WHEN

When I was ten years old
I looked at the world around me.
I believed everything I was told
And thought I saw all there was to see.

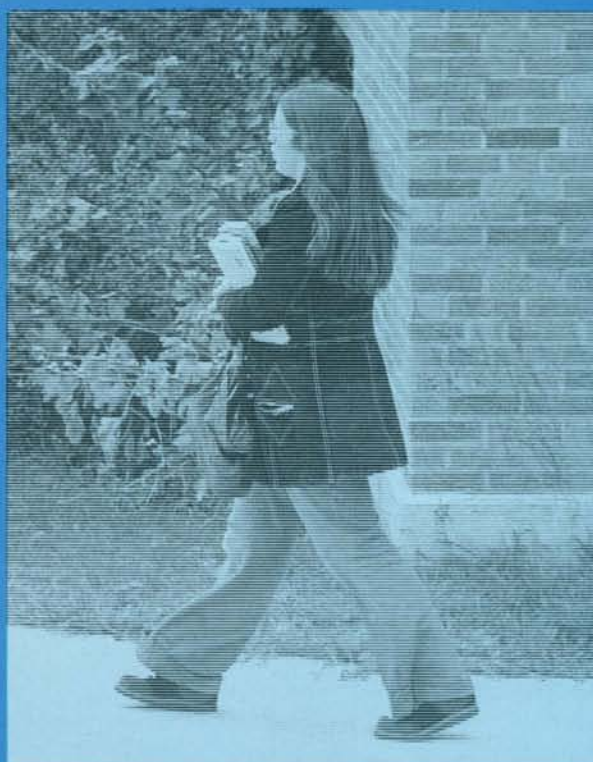

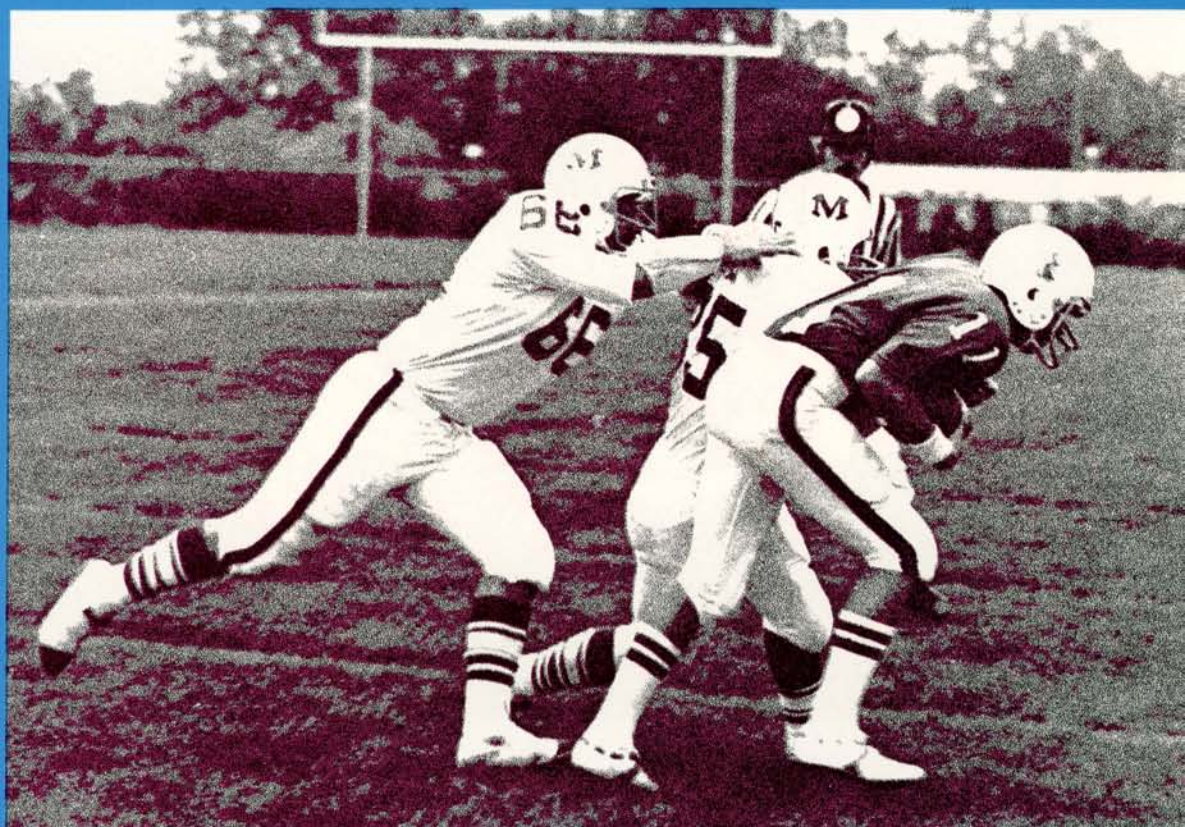

By the time I turned eighteen
I saw that what people say isn't always true-
That the other side of the fence isn't always green.
As I learned, my awareness grew.

Now here I am today.
I've come to see people as they are,
But I won't always see them this way.
I've been known to be wrong so far.

But what will I be like in ten years?
What will I accomplish?
Will I have conquered my fears?
Or will they be my finish?

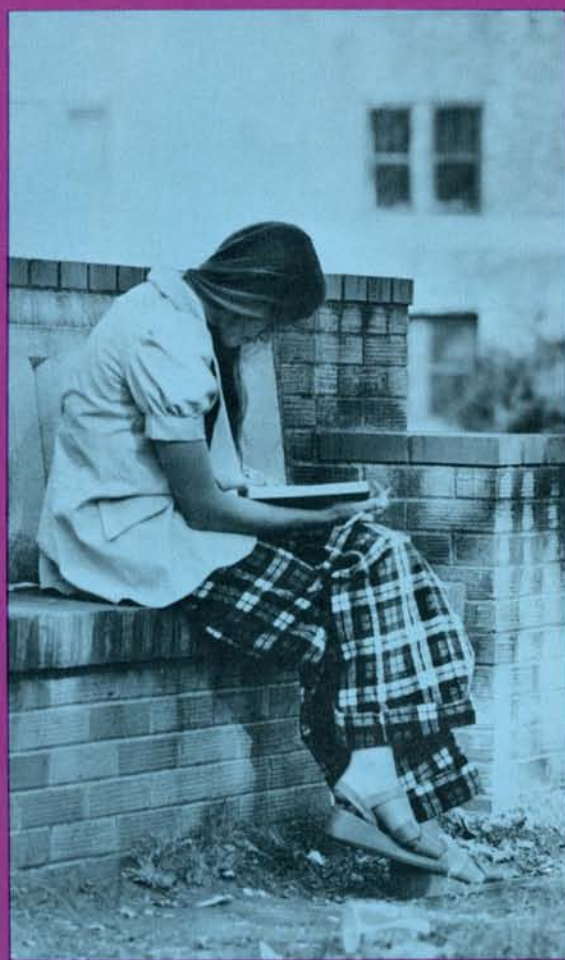

Ellen L. Crawford

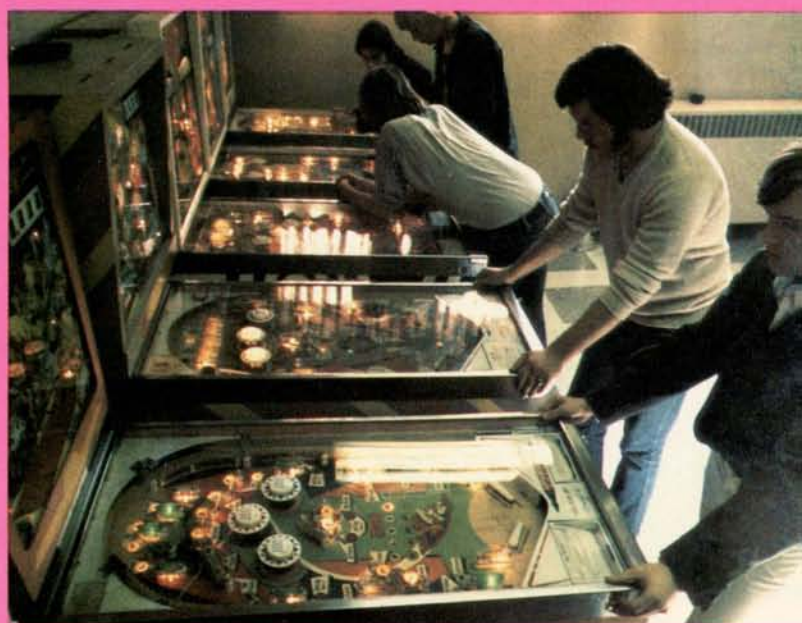

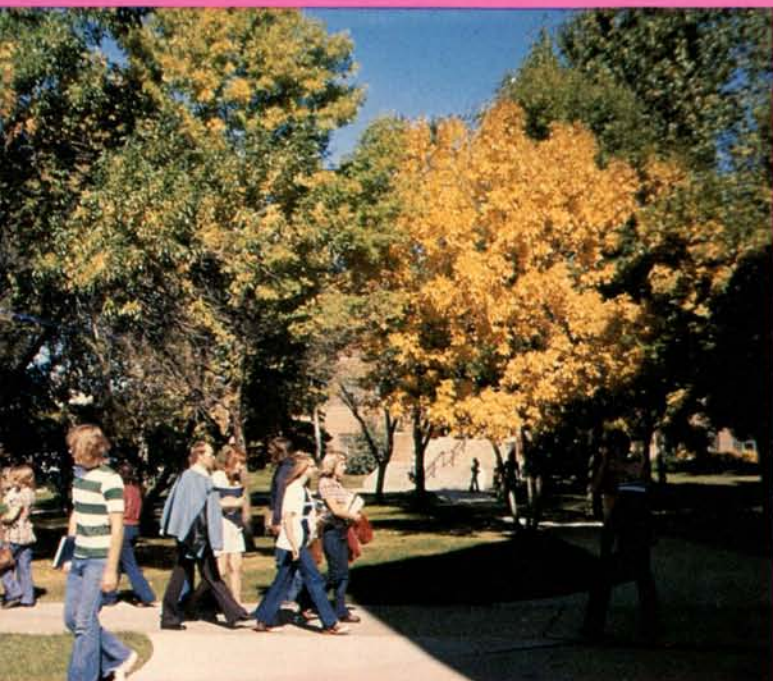

I don't know, Ma'am, why they make all this fuss about education; none of the Pagets can read or write, and they get on well enough.

LONELINESS

*Loneliness is the silence after you go
and never return.
Loneliness is the sadness I felt when
you said 'goodbye'.
Loneliness is the feeling of desolation
day after day.
Loneliness is the very empty feeling
that you caused.
Loneliness is the realization that I'll
never see you again.*

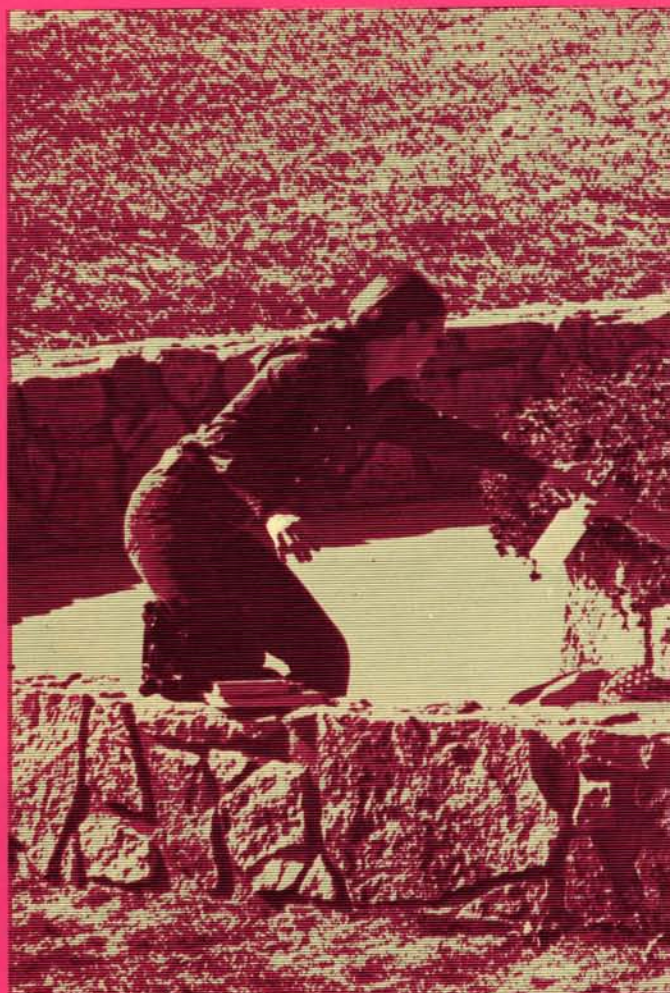

Ellen Crawford

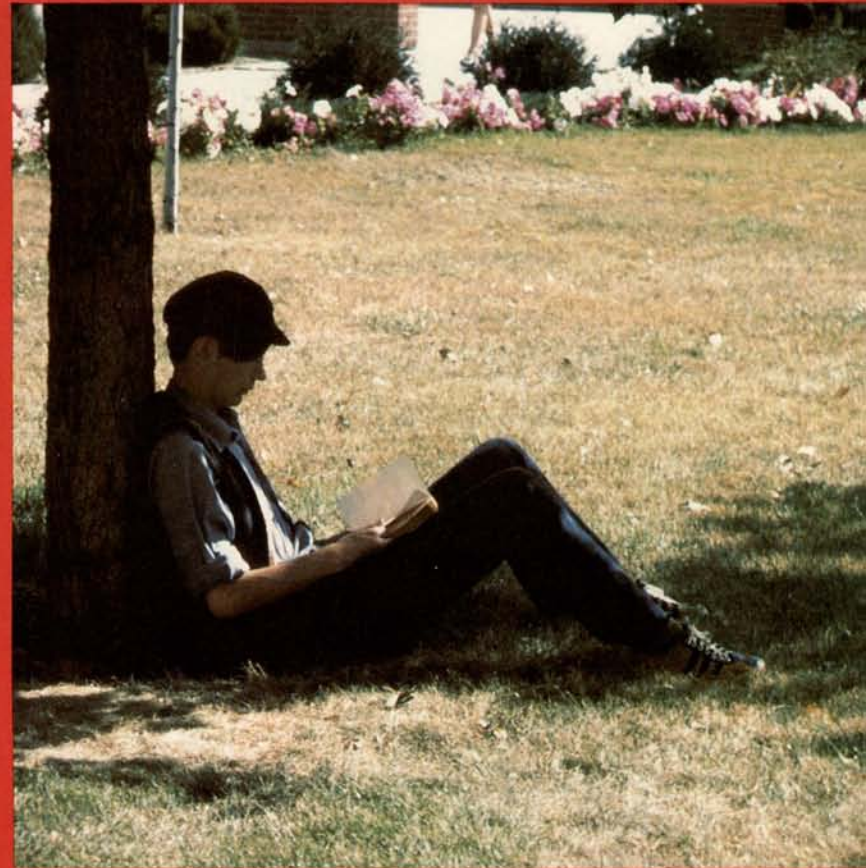

*Another year has passed us by-
The weeks and months seemed to fly.
What have I done with my life? I ask.
Have I finished the impossible task?*

E. Crawford

DARKNESS IS . . .

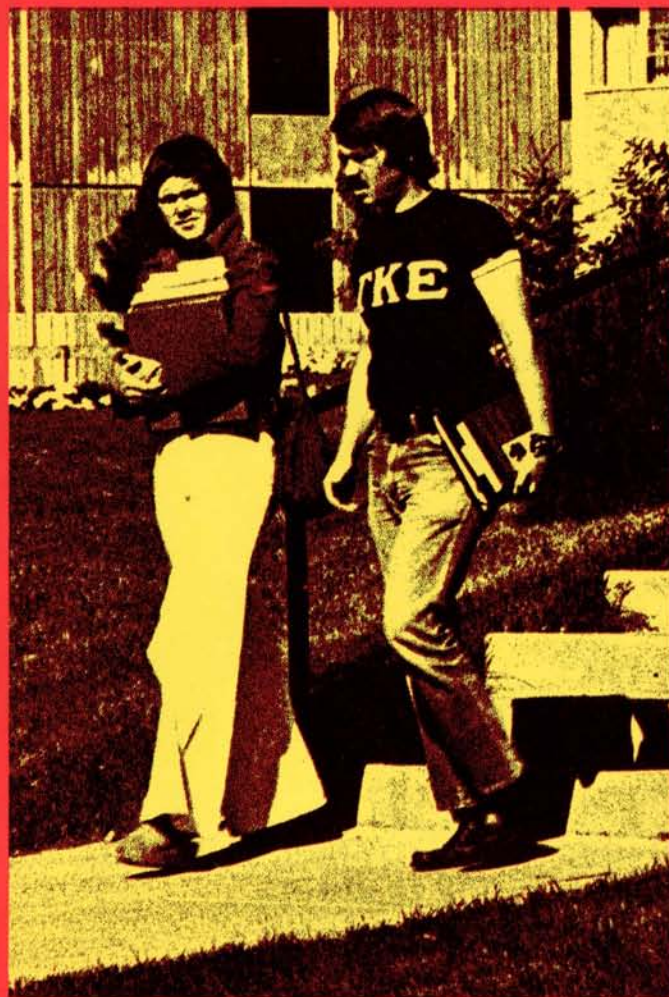

*Darkness is the peace and quiet,
The silence of night.
Darkness is not being able to see
The world that moves around you.*

*Darkness is the stillness
Where you can hear a pin drop.
Darkness is feeling your way around
Within your own world.*

*Darkness is a time to sleep
And the tranquility that follows.
Darkness is the complete calm
And cold just before dawn.*

Ellen L. Crawford

Homecoming 1974 One to Remember

The annual torch run from Bismarck, began the week's activities. Runners from campus fraternities and Vets Club carried the flame to the campus to ignite the eternal torch. Following the ceremony were the snake dance and bonfire.

Phyllis Holten of McMulloch Hall was crowned the 1974 Homecoming Queen by Carol Fukagawa, 1973 homecoming Queen. Tuesday's coronation ceremony took place at McFarlin Auditorium this year.

Homecoming spirit ran high this year (although temperatures didn't) as students and alumni attended the week's events co-ordinated by the Homecoming Co-Chairmen: Jerry Burau, Don Geizler, and Jim Granner. (Bottom Center)

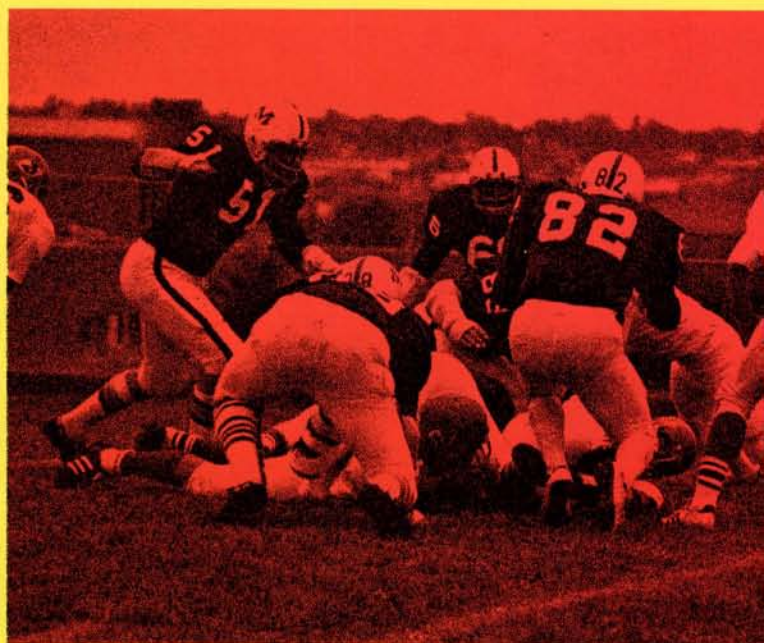

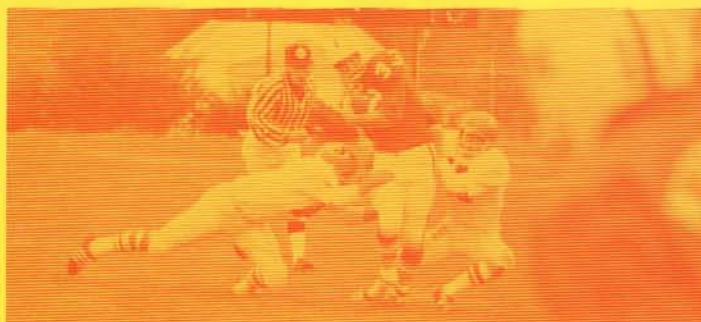

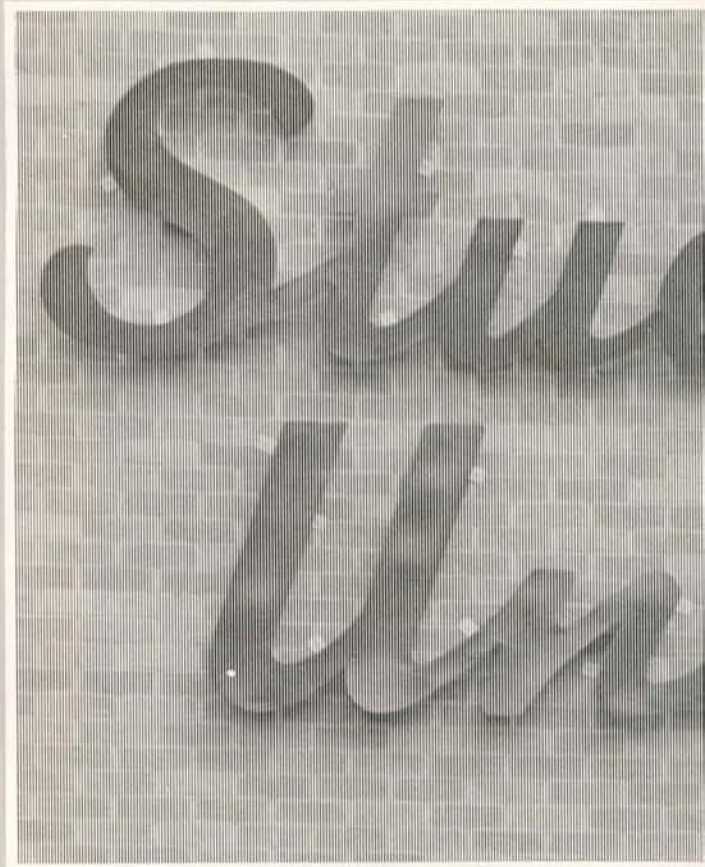

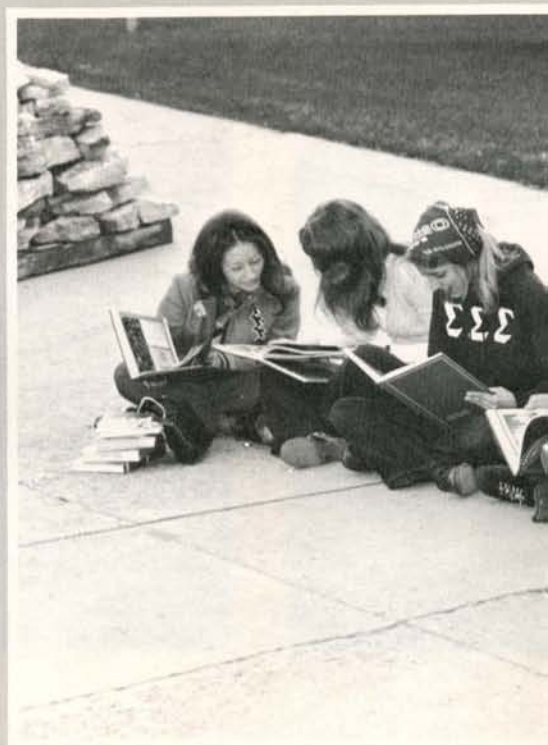

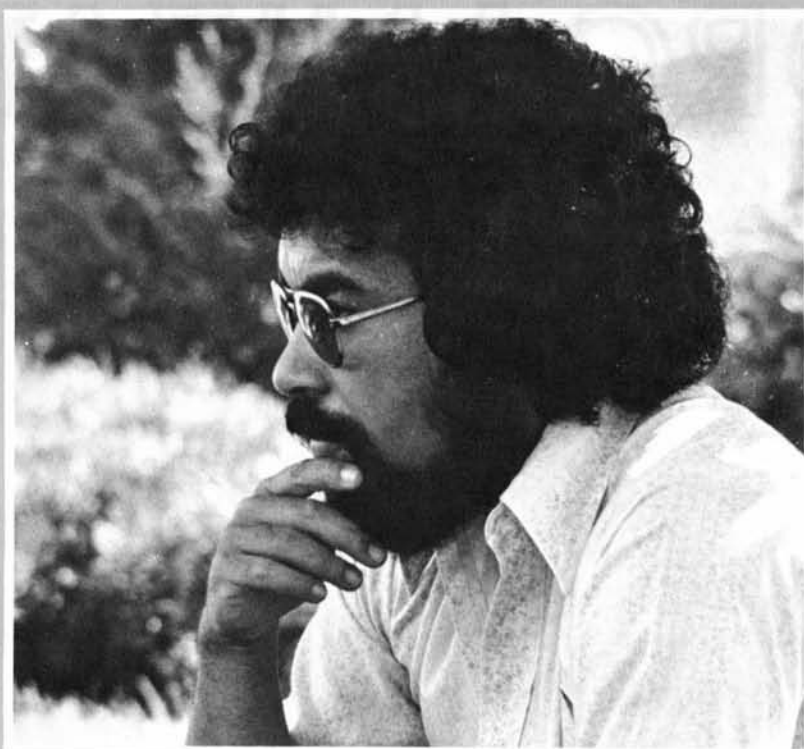

Trophies were presented during half time of the football game. Float award was won by the Mu Sigma Tau Fraternity. House display trophy was awarded to the Delta Epsilon Phi Sorority. The spirit trophy was won by the Beta Theta Sorority.

On a very overcast Saturday afternoon the Beavers defeated the Jamestown Jimmies by a score of 27-6.

ORGANIZATIONS

Allied Health Professional Organization

The Allied Health Professional Organization, known as AHPO, is an organization open to all students interested in the promotion of good health. Members include pre-med students, medical technicians, radiologic technology students, pre-dentistry students, and nursing students.

Projects of AHPO are primarily focused on the campus and community health needs. AHPO, in conjunction with MSC and Minot supporting health units, offered a free student clinic during the year. Blood tests, eye tests, and hypertension screening were done, along with pamphlets on V.D., cancer, and other subjects given out.

AHPO members participated with University of North Dakota health students in a V.D. education program. Tours were organized in local hospitals and the club's members had the opportunity during the year to tour the emergency room, physical therapy, nuclear medicine laboratory, and x-ray and dietary departments.

Officers for the 1974-1975 school year were: Dennis Wipperling, Chairman; Elaine Behm, Vice-Chairman; Kathy Helgeson, Secretary; Kari Oyen, Treasurer; Debra Ruhland, Student Association Representative; Terry Allard, Program Co-ordinator; and Sharon Krieger, Publicity Co-ordinator.

Behavioral Science Club

The Behavioral Science Club has made one major change from last year: its name. Last year it was called the Psychology and Sociology Club.

Open to all interested students, the Behavioral Science Club seeks to better the members' understanding of these fields. Matters of relevant concern are always open to discussion.

Beta Gamma Phi

Beta Gamma Phi is open to all students who have an interest in science. Members have opportunities to discuss topics of interest, listen to representatives of various organizations express their point of view, and maintain club properties. The club, in cooperation with the division, sponsors an open house at the Science Building every spring. During the break between winter and spring quarters, the club sponsors a trip for members to some urban area to observe natural as well as scientific resources.

Campus Players

The Campus Players is a special organization united by an interest in theatre arts. We provide assistance in productions of the college's plays. We work in all areas: costuming, set construction, make up, and publicity. We want to provide the campus and community with an enjoyable and enriching theatre experience. Our activities include a trip to Minneapolis. During this trip, we visit theatre productions, art centers, and shopping centers. A majority of the expense is paid by the organization so that individuals pay only \$20 to \$25. We also provide the children of the surrounding area with theatrical experiences; these include puppet theatre and children's plays.

Circle K is an international college service organization sponsored by Kiwanis. This year's officers were the following: President, Lois Peterson; Vice President, Marcia Hayes; Secretary-Treasurer, Joan Nelson; and Historians, Marge Oliszcak and Lori Eckleberg. Advisors are J.B. Busse and Myron Lang.

Activities during the year included work with the Dakota Boy's Ranch, Meals - on - Wheels Program, a blood drive, tutoring, and work with the elderly.

Council for Exceptional Children

The Student Council for Exceptional Children is an organization that provides its members with opportunities to participate in activities which are beneficial to the exceptional child. CEC members traveled to Grand Forks for the state CEC convention, had a Halloween party for trainable mentally retarded and worked with Minot's Vocational Workshop.

Officers for the year were: Penny Stenehjelm, President; Kathy Schaan, Vice President; Karen Mattson, Secretary-Treasurer; Don Sumner, Membership Chairman.

Coup

The purpose of The Coup, the campus literary magazine, is to encourage literary and artistic activities among MSC students. Campus competitions - art, poetry, and drama - have been sponsored of late as a means of gathering material for publication in the magazine. In addition, the Coup staff occasionally sponsors guest speakers or movies of high literary or artistic value.

Educational Policies Committee

The Educational Policies Committee is chaired by the Academic Vice President of the college and the membership of the Committee includes each Division Chairman, the Registrar, the Director of the Student Counseling Center, the Director of the Campus School, three faculty members elected by the faculty, and three student members selected by the student body. In addition, the Directors of Continuing Education, Student Teaching, and the Experimental College are consultants of the Committee, and the Head Librarian is an ex officio member.

All College policy changes, additions, or deletions must originate in this Committee. Such things as academic problems, accreditation, admission and retention, course changes, additions and/or deletions, catalogue changes, general education, professional requirements, majors and minors, and organization of the curriculum are considered and acted upon by the Committee. Any action passed by this Committee must then be ratified by the Faculty Senate before it becomes policy.

Farmers Union Young Adults is not a group composed of farmers. It is a group of people interested in issues that concern the farmers. The group meets once a month to discuss current affairs that affect the farmer and the state of North Dakota, and of course for a little fun, too.

The group is in contact with the North Dakota Farmers Union whenever any help is needed. Some of the members were able to attend the State Farmers Union Convention in Fargo in November, 1974.

This year the Young Adults have taken an interest in the Land Transfer System which would help young farmers get started in the occupation. A group went to Bismarck to sit in on the legislative session about Land Transfer.

French Club

Le Cercle francais, or French Club, was organized on May 8, 1963 by ten members of French classes. Its object was to interest students and people from the community in French culture.

The annual Reveillon de Noel was hosted this year by Mrs. David Gresham, co-advisor of the Spanish Club, on December 7, 1974. French and Spanish Clubs combined to have one large party since several of the members were in both clubs. The Reveillon de Noel is a Christmas party, French style, which included a supper, followed by singing carols.

Two French students, Carol Johnson and Rochelle Roderick, presented slides and postcards of their trip to France, accompanied by a short talk.

The French dinner, held yearly in May, concluded the year.

Officers for this year were: Ellen Crawford, President; Susan Fahy, Vice President; Gordon Juel, Secretary-Treasurer; and Rochelle Roderick, Historian-Musician. Miss Helen Hoar was the advisor.

International Affairs Society

Headlines are constantly reminding us that the speed of change is constantly accelerating. In international relations the forward rush of technology is fast eliminating the cushioning space that once existed between the diverse nations and contrasting cultures of the world. News of events in distant lands which passed unnoticed a few decades ago, now enters our homes instantaneously via global satellite. Super-carriers, by air and water, have brought about a massive upsurge in worldwide economic contacts and interdependence. Missiles capable of reaching the further-most parts of the globe in forty minutes nestle quietly (for now) in our North Dakota wheatfields.

While the world is in the process of becoming a single great mass of humanity - a global community - the very diverse national and cultural groupings that make up the world's population retain attitudes and habits of a long by-gone era when the well-being of most individuals was determined within largely self-contained nations. We of the International Affairs Society realize that if present and future generations of mankind are to steer a steady course for space ship earth, citizens of all nations must greatly increase cross-national, and cross-cultural contacts and understanding. As part of this endeavor we at MSC are currently planning for the 24th annual Peace Garden Conference, fall of 1974, co-hosted by Social Science Students of MSC and Brandon University, Canada. After a spring meeting to choose a current topic of interest to both countries, several months of research is followed by a Peace Garden Conference co-hosted by both institutions. Also, yearly we participate in a University level model United Nations. Here we meet people representing most of the countries of the world and in the discussions and debates attempts are made to understand and seek solutions to the more pressing problems of the day. In addition, we speak and present panels on current international issues to Minot area civic, social, and religious groups.

The MSC chapter of I.V.C.F. is part of an international campus organization which enables students to become involved in discovering the meaning of Christianity.

Through sharing, encouragement, and prayer we seek to glorify God. There are weekly meetings, small group Bible studies, and prayer meetings. The Gospel Team and Missions committee provide opportunities for community involvement through such activities as singing and sharing in churches, hospitals, and homes for the aged.

Weekend conferences, suppers, ball games, skating, and bowling parties are a few way I.V. enjoyed relaxation and fellowship.

Inter-Varsity Christian Fellowship

Kappa Delta Pi

Kappa Delta Pi is a nationwide honor society in education. Zeta Xi, our chapter here at Minot State College, was installed in 1948 and has observed its 25th Anniversary as an active organization on campus. Our organization seeks to recognize those students who exhibit special potential for making contributions to education. We invite to membership persons who exhibit commendable personal qualities, sound scholarship, and worthy educational ideals. These ideals include: 1. fidelity to humanity, 2. science, 3. service, and 4. toil.

Lambda Alpha Epsilon

Lambda Alpha Epsilon is a fraternal organization devoted to the furtherance of professionalism in the area of Criminal Justice Activities. The fraternity sponsors public educational programs, seminars, and promotional activities at many levels to encourage participation in Criminal Justice careers.

Lettermen's Club

The Lettermen's Club is an organization which recognizes the athletic achievements of athletes at Minot State College. The club is open to any male athlete who has earned a letter in at least one sport at Minot State College. Besides the traditional award of a lettermen's jacket the club also awards members with pins, sweaters, certificates of achievement, and blankets. As a club we meet once a month. Each month the club selects a Letterman of the Month to recognize the athletic achievement of that individual or the contribution he has made to his team or school. His name is enscribed on a plaque which is placed on the Lettermen of the Month board located in the main hallway of Swain Hall.

The advisor of the club is Mr. Bert Leidholt. The president is Kevin Richardson, the vice president is Bruce Meidinger, and the secretary-treasurer is Rich Christen.

LSM is a national organization which seeks to promote and strengthen the faith and life of the student in the academic community. Conferences are scheduled on local, regional, and national levels. The LSM Group at Minot State sponsors worship, study, discussions, retreats, and various social activities during the year.

The Campus Lutheran Center is located at 321-9th Ave. N.W. (in Augustana Lutheran Church) and offers contemporary worship Monday nights at 10:00 p.m., counseling through a certified pastoral counselor, and various academic and social activities throughout the year. A modern lounge with TV stereo and a library is provided for your enjoyment. LSM schedules its meetings at the Campus Lutheran Center which is open from 9:00 a.m. to 10:30 p.m. every day.

Lutheran Student Movement

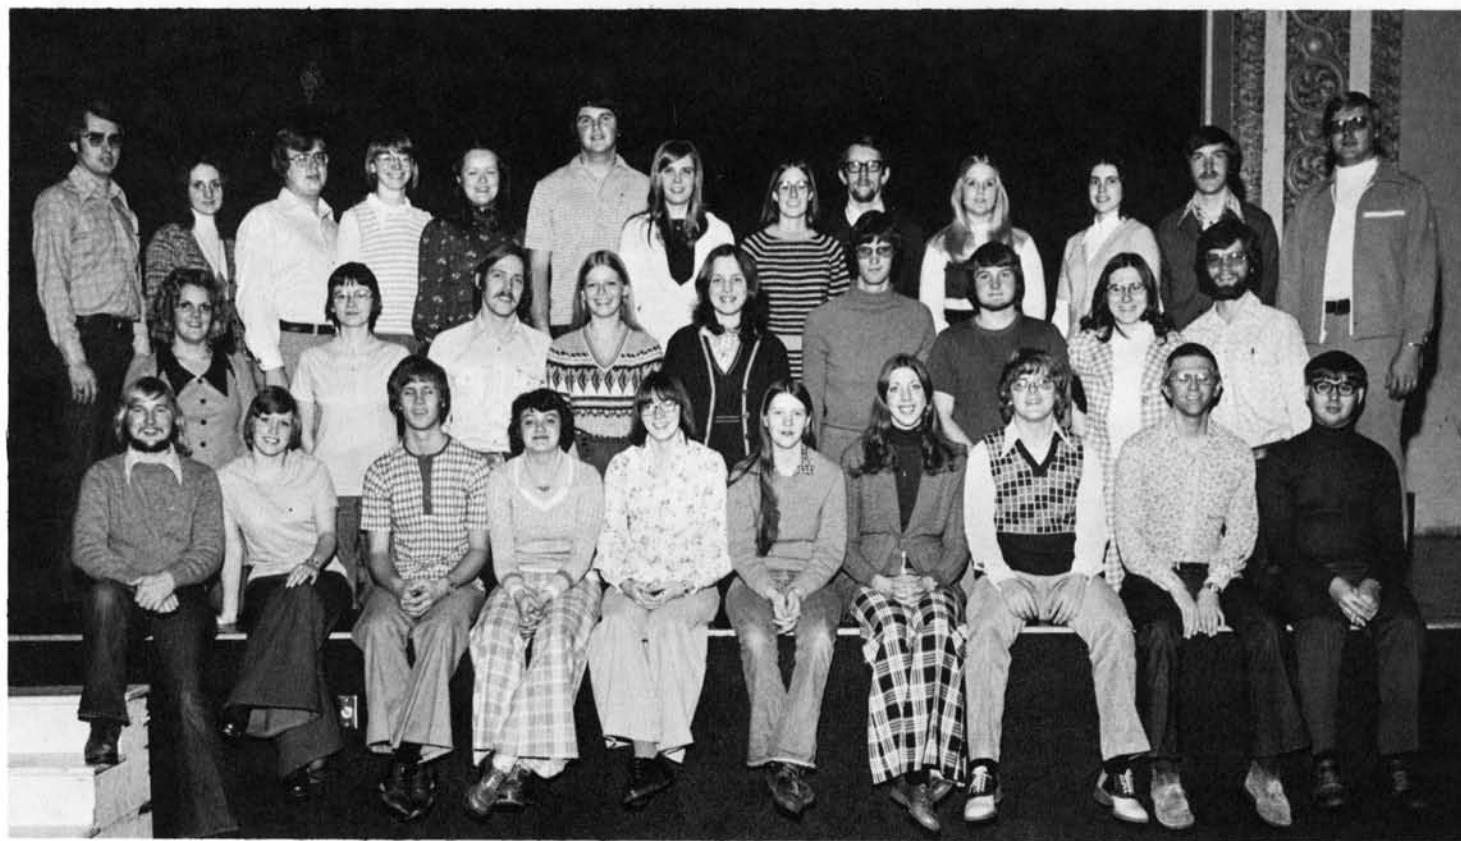

Music Educators National Conference

MENC, Music Educators National Conference, consists of both college and professional chapters composed of students, music instructors, and other interested in music education. Membership this year is 48 members.

Some of the activities of the organization include selling refreshments and providing a coat check at the community concerts. Information about the progress being made in music education is provided for members through monthly journals and meetings.

At the state convention in Bismarck, performances were given by MSC's 25 member delegation. Bruce Morlock was elected State Vice President.

Officers of the MSC chapter this year were: Richard Anhorn, President; Bruce Morlock, Vice President; Avis Rhoads, Secretary; Susan Hofland, Treasurer; and Debra Rhoads, Corresponding Secretary.

Organ Guild

The MSC Organ Guild is in their second year on campus. It is open to all key board majors, and strives for knowledge and interest in the area of organ music and performance.

An Organ Literature class is held monthly to study organ techniques, and the repertory of organ literature.

Activities include bake sales, concerts at MSC and local churches, senior recitals presented by Jeanette Neuharth, and faculty recitals by Mr. Mark Dimond.

Phi Beta Lambda

Phi Beta Lambda has participated in various activities throughout the year. In November three girls went to Denver, Colorado for a Regional Conference. Business meetings are once a month with at least one social activity during the month, including a Christmas party and roller skating. Plans are being made to help the March of Dimes, set up tours of different business organizations downtown, and to attend the State Conference in Mayville. The National Conference will be in Miami, Florida in June.

The Delta Omega Chapter of the Pi Omega Pi at Minot State College is a national honor society in business education. It was established here on May 23, 1964.

There are four major goals of the organization: 1. To create and encourage interest and promote high scholarship in business, professional, and general education; 2. To aid in civic betterment; 3. To encourage and foster high ethical standards in business and professional life; and 4. To teach the ideal of service as the basis of all worthy enterprise.

The chapter's main project for the year was raising money to send two members to the National Convention of Pi Omega Pi in New Orleans from December 26-28, 1974. Barb Bickel and Shan Brown attended the convention and brought back many ideas with them.

Pi Omega Pi also works on a project that will be sent to all other chapters in the country to help some in improving business education.

In the spring, Delta Omega Chapter joins with Phi Beta Lambda for the Business Department's Awards Banquet, at which time outstanding business students are acknowledged.

Publications Board

Operating this year under a revised constitution which requires that the President of the Publications Board be a student, the Board exercised its usual responsibility of overseeing the publication of the Red & Green, The Beaver, the Coup, and the Student Handbook. The first new edition of the Handbook in several years appeared, complete with cartoons and a sub-title: The Adventures of Superstudent. With printing costs up some 300% in many areas, the Board faced the problem of rising costs and declining income, and met the problem with good old American know-how, ingenuity, and drawing on its reserve fund. The Red & Green, under the editorship of Tom Nelson, changed its flag and its image, and featured a number of off-campus stories on Minot housing, ERA, etc. Editor Mark Whitacre sweated out his deadlines to produce the Beaver. Publications advisor George Slanger, in his first year on the job, found out many things he wanted to know, and some that he didn't.

Left to Right: George Paris, President, Dale Lindekeugal, Dr. Paul Mehta, Walter Piehl, Larry Jensen, Vice President, Ed Ennis, ex officio, George Slanger, ex officio, Dr. Nels Lillehaugen. Not pictured: Art Rude, Floyd Fairweather, Sue Sisser.

Seated: Larry Jensen, Jackie Billing, Jane Hofland, Pat Mayer. Standing: Tom Nelson, Ed Ennis, Mike Vaughn, Gail Halverson, Mary McBee.

The Red & Green began the year from scratch (in more ways than one) with no holdovers from last year's staff. For many of the staff, it was a long plunge into a cold pool—learning the techniques of layout and headline counting as well as the dealing with the usual problems of writing, and organizing a staff. But enthusiasm, or just plain guts, flowed in where know-how was lacking, and the paper came out, on a dependable schedule and—eventually—with a dependable content. Ed Ennis resurrected the Business Manager's job from the neglected part-time corners where it had lain, and for awhile threatened to fill up the whole paper with ads. Tom Krise's cartoons, featuring The Lone Red Neck, Captain Four-Q, and Bearzy Wearzy replaced the old reliable Little Man on Campus, who presumably retired to the Great Junior Prom in the Sky.

The paper featured a student or faculty profile each week, and a poet's corner, both written, and edited, most of the time, by Annabell Scavuzzo. Joe DeLorme's coverage of the Student Senate, originally written for a course in Gonzo journalism, provoked some wounded cries which eventually changed (almost) to hymns of praise. Assistant Editor Larry Jensen's layout and art department shots added something new, and Mike Vaughn's ever popular record and concert reviews with their (very high) standards and pungent style made for readable copy. Tom Nelson, with his ability to recruit a capable staff, had it all together. It was a good year for the staff, and to judge by most of the comments, a good year for the paper.

Spanish Club

Spanish Club, or La Tertulia, which means The Gathering, was organized by Spanish students in 1973. It is open to all Spanish students and any other interested persons.

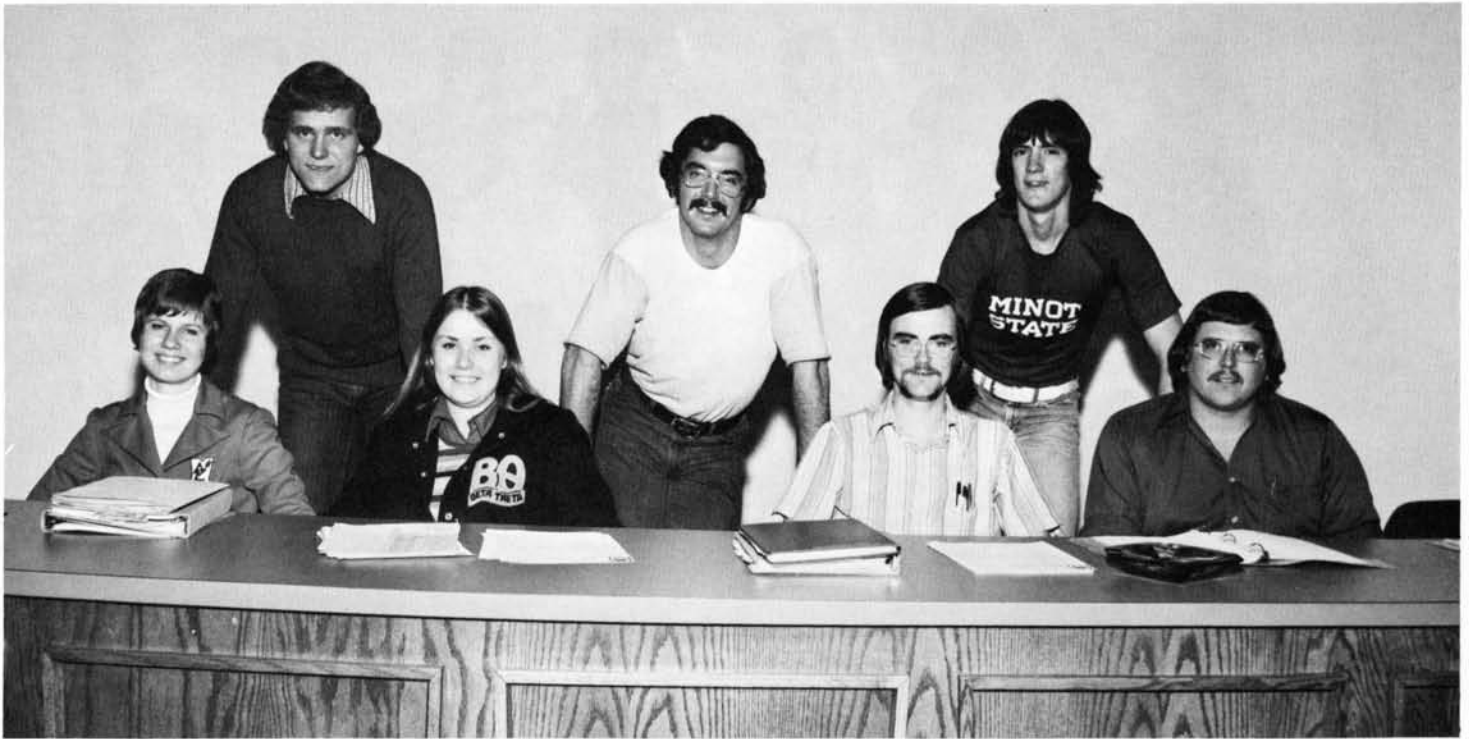

The officers for the 1974-1975 year were Soni Selzler, President; Bonnie Rasmussen, Vice President; & Ellen Crawford, Secretary-Treasurer. Miss Helen Hoar and Mrs. David Gresham served as co-advisors.

The club combined efforts with the French Club to have a large Christmas party this year. It was hosted by Mrs. David Gresham on December 7, 1974. The party included a dinner, served with two types of wine, and concluded with singing Christmas carols in French and Spanish.

Several informative and educational movies on life in Spain and Mexico were viewed by Spanish Club members. Then, the year ended with a traditionally Spanish dinner.

Seated: Sonya Selzler, Ellen Crawford, Bonnie Rasmussen. Standing: John Dovich, Miss Helen Hoar, Mrs. David Gresham.

Seated: Collette Mickelsen, Gail Johnson, Art Rude, Dale Lindekugel. Standing: Jerry Stai, Mike Schatz, Winston Titus.

Elected officers on the Minot State College Student Association include President, Vice President, Secretary, Treasurer, two Senators-at-Large, and two Freshmen Senators. These officers are chosen in spring elections with the Senators being elected by their respective organizations at the beginning of fall quarter. All students attending MSC are members of the Student Association.

Some work accomplished this year includes recognition of various new organizations on campus plus the approval of their membership on the Student Senate; appropriation of money to campus organizations to enable them to operate more effectively; involvement in the Winterfest Carnival; and the offering of one quarter hour of credit for membership on the Student Association.

The MSC Student Association is a member of the North Dakota Student Association which consists of representatives from North Dakota colleges and universities. This organization meets on a regular basis and this year is trying to set up the lobbying force. They are greatly concerned with the future of North Dakota and its environment.

Student Education Association

The Minot State College SEA chapter is a professional organization which strives to develop and aid students in the teaching field. Members are offered the opportunity to attend the North Dakota State Teachers Convention held each fall as well as receive all periodicals and insurance benefits that members of the NDEA receive.

SEA sponsored a tour of the Majic City Campus as part of its monthly activities. A Christmas party for the members was held at the Dr. and Mrs. Herb Johnson residence and later in December, a faculty luncheon was held for the faculty of Minot State in the Student Union.

Seated: Kathy Flagen, Marge Oliszcak, Carol Fukagawa, Elizabeth Gleich, Mona Ryberg, Dr. Herb Johnson, Mavis Maloney, Ann Samek, Rita Saugstad, Terri Petz, Norma Edwards, Barb Saylor, Diann Gilman. Standing: Phyllis Holten, Kathy Perius, Nancy Page, Craig Eraas, Patsy Hagge, Debbie Eraas.

The Ten O'Clock Scholar is a general interest magazine, published five times a year at Minot State. It is sponsored by the Experimental College, edited by George Slinger, and written largely by MSC students with some contributions from inside and outside the state. It has a circulation of 500, about half of which are off-campus. It contains poetry, stories, articles, essays, photography, and artwork. It welcomes contributions from anyone.

This last year, the Scholar began a policy of "focusing" each issue on a topic. The Old issue on the aging features articles on local nursing homes and interviews with the elderly. The Money issue featured an interview with a banker, a dialogue on money, and an attitude research survey on money and finances.

Other issues features animals, children, and marriage. The photo here shows a sampling of covers from the past two years. This year's staff includes Diros Hartsock, Wanda Schmidt, Sharon Krieger, James Ayash, Tim Schweyen, and Betty Redmer.

Ten O'Clock Scholar

Vets Club

The MSC Vets Club is an active campus organization that welcomes all veterans attending Minot State College. This past year the Vets Club has been active in many community events and projects including Winterfest activities and the Rosehill Veterans Memorial Foundation. The Vets Club Honor Guard has participated in many parades and patriotic programs.

The Vets Club is active in the North Dakota Collegiate Veterans Inc., and this year hosted the November state meeting. Two members of the Minot State Vets Club are officers in the NDCVI. They are Harold "Andy" Anderson and Gregg Blikre, who is state secretary.

Officers for the MSC Vets Club this past year were: President, Gregg Blikre; Vice President, John Burckhard; Secretary, Bill Brillhart; Treasurer, Vaughn Fiskum; Sergeant-at-arms, George Saltsman; State Representative, Dennis Roberts; and Student Senator, Bob Deresch.

Women's Recreation Association is a group open to any women who are students at MSC and who are also interested in participating in activities simply for the fun of it.

WRA meets every Monday evening for activities and business meetings. The activities include relays, a hay-ride, roller skating, volleyball, basketball, kite flying, a camp out, and many other activities too varied to list.

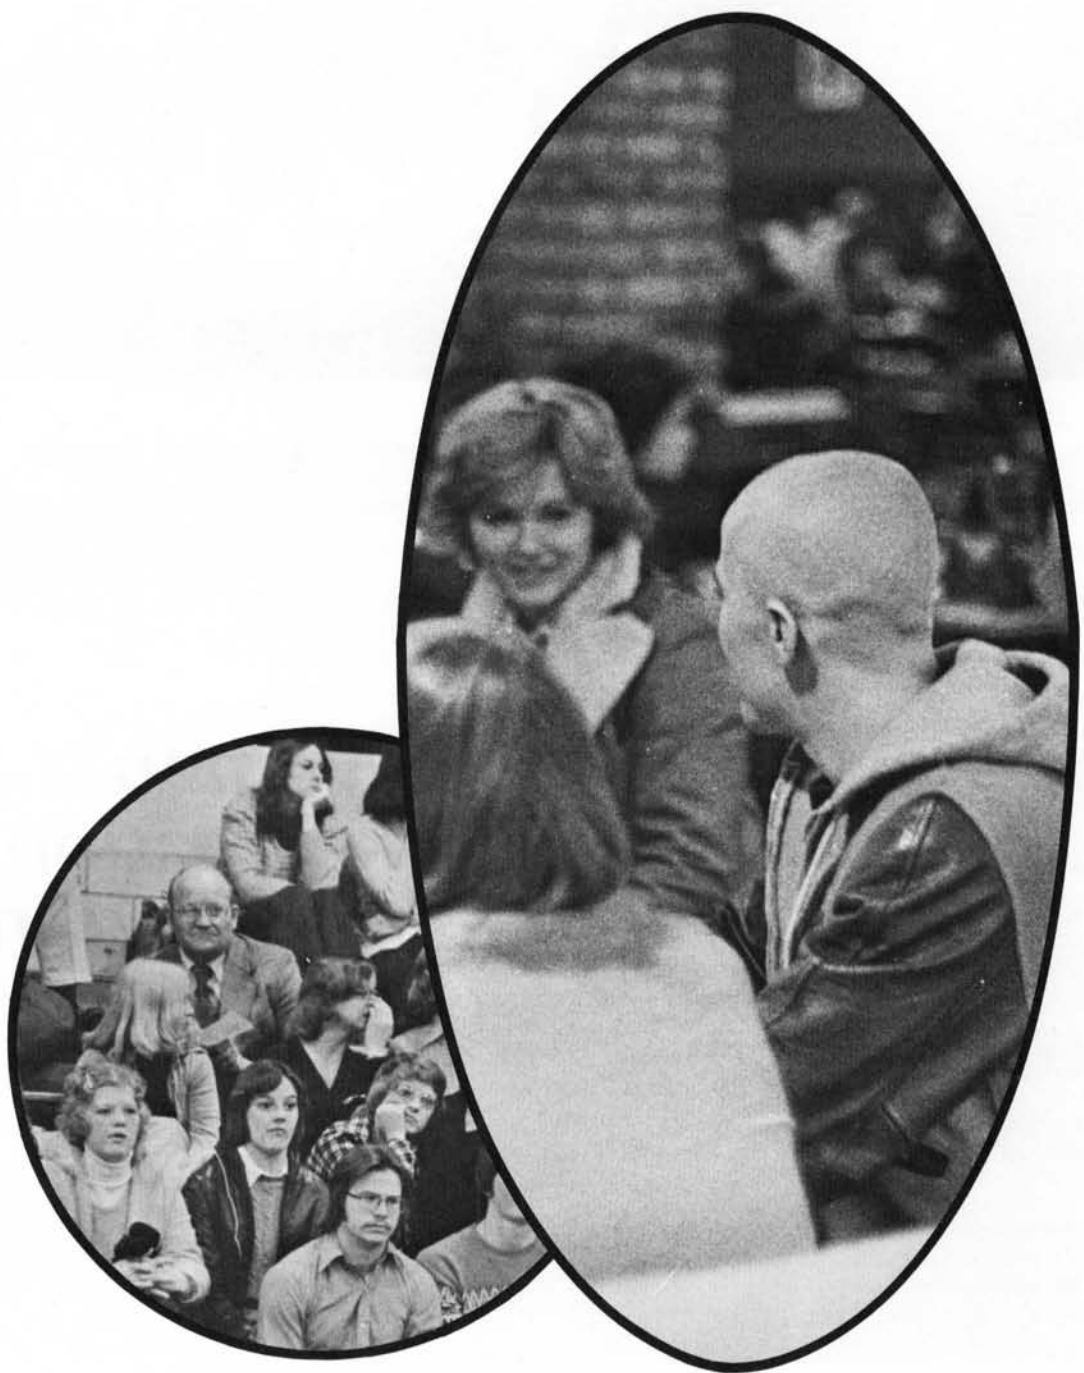

WRA supports women's sports at Minot State College, both by money contributions and vocal support.

The major project for Women's Recreation Association this year was providing ushers for the North Dakota State Girls' Basketball Tournament.

Two main events of the year were the Christmas party, at which time we initiated 35 new members, and the Spring Banquet, when awards are given to all outstanding members.

Greek Council consists of three members from each Greek organization. Its purpose is to promote unity among these organizations. Problems and solutions are discussed concerning sororities and fraternities. The Council also plans the spring Greek Week which consists of a coffeehouse, a dance, races, and a picnic for members of MSC's sororities and fraternities.

INTER-FRATERNITY COUNCIL

In seeking to promote good relationships between Greek brothers, the Inter-Fraternity Council is responsible for the organizing of fraternity rushing and pledging at MSC. Representatives of the three fraternities constitute the membership of the IFC.

Seated: Craig Johnson, Steve Carver: Mu Sigma Tau, Duane Foss: Tau Kappa Epsilon, Jay Altringer, Bob DiMaggio, Les Mau: Sigma Tau Gamma. Standing: Terry Olson: Mu Sigma Tau, Jerry Bureau, Allen Furgere: Tau Kappa Epsilon.

Panhel Seated: Julie Keller, Colleen Hagel, Linda Stevenson, Nancy Page, Marcy Blikre. Back: Toni Wiseman, Katie Voeller, Ona Mae Nelson, Andrea Schumacher.

Panhellenic Council serves as the governing body of the sororities. It is comprised of each sorority president and a junior and senior sorority representative. Panhel sets rules for winter quarter formal rush and awards a scholarship trophy to the sorority with the highest quarter scholastic average.

PANHELLENIC COUNCIL

BETA THETA SORORITY

The Beta Theta Sorority had a very busy homecoming week. We went to all the activities, decorated our house and a truck for the parade and had a brunch for the Beta alums. The week became well worth it when our group was announced as the winners of the spirit trophy.

After homecoming came service projects and a Thanksgiving dinner for a needy family. Also, 35 dolls were dressed and given to the Ward County Welfare Agency to be distributed to needy children.

Pat Nordloef was 1974 Homecoming candidate and Who's Who in American College and Universities. Jodie Gillund was in the Miss Minot State pageant. Also, a very special guy, Mike Schatz of Mu Sigma Tau, was the Sno-King for 1974.

Officers were; Marcy Blikre, Gail Johnson, Jan Watts, Pam Burau, Andrea Schumacher, Val Schwann, and Deb Ruhland.

DELTA EPSILON PHI SORORITY

The Delta Epsilon Phi Sorority is a local sorority at MSC, being founded in 1926. Annual events include term parties, a Dream Man Formal, service projects, rush and exchanges with the three fraternities.

This years representative for Miss MSC was Kim Bergo. Our Homecoming Candidate was Colette Mickelson. This year the sorority took first in the Women's House Display-an achievement they are all proud of. They also retired the Panhel scholarship trophy with a GPA of 3.01.

The delta Phi's are also proud that Carol Fukagawa and Kathy Voeller were named to Who's Who in American Colleges and Universities.

The Delta Phi Dream Man was Don Geizler from Tau Kappa Epsilon.

Officers were: Kathy Voeller, Kim Bergo, Sandy Sandman, Sandy Haman, and Lee Breslin.

DELTA ZETA SORORITY

The Delta Zeta Sorority is one of two national sororities on MSC campus. They are active in several service projects, money-making projects, and school activities. Some of their annual events include a fall and spring term party and their winter formal, Flameman Fantasy. This years flameman was Mark Zwicker of Tau Kappa Epsilon. Kathy Schwartz was their candidate for Homecoming Queen, and the girls were proud and excited when their sister, Ona Nelson won the Miss Minot State title.

This fall found the Delta Zetas in a new house at 618 3rd Street NW. Some of the activities which have occurred this year include an alum breakfast at homecoming, Parents Day Banquet, Christmas caroling at the nursing homes, making banners for the North Dakota School for the Deaf, quarterly exchanges with each fraternity, and just getting together at the house. They all agree it's been a good year.

Officers were: LaVone Larsen, Judy Berg, Nancy Page, Meg Winden, Gail Johnson and Mary Cowels.

February 1, 1975 Miles Rodacker was named Flame Man for 1975.

MU SIGMA TAU FRATERNITY

The Mu Sigma Tau Fraternity was founded on January 26, 1926. It is North Dakota's oldest, largest, and proudest independent fraternity. The fraternity serves MSC with the Student Directory and the Campus Calendar, and its members with such highlights as the Snafu, the Sweetheart Ball and the Spring Formal.

The Mu Sigs were very active in the Student Association with several members being officers and senators. The fraternity is active in many other things such as Homecoming where they won trophies for the best float and the best house display. A new and beautiful addition to the campus is a fountain built and dedicated last spring to Mr. J. B. Busse, our lifetime advisor. The flood threat last spring kept the Mu Sigs busy evacuating families, and manning roadblocks. At Christmas time the Mu Sigs gave presents to the children in Trinity Hospital.

And last but by no means least, our 1974 Mu Sigma Tau Sweetheart from the Sigma Sigma Sigma Sorority, the beautiful Julie Keller.

SIGMA SIGMA SIGMA SORORITY

The Sigma Sigma Sigma Sorority is a national sorority. Beta Iota was much honored at the national convention this past year with the award Song of the Triennium written by one of their members.

Several members of the Sigma sorority were involved in pageants and won various titles.

The Sigmas were involved all year with rush, money-making projects, term parties, public service projects and studying. They had a 50's rush party and bee-bopped along with Elvis. Their fall term party brought machine guns hats and slinky dresses to the door with a Gangsterland theme. They sponsored a Christmas bazaar at Town and Country Shopping Center as a money making project with each girl contributing her favorite handiwork.

They sponsored a party for underpriveleged with games, fun candy and lots of attention as a public service project. Meanwhile, still holding a high overall scholastic average. Officers were: Julie Keller, Beth Stenejhim, Jan Wrolstad, Penny Payne, Michelle Kincheloe, and their Dream Man was Curt Mund from Sigma Tau Gamma.

SIGMA TAU GAMMA FRATERNITY

The Sigma Tau Gamma Fraternity is a social fraternity based on six principles which are leadership, integrity, benefit, value, learning and excellence.

Work projects for this year included a \$250 project at Kathy Schwartz's, and \$125 for tearing down Mau's grainery. The men of Sigma Tau were proud to move into their newly refinished house located at 116 9th Ave. N.W. after a fire had destroyed the interior the year before.

Thirteen brothers attended the National convention at Omaha where the fraternity won the man mile award and Rick Ellert was a runnerup for the Stan Musiel Sportsmanship Athletic Award. Terry Vandal was chosen Man of the Year for 1973-74. Two of the big social events of the year are Founders Day and White Rose at which Kathy Schwartz from Delta Zeta Sorority was chosen Sweetheart for 1974.

TAU KAPPA EPSILON FRATERNITY

Epsilon Omega is a chapter of the largest national fraternity - TKE. Annually the TKE fraternity entertains underprivileged children at Halloween and Christmas parties. Some of their social events of the year included: a toga party, Sweetheart Ball, and Red Carnation Ball. This fall they lead the campus in a very successful Homecoming with three of their members heading the Homecoming committee.

The men of Tau Kappa Epsilon were proud to sponsor a leadership conference here at MSC for several of the TKE chapters from neighboring colleges and universities. The Epsilon Omega chapter of TKE is one of the strongest and most outgoing of all TKE chapters and have been honored by several notable awards over the past years.

Preparing a random list, checking school activities, and deciding what should be, or should not be, in the yearbook might seem a little bit dull; however, during these discussions some of the most creative ideas are formed. In many cases the theme or editorial idea for the yearbook emerges from these planning sessions. This is known as brain storming.

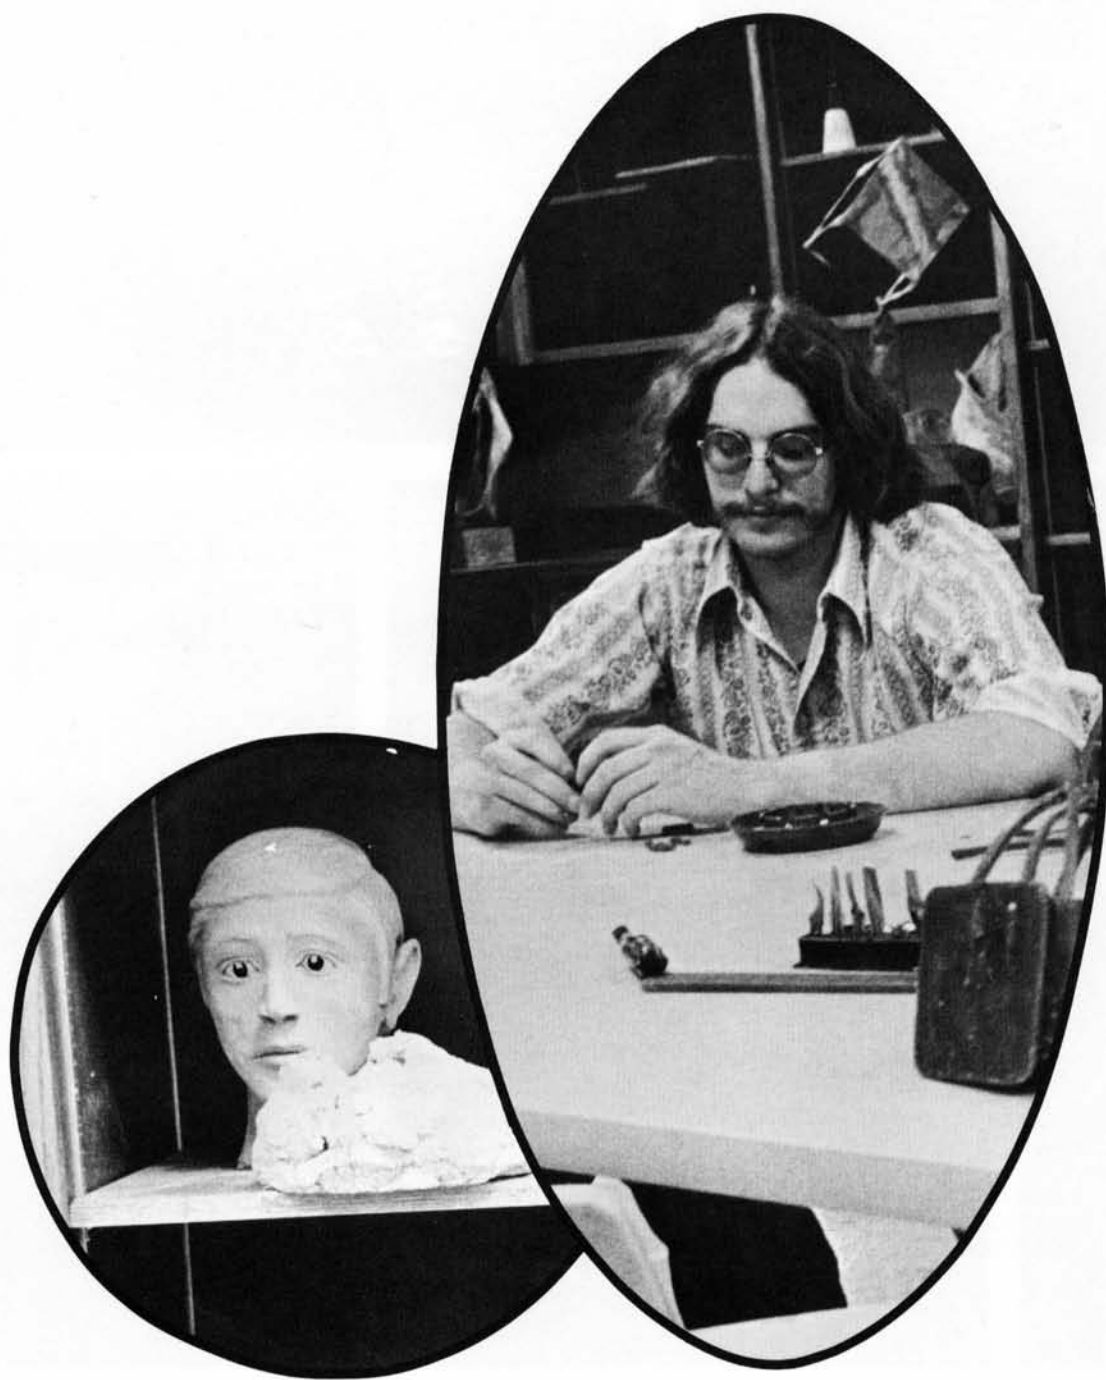

Next, the random list must be organized into a logical sequence of pages. This is accomplished on a simple chart known as a ladder diagram. This diagram shows page content with a few words. It also shows facing pages. When a reader opens a book, except for the first and last pages, he sees not one page at a time but a visual unit composed of two facing pages. For this reason it is important to do all planning with facing page groups. This ladder diagram also shows eight page multiples and sixteen page signatures. Yearbooks are printed with eight pages on one side of a sheet of paper; this is known as a flat, or multiple. Another eight pages are printed on the opposite side. When folded these two multiples become one consecutive sixteen page signature.

Before we can plan our deadlines we must have a chronological listing of school activities. For example, it would be foolish to try to include baseball in the first deadline or faculty and administration in the last deadline. By listing the activities as they occur from September through your final deadline date it is easy to plan which materials will be submitted on each deadline.

Hard work paid off for 7 of 8 conference games.

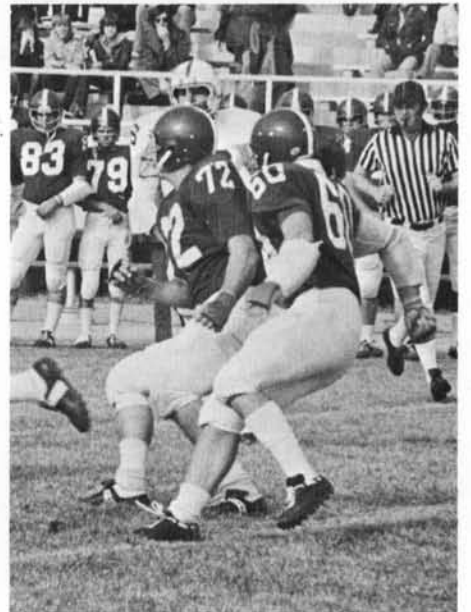

Coach Ken Becker and his Minot State College football Beavers did not get their bid to a national play-off, an opportunity they all wanted very much - so much, in fact, they turned down an opportunity to play in Tennessee's Poultry Bowl. But the grinding, body-bruising work performed over the course of eight pre-winter weekends paid off for the Beavers. On the way to winning seven of eight contests, the Beavers claimed the crown of the North Dakota College Conference for the fifth consecutive year.

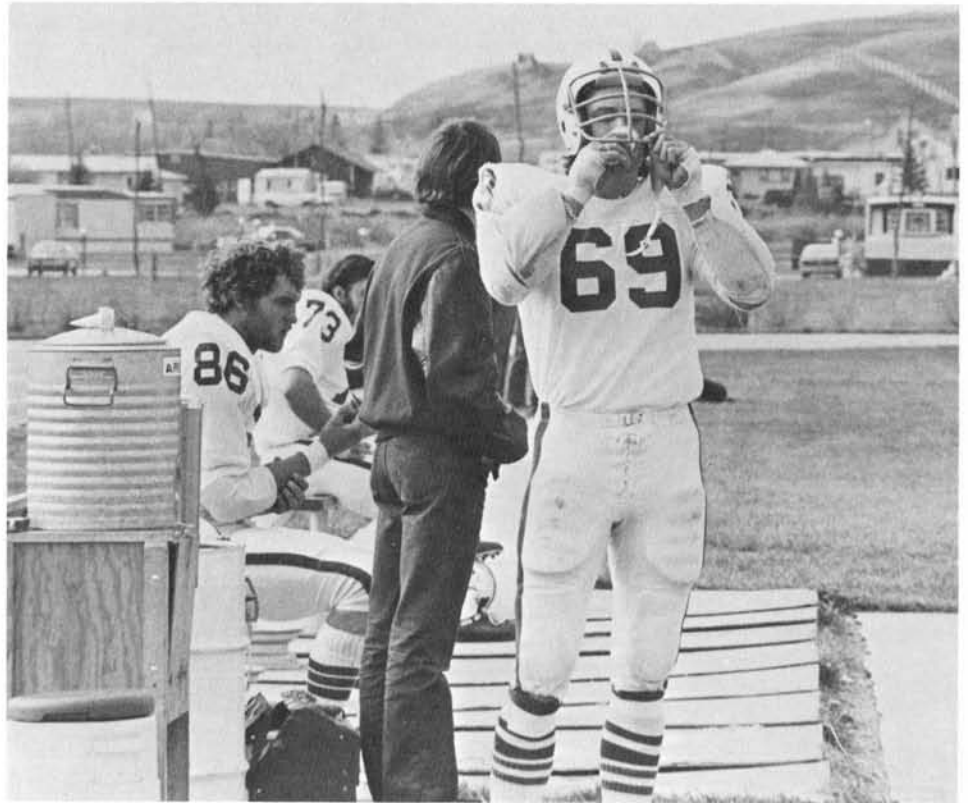

Four starters, all of them underclassmen, were named to the National Association of Intercollegiate Athletics District 12 team. Chosen for a second year was linebacker Chuck Kramer, a junior. Joining him are sophomore quarterback Randy Hedberg, junior wide receiver Jim Webb, and second year man Rocky Treleven.

A large part of Minot's success was recorded in the statistics of three outstanding individuals. They were Rick O'Donnell, Webb, and Hedberg.

In a vote of the players, Hedberg and O'Donnell tied for the honor of offensive player of the year and Webb was named most valuable receiver. Defensively, Kramer was selected most valuable player.

Beaver Harriers repeat as district 12 and conference champions

With only six runners reporting for the 1974 Beaver Cross Country team the outlook was dismal, but the final results were impressive indeed. Four letter winners from an undefeated 1973 squad and two promising freshmen put together an almost perfect season for a second consecutive year. In 9 trips to the starting line, the Beaver Harriers emerged champions 7 times and were runner-up twice. Early season losses to Black Hills State and the Roughrider Track Club were the only blemishes on the season record. The Black Hills loss was avenged twice in late season competition. Most notable of the Beaver victories were the repeat championships in the NAIA District 12 and the North Dakota College Athletic Conference runs. District 12 included all NAIA colleges in North Dakota, South Dakota, and Montana.

Sophomore Mike Jore from Cando turned in the most impressive individual effort when he shocked the field with a first place finish in the NDCAC run. Jamestown's Myron Burman was undefeated going into that race and given the edge to win the individual title. Jore's contributions were closely followed by veterans Mark Morrison of Minot, Co-Captains Tim Braxmeier and Rich Gaffrey from New Rockford, and new freshmen Russ Forsberg from Bottineau and Tim Henry from Westhope, who was competing in Cross Country for the first time.

Beavers end year 3rd in NDCAC

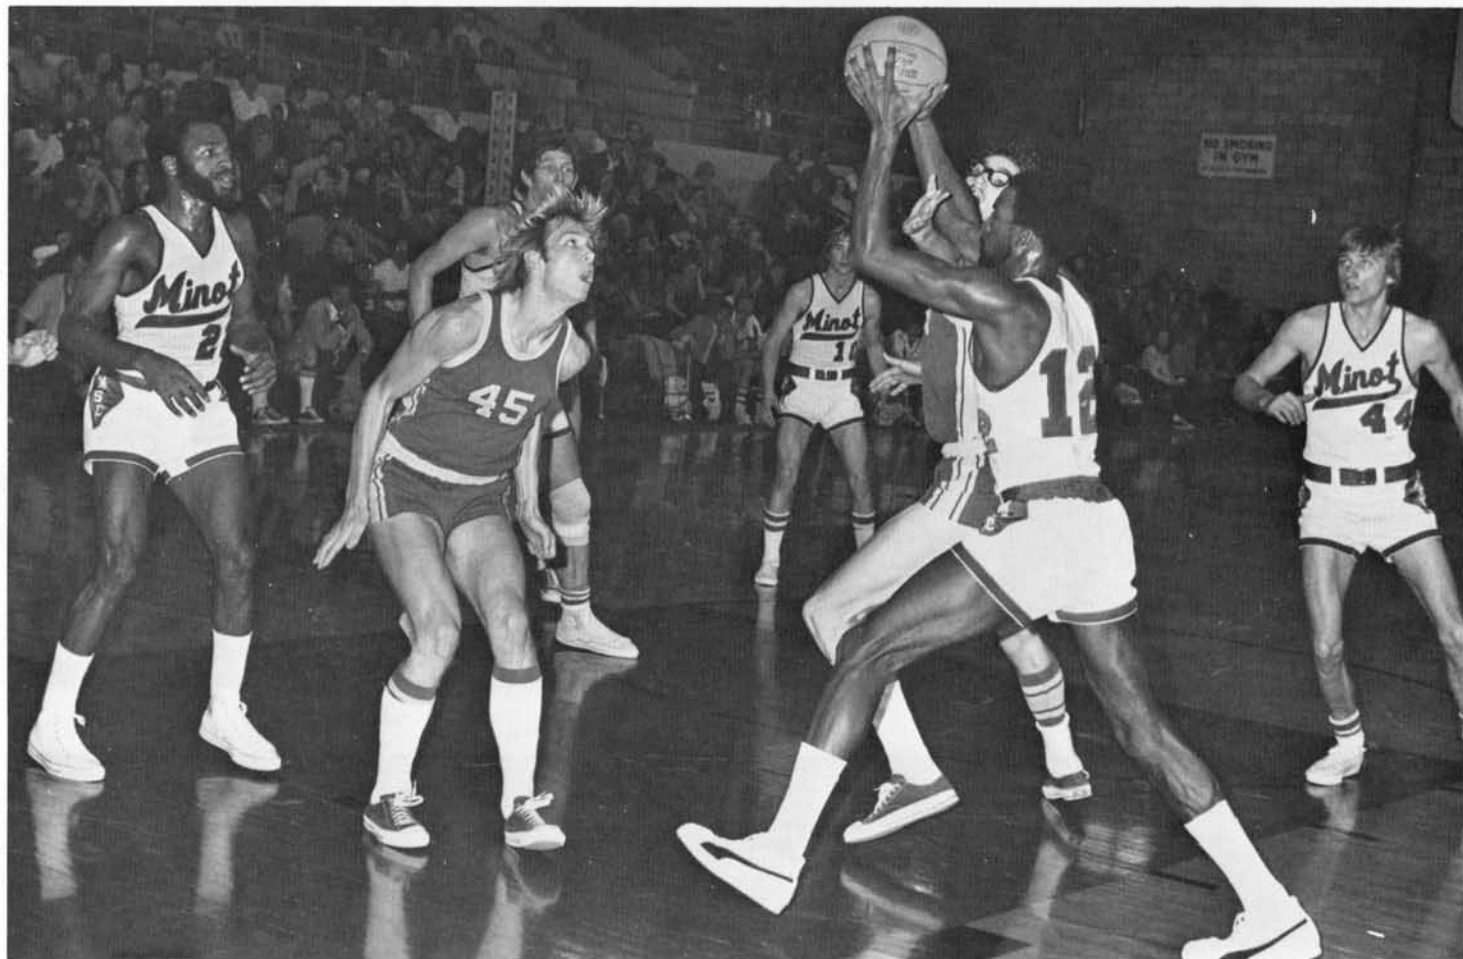

The Minot State College Beavers, after four consecutive NDCAC crowns, relinquished the title to Valley City. The Beavers ended the conference slate with a 7-5 record, good for third place. Optimism was high at the start of the year, but early season losses to Valley City, Wahpeton, and Jamestown diminished any hopes of repeating as conference champions.

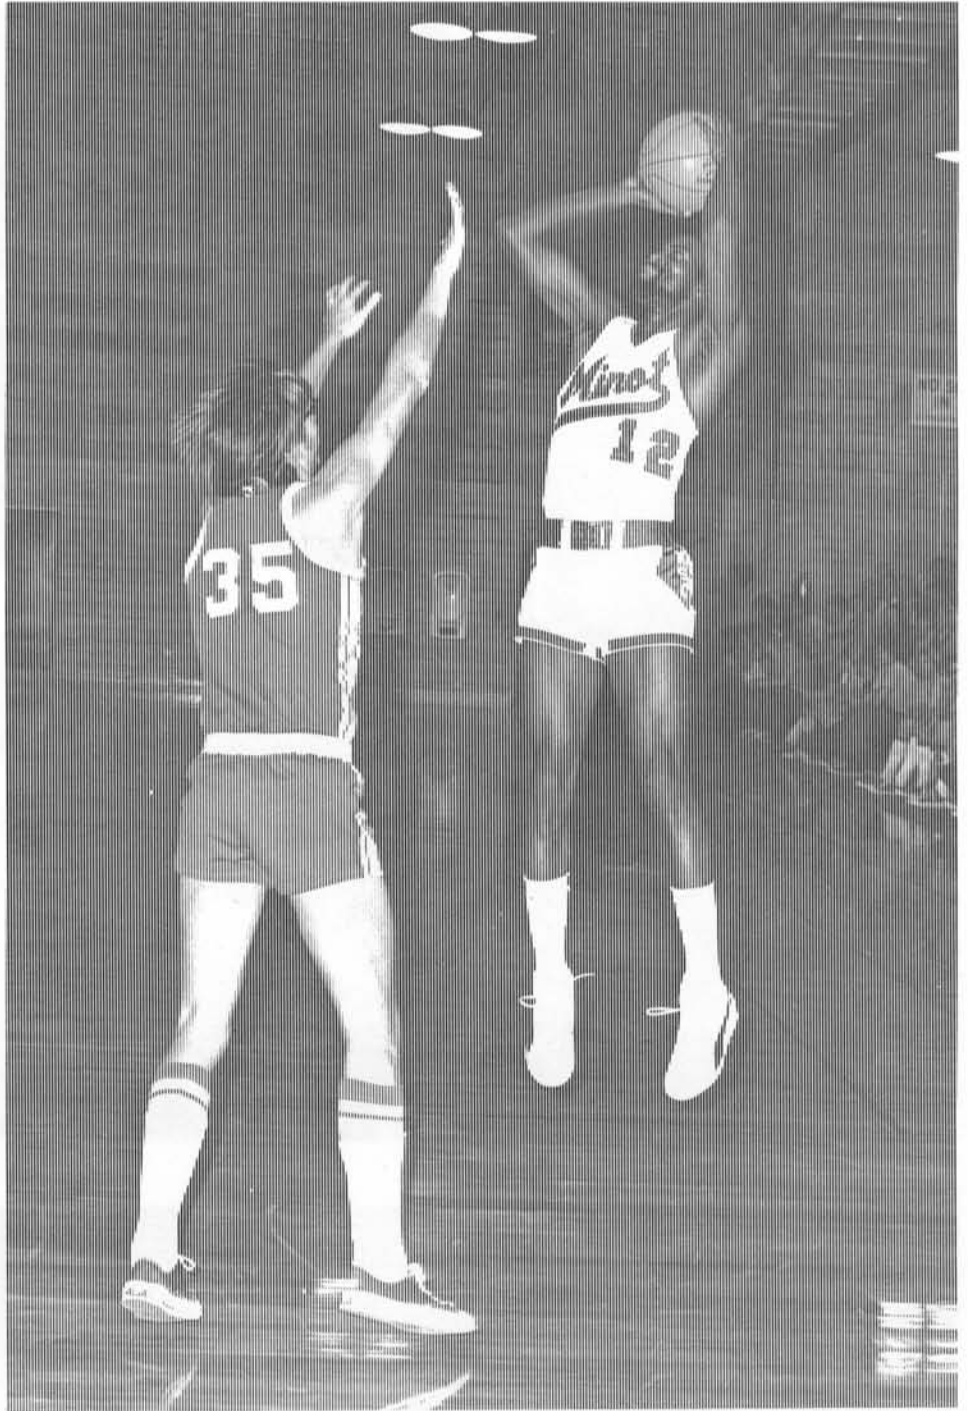

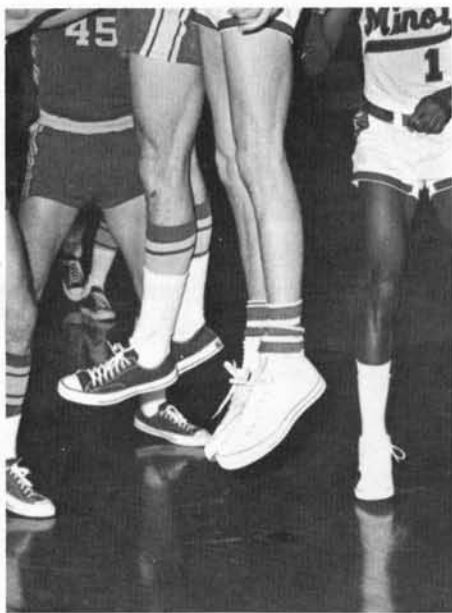

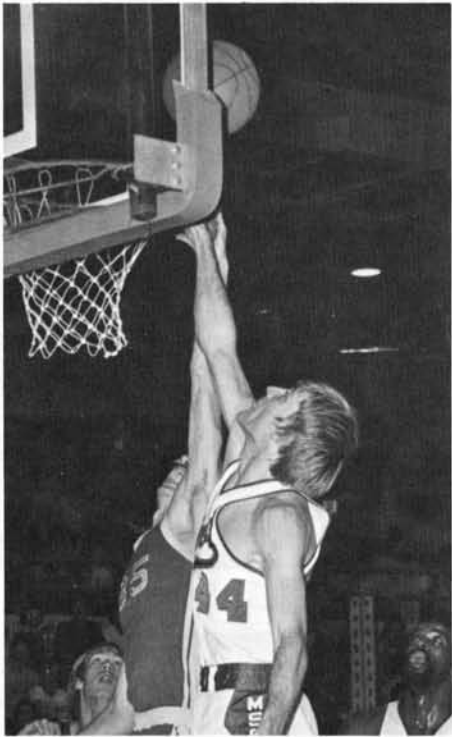

The Beavers were led throughout the season by seniors Glenn Robinson and Jay Sundheim and by sophomore Randy Hedberg. Leading the team in scoring was Hedberg with 334 points (15.1), Robinson with 309 points (16.3), and Sundheim with 254 points (11.5). Robinson and Hedberg were selected to the NDCAC conference team.

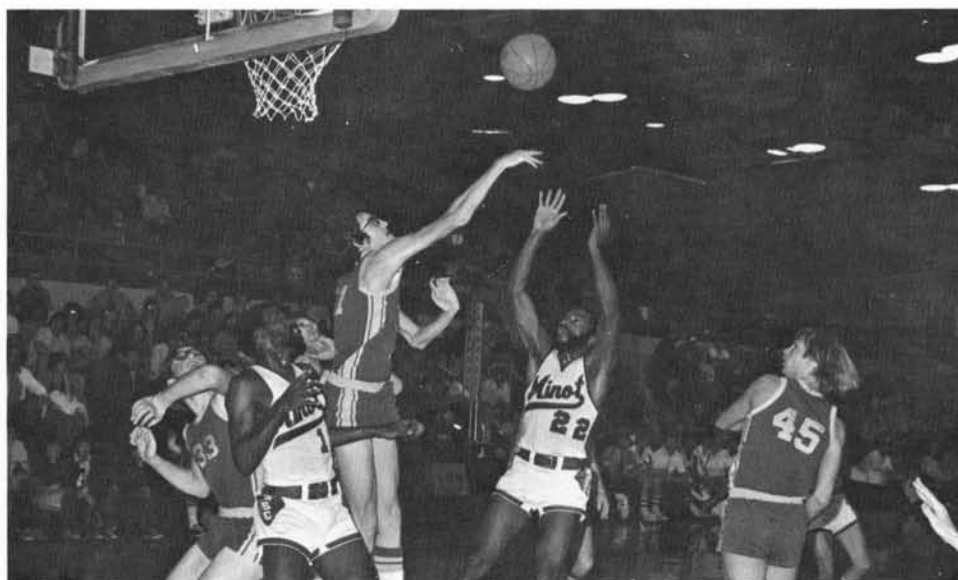

The Beavers were unable, throughout the season, to establish any consistency in their play. Ball control errors plagued them in many of their games.

Big wins of the season included a win over Mary College (86-78) snapping a 17 game winning streak, and a 80-68 win over conference winner Valley City.

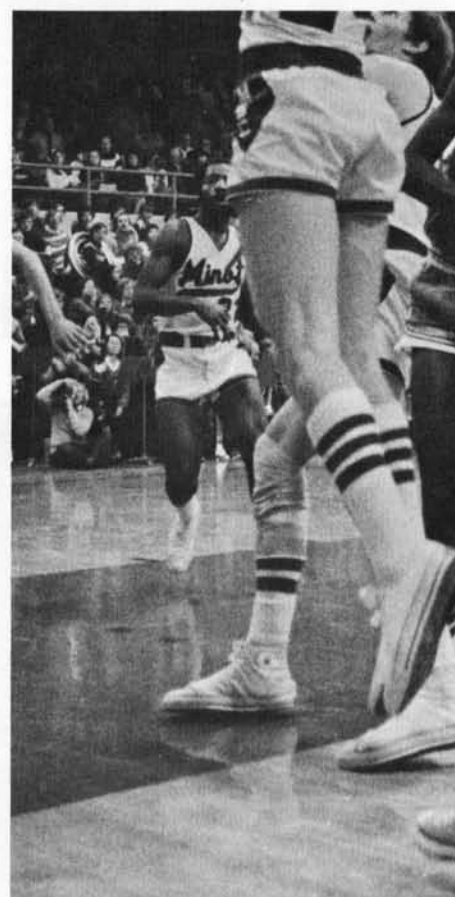

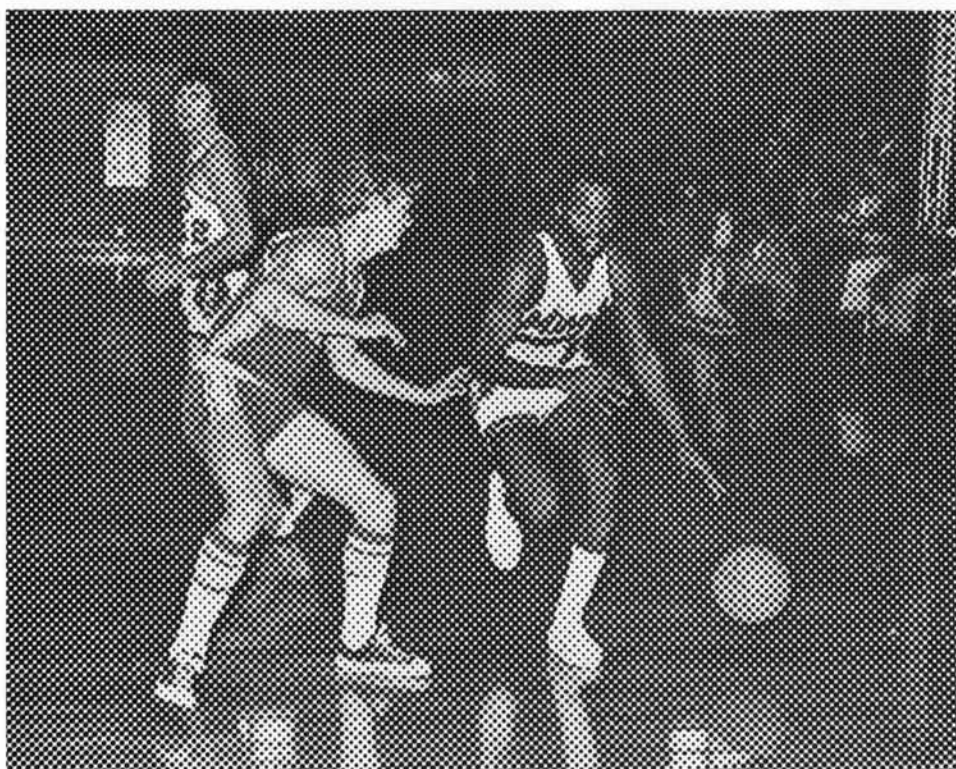

Members of the ball club that played their last games for Minot State were Jay Sundheim (3 year letterman) and Co-Captains Glenn Robinson and Gary Gottschalk.

MSC wins 3rd straight conference championship

The Minot State College mat men continued where they left off in the spring of '74. They exemplified their excellence on the mat by compiling an impressive 9-1-1 dual season which included a 4-1-1 conference mark. The season progressed as only the best wrestling fan could want. Minot State and nationally ranked Bismarck Junior College were both undefeated before they met for their final dual of the season. Bismarck won the "Shoot out affair, but it set the stage for the following week in what proved to be one of the most exciting conference tournaments in recent years.

Winning their 3rd straight conference championship, the Beaver wrestlers entered the conference tournament a slight underdog (to Bismarck and Wahpeton School of Science), but survived the day-long see-saw battle and emerged with a one-point victory.

The Beavers put five of its wrestlers in the finals and finished with three individual champions. The three titlists gave Minot State College more champions than any other school and cinched the team crown with three championship weight classes still to be decided.

Batts leads Beavers to victory

The 1974 Minot State College Track team climaxed the season by successfully defending their North Dakota College Athletic Conference title with a narrow two and a half point margin over runner-up Jamestown College. The Beavers, coached by Wiley Wilson and Bert Leidholt, were led by Gary Batts, the talented senior from Lebanon, Indiana, in the defense of their conference title. Batts scored 24½ points and captured three NDCAC titles in pacing the win over second place Jamestown. While Batts claimed titles in the Long Jump, Triple Jump, and 440 Yard Intermediate Hurdles, other Minot titles were annexed by High Jumper Bill Strasser, Shot Putter Steve Gunderson, and Pole Vaulter Tom Osland.

During the season eleven school outdoor and four indoor records were established. Batts was the pacesetter by setting new marks in the Triple Jump, Long Jump, 120 Yard High Hurdles, and in the Decathlon. Other outdoor standards were set by freshman Mike Jore in the 3-Mile Run and the 6-Mile Run; Jim Rowell lowered the 880 Yard Run standard; Gary Myhre the Mile Run; and Joe Johnson the Steeplechase. Combining their efforts to establish new relay records were Jore, Johnson, Rowell, and Gerald Ziemann in the Two Mile Relay, and Don Sturn, Ted Brinkman, Jeff Gray, and Rowell in the Mile Relay.

During the campaign the Beaver Thinclads competed in 12 invitational meets. On five occasions they emerged champions, were runner-up four times, finished third twice, and a 7th place finish once.

Beavers finish 3rd in conference tourney

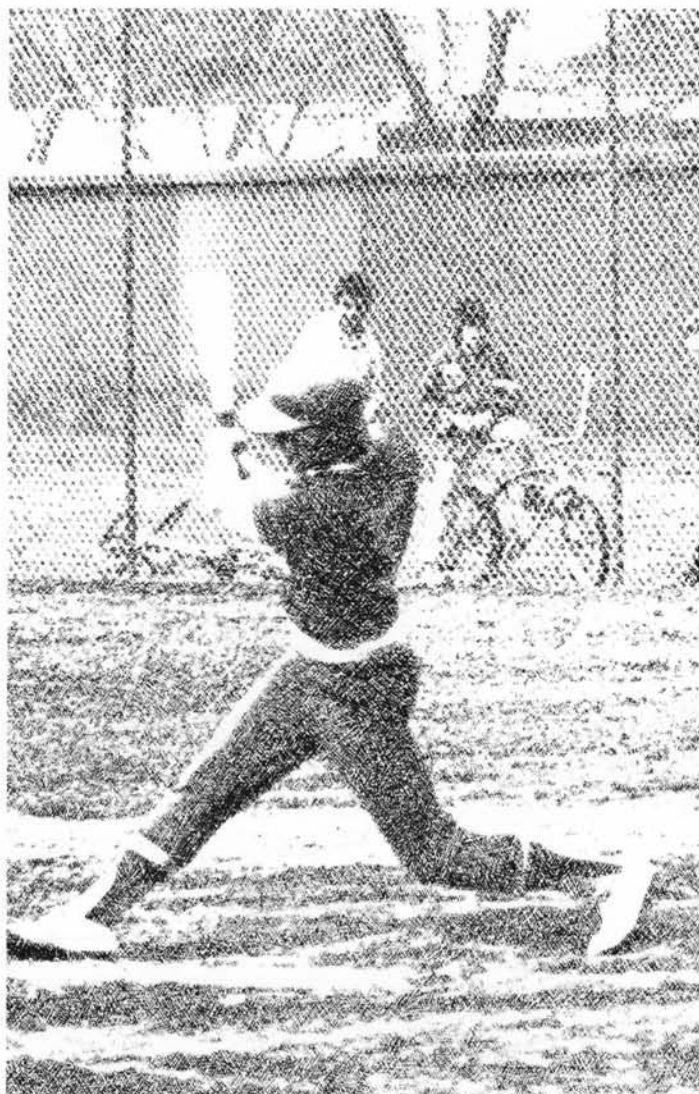

The Beavers completed the 1974 baseball season with a total of 16 wins and 12 losses. They finished third in the conference tournament, defeating Valley City before losing to Mayville State 8-7 and Dickinson 2-0.

The Beavers were led by Co-Captains Lyle Kath and Karl Urbaniak. Tim Kaiser, senior pitcher and first baseman, received the "oil can award" which is given to the individual most responsible in keeping high morale on the team.

Even though the Beavers had a predominately young ball club they played some excellent baseball and the future for Minot State baseball looks very encouraging.

All-conference ballplayers were Karl Urbaniak, Tim Kaiser, and Dale Zweber. Seniors on the 1974 team were Tim Kaiser, Karl Urbaniak, Lyle Kath, Dale Zweber, Steve Dentz, Jim Wahl, Harry Dyck, and Harley Routledge.

Tri-Captains elected to lead the 1975 Minot State baseball team were sophomore Randy Will, sophomore Steve Bovee, and sophomore Brian Reiley.

Eckman chosen for district 12 team

A brief resume of the 1974 golf season at Minot State shows the Beavers winning four out of five dual matches, and playing well in three of the four tournaments that they were entered in.

During the NAIA District 12 tournament, which includes teams from North Dakota, South Dakota, and Montana, selections were made for an all district golf team. Bock Eckman, of the Beaver squad, was selected for this team in 1974

ADMINISTRATION

Dr. Gordon B. Olson

During the fall of 1974, the college occupied the new classroom building which is to be named Hartnett Hall. Dramatics, fine arts, mathematics, and a limited amount of music is currently housed in the facility. The college is hoping to receive an additional \$200,000 appropriation from the 1975 legislature which will make it possible to complete the west tower on the building. We will then have approximately \$763,000 available for that portion of the building. The allied health programs will be housed in the new tower.

During the summer of 1974, the college completed paving the various parking lots on the campus. The project cost \$83,000. This is a self-liquidating project which is to be amortized by parking ticket sales to students and state college employees.

During the fall of 1974, we completed the project to put artificial turf on the track. The installation was completed the latter part of November at a cost of \$56,000. We are looking forward to extensive use of this facility during the 1975 track season. It makes for a very fine facility and is a welcome addition to present facilities.

During the 1975 legislative session, the college will request the legislature to appropriate over one-half million dollars to be used for various plant improvement projects on campus. These projects will get underway effective July 1, 1975. The college will also request authority to build a 3.6 million dollar physical education building to be constructed in an area northeast of the present football field. The legislature will likely assign the buildings that are requested by the various institutions of higher education to a priority list. We are hopeful that Minot State College's request will be granted a high priority.

The college is currently analyzing the possibility of offering a law enforcement degree program at Minot State College. A number of requests have been received from law enforcement personnel throughout the state urging the college to extend the present fine, two-year associate program into a degree program. The intent would be to continue to offer the associate program. The degree programs would be designed to meet the needs of law enforcement officers typically assigned to duties that deal with the day to day problems in the law enforcement field.

Allied Health

The Division of Allied Health Professions offers three degree programs: Bachelor of Science Degree in Medical Technology, Bachelor of Science Degree in Nursing, and Bachelor of Science Degree in Radiologic Technology. In addition, it handles all students in the medically related pre-professional areas such as pre-medical, pre-dental, pre-pharmacy, pre-veterinary medicine and so forth. Through the activities of the student-led Allied Health Professions Organization, the students in the Division are involved in many health related projects in the community.

Several staff changes were noted during the past year. New staff in the Division include Mr. Gerald L. DeMoss from Chico, California and Mrs. Carol Nelson. Mr. DeMoss, a management specialist, replaced Mr. G. Mark Pippin while Mrs. Carol Nelson, a specialist in secretarial science, replaced Mr. John Doering.

Miss Doris Slatten was on leave for the winter and spring quarters to complete work on her doctorate at Colorado State University at Fort Collins, Colorado. Mrs. Jewell Vaught was employed as a substitute for her.

The Division of Business organized an advisory committee for the Vocational Office Teacher Education Program. The Committee consists of the following members: Mr. Mark Sanford, Mrs. Mavis Williamson, Mr. Warren Sands, Mr. Al Gust, Mr. Terry Hoff, Mrs. LuAnn Krein, and Mr. Oscar Quam. The first organizational meeting was held on November 12, 1974.

A new cooperative work experience program in management was inaugurated in the summer of 1974 and will be continued during the summer of 1975.

Miss Carol Lovro was on leave as Division secretary during the summer of 1974. During that time, she was on the staff at Buckhorn Children's Center, a child welfare agency sponsored by the Presbyterian Church in Buckhorn, Kentucky.

Phi Beta Lambda, Pi Omega Pi, and the Business Administration Club, organizations in the Division of Business, were all active during the school year.

Overall enrollment in the Division remained constant during the past year. A notable change of business teachers was indicated in the fall of 1974.

Education and Psychology

Emerson observed that "there are two kinds of teachers: one type speaks from the outside—he is concerned with facts and measurements. The other type speaks from the depth of his soul—he is a prophet of inwardness. He is guided by an inner vision which he exemplifies in his actions and which he communicates to his students." The guiding philosophy of the Division of Education and Psychology recognizes that teachers can inspire only when they realize their responsibilities and opportunities. The classes in the Division generally try to instill the balance, the harmony which will make teaching a dramatic form of inspiration. It is only through the union of content and method, substance and process, that vitality is brought to education of any kind.

The Division is firm in its belief that the intellect cannot be disembodied or separated from the rest of human development. Nothing is truly learned until it has been integrated with the purposes of the individual, so no facts and principles that have been learned can serve any worthy human purpose unless they are restrained and guided by character. To this end, the Division of Education and Psychology dedicates its talents and efforts.

Minot State College maintains an elementary laboratory school on the college campus. Approximately 210 children are enrolled in preschool through grade six. The school is staffed by ten full time and seven part time professionals.

The Campus Laboratory School serves as a research laboratory and as a center for preprofessional teaching experiences. The School's primary mission is to test promising teaching and learning innovations and disseminate the findings to the educational profession. The preprofessional experiences for teacher education candidates of Minot State College have the primary goal of creating an experience background for courses dealing with psychology or teaching methods. These experiences include case study opportunities for students enrolled in psychology; the novice experience; the teacher assistants program for teacher education candidates; numerous demonstrations throughout the quarter for classes in educational methods; micro teaching and mini lab experiences for social science and elementary majors; and several student teaching stations. All elementary majors and 60% of all secondary majors receive professional experiences at the school.

The fourth year of the Experimental College program began with a retreat at Lake Metigoshe for students and faculty. Besides swimming, eating steaks, and all night volleyball, ambitious plans for the coming year were prepared.

Dr. John Griffin joined the faculty to teach applied mathematics and computer science. New courses in ASSEMBLER programming, Advanced FORTRAN, linear programming, and queuing theory were added to the curriculum.

Jim Ayash, Pam Dosch, Steve Fogarty, Jim Ramey, Betty Redmer, and Tim Schweyen participated in the fall field trip to the Colorado Plateau. Included on the trip were visits to the San Juan Mountains—Mesa Verde, Grand Canyon, Zion, National Bridges, Arches, and Canyonlands National Parks, and the Flaming Gorge area.

George Slanger (humanities), James Senft (mathematics), Clark Markell (science), and Kathe Lemmerman (social science) teamed together with help from Dale Howard (geography) to teach a new interdisciplinary general education course entitled "Image and Value."

Jenny Redlin, Joe DeLorme, Paul Brand, and George Slanger starred in the Experimental College one-act play given in the Student Union Lounge.

Patti Cook, Paul Johnson, and Earl Schell from the Small Towns in North Dakota class received Bicentennial designation for their projects.

The computer learned how to play Bach bird calls and nursery rhymes in its spare moments. The computer room though didn't have too many spare moments as useage soared again.

New minicourses included Water Witching, Cold Deserts, Hitler and the Nazis, Presidential Power, Heat Engines, Archeology, Zen Buddhism, Tolkien, and Fairytales and Folklore. The Ten O'Clock Scholar continued to publish fascinating studies on bath tubs and money.

Fine & Applied Arts

1974-75 has been an exciting year for the Division of Art. The long awaited move into new quarters, Harnett Hall, was realized in late August. The new facility includes well designed areas for the studio arts, painting, drawing, printmaking, graphic design, crafts, sculpture, and also features a fully equipped darkroom area. Adjoining the art studios is a spacious gallery providing a proper atmosphere for numerous art exhibits. The past year included shows from Pratt Graphics Center, New York, the North Dakota Student Juried Exhibition, and the 5th National Print & Drawing Exhibition in March juried by Professor Sid Chafetz, Professor of Printmaking at Ohio State University. Chafetz chose a selective show from over 400 entries, with several works added to the permanent collection of M.S.C. and made possible through funds from the M.S.C. Student Association and the entire project partially supported via student funds and a grant from the North Dakota Council on the Arts & Humanities & the National Endowment for the Arts, Washington, D.C.

Department majors have steadily increased in number and enrollment figures of all students taking art courses surpassed the previous two years.

Several new courses were initiated during the year including jewelery, advertising layout and design & weaving. Their enrollment reflects the growing department and also reflects the efforts on behalf of the individual student, to expand his visual experiences into new dimensions of learning and possible careers.

The Health, Physical Education and Recreation program at MSC is operated on three levels. The first, and theoretically the most important, involves regularly scheduled courses.

These courses are helpful to the students in many ways. Some, such as Dancing or Swimming, teach students socially desirable skills. Others, like Conditioning Exercises or Weightlifting, merely offer a means of keeping in shape. Still others, e.g. Kinesiology or Athletic Injuries, prepare students for careers in such physical education fields as coaching or teaching.

The most publicized level on which the physical education division operates is, of course, the intercollegiate level, where a limited number of the school's best athletes represent it in competition with other colleges. In 1973-74, as it has been for several years, Minot State was well represented on this level by a large number of very exceptional athletes.

500 cassettes . . .

and three buffalo heads are only some of the many things found in Memorial Library. And just as the curriculum is expanding to meet the needs of today's students, so is the library's collection expanding to meet their needs.

The majority of the material is in the form of books, magazines and government publications, but microfilm (back issues of magazines and newspapers), microfiche (ERIC publications and BIA annual reports), film strips (Indians of the United States, Japanese internment camps during WW II, etc.) and cassettes of music and the spoken word (educators, social scientists, dramatists) are also available. Microform readers and printers, film strip previewer, cassette players (some of which can be checked out), and a video tape viewer are becoming increasingly more popular. Faculty and students are encouraged to recommend purchase of new material, and though some requests cannot be acquired, most are, and all are given consideration.

The circulation period for most books has been lengthened to four weeks to lessen the need for renewals and the problems of overdue books (librarians don't like fines any more than library users do!).

Strip mining, Watergate, Garrison Diversion, the energy crisis—all have added to the increased use of the Government Depository publications. The depository collection also includes a great deal of general interest material, such as U.S. Census figures, NASA material, agriculture bulletins, Smithsonian Institution publications, Bureau of American Ethnology reports, as well as Congressional hearings, bills and laws.

After being slighted for several years, the children's book collection is now being enlarged because of the increased budget. This collection, used by children's literature and library science classes, now includes many new titles, covering recent fiction as well as non-fiction on contemporary social issues—abortion, drug abuse, birth control, ecology, and minority groups.

The Special Collections room contains books, pamphlets and documents relating to the Indians of the Northern Plains, the settlement of Dakota Territory, and the state of North Dakota. With the approach of the Bicentennial year, increased interest and use of the collection is anticipated.

In keeping with this Northern Plains theme, prints by Bodmer, Remington and Russell have been hung, and a display of Sioux arrows and 19th Century rifles is near the entrance.

Head Librarian George Clark has a staff of six librarians whose prime duty is to aid faculty and students in the optimum use of the library—from locating House Bill 2347 to explaining the serial print-out to locating Dr. Seuss' real name to pointing out the three buffalo heads—if somehow they were missed.

Literature & Language

*Although the seating had yet to be installed and the stage curtains and rigging had yet to be acquired, the Division of Literature and Language enjoyed occupying its new theatre and auxiliary facilities in Hartnett Hall this year. Productions of *The Desperate Hours* and *The Indians* were presented with temporary seating early in the season. The theatre had its grand opening with the production of O'Neill's *The Hairy Ape*, and with the auditorium complete.*

*The Summer Theatre enjoyed a successful ninth season with productions of *Carousel*, *How to Succeed in Business Without Really Trying*, and *No, No Nanette*.*

Like the theatre, the new telecommunications program still awaits the acquisition of additional equipment before its full potential can be realized.

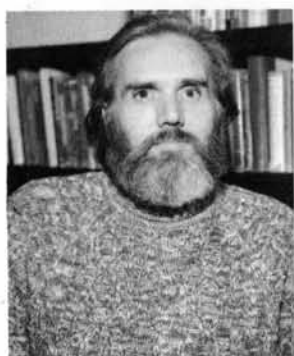

The courses offered in the Division of Literature and Language are designed to enable students to realize such major objectives as the following: (1) the ability to write and speak the English language clearly and effectively; (2) the ability to read and listen with comprehension and discrimination; (3) a first-hand acquaintance of the rich humanistic and democratic traditions of those works, and some understanding of the development of Western culture; (4) the ability to speak, write, and read a foreign language; and (5) knowledge, habits, and attitudes effective for successful teaching of language arts, literature, and allied subjects in the public schools.

The philosophy of the Music Division is "to develop the student's general academic potential with emphasis upon musical enrichment and growth." Its objectives include: (1) to enrich the individual's understanding of music through the study of literature, history, and theory; (2) to provide the individual with the necessary knowledge and material to teach music; and (3) to provide the individual with performance experience.

The Division of Science is composed of the Departments of Biology, Chemistry, Environmental Science, Mathematics, and Physical Science. While much variation in program requirements exist among the various majors in the division, all have as common objectives: proficiency in a professional subject matter field and broad, liberal training for effective citizenship. This gives the student a fundamental education in the biological, physical, and social sciences and an opportunity to elect courses in the arts and humanities. Specific technical courses are offered in each area of specialization.

Social Science

The Division of Social Science made some changes and additions this year. The Educational Policies Committee and Senate adopted a proposal for a four year major in Criminal Justice, which will be presented to the Higher Board of Education in May. In addition, the Division is working to include a Social Work major.

The Center for Economic Education, which is an affiliate of North Dakota's Council on Economic Education and the National Council on Economic Education, was officially established.

Climatology students obtained a new weather station, more practicum and internship opportunities for department majors and minors were added, and the operation of a Consortium on Gerontology is under way.

The Special Education Division at Minot State College prepares people for a profession of ever-growing importance. Children whose needs differ from those of the ordinary child require special programs not available in regular education programs to help develop their potentials to the fullest.

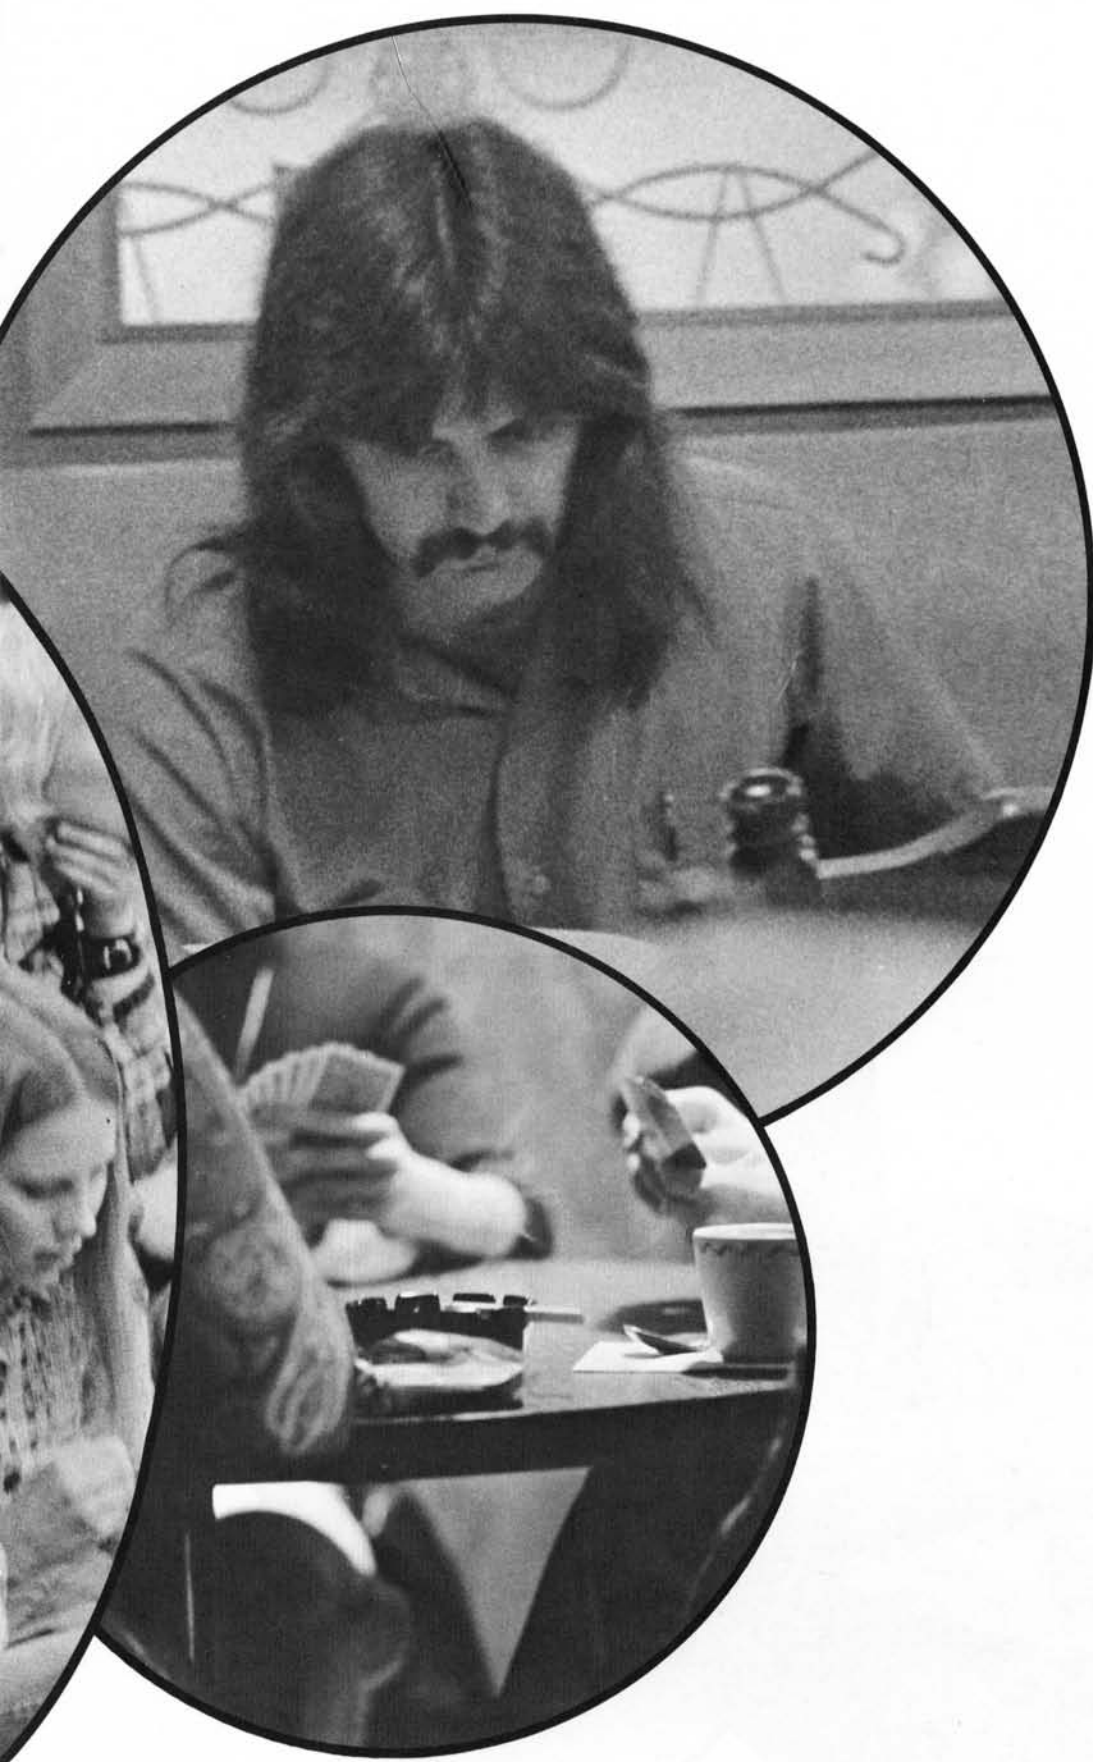

The Division of Special Education is comprised of people who plan to use their professional training to help those who are less fortunate. Speech Pathology, Mental Retardation, and Education of the Deaf are three specific areas of study. A Master's Degree program offers students the opportunity to develop more advanced and specific skills.

The Speech and Hearing Clinic in the department is equipped with the latest in equipment. The Clinic provides students with valuable experience as it offers its services to the students at MSC as well as people from the immediate and surrounding area.

Who's Who in American Colleges and Universities

by Pat Mayer

Every year MSC's Student Welfare and Affairs Committee, composed of eleven faculty, administration, and student members, nominates between ten and fifteen students for Who's Who in American Universities and Colleges.

The students must have a 2.75 minimum over-all average and have completed two-thirds (130 hours) of their work at MSC at the time of their selection. They must have demonstrated participation and leadership in extra-curricular activities, citizenship and service to the college, and potential for future achievement.

Named to Who's Who in American Universities and Colleges are 14 MSC students. Honored are Arthur O. Rude, Dunseith; Thomas A. Stael, Lostwood; Cynthia Janssen Norland, Washburn; Patricia A. Nordloef, Coteau; Kathleen A. Voeller, Silva; Kathy L. Wright, Devils Lake; Carol Fukagawa, Wailuka, Hawaii; Robert V. Di Maggio, Midland, Pa.; Albert D. Burnham, Washington, D.C.; and Mary Morrison, Kathy K. Hoeffel, Carroll W. Erickson, Gerald D. Anderson, and Richard S. Christen, all of Minot.

Art Rude

Pat Nordloef

Art Rude, a chemistry major, is a participating member of Beta Gamma Phi and Vagabonds. He was an active member of the Student Association serving as senator and now presides as president of the Student Association.

Pat Nordloef, a music major, is an active member of Beta Theta sorority. Other activities include participation in college band, concert and women's chorus, MSC Jazz Ensemble, MENC, and Sigma Alpha Iota. She was a Miss Beaver finalist in 1971 and Vet sweetheart in 1972.

Kathy Wright

C. Fukagawa

Kathy Wright, a nursing major, is an active member of Circle K, Student Nursing Association, and the Lutheran Student Movement. She has been resident assistant in the dorm and now serves as Head Resident in McCulloch Hall.

Carol Fukagawa is majoring in elementary education and remedial reading. She is a participating member of Delta Epsilon Phi sorority and has participated in Campus Players, Women's Choir, MSC Hostess Group, Kappa Delta Pi, and served on the Greek Council. She was MSC's 1973 Homecoming Queen.

Mary Morrison

Anderson

Mary Morrison, a music major, is active in Alpha Psi Omega, Campus Players, Roscian Guild, Sigma Alpha Iota, Concert Choir, Minot Symphony Orchestra, and the String Ensemble. She has received a scholarship from the Minot Symphony Association and Women's Symphony League.

Gerald Anderson is majoring in Speech and Communication Arts. He is very active in Alpha Psi Omega, Campus Players and the Mouse River Players.

Kathy Hoeffel Tom Staael

Kathy Hoeffel has a double major in elementary and physical education with a minor in health education. She is active in Sigma Sigma Sigma sorority, was a cheerleader, served on Greek Council, Panhellenic Council, and a member of Kappa Delta Pi.

Tom Staael is majoring in elementary education and drama. He is a member of Campus Players, Alpha Psi Omega, Roscian Guild, worked on The Red and Green, and is active in Circle K.

Al Burnham Cynthia Norland

Al Burnham is majoring in history. He is a member of Campus Players, the Roscain Guild, and participates in Inter-Varsity Christian Fellowship.

Cynthia Norland is pursuing a double major in English and Law Enforcement with a Speech and Drama minor. She has been active in Campus Players, college band, Roscian Guild, and Circle K.

Bob DiMaggio Rich Christen

Bob Di Maggio, majoring in physical education and recreation, is a member of Sigma Tau Gamma fraternity, Gamma Delta, and the Letterman's Club. In addition he has played football at MSC for four years and has served as a senator on the Student Association.

Rich Christen, a history major and chemistry minor, is a member of the Letterman's Club, Phi Sigma Pi, and the Fellowship of Christian Athletes. Rich has been a wrestler at MSC and served on the student council. He was awarded the A.O. Duer Scholarship last year.

Kathleen Voeller Erickson

Kathleen Voeller, also a music major, is a member of Delta Epsilon Phi sorority. Other activities include being a member of college band, concert choir, Opera, Popajons, MENC, Newman Club, and Panhellenic Council.

Carroll Erickson has an Associate of Arts degree in Law Enforcement and is pursuing a major in sociology. He served as a patrolman, detective, and Lt. training officer with the Minot Police Department, was awarded a Certificate of Appreciation by the Boys Scouts of America for dedication to welfare of young

tificate of appreciation from Erik Ramstad Jr. High School in 1974 and is active in the public relations of Minot giving various lectures and speeches. In addition he is a security officer for MSC, is a Certified Law Enforcement Officer for the State Of North Dakota, graduate of N.D. Highway Patrol Academy, F.B.I. National Academy, member of N.D. Peace Officers Association, serves on P.T.A. and was previously named Outstanding Police Officer by the Minot Jaycees.

TIME: a period during which something (as an action, process, or condition) exists or continues: an interval comprising a limited and continuous action, condition, or state of being: measured or measurable duration.

**You will always be someone very special in my life.
I only wish I had realized it sooner,
That way my life would be complete now.**
