In Gratitude

June 1, 1961, the day after his graduation from MSC, he took over his post as fulltime director of the student union. He graduated from MSC with both a BA and BS degree in business.

Few realize the pressing demands in running "the living room of the campus." Different needs of students, faculty and visitors have to be arranged and supervised so that all operations go smoothly, at least on the surface.

From a large meeting complete with a banquet to a student's hour of relaxation and study in the lounge, all are important to the director. All these activities are a part of "I'll meet you in the Union."

Most students, staff and faculty see only the evident results of this job. They do not know of all the work the position of student union director entails.

To give further relaxation to the denizens of the campus the student union added a swimming pool which doubled the size of the union in the fall of 1967.

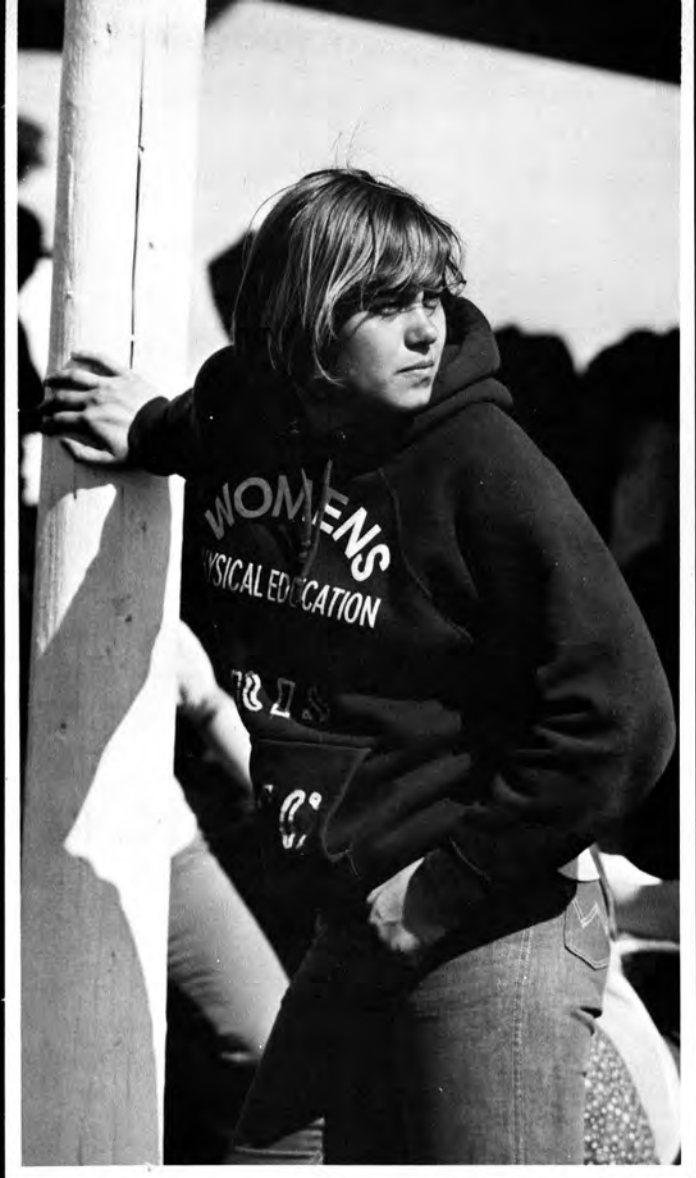

He terms his job as "not boring — there's something and somebody new every day."

"There are new students each year and every year they're more friendly. Then too they are neater and appreciate what they have, especially in the way of facilities at MSC."

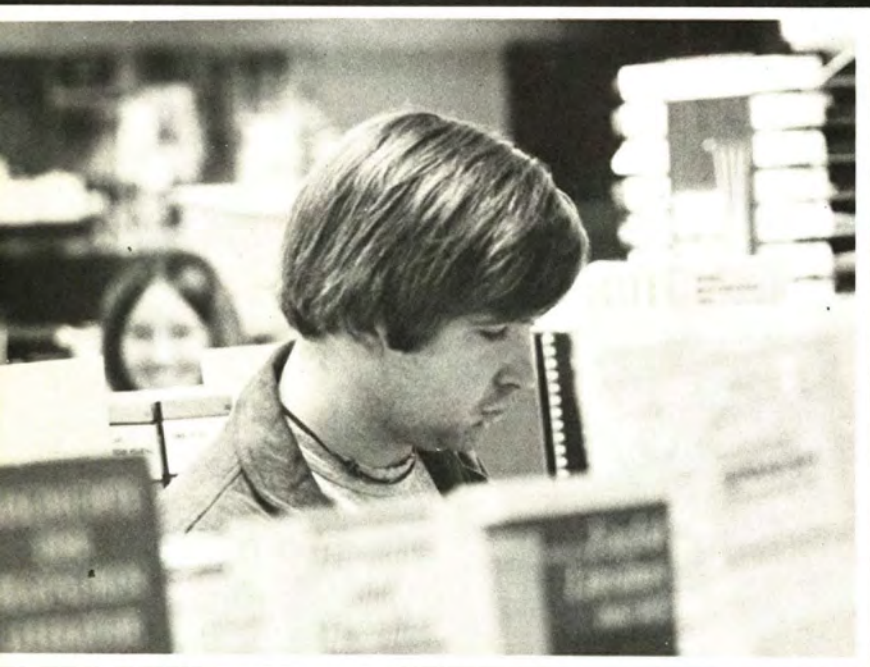

The Beaver office is one of the offices in the student union. Only through the director's long range planning and his giving extended privileges are staffs able to work out day-to-day chores and finish big deadlines. Without his consideration of yearbook work the finished product would not be here for you to see and have tonight.

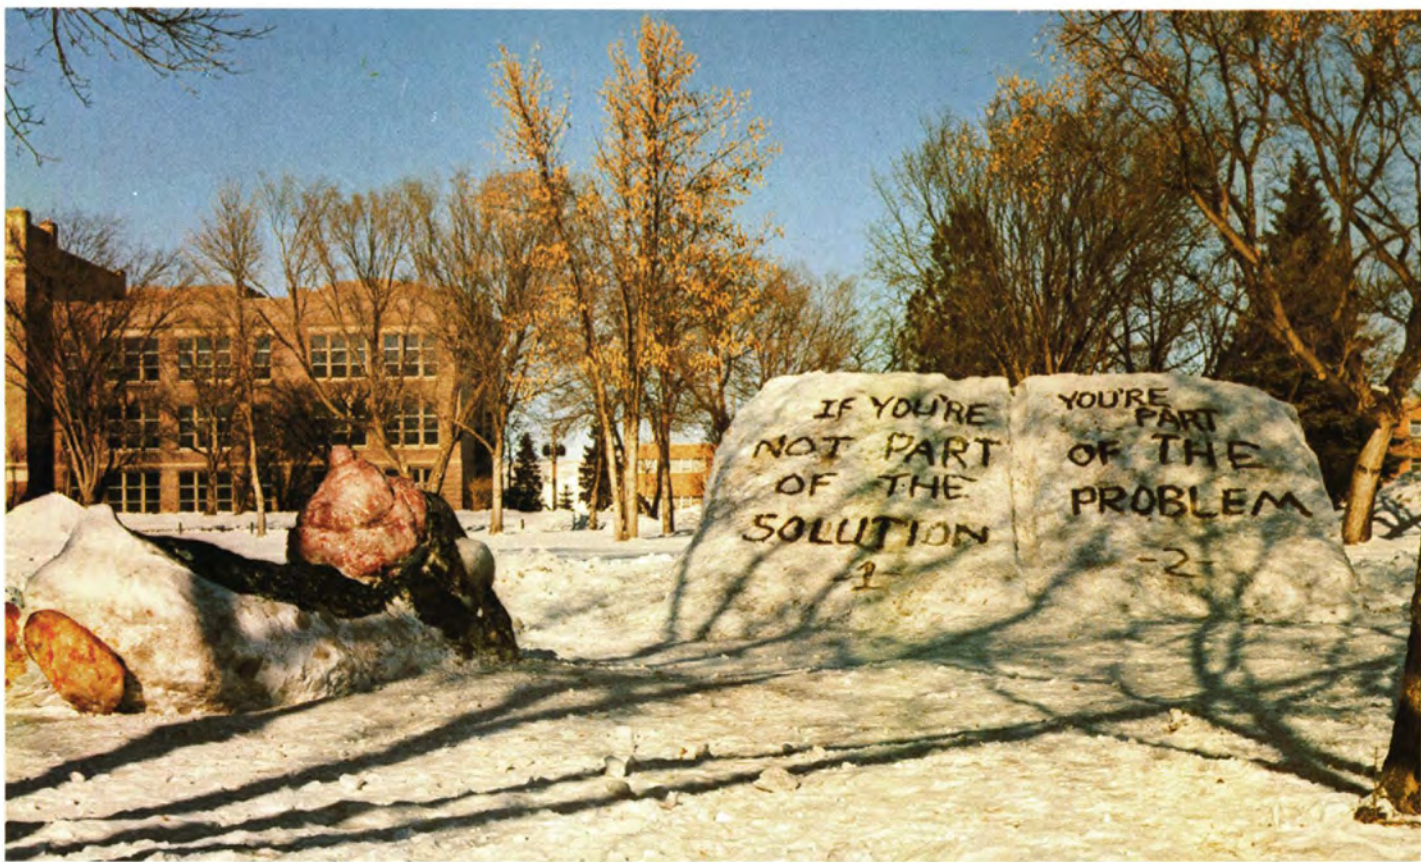

Directing fiscal, plant and many other facets of this operation is JAMES FROEBER to whom we dedicate the 1972 BEAVER.

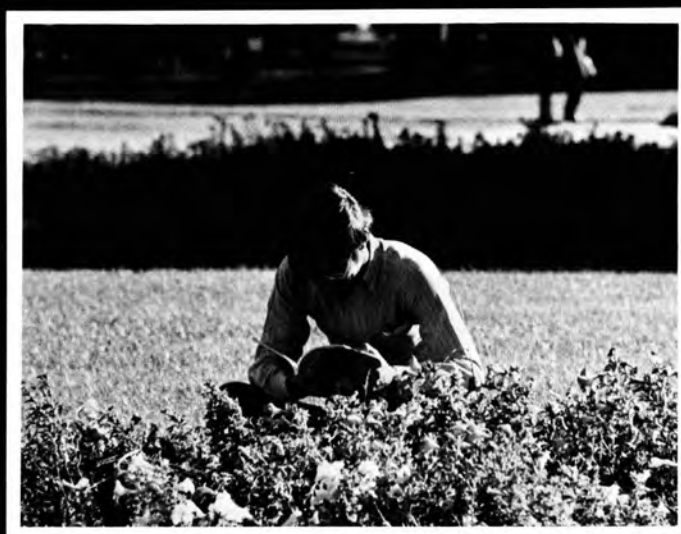

**I came to college . . .
knowing not even myself**

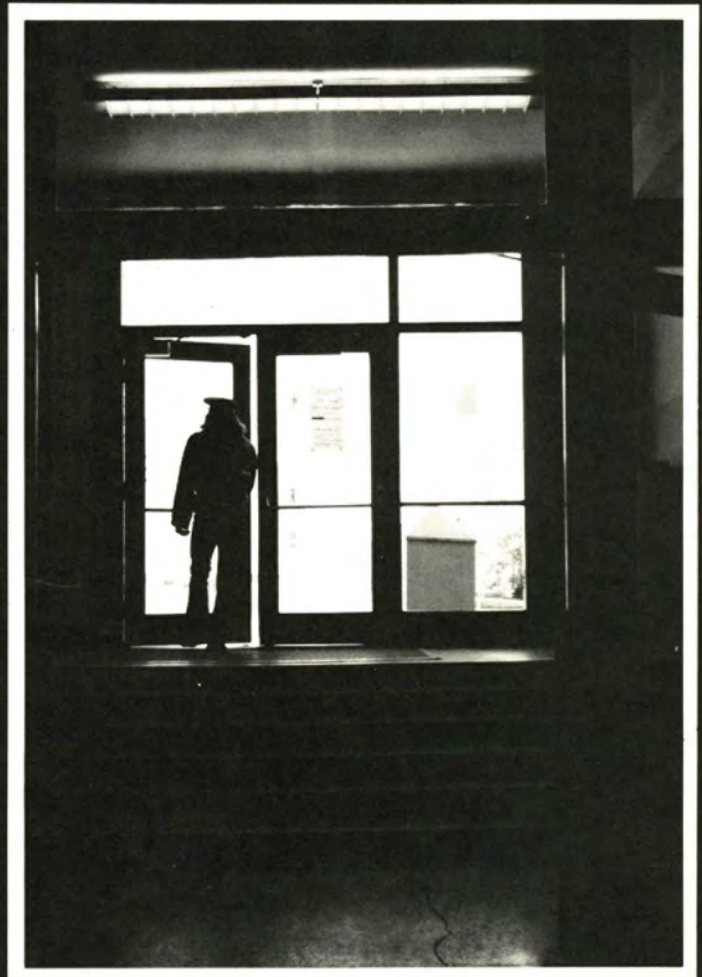

I came to find . . .
who knows what

**Knowledge, life
and maybe . . . love**

Alone I stood on the
threshold, unmixed
as new cans of paint

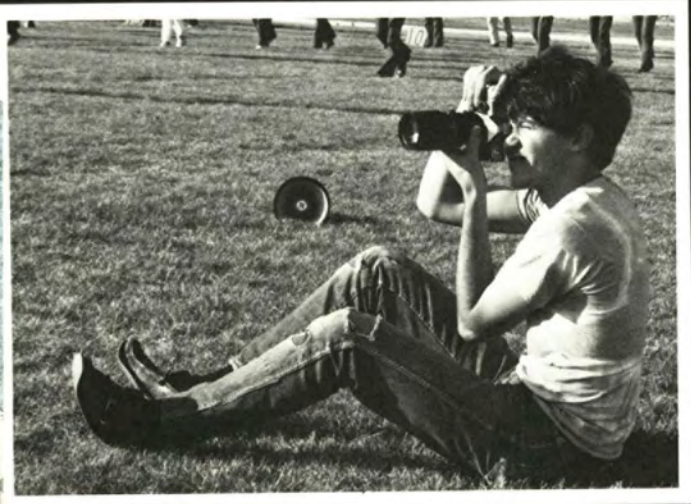

**Seeing only black and
white, good and evil.
Narrow, limited and very
unsure of being sure**

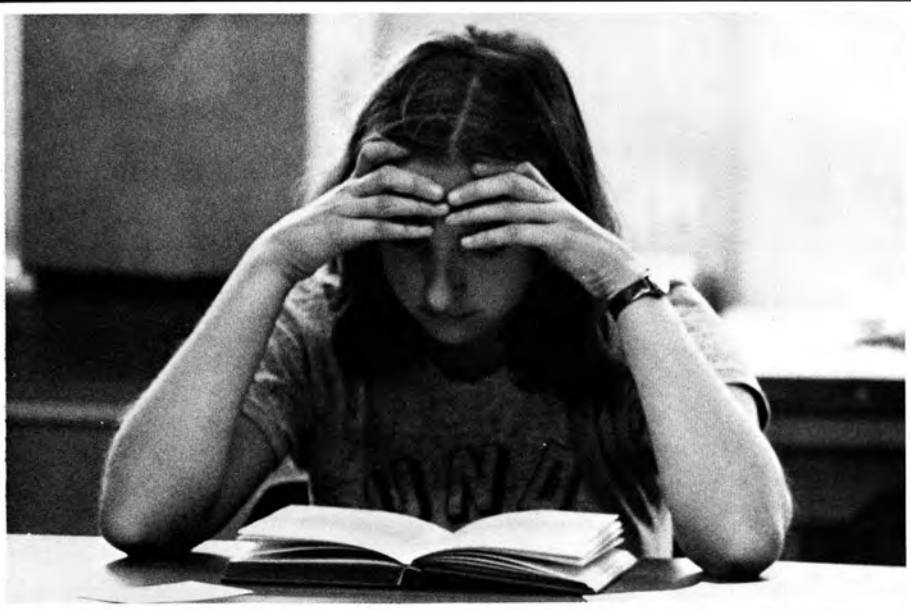

**Full of memories
Full of advice**

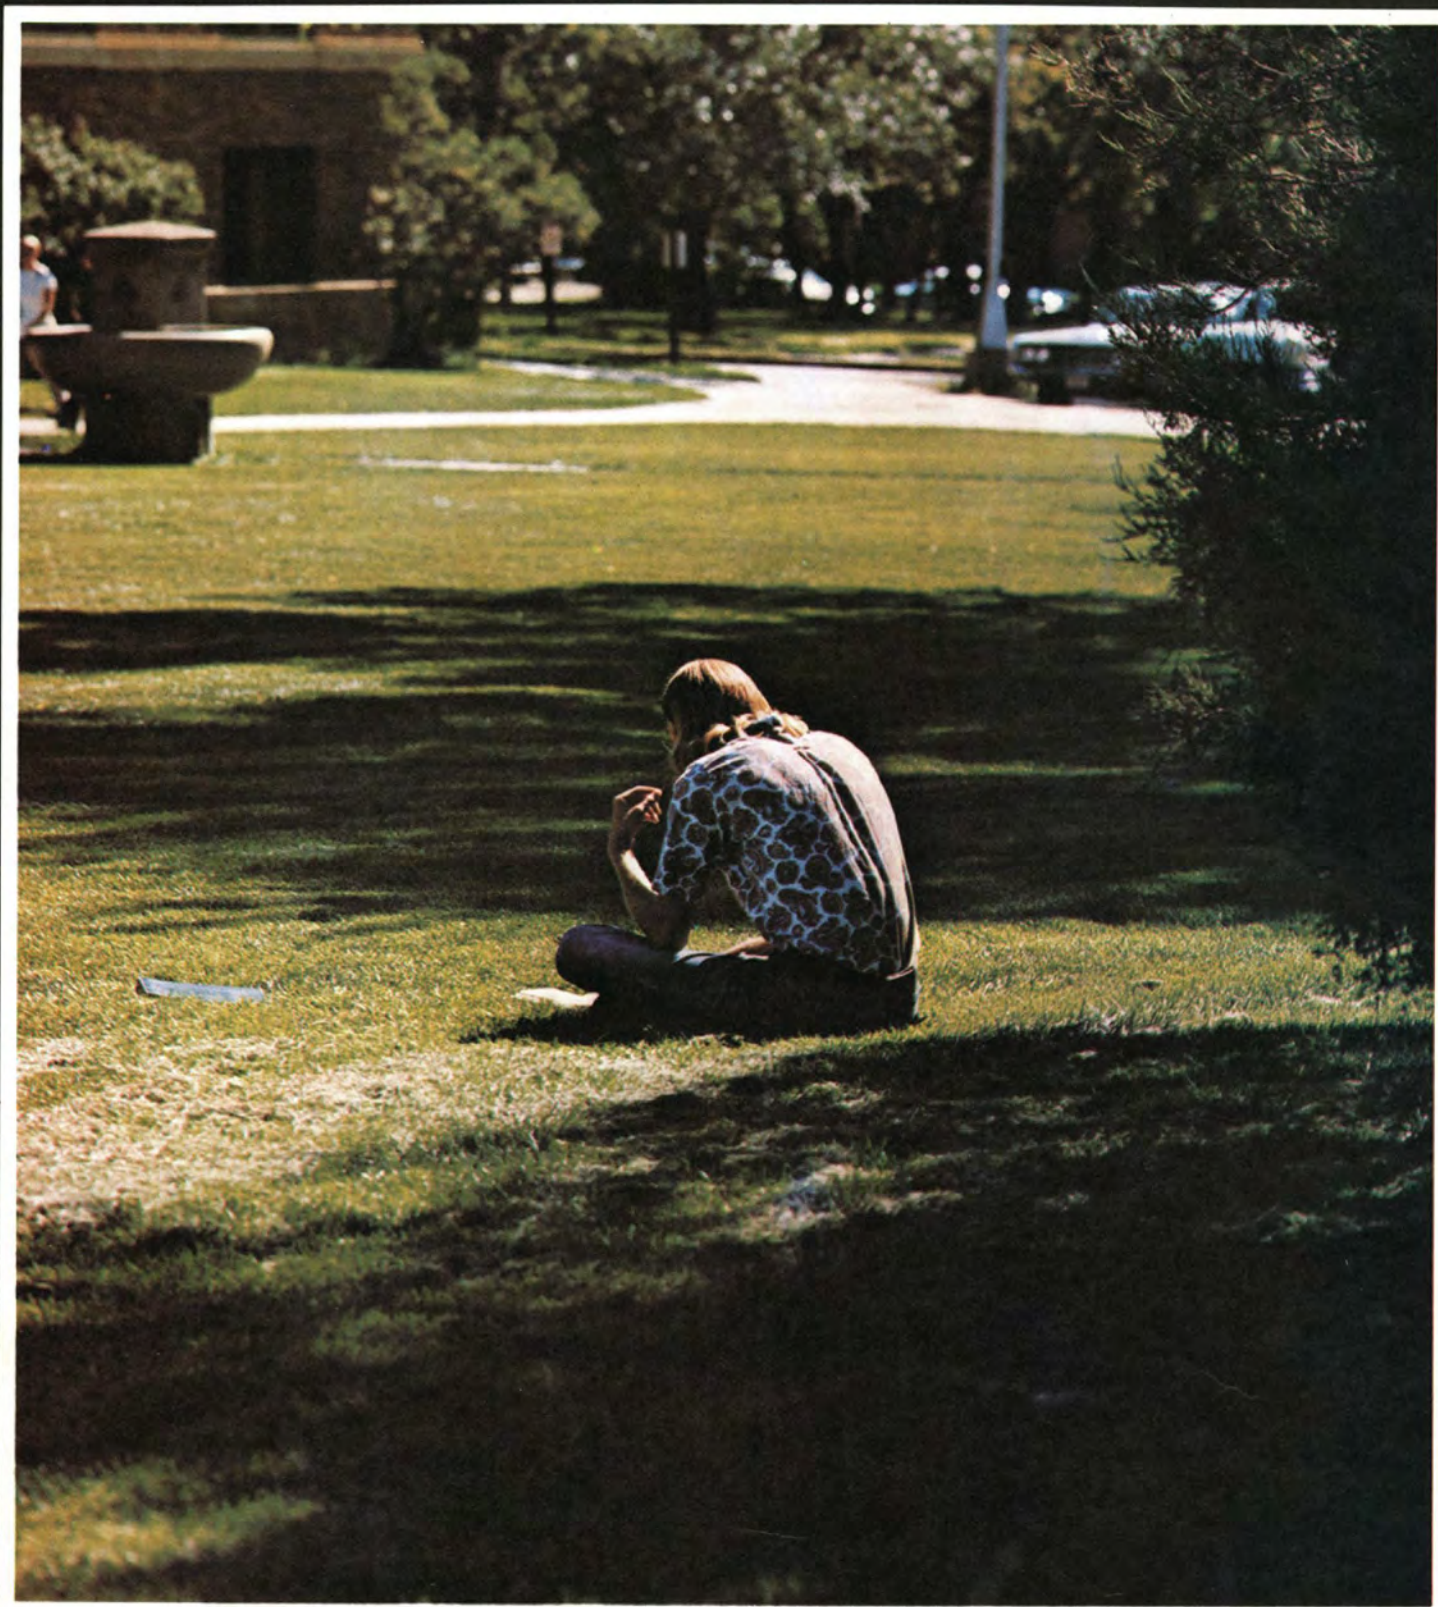

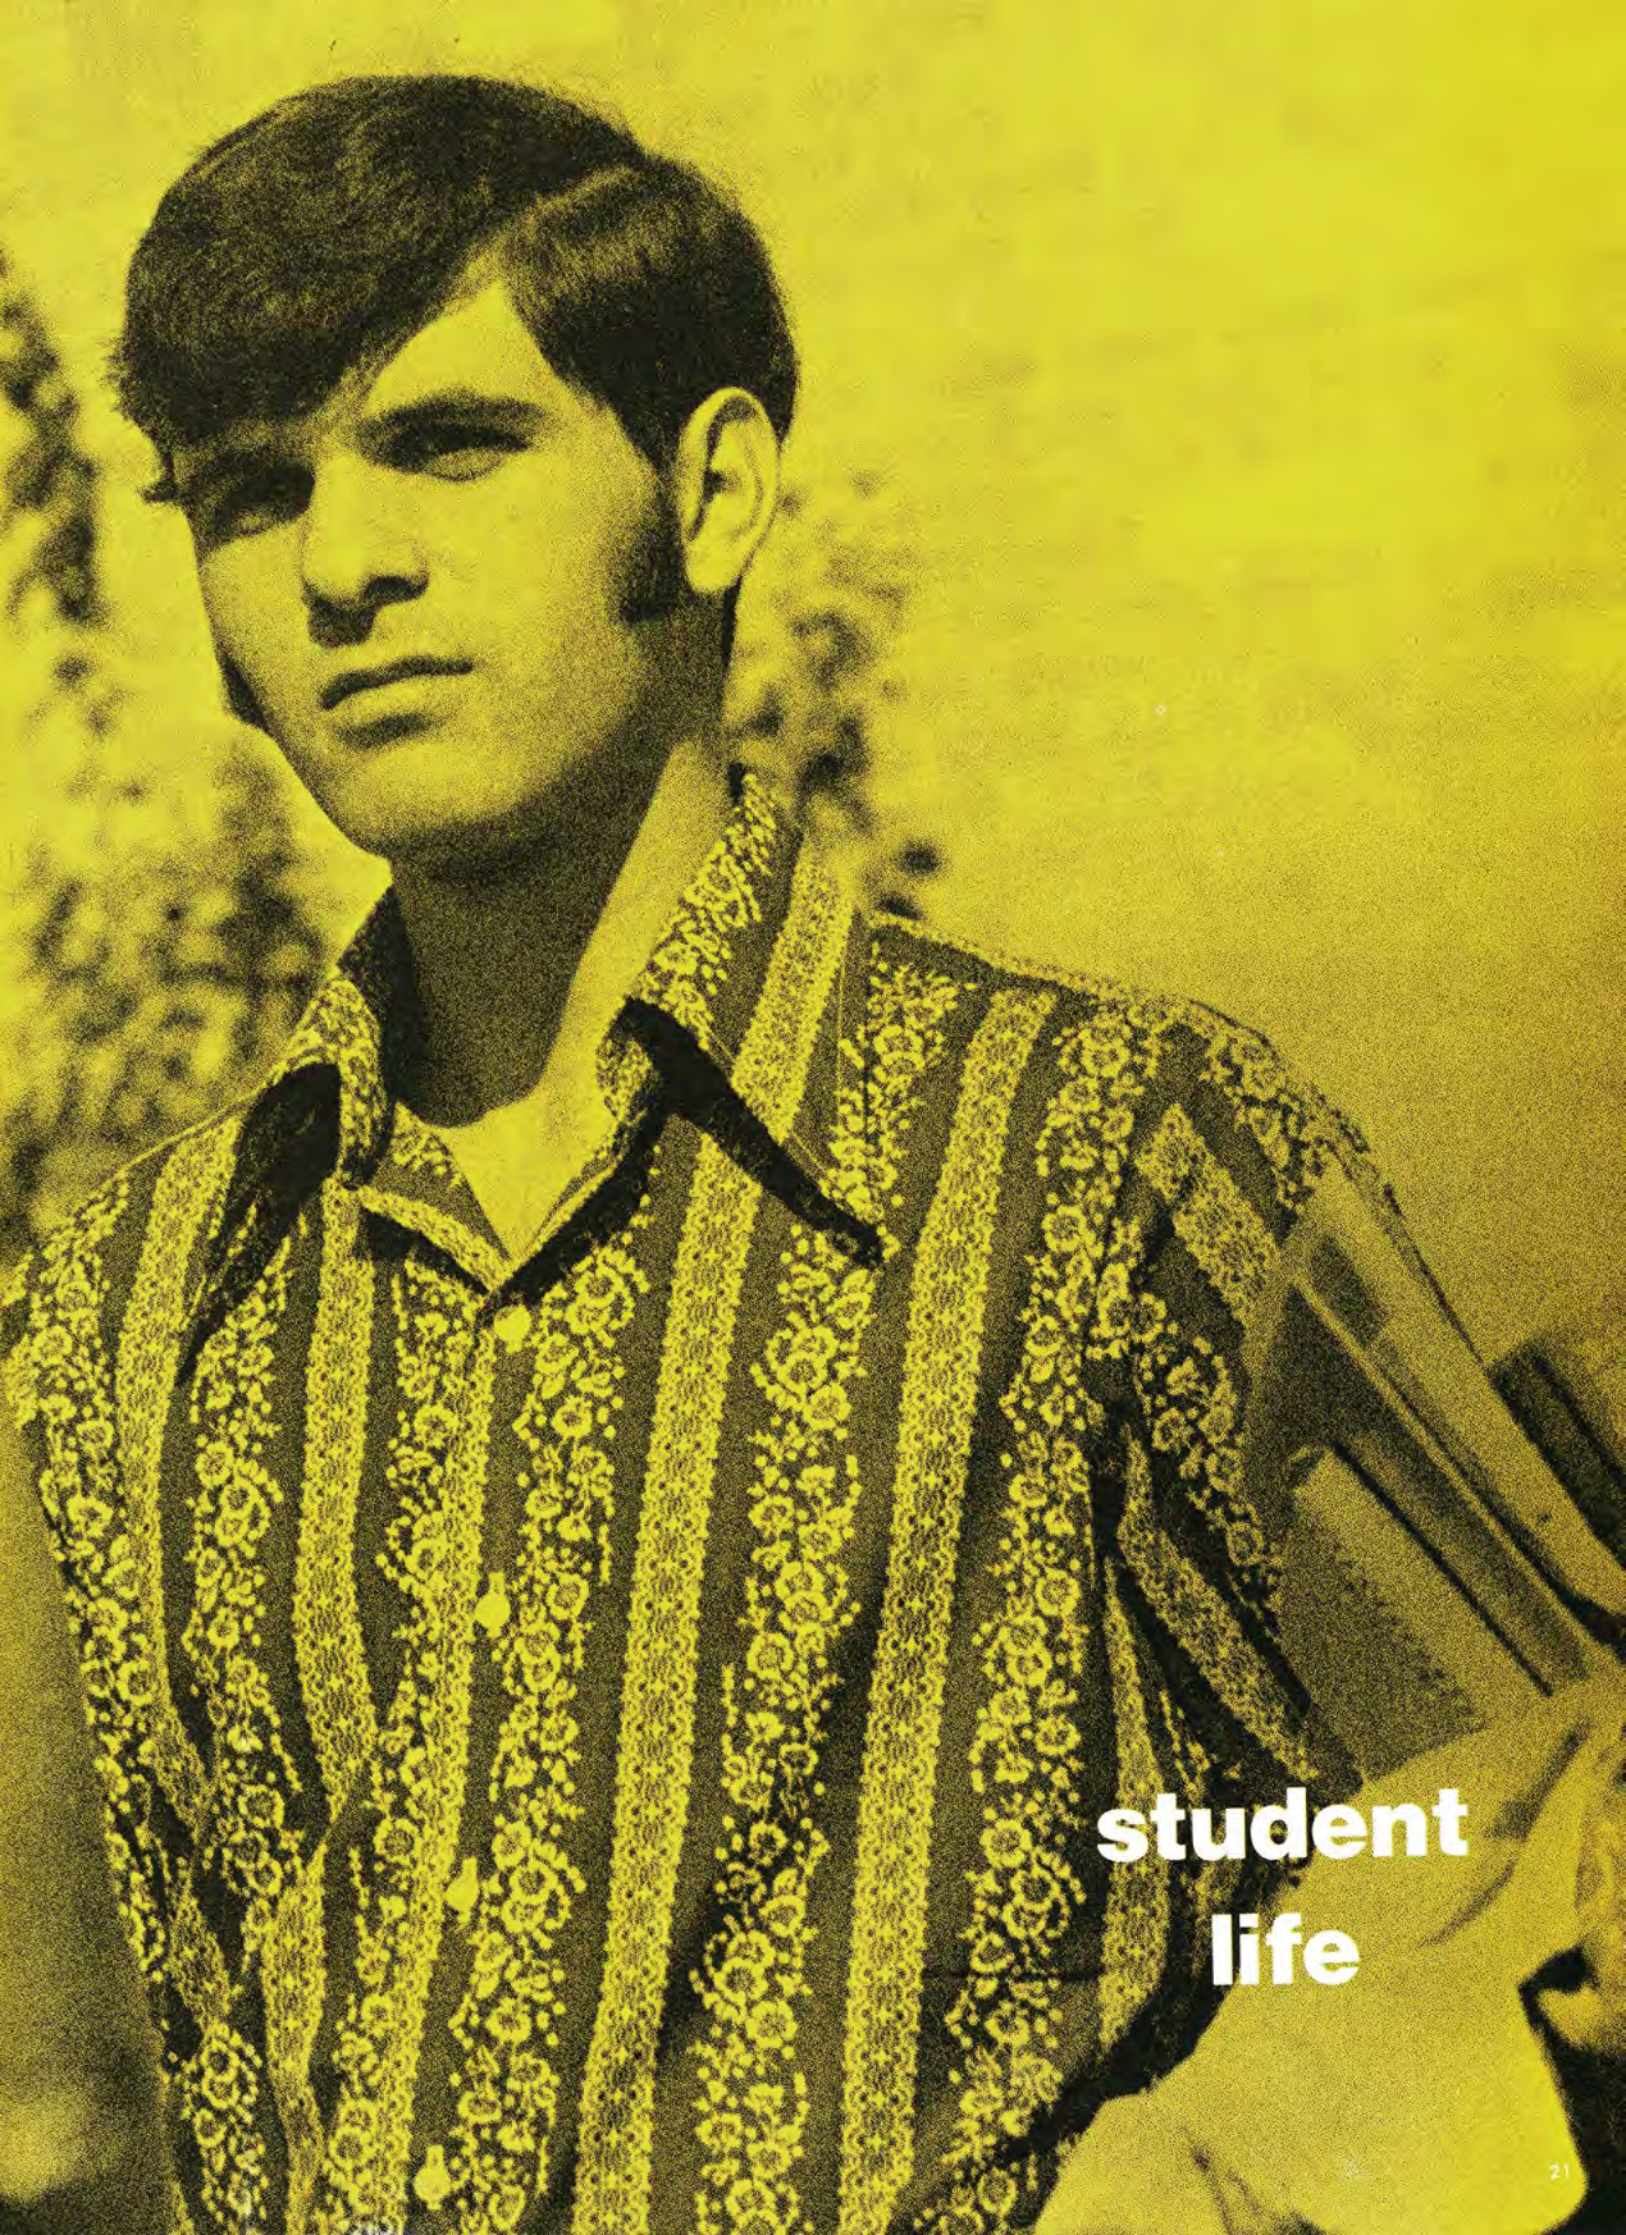

**But most of all
full and tired of waiting**

**Fresh and alone . . .
I began.**

**student
life**

Let each become all that he was created capable of being: expanded, if possible, to his full growth and show himself at length, in his own shape and stature, be these what they may.

Thomas Carlyle

**That man is a success
who has lived well,
laughed often
and loved much;**

**who has gained the respect
of intelligent men and
the love of children;**

Homecoming '71: "Out of Yesterday"

Out of Yesterday was the theme of the 1971 Homecoming highlighted by the Minot State College Beavers football team defeating the Jamestown State College Jimmies 23-6.

The week began with Governor William L. Guy lighting the Homecoming torch on the steps of the State Capitol building. Members of Mu Sigma Tau, Sigma Tau Gamma and Tau Kappa Epsilon fraternities and the Vets Club made the annual torch run.

That evening the eternal flame was lit, a snake dance was held and old-time movies were shown to help begin the week of festivities.

Tuesday balloting for Homecoming Queen took place the entire day. The band Omega was featured that night at the Grub Dance.

A coffeehouse was the main feature of Wednesday evening. Performing were Herb Parker Jr., and Terry Theilen and the Change of Pace Singers. Open swimming was held before the coffeehouse performance.

Thursday evening, Terri Siemers, Bowbells, a member of Sigma Sigma Sigma sorority, was crowned Homecoming Queen by the 1970 Queen. The Queen's Ball took place after the coronation and the Red Dogs were the featured entertainment.

Brian Hyland and Crow were the featured big name entertainment Friday in concert at the Minot Municipal Auditorium.

The Homecoming Parade took place Saturday morning, which saw Sigma Tau Gamma fraternity capture the fraternity float competition for the sixth year in a row. Sigma

Sigma Sigma sorority received the sorority competition trophy and the overall float competition trophy.

The Beavers defeated the Jimmies in an afternoon football game by a score of 23-6. During the halftime break the Beaver Marching Band performed a tour of North Dakota.

Awards for the best house displays went to Sigma Sigma Sigma sorority and Tau Kappa Epsilon fraternity. TKE also received the trophy for the most spirit expressed during the entire Homecoming week.

The Victory Ball took place that evening in the Student Union Ballroom.

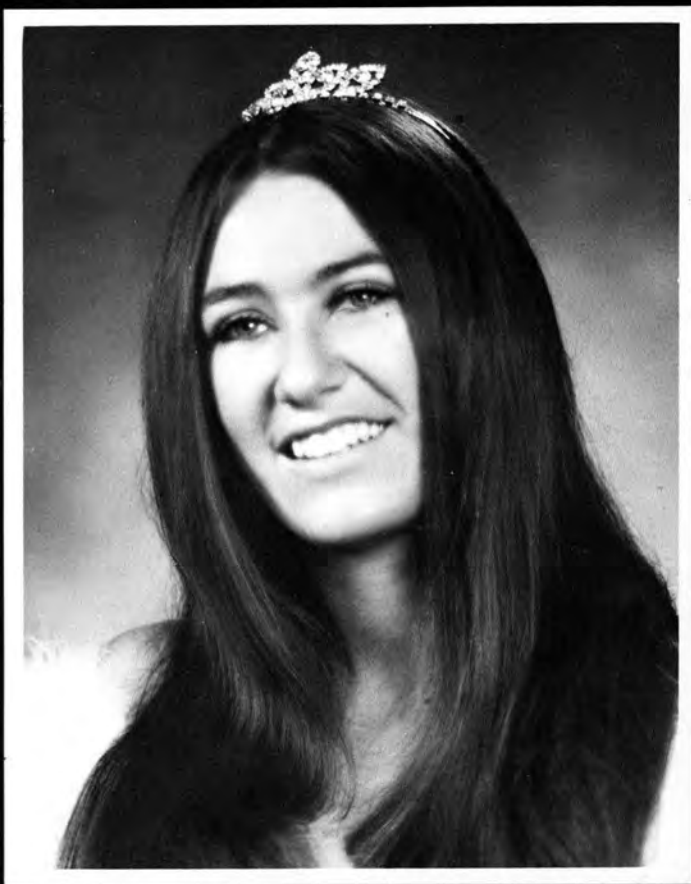

Queen Terri Siemers

Princess Cheryl Lockrem

Princess Peggy Richter

Princess Georgene Kary

Terri Siemers, Sigma Sigma Sigma sorority, was crowned Homecoming Queen during coronation Thursday evening. Miss Siemers is a junior from Bowbells majoring in physical and elementary education.

Making up the Queen's court are Cheryl Lockrem, Peggy Richter and Georgene Kary. Miss Lockrem, Martin, is a member of Delta Zeta sorority and a social work major. Majoring in elementary and special education is Peggy Richter, Hazen, a member of Delta Epsilon Phi sorority. Miss Kary, Minot, is a member of Beta Theta sorority with a major in business.

Neil Diamond selects beauty

The 1972 Miss Beaver Pageant was presented this year in a pre-holiday setting. The pageant is an annual event sponsored by the Beaver Staff.

This year 10 contestants participated. Each of the girls appeared in streetwear, swimsuit, talent and evening gown competition. They were judged by five local judges on personality, poise, talent and beauty.

Pictures of the five semifinalists were sent to our national judge, Neil Diamond. On the basis of these pictures he chose our 1972 Miss Beaver.

Who's Who selects nine

Named to Who's Who in American Universities and Colleges are nine Minot State College students.

The students must have a 2.75 minimum overall average at the time of their selection, participated in extra-curricular activities and demonstrated leadership. Also considered are citizenship, service to college and promise of future usefulness.

Selected are Joline Black, music major; Jayne Grantier, music and elementary majors; Ron Groninger, music and earth science majors; Trudy Haas, special education (MR) major and elementary minor; Kathy Putz, special education major.

Louise Schmidt, elementary and library science majors; James Torgerson, earth science major and biology minor; Robert Valer, mathematics major and physical science minor; and Curtis Zimbleman, mathematics and physical education majors.

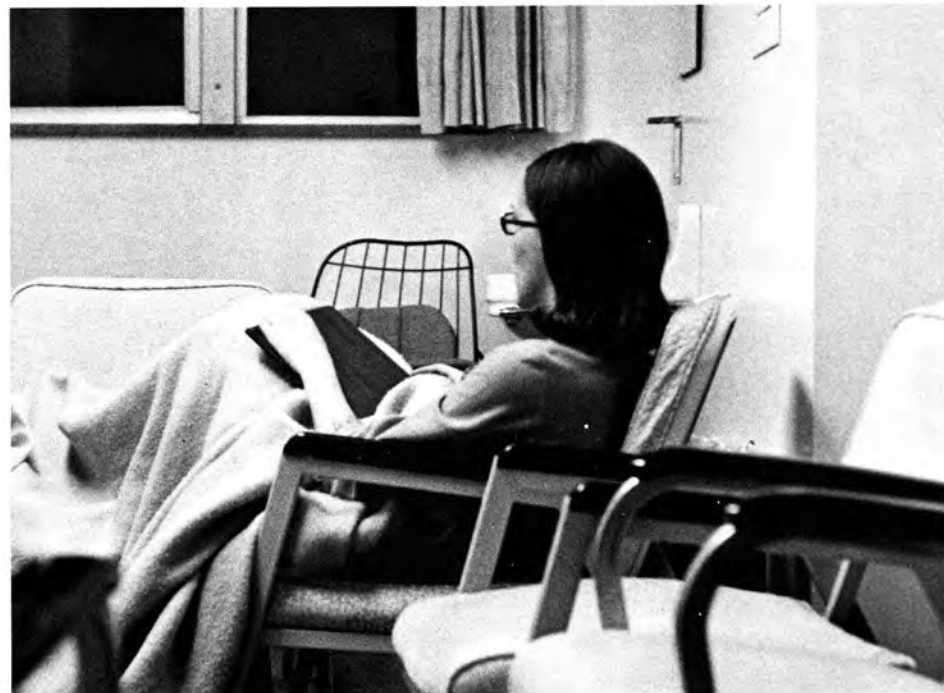

Coeds study there too

What about the freshmen? Where are they? What do they do? Well, go to Cook Hall and you'll find them. Here you'll find the head residents running down the halls yelling, "Quiet hours!" or "Don't talk on the phone so long, others want to use it, too."

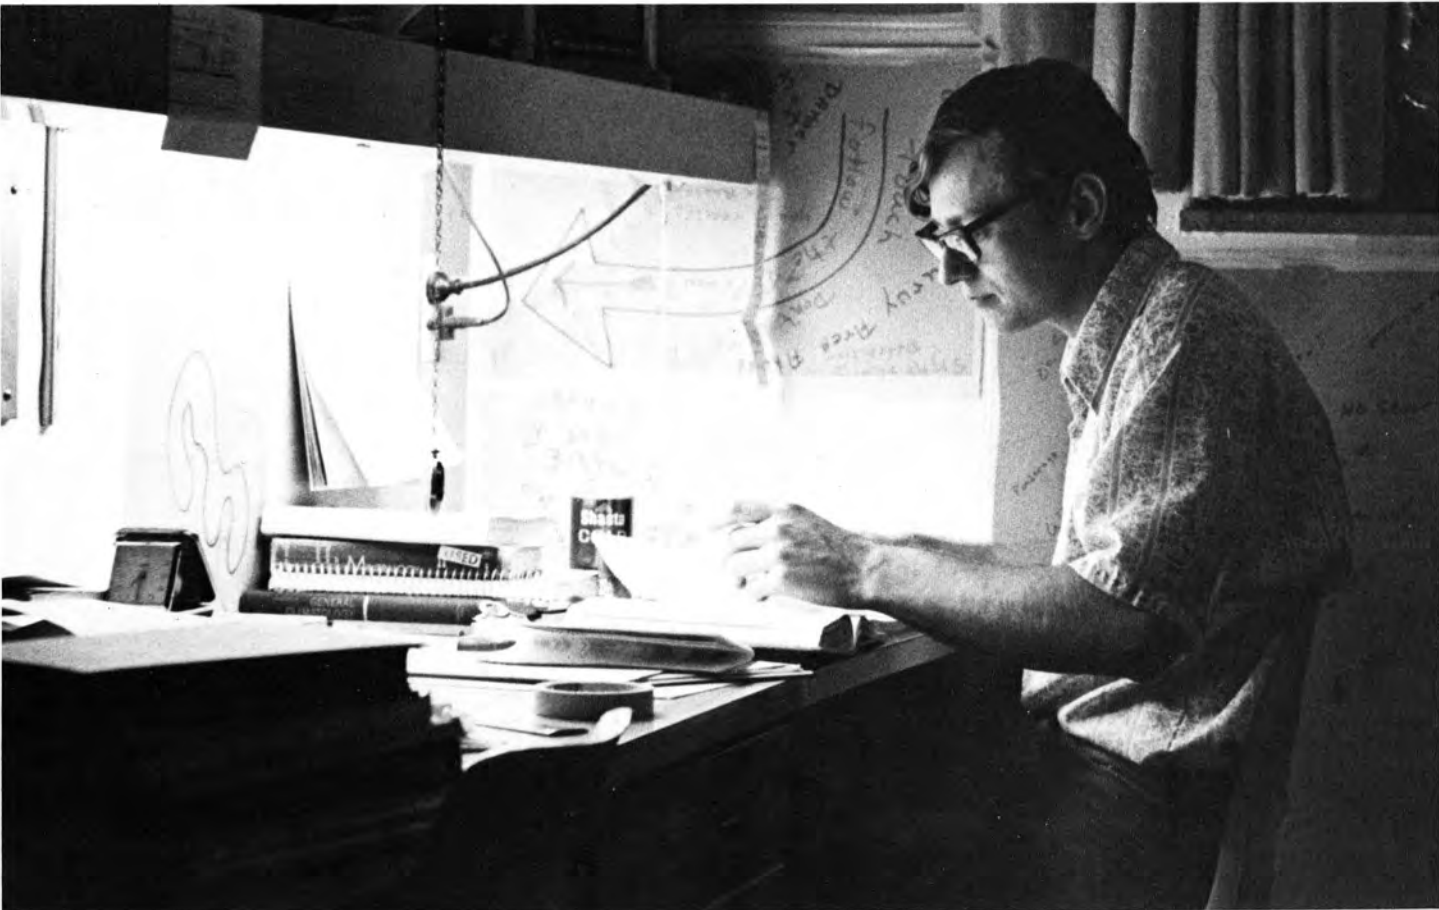

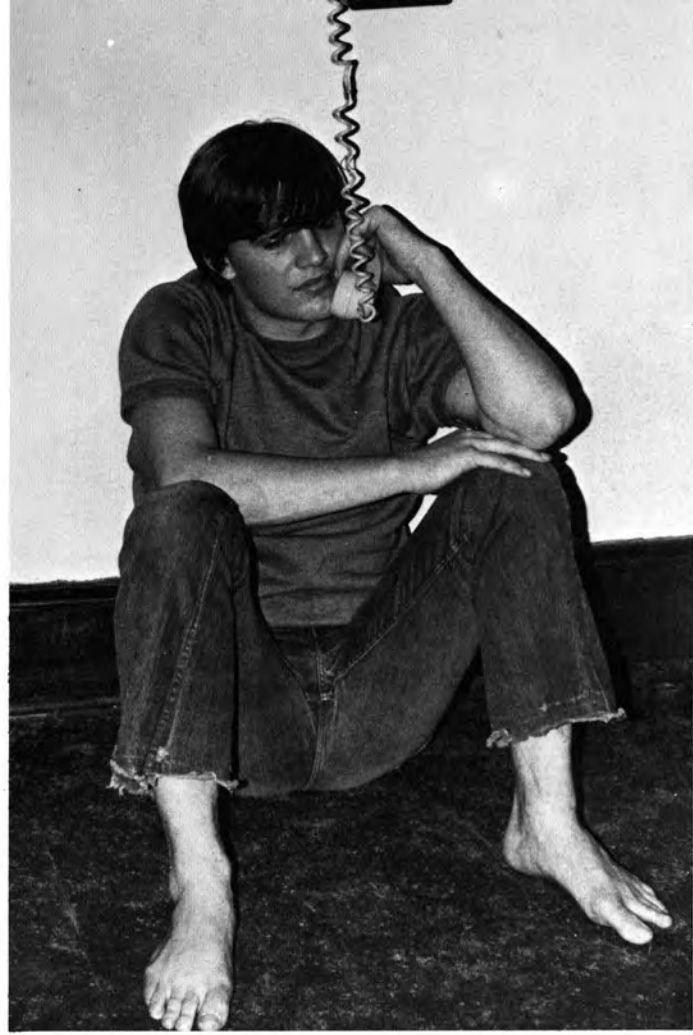

These coeds sooner or later find it's time to study. Now what? There sure isn't much privacy or peace and quiet around the dorm.

Then there's the upperclassmen (or should we say upperclasswomen?). If

you thought the freshman dorm was bad, just come to McCulloch or Dakota Hall and you'll find real action. There's always something to do, ranging from birthday parties to short sheeting beds to stealing someone's clothes while they're showering to everyone huddling together in one room for a good warm night's sleep because the heaters don't work. Oh, yes, and then there are always a few sneaking in during the wee hours of the mornings when they think no one knows except the policemen on duty.

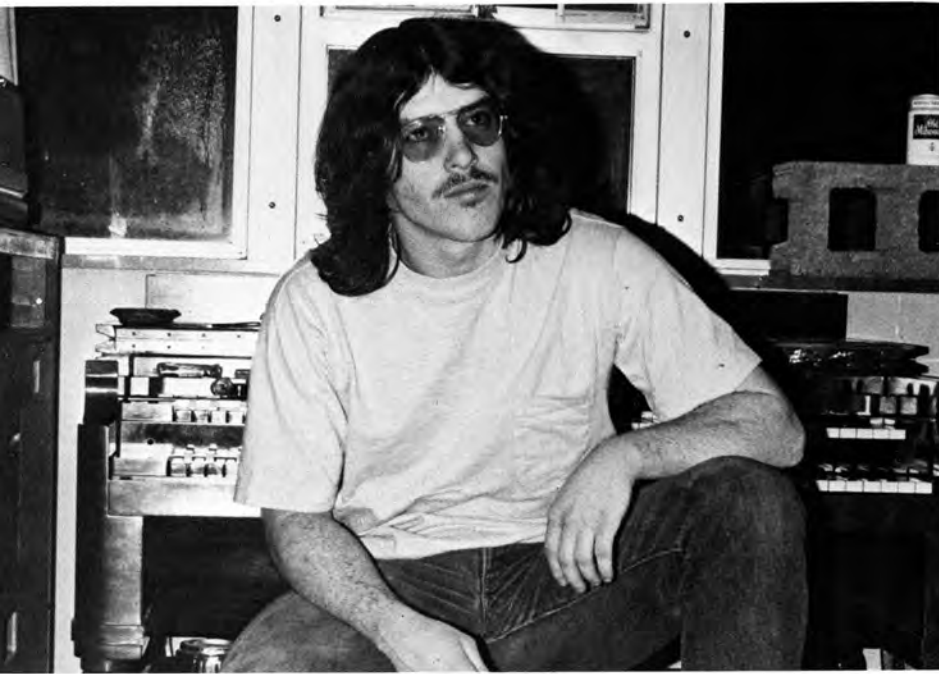

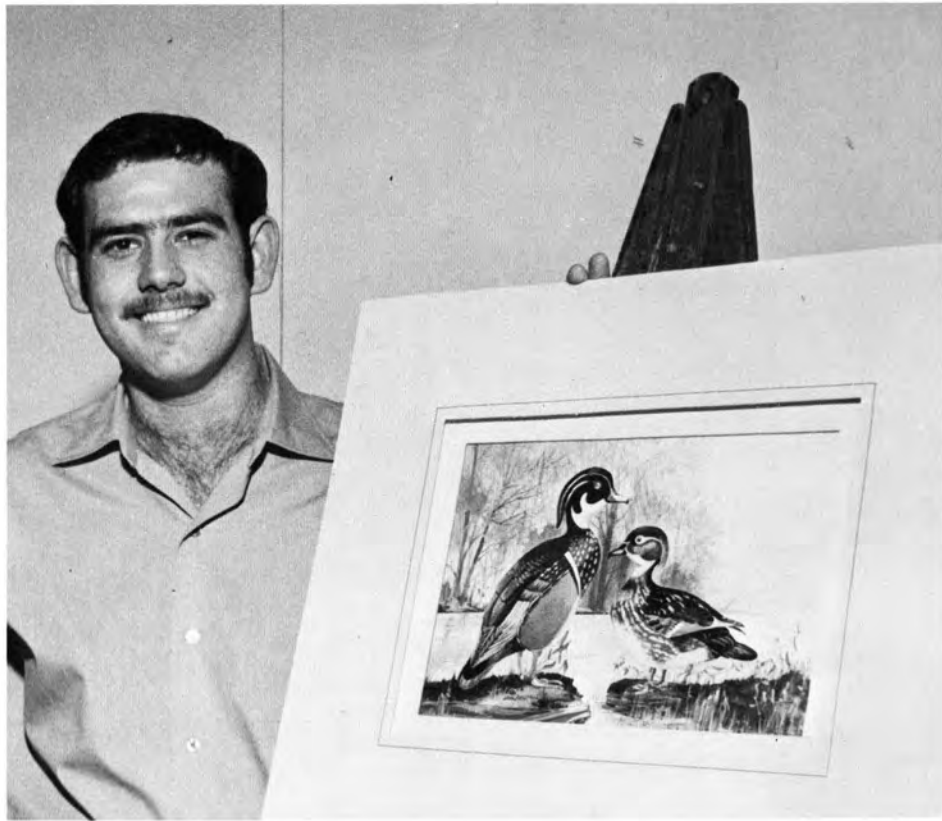

Dorm life is a 'must'

Take 150 or more guys and throw them all into a building to live together for a year and what do you get? Well, if you're one of the 150 or more guys, you may get the most unforgettable experience of your life. Not that it will warp or seriously damage any of your facilities, although it may bend them a little!

However bad the dorm may seem, there are a lot of benefits you can receive from living in one. For instance each dorm usually has a very complete and revealing "art" gallery. Also of beneficial value to the dormitory students are the good study habits that are developed while living in the dorm.

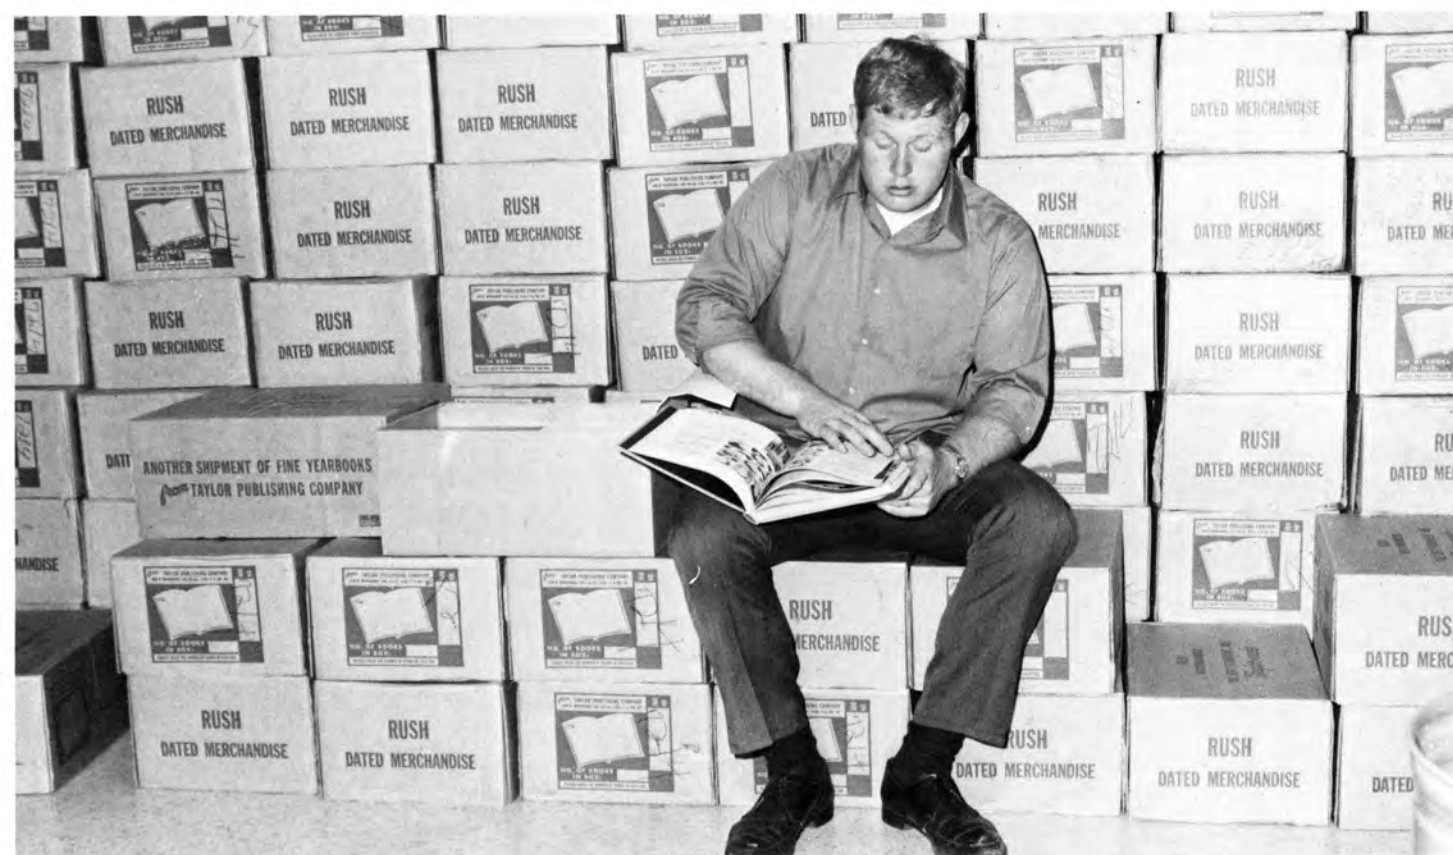

To get a complete education dorm life is a must. Not only will it make you wiser, but also more appreciative of the long overdue graduation date.

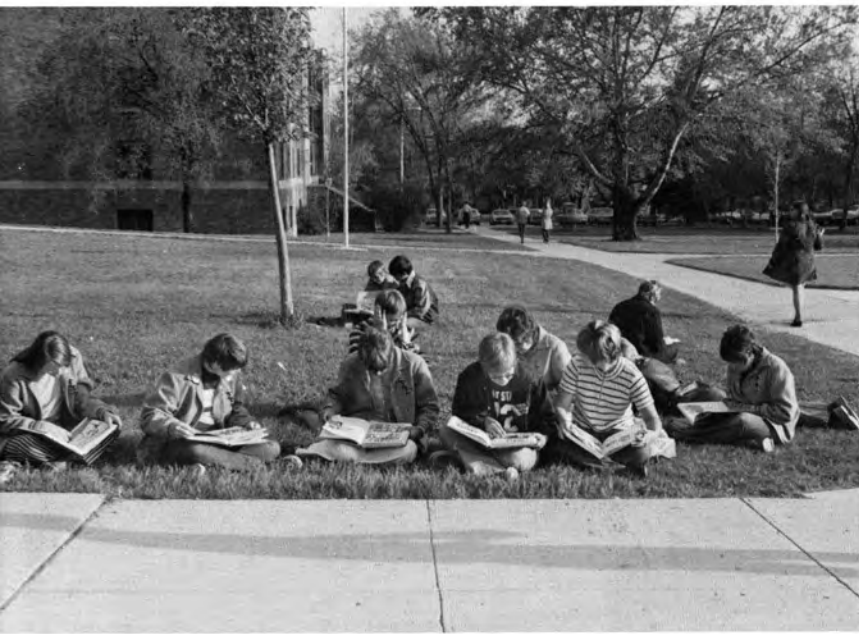

**who has filled his niche
and accomplished his task;
who leaves the world
better than he found it,
whether by an improved poppy,
a perfect poem or a rescued soul;**

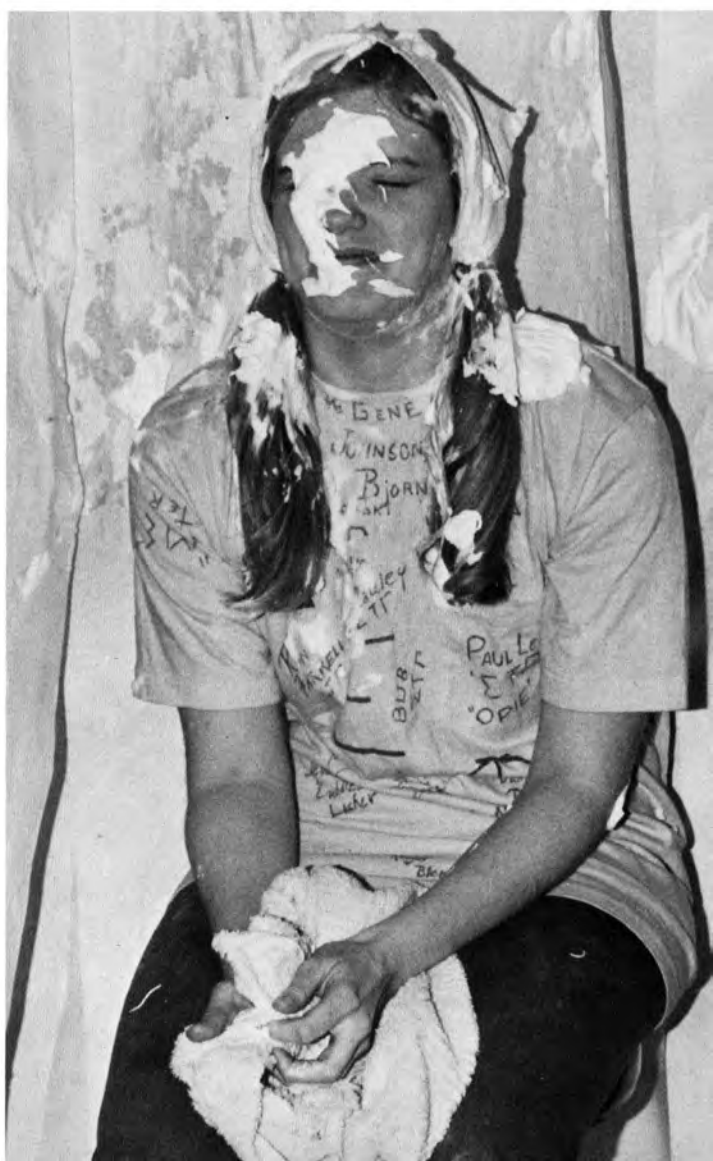

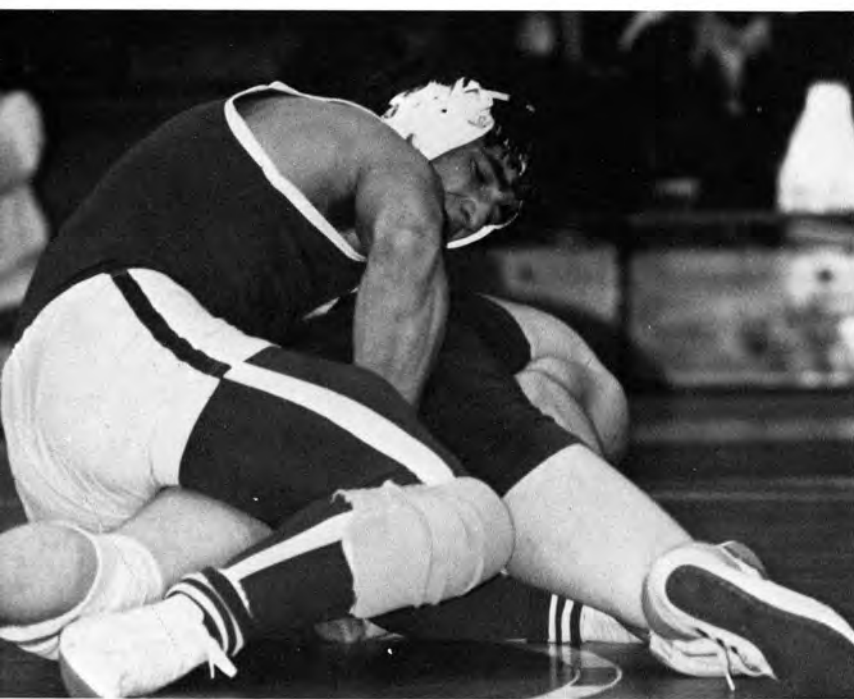

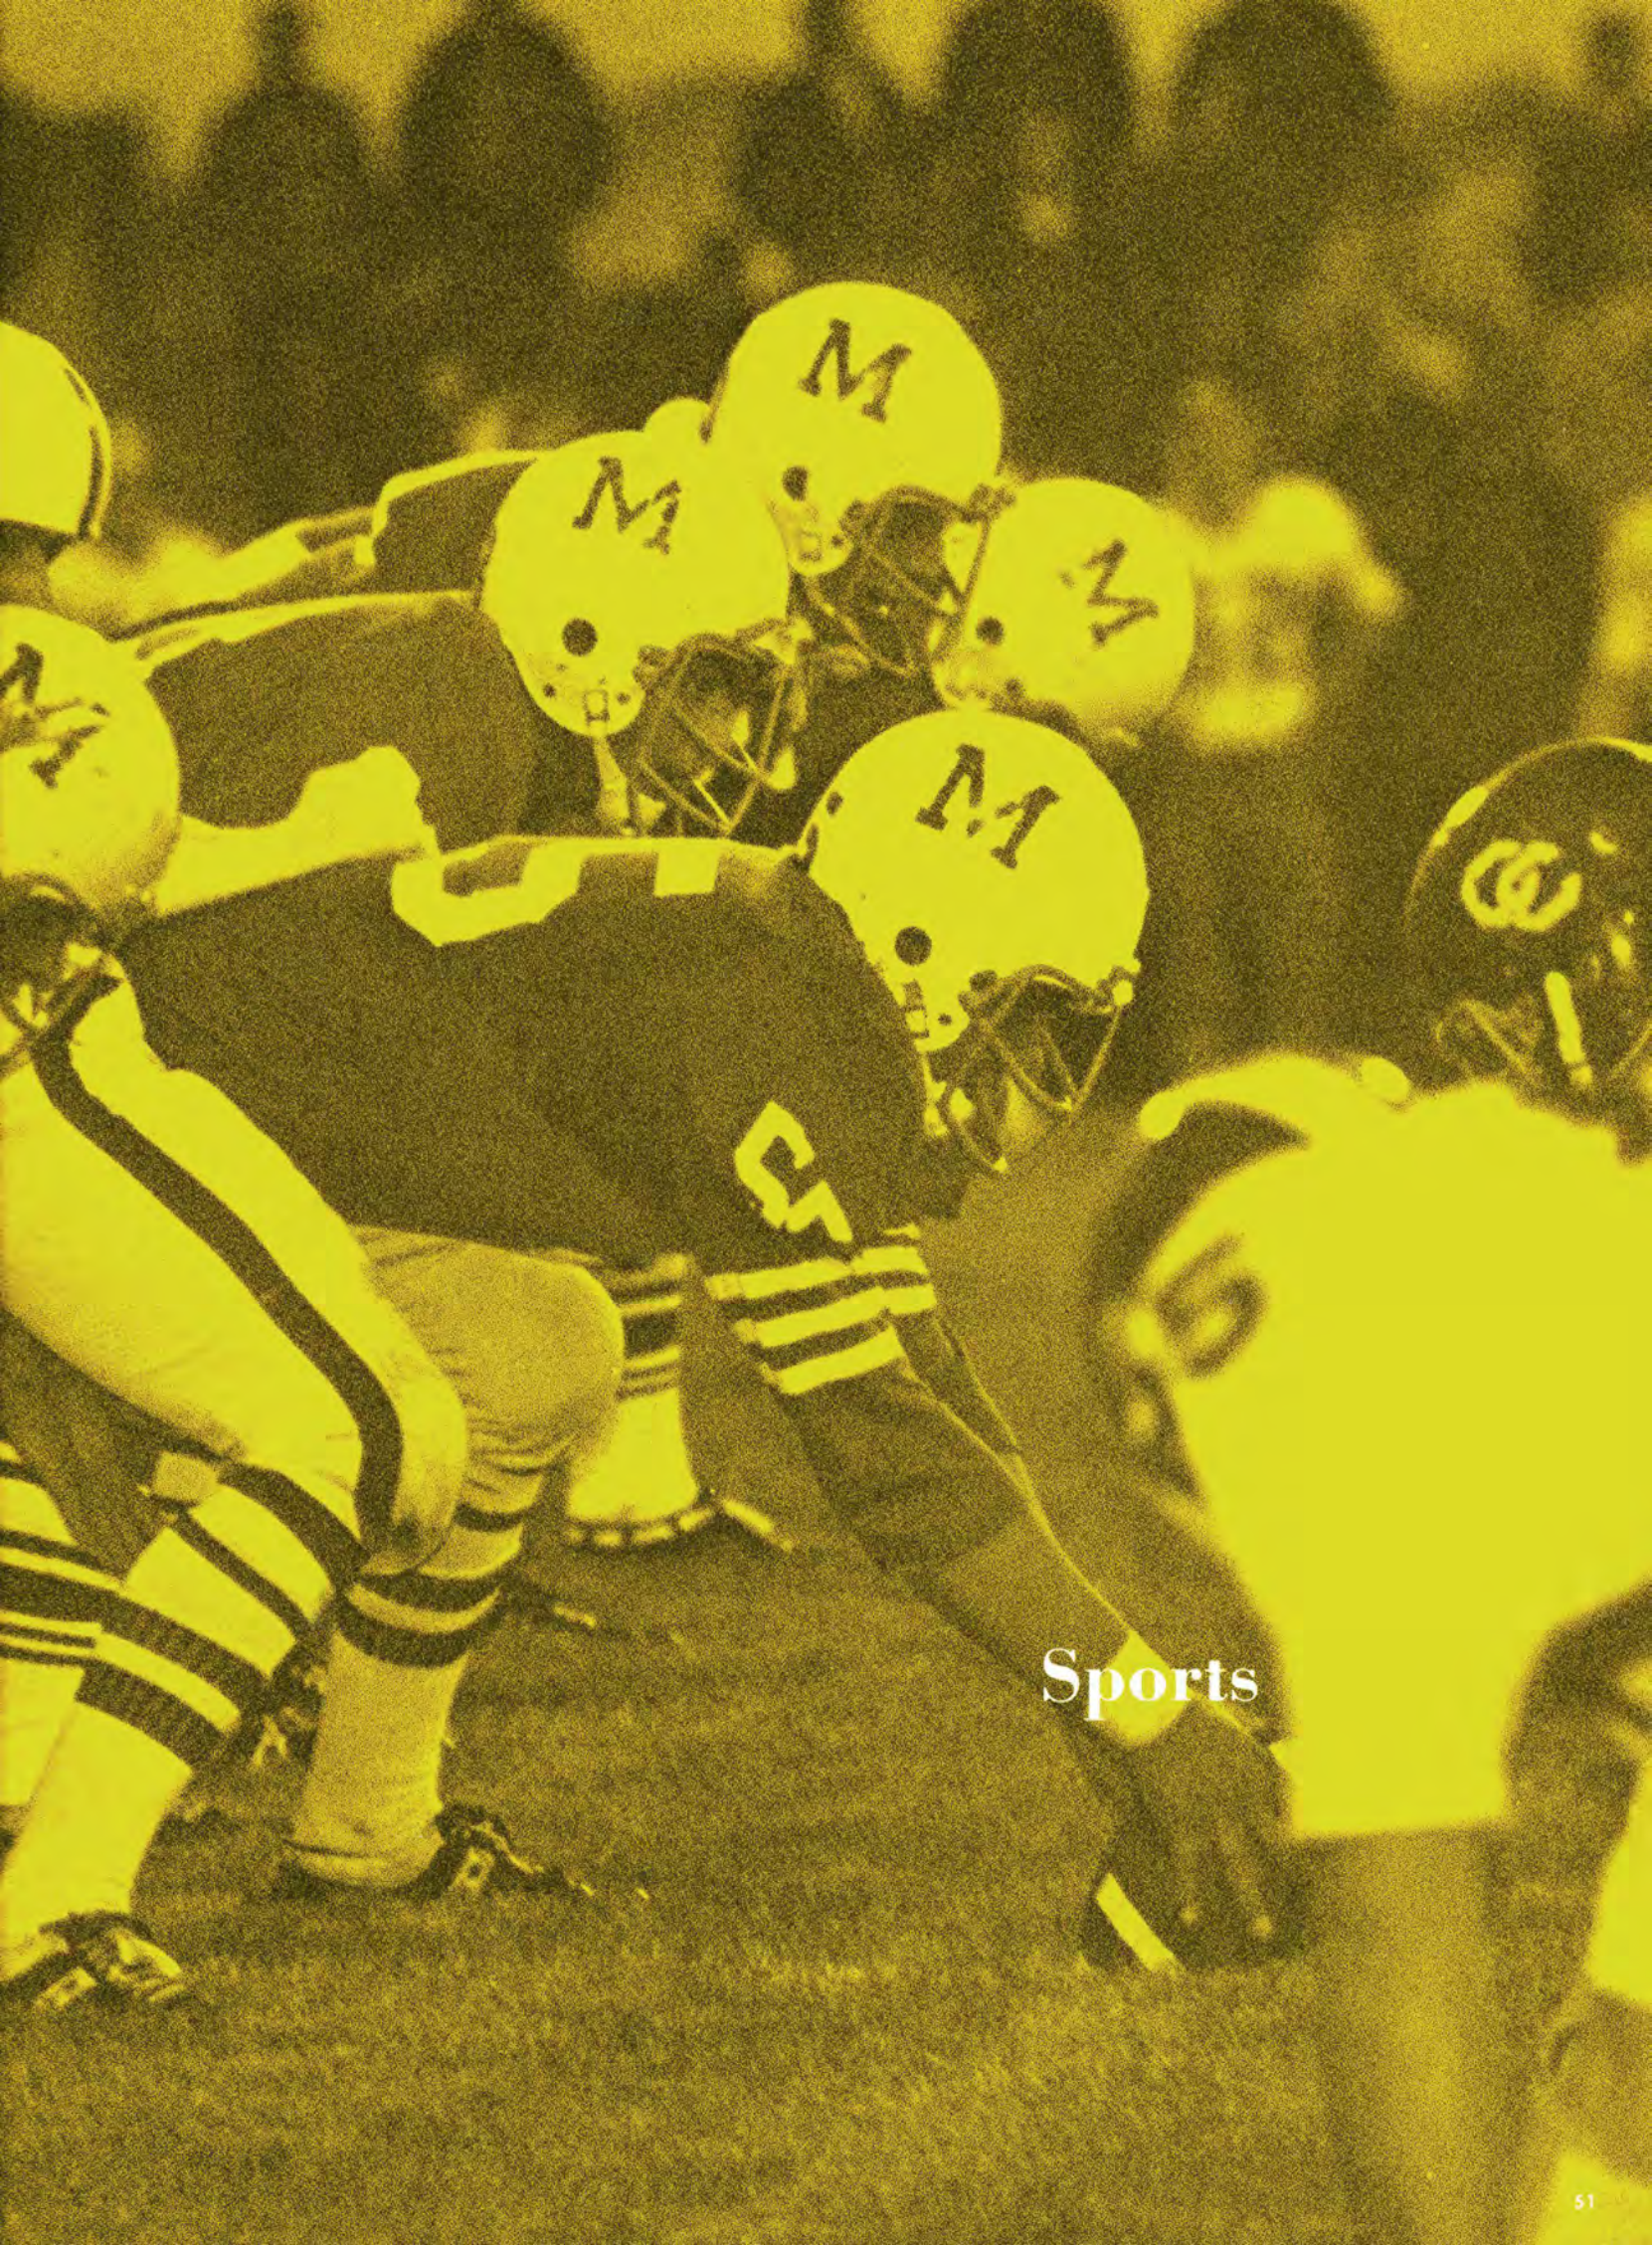

**who never lacked appreciation
of earth's beauty
or failed to express it;**

**who looked
for the best in others
and gave
the best he had.**

Robert Louis Stevenson

Sports

Success is to be measured not so much by the position
that one has reached in life as by the obstacles which
he has overcome while trying to succeed.
Booker T. Washington

Golfers end season at 5-1

Beaver golfers enjoyed a 5-1 dual meet record for the year, suffering their only loss at the hands of the Valley City Vikings.

In tournament action coach Larry Treider's team placed sixth in the Dickinson invitational, tenth in the Cobber invitational at Moorhead, MN, and third in the University of North Dakota invitational. The team finished sixth in the District 12 National Athletic Intercollegiate Association tournament at Fargo and captured a second place in the conference tournament at Valley City.

Turning in worthy tournament performance during the conference tournament were Steve Kottsick, Marshall Gray, Dennis Frykman, Kurt Lindahl and Dave Kuschel.

Kneeling: Marshall Gray, Mark Thompson, Steve Kottsick, Dennis Frykman. **Standing:** Jack Lynch, Terry Vibeto, Dave Kuschel, Kurt Lindahl, Dan Waldoch.

Women's track team places 1st, 3rd in meets

Kathleen McCann's track team enjoyed a successful season as they posted a first place finish in the Minot triangular meet and third in the Dickinson invitation.

MSC's 36½ points proved to be enough as they edged out Dickinson with 34½ and Bismarck Junior College with 28 to win the triangular meet. At Dickinson the team scored 38 points which was good enough for a third place finish behind first place Dickinson with 82½ and Bismarck Junior College with 38½ points.

Leading the team in field events were Kathy Rakness, Kris Hauge and Barb Esterby. Jill Sorenson eclipsed the old 440 record of 1:09:6 at Dickinson with a spectacular timing of 1:07:2.

Seated: Barb Esterby, Pat Thome, Terry Ann Connole, Jill Sorenson, Debbie Lee, Barb Mitchell. **Kneeling:** Michelle McCarroll, Jane Wentz, Mary Seidlinger, Darcie Henegar, Nancy Cose, Bev Siercks. **Standing:** Beckee Keller, Kathy Rakness, Wanda Bowlinger, Wanda Schulte, Kriste Hauge, Barb Johnson.

Cindermen set school records

MSC cindermen set 14 new school records and tied one existing record enroute to fourth place finishes in both the outdoor and indoor track conference meets.

In capturing fourth place at the outdoor conference meet at Valley City, Minot produced two conference champions in Ron Just and Steve Loeppke. Just won the discus title with a heave of 145'11" while Loeppke jumped 13'6" to claim conference honors in the pole vault.

Coach Wiley Wilson's outdoor team also produced a first place in the Valley City Quadrangular meet and tied

Valley City for top honors in the Minot State Quadrangular meet.

New outdoor records were established by Gary Myhre in the mile and 3 mile run; Konrad Yawney, 2 mile run, 6 mile run, 3000 meter steeplechase; Rick Ellert 120 yd. high hurdles and 220 yd. dash; Dale Schlag, 440 yd. intermediate hurdles; Steve Loeppke, pole vault; Larry Dykema, triple jump; and Rod Barth, javelin. Gerald Jones tied his record in the 440 yd. dash while leading the team in total scoring with 79 points.

Indoor records were set by Bruce Iverson in the 60 yd. intermediate hurdles; Garry Batts, 60 yd. high hurdles; and Gerald Jones in the 600 yd. run.

Front row: Jesse Flores, Gerald Jones, Richard Ellert, Larry Dykema, Steve Loeppke, Dale Schlag, Gary Myhre. **Back row:** Robert Gronquist, Konrad Yawney, Ron Just, Randy Johnson, Coaches Gary Olmsted, Wiley Wilson, Bert Leidholt.

MSC baseball team finishes 2nd in Conference

Under the new guidance of head coach Bob Bondine, the MSC baseball team slugged its way to a respectable 15-14 season record. They also finished a close second to Mayville State in conference tourney play.

Minot State opened the North Dakota College Athletic Conference tournament at Mayville with a solid 3-0 opening win over Mayville. The Beavers then dealt Dickinson their first loss of the tourney 12-3 before

Kneeling: Jerry Lukes, Dennis Healy, Gary Steckler, Greg Amundson, Charlie Anderson, Steve Redding, Jack Lundeen, Don Weber, Karl Urbaniak. **Standing:** Coach Bill Abraham, Bruce Bremer, David Day, Dan Aus, Roddy Bergdahl, Howard Reid, Bill Koering, Frank Bruels, Don Werlinger, Steve Dentz, Rich Hauge, Dale Zweber, Ted Reiter, Doug Overbo, John Anderson, Randy Flynn, Head Coach Bob Bodine.

succumbing to first place Mayville 9-0 and 6-5.

Beaver standouts named to the National Athletic Intercollegiate Association District 12 and conference all-star baseball squads were outfielder Charlie Anderson and pitchers Bruce Bremer and Frank Bruels. Anderson led the Beavers in hits with 27, runs with 20, triples with 5, walks with 20 and stolen bases with 4. Bremer led Beaver hurlers in strikeouts with 65 and posted a 1.81 earned run average. Bruels enjoyed the best won-loss record on the squad at 4-2 and his earned run average of 0.064 was best on the team.

Row one: Nadene Johnson, Bev Johnson, Lorelee Holub, Darcie Henegar, Celia Currie, Mary Seidlinger, Pat Thome. **Row two:** Renae Wolf, Julie Vilhauer, Kathy Rakness, Charlene Dufner, Sheryl Solberg, Kriste Hauge, Coach Kathleen McCann. **Row three:** Julie Stenebjem, Wanda Schulte, Terri Hauge, Yvonne Unterscher, Pam Larson.

Softball team in World Series

Women's softball posted another successful season by winning the Mayville Invitational Tournament and registering a victory in the College Women's World Series

In the four-team tournament at Mayville, the MSC coeds outplayed the University of North Dakota, Mayville and Valley City to take the crown.

MSC's next tourney entry was the College Women's World Series in Omaha, NB. Coach Kathleen McCann's team posted an early victory over Duluth, MN, before bowing out to Luther College, Decorah, IA, and Northern Colorado University, Greeley, CO, in the 20-team tourney.

Left to right: Kevin Yale, Jerry Lyon, Steve Lill, Dale Lerbakken, Timothy Kessler, Chuck Rhin-
hart, Coach Gary Leslie.

Young team places fourth

MSC netmen hampered by youth and inexperience served their way to a fourth place finish in the conference tournament at Jamestown. Jerry Lyon, the only returning letterman from last year, placed fourth in the conference number one singles for Gary Leslie's squad.

In the District 12 championship tourney at Aberdeen, SD, the MSC team played to a seventh place tie with Mayville. Lyon again led the team in the singles department with a sixth place finish.

1971 proves 'trying time'

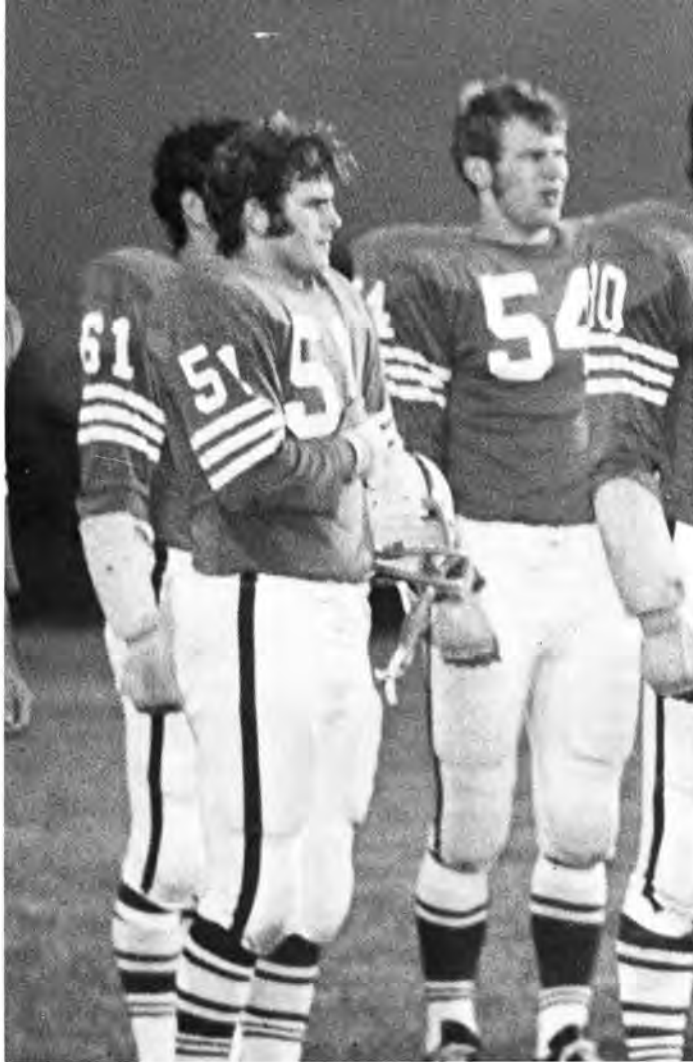

1971 proved to be a trying year for Cross Country Coach Wiley Wilson who said a flood of injuries sidelined most of his runners and washed away the team's chances for a conference title.

Among the minor injuries were a fractured foot that sidelined Gary Myhre, the Beaver's top harrier for the season. Harvey Jore was troubled with arch problems the entire year and freshman Doyle Hughes was slowed down with a sprained ankle.

Finishing the season as hosts of the North Dakota College Athletic Conference Meet, Minot rallied to gain a fifth spot finish with 119 points. John Hawronsky paced the Beavers with an 11th place finish. He was followed by teammates Harvey Jore who came in 16th, Gerald Jones 28th, Dan Landes 31st, and Doyle Hughes 33rd.

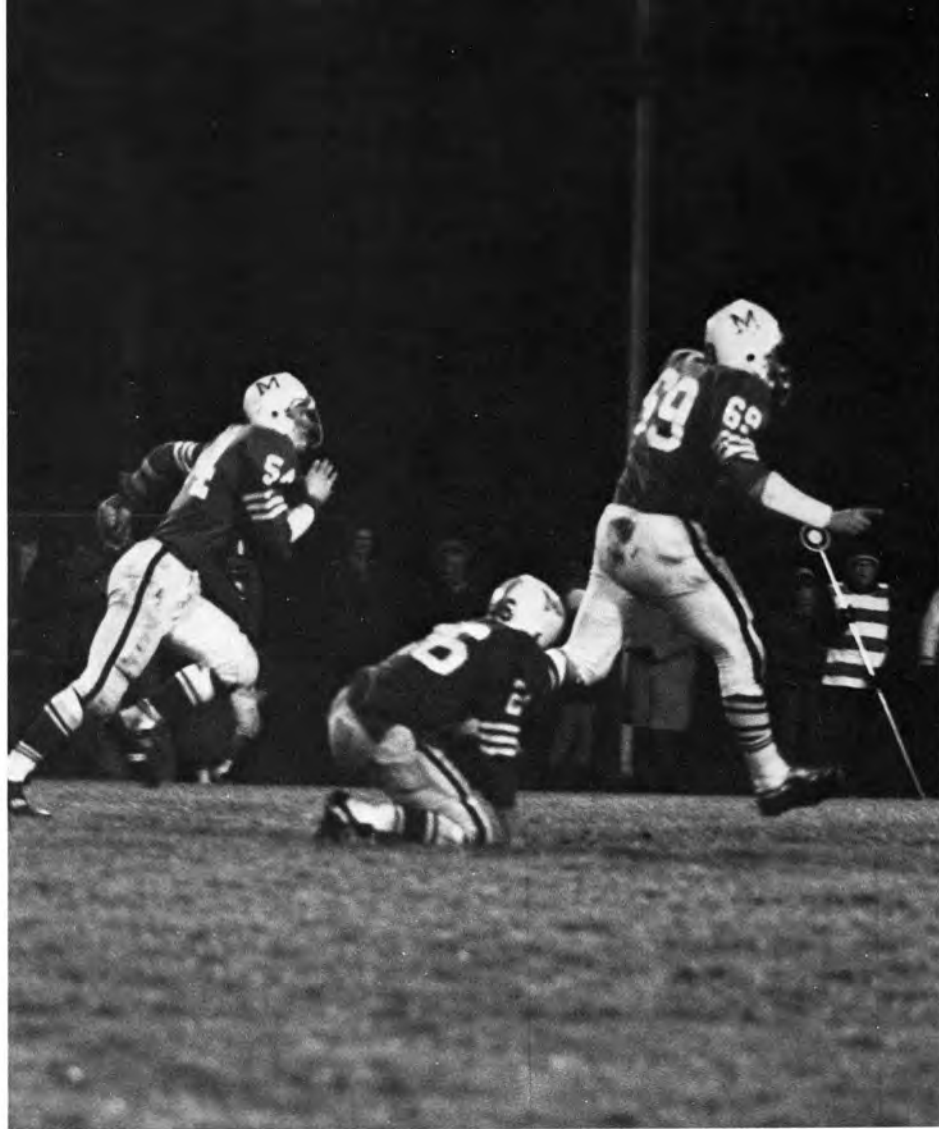

Kneeling: John Hawronsky, Gerald Jones, Harvey Jore, Doyle Hughes. **Standing:** Jim Solar, Gary Myhre, Dan Landes.

Beaver eleven boast high record

If anything can be called disappointing about the 1971 Minot State football season, it would have to be the realization that the season is over and not until next fall can fans watch their "green machine" dominate their opponents again. Minot's Beavers presented their followers with many moments of thrilling and exciting football as they rolled on to a 7-1 season in their successful defense of the conference crown.

Row 1: Ted Deschamp, Curt Zimbelman, Tom Lawrence, Bill Thom, Vaughn Kessler, Bruce Iverson, Karl Urbaniak, Paul Elliott, Aurelio Delbello, Tom Lundeen, Don Fluegge, Dave Greenwood, Merlin Martin, Tim Bodine. **Row 2:** Coach Ken Becker, Jim Gefroh, Dean Guttormson, Bill Koering, Dave Stuart, Bruce Meidinger, Jack Carmine, Jerry Lukes, Mike Schatz, Don Werlinger, Bill Cook, Greg Wallace, Bob Demaggio, Craig Gospodarek, Gene Hebl, Dick Gaffrey. **Row 3:** Coach Bert Leidholt, Don Marcotte, Andy Fedje, Dale Zweber, Dick Olson, Chet Halmon, Bob Hehn, Ron Just, Ken Boyeff, Roy Miller, Paul Arnson, Ron Nelson, John Nelson, Lloyd Huber, Larry Duhamel, Rocky Hager, Coach Dean Bachmeier, Coach Harry Lreider. **Row 4:** Ed Brezinski, Randy Streifel, Ron Blessum, Dan Weiss, Mike Hemmingson, Bob Kuntz, Mike Johnson, Brian Rodacker, Mike McIntyre, Rod Barth, Eric Manegold, Jesse Flores, Ron Farrell, Rich Credico, Jerry Grandahl.

Beavers hit Havre first

Minot kicked off their 1971 football season with a sound thrashing of Northern State of Montana at Havre. Minot then quickly disposed of Carroll College of Helena, MT., 14-12 in their home opener. The Beavers picked up their points early in the second quarter and led 14-0 before yielding 12 points to Carroll in the third quarter. Minot demonstrated their awesome defense which often left their opponents dazed and confused. The next week in Wahpeton all the Beavers could muster were penalties and bad breaks as they suffered their only loss of the season to the powerful Wildcats. Following

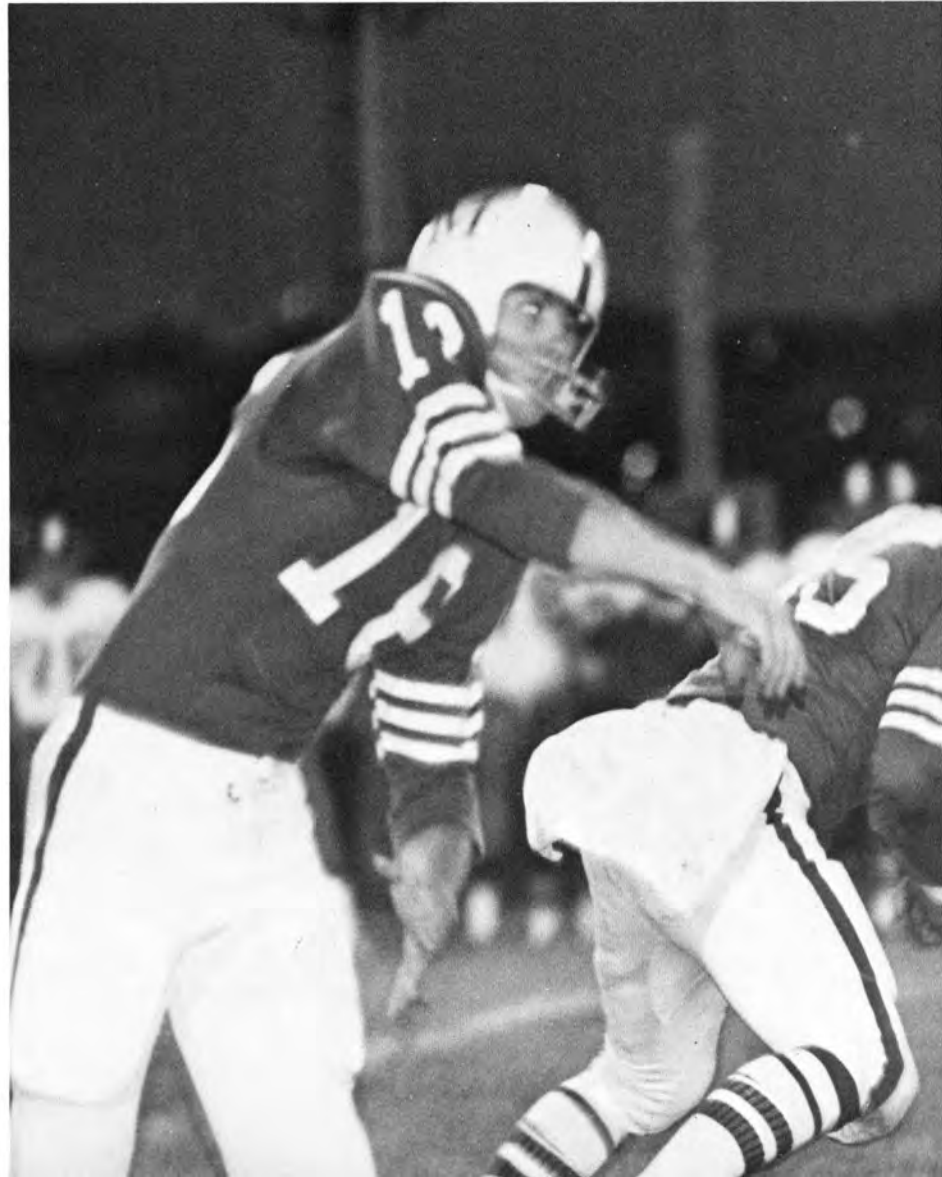

Offense proves itself strong

their loss to Wahpeton, the Beavers bounced back with a 40-0 trouncing of Valley City State in a rain swollen home contest. The next team to be victimized by the Beaver's excellent offense and defense was Mayville State who recorded a losing 55-7 effort against the Minot powerhouse. Quarterback Tom Lawrence and end Bill Cook led the offense with two touchdowns each. Defensively the Beavers held the Comets to a mere eight yards on the ground while recovering two fumbles and intercepting five Mayville aerals. A nine-yard pass play from Tom Lawrence to

“Got to be best game . . . ”

Fred Bentz provided the margin of victory for the Beavers against Dickinson State on a snow-slicked field. “It has got to be our best game of the season,” said Beaver boss Ken Becker after Minot’s polished defensive forces had steered the team to a 23-7 triumph over the Jamestown Jimmies in the Beavers homecoming game. The win gave Minot an undisputable share of the North Dakota Collegiate Athletic Conference crown. A 9-6 decision over a powerful Albert Lea College team of Minnesota ended another very successful and rewarding season for the Beavers.

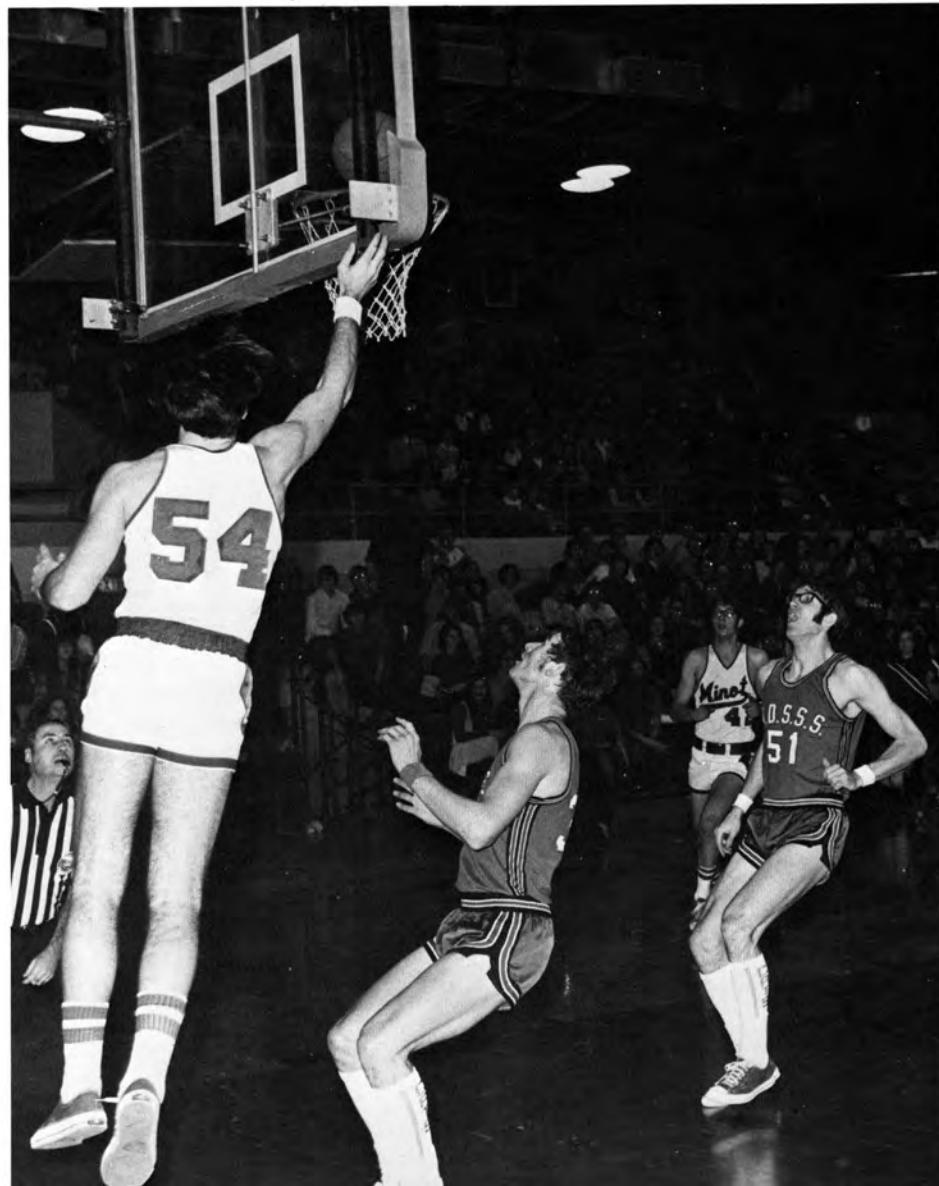

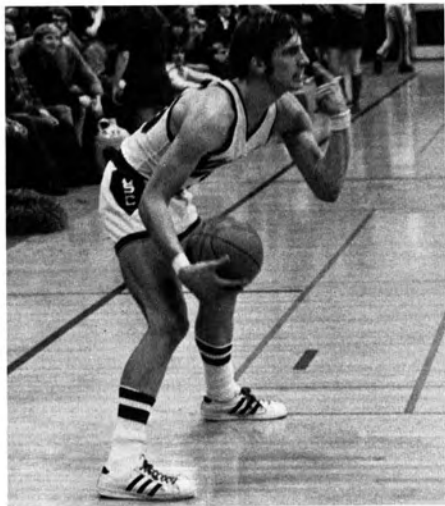

FOOTBALL CHEERLEADERS: Brenda Dahl, Val DeLong, Shawneen Edwards, Kathy Hoeffel, Jackie Spiros, Joey Wright.

BASKETBALL CHEERLEADERS: Brenda Dahl, Val DeLong, Shawneen Edwards, Val Schwan, Jackie Spiros, Joey Wright.

“They were fantastic . . . ”

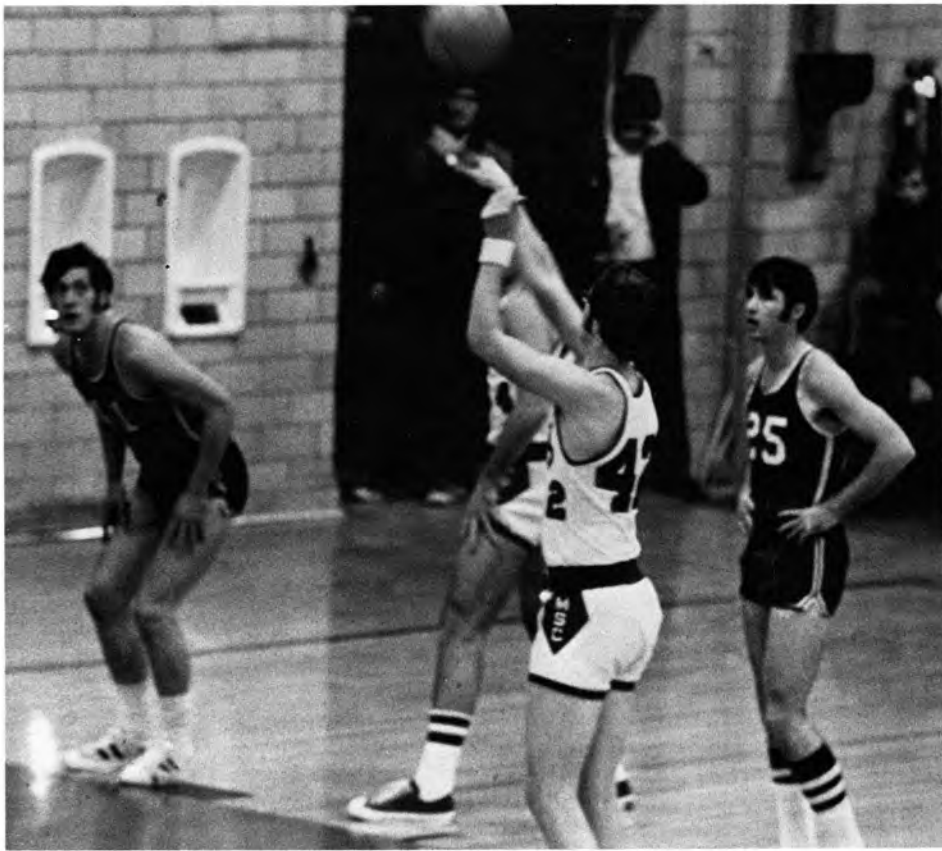

Ask Beaver basketball fans about Minot's 1972 team and you'll leave yourself wide open for their favorite one-liner. "Man, they were simply fantastic this year!" Fantastic is hardly an adequate description for a team that compiled a 20-2 regular season record in capturing sole possession of the conference crown with a 9-1 conference record.

Head Coach Wes Luther presented the Beaver fans with one of the finest balanced teams ever produced at Minot. Five starters in double figures was a commonplace occurrence as the team left both fans and opponents amazed at their fast style of play.

Kneeling: Coach Bob Bodine, Kevin Tatum, Tim Kaiser, Coach Wes Luther. **Standing:** Brent Wal-
lender, Vance Bowersox, Tom Heckaman, Gary Batts, Frank Bruels, Kurt Carlson, Jim Glasser,
Steve Dentz, Ulysses Floyd, Loren Scheer, Jay Sundheim, Bill Thom.

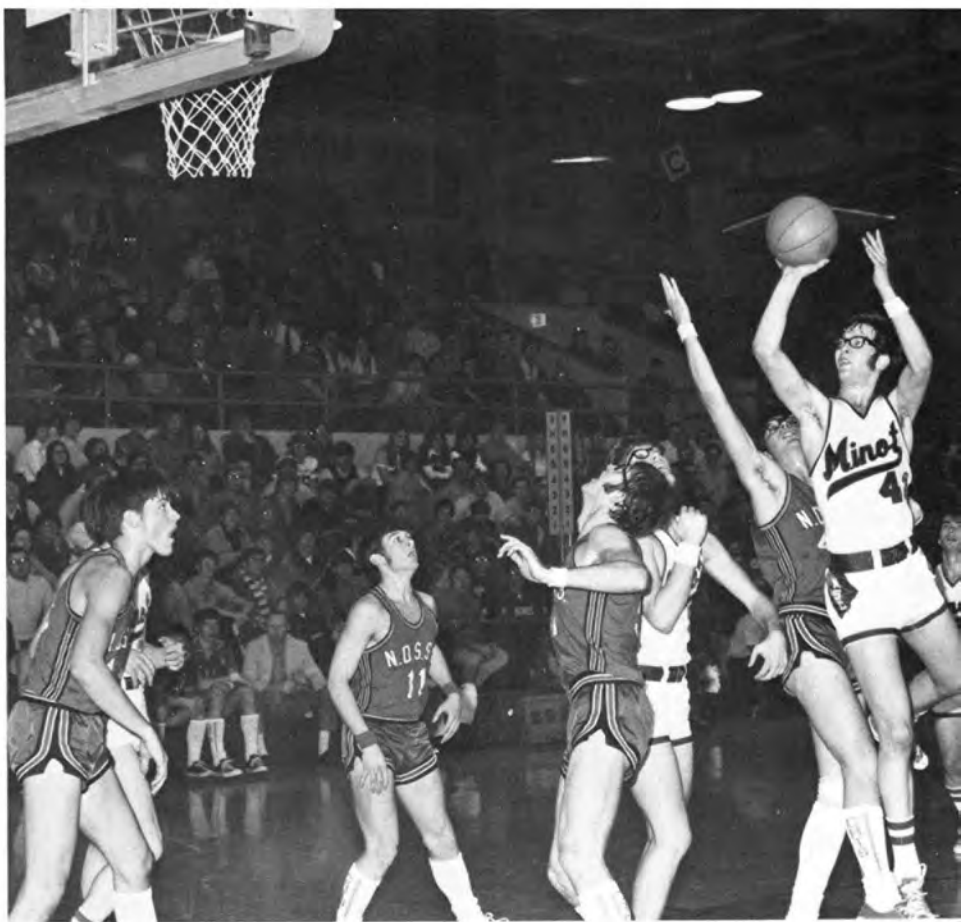

“... terms team as fast”

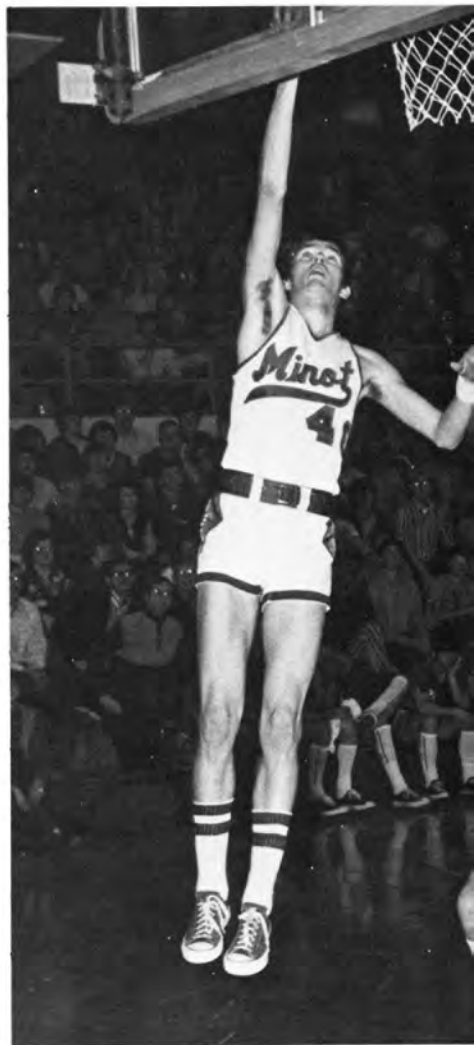

Heading coach Luther's outstanding cast of "undefeatables" were Ulysses Floyd, Steve Dentz, Kurt Carlson, Frank Bruels and Vance Bowersox. This quintet combined for 17 victories in a row to establish a new school record. Valuable bench service was supplied by Jim Glasser, Kevin Tatum, Tim Kaiser and Gary Batts.

South Dakota Tech and Dickinson State were the only two teams to place the taste of defeat in the Beaver's mouths. Both games were very evenly played, as Minot's margin of defeat for the two losses combined was only four points.

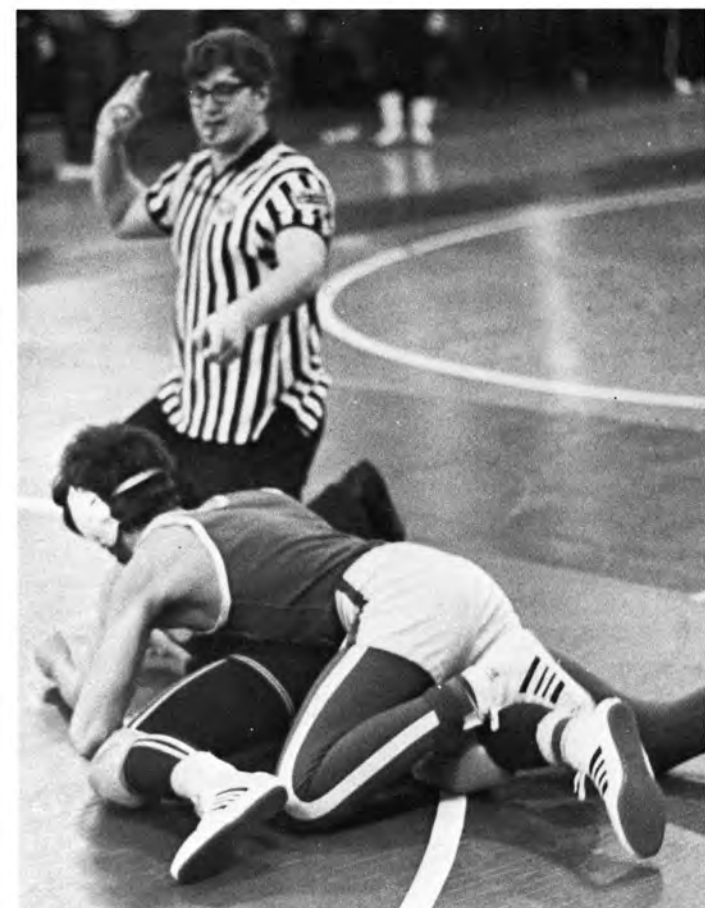

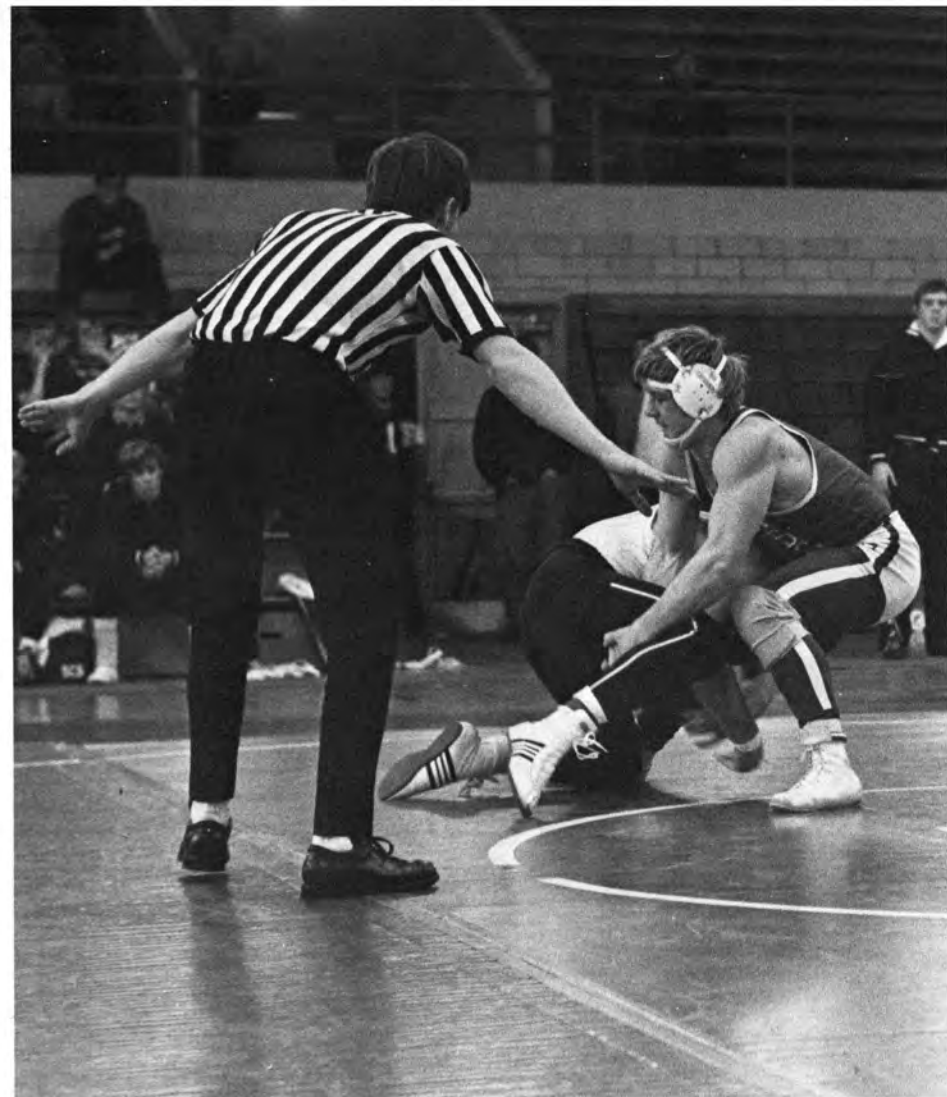

Kneeling: Kevin Richardson. **Standing:** Joe Morsette, Karl Urbaniak, Garry Sherwood, Jay Sundheim, Jack Riopelle, Terry Rust, Loren Scheer, Bill Thom, Dwight Stempson, Cary Elhardt, Glenn Boyeff.

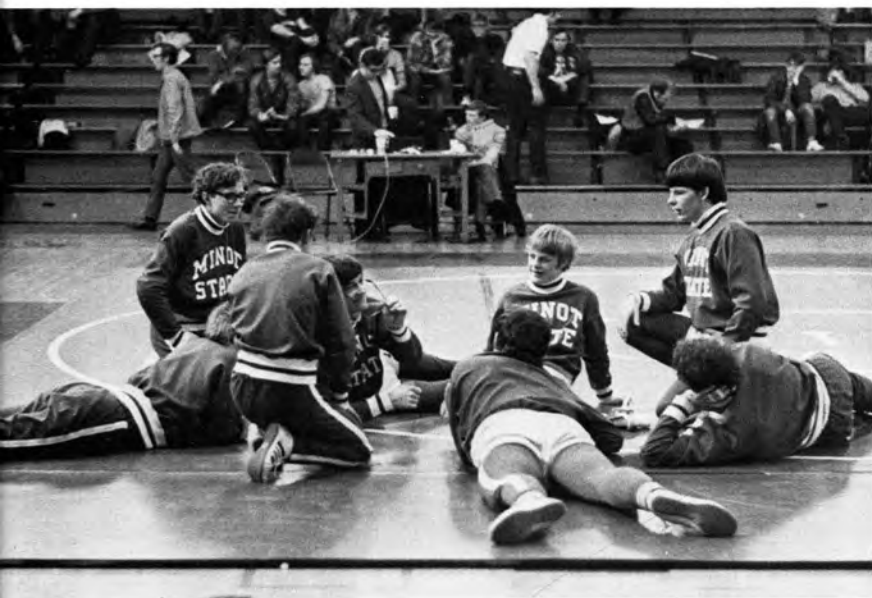

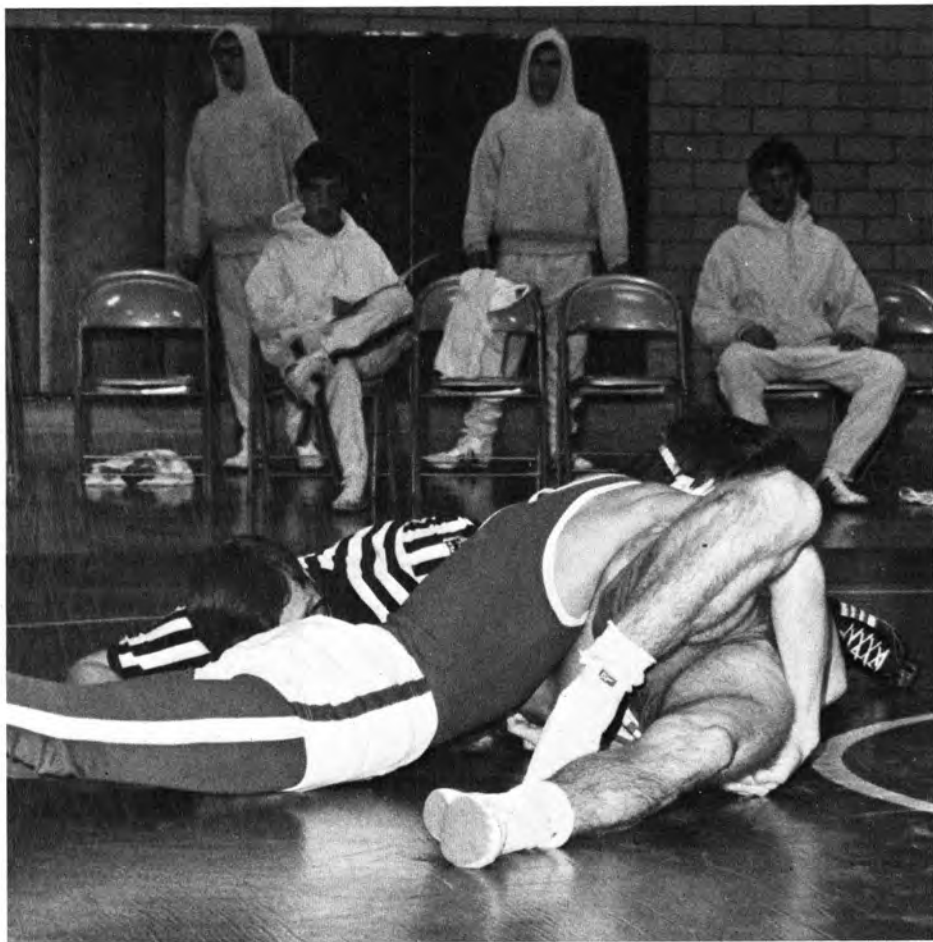

Team posts 14-4 record

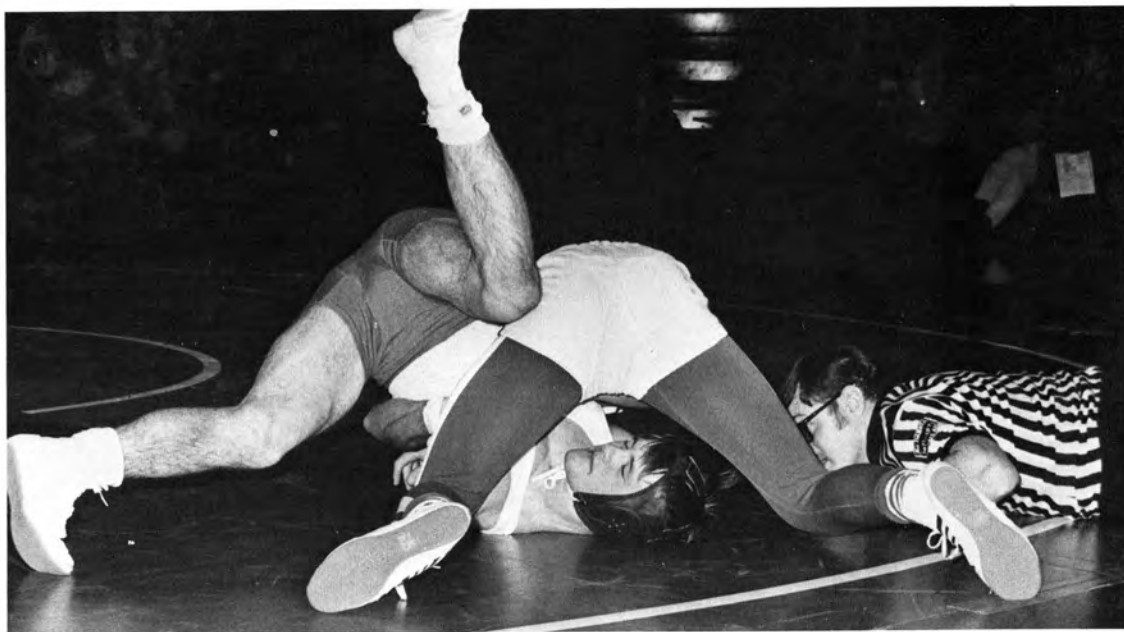

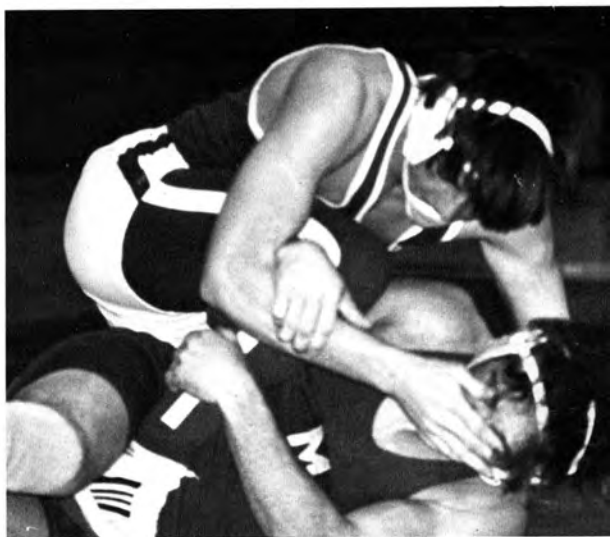

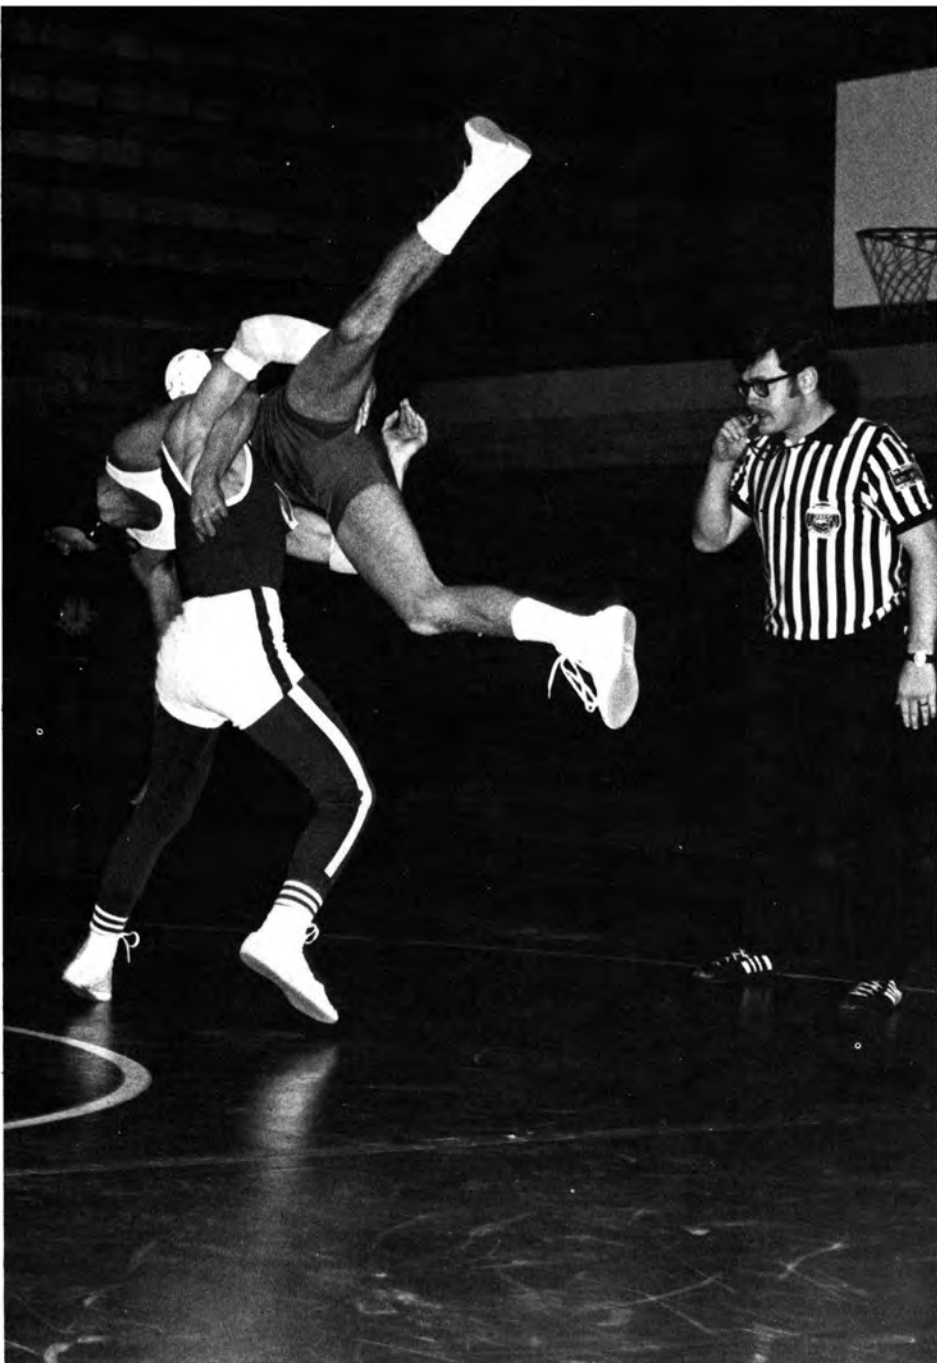

For anyone interested in solving sports problems here's a good one for you. First take a wrestling team that finished fourth in its conference last year and posted a lowly 3-13 seasonal record. Add to that your complication factor which is an over abundance of underclass grapplers characterized by youth. Now turn this team into a title contender that eventually ends up second in its conference and posts a 14-4 seasonal record.

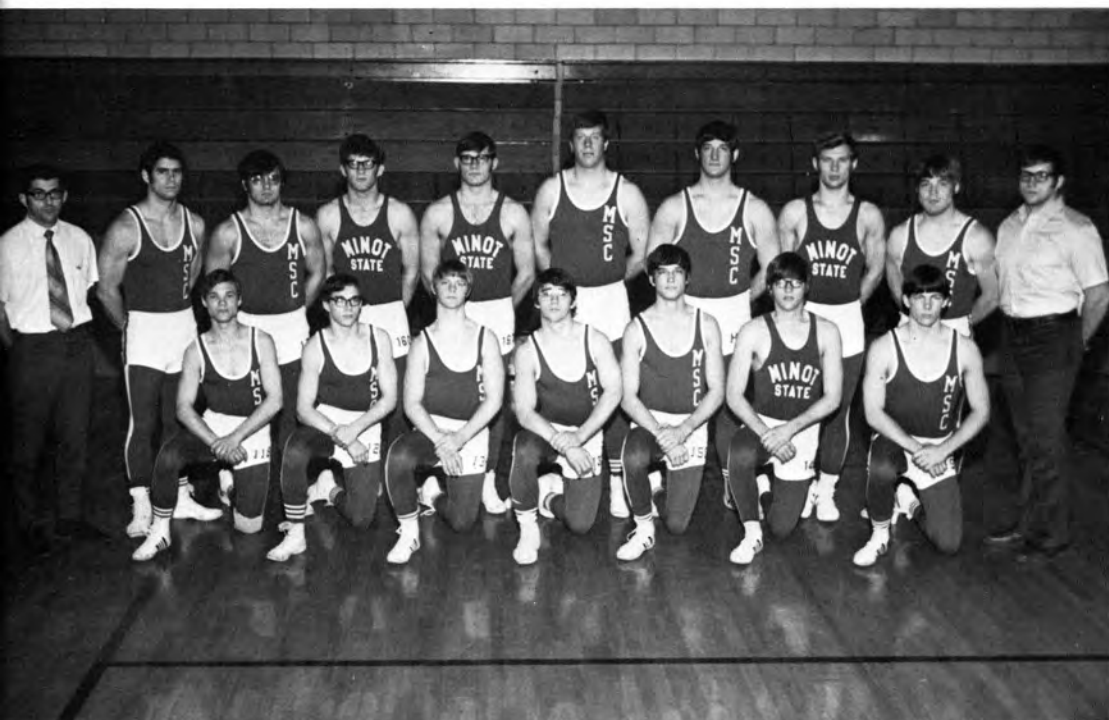

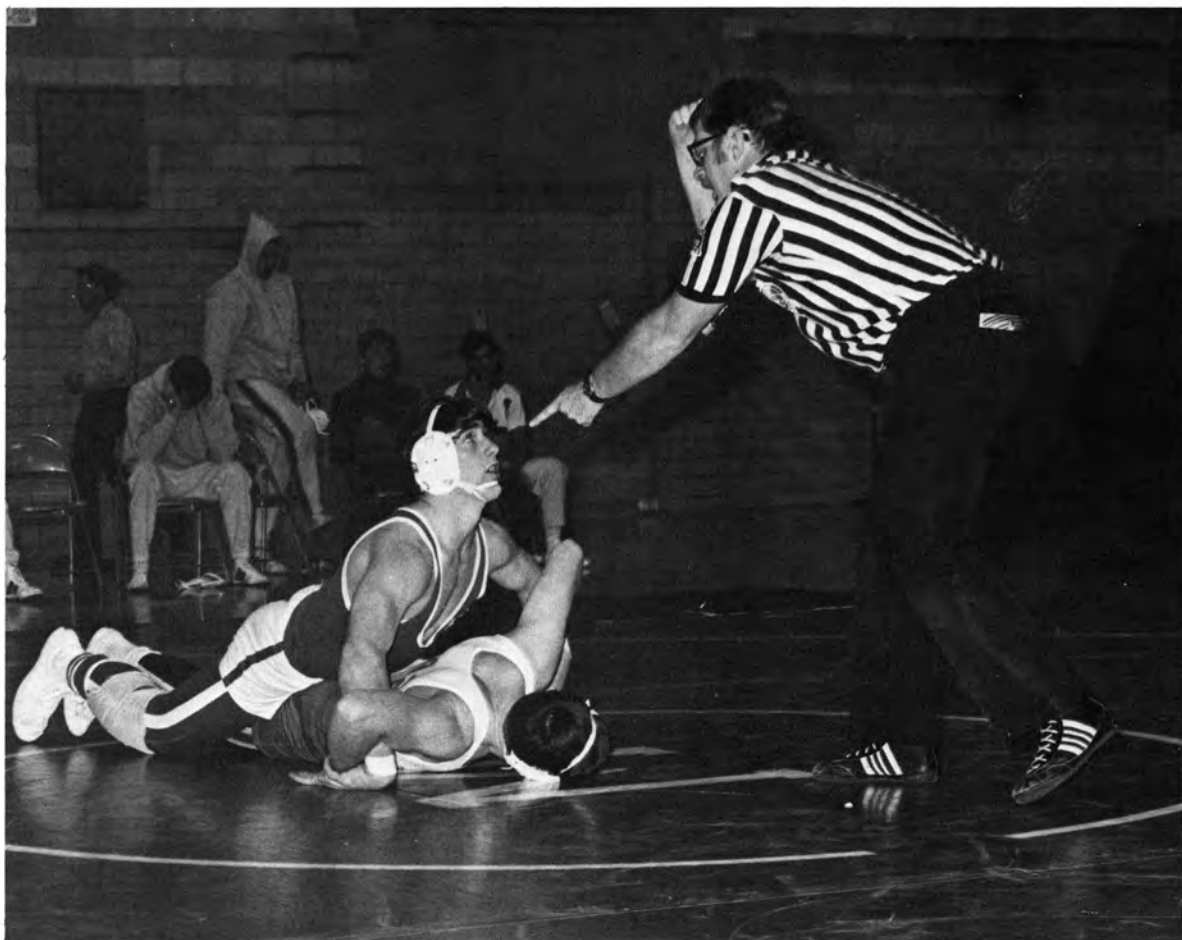

For the answer to the above problem contact Dean Bachmeier, Minot State's head wrestling coach. Bachmeier was the man responsible for taking the Beaver wrestlers who owned a 3-13 record last year and building them into a 14-4 powerhouse and title contender. Many reasons can be cited for the beavers sudden

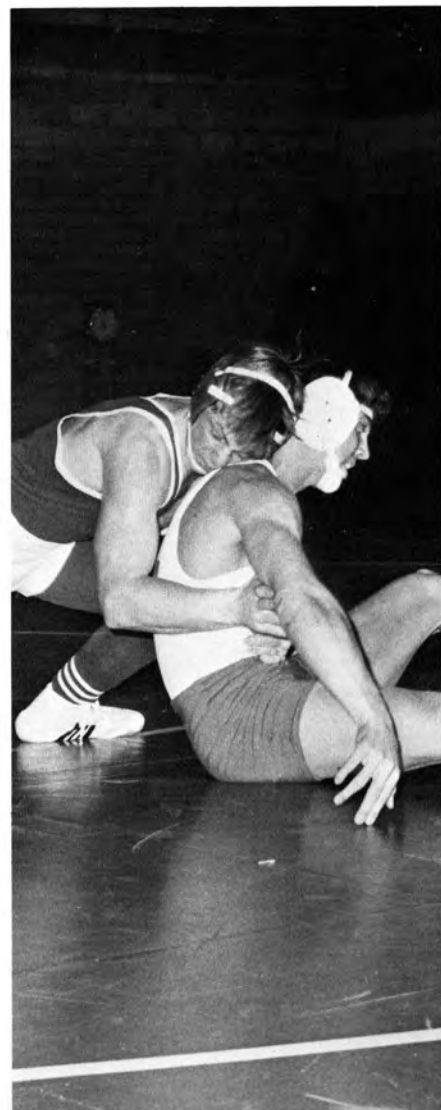

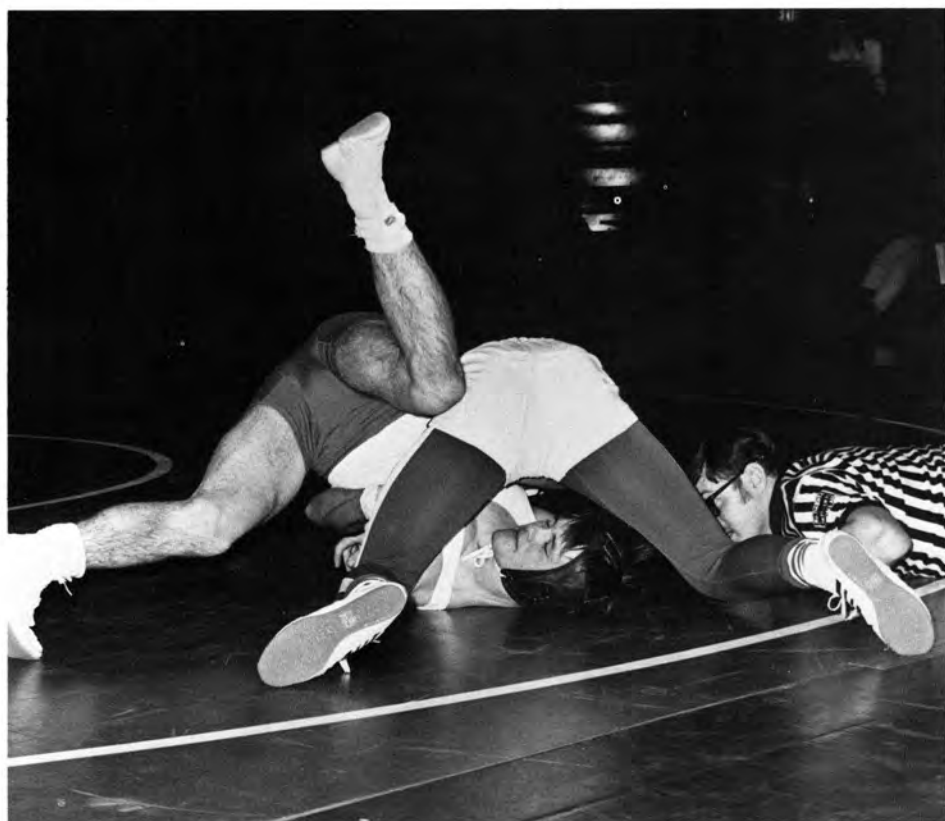

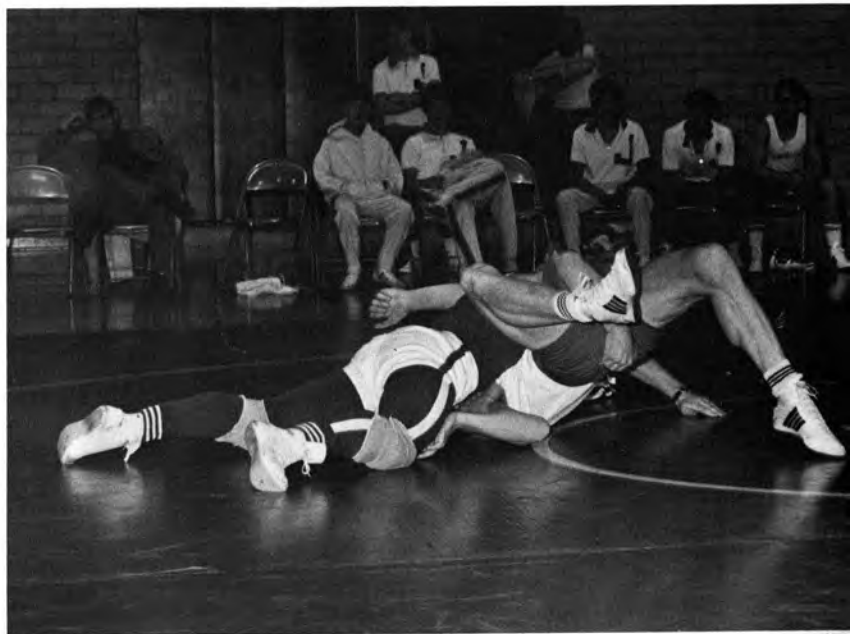

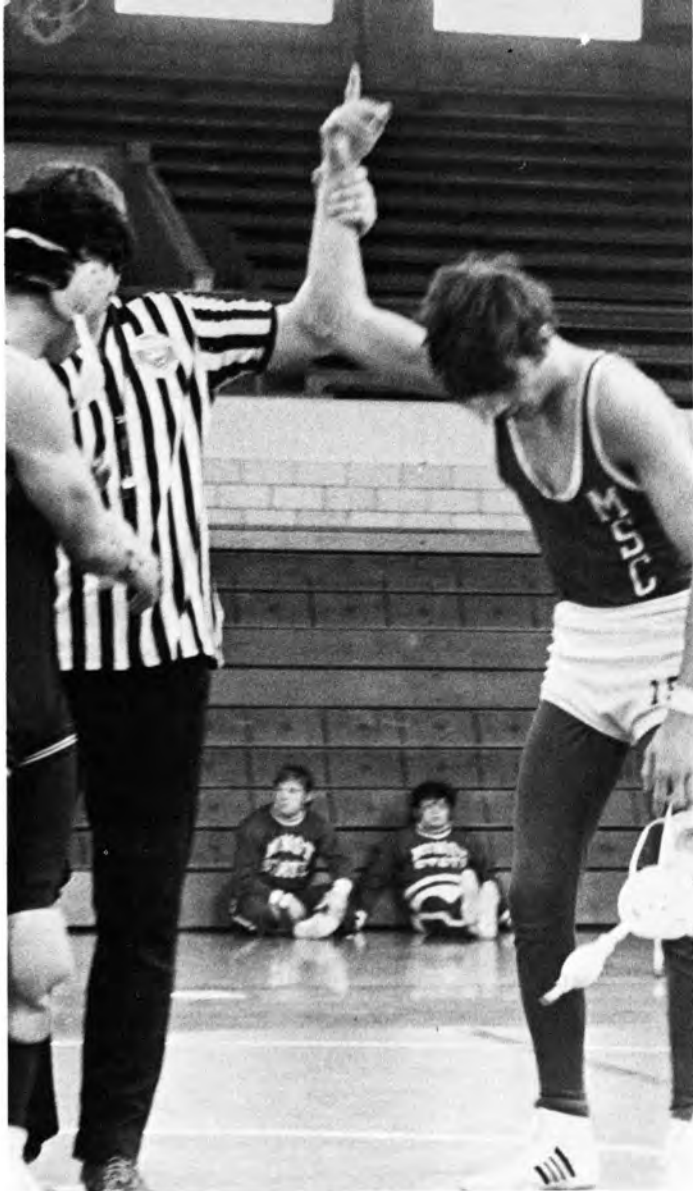

**Desire helps
team improve**

Kneeling: Tom Christen, Rich Cristen, Neil Bosch, Ken Vetter, Dan Holwegner, Iggi Weigel, Kevin Dougherty. **Standing:** Coach Bachmeier, Dave Stuart, Terry Mathson, Chuck Rhinhart, Leo Brunner, Merlin Martin, Jim Crooks, Paul Arnson, Lowell Romfo, Jim McIntyre.

MSC upends competition

change from a mediocre team to a contender, but the main answer probably lies in Coach Bachmeier himself. Bachmeier is an extremely competitive coach who has instilled in his matmen a strong desire for victory.

In compiling their 14-4 record the Beavers upended some very powerful and highly rated mat teams. Among these were the University of Alberta, supposedly the best collegiate team in Canada, and Ricks, ID, a previously unbeaten powerhouse from the Northwest region.

Conference title winners on the team were 150-pound Dan Halwegner, 177-pound Terry Mathson; and 190-pound Lowell Romfo. Valley City out-pointed the Beavers 80-78 for the Conference Crown.

Top: Maurice Hoover, Barb Mitchell, Gayla Tudahl. **Bottom:** Mary Seidlinger, Barb Esterby, Jeanne Heller. **Kneeling:** Coach Gary Leslie.

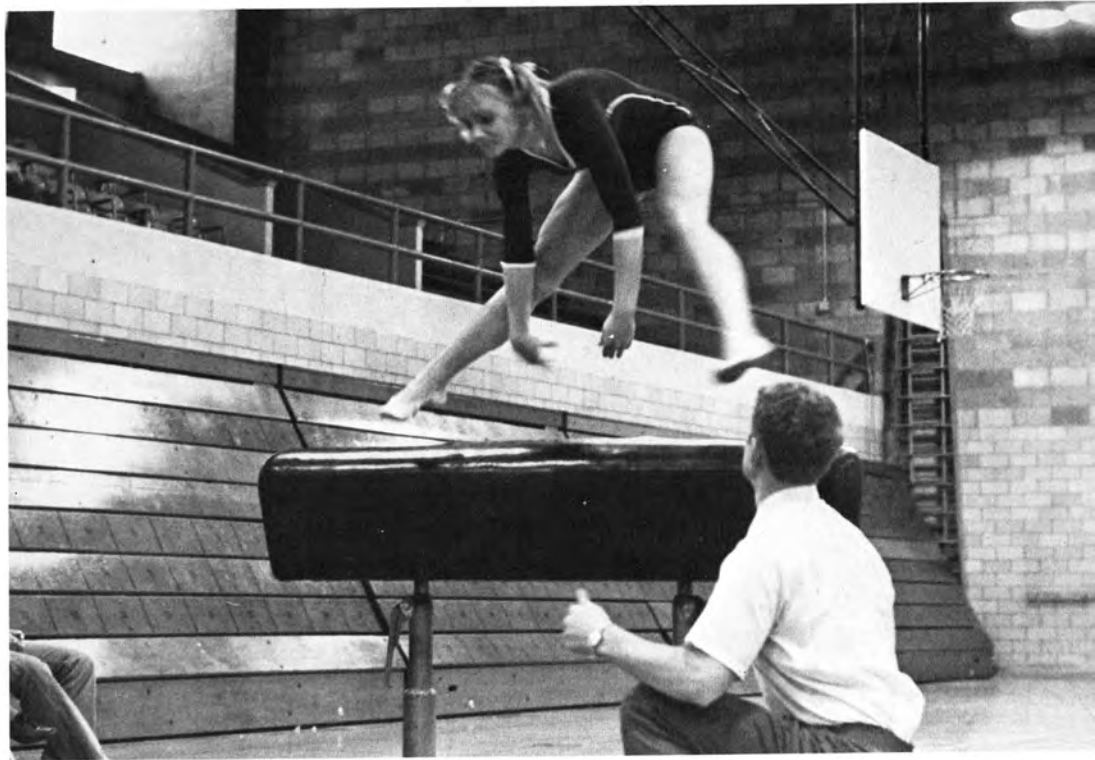

Coach calls squad good

Gymnastic Head Coach Gary Leslie didn't hesitate a moment when asked about his 1972 squad. "We have a strong possibility of qualifying team members for the national again this year."

In support of his statement Leslie pointed out that the team had compiled a 7-1 record thus far in competition and that while last year Barb Mitchell qualified for the national, this year's squad is much improved over last year's.

In their dual meets Minot outpointed Dickinson State twice, the University of North Dakota-Williston Branch twice, Bemidji State College, the University of Minnesota and Concordia College. Their only loss came at the hands of South Dakota State University by the narrow margin of 2.35 points. Top scorers were Barb Mitchell, Barb Esterby and Gayla Tudahl.

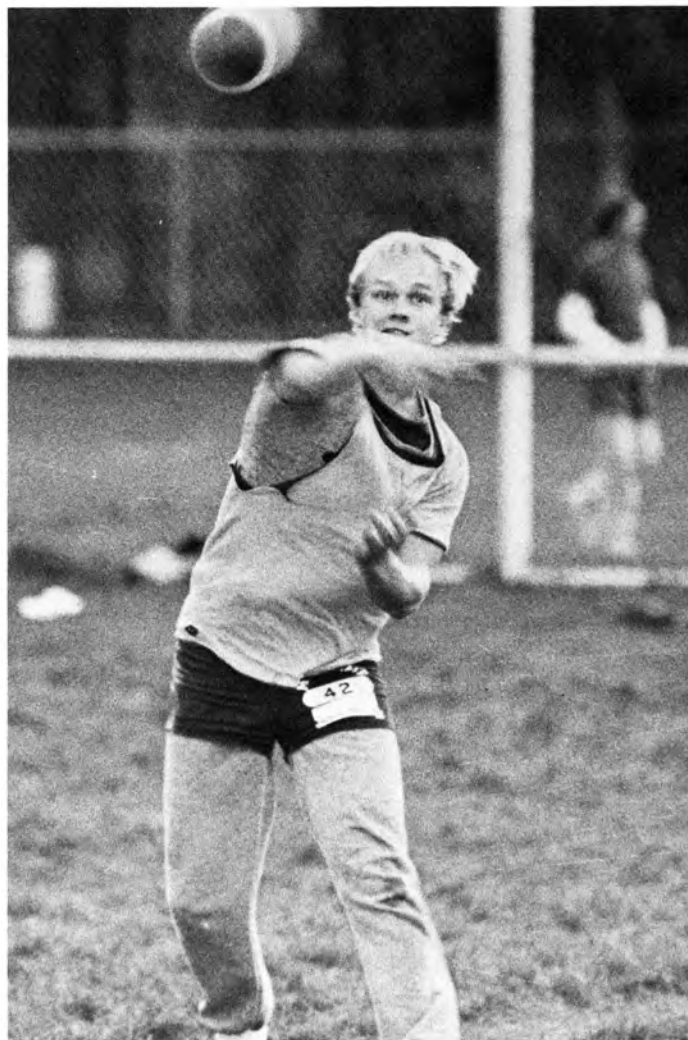

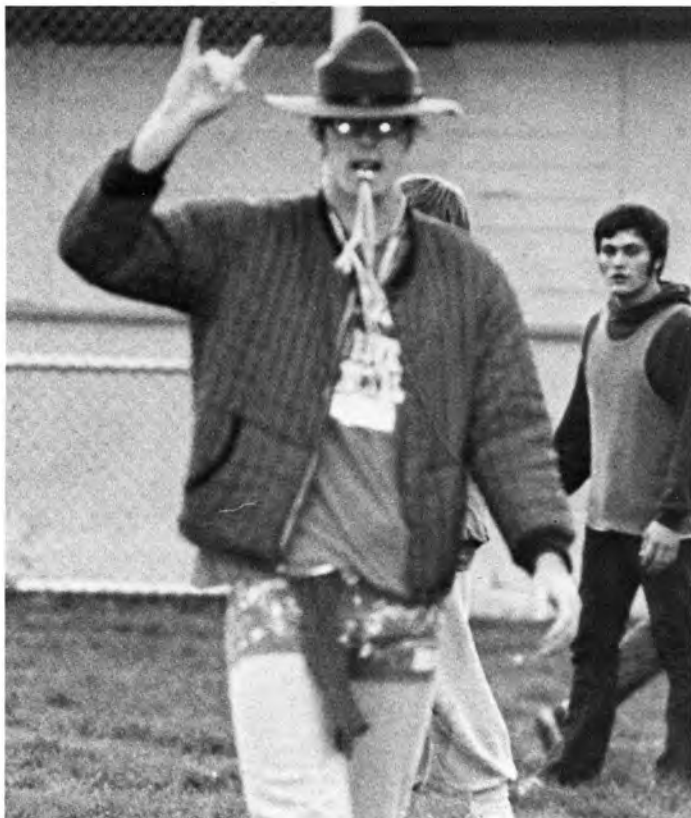

Program fits many needs

For the aging student who is afraid of becoming fat or has a desire to display his athletic abilities, the intramural program offers a chance to satisfy his physical needs.

Kathleen McCann, program director for women's intramurals, has set up a program that offers the coeds a well-balanced variety of athletic events. Volleyball, basketball and softball are a few of the sports that the women participate in each Monday night.

Men's intramurals consist of 10 different sports that usually start in the early fall with touch football and end

Winner gets points, trophy

in the late spring with softball. A trophy is given to the organization that accumulates the most points during the year. Wiley Wilson is the program director of men's intramurals.

In the past years the intramural program has proved to be a very successful and important part of Minot State College. It provides students with the chance to either stay in shape or get back in shape. Even if you're not concerned with keeping your body fit, you can still have a lot of fun and enjoyment by participating in the intramural program.

Council works to strengthen

Coordinating and sponsoring inter-Greek activities on campus is the primary duty of the Greek Council. The council consists of representatives from each social Greek organization. Through the sponsoring of inter-Greek activities council members try to lessen the tension and rivalry that exists between different Greek organizations and to coordinate a sense of unity and brotherhood among all Greeks. Council members are also interested in promoting better relationships between Greeks and independents.

The main activity sponsored by the Greek council is Greek week. This is a week that consists of inter-Greek parties, an all-college dance, picnics, athletic contests, games and a service project. The week is highlighted by the election of Greek god and goddess. The reigning goddess and god are Linda Mau and Dwight Enget.

Panhellenic sets unity

Organized for the purpose of acting as a governing body in strengthening the sororities and promoting improved campus relationships the Panhellenic Council serves to increase unity between sororities. The council is composed of junior and senior representatives and the president of each sorority.

Unity and good relations are created among the sororities and independents through such activities as picnics for all freshmen girls, the organizing of formal rush and sorority gatherings throughout the year.

IFC exists to govern

Interfraternity Council exists for the primary purpose of acting as a governing body among fraternities on the MSC Campus.

Duties of IFC range from setting dates for fraternity smokers and pledging to acting as arbitrator in any fraternity disputes. The main duty of the council is to create and maintain friendly relations between the fraternities on campus.

Kappa Delta Pi

promotes high standards

Kappa Delta Pi is a national co-educational honor society. The society exists for the purpose of honoring outstanding students who plan to teach, those who are distinguished contributors to education and working to the end that teaching may and should be an esteemed profession.

The society tries to encourage high professional, intellectual and personal standards in the field of education. Sandra Fretland, president, is as-

sisted by Jayne Grantier, vice president, Jill Flynn, treasurer, and Betty Larson, historian, in her attempt to help the honor society achieve its goals and ends.

In pursuit of its objectives, Kappa Delta Pi sponsors various lectures on subjects concerning education and the problems facing young educators of today. The honor society also sends delegates to its yearly convention.

ΦΣΠ

provides book exchange

Pi Sigma Pi, a men's national honorary fraternity, offered a new and valuable service to MSC students this past year, that of a book exchange. Set up to help all MSC students fight the rising costs of education, the exchange was well received by the students and benefited those who participated in it.

Other interests of Phi Sigma Pi members include the recognition of student scholastic success and instilling in its members a strong interest in education.

Representing the fraternity at its national convention in Washington, DC, was Robert Valer.

Pi Omega Pi open to 3.00

One of the more selective business fraternities on campus is Pi Omega Pi. This honorary fraternity is open only to those students who have a 3.00 average in their business major on a four point grading system.

This fraternity seeks to unite business students of high scholastic achievement in an attempt to promote the progress of the business profession.

To develop leadership

To develop business leadership, create more interest in business occupations, encourage thrift, improve standards for entrance into business occupations and develop self-confidence are the purposes of Phi Beta Lambda.

The business fraternity tries to achieve these goals through participation in state and national leadership conferences, by bringing in guest speakers and through community service projects.

Science sets interests

How would you like to be a member of Beta Gamma Phi? You can! Beta Gamma Phi is composed of science majors and minors from different fields of science and any non science major who is interested in joining.

Activities for Beta Gamma Phi proposed were a spring trip to Kansas City, KS, the science division picnic in the spring and a tour of the missile site at Minot Air Force Base.

Weekly lectures are included in the activities of the club.

Beta Gamma Phi stresses interest in science by combining faculty lectures with student get-togethers.

Kappa Pi sponsors shows

Kappa Pi is the national art fraternity on campus and has been quite active this year.

Activities throughout the year include the annual all-city art show which is sponsored by Kappa Pi that anyone may enter. They also have an annual trip to Minneapolis where they tour art galleries and the University of Minnesota.

Kappa gives \$50.00 to a worthy person of an art scholarship per quarter. They also participated in a Kappa Pi art sale in the Town and Country Mall. People who participated did quite well in selling their art pieces.

Sigma Alpha Eta fosters interest in speech field

The local chapter of Sigma Alpha Eta, a national society for students majoring in speech pathology and/or audiology, is a newly formed organization at Minot State College. As a part of the monthly meetings, which are the first Thursday of each month, guest lecturers from the college and the surrounding communities have

contributed to the program. The organization also helped to send members to the 1971 national convention of the American Speech and Hearing Association in Chicago in November.

The organization is concerned with creating and stimulating interest among students in speech pathology, audiology, and education of the

acoustically handicapped, providing learning experiences not offered in the regular curriculum, fostering a spirit of unity between students and faculty and participating in activities with other college and university departments interested in knowing more about these fields in special education.

MSC establishes first chapter

North Dakota's first chapter of Lambda Alpha Epsilon, a national law enforcement fraternity, was established this year at Minot State.

Alpha Omega chapter was organized to promote student participation in law enforcement activities and to the advancement of professional administration of criminal justice. Members hope to make law enforcement more of a profession rather than a vocation.

Membership in Lambda Alpha Epsilon is open to all students majoring in law enforcement and to all non-students who are engaged in the administration of criminal justice.

The agenda for Minot State's Psychology Club has included talks and trips to different areas.

Some of the trips have included a visit to the Heartview Alcoholic treatment center in Mandan; the Awareness House (Drug treatment Center), Bismarck; field trips to Grafton State School; and the State Penitentiary in Bismarck.

The Psychology Club exists to give anyone interested a broader and more comprehensive view of the subject. Speakers, discussion and state community work give members a more complete view than can be obtained in the classroom.

One of the goals of the local club is to bring experimental equipment to supplement that which the division now owns. Another is a lecture series on psychological problems and human behavior.

Goals outline operations

The long range goal and purposes of the Business Administration Club are to further knowledge and understanding of various business fields and vocations. The promotion of professional relationships among students, faculty and businessmen and to introduce its members to college graduate programs.

During the year businessmen from the community are invited to speak about various functions of business that the club members are interested in. The club also takes field trips to different businesses of interest to the members.

Hestia aims set high

Hestia, the organization for broadening the interests of girls in the field of home economics, has monthly meetings featuring many areas of interest. Some of these topics include the drug problem, crafts, grooming, juvenile problems, dietetics and many other fields.

To further the goals of Home Economics at Minot State is one of the main goals of Hestia. It also provides a social outlet for the girls and an opportunity for pre-professional organization.

CEC bids for interest

The Student Council for Exceptional Children is an organization of students who are interested in the development and advancement of the special education field. Meetings are held on a monthly basis and membership is open to all interested persons.

Among the many activities of CEC are inviting guest speakers to lecture, showing films, taking tours and helping raise money for the vocational workshop.

Members attended the regional CEC convention in Sioux Falls, SD, and the state CEC convention in Bismarck.

SEA promotes profession

Student Education Association is a professional organization for those preparing to enter the field of teaching in the near future. The objectives of MSC SEA are to promote ideals and purposes of education by providing opportunities. These opportunities include: personal growth, leadership training, experience and practicing ideals and ethics of the teaching profession.

MSC SEA worked on many educational and entertaining activities this year. They participated in the Homecoming activities by entering a float in the parade.

Topics discussed this year via panel discussions, speakers, etc., were: college curriculum relevancy; student teaching; job opportunities, negotiations and contracts.

The Minot State College French Club is active in inter-cultural exchanges in the college and community. A main event of the club year is the International Christmas Festival.

December 13, 1971, the following groups met in the ballroom of the Student Union to portray Christmas in skits and songs: Minot State French Club; German Classes of Minot State; Bishop Ryan High School German Club; New Town High School German Club; and Minot High School French Club.

Other programs included a slide talk on a trip to Paris by Mrs. Suzanne Larson, teacher of French at Minot High School; lecture on Switzerland by Kurt Nyffenegger, Amity Institute supplementary teacher of German at Minot high; lecture on French art by Floyd Fairweather, associate professor of humanities, Minot State College; a film on the life of Francois Villon, medieval French poet; and a French dinner at the home of Mrs. C. F. Cranston, member of the French Club.

Phi Mu sees music as art

To a member of Phi Mu Alpha Sinfonia music is an art of creativity which should be a source of enrichment for the human spirit. In their drive to strengthen the music enrichment of others, members set high standards for themselves and their profession.

Each year the fraternity sponsors a nationwide composition contest for graduate and undergraduate members. Also planned is a nationwide record composium in the area of small ensembles for graduate and undergraduate students.

MENC coordinates musical activities

Minot State chapter of Music Educators National Conference tries to instill in its members an understanding of the relationships existing between music and other areas of human endeavor.

The chapter tries to create an attitude to discriminate with respect to music and to enable music to be a means of self-expression.

Each year MENC awards music scholarships to freshmen with music potential. The chapter also helps coordinate various music festivals and contests at MSC throughout the year.

The MSC chapter also sends two delegates each year to the national MENC convention.

SAI offers scholarships

Sigma Alpha Iota is the women's counterpart to Sinfonia, a men's musical fraternity. The women of SAI must either be music majors or minors and meet set scholastic requirements before they can join this musical fraternity for women.

Through the offering of scholarships to interested women in music, musical recitals and musical therapy, the women of SAI contribute to the progress of their musical profession. As a musical fraternity they also try to instill in others a deeper appreciation of the musical world.

Med Techs promote career

The Medical Technology Club is now operating under the newly formed division of allied health professions. It is bringing together medical technologists to inform them more completely about their chosen career.

A question and answer session with four of the interning seniors provided an insight into the responsibilities and duties of a Medical Technologist.

The highlight of the year was the annual spring trip taken during winter quarter break. This year the club went to Minneapolis and Rochester, MN. Here they visited Mayo Clinic's lab and research facilities. They also visited the Northwest Institute of Medical Laboratory Technique and other points of interest.

Nursing sees status outcome

In its three years of existence at Minot State College, the Nursing Club has become actively associated with the North Dakota Student Nursing Association and also attended the North Dakota State Nursing Convention. In campus affairs the club has participated in fund-raising projects, Homecoming and various other student activities.

The Nursing Club has been in existence since the baccalaureate program came into being in 1969. Under this program the students can earn a bachelor of science degree in nursing and will then be prepared for licensure as an RN.

Speakers, trips serve as sources

Minot State's Geology Club is an organization that seeks to better acquaint its members with the geology of North Dakota and the surrounding areas.

Field trips and guest speakers provide the main sources of knowledge for the Geology Club members. Various field trips are taken to Montana, Black Hills and eastern North Dakota. Main guest speakers heard by the club this year were Thomas A. Gwynn and John Thompson.

In order to finance their field trips members sponsor different fund raising projects throughout the school year.

CIRUNA works

The Council of International Relations and United Nations Association, CIRUNA, is a national organization made up of students interested in promoting world peace, understanding and development.

The CIRUNA chapter at MSC is comprised of students from all divisions working together to increase their knowledge of the world and its most serious problems.

Every year the students' work is culminated by taking part in the International Peace Garden Conference which is co-sponsored with Brandon University, Brandon, Manitoba, and Minot State College. CIRUNA members also take part in a model United Nations at Madison, Wisconsin. At these gatherings the students put into action the knowledge which they have gained through CIRUNA.

Indians set own goals

Minot State's newest campus organization is the MSC Indian Club. The club was formed for the purpose of creating an effective working relationship between the Indian community and the college.

Members try to increase faculty and campus awareness as to the uniqueness of the North Dakota Indian. Also of interest to members are Indian and non-Indian cultures, as well as counseling, guidance, and tutorial programs for Indian students.

Two types of membership are offered by the club. Regular membership may be attained by any student who has at least ¼ Indian blood. Associate membership is reserved for those students who are interested in furthering the goals of the club.

WRA stresses activities

The Women's Recreation Association is composed of women throughout campus with or without majors or minors in physical education.

The main purpose of WRA is to provide an opportunity for all campus women to take an active part in recreational activities.

One of the big projects of the year is to sponsor a high school girls play day to expose the girls to a wide variety of physical education and recreation activities. About 350 girls attend these events. Another important purpose is to help them become acquainted with MSC.

Other activities include the annual camping trip, powder puff football games and state sports for the state WRA.

Lettermen set goal

Tom Christen, President
 Dave Greenwood, Vice President
 Curt Zimbelman, Secretary
 Tom Heckaman, Treasurer
 Lowell Romfo, Sergeant-at-Arms

The main goal of the Lettermen's "M" Club at Minot State College is to award deserving athletes. The club has been very successful in this area in past years. This is evidenced by the excellent athletic teams MSC fields each year.

The objective of the "M" club is to maintain a good community standing. In the past the club has helped out with the winter festival and has aided the less fortunate. Each year the Lettermen continue to serve the public by selling concessions at all Beaver home athletic events.

Ensemble gives jazz emphasis

The emphasis of the Jazz Ensemble is to study and perform music of the Jazz idiom — styles ranging from the big band era of the thirties, blues, rock, and the "new" jazz of the 70's. Through presenting their type of music to the public the ensemble has been actively contributing to the cultural enjoyment of the students at MSC and the Minot area.

Some of the ensemble's activities include various concerts on campus, the sponsoring of a jazz festival and clinic and touring public schools in the North Dakota and Montana areas.

The MSC Jazz Ensemble is under the direction of Gerald Poe.

Band performs in Winnipeg

A trip to Winnipeg, Manitoba, and their halftime performance there at the Winnipeg Blue Bomber Football game marked the highlight for the MSC Beaver Marching Band.

The Marching Band also thrilled MSC students with their dazzling halftime shows at all MSC home football games.

After marching season is over students are able to audition for the Concert Band, which provides students an opportunity to play in an instrumental group.

Each year the Concert Band per-

Vagabonds see popularity

One of the most popular vocal groups on campus at MSC is the Vagabonds, an all men's chorus. The group performs music of the modern era, ranging in style from spirituals to popular Broadway hits.

Dr. Joseph Hegstad, director, added a touch of spice to the group this year with the addition of the Wayfarers and Barbershop quartets. These two groups are composed of members of the Vagabonds and provide an added source of enjoyment for their listeners.

Activities participated in by the Vagabonds include halftime at several basketball games, concerts, an annual spring tour and various concerts for local community organizations.

Chorus offers music variety

Any woman who enjoys singing can join John J. Spoelstra's Women's Chorus. She has the advantage of singing with others who are interested in music. The selection of various types of music gives each member a chance to become acquainted with many types of music and gives her a chance to express herself. There are selections that everyone can enjoy.

Each year the Women's Chorus performs for the Christmas convocation, the annual Christmas Choral vespers, **The Messiah**, music clinics at MSC, and other scheduled events.

After a year of practice the chorus gives their annual spring concert and embarks on tour. They travel to various schools throughout the state and Canada.

Satisfaction is definitely gained through being a part of an organization that lets one express herself in her favorite mode of music.

Participation is key . . .

Presenting MSC students and the community with a sample of choral music is the primary objective of the Concert Choir. Through participation in **The Messiah**, Christmas Choral Vespers, concerts and an annual tour, members are given a good chance to acquaint the public with their music.

Concert choir is open to both music majors and non-majors and allows music students the chance to observe, practice and participate in choral procedures which they can use once they get into the teaching profession.

Orchestra synchronizes activities

The Minot Symphony Orchestra, a college community organization, is composed of 65 musicians in the college and community, interested in performing symphonic music.

The orchestra is one of three fully instrumented symphonic orchestras in the state of North Dakota. The other two are in Grand Forks and Fargo.

The season of 1971-72 opened with the second annual Children's Concert

October 23, 1971, with four other concerts for the regular subscription season. Something new this year was the "pops" concert on February 27, 1972, combining the Minot Symphony Orchestra and the Nordakords, the local chapter of a national association of barbershop quartet singers.

Soloists this year with the orchestra were Paul Lyddon, piano; Virginia Geesaman, violin; Jean Eades, double bass; Kathy Henjum, soprano;

and Joseph Hegstad, narrator for an orchestral fairy tale: PETER AND THE WOLF. A highlight for the orchestra was a performance of the Shostakovich SYMPHONY NO. 6 in the concert of January 9, 1972.

The Minot Symphony Orchestra is assisted by the North Dakota Council on Arts and Humanities and the people of Minot and the surrounding area.

Club backs Little Stampede

Participating in collegiate rodeos, practice sessions, community projects, games day and an all-girls roping team are some of the main activities of the MSC Rodeo Club. Another major event which the club sponsors is the annual MSC Stampede.

The primary purpose of the Little Stampede is to encourage participation in the Rodeo Club.

The Rodeo Club also hopes to promote interest in their group by representing MSC in national intercollegiate rodeos.

Vets get representation

Determination and voting strength were well utilized by the Vets Club as they proceeded to capture three of the nine voting offices in the election for division senators. Elected to office were Jim Frank, Business Division; Vince Schettino, Special Education; and Collin Dobrovolsky, Education and Psychology.

Besides being actively involved in campus affairs, members of the Vets Club also strive to promote the patriotic ideals of the community.

Newman stresses spiritual growth

Through group discussions on morality and life, retreats and daily masses the Newman Club tries to provide spiritual growth and a better understanding of the church for its members. Members are also given the opportunity to question their faith directly in their quest for a better understanding of their own faith and the faith of others.

Of special importance to the members is the Wednesday evening liturgical celebration and the retreats its members attend.

I-V emphasizes fellowship

Inter Varsity emphasizes fellowship in the small and large group situation. Weekly meetings are held with key speakers talking on the Christian faith as it is pertinent to the college student. There are two weekend conference camps per year and a variety of social events.

The chapter has three primary purposes. The call of foreign missions is exposed to help students see God's

role for them at home or abroad in world evangelism.

Important to Christian growth is the purpose of strengthening the spiritual life of students. Fellowship with Bible study and prayer is a basic ingredient.

The third purpose is to witness for Jesus Christ, of how He relates to the living through a personal relationship to Him.

Service begins year's activities

A sunset communion service atop a hill in the Souris River Valley initiated the year for the Lutheran Student Movement. This service was carried over into regular Monday night communion services.

LSM members also formed the "Reflections," a gospel team which carried its musical message to many area churches and also to some churches in Canada. Other activities included a trip to St. Paul, MN., an all night marathon and a spring retreat.

R and G gets into items of controversy

The Red and Green this year included controversial topics in the paper such as politics, the draft, "Jesus Christ Superstar," school bussing, obscenity, involvement of the student body, voting, youth power, coed housing, evaluation of teachers, payment of SA president and vice president's tuition, conservative Leslie Clark Stevens' visit on campus, the school prayer amendment, Link's visit to campus, division senate elections, a switch from the quarter system to the semester system, and many more interesting topics.

The paper was edited by Paul Lee, who received help from last year's editor, Kent Hjelmstad, along with Connie Combest who were financial

managers for the paper this year.

Joyce Olson and Albert Burnham covered many feature stories. Mrs. Olson covered stories from the drama department and the Experimental College as well as from the Literature and Language division and many others. Burnham covered many controversial stories.

Sports editors were John Aberle and Chuck Rhinhart. Their coverage kept MSC students up to date on all areas of athletics.

Mrs. Muriel Turner aided the staff immensely through proofreading, headline writing, assignment writing and in many other areas.

All in all, the Red and Green did have a good year, despite the small staff.

Berman helps start season

The pride of Minot State College is the new outdoor amphitheatre located directly north of the main campus. It was the privilege of the 1971 Summer Musical Theatre company to inaugurate this new facility with Shelley Berman as guest artist in the first production — **Fiddler on the Roof**.

An expanded company of 35, under the skillful direction of Thomas Turner and Kenn Robbins, presented a sparkling season of musical ethnic avenues.

Capacity audiences braved the erratic weather and gave courage to the company who fought the results of a mud slide before the opening night performance.

Fiddler on the Roof

Stop the World

Cabaret

Program sees expansion

An expanded program of practical experience was offered to Minot State College students in drama and speech during 1971-72.

The Campus Players sponsored four major productions of contrasting styles and subject matter — **Ah, Wilderness**, **The Rimers of Eldritch**, **Richard III** and **The Knock**.

An active forensics program, launched under the guidance of Kenn Robbins, entered teams in four regional meets. Areas of preparation

Ah, Wilderness

Drama adds new feature

were oral interpretation, readers theatre, oratory, rhetorical criticism, after dinner speaking and radio newscasting.

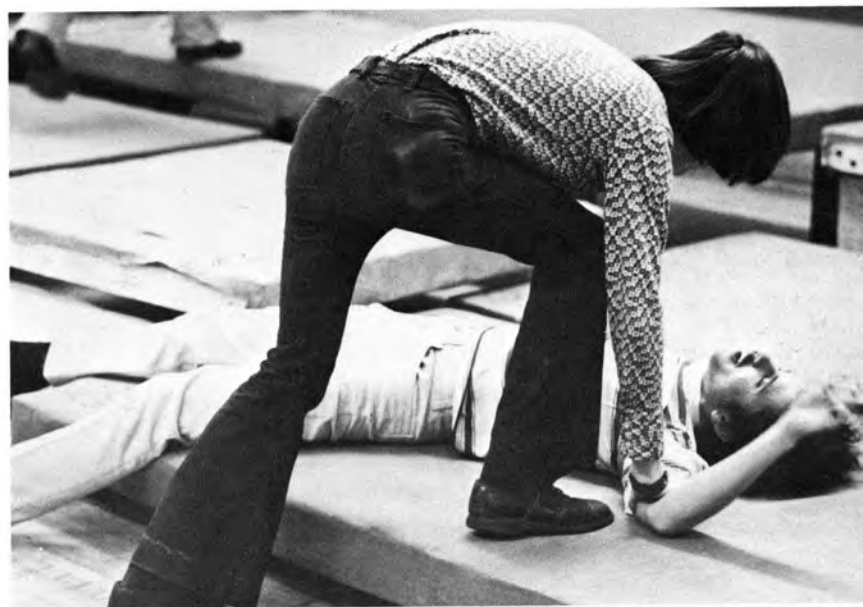

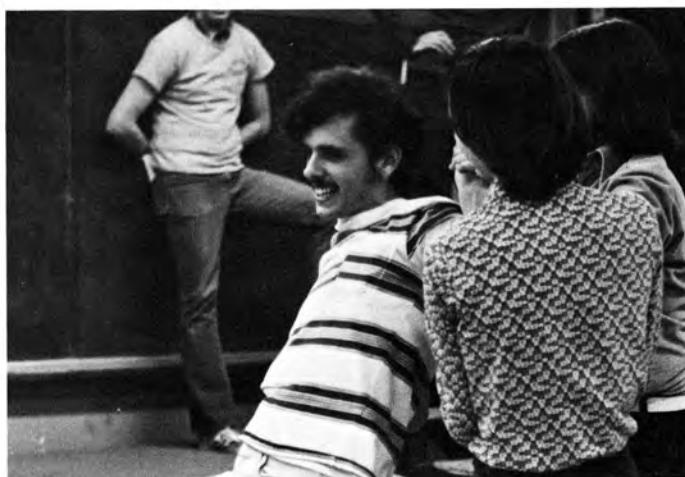

Another new feature this year was a series of symposiums and workshops presented in conjunction with the major theatre productions. Special guest lecturer on Avante-Garde theatre was Dr. Dale Huffington of the University of Minnesota.

In addition to the on campus activities Campus Players sponsored two

The Rimers of Eldritch

Richard III

trips to Minneapolis where participants viewed a variety of theatre selections and toured several professional facilities there.

Some of the money for the special trips was earned through work projects of the Campus Players and Alpha Psi Omega.

To further allow students to utilize their classroom training members of Campus Players presented short scenes from plays of their choice at the regular monthly meetings.

Academics

Our progress as a nation can be no swifter than our progress in education. The human mind is our fundamental resource.

John F. Kennedy

Dr. Gordon B. Olson, President of the College

MSC plans new facility

According to President Olson the college has started preliminary plans for a \$800,000 classroom facility.

The President and others on campus have been working on the curricular offerings, the new Program and Experimental college. They seem well underway.

A broader base of offerings for students of this area is planned. The area of business education, as well as other areas, will be strengthened Olson said.

Business administration majors will have several areas of concentration available to them under new plans.

Recently approved were minors in health and coaching. A major was approved in earth science.

President Gordon B. Olson oversees these changes and many other developments on campus.

SA works with students

The Student Association, to which all registered college students are automatically members, provides direct popular government in matters pertaining to student affairs and problems.

Student Association president Blaine Van Berkom stresses that students get out of the SA only what

OFFICERS — Seated: Merry Carol Colvert, Blaine Van Berkom, Terri Siemers. Standing: Bill Edwards, Terry Vandal, Terry Merck, Rod Settlemyer.

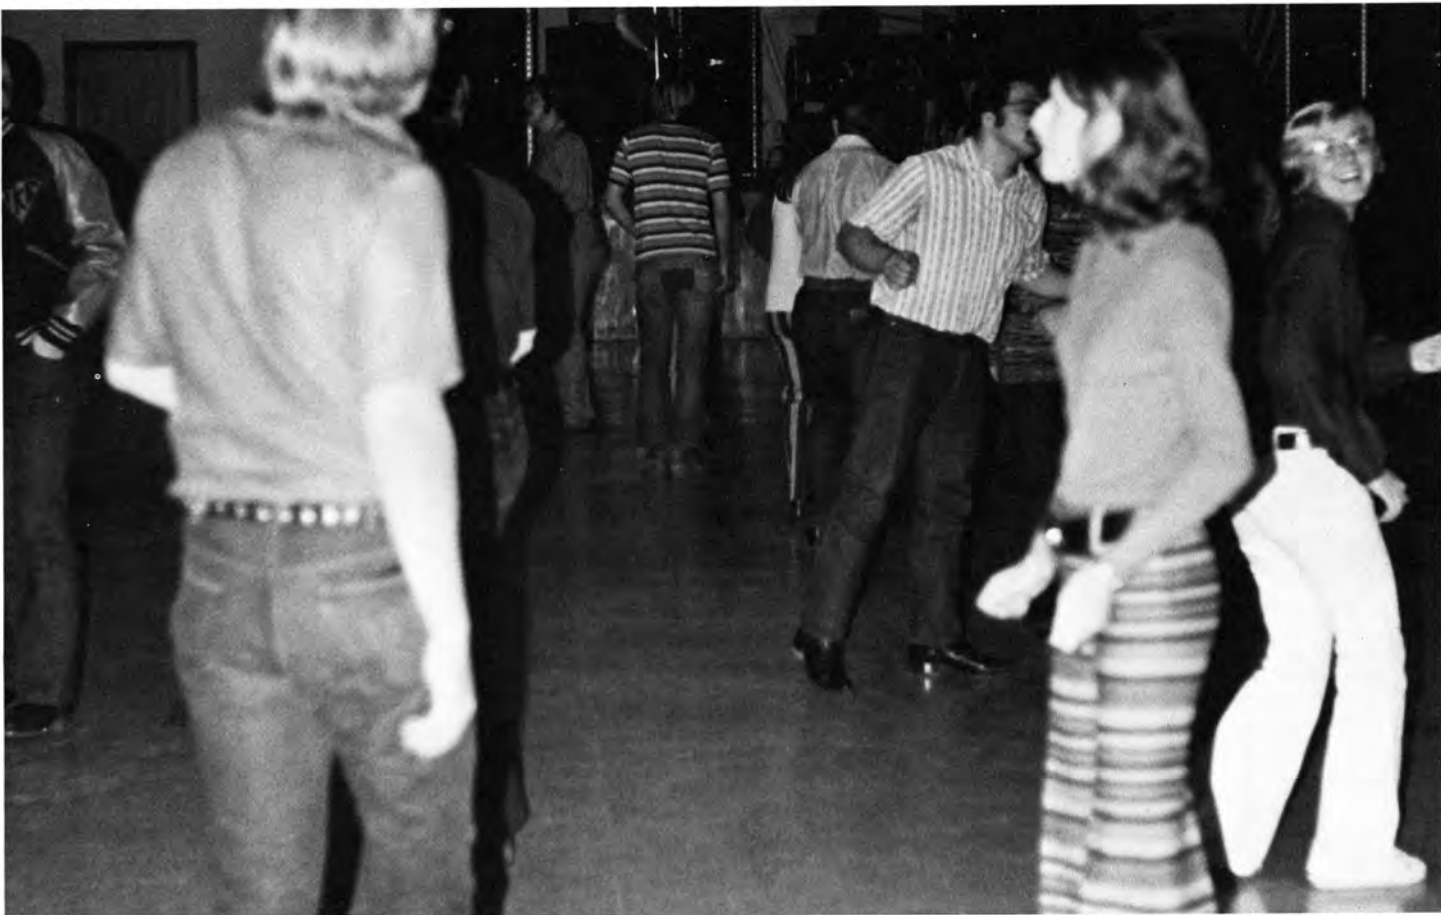

PROGRAM BOARD — Left to right: Dan Mathis, Larry Bingaman, Kent Hjelmstad, Scott Gannaway, Mark Turner, Darryl Anderson, Rich Campbell, Debbie Steig, Terry Vandal, Collin Dobrovolny, Don Hummel, Dave Stern, Jim Froeber, Harold Nelson, Tom Groutt, Dwight Enget.

they put into it.

The SA encouraged students to take an active part in the college and suggested that the students will profit themselves and their school by their participation.

The success of the SA correlates with close contact between the students and their governing body, the SA.

Seated: Bev Berg, Shelley Lund, Vicki Bonsness, Maxine Turner. **Standing:** Kerry Bacon, Gary Neuharth, Gary Mickelson, Don Hummel.

Art gallery adds prints

The fine and applied arts division has expanded the art curriculum which allows the art major to take up to 79 hours. It has also set up double periods for all of the art studio labs.

Sidney Chabetz, print maker from Ohio State University, and Robert Indiana, prominent pop artist, have given two prints to the division's permanent collection.

Miss Evelyn Allen, head of the home economics department, is the state chairman for the committee on aging for the North Dakota home economics association.

During winter quarter, the most popular course in the home ec department is the play school.

Division program progressing well

The new two-year legal secretarial program is progressing well in the business education division. The curriculum will be expanded to satisfy needs of the students desiring a background in accounting, management and marketing.

Dr. Dale Atwood and Miss Doris Slaaten are now working on Phase II in preparing a field manual for vocational office education in the state. Phase II will consist of coordination and evaluation of office educational checklists.

A follow-up study of the graduates of the last three years has been done. This study was summarized and will be utilized for future curriculum improvement.

Division offers new minor

The division of education and psychology has organized and is now offering a new minor in driver education. The National Highway Traffic Safety Program through the North Dakota State Highway Department has awarded a grant to the division to finance a driver's practice range and to purchase needed equipment.

The grant will make it possible for the division to operate a driver education institute during the 1972 summer session. About 25 driver education teachers from North Dakota High Schools will be selected to participate in the institute. Stipends of \$75.00 a week will be awarded to the

I-M highlights activities here

In the division of health and physical education one of the major high-points of all seasons is the intramural program. This includes a program for both the men and women. Activities include football, basketball, volleyball, swimming, track, wrestling, badminton and tennis for men and basketball and volleyball for women.

Women's Recreation Association had its annual playday during April. This is a day that is set aside for all high school students who wish to participate in activities such as volleyball, dancing, billiards, swimming and tumbling.

The women's association student loan fund is available to senior women majoring in physical education or to active WRA members. It totals \$198.50.

Chance writes Symphony

John Barnes Chance was commissioned this past year by Northwest Piano Company of Minot to write an extensive composition for the Minot State College wind ensemble. The composition was entitled Symphony No. 2. It was performed at MSC by the wind ensemble under the direction of Jere Freyett November 12, 1972.

Jere Fryett directed the MSC bands this year. The marching band performed at halftime at a Blue Bombers football game in Winnipeg last fall. The bank received accolades from Winnipeg Free Press after their performance telling them it was the best halftime show all year.

The MSC opera went on tour. The two operas they performed were "The Abduction from the Seraglio" by Mozart and "The Merry Wives of Windsor" by Otto Nicolai.

New Program makes debut

An important facet of the operation of the division of literature and language this year is the New Program. By enrolling in this program under a concentrated procedure, students may get all of their freshman English and one of their humanities covered in one quarter.

Robert Scheeler, who heads the program, stated, "The New Program is an opportunity for students when they come to learn to use their minds." Faculty and students work together on a close personal basis; they succeed in achieving a real sense of community as they confront the world of ideas in the books they study.

New staff members in the division of literature and language this year are Gary Gordon, English, and Kenneth Robbins, new technical director of theater.

Teachers receive doctorates

In the division of social science N. Manvel Lillehaugen and John R. M. Wilson received their doctorates last spring. W. N. Stockman received his doctorate in December.

Miss Kathy Lemmerman, an addition to social science, did most of her work in the Experimental College this past year.

The law enforcement program saw an enrollment increase. Enrollment went from 10 to 50 in this area.

Among institutes scheduled by the division on campus during the year were an international relations institute the first week in November; a consumer economics institute in December; and an Indian problems institute during the winter quarter.

Division keeps on growing

The only division on campus with a graduate program is growing steadily each year. Students in the division of special education can attain masters degrees in speech pathology and audiology, and education of the deaf.

The new director of the speech and hearing clinic is Dr. Gordon F. Holloway.

Gerald Knapp is an audiologist new to the division of special education. Also new is Gene Anthony, a speech pathologist, who is in charge of the language nursery.

College makes 'new' plans

The Experimental College, new to Minot State College, is a flexible two year general education program, open to all students, regardless of their majors, and a four year earth science teacher preparation program. The Experimental College offers its students a "significant and personal intellectual experience" and permits continued academic experiences in

the context of contemporary problems and change.

The general education experiences in the experimental college center about the themes "Environmental Science" and "The Development and Survival of Civilization." Minot State College is the only college that offers this particular curriculum and the only college that puts a strong emphasis on science.

The faculty are drawn from various disciplines, including earth science, literature, economics, humanities, biology, mathematics, psychology and American studies, in an attempt to give students exposure to many disciplines before beginning work in their major fields.

Groups work on facilities

In the campus school this year the special education students were combined with the fourth grade room

Campus school functioned as a laboratory school at MSC this year as in past years. It is constantly evaluated as to working conditions, laboratory setups and classroom procedures.

The Minot State College library strove to serve students, faculty and staff. With extended and coordinated facilities, an optimum setup for use was arrived at and used.

Campus school are seated: Mrs. Cheryl Poe, Mrs. Mae McKinley, Mrs. Marjorie Olson, Mrs. Ruth Norem, Jane Wood, Mrs. Florine Engel, Mrs. Virginia Geesaman. **Standing:** Mrs. Lola Dokken, Mrs. Beverly Haas, Dr. Joseph Wax, director; Ralph Charley, Sandra Schjeldahl, Mrs. Veronica Grimes, Mrs. Patricia Swanson, Rick Hovda, Robert Smith.

Left to right: L. E. Whiting, Mrs. Kay Bohara, Mrs. Peggy Wiese, Mrs. Marilynn Anderson, Mrs. Jennifer Mayer, George Clark, Mrs. Donna Sandeen, Mrs. Georgie Hager, Mrs. Linda Holdman, Carol Swenson, Raymond Chu.

Classes

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away.

Henry David Thoreau

Class of '72 looks to future with 4 years now completed

LINDA N. AABERG, Williston. Elementary Education; Physical Education. Kappa Delta Pi, SEA, Honor Marshall.

CARMEN A. AASHEIM, Souris. Speech Pathology; Psychology, Elementary Education; Remedial Reading Concentration. Sigma Alpha Eta, Women's Recreation Association.

GRANT L. AASMUNDSTAD, Devils Lake. English.

ROBERT J. ADAMS, Atlanta, GA. Social Science; English, Sociology, History and Philosophy Concentrations.

GREG E. AMUNDSON, Minot. Physical Education; Business Education. Lettermen's "M" Club, Football, Baseball, SEA.

CONNIE J. ANDERSON, Minot. Social Science; Sociology. Farmers Union Young Adults vice president, Rodeo Club secretary, SEA, Young Democrats.

DARRYL W. ANDERSON, Des Lacs. Business Administration; Special Education, Psychology, Accounting Concentrations. Business Administration Club, Mu Sigma Tau, Student Association.

JAY C. ANDERSON, Jamestown. Business Administration; Psychology, Social Science, Sociology Concentrations. Mu Sigma Tau.

MICHAEL T. ANDERSON, Minot. Physical Education; Art. Mu Sigma Tau.

MICHAEL W. ANDERSON, Williston. History; German, English, Accounting Concentrations.

DENNIS L. ANDRESON, Norwich. Elementary Education, Special Education (MR). Tau Kappa Epsilon.

GREGORY A. AUCH, Parshall. Physical Education, History. Sigma Tau Gamma.

GARY E. AXNESS, Carpio. Biology; Chemistry. Beaver, IVCF, Med Tech Club, Phi Sigma Pi president, SEA, Vagabonds.

MARK S. AXTMAN, Rugby. Social Science; Physical Education. Greek Council, Interfraternity Council, Tau Kappa Epsilon vice president.

KERRY W. BACON, Granville. Fine Arts; Business Education. College Band, Greek Council president, Student Association, Tau Kappa Epsilon.

**Wisdom is to learn to live
with ourselves and others.**

and sometimes
i wanted to be alone
to escape the others
i looked for a glimpse
of my own
reflection
solitude
a wonder
of ideas
memories
dreams
i sought the personal
the unique
and found myself changing
