(back)* George Goetz, LeRoy Throlson, Alton Nygaard, Duane Forde, Richard Lavik, Randy Busche, Dr. Olger Myhre.

UCCF Helps Develop Spiritual Understanding

United Campus Christian Fellowship strives to enrich the spiritual life of each of its members through fellowship and service. Regular supper meetings each Wednesday evening at the EUB Church were conducted by President Kathy Moran.

During the year UCCF hosted several speakers, including representatives of the Jewish and Catholic faiths. Occasionally they also enlisted the knowledge of their advisers and pastors.

Annually a spring retreat is held. It is then when members relax from school tensions while planning the next year for UCCF.

UCCF develops close relations among students for better spiritual understanding.

Meetings Helped Members, Others

Purposes of Inter-Varsity Christian Fellowship are to establish and assist students deepen and strengthen their spiritual lives. In accordance with this, members studied the Bible, learned Christian fellowship and befriended fellow students.

I-V meetings consisted of prayer sessions, gospel teams, singspirations, and jam sessions. Members also visited several churches and attended get-togethers with other religious organizations. Meetings were weekly and prayer meetings bi-weekly in Old Main. The Minot chapter is one of many throughout the U.S.

Gamma Delta Strives For Fellowship

Gamma Delta is an organization for the Lutheran students of the Missouri Synod on MSC campus.

"We try to instill a desire for Christian fellowship. We study Christian doctrine and ideas to keep the common tie between the college student and the church," said Orville Schultz, president.

General study this past year consisted of a series of films and speakers on family, sex and Christian responsibility.

Some of the projects for the year were the producing of devotional advent wreaths for family devotion and the visiting of other churches such as the Jewish Synagogue and the Baptist Churches.

The two-hour weekly meetings are at the Good Shepherd Lutheran School. Faculty adviser is DeLyle Dvorak and pastoral director is Rev. Leland Wendland.

Peggy Bradley gives devotions for the Gamma Delta meeting.

Gamma Delta members are (front) Neil Koebernick, (middle) Shirley Welstad, Peggy Bradley, Orville Schultz, Freida Schlichting, Dave Mommens, DiAnn Thompson, Orlan Hall, (back) Jane Krueger, Ellen Blatherwick, Dale Larson, Bonnie Gauderman, and Carol Kaeding.

Ellen Blatherwick plays for members of Gamma Delta as they gather around the piano and sing their old familiar hymns.

Officers of Gamma Delta are Bonnie Gauderman, treasurer; Orlan Hall, vice president; DiAnn Thompson, secretary; and Orville Schultz, president.

Shirley Welstad offers her opinion to President Orville Schultz and other members during the business meeting.

LSA Executive Board: Pastor L. Richard Jurgensen; Ronald Lund, treasurer; Gary Knudsvig, secretary; George Goetz, vice president; Clare Haugen, President.

LSA Members: (first row) Jack Dendinger, Clare Haugen, Perry Thyberg, Barbara Larson, Sharon Stalnecker, Linda Erickson, Roberta Wigness, Vernell Hanson, Pamela Johnson, Corrine Brown. (second row) Janice Hegland, Lucretia Foss, Carol Ann Johnson, Audrey Solheim, Dennis Christianson, Karen Hagan, Marcia Walhaug, Lynda Bolte, Kris Ronning, Glenna Hanson. (third row) Carol Bleken, Emily Selle, Gayle Hagen, Betty Berg, Mary Paulson, Julia Scheid, Patsy McGuire, Connie Hagen, Betty Dyke, Pastor Jurgensen. (fourth row) Verna Tagestad, Lois Walter, Jean Erickson, Merrill Krueger, George Goetz, Gary Holm, Harlan Brekke, Sidney Bingaman, Orville Thompson. (back row) Bill Eiseurmann, Roger Riveland, Jean Stenseth, Cheryl Berke, Charlene Dahlke, Liz Hovland, Ronald Lund, Gary Knudsvig, Judy Henderson, Karen Hanson.

President Clare Haugen, George Goetz, and Rev. Dick Jurgensen conduct the business portion of the weekly LSA meeting.

Center Is Heart Of LSA Activities

The Lutheran Student and Faculty Center is the nucleus for meetings, study, fellowship and recreation of the Lutheran Student Association. Here the members work with the Lutheran Campus Ministry to explore the implications of Christian faith in relation to the academic life of the world.

LSA affords the students the opportunity to become members of a student congregation and still remain members of their home churches. In addition to the Wednesday meetings, the members worship with the local congregation on Sunday and partake in social gatherings Friday nights.

Included in the recreational program for the year were a Halloween party, skating, caroling, and Adams Rib. The annual retreats, convention, panels, discussions, and speakers also played a significant role.

Two future plans are to support an orphaned child and to sponsor a party for the area Boy's Ranch.

Jack Dendinger expounds to Corrine Brown and Merril Krueger about the tasty refreshments being served for lunch.

MSM Works With Racial Group

Methodist Student Movement had a new and challenging project this year. They directed their work toward better relations and understanding of the people at the state Indian reservations. Instead of contributing the usual clothing, an effort was made to understand better the situations that the Indian lives with.

MSM members held a seminar in December for interested youth. Featured at this event were several Indian speakers and numerous guests from the area.

Other activities were deputations, visitations of old folks, homes, Sunday school teaching and presentations at worship services.

The year was closed with a state meeting at Fargo and a spring retreat.

MSM officers: Jim Johnson, treasurer; Jane Amundson, secretary; Sheila Scanson, vice president; Susan Balerud, president.

Front row: Jim Johnson, Arnola Lohse, Susan Balerud, Connie Rieder. *Back row:* Carolyn Delzer, Carol Nelson, Marilyn Gut-tromson, Judy Parrow, Sheila Scanson, Bonnie Olson, Karen Nielsen, Judy Laber, Jane Amundson.

Arnola Lohse plays one of her favorite hymns while Jim Johnson holds the book down for her.

Sister M. Jeroma and Sister Jeanne Marie offer comments on Marie LaBarre's and Caroline Roger's colleges.

Newman Studies Current Theme

MSC's Newman Club has been active this year in trying to develop the meaning of their theme, "The Christian in the Modern World."

With this theme in mind, the members saw films on church work in Africa, heard Sister Mary Peter from Chicago speak on racial justice and met with LSA for several interesting discussions on numerous topics.

Other activities were hootenannies, bonfires, nurtz parties, skating parties and caroling.

Newman Club had a new meeting place this year. It moved from Little Flower Church to Ryan High School just north of the campus. Plans for the future include a Newman Center.

Officers: Diane Rogers, corresponding secretary; Louise Brannan, secretary; Tim Mueller, vice president; Marilyn Enders, president; and Jeanette Holien, treasurer.

Front row: Roger Bauer, Kenneth Hoffert, Tim Mueller, Kevin Gieselman, Paul Smith, John Hansen, John Piotrowski, Perry Matthews, Earl Blackburn, Bob Dignan. *Second row:* Gail Saunders, Sister Jeanne Marie, Sister M. Jeroma, Jeanette Holien, Linda LaBarre, Charlotte Bauer, Diana Rogers, Marilyn Enders, Marie LaBarre, Sister M. Eugenia, Cecile Berube. *Back row:* Marilyn Ulrich Marie Muller, Janet Elspenger, Cheryl Register, Lucy Mueller, Carlotta Mastel, Elaine Larson, Judy Giesen, Louise Brannan, Kathy Hettwer, Jane Foster, Caroline Rogers, Father John O'Leary.

Newman Club members compare their "works of art" during a social hour following the meeting. The colleges were a project for individual expression.

Gospel Team Travels For RWF

Roger Williams Fellowship is associated with the Immanuel Baptist Church. Its purpose is individual spiritual enrichment and promotion of Christian fellowship on and off campus.

The weekly meetings consist of a speaker, a question and answer session, Bible study and a social hour after each meeting. There is also a gospel team which travels to area Baptist churches for services.

As a yearly event RWF has an annual spring banquet.

Off campus adviser is Rev. Arthur DeNeui and Robert Holmen is the faculty adviser.

Top: (front) Laurel Enget, Voya Drury, Celeste Albertson, Beth Melgaard, Sherry Witham, LeeNae Enget. (back) Robert Holmen, Linda Erickson, Miles Albertson, Dale Domsten, Jim Nelson. *Bottom:* Officers: Celeste Albertson, vice president; Jim Nelson, president; Laurel Enget, secretary; LeeNae Enget, treasurer.

Young Dems Assist Party

The Young Democrats have been active this year both on and off campus.

The Young Dems helped spearhead the '66 Democratic campaign in the city. They hosted Representative Rolland Redlin's appearance while he was campaigning for re-election.

These busy members distributed campaign literature and assisted at party headquarters.

In March the state convention was in Fargo. At that time Lois Anderson, Miss Young Democrat of '66 and Regional Director, gave up both titles.

Their year closed quietly with many speakers from the party and members who were participating in the State Legislature.

Top: Officers are Claudia Wilson, president; Marilyn Boyd, secretary; Roger Vaagen. *Bottom: (seated)* Sharon Johnson, Bob Carlson, Anne Talbot, Ken Hoffert, Marilyn Boyd, Joe Davis, Diane Rogers, Richard Hagen, Louis Rubbelke, Harlan Brekke, Albert Adkins, Claudia Wilson. *(standing)* Coby Barstad, Rodney Mau, Roger Vaagen, Robert Brandvold.

Top: Gordon Brandvold, ElRita Albrecht, LeRoy Byre, Roger Nelson, Swanna Osteroos, Geraldine Carkuff, Betty Solemsaas, Jerry Farden. Bottom: Roger Nelson leads discussion on the recent election.

Minot State's Young Republicans is a politically oriented organization made up of young folk who are interested in the problems facing the country today. These members felt the need to express themselves and to find out what others thought about the delicate or important subjects that were dealt with by our politicians both in North Dakota and Washington, D.C.

In the fall, Young Republicans attended in numbers the speech given by Thomas Kleppe in the Student Center Ballroom. Kleppe was then a candidate for the U.S. House of Representatives.

Members also attended the Young Republican's state convention in Bismarck. While in the capital, they attended legislative assemblies and sessions and got a first-hand look at politics in action. For them it was the year of the elephant.

Young GOP Turn Out For Kleppe

Below: Helen Hukkansen "aims" during the recreation session following one of the meetings. *Bottom:* (front row) Carol Johnson, Lorelei Witte, Esther Hinz, Sheila Scanson, Carole Okland, Paulette Henke, Carol Brevik, Maxine Hildebrand, Judy Charlebois, Pat Marcotte. Sweatshirt Dance Proves Popular

Minot State's Women's Recreation Association has proved to be one of the most active organizations on campus. The ability of its members has shown forth in the many activities it sponsors or participates in.

WRA hosted a state playday on campus in November. Girls from area high schools were invited to participate. Members also sponsored, along with M club, a sweatshirt dance where a Miss WRA and a Mr. Letterman were selected. It was an all school dance and met with the enthusiastic approval of students. In the spring, representatives traveled to Valley City for the WRA State Conference. The last major function of the school year was the spring banquet which was held for graduating members.

Purposes of WRA are to provide a program of recreational activities for women students and to enable those in the field of physical education a variety of outside experience and recreation.

Marsha Richard was president and Miss Maureen Quigg served as faculty adviser.

M Club Works To Buy Awards

Busy with concession stands at all home athletic events were the Lettermen. The courteous gentlemen did all the hard work to help buy pins, letters and different awards. These awards were presented at the annual spring banquet.

Activities sponsored by the M Club were the Sweatshirt Dance last winter, which they co-sponsored with WRA, and the Kampus Kapers in the spring. Kampus Kapers was an all-campus talent show.

The M Club elected Paulette Henke as Miss WRA and sponsored Susan Steenstrup in the Miss Beaver pageant.

The main function of M Club is to award the deserving athlete in all sports.

Board Lectures To Local Group

School spirit is the key to Physical Education Club. It is the first professional organization for physical education majors and minors at Minot State. P.E. Club is designed to help the future physical educators become interested and active in the North Dakota Association for Health, Physical Education, Recreation and Coaches. Participation in this league promotes membership in the American Association for Health, Physical Education and Recreation.

The P.E. Club presented several films during the school year for the entire campus. Two of the more interesting ones were demonstrations of karate and judo. All the films, and especially these two were of much interest.

The members also had lectures from the Ward County Civil Defense Board on the "Medical Self-Help Course," or what to do in case of an emergency.

Miss Lucille Whitt, member of the Division of Health and Physical Education, is the adviser of the club.

And Subtle Forces Molded Them Also

Each year a new generation of college seniors takes an awkward first step into a world unknown to many of their parents and grandparents. After four, maybe five, hard, enduring years they are suddenly compelled to meet competition in a highly technological and intellectual society.

They have learned many varied and anonymous opinions on every subject from science to literature. They have been allowed to express their own views and have been subjected to those of others. In this way each senior has formulated his own ideas and his own conceptions.

It is with quiet reminiscing in years from now that the seniors will look back on the people, things and events that have shaped them. They will remember freshmen orientation and the meeting of many new friends . . . or perhaps the love-

liness of the campus during autumn or after a newly fallen snow . . . or perhaps that somber afternoon during finals when John Fitzgerald Kennedy died . . . or perhaps the day they were graduated . . . and all of these, and some of these and none of these are tucked and filed away into the dark recesses of a brain and personality that changed gradually, yet so surely, that they could hardly observe it.

The college has grown while they were here. Many new courses are now offered, enrollment is at an all-time high and new buildings are forever springing up or old ones are being added to.

But they are gone now. They might someday make the world a little more pleasing to live in or a little brighter for others. This they may do. And may they have all the power that it takes.

After a long day of classes a pleasant walk through an autumn atmosphere is very soothing.

Many people became "violators" when they failed to stop for this easily visible sidewalk sign.

Advertising

The Westland Story

—IS ONE OF PEOPLE AND SERVICE.

PEOPLE, almost all of whom are local, who vision a future for their respective communities and this great plains area—people who in their own way and in accordance with their abilities contribute their talents and energies toward greater self and community development, and who, in customary fashion, generously respond to the call of humanitarian service. These are the people who comprise our Westland Family and in whom the company takes much pride.

SERVICE is our constant endeavor — service in a united effort by all in conducting the business of making and marketing the high quality petroleum products which Westland is privileged to dispense in ever increasing volume year after year.

WESTLAND—THE **GROW** COMPANY—NOW IN OUR 48th YEAR—HOME OWNED —INDEPENDENT.

Sales and Service

The simple truth.

HOW THE 10 TOP CAR INSURERS PAY OFF

(SHOWS RATIO OF BODILY INJURY CLAIMS SETTLED WITHOUT LITIGATION IN RELATION TO EACH COMPANY'S PREMIUM VOLUME)

Some auto insurance companies save you money.
Some pay claims faster than others.
Farmers does both. Read the chart.

These are actual figures from the companies themselves.
And these are the big, costly, worrisome third-party claims,
where you are liable for bodily injury to others. They are
the sternest test of a company's willingness to back up its
policies. Call a Farmers agent about the best buy in car
insurance today. He's in the Yellow Pages.

There were many and many evenings when I thought the day would never come that I would be writing this last page. But now everything seems to have gone by so swiftly, and I can finally put down in words this farewell.

The year has been filled with many objects that in years hence we will label memories. They are both tangible and intangible records of college life—social and academic. They are the things that made parts of the year pass so quickly and other parts pass more drudgingly. It would be useless to list any, for each of us knows what these are; and there are probably as many answers as there are students. I know one of my answers would have to be completion of the Beaver.

Many criticisms usually hit this part of the yearbook. It is said to be merely a thank you to the staff, and something that contains material only the staff would understand and appreciate. But the hours spent on writing material, on laying out pages and on cropping pictures are countless. For this each staff member deserves recognition for his contribution. At times it seemed like an endless task. Sometimes enthusiasm and spirit lagged or were lost in other activities, but the end result is one which makes you sit up and claim recognition for those parts that can be attributed to you. You had to wait until spring, but it was worth all of it.

I think the best part for me will be getting back to a schedule which isn't so rigorous or pressing. It will be great to walk slowly home with this book turning and approving the pages, and kicking off my shoes and taking a long breath of air.

And finally there is one thank you which can't be put in words. It is to someone who inspired my interest in yearbooks a few years ago. Someone to whom I will be forever grateful.

Jerald Lee
