Dedicated to . . .

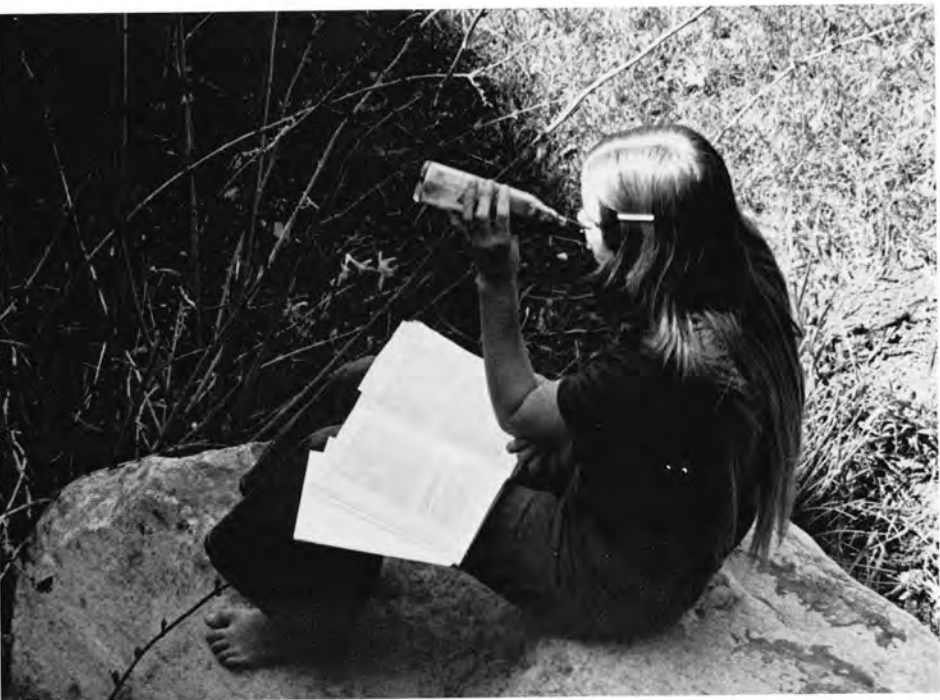

The 1973 Beaver is dedicated to a man who has given 27 years of service to Minot State College. In his capacity as associate professor of geography he has played an important role in the education of MSC students. He has given his students an education that has not been limited by geographic boundaries but that has included the whole spectrum of human life.

He received his bachelor of arts degree from Valley City State College and his master of arts from Colorado State University, Ft. Collins, CO. He has done additional graduate work at the University of Minnesota, Oregon State University and Ball State University.

On behalf of the MSC student body, the 1973 Beaver staff and adviser would like to dedicate the annual to Earl N. Shearer.

*Every morning is
a fresh beginning.*

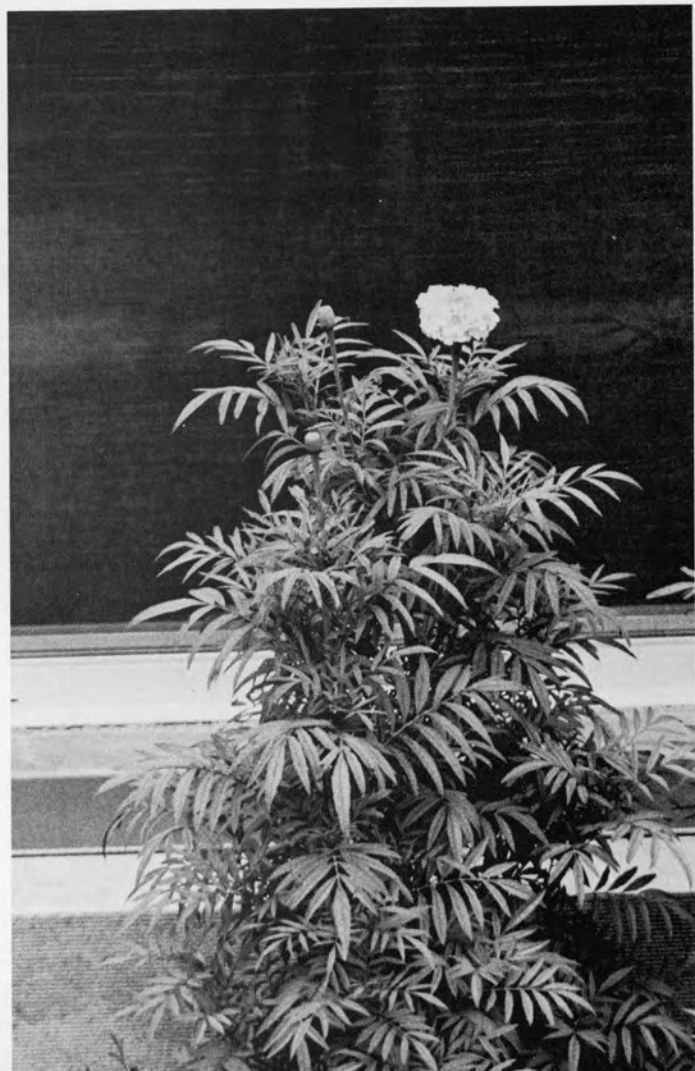

Every day is the world made new.

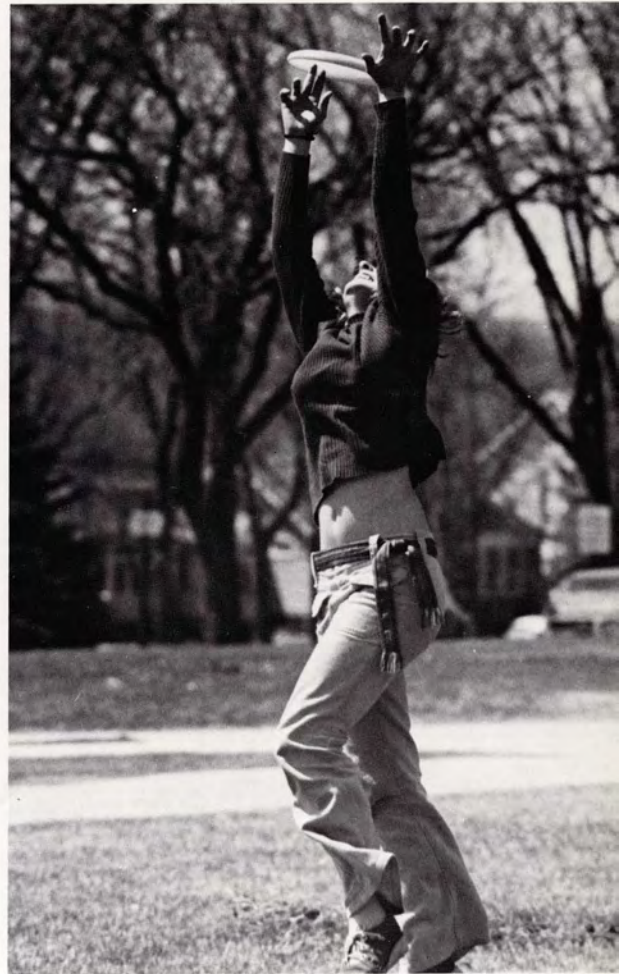

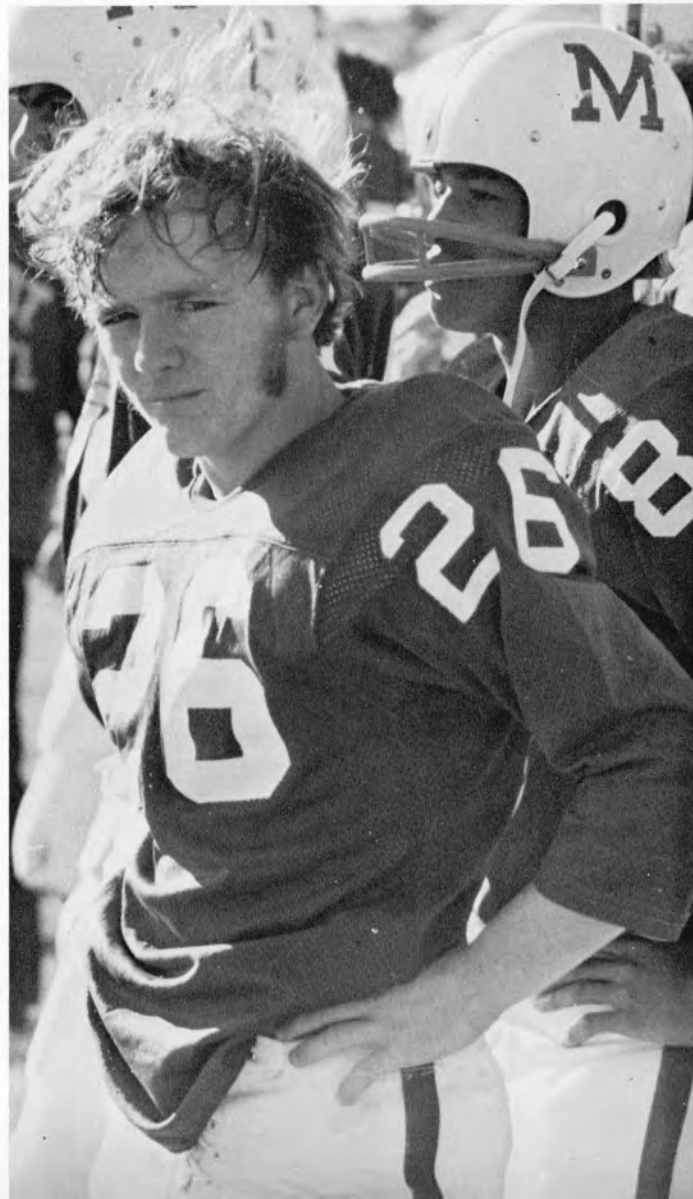

Today is a new day.

*Today is
my world made new.*

*I have lived all my life
up to this moment,
to come to this day.*

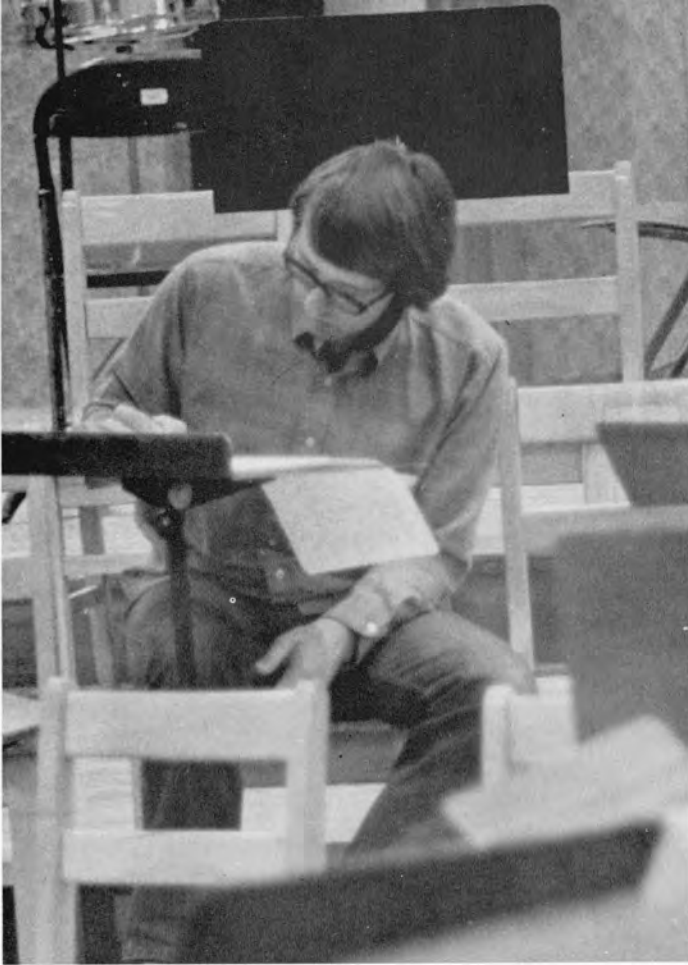

*This moment —
this day —
is as good
as any moment
in all eternity.*

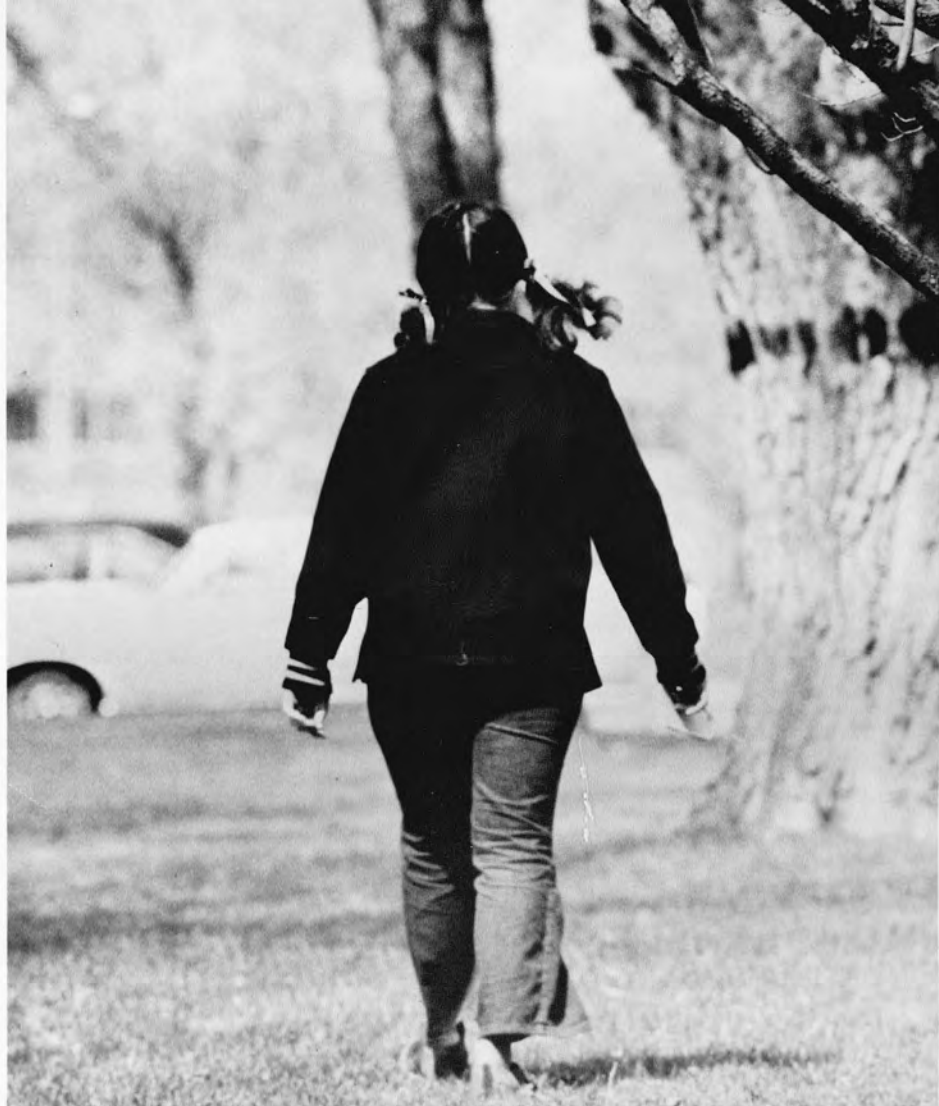

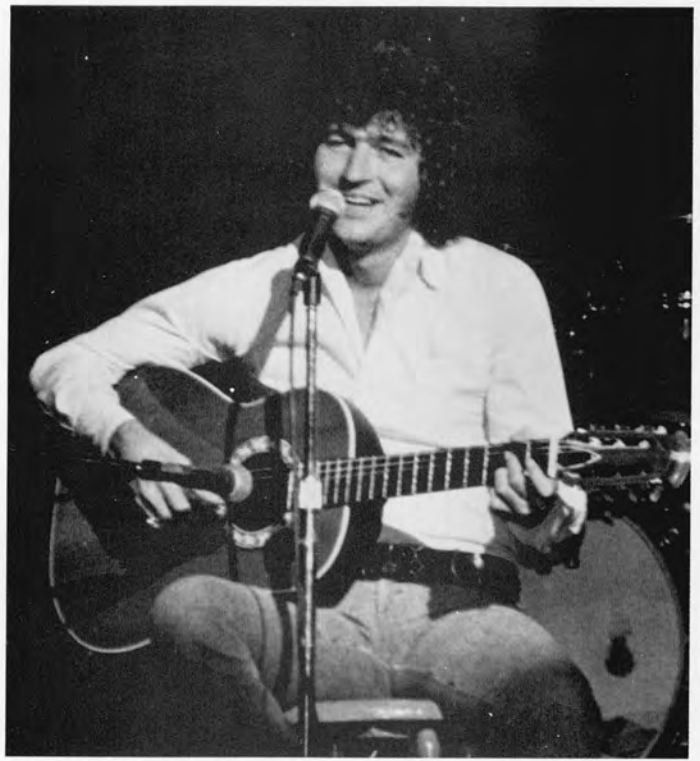

*I shall make of this day —
each moment of this day —
a heaven on earth.*

*This is my day
of opportunity.*

Homecoming helps students, Alumni 'Get It Together'

Students and alumni in attendance at this year's Homecoming activities realized the 1972 theme of "Get It Together." Serving as Homecoming co-chairmen were Darryl Anderson, Doug Rued and Jerry Stai.

A torch lit by Secretary of State Ben Meier in Bismarck was transported to Minot by runners from MSC fraternities and Vets club. Ignition of the Homecoming Flame preceded the evening's snake dance, bonfire and grub dance.

The coronation ceremony Thursday night at the Empire Theater saw the crowning of Colette Artz,

Friday's concert was performed by Climax, "Precious and Few"; Mac Davis, "I Believe in Music"; and Shawn Philips, demonstrating his interest in sound extremes.

Saturday events included the annual Homecoming parade, rec-

ognition of awards and the football game. Float awards were won by Sigma Sigma Sigma and Sigma Tau Gamma. House display trophies were awarded to Delta Zeta and Mu Sigma Tau, the latter also winning the spirit trophy. These awards were presented at halftime of the Homecoming game.

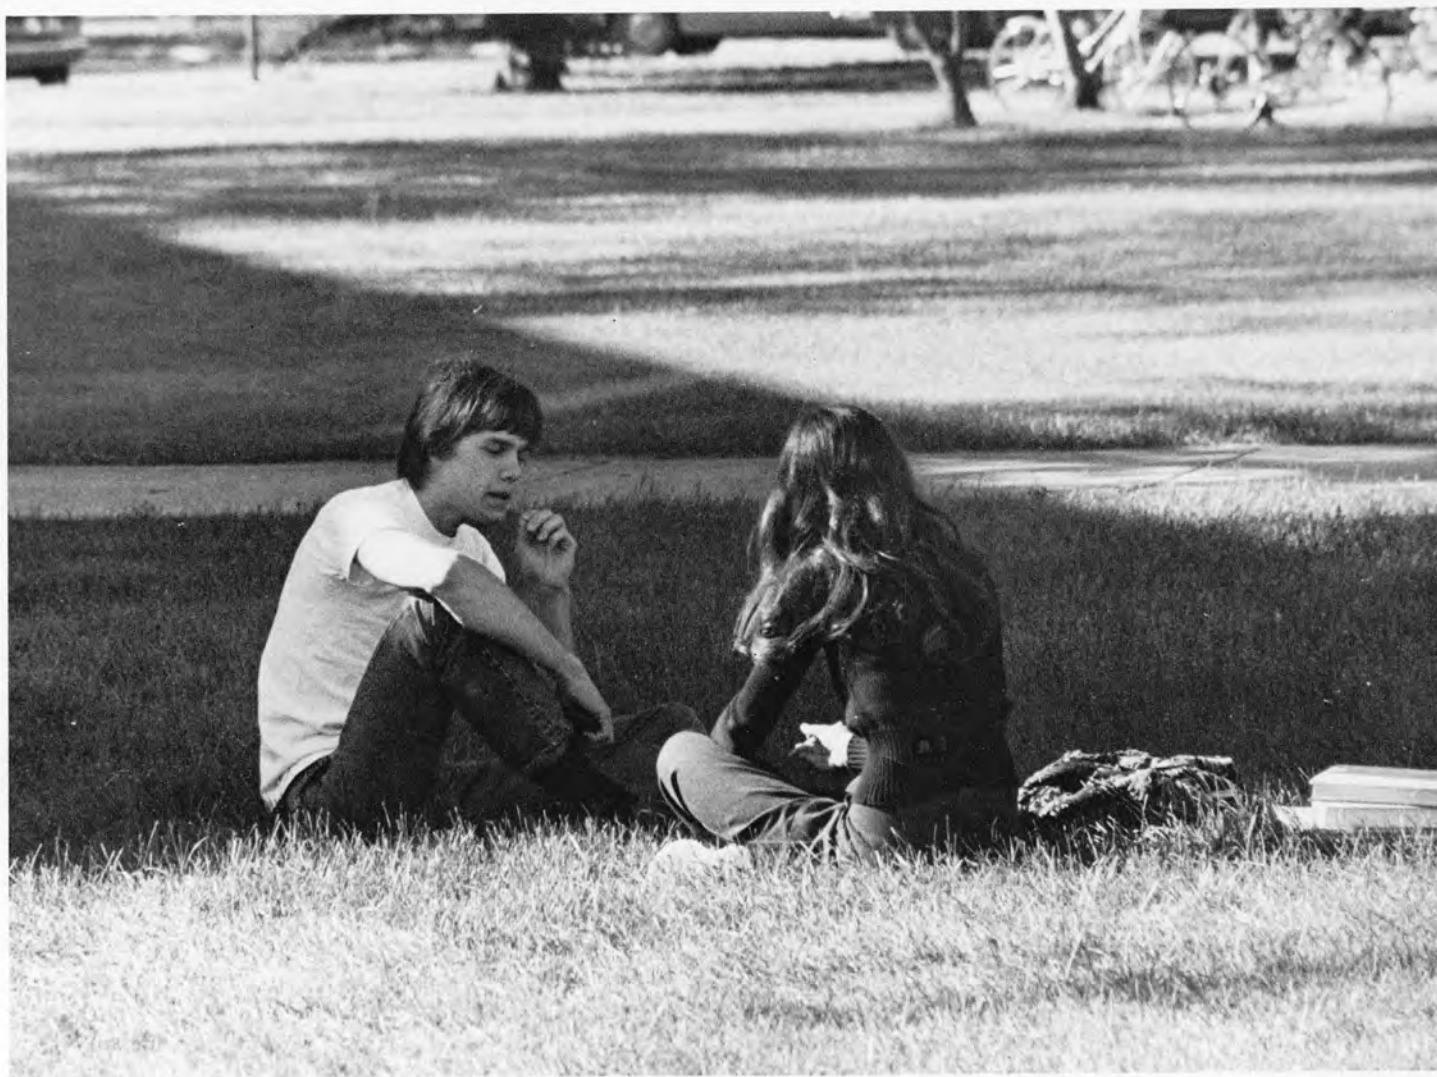

The football game with the Dickinson Savages resulted in a 12-8 victory for the Minot Beavers, culminating a successful and memorable Homecoming week.

Men's dorms

Representing the ideal in housing and living experience to the male student at Minot State are Crane and Pioneer Halls, the men's dorms at MSC.

The two MSC dorms offer most of the comforts of home to their college freshmen and upperclass occupants. Included in the dorms is a large TV lounge and a recreation room.

Although their main purpose is to provide housing for MSC students the dorms also serve to acquaint the student better with the college while at the same time providing an experience in living that will not be easily forgotten.

Women's dorms

The most popular place on campus for the male student is the women's dorm. Elsie Cook, McCulloch and Dakota Halls all offer a wide variety of entertainment for the MSC student.

Housing the freshman coeds is Elsie Cook Hall. McCulloch and Dakota Halls both are occupied with upperclass women.

Being modern in construction both Elsie Cook and McCulloch offer fine facilities to the occupants. Dakota Hall is the oldest of the three dorms and has been housing MSC coeds since the year of 1930.

STUDENT

NT LIFE

Standing: Bill Edwards, adviser, Jerry Lyon, Ric Storhaug. Seated: Mark Turner, Sandy Torkelson, Bob Stowell, Sue Weigel.

Student association

As the ultimate governing body of students at Minot State College, the Student Association seeks to represent the ideas and wishes of the students.

The Student Association has several committees which it works through such as the program board and student grievance committee to achieve its goals.

As a member of the North Dakota Student Association, Minot SA members have been active in legislative lobbying for student rights and interests. The SA also offers an insurance plan to all MSC students, is in charge of the Winter Carnival and assists in

freshman activities.

All MSC students are automatically members of the SA. Since the SA works to represent the students, a close working arrangement between SA members and students is sought to help insure the success of the Student Association.

Officers of the 1972-73 SA include Bob Stowell, president; Mark Turner, vice president; Sandy Torkelson, secretary; Sue Weigel, treasurer; Ric Storhaug and Jerry Lyons, senators-at-large. Bill Edwards is SA adviser.

Left to Right: Bruce Nelson, Jim Fix, Dave Baertsch, Chuck Rhinhart, Ted Austin, Roy Braun, Pat Tobin, Tom Anderson, Dedra Holley, Sheila Benson.

Kappa delta pi

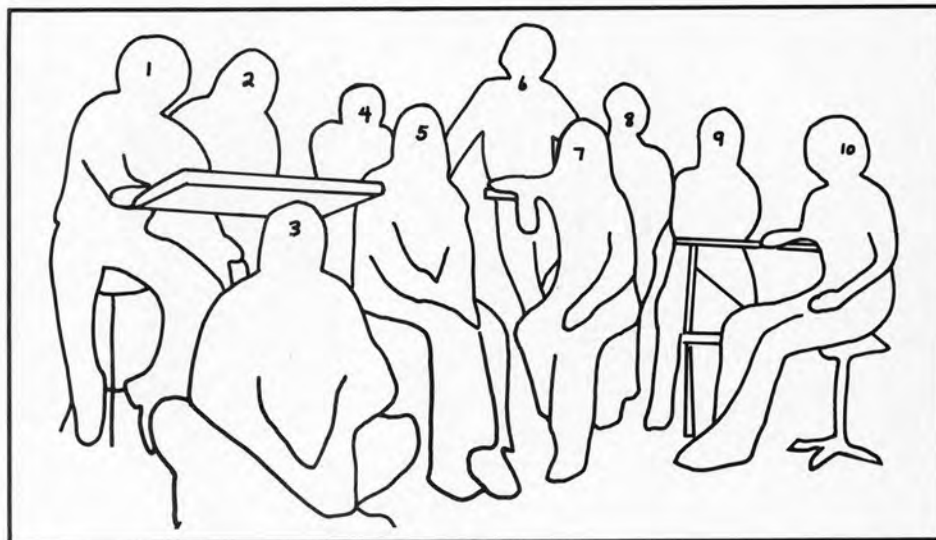

Kappa Delta Pi is a national coeducational honor society. The main purpose of the society is to encourage high professional, intellectual and personal standards. Kappa Delta Pi also tries to recognize outstanding contributions to education.

Zeta Xi, Minot's chapter of Kappa Delta Pi, was installed November 20, 1948. This year the chapter, along with national headquarters, prepared to celebrate the 25th anniversary of Zeta Xi and to honor Mrs. Agnes J. Landendorf who has been the chapter adviser since its installation.

Kappa pi

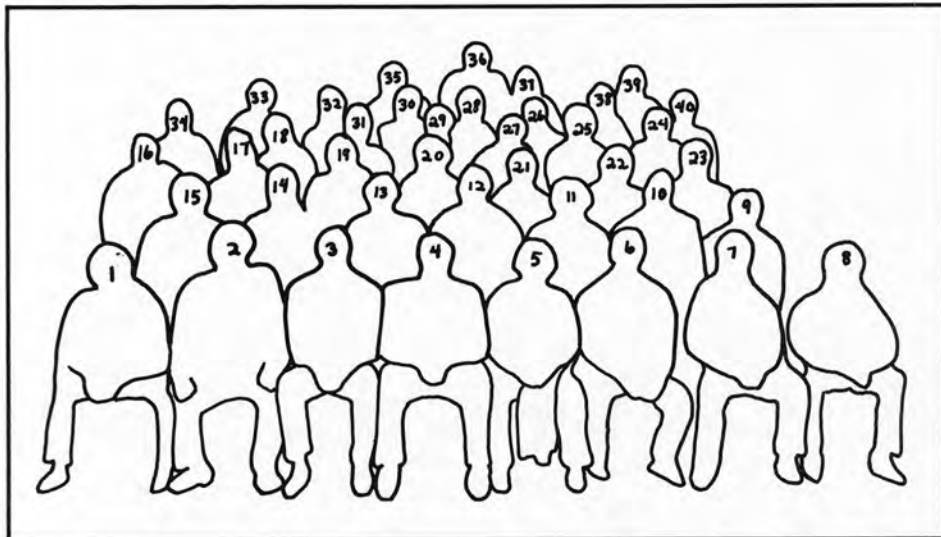

Kappa Pi, the International Honorary Art fraternity, has been busy promoting activities this year. Some of their activities include painting western week scenes on merchants, windows, touring art galleries in Minneapolis, giving a \$50.00 art scholarship to a student, student art shows and silk-screening T-shirts and posters for other clubs and organizations.

Of main interest to the club are these goals to promote art in the community and to further develop the members' views on art.

Lettermen's club

Minot State College's Lettermen's Club is an active organization which honors the abilities and achievements of all MSC lettermen. The club is comprised of athletes who have lettered in any of Minot State's varsity sports.

Active participation of its members has enrolled the Lettermen's Club to aid in various community projects in the annual winter festival and encourage athletic participation among Minot State students.

Varsity lettermen are recognized by the club through the presentation of a MSC lettermen's sweater and after two years of lettering, the athlete receives a Minot State College lettermen's jacket.

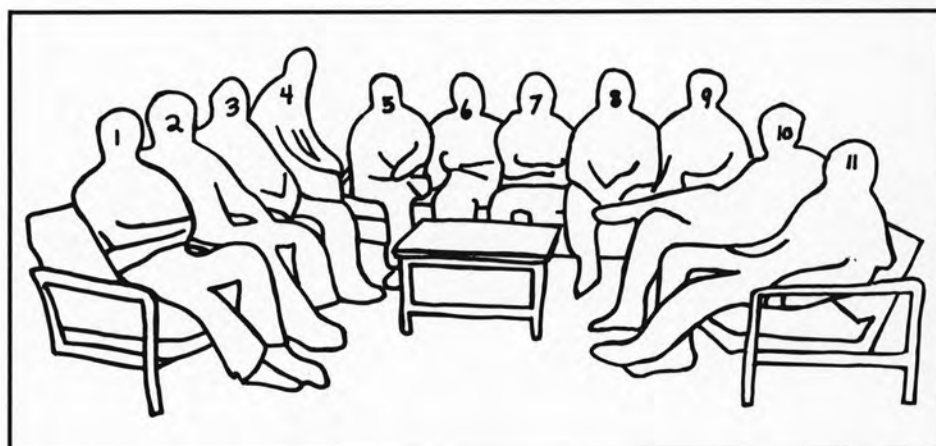

Phi sigma pi

Phi Sigma Pi, a men's national honorary fraternity, offered a valuable service to Minot State College students this past year in their book exchange. Set up to help all MSC students fight the rising costs of education, the exchange was well received by the students and benefited those who participated in it.

Other interests of Phi Sigma Pi members include the recognition of student scholastic success and instilling in its members a strong interest in education and teaching.

Representing the fraternity at its national convention in Washington, D. C., was John Blackburn, president of the fraternity.

Phi beta lambda

Phi Beta Lambda is a national fraternity for collegiate students of business. Members are able to develop their business skills in preparation for state and national competition in the spring.

Activities in the sphere of business include participation in the state and national organization, intra-club planning committees, local speakers, workshops, fund-raising and spring contests.

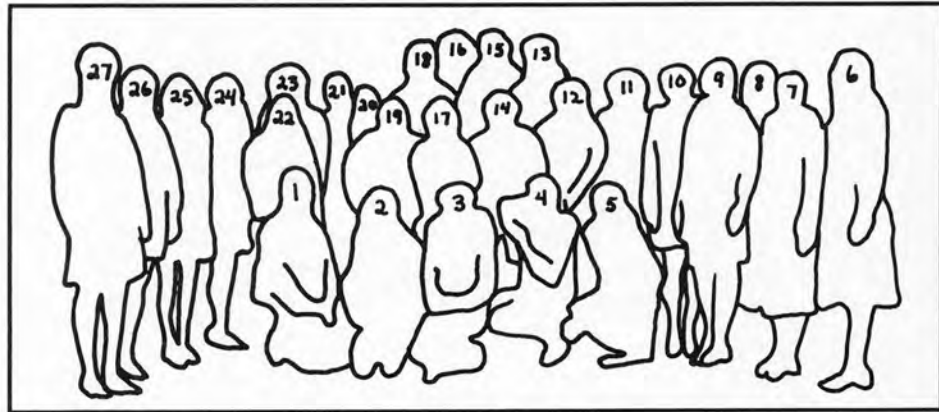

Community service involved members in volunteer work at the Minot Vocational Workshop and in assisting the Minot Jaycees in their underprivileged children's shopping day.

Sigma alpha iota

Sigma Alpha Iota is a professional music fraternity for women. To join SAI one must be a female music major or minor and meet the club's scholastic requirements.

The club functions involve members in music therapy with children in special education, recitals and monthly musicales. The club grants music scholarships and sponsors concerts.

This year Harold Martina, concert pianist, performed on campus. Annually SAI and Sinfonia, the male music organization, provide a Spring Ball.

Beta gamma phi

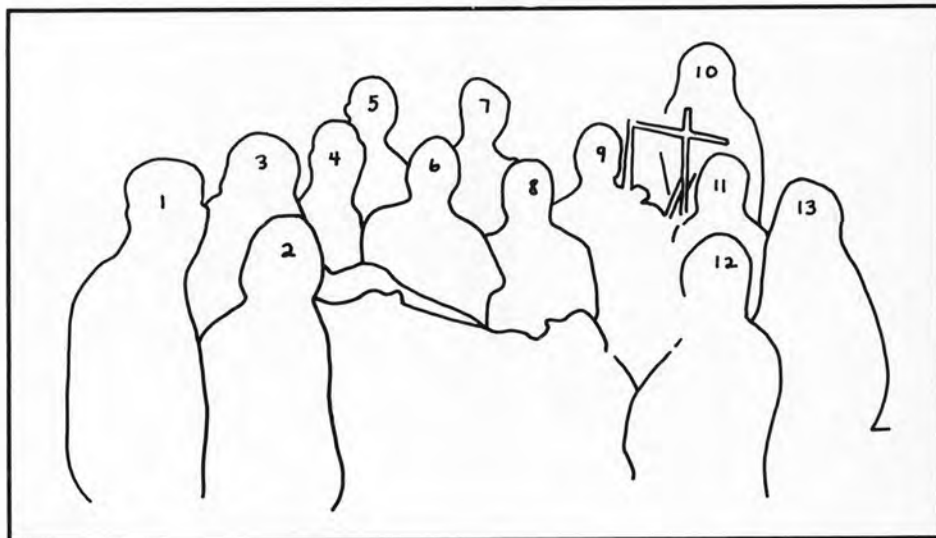

Beta Gamma Phi combines majors from every department in the science division with any interested non-science major.

The club's main purposes are to set up learning situations; to acquaint socially science-oriented students; and to be of service to Minot State College. The club offers speakers, parties, tours and tutoring to campus students.

Activities of the year began with an autumn weekend camping trip in the north unit of Theodore Roosevelt National Park.

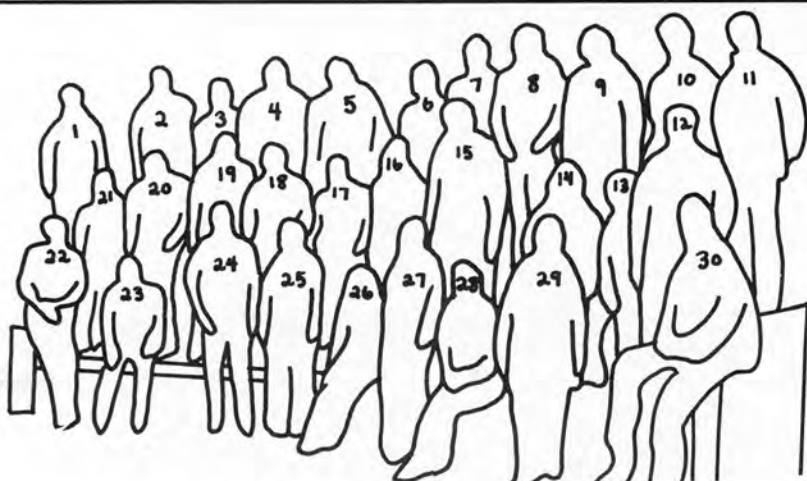

For winter carnival the club conducted the amusement booth. Annually during spring quarter break Beta Gamma Phi tours a metropolitan area.

In the spring the club co-sponsored with the medical technology and earth science clubs an open house of the science building. Club members joined science faculty for an end of the year picnic in May.

Business ad

An innovation of the Minot State College Business Administration Club is an employment committee. An employment committee was selected to work with David DeMers, business administration instructor, to help find jobs for graduating seniors. Part time work will also be included for members in the club.

The business administration club is designed to utilize the maximum techniques applied in the business field. This is often learned by hearing first-hand reports by various local businessmen. Guest speakers and field trips help members round out their business career training and education.

Alpha psi omega

The Delta Theta cast of Alpha Psi Omega, a national dramatic fraternity, heads work crews in the drama department during the various productions that are staged by the department.

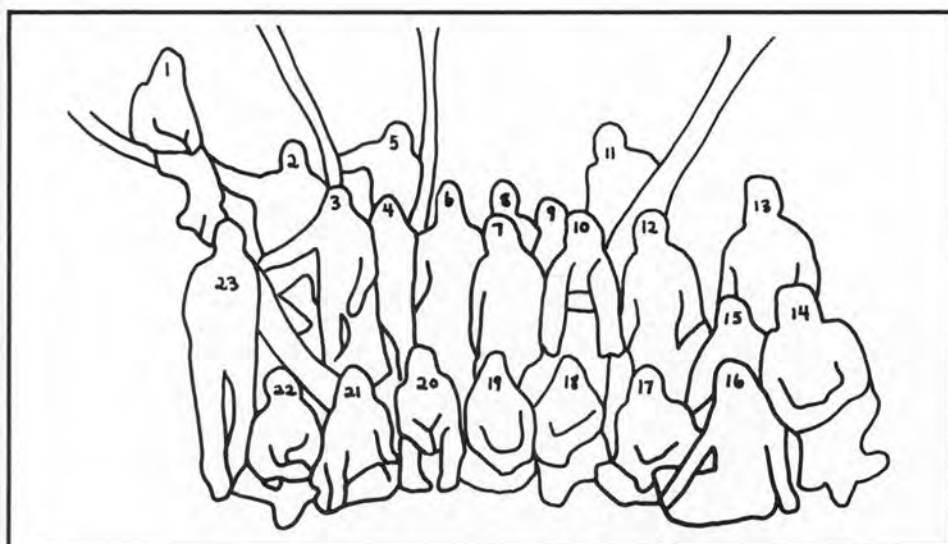

Alpha Psi Omega seeks to improve educational theatre in the technical assistance in the areas of stage design and construction, makeup, stage lighting, costuming and directing of plays.

This coming spring and summer Alpha Psi will be involved in preparation of the upcoming Summer Musical Theatre.

Campus players

The main purpose of the Campus Players is to promote dramatic activities, provide educational lectures, encourage creative thinking on the part of individuals in drama.

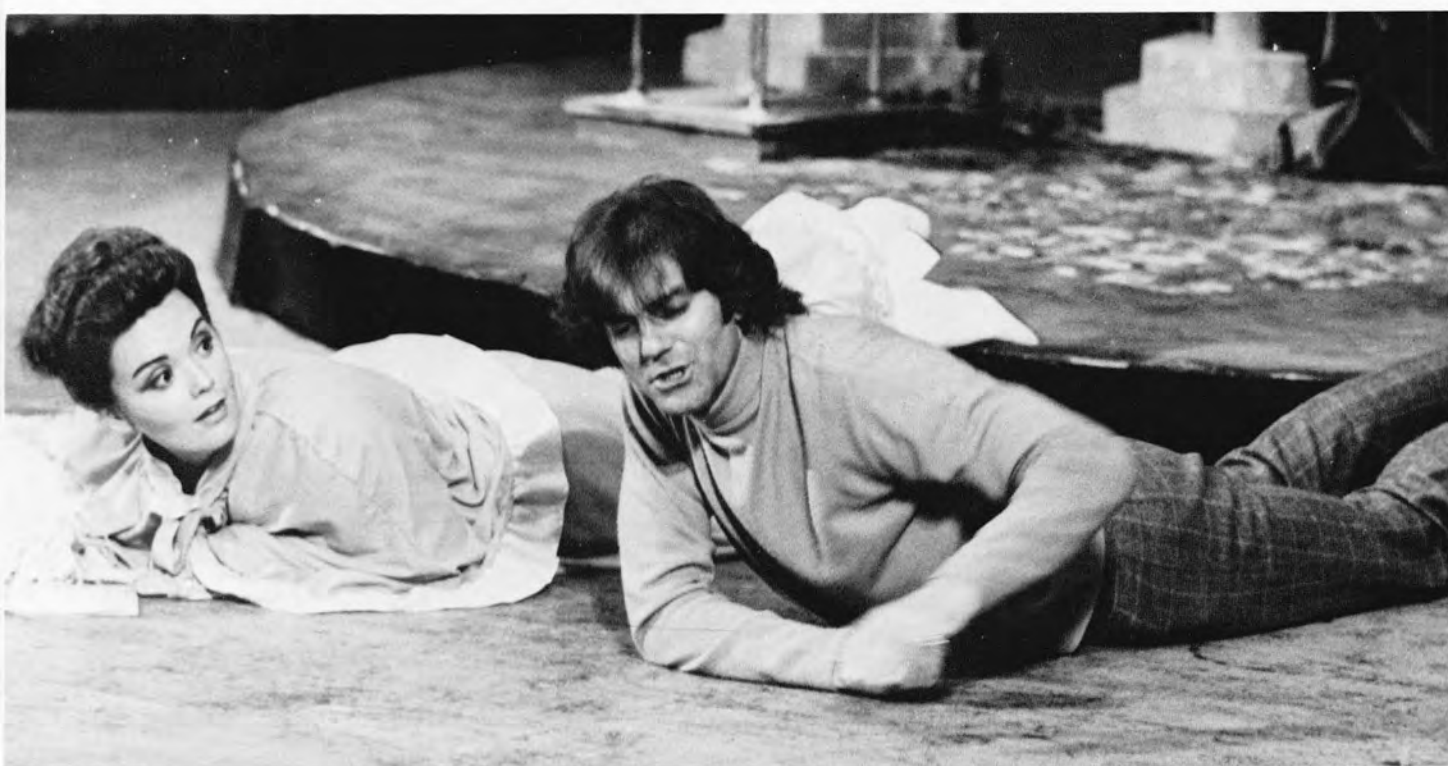

The Campus Players presented several major plays during the year including *You Know I Can't Hear You When The Water's Running*, *The Shock of Recognition*, and *The Footsteps of Doves*.

Other activities of the Campus Players include an annual spring banquet, educational lectures during their meetings and the viewing of major movies open to the Campus Players and Alpha Psi Omega.

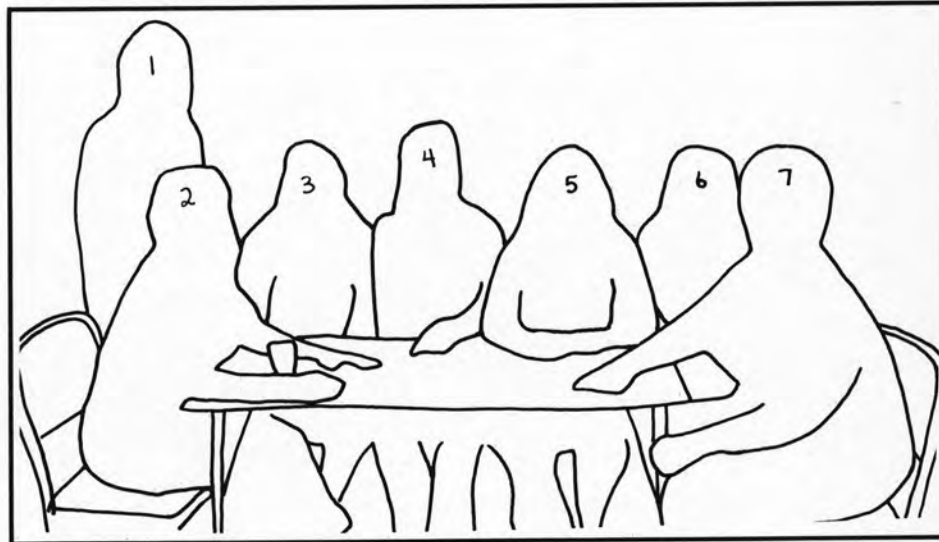

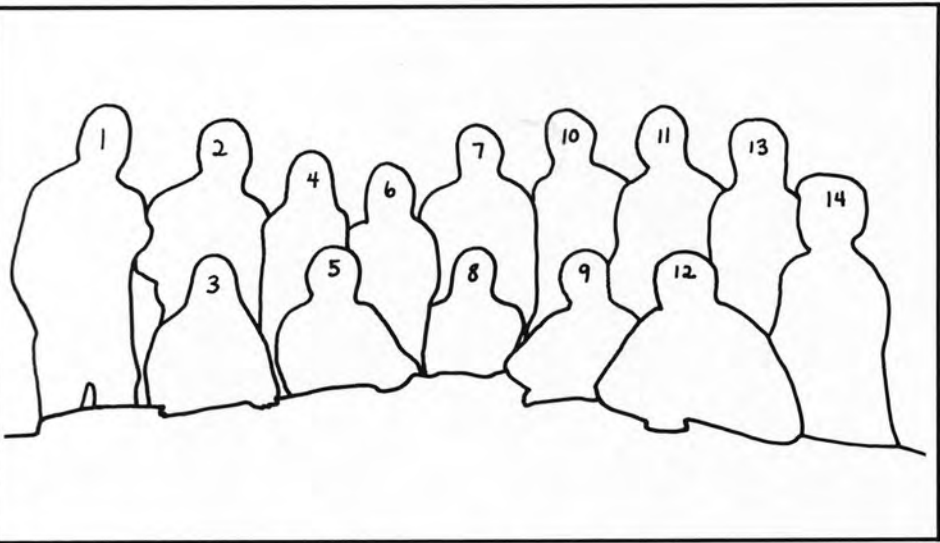

French club

The orientation of the MSC French Club is not only an interest in the French language, but also in the other aspects of French life; mainly culture and art. In conjunction with these interests were the events of the year. The club celebrated a Noel Reveillon, a French style Christmas dinner at which French food was served and French carols were sung.

Miss Karen Keller, the Minot High School 1972 American Field Service Scholarship recipient, addressed the club in February on her experiences in France. Floyd Fairweather, MSC associate professor of humanities, spoke in April on French art. The annual French banquet was hosted by Linda Turk, MSC junior, in May.

Geology club

Minot State's Geology Club is an organization that seeks to acquaint its members better with the geology of North Dakota and the surrounding region.

Field trips and guest speakers provide the main sources of knowledge for the geology club members. Various field trips are taken to Montana, the Black Hills and Western North Dakota.

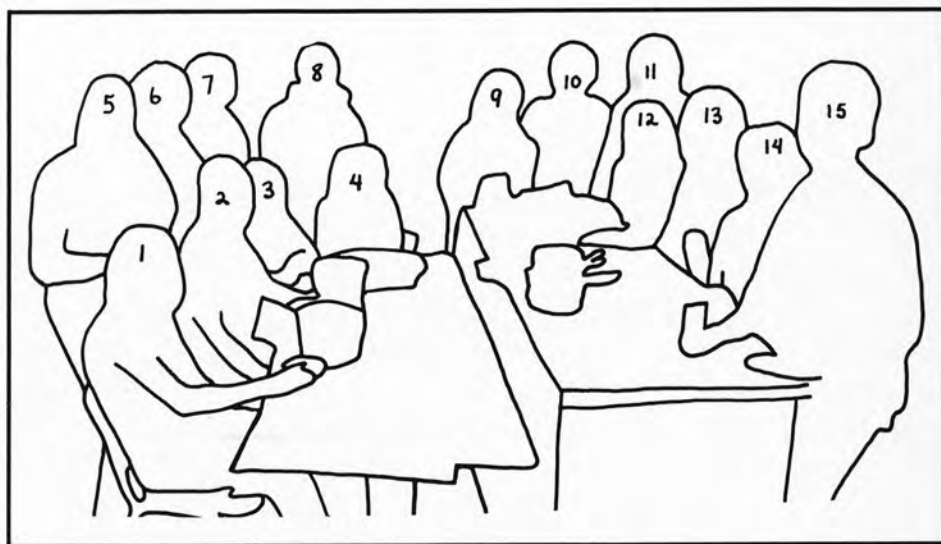

Hestia

Hestia, a club for home economists, is named for the Greek goddess of hearth and home. It is a special interest organization open to any student who is regularly enrolled at Minot State College. Monthly meetings are held featuring many areas of interest that center around the home.

The purpose of Hestia is to provide social activities for its members and promote home economics. Each meeting is designed to give the members a taste of something new that they can use in their home or community.

Indian club

Minot State's Indian Club has been active in helping incoming Indian students get settled. The club also facilitates counseling, guidance and tutored programs.

Members of the Indian club seek to better relations among Indians and non-Indians while at the same time trying to take full advantage of the educational programs offered to Indians by the state of North Dakota.

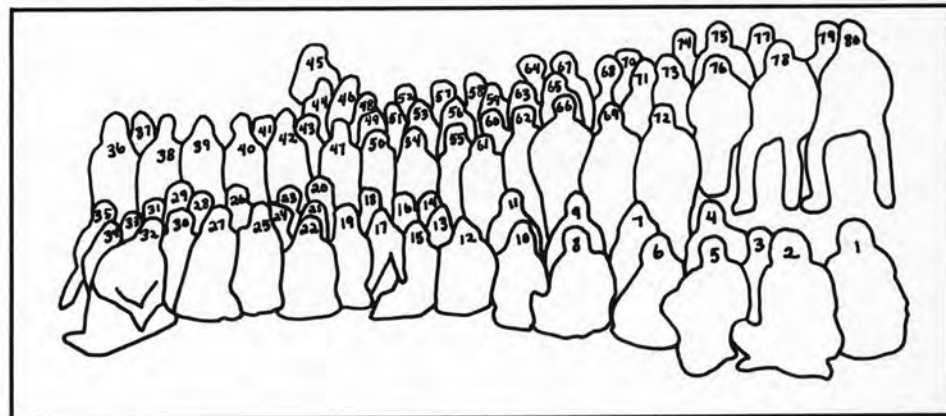

The club also tries to give a comprehensive outlook to Indian high school students on the academic and social life at Minot State through a program of personal visitations.

During the past year the Indian Club has been involved in such things as sending Indian students to seminars on bicultural education, getting an Indian student seated on the Student Senate and introducing students to different departments. The club also has a basketball team and bowling team.

Inter-varsity

Inter-Varsity Christian Fellowship is an all denominations organization that seeks to share the person, Jesus Christ, with all its members.

Members are encouraged through their participation in Inter-Varsity to learn the power of prayer, to discover the promises of the Bible and to share their spiritual growth with other members of the organization.

Activities of Inter-Varsity include power groups and mini-missions in January. The power groups offer Bible study, prayer and fellowship as compared to guest speakers and entertainment provided by the mini-missions.

International affairs society

In October the Minot State College International Affairs Society along with the society from Brandon College, Brandon, Manitoba, presented the 21st International Relations Conference. The conference theme was "North American Democracies: The Voice of the People."

The two groups discussed such issues as national elections, business labor, agriculture and the farm vote and political party identification.

Co-directors of the conference were M. V. Naidu of Brandon and Everett A. Ballman of Minot.

Lutheran student movement

The Lutheran Student Movement is a national organization which seeks to promote and strengthen the development of the faith and life of the student in the academic community. Conferences are scheduled on current issues on local, regional and national levels.

The LSM group at Minot State operated on an ad hoc basis during the 1972-73 academic year. Functioning with no elected officers, the students participated in worship, Bible studies, discussions, and visits to the Lutheran Home.

Music educators national conference

Music Educators National Conference is a special interest group that is open to any Minot State College student who is interested in music education. The organization tries to provide an opportunity for professional development of its members through on-campus activities; *Music Educators Journal*, official magazine of MENC; and contacts with leaders in the music profession.

Minot's chapter of MENC also participates very actively in state, division and national meetings. Several members attended the organization's national convention held in Milwaukee, WI, during the year.

Each year MENC awards music scholarships to freshmen with music potential. The chapter also helps coordinate various music festivals and contests at MSC throughout the year.

Newman club

Through group discussions on morality and life, retreats and daily masses the Newman Club tries to provide spiritual growth and a better understanding of the church for its members. Members are also given the opportunity to question their faith directly in their quest for a better understanding of their own faith and the faith of others.

Of special importance to the members is the Wednesday evening liturgical celebration and the retreats members attend.

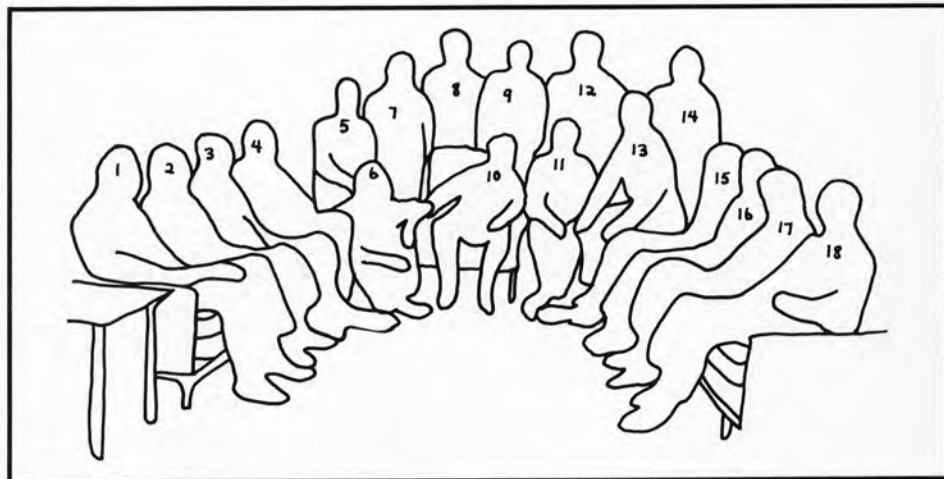

Sinfonia

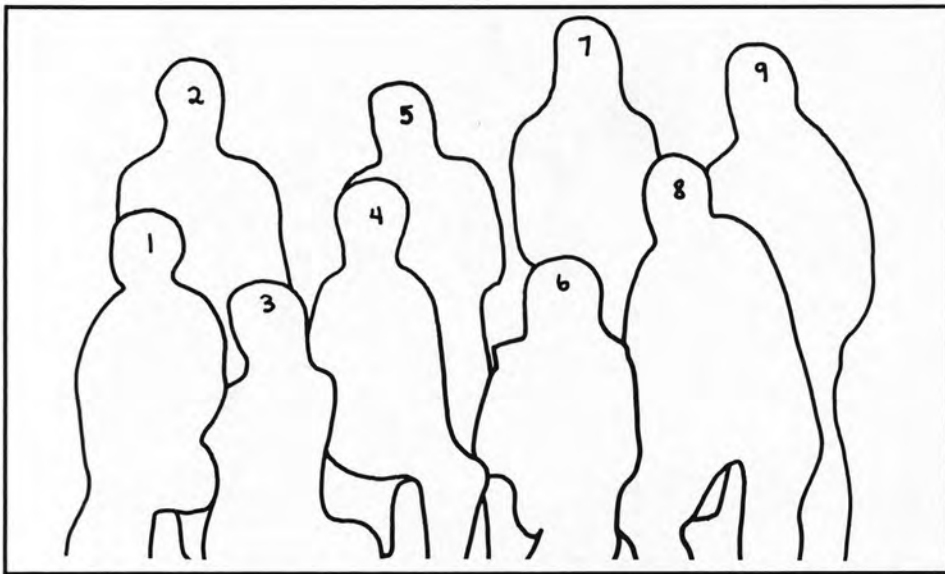

Phi Mu Alpha Sinfonia is a professional music fraternity for men that strives to encourage and promote the highest standards, creativity, performance, education and research in the field of music.

To promote their goals, Sinfonia along with the support of the program board invited nationally famous composer, Cecil Effinger, from Boulder, CO to the Minot State campus.

Effinger delivered an open lecture to all Minot State students as well as working with composition students. The fraternity also raises money for a music scholarship fund and lends its services to the music division during various music clinics and area contests.

Psychology club

Minot State's Psychology Club has as its main interest the arousal of its members in their chosen field of psychology. The club tries to give them a broader understanding of the opportunities that are available to them upon their graduation.

The psychology club sponsors many different activities for its members over the course of the year. Field trips, speakers, social parties and volunteer work in the Minot area are all activities the club partakes in.

Red and Green Staff are Seated: Rebecca Magnuson, Janice Balliet, Andrea Schumacher, Cindy Walther, Cherie Andreson, Toni Goetz, Linda Gottschell, Mary Ann Blomgren. Standing: Galen Skarphol, Jim McIntyre, Warren Booth, Randy Flynn, Pat Ness, Bob Mongeon, Peggy Sheldon, Arthur LaBrant.

Red and green

Increased student interest and expanded coverage on a variety of issues highlighted the year for the Red and Green staff.

Some of the regular features were: College Comments, where students voiced their views; an exchange column with other campuses; a Student Association column to relate the activity of the student government; and an article written by a national figure.

Galen Skarphol, editor, received much help and coopera-

tion from Bob Mongeon, Andrea Schumacher, and Cindy Walther. Jim McIntyre edited the sports articles. Marshall Hill provided photographs, and Eldor Scheid served in the capacity of business manager. A dozen able staff members kept articles for publication in constant supply.

The Red and Green was pleased with its accomplishments under the guidance of Mrs. Muriel Abelseth, adviser.

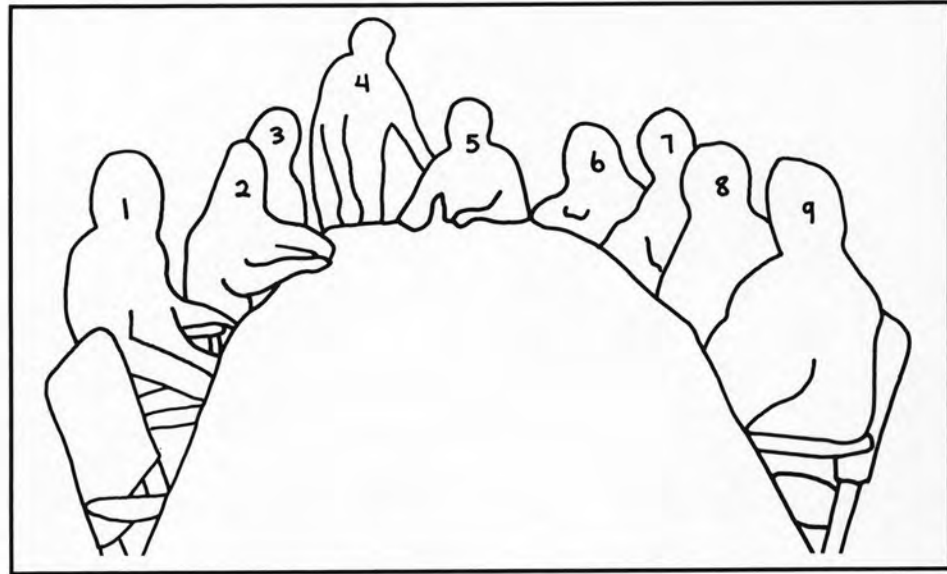

College republicans

1972 was a national election year and the College Republicans saw an active role in the event. The club promoted the local, state and national Republican candidates and the national party platform.

On campus the club canvassed the dorms, had campaign booths, promoted the candidacy of Jim Froeber, MSC faculty member and participated in the college's political awareness day.

Members of College Republicans attended the state endorsing convention in Bismarck, a summer workshop in Garrison and the spring state college Republican convention in Grand Forks.

Women's recreation

The Women's Recreation Association is a recreational organization of college women. Members from all majors associate in such physical activities as volleyball, basketball, square dancing and roller skating.

Each year the club plans an old time dance with the Lettermen's club and sponsors a playday to expose high school girls to MSC. Twice a year the club participates in a state sports day.

This year an autumn hayride was hosted by Sheryl Solberg, MSC senior. In powderpuff football the upperclass members defeated the underclass team. The club traveled to Valley City for the fall sports day and to Jamestown for the spring sports day.

The club will be remembered for bolstering school spirit of Minot State through the sale of booster buttons reading "The big green machine is on the move!"

Greek council

Greek Council is a special interest group designed to strengthen relations between the Greek organizations on campus at Minot State College. The council is comprised of representatives from each social Greek organization on campus.

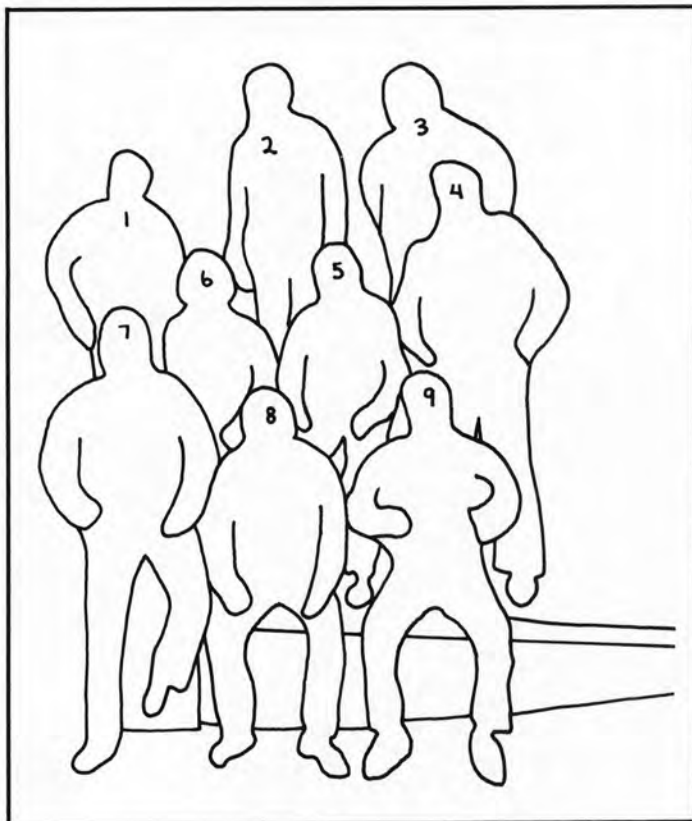

The main function sponsored by the council is Greek Week. This is a week that consists of inter-Greek parties, an all-college dance, picnics, athletic contests, games and a service project. The week is highlighted by the crowning of a Greek god and goddess. Present Greek goddess is Karen Hodnefield of Sigma Sigma Sigma and Greek god is Les Mau of Sigma Tau Gamma.

Fraternity council

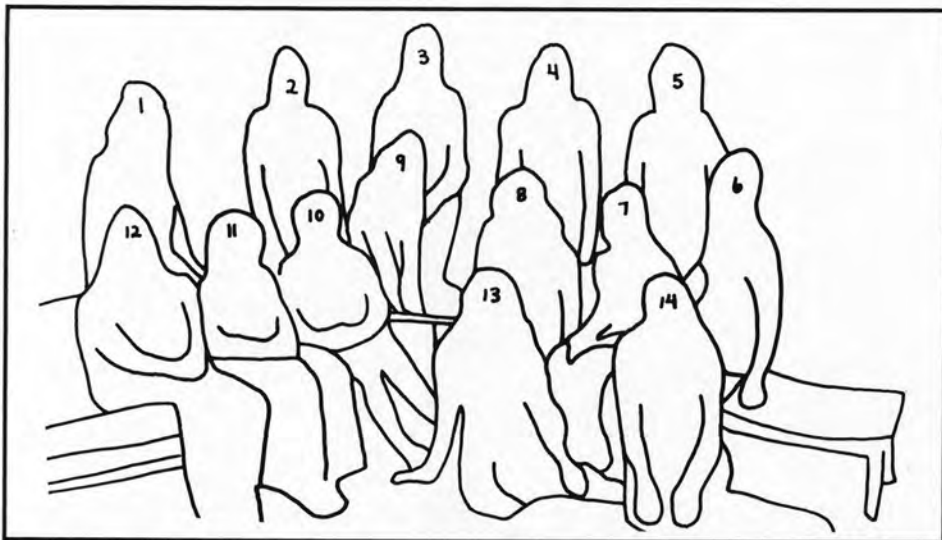

The Inter-fraternity Council is comprised of members from each fraternity on campus.

IFC tries to improve relationships and promote the Greek system. Plans for pledging and fraternity smokers are organized through the council.

Scholarship is stressed by the council through the awarding of a scholarship trophy to the fraternity with the highest overall average.

TKE

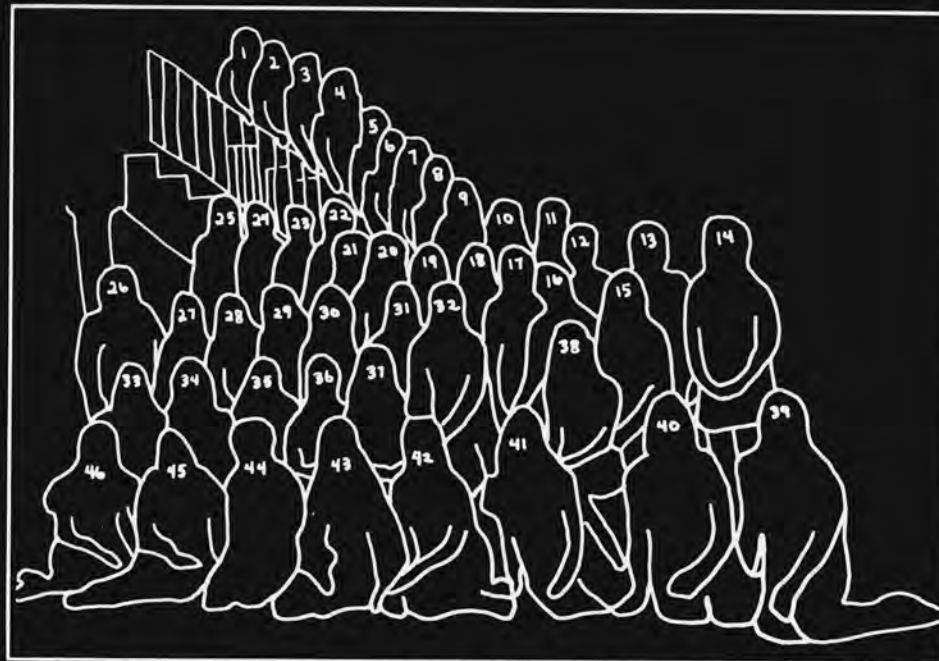

Epsilon Omega chapter of Tau Kappa Epsilon was honored by TKE International headquarters last fall for their achievement of being the "Most Improved Chapter" for the year. The award is given out annually by the fraternity and is the first time the Minot Chapter has received it.

In their role as a social fraternity, Epsilon Omega chapter members participate in a winter term party, a sweetheart ball and a spring formal, the red carnation ball. Numerous exchanges and social gatherings also serve to increase the social life of the TKEs during the year.

The chapter also takes part in a public service weekend and has several parties for underprivileged children.

Serving as officers for the chapter during the school year were Bruce Christianson, president; Tony Voeller, vice president; Rod Storhaug, secretary; and Jerry Hjelden, treasurer. Linda Mau was the chapter sweetheart for the year.

Beta Iota chapter of Sigma Sigma Sigma sorority received a mark of distinction last fall when they were awarded the Award of Excellence from their national headquarters. The award is comparable to the Top Chapter award presented by many national fraternities and sororities.

As a social sorority the Beta Iota chapter hosts different exchanges with the fraternities, term parties and a dream man dance. They also have a community service project and national work projects.

Chapter officers were Terri Siemers, president; Diana Whitty, vice president; Diana Humphreys, recording secretary; Kathy Yecoshenko, corresponding secretary; and JoAnn Horner, treasurer. Sigma Sigma Sigma dream man was Henry Helm.

ΣΤΓ

Gamma Delta chapter of Sigma Tau Gamma won two national awards during the year. The chapter received the runnerup award for the best newsletter. Ronald Archer, former Minot State division chairman, received an award for "Adviser of the Year."

As one of the three existing social fraternities on campus at MSC, the chapter has an active social program. Besides various exchanges and parties the chapter has a White Rose formal and Founders Day.

Community projects included, canvassing the city for United Fund, giving gifts for needy children at Christmas and assisting the Greeks in the city wide cleanup of Minot.

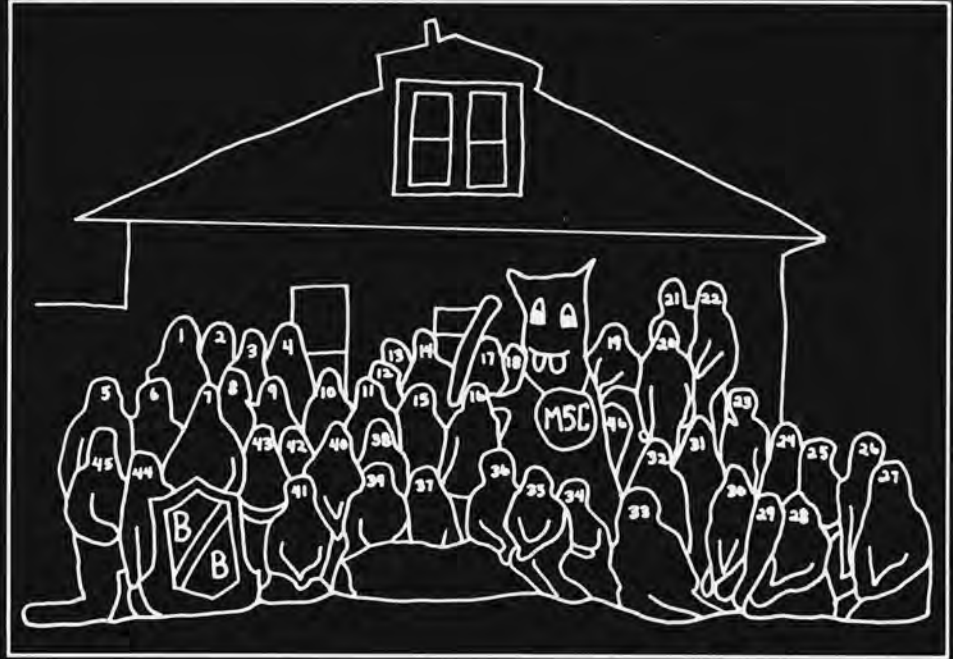

Gamma Delta officers include Roger Undlin, president; Darold Bauer, vice president of management; Ralph Hager, vice president of recruitment; Don Hummel, vice president of education. Renae Faul was chapter sweetheart for the year.

Co-ordinating and carrying out the functions of Beta Theta, a local social sorority, were Bev Johnson, president; Pam Rodgers, vice-president; Colette Artz, secretary; and Mary Gustafson, treasurer. The sorority also boasted the 1972-73 Homecoming queen in the presence of Colette Artz of Antler.

Among the different activities sponsored by the Beta Theta sorority were an all night retreat at the sorority house and a pancake and sausage dinner which they co-hosted with the Sigma Tau Gamma social fraternity.

Social functions of the sorority ranged from their winter term party to a pot-luck supper honoring their Sno King Darryl Anderson.

A piece of aged, light brown paper with a torn edge is placed on a dark brown wooden surface with a prominent grain. The paper has the word "ETICS" printed in a bold, dark brown, sans-serif font. The paper is slightly wrinkled and has a small tear at the top right corner. The wooden surface is composed of vertical planks with a natural wood grain pattern.

Team closes 3-1

Minot State College golf coach, Larry Treider, saw his team close out the 1972 season with a 3-1 dual meet record. The team also registered a 3rd place finish in the conference tournament at Wahpeton and a 5th place ending at the District 12 National Association of Intercollegiate Athletics meet at Pierre, SD.

In invitational tournament action the Beavers garnered an 8th at Dickinson, a 6th at Pierre SD, and a 9th place finish at the Bison Invitational Tournament in Fargo.

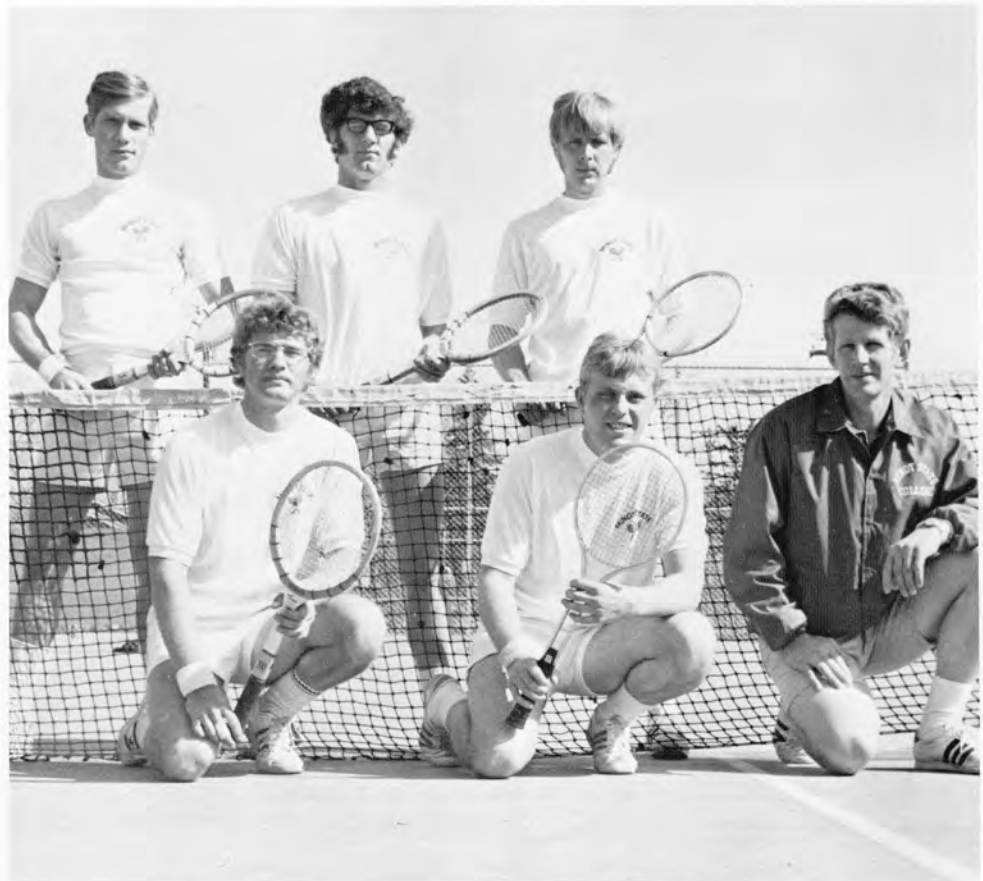

Tennis faces rebuilding year

The 1972 tennis season was a rebuilding year for the Minot State College netmen. Under the direction of Coach Gary Leslie they participated in five dual meets winning only one against Mayville State College 5-3.

They also participated in the Conference meet at Valley City and the National Association of Intercollegiate Athletics District 12 meet at Aberdeen, SD. Here the MSC team was overpowered by a strong Jamestown team which won both the singles and doubles titles.

Returning lettermen for the Minot State squad will be Jerry Lyon, Kevin Yale, Steve Carver and Chuck Rhinhart.

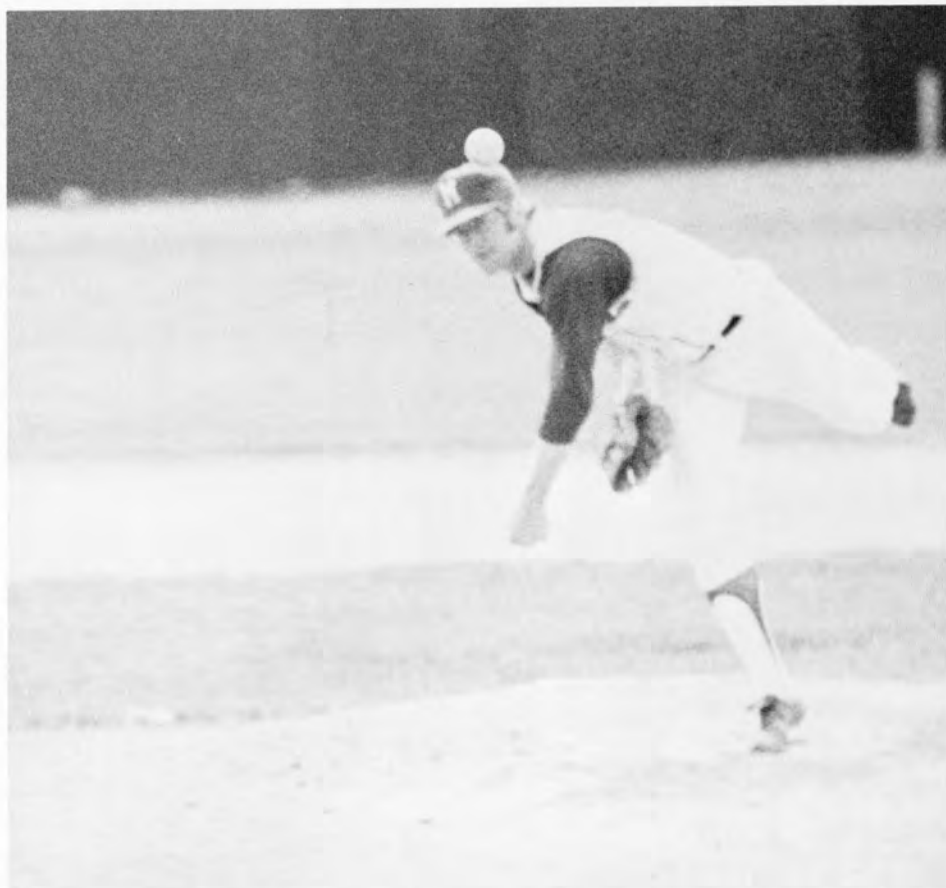

Standing: Steve Carver, Chuck Rhinhart, Kevin Yale. Kneeling: Jerry Lyon, Terry Oxendahl, Coach Gary Leslie.

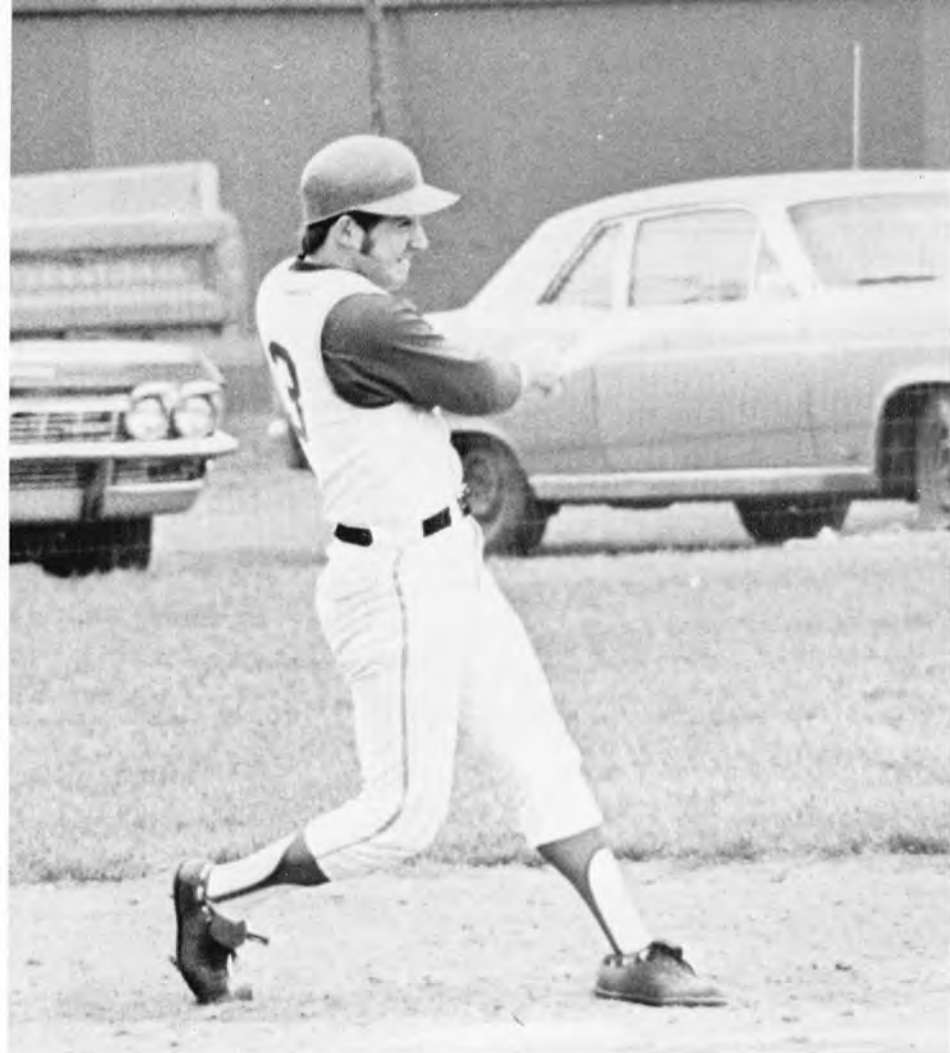

Beaver 9 snare diamond title

Heading the list of all-stars on Minot State's conference championship baseball team was head coach Bob Bodine. Bodine was selected as the National Association of Intercollegiate Athletics district 12 "Coach of the Year" in baseball.

Named to the all-district 12 squad for NAIA member colleges in the Dakotas were pitcher Bruce Bremer; third baseman Bill Koering and shortstop Karl Urbaniak.

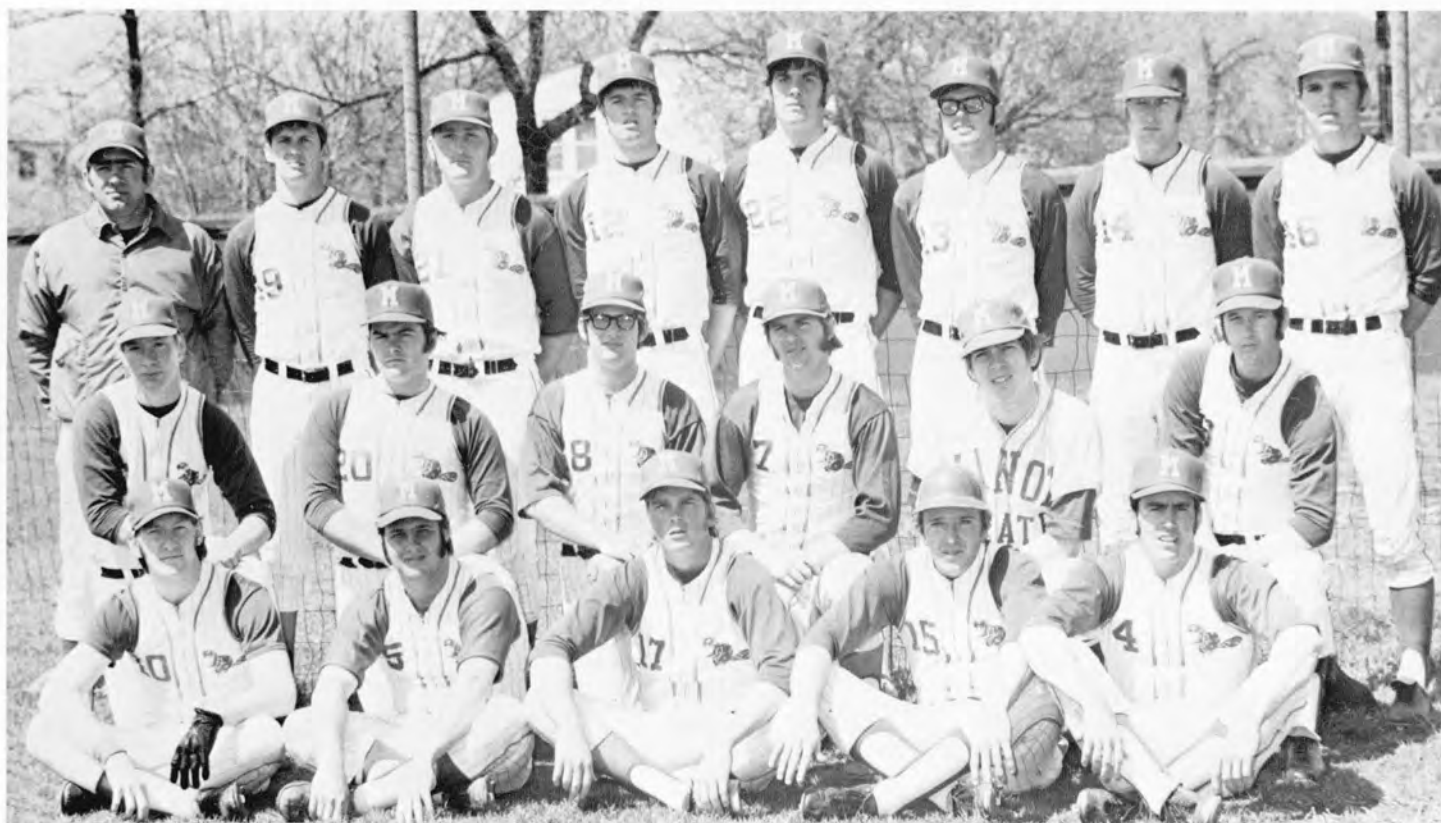

The Beavers were 9-3 in conference standings and 29-12 overall. In the NAIA district 12 playoff in Minot against Northern of Aberdeen, the Beavers clenched the

opening game 8-3 behind Bruce Bremer's 16 strikeout, 5 hit performance. The Wolves came back the next day 7-2 to send the two teams into the final game. The victory was to be denied Minot though as Northern pounded out a 19-3 win from the Beavers to claim the district championship.

Leading the Beaver hurlers was southpaw Bruce Bremer, who established a 9-0 record and a 1.29 ERA. He set a college strikeout record with 103 in 63 innings pitched. Karl Urbaniak led Beaver hitters with a record 60 hits in establishing a .345 mark at the plate.

Standing: Coach Bob Bodine, Howard Reid, Dale Zweber, Frank Bruels, Steve Dentz, Dan Aus, Bruce Bremer, Bill Koering. *Kneeling:* Karl Urbaniak, Rich Hauge, Ted Reiter, Dwight Stempson, Tom Feldner, Jack Carmine. *Sitting:* John Groston, Tim O'Neil, Doug Overbo, Micky Anderson, Barry Cathams.

Season not long at all . . .

"It looked at first like we were going to have a long season," said head cross country coach Wiley Wilson, "but we improved so much it didn't seem long at all." For the season Coach Wilson's squad competed against 16 different schools, beating nine, losing to five and splitting with two.

The Beaver harriers produced a fifth place finish in the National Association of Intercollegiate Athletes District 12 meet at Valley City. In the conference meet at Wahpeton the Minot squad captured the number four spot, ranking behind Dickinson State, Wahpeton Science and Jamestown College. Jerry Ziemann, a junior from Bismarck, was chosen the most valuable runner on the team.

Left to Right: Rich Christen, Ted Brinkman, Joe Johnston, Chris Marking, Rich Gaffrey, Dan Landes, John Hawronsky, Jerry Ziemann.

Cindermen records end in total of 10

A total of 10 records were eclipsed by Minot State cindermen this year, as they proceeded to capture a second place finish in both the indoor and outdoor conference meets.

The indoor season saw the team capture three 2nds, two 3rds, and a 1st place finish in their eight meets. Four new records were set during the season.

Four 1st place finishes highlighted the 1972 outdoor season. Coach Wiley Wilson's squad broke six records as they won dual meets with Eastern Montana of Billings and Dickinson State. Minot also won their invitational and quadrangular meet held at the college field.

Seated: Tom Siebel, Greg Sjaastad, John Hawronsky, Vaughn Kessler, Kevin Richardson, Rich Gaffrey, Don Stern, Don Lande. *Kneeling:* Jim Gefroh, Gerald Jones, Larry Dykema, Don Thymian, Bruce Iverson, Harvey Jore, Dennis Rademacher, Jerry Grandahl, Brent Wallander, Coach Wiley Wilson. *Standing:* Coach Bert Leidholt, Doyle Hughes, Mike Hemingson, Gary Batts, Rod Barth, Tom Haider, Tim Sevig, Ed Brezinski, Ron Just, Steve Gunderson, Steve Loeppke.

Medley relay team goes undefeated

The pride of the 1972 Minot State women's track team was their undefeated 880 yard medley relay team, which clocked the 880 yards in 2:07.8.

Coach Carol Lavia's coeds entered three regular meets during the season and produced two 2nd place finishes and a third. The team closed out the season with a respectable 3rd place finish in the state track meet in Dickinson. Outstanding performer in the State track meet for Minot was Mary Gessner who captured 1st in the 100 yard dash, 220 yard dash and ran on the 880 yard medley relay team. Members of the undefeated 880 yard relay team were Jackie Sprios, Mary Gessner, Ardy Sayler and Phyllis Holten.

Enroute to capturing 3rd in the state track meet the girls also broke 10 MSC records.

Coeds play in College Women's World Series

Minot State College's coed softball team opened their 1972 season with a sweep of a twin bill against Mayville State.

The Minot women outslugged their opposition 21-3 in the opening game. A 19-0 shutout victory in the second game gave the MSC coeds their second win of the day and sweep of the softball double-header.

Climaxing the team's season was their participation in the College Women's World Series held in Omaha, NB. Minot lost their opening game 9-3 to Arizona State, the eventual champions of the tournament. A 8-4 loss to Wayne State eliminated the Minot coeds from further competition in the 18 team tournament.

Team gets crown for conference

When the final gun sounded and the 1972 football season was officially over, Minot State fans once again could boast a conference champion. Enroute a posting a 4-1 conference mark the Beavers tied Valley City State to complete the successful defense of their conference crown.

Minot opened its 1972 season with an impressive 21-0 win over the University of Saskatchewan. Following their season opener the Beavers traveled to Carroll College of Helena, MT. There the MSC team displayed a much improved offensive attack in handing Carroll a 31-14 loss in their season opener. September 23 the Bea-

Beavers win game at Homecoming

vers successfully launched their conference campaign with a 34-7 conquest of Valley City State. A 27-20 decision over Mayville State gave the Beavers their second straight conference win in as many outings. Minot dominated the game offensively, turning in their best showing of the year with 410 yards. The team, however, was hampered some by their faltering defense.

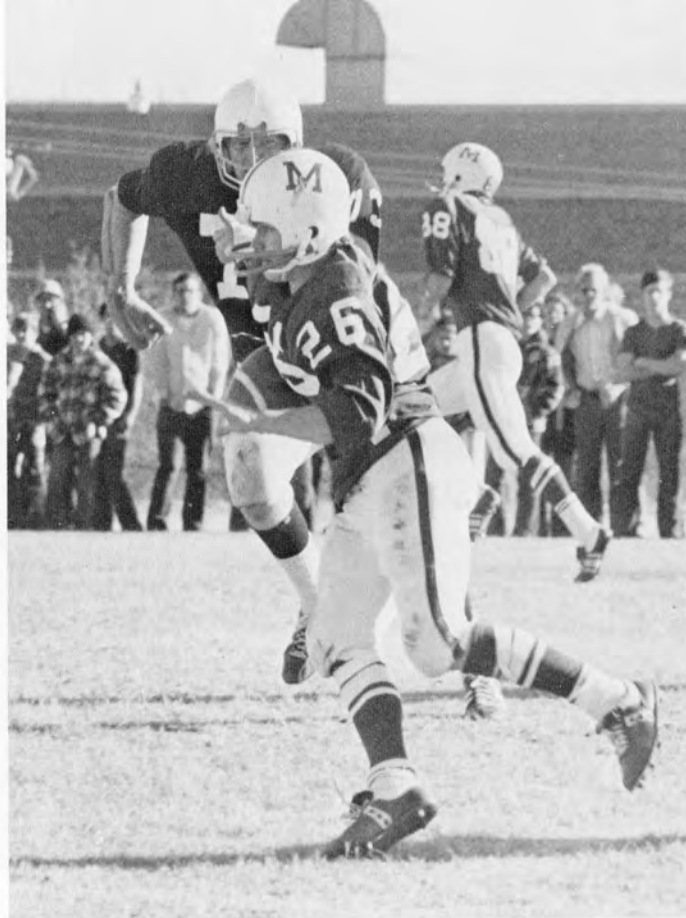

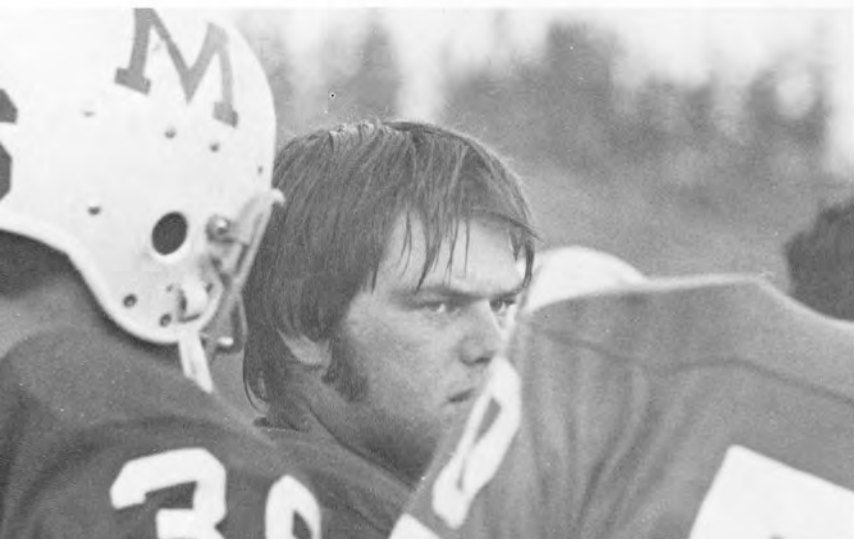

Tom Lawrence's quarterback sneak from the three yard line produced a 12-8 Homecoming victory for the Beavers over the Dickinson State Savages. The win equaled the school record of ten consecutive regular season victories set in 1948-50.

Although Minot's offense turned in its worst performance in four years, head coach Ken Becker

was well pleased with the excellent defensive job that the line and secondary positions turned in. A 28-6 decision over Jamestown College gave MSC its third straight win and eleventh consecutive victory. The victory for the Beavers also set a new school record for most consecutive regular season wins. The Beavers, led by running back Bruce Iverson and Mickey Anderson compiled 330 yards to Jamestown's 150. Saturday, October 21, Wahpeton State School of Science handed the Beavers a 48-22 defeat to place Minot in a tie for the conference crown with Valley City State. It was the first defeat for the Bea-

vers in 12 outings.

A 24-14 loss to Eastern Montana of Billings and 34-14 drubbing at the hands of Westmar College of LeMars, IA, added the finishing touches to the Beavers season. The two defeats left Minot with a 6-3 overall record and a 4-1 conference record for the 1972 campaign.

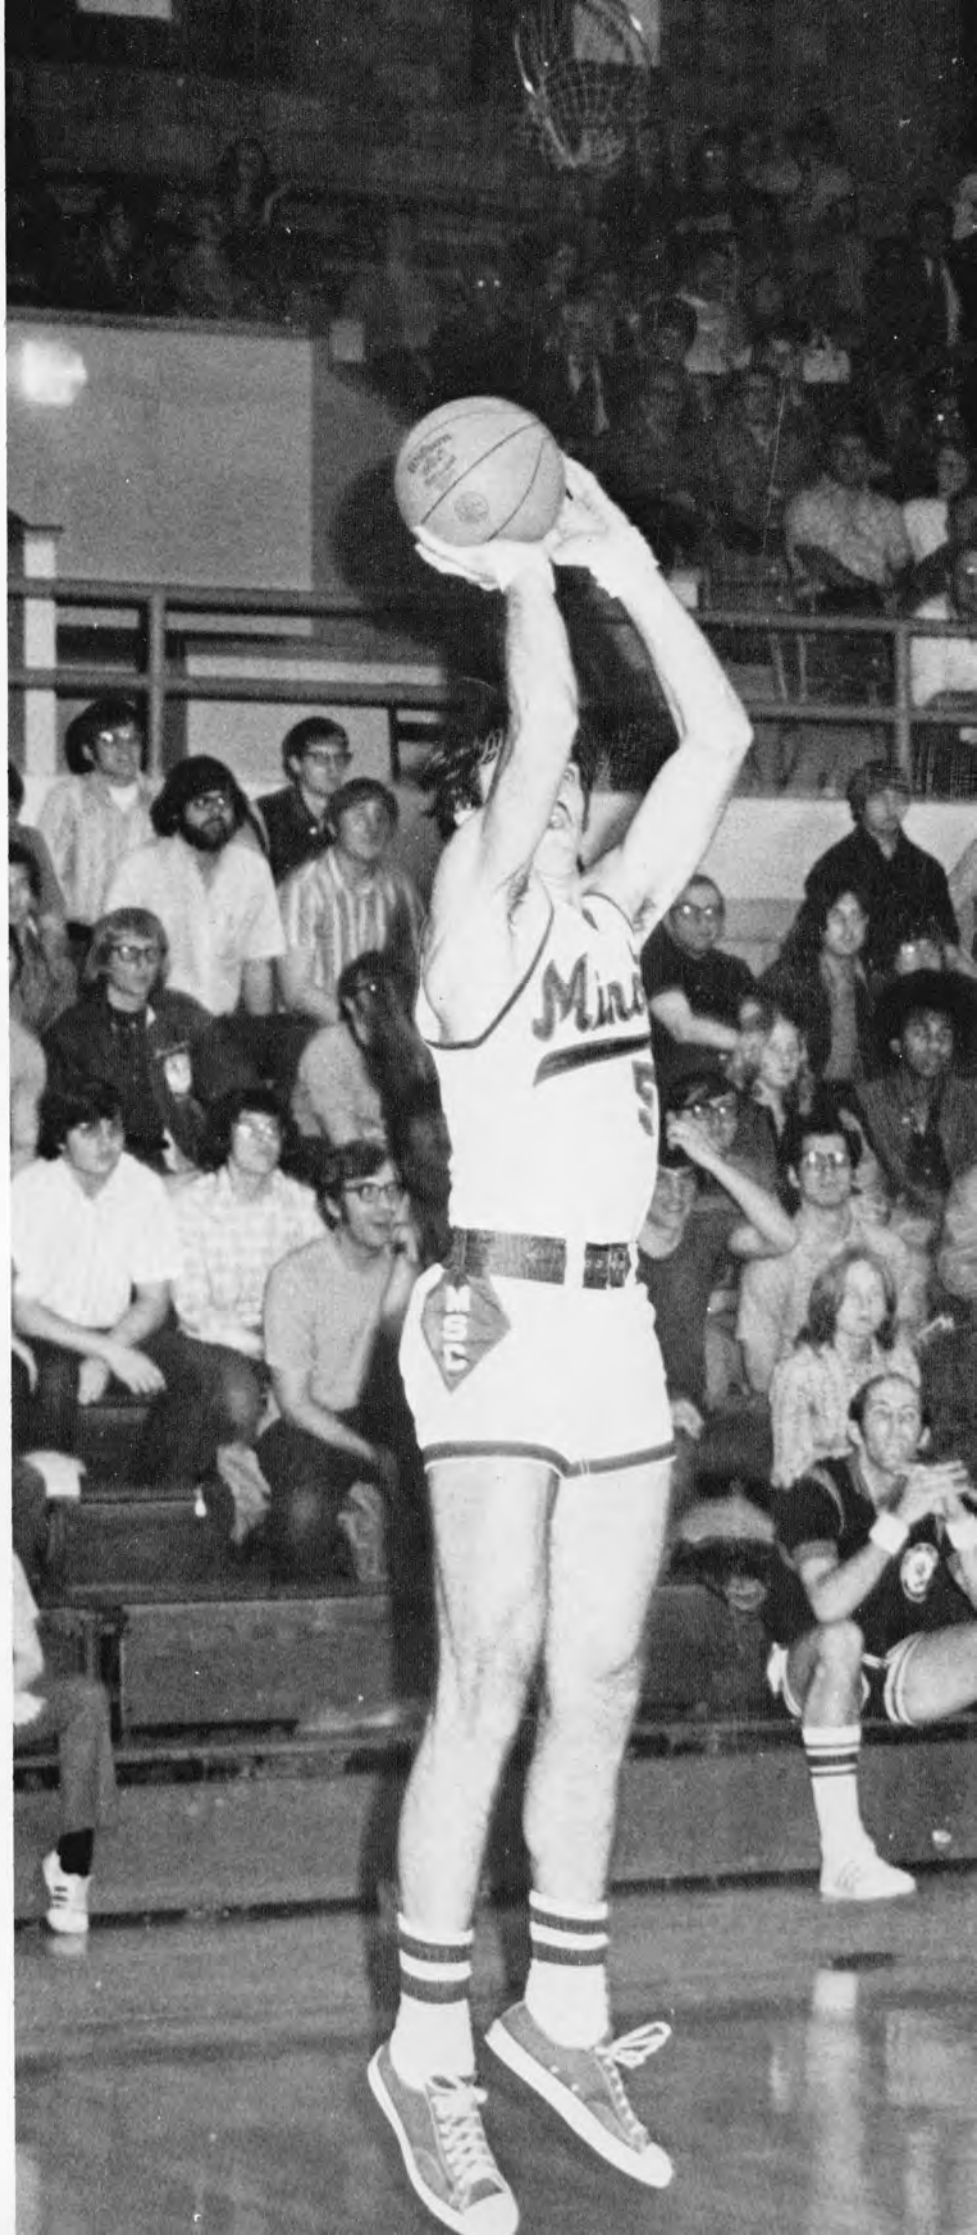

Beavers claim loop crown

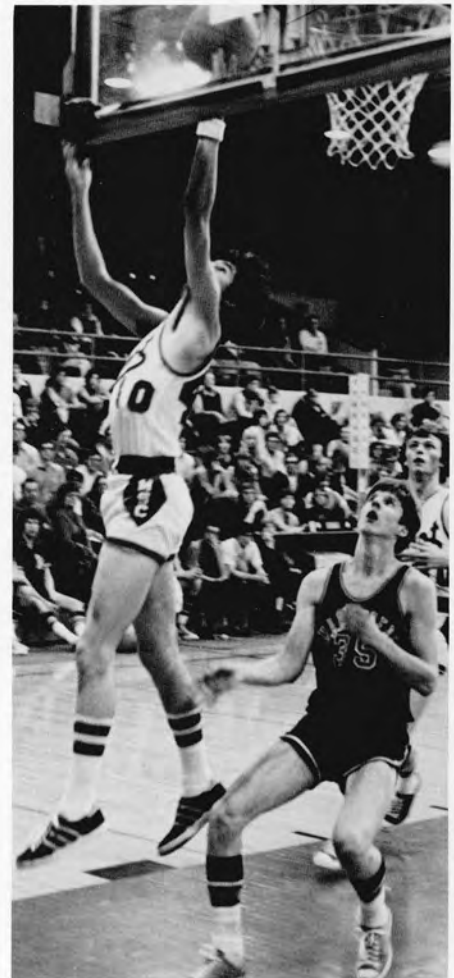

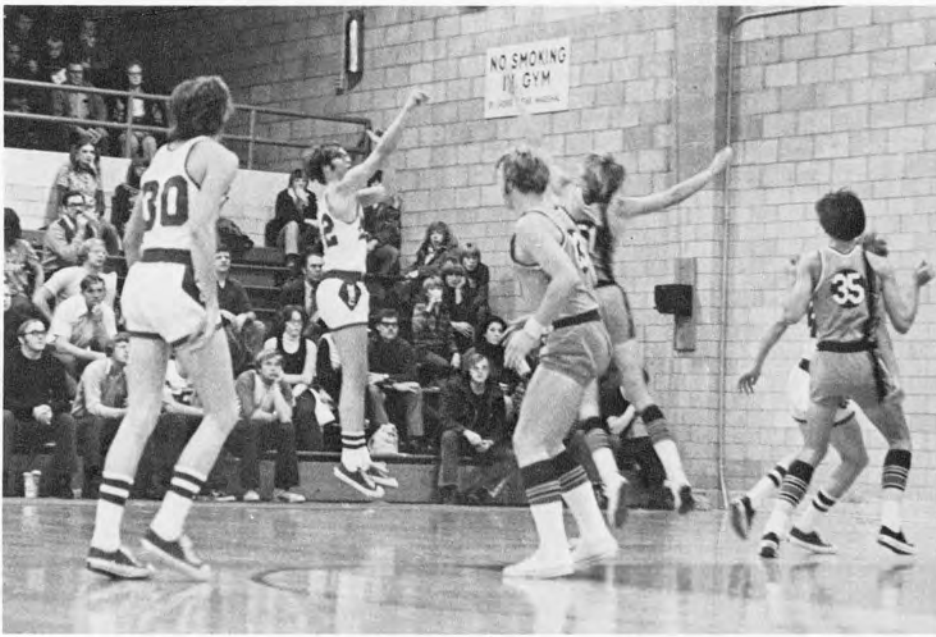

After a rather disappointing non-conference showing, the Minot State Beaver basketball team regained their 1972 championship form to successfully defend their conference crown. The Beavers clinched a tie for the crown with a 84-80 victory over Wahpeton State School of Science.

Three days later the Minot State quintet scalped the Dickinson State Savages 88-72 to claim sole possession of the North Dakota College Conference loop crown. The win left the Beavers with a 8-2 conference record and their third conference crown in the last three years.

Kneeling: Gary Batts, Frank Bruels, Steve Reinke, Jerry Ferguson, Walter Bees, Steve Dentz, Kurt Carlson, Loren Scheer. Standing: Dean Bowyer, assistant coach, Philip Parker, Terry Voiles, Jay Sundheim, Tim Kaiser, Kevin Tatum, Wes Luther, head coach.

Team opens with 100-83 win

The Beaver team opened the 1972-73 campaign November 28 with a 100-83 win over Dakota State, Madison, SD, and an 87-79 triumph over Northern State of Aberdeen, SD, two days later. An 87-80 overtime loss to Northern Montana, Havre, MT, was their first registered setback of the season.

After suffering their second loss of the season 85-60 at Bemidji State College, Bemidji, MN, the Beavers came back with a sound 90-77 win over Concordia College of Moorhead, MN.

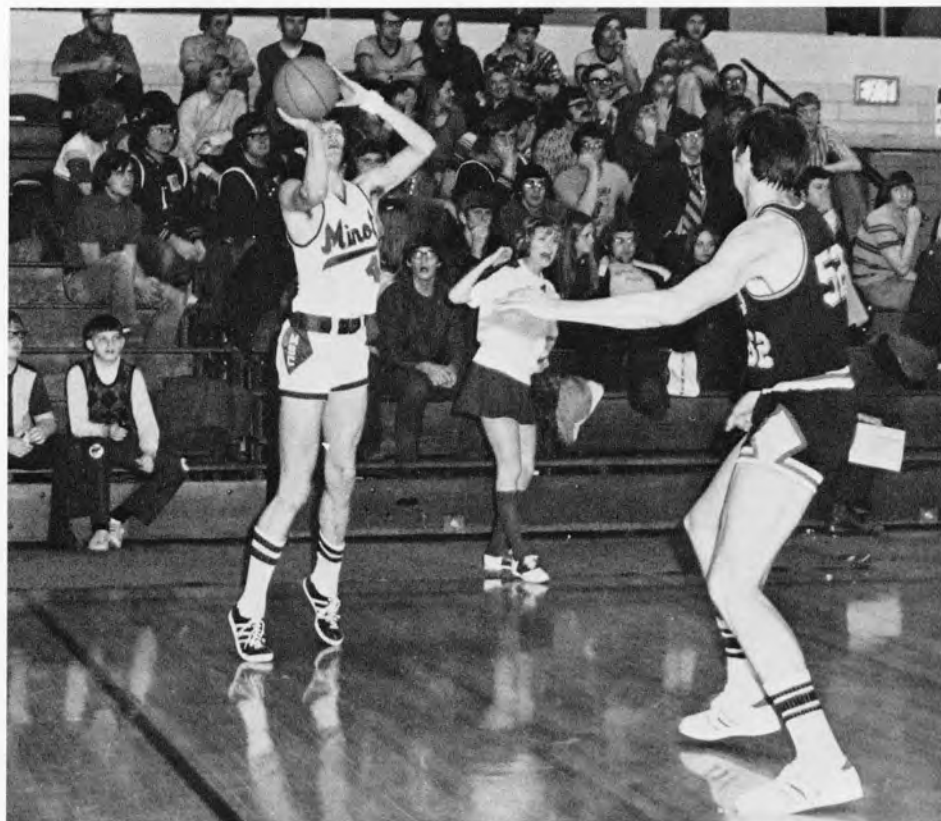

A split with Chadron State College, Chadron, NB, and the

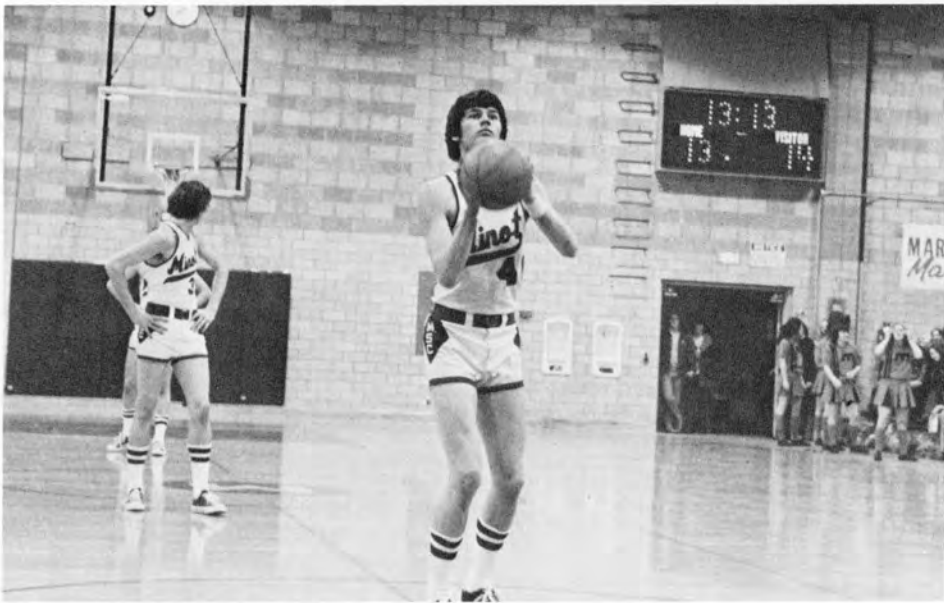

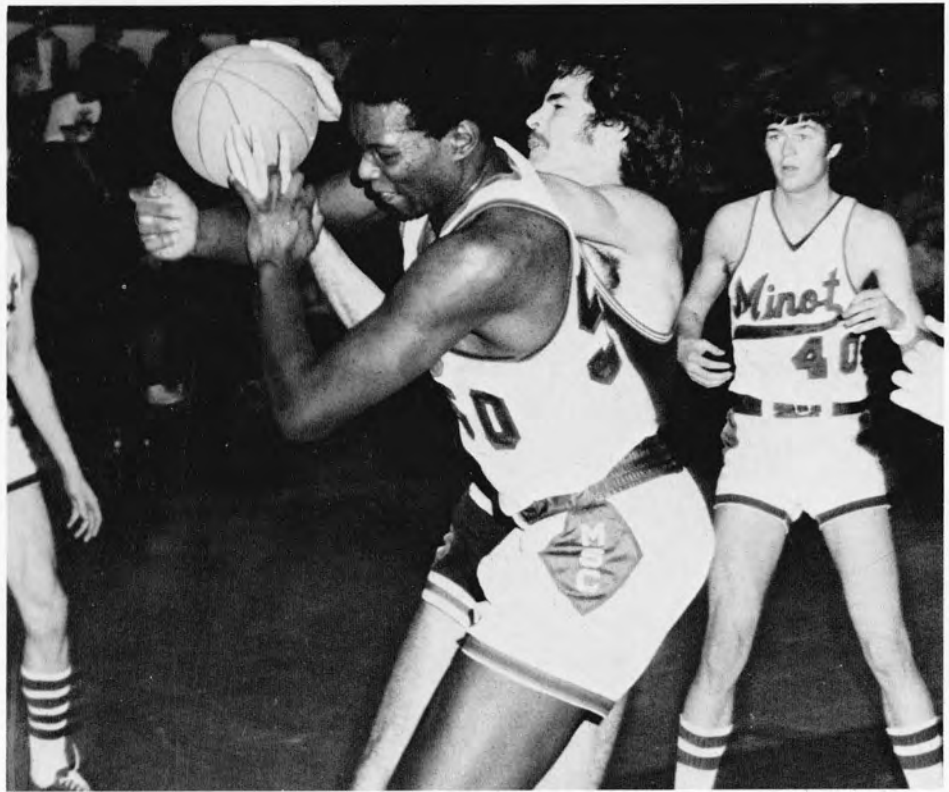

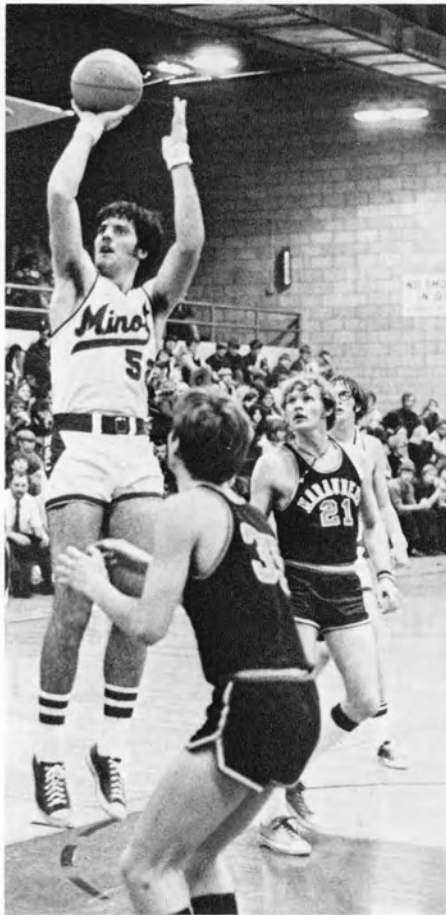

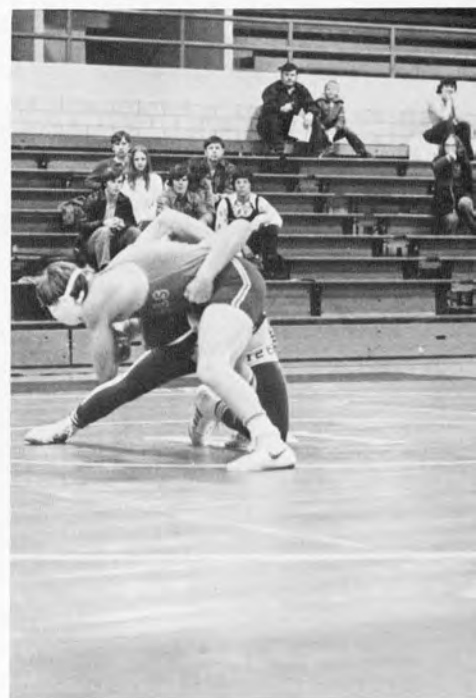

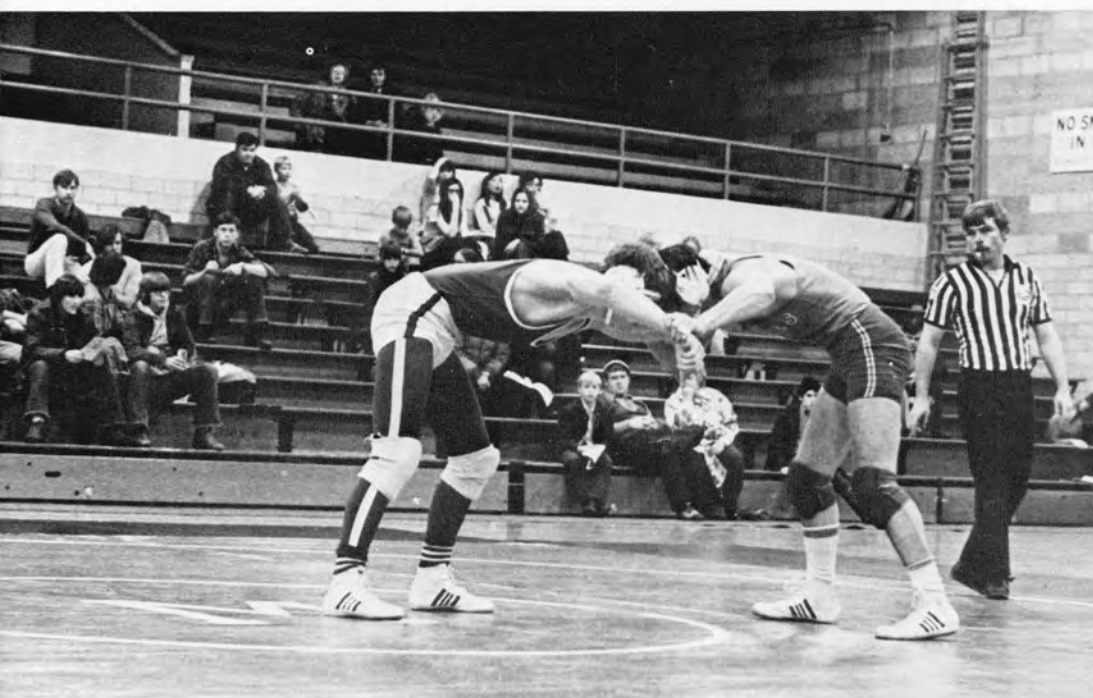

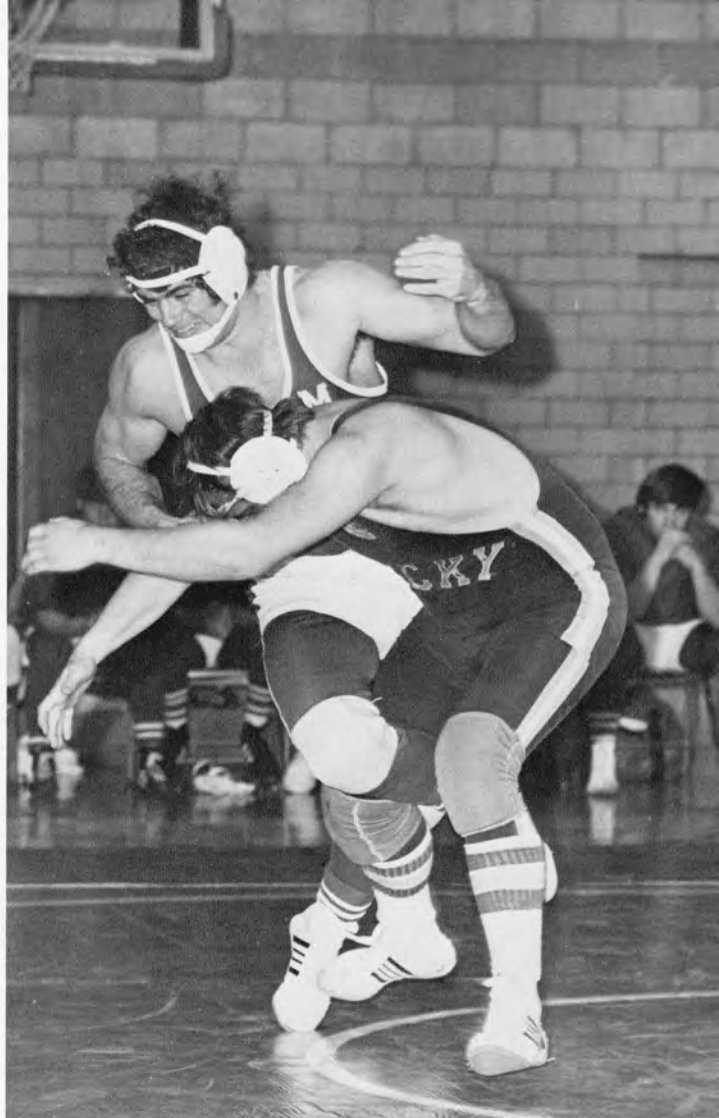

Beavers post 8-2 conference record

ensuing losses to Huron College, Huron, SD, and the University of Manitoba capped what most considered a poor non-conference showing by the Beavers.

An 89-69 decision over Jamestown gave the Beavers their conference opener. The team then proceeded to run up a 5-0 conference record before being stopped 78-76 in overtime by the Jamestown Jimmies. Following the loss to Jamestown, the Beavers also succumbed to Mayville State before clinching a tie for the conference crown against Wahpeton and then winning it outright with their win over Dickinson.

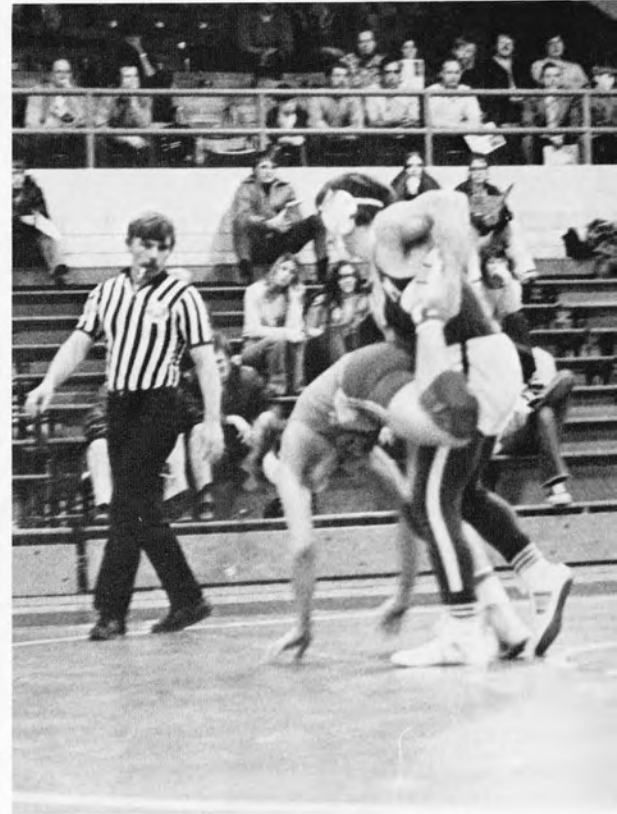

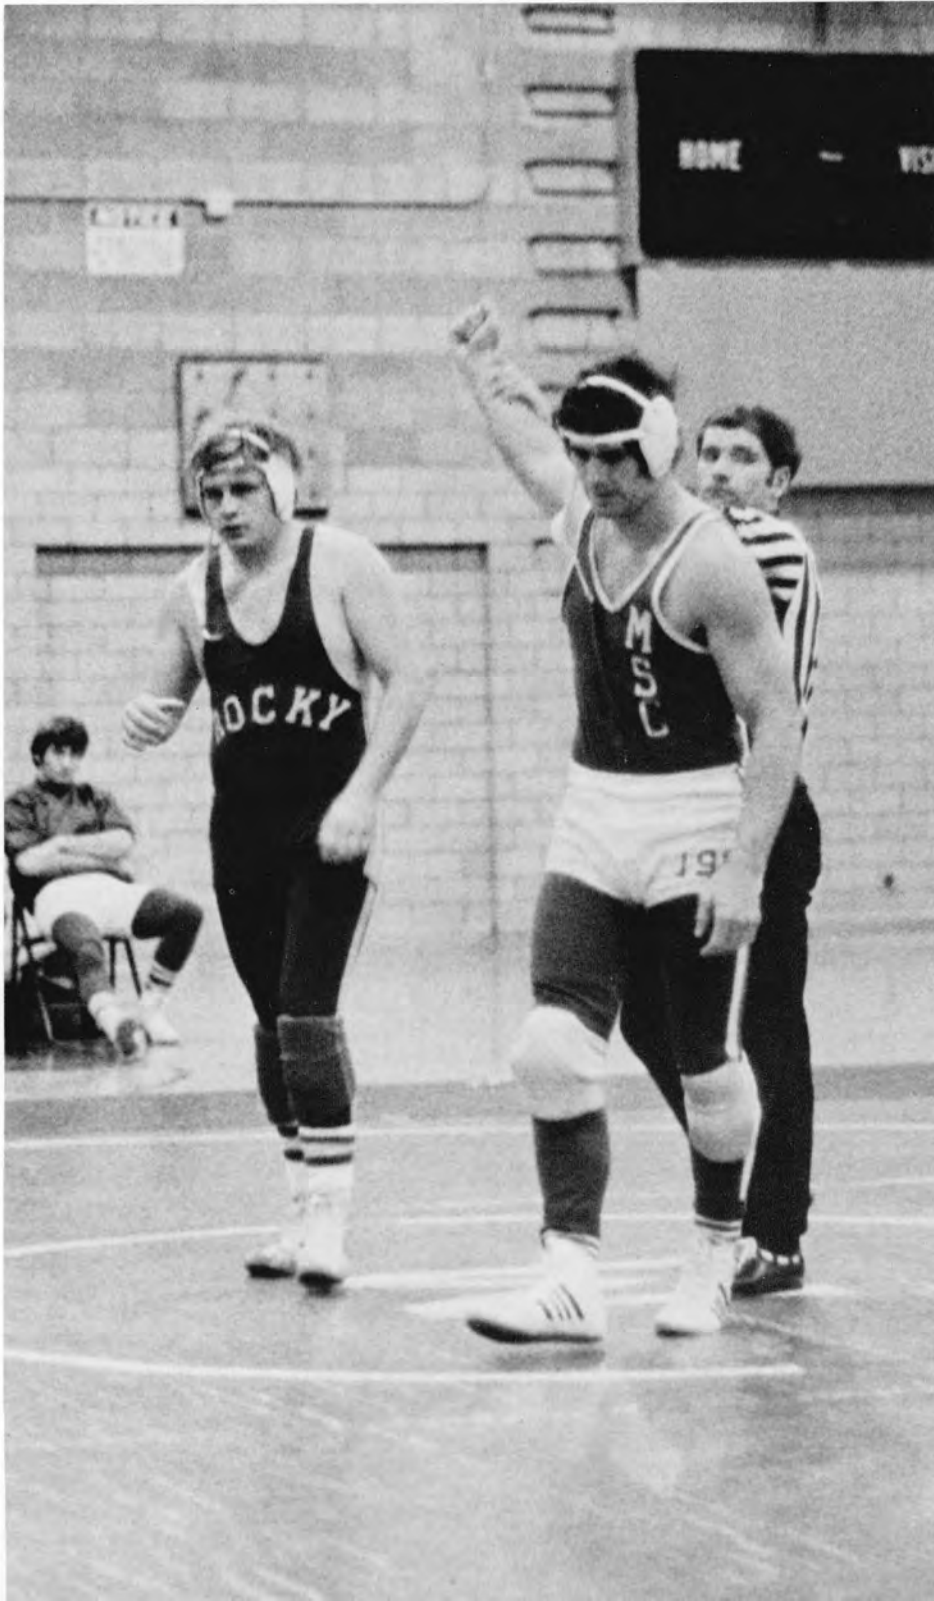

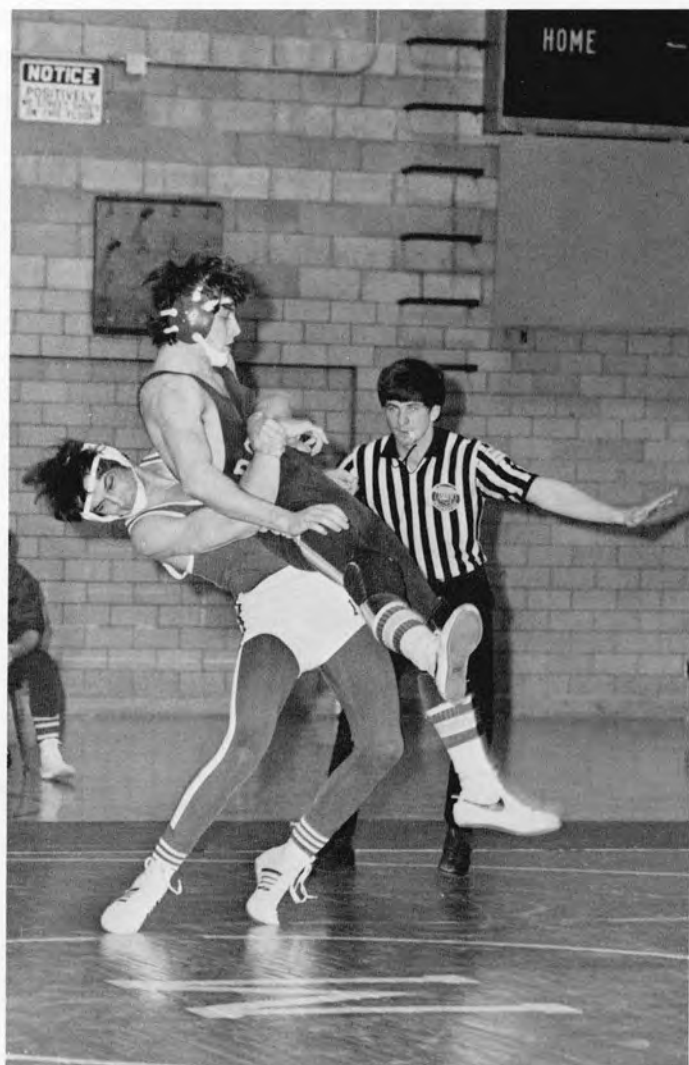

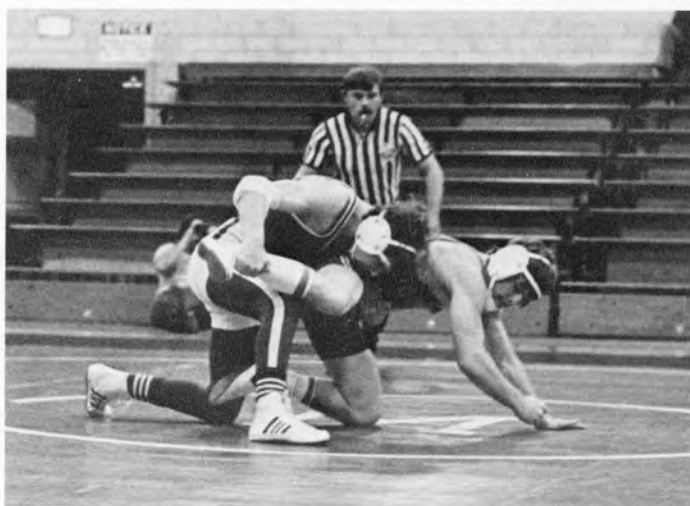

Beavers defeat defending champs

Going into the Championship round of the North Dakota College Conference Wrestling Tournament, challenging Minot State led defending champion Valley City 76-75.

But of the 10 championship matches, Coach Dean Bachmeier's Beavers won five-all over Valley Citians — to walk away with their

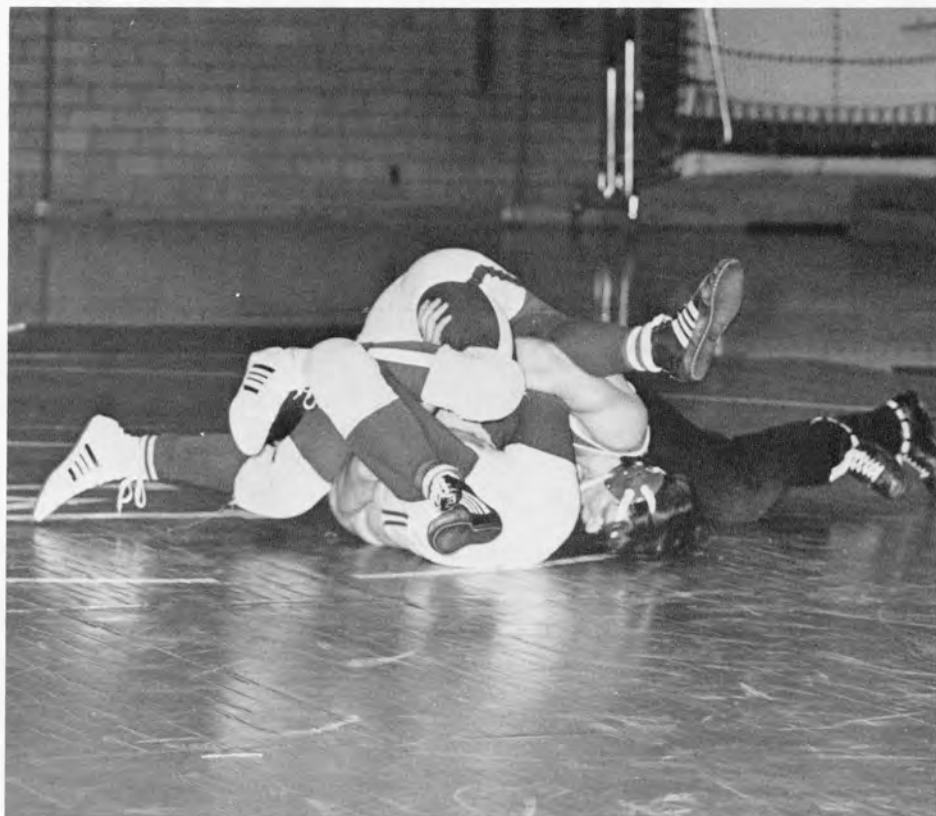

Grapplers post 13-3 record

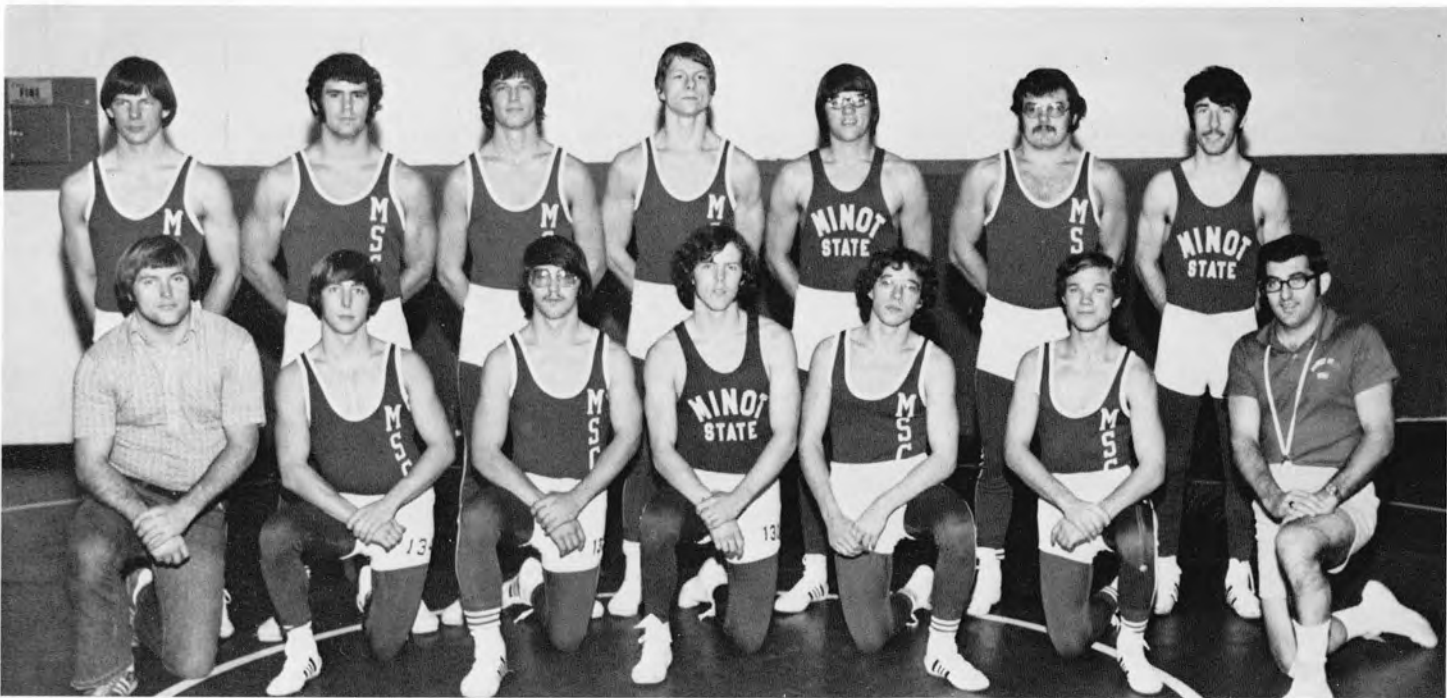

first loop crown since 1968.

By placing all of its wrestlers Minot totaled 91 points, 10 more than second place Valley City.

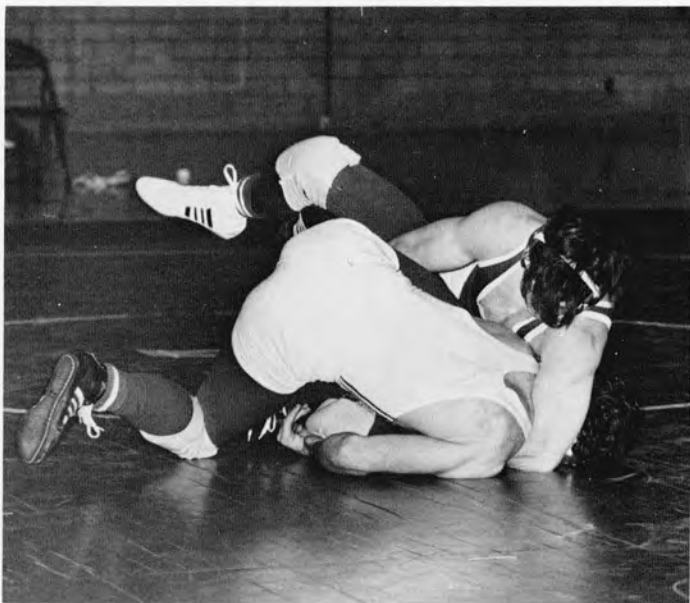

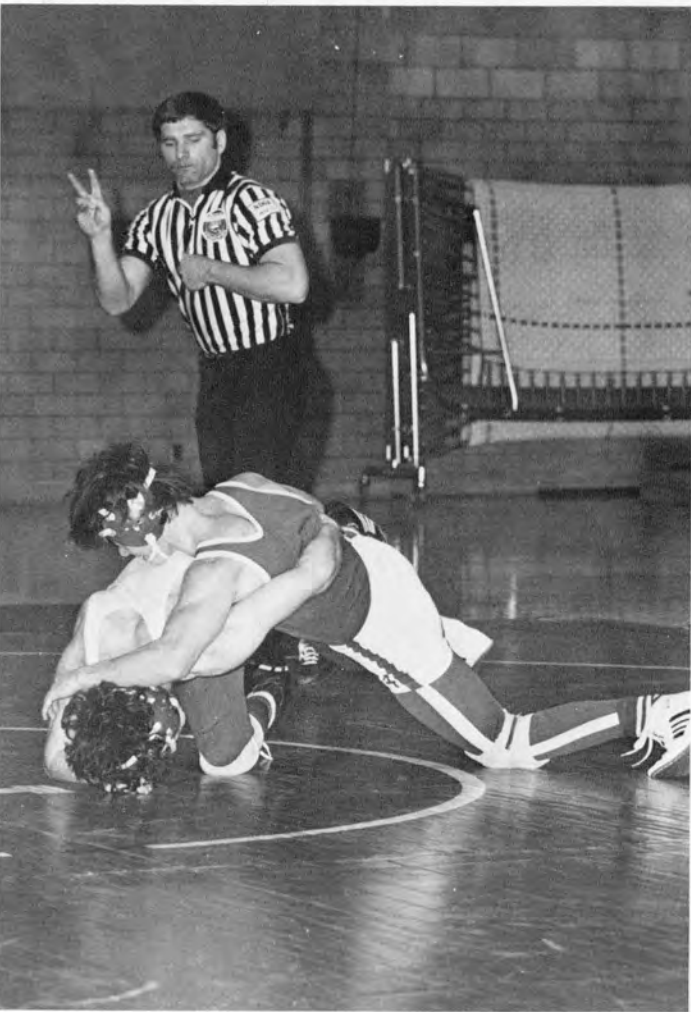

Notching conference wrestling titles for the Beavers were Ted Brinkman, 126 lbs.; Ken Vetter, 142 lbs.; Dan Holwegner, 150 lbs.; Terry Mathson, 177 lbs.; and Lowell Romfo, 190 lbs.

In their season campaign the MSC grapplers established a 13-3 record, one short of tying the school record for season dual wins of 14 set in 1967 and tied last year.

Kneeling: Paul Jacob, Milo Schmeichel, Ken Vetter, Tom Dougherty, Rich Christen, Tom Christen, Coach Dean Bachmeier. *Standing:* Kevin Dougherty, Dave Stuart, Dan Holwegner, Nick Schmit, Iggy Weigel, Terry Mathson, Ted Brinkman.

Standing: Maurice Hoover, Gayla Tudahl, Jeanie Heller. Sitting: Peggy Blessner, Susan Ahmann.

Inexperience hurts gymnastic team

Fielding a team comprised mainly of freshmen and sophomores, Coach Gary Leslie's gymnastic squad suffered severely from lack of experience and depth. Although the team sported a poor meet record for the season, continuous improvement of the younger squad members helped the Minot squad make a reputable showing in the state meet.

Competition for the gymnastic team included meets at Grand Forks and Bemidji, MN. Teams participating against Minot in these meets included the University of North Dakota, North Dakota State University, Dickinson State, Mayville State, and the host teams.

Left to Right: Julie Keller, Shawneen Edwards, Jackie Spiros, Janice Wrolstad, Val DeLong, Kathy Hoeffel, Cherie Andreson.

MSC cheerleaders

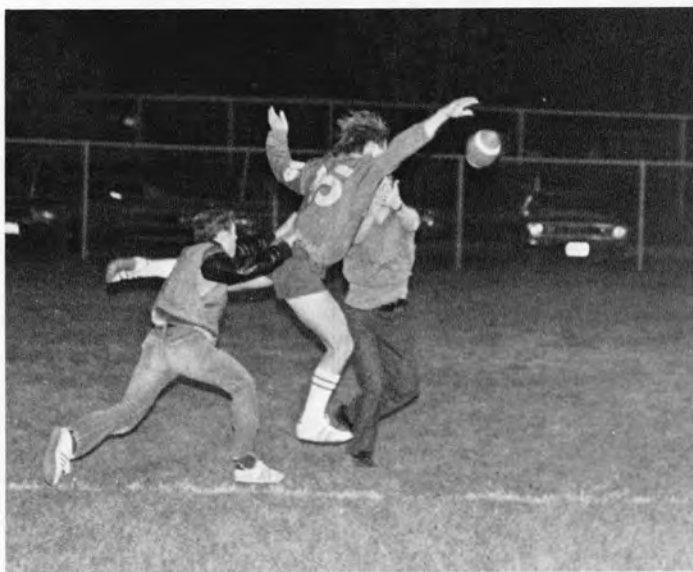

Men's intramurals

Spirited competition and active participation keymarked the 1972-73 men's intramural program. With more than 20 different teams vying for the overall intramural championship trophy the program was once again well received by its participants.

Under the present program set up by Wiley Wilson, director of men's intramurals, competition takes place in over 10 different sports. Participation is open to all MSC male students and the program runs from the beginning of fall quarter to the end of spring quarter.

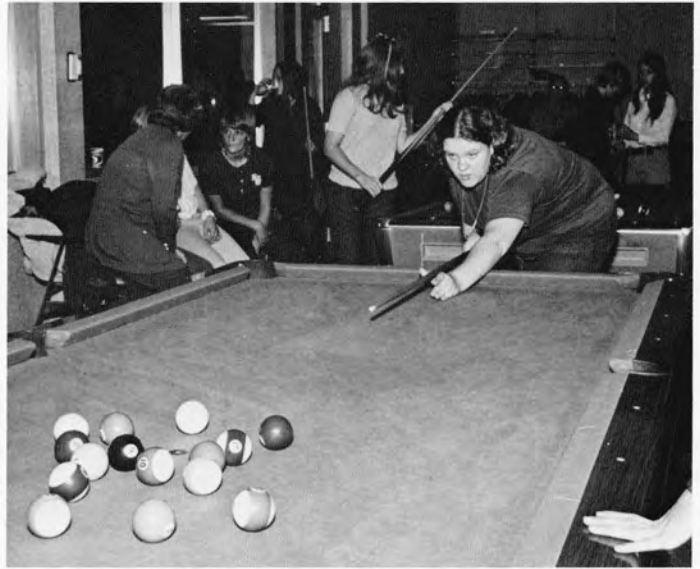

Women's intramurals

Minot State College coeds are offered a wide degree of variety in the intramural programs set up for them. The interested MSC coed may partake in volleyball, basketball, softball, bowling and many other sports.

Designed to aid the physical development of the MSC female student, the intramural program seeks to induce the participation of all Minot State coeds. Directing the program is Kathleen McCann.

Administration

President gives MSC perspectives

This year the college developed plans for a \$800,000 classroom building to be located north of the Main Building. Construction should be under way by the spring of 1973. The facility will provide for added accommodations for art, dramatics and mathematics.

The college completed its amphitheater project during the summer of 1972 and hopes to complete the stadium project by the spring of 1973.

Plans are being developed to present the budget request to the 1973 legislative session. Present prospects seem to indicate that we can anticipate a leveling off of enrollment. This will mean that the college will have to redefine its missions and commitments.

Governor Link extends MSC congratulations

Congratulations to the students of Minot State College. By this time each has recognized that education is a continuing process and for one to be well educated requires a constant search for knowledge.

The structure of a strong and free society rests upon a trim foundation of literate and compassionate people.

Because of the excellence of instruction at Minot State College, students and graduates are better prepared to continue the quest for knowledge in man's never-ending search to develop a more perfect society in our own country and abroad. To this end we must all dedicate ourselves if we are to be worthy of inheriting the gifts of God and the fruits of the labors of our forefathers.

Division offers degree programs

The division of allied health professions offers three degree programs in the health science field. These are a bachelor of science degree in medical technology, bachelor of science degree in nursing and a bachelor of science degree in radiologic technology.

The division also supervises very flexible programs for students that desire to obtain their pre-professional programs at the college. These programs include pre-medical, pre-dental, pre-pharmacy, pre-physical therapy, pre-optometrist, pre-occupational therapy.

NCATE gives full MSC accreditation

The National Council for Accreditation of Teacher Education has given Minot State College and the division of education and psychology full accreditation after recent intensive evaluations of the processes employed by MSC to prepare teachers for public and private school service.

It is within the framework of continued course evaluation, refinement, revision and addition that the division strives to upgrade the programs available to teachers in training.

One staff member has been granted a sabbatical leave to study a number of different school systems as part of the endeavor to further meet the objective of an improved curriculum in the division.

EC acquires quarters in Pioneer basement

This was the second year for the Experimental College. In August they moved to the basement of Pioneer Hall. In September their IBM 1130 computer arrived and they opened the Pioneer Hall computer center.

During August field trips were opened to the public. They included dinosaur hunting in Montana and southwestern North Dakota. In October a group of Experimental College students crossed the Grand Canyon while another group studied geology in

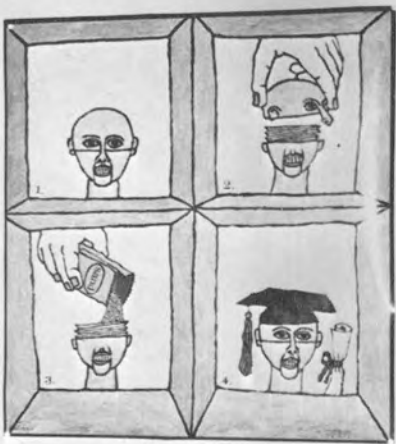

the Black Hills. During this period 150 eighth graders toured North Dakota with experimental college students.

Volunteer workers started helping around Minot and North Dakota as the division's off campus programs expanded. Students tried to predict election results at the computer center while others tried to get their candidates elected.

A new editor and staff began monthly publication of the *Journal of the Experimental College*. Exam courses were introduced and the words minicourses, projects, papers, oral presentations, seminars and consultants echoed through the halls.

Students develop personal aspects

The health, physical education and recreation division provides the student with an opportunity to develop the physical, mental and social aspects of his personality.

This development takes place at three levels of participation: (1) the required program, (2) the intramural program, for those who wish to participate in sports and games in free time, (3) the intercollegiate program, for those students who have reached a high degree of proficiency and competency.

Each and all three of these programs are an integral part of the program of professional preparation for health and physical education teachers, athletic coaches and recreational leaders.

Group accredits music division

Of significant importance to Minot State College was recognition and acceptance of the division of music as an associate member of the National Association of Schools of Music November 20, 1972. This examiner's report and accreditation was the result of more than a year's preparation through the total effort of the music division staff. Professor Robert Larson was coordinator for the project. The membership constitutes a recognition and acceptance of MSC music graduates with bachelor of science and bachelor of arts degree in all ANSM accredited colleges and universities.

Stan Hahn, high brass, replaced Gerald Poe, who is on a year's leave of absence to complete his DMA at the University of Colorado.

Dr. Jerold Sundet returned from a year's study in England and John E. Anderson was retained as woodwind instructor and director of the concert band.

Ralph C. Wallin, professor of organ, piano and theory, after 20 years of devoted service at MSC, retired because of illness.

Activities include flood control study

An important facet of the operation of the division of science and mathematics this year is the Environmental Impact Study of the proposed Burlington Reservoir Flood Control Project under the supervision of James Lunan and Thomas Glorvigen.

This study, plus the establishment of a weather station on the campus, will give a big impetus to the environmental science program that was initiated last year. Further, the addition of a new computer, the IBM—1130, improved the effectiveness of teaching and research in all fields of science, in particular — mathe-

Dr. Paul D. Leiby, chairman of the division, took a six-month sabbatical leave to study the incidence of *Echinococcus multilocularis*, a parasite harmful to man, among the domestic animals in North Dakota and adjoining states under a grant from the National Institute of Health.

In his absence, Dr. Om Madhok and Dr. Arnold Johnson are sharing the administrative responsibilities as acting co-chairmen of the division.

SS sees increased division enrollment

The division of social science had big enrollment increases with the expansion of the law enforcement program and the proposed sociology major.

This year more students have been working in various agencies in the community by means of a practicum. Also, additional services were provided for the aged in North Dakota. Community research and planning was carried out for Minot and Ward County by the sociology and social science departments.

A new Bureau of Social and Economic Research was established this year and the staff, with the help of qualified seniors in social science, are providing investigative services for the community and area.

Special Education pioneered at MSC

Minot State College is proud to have pioneered the special education program in North Dakota and the division of special education continues to be the major training facility of professionals in the upper midwest. The majority of those working in North Dakota are graduates of Minot State College and many have gone on to complete advanced degrees and assumed varied roles of leadership in the state as well as the nation.

The areas in special education are in mental retardation, education of the deaf and speech pathology and audiology. The

training leads not only to the degree but also certification by national professional organizations such as the American Speech and Hearing Association and the Conference of Executives of Schools for the Deaf. The special education division is the only division at MSC which offers a masters degree.

The Speech and Hearing Clinic, an integral part of the training facility of the division, has the most modern equipment and program which attracts numerous students from Canada as well as other states. It serves a dual purpose of providing students opportunities to gain practical experience with all types of problems, as well as serving the community's clinical needs. The clinic serves the upper mid-west area with people traveling from Canada and neighboring states for diagnostic services.

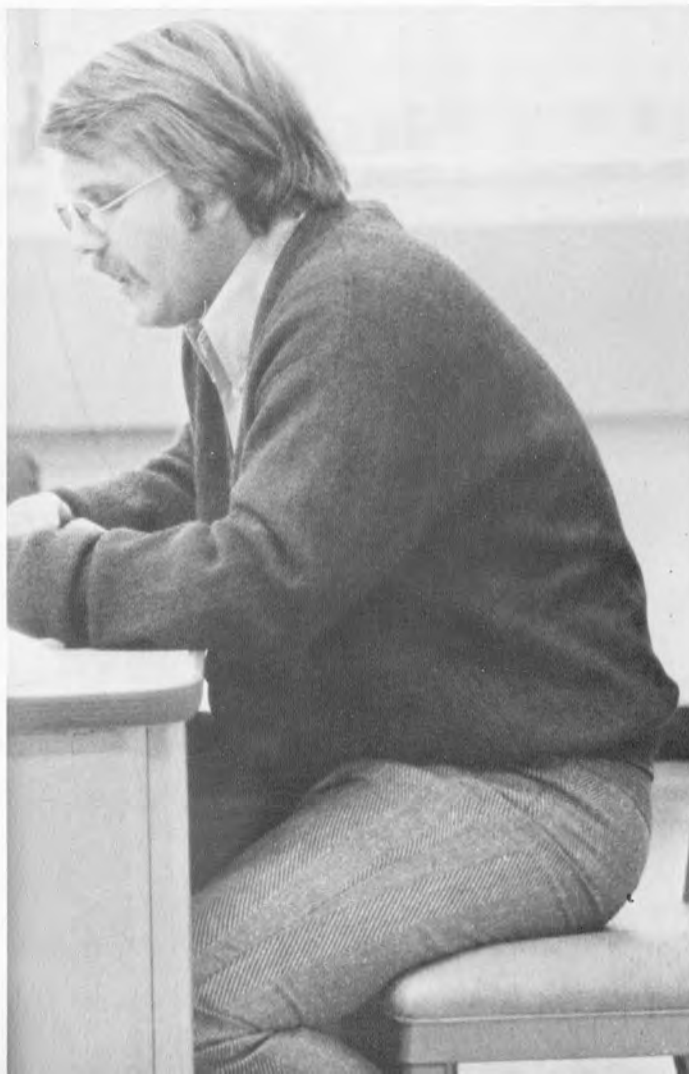

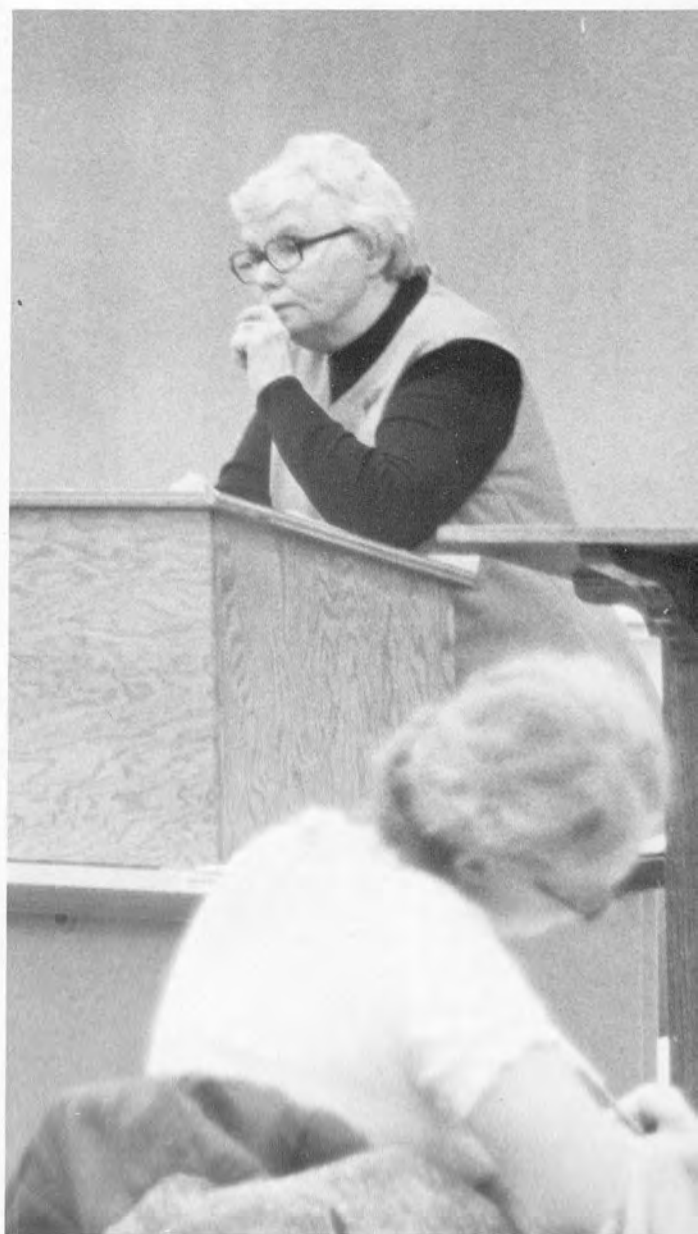

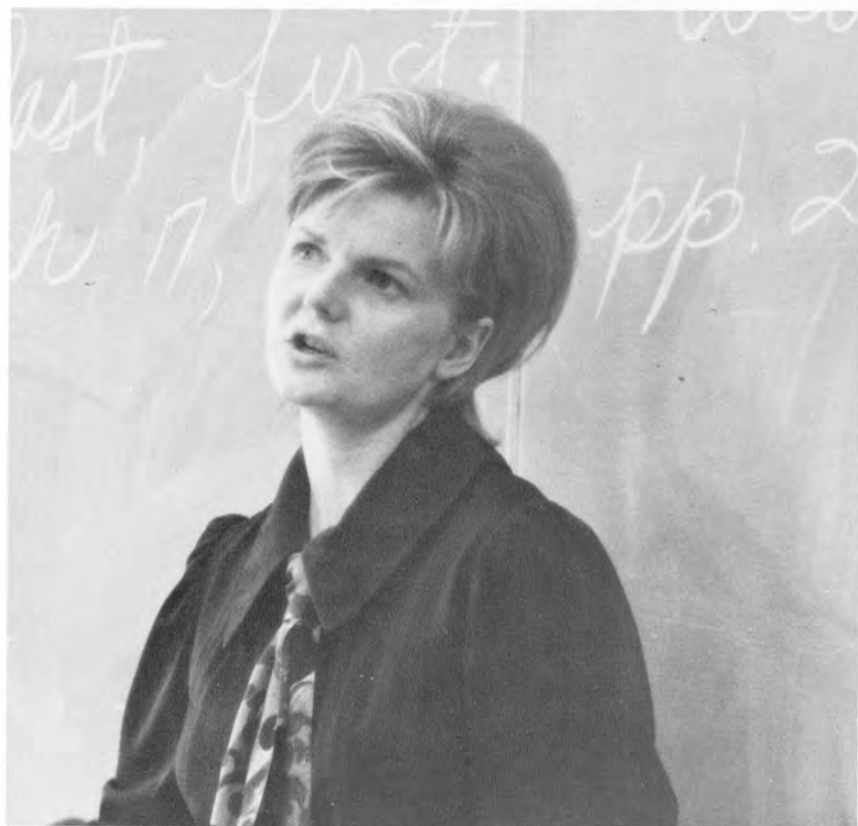

Division improves on last year's work

The division of literature and language is working this year to expand on those things learned from the experimental New Program which was so successful last year. Currently students in speech and drama are working in a concentrated program of theater work which is an outgrowth of the New Program started last year.

Curriculum revision is underway in anticipation of a shift to the semester system scheduled for fall 1974.

Progress is being made with the plans for a new building which will feature a new theater facility. When completed, it will provide the campus players with a home for the first time in their long history.

Services of units aid other facilities

The laboratory school is the educational testing ground of Minot State College. It provides pre-professional laboratory experiences for 96 per cent of Minot State's students yearly.

The school is engaged in 12 experimental projects including competency based teacher education courses and continuous laboratory involvement of teacher education students. Over 200 professionals come to observe the experimental projects during a school year.

Another facility offered to students of MSC is the Memorial Library. The library provides a quiet place for students to come and study or research for term papers.
