A large, leafy tree dominates the foreground, its branches spreading across the top half of the frame. In the background, a building with a sign that reads "ADMINISTRATIVE" is visible. A smaller, weeping tree stands to the left of the main tree. The scene is set on a grassy lawn with a paved path.

## Domer honored for service

by Peggy Hansen

Dewayne Domer, assistant professor of business at MSC for 25 years, was honored for service to the college at the Recognition Day Dinner in October.

Domer came to MSC in the fall of 1956 from Berthold where he was superintendent of schools for eight years. He accepted a position at Campus School supervising business teachers which lasted until Model was closed in 1968.

Domer then came over to the business department, teaching methods courses and supervising teachers in outlying schools. He has also taught training courses for driver education teachers during his career here, and

now instructs skill courses such as typing and shorthand. He is a member of NEA and NDEA professional organizations.

Domer has four daughters who have graduated from MSC, all in business-related fields. "Only one is a teacher out of four, though," says Domer.

"I've always felt students from MSC match grads from any institution in the country and I've felt the education they obtained from MSC is equal to or better than what they could receive from any other place," commented Domer.

## Gaylen Brown marks 25 years at MSC

by Peggy Hansen

Gaylen Brown, associate professor of history at MSC for 25 years, was honored for service to the college at the fourth Annual Recognition Day Dinner on Oct. 28.

Brown came to MSC in December of 1955 for one quarter, but began his ongoing career in September of 1956 in the social science division teaching, principally, history.

For 10 years Brown served as the Minot Chairman of the International Peace Garden Conference which meets annually with Brandon University students at the Peace Gardens for debates on various subjects that are applicable to young people of both countries.

Brown has been an advisor to Mu Sigma Tau Fraternity for over 20 years, "Through good years and bad years," Brown said. For a few years he was also advisor to the Lutheran Student Association in the days before campus pastors became a permanent part of MSC.

Brown has been president of both the local American Association of University Professors and the local NDEA chapter. He also has been state president of the State Conference of AAUP, and has served as the state president of the Higher Education Association.

Brown comments on his career at MSC, "My years here have been extremely happy, busy, and fast."

## **Carol Belinskey retires after 31 years**

*by Peggy Hansen*

Carol Belinskey, professor of chemistry for 31 years at MSC retired in the spring of 1981 receiving the rank of professor emeritus at graduation ceremonies on May 29. She was honored at a recognition banquet in October.

Mrs. Belinskey said when she came to MSC in 1950 there were many women on the staff; however, there was a differential in pay between men and women. She was the only woman in the science and math division for the past several years.

Serving as the MSC coordinator for

St. Joseph's and Trinity Schools of Medical Technology and Nursing in Minot, Mrs. Belinskey was instrumental in establishing the medical technology and nursing degree programs at Minot State College. "The medical technology degree was the first professional degree program to be granted to MSC by the Board of Higher Education, bringing MSC out of the "teachers college" category," she said. She continues to serve as an advisor to the Trinity School of Nursing.

## TLC serves as student resource center

*by Peggy Hansen*

The Teacher Learning Center and Community Exchange, located in the basement of the library, serve as a resource center for college students and area teachers, as well as for the community. Education students, particularly, research the pool of curriculum materials from grades K-12.

The center provides access to options in textbook series, classroom management materials, ideas for nurturing creativity in students, innovative methods of teaching, suggestions for learning centers, bulletin board know how, etc.

The Community Exchange is open for the people of the surrounding area to take advantage of. Parents can see

Helen McCormack, Marilyn Eberly, Jane Bieri

what's new in education or find materials to use in working with their children.

Workshops are set up regularly for area teachers which are open to MSC students. Administrators are invited to come in to do research when selecting new text book series.

The center is supported by funds from both MSC and the Minot Public School system.

Jane Bieri, coordinator, comments, "We'd like people to know this is a kind of relaxed, friendly place to come and study or work with other students. The coffee is always hot."

**If** you think you are beaten, you are;  
if you think you dare not, you don't;  
if you like to win but think you can't  
it's almost a cinch you won't.

**If** you think you'll lose, you're lost,  
for out in the world we find  
success begins with a fellow's will  
it's all in the state of mind.

**If** you think you are out-classed, you are,  
you've got to think high to rise;  
you've got to be sure of yourself before  
you can ever win a prize.

**Life's** battles don't always go  
to the stronger or the faster man;  
but sooner or later the man who wins  
is the man who thinks he can.

# BEAVER ARTS

Joe assures Maggie everything will be fine.

## ***Shadow Box, trauma of a dying person***

by Peggy Hansen

The fall presentation of the MSC Communication Arts Department was the "The Shadow Box" by Michael Cristofer. The play, a two-act drama about the trauma of being a dying person, ran November 6, 7, 12, 13, and 14 and was well-attended. It was directed by Kevin Neuharth and assisted by Patti Petrick.

The ten characters, three of whom were dealing with the reality of death, were played by: Michelle Marrs as Beverly, Mark Bolinske as Brian, Todd Aleshire as Mark, Wayne Anderson as Joe, Julie Tellefson as Agnes, Kammy Rongstad as Felicity, Karen Abel as Maggie, Vincent Rodrigues as Steve, Ninosca Meyer as interviewer, and Miller Carter as interviewer.

The actors commented on it being hard to play a character who is going to die because one isn't sure how he himself would react to news of an impending death. They worked at portraying feelings predictable for this situation. Kevin Neuharth maintains the main purpose of the education theater is for the actor to learn something. Summing it up, he stated, "It was a good experience."

## ***Gin Game has two starring roles***

*by Peggy Hansen*

"The Gin Game," a two-act drama with exactly two starring roles, was presented on February 5, 6, 11, 12, and 13 by the MSC Communication Arts Department. This was the story of two elderly people (Weller, played by Gene Jundt and Fonsia, played by Kyla Dippong) who are left with no friends, no family, and no goals to live the remainder of their lives in a welfare home. It was the story of their struggle before the end.

Director Tom Turner commented that the play was chosen because it is an excellent contemporary drama regardless of some objectionable language in it. "The Gin Game," by D. L. Colburn, won the Pulitzer Prize for the best play of 1978.

Turner was assisted in the production by technical director and scene designer Kevin Neuharth, stage manager Diane MacDonald, and many drama students and members of Alpha Psi Omega.

Fonsia is upset by Weller's ravings.

# ***The Mousetrap closed with a conviction***

by Valerie Payette

The Communication Arts Department of MSC presented "The Mousetrap," a mystery in two acts by Agatha Christie on May 7, 8, 13, 14, and 15 in Hartnett Hall Theatre. The play is about two characters who open a guest house and four guests that register there shortly after a murder has taken place. A second murder is committed during the play at the guest house. Everyone is under suspicion. The mystery is resolved through the course of the performance. Actors and actresses include Michael Callies, Mary Lou Kramer, David Creelman, Tami Hoff, Kris Helm, and Roger Hammer. Kevin Neuharth was the director and designer of the set with Janet Higgins as stage manager for the production.

# Summer Theatre

by Sherie Heine

The 16th season of Minot State's Summer Theatre brought the presentation of two musical shows; *Godspell* presented July 2-4 and 9-10, and *Company* presented July 16-18 and 23-26. Tom Turner, the founder of the MSC Summer Theatre, directed *Godspell*—his final show at the theatre. Turner had previously done *Godspell* during a school term. Tom Rakness of Minot again portrayed Christ in Turner's final amphitheatre production.

*Company*, directed by Kevin Neuharth, was an adult comedy starring Neil Lemieux. A total of 16 actors and actresses and approximately 20 musicians participated in the performances. Along with Neuharth and Turner, Joe Alme was orchestral director and Neil Lemieux was vocal director.

# Minot Opera

by Kelly Yahnke

The Minot Community Opera Association is a college-community organization. Last year they performed "Don Giovanni" by W.A. Mozart. There were three opera performances—June 23, 25, and 27—they were preceded by a Gala Concert June 18. The opera was based on the legend of Don Juan, a famous romancer, and was first written as a play in 1630. The Opera Association offers a great opportunity for any student or community member that is interested.

# Minot Symphony Orchestra

by Valerie Payette

The Minot Symphony Orchestra is composed of fine musicians from the college and community. With Robert Quebbeman as conductor, they hold various concerts over the year. It provides a good idea of what orchestras are like in the larger cities and is an opportunity for the community to appreciate the art of music.

One super conductor at MSC is Robert Quebbeman who conducts the Minot Symphony Orchestra. He has been a conductor for six years at MSC and says he really gets a lot out of it. The hours of traveling when on tours or at clinics doesn't bother him because of his enjoyment of conducting.

He was selected in the top twelve of the Master Class of Hubert Blomstedt at a clinic held in California. He feels this moment was the most memorable of his conducting career.

## **Children's and Pop's Concert**

by Valerie Payette

The Minot Symphony Orchestra presented a Children's Concert and its annual Pop's Concert January 8 and 9. Both were held in the Minot City Auditorium with the Children's Concert at 10 a.m. Friday, and the Pop's Concert at 8:15 p.m. the following evening.

The symphony performed the "Suite

from Henry V" by William Walton, "Carnival of the Animals" by Camille St. Saens, and the "Russian Sailors Dance" from "The Red Poppy" by Reinhold Gliere during both concerts. Selections from "The Wiz" were also performed in both concerts by the MSC Jazz-Madrigal Singers with the addition of Cecelia Colby at the Pop's concert.

# Women's Choir

by Valerie Payette

The Women's Choir, as the title states, is open only to women. This choir is somewhat more casual than the others. It doesn't have any major concert obligations but they do perform with the other musical groups throughout the year at MSC's music presentations. The Women's Choir is under the direction of John Strohm.

# Choral Vespers

by Valerie Payette

The MSC music department held its Christmas Choral Vespers Service Sunday, Dec. 13 in McFarland Auditorium. The Vespers Service was composed of various songs and a reading of the Christmas story.

The MSC groups presenting the service were the Concert Choir and Vagabond Male Chorus, under the direction of Joseph Hegstad, and the Women's Choir, directed by John Strohm. The college groups were accompanied by Mark Dimond, organist, and Mary Radspinner, harpist. The harp adds a special beauty to the song selections which built up to the Christmas story, read by Dan Mathis.

## Christmas Convocation

by Peggy Hansen

The annual Christmas Convocation presented by the MSC music department was held during the Monday morning ten o'clock off-hour on December 14, 1981. According to John Strohm, division chairman, this program gives the Concert Band and Women's Choir a chance to present themselves and provides the entire student body and faculty an excellent opportunity to meet President Olson and hear him speak from a non-administrative perspective.

The Women's Choir performed two seasonal selections and the Concert Band played two Christmas medleys before leading the audience in a Christmas carol sing-along. The balcony, where the Campus School students were seated, rippled with response when the band struck up the first strains of "Jingle Bells."

## Concert Choir

by Peggy Hansen

"The MSC Concert Choir has established itself as an integral part of the Minot community in a unique fashion for a secular college," says director Joseph Hegstad. Five times a year the choir tours several local churches on a Sunday morning and becomes part of their worship services. All denominations are visited, the deciding factor in choice being the church building size. It must be able to accommodate the 70-75 members.

This exposure of the Concert Choir to the community has helped to increase the turn-out for the home concert. The choir also participates annually in the production of the "Messiah."

Every two or three years the choir plans a tour abroad. This year members are looking forward to a trip to Bergen, Norway, to take part in the Grieg Festival. Other highlights of the trip will be visiting Oslo and Skien, Norway, and Copenhagen, Denmark. The choir will be on tour May 28-June 13.

Concert Choir members meet daily for an hour of rehearsal. This plus the many concerts given means choir members must be dedicated musicians or just plain love to sing, or both.

# The 'Messiah'

By Valerie Payette

Do you often wonder what is meant by Handel's "Messiah"? Handel is the name of a famous German composer. George Frederic Handel was born on Feb. 23, 1685 in Halle, Germany. He began taking music lessons when he was seven years old. By the age of twelve, he was an assistant organist at the Halle cathedral. As a youth, he had a typical Lutheran education and studied law at the University of Halle. His earliest activity as a composer began in 1703 in Hamburg, Germany, which at that time was the center of French, Italian, and German operatic styles.

Between 1706 and 1710, while working in Italy, Handel became one of the most popular composers of Italian opera. In 1710 and 1711 he served as Director of Music in Hanover, Germany. He then moved to England and lived in London until his death.

In 1741, Handel abandoned opera and dedicated himself to composing oratorios. "Messiah" was the first of the oratorios. In 1751, Handel gave up composing because of blindness, but still remained active.

"Messiah" contains no dramatic action. It portrays the foundation of Christianity in a series of musical numbers that parallel the prophecy of Christ's coming, His birth, life, death, and resurrection.

The main reason for the popularity of "Messiah" lies in its glorious choruses. There are more inspired choruses in "Messiah" than in any of Handel's other oratorios. The exciting "Hallelujah Chorus" exhibits Handel as a master of choral effects.

"Messiah" was first heard in the New Music Hall in Dublin, Ireland in 1742. For Minot, the 52nd annual "Messiah" was performed December 6 at 4 p.m. in McFarland Auditorium. The "Messiah" Choir and Orchestra included members from the community, surrounding schools, and Minot State College and is under the direction of Joseph Hegstad.

This year's "Messiah" featured ten soloists from the community: Neil Lemieux, bass; Duke Duhacher, bass; Ken Starr, bass; Joel Schenfisch, tenor; Lewis Hagen, tenor; Joanne Nygard, alto; Char Hanson, alto; Beth Moe, soprano; Lydia Dougherty, soprano; and Sue Olafson, soprano.

There were a few changes to the "Messiah" this year, one of them being the use of more than four soloists and also the audience being invited to sing along to the "Hallelujah Chorus" with the choir and orchestra.

The "Messiah," as it has done for the past fifty two years, served as the opening of the heart-warming Christmas season for the Minot community.

## Hegstad has rewarding twelve years at MSC

by Peggy Hansen

Joseph "Doc" Hegstad came to the Minot State music department 12 years ago to be the director of the Vagabonds, the supervisor of music education majors, and a teacher of voice and music literature. His position has since evolved to include the directorship of three singing groups, the Jazz-Madrigals, the Vagabonds, and Concert Choir.

During those 12 years Hegstad has served on numerous committees college wide and departmentally. He has been elected secretary-treasurer of the state Music Educators National Conference and state president of the American Choral Directors Association.

Hegstad has conducted the "Messiah" since 1976. A number of changes have been initiated in its production under his direction. The performance was moved back on campus to McFarland Auditorium which is more hospitable for choral music than is the Civic Auditorium. After its 50th anniversary of performance in the city of Minot during the Christmas season, changes were made in the solo structure, choruses were added and, in 1981, the audience was invited to sing with the Hallelujah Chorus, according to Hegstad.

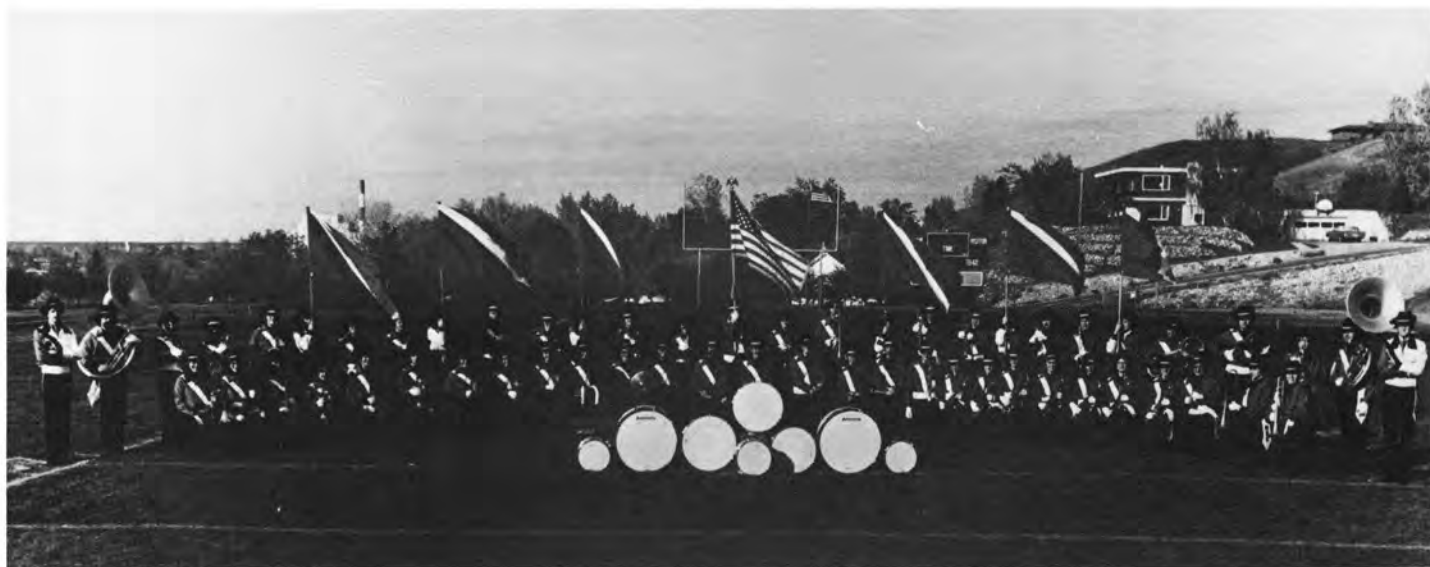

More creative changes for the "Messiah" are being planned by Hegstad including moving the production to the Dome where a larger choir and a larger audience can be facilitated.

Hegstad has been an active member of the Minot community since his arrival here. He has directed the choir of Zion Lutheran Church for 11 years and has directed the Heritage Singers male chorus since he helped to organize it in 1974. The Heritage Singers have twice been designated the Governor's Chorus.

The Faculty Senate has a total of 29 senators, two ex-officio members, Gordon B. Olson, president of MSC, and Joel Davy, vice president of academic affairs, along with 12 members which represent each division on campus and 15 members who are elected at large.

The Faculty Senate meets each month to deal with problems and situations that the faculty as a whole encounters. Some topics may include matters affecting faculty welfare, approving changes of courses for classroom instruction, graduation requirements, or approving the College calendar of events. These tasks are accomplished by the Senate itself and through Senate Committees who report to the Senate their recommendations on matters that have been referred to them for study.

## Alumni Association promotes MSC's growth

*by Kathy Jorgenson*

The Alumni Association is an organization of the graduates from Minot State College. Their purpose is to develop support for Minot State and promote growth of the College.

There are many ways the Alumni Association has developed support for the college. They raised \$300,000 in funds for the dome and have had other various fund raisers.

One project this year was a University Status Party in which profits will go toward achieving university status, scholarship development, general promotion of Minot State and supporting Alumni operations. Another project is a weight loss program Hardy Lieberg, director of Alumni Affairs is promoting. 'Hardy's (weight) loss is Minot States gain' is the slogan for this project. Pledges for 50 cents to 2.00 dollars can be pledged per pound. By October first, what ever Hardy has lost is Minot States gain in pledges.

The Alumni Association has a board of directors consisting of fifteen members. The members are elected for three year terms and must be graduates of Minot State College.

The Alumni Association is a widely known and active organization. They are continually promoting and contributing toward Minot State College.

## Ambassadors Club is a dedicated group

by Kathy Jorgenson

The Ambassador Club is a public relation group that works with high school seniors to promote Minot State College. They conduct tours, visit high schools, make telephone calls and write letters to students who show an interest in Minot State.

This is the first year the Ambassadors Club has been active. It was started with a small group that was selected on a trial basis last fall.

The Ambassadors Club is an active and dedicated group. "Because the group has been successful we plan to continue the club next year and for many years to come," said Terry Ferebee, Minot State's Admissions Counselor.

Selections for ambassadors are based on personality, interest, field of study and previous involvement in high school and college activities.

"There are many outstanding persons on MSC's campus and we hope to get some of them involved in the Ambassadors Club in 1982-83," said Ferebee. "We receive names from faculty members and will accept application from anyone interested."

"We'd like to commend the students involved for a job well done," said Ferebee. "They've proven to be an outstanding group."

The Ambassadors Club is a new organization looking forward to many years to come.

The Student Social Work Organization is open to anyone interested in the helping professions, but mainly contains social work majors. Their purpose is to give the members experience in the highly beneficial "outside world." Speakers are sometimes brought in for floor lectures and seminars. The S.W.O. gives the student a place to talk about things that are important to them and a chance to find out more about people. It is to help the student to be able to help people.

## Council for Exceptional Children

by Louella Tollefsrud

The Student Council for Exceptional Children, better known as CEC, is a group of students interested in the exceptional child and youth. It gives students opportunities to improve educational professional standards and increase awareness of the exceptional children. The organization also promotes programs designed to enhance the professional development of its members in serving the exceptional child and to inform the public of a local, state, and regional level of the children's needs.

## Faculty defeat OTA team

by Jim Harding

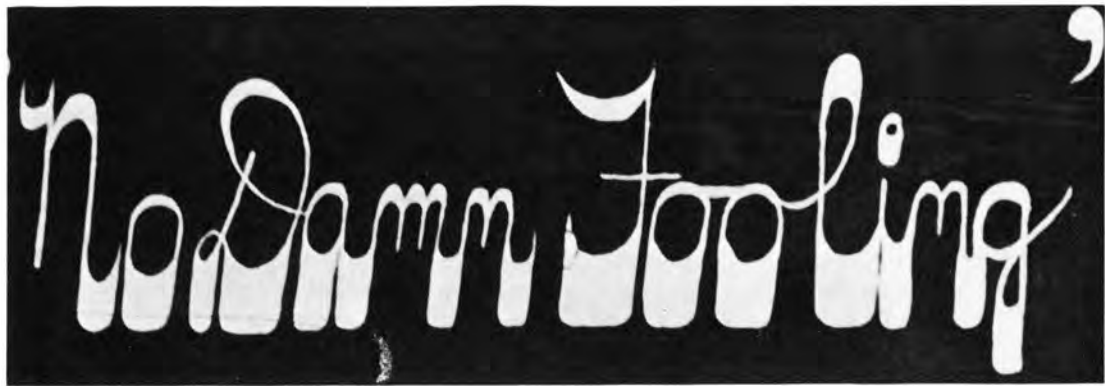

The MSC faculty led by David Connor and Donald Burke staged a dramatic second-half comeback to defeat the OTA Club at the MSC field house 49-41, on December 10, 1981.

Diana Clark, president of the OTA Club, stated that half the proceeds would be used to further benefit the field house while the other half would be used by the OTA Club. Clark also said the game was played to promote further interest in the field house.

The game was a hard fought struggle with "mass substitutions" throughout. The OTA Club, behind the miraculous shooting of Bennie Davis and Pat Purdy, held on to a thin lead after the first three quarters of play. However, during the fourth quarter the faculty controlled the boards and the tempo of the game to emerge victorious. All in all, the game provided plenty of laughs and sore muscles the next morning.

## M-Club

by Mona Nordgren

Who are the people you see selling concessions at the various athletic events? They are members of Minot State M-Club with Coach Larry Trieder as their advisor. M-Club consists of any athlete that has earned a letter in a MSC sport. In order to be eligible for awards you have to be an active member, which is earned by putting in your time at the working events.

M-Club's biggest event they work towards is their annual "Kick-off Banquet" every September for all athletes

and incoming freshmen that are athletes. Many athletes are honored and recognized at this banquet. All-American athletes are recognized with a plaque and outstanding athletes are honored. Coaches and outstanding teams are recognized and honored for their great accomplishments. There are also four M-Club members that receive recognition for their outstanding service.

Coach Trieder said that it was a very interesting and exciting group to work with.

## Red and Green

by Kelly Yahnke

Each Wednesday college students can be seen all over campus catching up on the latest news and coming events. No, they're not having gossip sessions in the student Union, they're reading MSC's student run newspaper, the Red and Green.

The newspaper serves as a lab setting where students get first-hand experience in writing, layout, and photography. The paper consists of an average of eight pages a week along with the Cadence section, usually published the last week of each month.

Paul Lee, the Red and Green and Yearbook advisor stated, "It was a good

year, the (R&G) staff did a good job and covered timely topics." New computerized typesetting also aided in the publication process.

The Red and Green staff was busy throughout the year covering various events and happenings on campus. This years editor was Patti Petrick and assistant editor was Linda Benson. Robin Rudolph took over Debbie Huus's position as Sports Editor later on in the year. The feature editors during the year were Julie Tellefson and Mary Lou Kramer. Nancy Kostenko served as the Cadence editor and Gloria House was the Advertisement Manager.

# Beaver Staff

by Kelly Yahnke

Paul Lee, the advisor of the Beaver, states that a yearbook is "a pictorial history of the clubs and the events throughout a school year." This sounds like a totally logical and simple statement, but the process of putting the yearbook together was far from simple.

Michelle Edwards was the acting editor for part of the first quarter until Mona Nordgren bravely volunteered for the job. Mona along with Joni Heine, assistant editor; Doug Pfliger, design editor; Pat Bailey, photography editor; Valerie Payette, copy editor; and the rest of the staff, worked as a team to get the job done. Paul Lee, our advisor, was always there to give us advise and helpful hints when things got tough.

When you open up this yearbook, you are paging through Saturdays that were sacrificed, seemingly endless rolls of film that were developed, the long hours spent on layouts, on down to the time spent on such menial details as

making tricopies and gluing the numbers on pages with rubber cement.

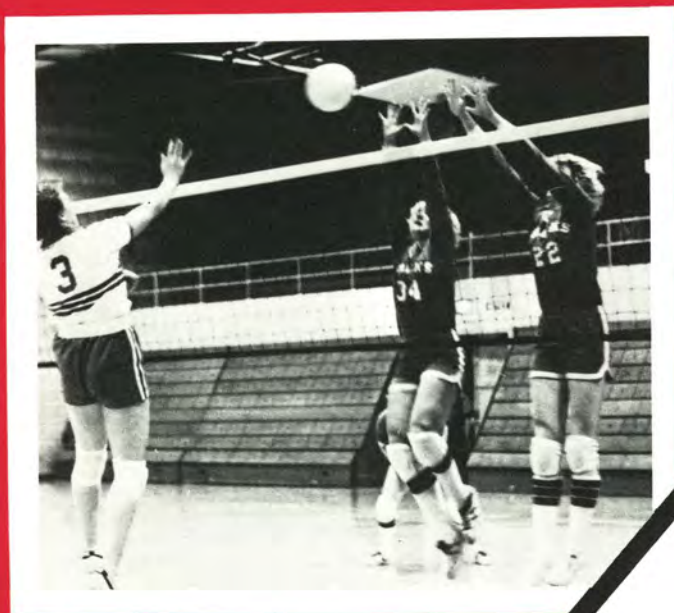

It wasn't all work though. There were good times when somebody would accidentally, on purpose, get carried away

with the rubber cement. And there were feelings of accomplishment and relief when deadlines were met. Teamwork and cooperation was the key in completing the yearbook for another year.

## Six players named All-conference

by Sonja Zunic

Bert Leidholt ended his seven-year career as head coach of the MSC football team this season, leaving the Beavers with a 3-4-1 record.

"We were disappointed with the season," commented Coach Leidholt. "We played a lot of close games."

Leidholt said the highlight of the season was getting six MSC players named to the all-conference team. All-conference members included: Brent Molnar, center; Larry Brown, split receiver; Ron Marsh, defensive end; Mike Stumpf, linebacker; Ed Boos, defensive specialist; and Brad Zastrow, punter, off-center specialist.

Assisting Coach Leidholt with the team were Randy Hedberg who

coached the quarterbacks, Dean Bachmeier who headed the defensive backs, Ed Brezinski who coached the defensive line, and Wes Luthur who coached the offensive backs.

Team captains for the 1981 Beavers included: Steve Ketterling, Kent Knatterud, Dave Richter, Mike Stumpf, and Ron Marsh.

Coach Leidholt praised the players stating, "We had good team enthusiasm...Everybody was at every practice. It was a fun year to coach."

This year's team totaled 72 members, and Leidholt predicts 40 players will show up for practice next fall. The Coach expects twelve players to be lost through graduation this spring. "There's

a good nucleus returning," stated Leidholt, "but we'll have to replace some quality ballplayers."

When asked how he felt about leaving the Beaver squad this year, Coach Leidholt replied, "I feel good in many respects and sad in an equal number of respects."

Leidholt said he will always remember his relationship with the players over the years. "That's something a guy can always cherish," stated Leidholt. The Coach said there's nothing that has taken place over his years with the Minot State team that he'd like to forget. "I have no regrets," remarked Leidholt, "I'll always have an interest in MSC football."

## Seniors

### Tom Addison

Tom is from Miami, Florida and is a physical education major. He stated, "My senior season was disappointing but I really enjoyed playing with the other seniors four year."

Tom plans to give the NFL a try. He also plans to finish his degree so he can become a teacher.

### Jim Harding

Jim is from Youngstown, Ohio and is a physical education major. He was an all-conference selection as a sophomore. Jim commented, "Attending MSC has taught me a lot about myself as well as others. I'll never forget the people I've come to know." Jim hopes to enter the teaching field and has plans for coaching.

### Brent Molnar

Brent is from Regina, Saskatchewan and is majoring in business administration. Brent stated, "I'm glad I attended Minot State, I've enjoyed the experience. As far as the team's performance—we have nothing to be ashamed of." He also thought the coaches were well-qualified.

### Dave Gillis

Dave is from Minot and is majoring in geological engineering. Dave commented, "I really enjoyed my four years at MSC. I felt this past year we had the potential for a very good team. The losses to Jamestown and Dickinson were especially hard to swallow."

### Dave Kary

Dave is from Mandan, N.D. and is majoring in business administration and recreation.

About his college experience he stated, "Each year I met new people. It's great to know so many people and have so many friends."

Dave always thought he could do better, no matter how well he did on the field.

### Jim Turner

Jim is from Minot and is majoring in art. He stated, "I really enjoyed playing four years at MSC because the team was always close together."

### Steve Ketterling (captain)

Steve is from Elgin, N.D. and is a history major. He commented, "I've learned many things while attending MSC. I've learned how to be patient, how to endure pain, and how to get the best out of myself. Above all, the memories that will remain forever in my mind will be the experiences and people I've met in college."

### Mike Stumpf (captain)

Mike is from Harvey, N.D. and is a physical education major. He was an all-conference linebacker his senior year.

### Larry Brown

Larry is from Jacksonville, Florida and is a history major. He was an all-conference wide-receiver last year and plans on trying out for an NFL team while obtaining a law degree. He said he enjoyed his career and the MSC coaching staff.

### Ron Marsh (captain)

Ron is from Plentywood, Montana and is majoring in physical education. He was an all-conference performer his junior and senior year. Ron also gained all-district honors his senior year. About his career he stated, "Four years of football was a lot of work. I had the utmost respect and admiration for the coaching staff and that the teams failure to win the NDCAC was to be blamed on intangible factors." Ron plans on trying out for an NFL team and ranching in Montana.

### Dave Richter (captain)

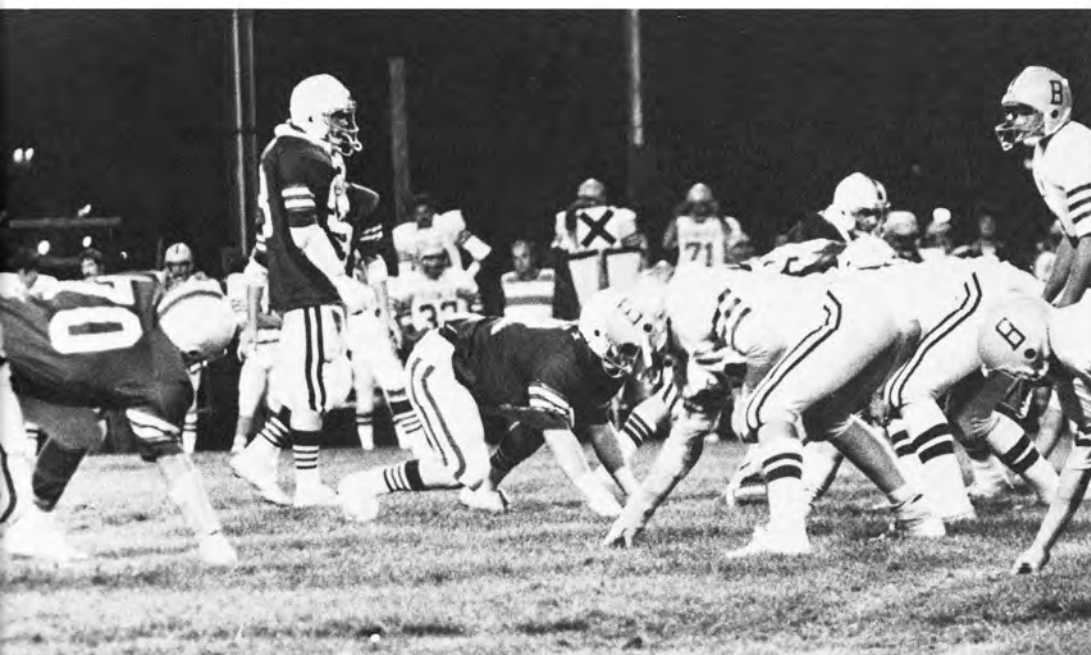

Dave is from Devils Lake, N.D. and is a social science major. He stated that he was somewhat disappointed with his performance during his senior campaign even though he achieved the most defensive points on the squad.

"Physically and ability wise we were better than other teams, but our problems were of the mental kind," according to Dave. He plans to become an FBI agent.

## Cross Country harriers have satisfying season

by Debbie Huus

MSC's cross country team had a "very satisfying season, considering the fact we were short-handed," said Coach Wiley Wilson. "The squad was comprised of only three returning lettermen--Tim Francis, Jari Kari and Bernie Wasser, who was hurt or ill most of the season--and the others were inexperienced, so we did as well as could be expected."

The Beavers' annexing fourth place with 130 points in the National Association of Intercollegiate Athletics (NAIA) District 12 race at Spearfish, S.D., was the highlight of the year, said Wilson. MSC topped five teams--Dickinson State College, Jamestown College, South Dakota Tech at Rapid City, Dakota Wesleyan University at Mitchell, S.D., and South Dakota College at Madison. Wilson's harriers hadn't beaten DSC, JC and S.D. Tech until the district meet. "I was very pleased. It was an outstanding race," said Wilson.

Commenting on the North Dakota Collegiate Athletics Conference (NDCAC) 8,000 meter race at Jamestown, Wilson said, "We ran as well as we could." MSC etched a fourth

place with 105 points. Valley City State College copped the conference crown for the second straight year and, in addition, claimed the district title.

The biggest disappointment of the season was "the lack of depth," said Wilson. "We were short-handed. We needed 10 to 12 runners and we only had seven."

MSC's harriers included Kari, Francis, Wasser, Mike Brevig, Rod Belzer, Kelly Repnow and Matt Stone.

Wilson said the loss of the three seniors through graduation will "very, seriously" affect next year's team performance "unless we recruit four or five outstanding distance runners." The seniors include Kari, Francis and Brevig.

Wilson said, "Belzer was named as the outstanding freshman. Stone and Repnow ran very well for freshmen. And Wasser, a sophomore, was selected as next year's captain."

Wilson foresees MSC to be very competitive next year "if four or five people are added to the roster. We have good returning lettermen with a year's experience under their belts."

Co-captains Tim Francis and Jari Kari were named as the most valuable runner and runner-up, respectively. Mike Brevig was a freshman performer in that it was his first year, said Coach Wiley Wilson, and "although he didn't win in the meets, he performed well."

Francis also competed in the National Association of Intercollegiate Athletics (NAIA) Meet at Kenosha, Wis. He was the 174th harrier through the chute; 350 ran the race. He was also recognized as one of 25 NAIA Academic All-Americans with a 3.8 grade point average in the business administration field.

"Tim had an outstanding year," said Wilson. "He performed very well in his four years at MSC."

## Volleyball team peaks at state

*by John Schwan*

The MSC Volleyball team didn't have a great year as far as won-lost records are concerned, 4-19. "The girls never lost their intensity to play, despite their record," stated coach Ruth Struyk.

The hard work paid off for the girls, they put two games in the win column at the state tournament. "The girls reached their peak, and realized it," said Struyk. She pointed to experience and more consistent play as factors toward the success of the future.

The captain of the team was Cindy Holm, the lone senior on the team, although she has one year of eligibility left.

Struyk also pointed out the great improvement in the girls' skills along with their mental intensity. "This had to be one of my most enjoyable group of girls to coach," stated the sentimental coach.

# Golf team places third in conference

by Debbie Huus

"We had a fairly successful season," said golf coach Larry Treider. "We could have done better at conference. Other than that, we played fairly well all year."

Treider's team took third place with a 322-330-652 in the North Dakota Collegiate Athletics Conference Tournament at Valley City. North Dakota State School of Science's Wildcats led after the first day and maintained the position to capture top honors. MSC held the number two spot, but slid down a notch behind Jamestown College the final day.

About MSC's finishing in conference, Treider said, "We were capable of placing second. The weather was terrible, though. At the same time, we could have played better."

The Beavers claimed fourth in the National Association of Intercollegiate Athletics District 12 Tournament. The squad carded a 341-353-694 in the two-day event held in Aberdeen, S.D. Black Hills State College at Spearfish, S.D., copped the crown with a 665.

"We did a good job there," said

Treider about the team's performance in the district meet. "We finished as well as we could have. I was satisfied with how we played."

The highlight of the 1981-82 season, according to Treider, was the Bismarck Invitational. "That's where we probably played the best golf, the whole team, that is. We played considerably well for two days." MSC acquired fourth of eight teams.

"The greatest disappointment of the year was conference," said Treider.

Todd Cresap and Randy Hanson, both juniors, were named to the all-conference and all-district teams. Cresap swung a 155 and a 167 and Hanson hit a 159 and a 163 at the conference and district meets, respectively.

Cresap's stroke average for the season was 77.7 and Hanson's was 79.5. Treider said both players were "very consistent."

Other team members included senior Jeff Jore, sophomore Mike Vendsel and freshmen Stuart Glasoe and Doug Johnson.

"Hopefully, we'll be a little better next year," said Treider. "If everyone comes

back and with normal improvement, we'll have a stronger golf team."

## Will hockey emerge as new athletic program?

by Jim Harding

Could it be that Minot State will have a hockey athletic program in the future? "It's very possible," according to Hardy Lieberg, Director of Alumni Affairs.

According to Lieberg, the Minot Collegiates was organized in an effort to provide the Minot area youth a chance to experience hockey beyond the high school level.

The Minot Collegiates had been basically funded by community donations during the past two years. However, Lieberg feels that if the team becomes a Minot State athletic program in the future, the team would not only be an excellent "drawing card," but would also stimulate increased enrollment and the chances of the college ob-

taining university status. Lieberg said that if the team becomes a reality, there is a good chance that a five-team conference could originate along with a larger schedule than last year's campaign. He went on to claim that the formation of this team would demand dedication and would provide sufficient practice time for the squad, which last year's team sorely lacked. If the team is formed at the college, a coach would have to be hired to set up a solid program through recruiting.

With all this hope, there is still the one important question which remains up in the air: Will there be a future MSC team nearby for the young hockey enthusiasts of Minot?

Dean Askem guards his net from intrusion.

## Women finish season with 10-15 record

by Joni Heine

The Minot State College Women's Basketball team under the direction of Coach Kathy McCann had a disappointing season, ending with a 10-15 record. In asking Coach McCann she stated "It was a season of inconsistency. We had the talent and were in the race but because of the inconsistency fell short." The Beavers finished the season 3rd in the conference standings with a record of 5-5. It was the first year for the league's new playoff system and according to McCann it worked out quite well. MSC won the first game

against Jamestown 54-46, but fell to Valley City in the second game 81-70. The standout performers of the team were Sandi Thor and Jean Patrick. Both were named all conference and Patrick was also named to the District 12 team, a team consisting of both N. Dak. and S. Dak. colleges. When asked about the next year McCann stated, "Some of the freshman coming in have the height we haven't had in other years and with the experience the girls on the bench gained, we should have a better year next year."

## Darcie Ritter

Darcie is from Bismarck and is majoring in physical education. She commented, "This season our team had their ups and downs but we played well when we had to. We had good depth on the bench and experience to back the team up. The highlight of my career was playing on MSC's state championship team my junior year."

## Betsy Iverson (Captain-3 years)

Betsy is a physical education major from New Town, N.D. "Basketball has been the greatest highlight of my college experience," she commented. She plans on teaching and coaching in a class B school.

## Jean Patrick (Captain)

Jean is from Wilton, N.D. and is a business education major. In her senior year she obtained all-conference status and was also selected as District 12 player of the week. About her basketball career, she stated, "It was a great experience and I wish it wasn't over." She hopes to teach after she graduates.

## Penny Andrist (Captain)

Penny is from Crosby, N.D. and is majoring in psychology. She led the conference in total assists last year. She stated, "I met people and went to a lot of places playing basketball. It was a great way to compete, stay healthy, and have fun at the same time." Obtaining a counseling degree is in her future plans.

# Gymnastics team takes State

by John Schwan

Coach Gary Leslie's success continues. Leslie's 1981-82 gymnastic team captured the tenth consecutive state title for Minot State.

Leslie praised the entire team stating "this is the most enthusiastic group of girls I've ever coached." He also thought this year's team was the most talented, team wise. "We had tremendous team depth," stated Leslie.

This year's state title has to be especially gratifying. The team was made up of five freshman: Stacey Aberle, Lisa Hennessy, Julie Olson, Mary Engleson, and Laurie Paul and two returnees, Julli Koehn and Greta Sjursen.

The winner of the all-around title at

the state meet was MSC's Stacey Aberle, from Minot Ryan, who also placed first in the vault and third in the uneven parallel bars. Greta Sjursen, from Dickinson, ranked third in all-around, first in the bars, and second in the vault. Julie Olson, from Minot High, was third in the vault and Laurie Paul, from Bismarck, placed fourth in the bars. The other members on the team, Lisa Hennessy, from Berthold; Julli Koehn, from Devils Lake; and Mary Engleson, from Minot High; all contributed to the team's total score of 125.20.

To qualify for the national event, teams were required to have a 106 point average from their four top meets

of the season. With MSC's 121.97 average, it gave them the fourth place seat.

Leslie's seven-member team placed third in the National Association of Intercollegiate Athletics Gymnastics meet at Milledgeville, Ga. Leslie said all seven women contributed to the team's score of 126.95 - only 2.10 points off Georgia College's winning score of 129.05. Placing second in the NAIA gymnastics meet was Southern Colorado University with 127.40.

Leslie and the team practiced many long hours during the season and because of such dedication and hard work they rose to mark the tenth year as champions!

## Grapplers place fourth in NDCAC conference

by Debbie Huus

Minot State College's grapplers completed the 1981-82 season with a 9-5-1 overall dual record and with a 3-3-1 mark in the conference. "I was happy about that," commented Coach Dean Bachmeier on the squad's record. "I felt we had a good season considering the youth of the team."

Four freshmen, eight sophomores, two juniors and two seniors comprised the Beaver squad. Nine of the 16 members were returning lettermen.

"The season's highlight was tying with the North Dakota State School of Science at Wahpeton in a conference dual 18-18," said Bachmeier.

MSC's performance in the Black Hills State College Invitational at Spearfish, S.D., was the "downer of the year," said Bachmeier. "We usually perform pretty well at that, but not this year." The Beavers had but one third place finisher and four fourth place finishers and took last of six teams.

Minot State copped fourth place in the North Dakota Collegiate Athletics Conference Tournament at Wahpeton with 57 points. "I thought we were capable of finishing third and as it turned out, we had a better dual team than a tournament team. I guess it in-

dicates we didn't have any real stars on the team but several capable performers," said Bachmeier.

Terry Brossart, Gaylen Larson and Steve Wisthoff participated in the National Association of Intercollegiate Athletics Tournament March 4-6 at Pacific University in Forest Grove, Ore. Both Larson, a senior who wrestled at 158 pounds, and Wisthoff, a sophomore who wrestled at the heavyweight division, qualified for nationals by earning runner-up berths in the conference tournament. Brossart, a 150-pound junior, qualified because he won at least 66% of his matches.

"Our kids performed better at nationals than last year," said Bachmeier, "in the fact that they won some matches. However, we didn't place anybody." He added that, "Overall, they were much more competitive than a year ago. As for Steve and Terry, they should have enough national tournament experience, so they feel confident wrestling next year."

About MSC hosting the national tournament in '83, Bachmeier said, "I'm excited about it. I think it will be an exciting event, something that should be great for the school and the city of Minot and the area high school program."

Coach Bachmeier discusses the final details with the time keepers.

**Gaylen "O.J." Larson** (Captain-158 lbs.)

O.J. is from Minot and is majoring in physical education. In the conference meets he finished third his freshman and junior years and captured second place his last year. During his senior campaign, he led the team with a 23-9-1 record. He stated, "Four years under coach Bachmeier showed me that the basics are still the best way to win with." His future plans include coaching and construction in the Minot area.

**Lionel Sand** (190 lbs.)

Lionel is a criminal justice major from New Town, N.D. He finished fourth his freshman year and placed fifth at conference his senior year. He claimed, "I learned that you have to work for what you want, no matter the goal you have in mind." His future plans are in law enforcement and counseling.

Debbie is from Parshall, N.D. and is majoring in college studies. She was the team's statistician and covered the team's progress for the Red & Green for three years. She was also president of the Wrestlette club last year. She commented, "It took a lot of time and work, but I loved every minute and I'll miss the team and the sport very much." The toughest team in the NDCAC was "Bismarck Junior College, of course," said Bachmeier. "They had momentum in the conference tournament. They developed it early and rode on through. It was a very decisive championship."

The team's strength was found in the middle and upper weights. "The lower weights were spotty, other than Brad Smith at 134 pounds. We were stronger at 150, 158, 190 and heavyweight," said Bachmeier.

Top individual records were those of Wisthoff (13-2), Brossart (20-7-3), Larson (24-10-1), Ross Aguiar (17-12-1), Smith (19-15), Lionel Sand (10-9-1) and Dean Dahl (17-16). Larson and Smith were named outstanding wrestlers by their fellow teammates.

The club was organized during 1981-82 season and headed by president Debbie Huus. The other top three officers included Mona Nordgren as vice-president, Jodi Durward as secretary and Denise Duval as treasurer.

"We set out with a lot of goals in mind and probably accomplished all of them," said Huus. "We started out energetic and enthusiastic for the first couple of home meets, then a few lost a lot of their ambition, probably because it was another month and a half before we had anymore here. We picked up again at the end of the season when there was home action."

Comments on the club's accomplishments by various wrestlers were:

"It was kinda nice to have someone there that appreciated what we were doing and who understood because they have insight into wrestling and know what we wrestlers have to go through," said Gaylen Larson.

"The wrestlettes did a good job. A lot of 'em got us fired up because of their support. They were our number one fans," said Terry Brossart.

## Cagers struggle through year

*by John Schwan*

The Beaver basketball team struggled through a disappointing year, finishing with an overall record of 6-18 and a conference record of 3-9, failing to make the conference playoffs.

Coach Becker's club was plagued with inexperience and inconsistent play on both ends of the court. The Beavers were also hurt by injuries in the middle of the conference season as Ray Giaccolleti, Kevin Hatfield and Gary Asvig sat out against Valley City and Jamestown, both decisive road games.

MSC did finish the season on a high note however, defeating highly regarded Brandon University of Manitoba, Canada.

# Tennis team plays best at NDCAC conference tournament

by Valerie Payette

The Minot State College Tennis Team didn't get off to a good start. According to Coach Larry Treider, "We played better than our record would indicate. We were beaten badly one time, 8-1, by Valley City in our first match. The rest of our matches were all close. We did show improvement as the season progressed."

The best matches of their season were played in the NDCAC conference tournament. Coach Treider stated, "This was the best tennis we played all season as a team."

There were not enough women to make up a women's team so they played with the men. They did have a number of individual matches against other women. Both the women were winners in the district tournament and went on to nationals.

For next year, Coach Treider says, "We will have part of our team back for next year. If we can get two good players as freshmen, we could have a respectable team in 1983."

# Weather causes fastpitch team to fall short

by Joni Heine

"We could have had a chance at conference, but because of the weather we fell short," stated Coach Kathy McCann about the Girls Fastpitch Softball Team. The girls ended the season 4-12 overall with seven games which were never played because of the weather. The shortage caused the girls, even with their years of experience, to be inexperienced compared to their opponents. McCann also stated, "Each of the games the girls played were close but our best effort and games came at the beginning of the season when everyone was healthy." Toward the middle of the season Donna Wallin, a starting pitcher, was injured, but Robin Bendickson and Cindy Holm filled in to keep the Beavers in the race for the conference title. The Beavers fell short of the conference title, but Donna Wallin, Cindy Holm, and Lori Lee were named to the all-conference team for their effort in the field and at batting. When asked of the prospects for next year, McCann believes, "It's going to be a whole new race and perhaps the Beavers will come out on top this time."

## Women's Track team did 'doggone good job'

by Joni Heine

The 1981-82 Women's Track team according to Coach Gary Leslie, "did a doggone good job with the number of girls we had to work with." The track team consisted of eleven girls who were very young and dedicated, having one senior and the rest being freshman and sophomores. Good efforts came from all the girls. The events were strongest in the relays, especially the mile relay consisting of Lisa Hennessy, Denise

Duval, Laurie Paul, and Julli Koehn. Darcie Ritter stood out in the individual events capturing a berth in the nationals for both the shot put and javelin. The girls ended up fifth in district and third in the conference meet, a goal the girls and Coach Leslie established before the meets. So what is Coach Leslie's goal for next year, "We have a good nucleus to build from and some new girls coming in to fill positions so just possibly a first in conference."

Because of these throws, she went to nationals and took ninth in the javelin and seventeenth in the shot.

## Baseball team finishes season with 14-20 record

by John Schwan

The Minot State Baseball team finished the season with a 14-20 record. The Beavers got off to a slow start on their road trip to Kansas. The Beavers never received cooperation from the weather and thus went on the road a little unpolished. They ended up 2-10 after the first twelve games. The team then took off on a winning streak of seven games. They looked in strong contention for the conference, but ended up losing six of their final eight games. The Beavers were eliminated from the rain delayed conference tournament in two games. "Lack of hitting with men in scoring positions was our downfall," stated Coach Ken Becker. "We had plenty of men on base and our pitching was more than adequate," the mentor continued.

The Beavers had plenty of good bat-

ting averages with Doug Nelson leading the way with a sizzling .362 average with 34 hits. Doug also led the team with 21 RBIs and six doubles. He was also first team all-conference infielder. Jeff Nelson also knocked home 21 RBIs.

Perry Bohl led the team in runs scored with 33, he also led in walks earned with 23 and triples with two. Perry also earned honorable mention as an all-conference outfielder. The home run king was freshman Danny Jones with seven. Team captain, Brent Talley, lead the team with 17 stolen bases. James O'Tremba has the best earned run average, 2.47, in the regular MSC season.

## MSC trackmen set records in '82

by John Schwan

Wiley Wilson's trackmen have to be given a lot of credit for surviving the '82 season. The injury plague hit the Beavers hard this season. The trackmen pressed on and ended up finishing runner-up in four of five outdoor meets.

The Beavers traveled to Aberdeen, S.D., for the district meet and came away a little disappointed finishing fourth. Bright spots for the Beavers were Brad Zastrow setting a new Minot record in the decathlon with 6,467 pts. Ed Boos won the javelin with a throw of 231'5" inches and Bill Schalow won the tough 1500 meter with a time of 3:58.3. Herb Perry wasn't far behind finishing second in both the 100 and 200 meter sprints. With a couple days rest the track team headed for the conference meet in Valley City. The Beavers sprinted to their best performances of the year. The Beavers won six events on the Valley City track, scoring 123 pts. and finishing second. MVP of the meet, Herb Perry, swept the 100 and 200 meters, Schalow won the 1500, Tom Neff, the high jump, Curt

Kraft, the 400 intermediate hurdles, and the 400 meter relay won with Wayde Nelson, Pat Walker, Herb Perry, and Randy Harmon. Ed Boos uncorked his best throw of the season, 233'9" only to finish second to Mark Fischer's unbelievable throw of 236'9". The Beavers received a second place finish in the 800 meter from Tim Johansen, and thirds from Tom Jeff's triple jump, Curt Kraft's high hurdles and Randy Harmon's 400 meter run. Also scoring third was the 1600 meter relay team consisting of Dean Goodall, Matt Stone, Randy Harmon, and Tim Johansen. Bill Schalow set the standards for the conference meet running in three long distance races, first in the 1500 meter, third in the 800 meter, and fourth place in the 5,000 meter run. This a feat rarely done and with infrequent success.

Bill Schalow was voted the MVP for the Beavers this year and Herb Perry was the runner-up. The Beavers sent two people to the national meet this year, Bill Schalow and Ed Boos.

Chris is from Plentywood, Mont., and majoring in business administration. Chris threw the shot-put and discus. Throughout his years he placed in both the conference and district. Commenting on the sport he stated, "Wiley was a hell of a good coach, and it was a good time."

### Tim Francis

Tim is from Minot, majoring in business administration-management. Tim ran in both the indoor and outdoor season. The indoor season was a good year for him. As for the outdoor season, he was injured and didn't run so he has a year left of eligibility, so we will see him run again.

### Mike Brevig

Mike is a business administration major from Minot. He ran distance in the outdoor and indoor season for MSC.

### Bill Schalow

This long distance runner is from Minot and is majoring in business administration-management. He has ran four years for MSC and has done well. His senior year he was the district winner in 1500m. run and in the conference he placed first in the 1500m., third in the 800m., and fourth in the 5000m. He ran the same events his junior year and placed second in the 1500m. at districts and first in the 1500m. at conference. His senior year he also participated in the national track and

field meet and was named MVP by the team.

### Ed Boos

Ed is from Glasgow, Mont. and his major is unknown. During his track career, his junior and senior years were the best. He won the conference and district title his junior year and took second in the conference but won districts his senior year. Both years he went to the national meet and placed third receiving an All-American title.

### Wayde Nelson

Wayde ran all four years here and is from Minot. He is majoring in computer science and business management. He ran the sprints and sprint relays. His sophomore and senior year the relay took first in the conference. Wayde commented that he was going to miss track, and he enjoyed all four years here. He also remarked, "It was a very rewarding season and especially at conference."

### Ron Marsh

Ron is from Plentywood, Mont., and majoring in physical education. He has been in track four years at MSC and placed in the conference and districts three years with his junior year being the best by placing first in discus and fourth in shot at conference and fourth in discus and fifth in shot at districts. Ron was unable to attend conference his senior year but did place at districts.

## Pat Hennessy--male athlete of the year

by Kelly Yahnke

Pat Hennessy capped his athletic career at MSC with the selection of North Dakota Male College Athlete of the Year for 1980-81. He was chosen for this honor by the North Dakota Associated Press Sportscasters and Sportswriters Association.

Hennessy was a tri-sport athlete at Berthold High School and went on to participate in the same three sports, football, baseball and basketball, during his college athletic career. He was an all-district and all-conference football and baseball player, in the positions of pitcher and outfielder, and he also played guard position for two seasons on the MSC basketball team.

Of the three sports Hennessy said, "I liked football best and learned a lot from Coach Luther and Coach Leidholt." He played the position of running back and his career totals include 2,191 yards rushing, with a 4.4 average, and 16 touchdowns. He also caught 72 passes for 610 yards and four touchdowns.

Hennessy said being chosen Male Athlete of the Year was "a big honor that felt pretty good." But now that he isn't participating in varsity athletics anymore his future plans include finishing up his earth science major and biology minor.

## Donna Bumann--female athlete of the year

by Kelly Yahnke

Donna Bumann exhibited many outstanding performances during her track career at MSC. In 1981, Bumann qualified for nationals in the 400m, 200m, and 100m dashes. She traveled to Hayward, California, to participate in the National Association of Inter-collegiate Athletics for women and came home with an eighth place tie in the 200m dash and finished sixth in the

100m dash. Bumann was the first person ever to receive this all-american standing in the history of women's track at MSC.

Last year, Bumann was also voted as the North Dakota Female Athlete of the Year by the North Dakota Associated Press Sportscasters and Sportswriters Association.

Bumann participated in track three years at New Salem High School and

three more at MSC. When talking about her career she stated, "Each year in high school I got better and better, and in college I also got better."

She chose not to participate in track a fourth year because of injuries (shin splints and stress fractures) and the need to get on with school. Bumann, who is majoring in Elem. Ed. and Phy. Ed., plans to go to summer school and student teach in the fall of 1982.

# MSC student's get a chance to excel

by Joni Heine

"The main purpose of intramural sports is to get students involved in recreation," stated Coach Larry Treider, assistant professor of physical education and in charge of intramural sports. "There's no coaching involved and it's purely for fun." Each quarter brings a new assortment of sports giving students a chance to excel. The sports vary from ping-pong to softball and are for men, women, or co-educational. Since its start, it has grown yearly with participation this year at its highest. Each year Coach Treider tries to bring something new in. This time it was racquetball, and as a token of taking first place, each member of a team or the individual winner received a T-shirt which, Coach Treider said, "adds incentive to each sport."

# BEAVER STUDENT LIFE

# Who's Who honors 14 MSC students

by Peggy Hansen

Being chosen for "Who's Who Among Students in American Universities and Colleges" brings with the certificate many honors. It is recognition for scholastic achievement (a 2.75 or higher cumulative grade point average and 130 quarter hours of academic work, at least two-thirds of which are completed at MSC), service to the college and community, leadership abilities, and future potential.

In addition to being honored at MSC graduation, being a member of Who's Who means being listed in a national directory, having access to a placement service, and being able to list Who's Who membership on a resume for job applications.

This year 14 students were chosen by the Student Welfare and College Affairs Committee out of 173 nominated. Minot State has been traditionally very selective in choosing winners so the honor is especially meaningful, according to Garnet Cox, Dean of Women. She says, "It is an honor which recognizes not only scholastic achievement, but leadership qualities that employers are looking for. It is an award of honor and a national as well as local honor."

Students receiving the honor were recognized during commencement exercises May 28 at Minot State College. Students selected were Nanette King, **Bismarck**, Penny Andrist, **Crosby**, Linda Benson, **Douglas**, David Kary, **Mandan**, H. Keating DuGarm, Karen Moe, **Minot**, Donna Bumann, **New Salem**, Lori Henry, **Westhope**, John Schwan, **Miles City, Mont.**, Linda Safty Anderson, Susan Foldesi, **Flaxville, Mont.**, Michele Edwards, **Rosholt, S.D.**, Nadley Dempsey, **Alsip, Ill.**, and Debby Partridge, **Regina, Sask.**

Nanette King, a senior from **Bismarck** majoring in physical education, has been a member of the Beaver yearbook staff, "M" Club as a member of the year and president, Student National Education Association, American Alliance of Health, Physical Education, Recreation and Dance, and American Drivers Traffic Safety Association. She participated in track and volleyball and served as assistant volleyball coach. King has helped with the Special Olympics and the American Cancer Society.

A psychology major from **Crosby**, Penny Andrist has participated in softball, basketball, and Student National Education Association, and she was chairman of the Homecoming Committee for two years. She has been a captain of the basketball team. The college senior has been on the President's Honor Roll and has participated in intramurals. Andrist has helped at the Special Olympics, and she referees sports at the elementary level.

Linda Benson, a senior majoring in management and accounting, has been a member of the Beaver yearbook staff, Beta Theta Sorority, and German Club. The **Douglas** native has been feature editor and assistant editor of the Red & Green student newspaper. Benson has assisted with displays for Ward County 4-H Achievement Days and the State Fair. Through the Beta Theta Sorority she has helped the Companions for

Children organization.

A business administration major from **Mandan**, senior David Kary has participated in basketball and football. Kary was selected honorable mention all-conference in football in 1981.

H. Keating DuGarm, a junior elementary education and mental retardation major from **Minot**, has been a member of French Club, Kappa Delta Pi, the Red & Green student newspaper staff, and Art Club. He has been a governor and a senator in the Student Association, and he presently serves as SA president. DuGarm has been a member of the Board of Directors of the Ward County Red Cross and co-chairman of the Muscular Dystrophy Dance-a-thon.

A senior majoring in education of the deaf and elementary education, Karen Moe has been a member of Concert Band, Concert Choir, Jazz-Madrigal

Donna Bumann, John Schwan, Penny Andrist, Linda Benson.

The **Minot** native has been on the President's Honor Roll. Moe is a past Miss North Dakota, and she teaches swimming lessons and sings in the Christ Lutheran Church Choir in Minot.

Donna Bumann, a senior majoring in physical education has participated in Kappa Delta Pi, "M" Club as a member of the year, Student Association, Student National Education Association, and the MSC Ambassador's Club. The **New Salem** native was elected 1981 Homecoming queen at MSC. She is a stand-out track star, selected all-American in track and field in 1981, North Dakota college female athlete of the year in 1981, and 1980 player representative at Women's Athletic Conference of North Dakota (WACND) Track Meet. Bumann has been on the

President's Honor Roll and has assisted the Special Olympics, American Cancer Society, and American Heart Association.

A senior majoring in elementary education and mental retardation from **Westhope**, Lori Henry has participated in basketball, Kappa Delta Pi, Lutheran Student Movement, "M" Club as a member of the year, Student Council for Exceptional Children, Student National Education Association, Women's Chorus, and Fellowship of Christian Athletes. She is a four-year track participant and was statistician for women's basketball. Henry has taught Red Cross swimming lessons. She is a member of Companions for Children, and she is an adult Girl Scout member.

John Schwan, a senior physical education major from **Miles City, Mont.**, has been a member of the basketball team, Beaver yearbook staff, and Student National Education Association. He was a captain of the basketball team, and he is assistant

basketball coach and a former assistant track coach. He also coached at Jim Hill Junior High School and Bishop Ryan High School in Minot. Schwan has participated in intramurals, and he has helped with the Special Olympics.

A native of **Flaxville, Mont.**, Linda Safty Anderson is a senior majoring in music education. She has been a member of Concert Band, Concert Choir, Jazz-Madrigal Singers, Music Educators National Conference, Women's Chorus, Wind Ensemble, and Minot Symphony Orchestra. She has participated in the Opera Workshop and intramurals. Anderson has taught religion classes at St. Leo's Catholic Church in Minot, and she has taught and coached American Athletic Union (AAU) swim teams.

Suzan Foldesi, a senior majoring in elementary education and mental retardation from **Flaxville, Mont.**, has been a member of the Beaver yearbook staff, Concert Band, and Kappa Delta Pi, and she has participated in intramurals. Foldesi has been on the President's Honor Roll, and she has helped Companions for Children, Special Olympics, and at other athletic events.

A native of **Rosholt, S.D.**, Michele Edwards is a senior majoring in physical education. She has participated in basketball, Beaver yearbook as editor, Kappa Delta Pi, Lutheran Student Movement as president, "M" Club, Student National Education Association, and Women's Chorus. Edwards was a recreational leader at the Minot Vocational Workshop and has assisted at sporting events.

Nadley Dempsey, a senior elementary education major from **Alsip, Ill.**, has participated in Concert Band, French Club, Sigma Alpha Iota, Student National Education Association, Women's Chorus, Wind Ensemble, Jazz Ensemble, Marching Band, and the "Messiah." She has helped the Second Story Workshop in Minot.

A senior majoring in education of the deaf and elementary education from **Regina, Sask.**, Debby Partridge has participated in Sigma Sigma Sigma Sorority, Student Association, Student Council for Exceptional Children, Greek Council as president, and Homecoming Committee as chairman. She has assisted with the Muscular Dystrophy Dance-a-thon, Meals on Wheels, Companions for Children, and Oppen Home.

# Student Entertainment Association

*by Connie Rusch*

Student Entertainment Association (SEA) is a subsidiary of the Student Association and concerns itself with providing entertainment for Minot State College.

The main event that Student Entertainment Association has given is the production of the Spring Breakout week.

## Student Union Board

*by Louella Tollefsrud*

The Student Union Board is in charge of organizing and executing activities that take place in the union. They also handle any gripe or complaint that deals with a problem in the union. They started a montly "coffee house" concert that takes place in the snack bar. They

also started Friday "Funnights." The first one was held before Christmas, the second before Valentine's Day and the last one was held on Senior Night for the visiting high school seniors. The purpose of Friday Funnights are to give the students a chance for fun and to keep them more on campus.

## Student Publications Board

by Kelly Yahnke

The Student Publications Board is made up of five students, four faculty members, along with the editors of the yearbook and the Red and Green. The board discusses budgets, policies, and problems as they govern the student publications which are the Beaver Yearbook, the Red and Green, the Coup, and the student handbook.

**Row 1:** Paula Wilkening, Linda Olson, Mona Nordgren, **Row 2:** Mary-Susan Abelow, Paul Lee, advisor, Jim Wahlberg, Richard Schmidt, Kim Rohrer.

## Board of Regents

by Kelly Yahnke

The purpose of the Board of Regents is to support and develop the arts, athletic, and academic programs at MSC. The board publicly honors persons or groups who have contributed in outstanding ways to the growth and image of the college.

Last year the board started the Robert Lee Williams Board of Regents Honor Scholarship Contest which is designed as an evaluation of academic skills and is open to high school juniors and seniors. The contest consists of taking a test from one of the eight academic divisions, but in the Division of Health, Physical Education and Recreation the scholarships are given on the basis of students' credentials and personal interviews.

# Student Association

by Doug Pfliger

The members of Student Association are concerned with nearly all aspects of student life at MSC. Members work diligently to eliminate that much heard and overused question, "What's there to do at MSC?"

Input from the members as well as from the student body forms the basis for what's happening at MSC and what will be happening in order to make your years at MSC the best years and hopefully the most enjoyable.

## Greek Council

by Sherie Heine

Serving as the government and organizing body of the seven Greek social organizations, the MSC Greek Council is busy.

Greek attendance of athletic events was promoted by the Council as were

campus tours by the Greeks throughout the year and on Senior Day.

Greek Week was celebrated by all involved in the member organizations. Activities designed to promote Greek life and to let the Greeks get to know each other were planned.

# Inter-Fraternity Council

by Sherie Heine

The Inter-Fraternity Council is made up of representatives from the three male greek organizations—Mu Sigma Tau, Sigma Tau Gamma, and Tau Kappa Epsilon.

This council of fraternities sets standards and regulations for membership drives, as well as enlisting one another's help in Greek promotion.

**Row 1:** Advisor Paul Lee, Loren Azure, Jim Schmidt, Randy Olson, **Row 2:** Greg Engel, Kelly Falcon, Leon Merck, Ralph Towery, Brad Williams, Peter Christiansen.

**Row 1:** Kristi Olson, Beri Martin, Lori Sandvik, Ethel Coons, Cindy Krogen, **Row 2:** Tina Jordan, Toni Nyre, **Row 3:** Gina Kienzle, Karyn Anderson, Tracey Wickman, CeeCee Francis, M'Lis McGowan, Kim Sjoquist, Garnet Cox, advisor.

# Panhellenic Council

by Sherie Heine

The Minot State College Panhellenic Council, under the advisement of Dean of Women Garnet Cox, is an active organization. Each of the female Greek organizations, Beta Theta, Delta Zeta, Delta Epsilon Phi, and Sigma Sigma Sigma are represented on the council.

The past year the council oversaw the planning and execution of membership drives, held activities at the girl's dorms, and promoted MSC and Greek life.

# Beta Theta

by Sherie Heine

The Beta's started the year off full of spirit and support for the Beavers and their homecoming queen candidate Carla Larson. Not only was the spirit of this local sorority evident, it was outstanding in their love of Sno-King, Ralph Towery of Sigma Tau Gamma.

Sisterhood shone bright when the Beta Skate-a-thon raised money for sister Colleen Hance. The girls donned 14th century garb to serve the annual Elizabethan Madrigal Dinner.

## Delta Zeta

*by Sherie Heine*

Delta Zeta car washes kept MSC cars clean at the opening of the school term and besides cleaning up cars here in Minot, they cleaned up a National Honor Award for their sorority.

Homecoming and their candidate, Cindy Krogen, were in the spotlight in October. Tim Ostdahl from Sigma Tau Gamma was man of the year as he was chosen their Flameman.

# Delta Epsilon Phi

by Sherie Heine

Scott Lysne of Tau Kappa Epsilon was chosen by the Delta Epsilon Phi Sorority to be their Dream Man, and as the Phi's took care of Scott, they also took care of MSC offenders. Fund-raising for the sisters of Delta Epsilon Phi took the form of a "jail" which caused several MSC students to find themselves sitting in the Student Union hallway one noon.

The house display award at Homecoming 1981 was captured by the Phi's and their spirit carried on in their support of queen candidate, DeeAnn Buchert.

The house of the Delta Epsilon Phi Sorority was the first house of a Greek organization to be paid off.

## Sigma Sigma Sigma

by Sherie Heine

The Tri-Sigma year started off with a road trip by eleven Beta Iota collegiates. Their destination—Eau Claire, Wisconsin, and Regional Leadership School. The Minot Sigmas met several sisters from their region and learned a lot about their sorority and themselves.

Sigmas got into the swing of things during homecoming by supporting Gloria Vestal—the main attraction as homecoming queen candidate. During homecoming week, the Sigmas brought out their spirit as they sang their way to a championship skit, stuffed "Herbert" their float to a first place finish and cheered on the Beavers to capture the spirit award for the second year.

Several social service activities kept the Sigmas busy. . .their second annual Robbie Page Memorial Balloon Ascension, monthly activities for the children, Companions for Children Inc. of Minot, and visits to the hospital and old people's homes to name a few. Socially the Sigma's supported Greek and honored their dream man, Loren Azure, of TKE. Also the annual Founder's Day was celebrated with alumni, collegiates and their parents in attendance.

The Mu Sigma Tau fraternity chose Pam Spitzer of Sigma Sigma Sigma to reign as their sweetheart for the year. Pam and her men were busy raffling cars for fund-raising, holding mud-wrestling tournaments for Greek Week, and serving Minot through a softball-a-thon for muscular dystrophy and helping with Companions for Children of Minot.

## Greek Week

by Joni Heine

Greek Week was held April 26 through April 30. It is a week when all the fraternities and sororities get together and hold various activities just for fun. This year's week was very wild and crazy starting off with a rotating supper at the sorority houses followed by a rotating party at each of the fraternity houses. The week ended with the crowning of the Greek god and goddess at a dance in the Jaycees building at the fairgrounds.

# Elsie Cook Hall

Elsie Cook Hall

Bonnie Hood, Janelle Nelson, Diane Brandvold, Brenda Locker

*by Valerie Payette*

Cook Hall, named after Elsie Cook who was a professor of English at MSC, is a five story residence for 188 women. The dorm is reserved for the incoming freshman. That is a convenient aspect of the dorm because the girls are all the same age and are in the same boat, "the first year of college." It's an unforgettable introduction to college. It gets loud and rowdy at times and quiet at others.

The weekends are usually the quiet times because many of the girls go home. The dorm is where you also meet many lifetime friends.

There is a kitchen and two lounges on the main floor, one that contains a piano. It is a comfortable place to reside during the school months. It doesn't have all the comforts of home, but it wins a close second.

# McCulloch Hall

*by Valerie Payette*

McCulloch Hall is a women's dormitory with room for about 145 residents. It is located between Cook Hall and Dakota Hall. This dorm was named after Hazel McCulloch who was a history professor at MSC earlier.

McCulloch Hall is for girls beyond the freshman level. It contains a study room, lounge, recreation room, and cooking and laundry facilities. It was completed in 1960 so it is a fairly new building.

# Dakota Hall

Dakota Hall

*by Valerie Payette*

Dakota Hall is a residence for 100 women. This hall wasn't named after a particular person but plays a large part in the structure of the campus. It is almost in the center of campus, which is

convenient for the upperclassmen who reside there. There are comfortable lounges and laundry facilities provided.

The Social Work Program is also located in Dakota Hall on the ground floor.

Crane Hall

# Crane Hall

Brent Talley, Howard Locker, Ross Aguiar

*by Valerie Payette*

Crane Hall is the only men's dorm on campus so it has a long waiting list. It holds 145 male residents.

It was built the same year as McCulloch so it is structured quite the

same. It has a lounge, recreation room and a laundry facility. Crane Hall derived its name from Arthur Crane who was president of MSC from 1913-1920.

Originally a men's dormitory, Pioneer Hall was remodeled and now houses 40 apartments for married students.

## Pioneer Hall

*by Valerie Payette*

Pioneer Hall, like Dakota, wasn't named after any particular person but plays a major role at MSC. It is the only building for married student housing. So, like Crane, it has a long waiting list.

It was newly remodeled a few years ago. The apartments are modern, consisting of one bedroom with an adjoining living room and kitchen. This building holds over 40 couples.

A typical Pioneer Hall apartment comes furnished with a stove and refrigerator. Telephone service is the only utility students are obligated to pay.

# Head Residents

Katie Smith, Steve Wisthoff, Grace Wisthoff, Mary James, Doris Schiele, Ethel Csech.

by Valerie Payette

Being the head resident of a dorm requires a lot of work and patience but is an enjoyable job according to the head residents at Minot State College.

Ethel Csech has been the head resident of Cook Hall for the past eight years. She is originally from Tagus, N.D. Mrs. "C" says she really enjoys working with freshman girls and that this has been a really good year.

Doris Schiele heads McCulloch Hall. This is her fifth year as head resident. She is a native of Flaxton, N.D. She says she loves her job and that it is very rewarding. She also stated that if she had a choice of any job in the world, this would be it.

The title of head resident for Dakota Hall belongs to two people—Mary James from Bismarck, N.D., and Katie Smith from Rouleau, Sask. They have both been resident assistants in years before and are graduate students in Speech-Language Pathology.

The only men's dorm on campus is headed by Steve Wisthoff and his wife. This is Steve's first year as head resident. He is originally from Stanley, N.D. Steve is enrolled at MSC and wrestles for the Beavers.

# Feature-- Old Main undergoes a change

by Peggy Hansen

Starting the first week in January and throughout the year, students entering Old Main became instantly aware that something foreign to Academia was going on. Unusual sound effects were the first clue with hammering and banging echoing intermittently through the halls. The senses detected a prevailing white dust in the air that became denser the closer one got to second floor.

On reaching second floor, the cause of the commotion became evident as one encountered workmen scurrying all over that floor carrying tools, ladders, equipment, and building materials. Closer inspection revealed that second floor was being gutted except for a few offices that had been recently remodeled.

Warren Allen, chairman of the Division of Education and Psychology located on second floor, says the renovation is slated to be completed by August 1. The front entrance to Old Main will be remodeled to incorporate alcoves in which the busts of famous educators will be displayed. The entrance to McFarland Auditorium will be modified for better sound control.

The renovation of Old Main takes a break before finishing.

Floor two of Old Main seen as it undergoes the change.

A room of Old Main after its floors and walls have been stripped down.

The walls of Old Main getting the final layer before painting.

The Home Economics Department will be in the same general location as before, but will have a new arrangement with new facilities added. The guidance and counseling center will remain in the southwest corner of second floor, but the rooms are being completely redesigned. Where there used to be one classroom in the southwest corner, there will now be two.

On the east half of the wing will be located a suite of professor's offices, a large classroom on the north side that can be divided, and classrooms on the south side, one of which can be divided for smaller conference rooms. All classrooms will be carpeted and the corridors retiled.

The ductwork for an air-conditioning system is being installed in the hope that the \$31,000 compressor can be afforded sometime in the near future. With its full southern exposure, Old Main becomes unbearably hot during summer school.

# Feature-- Wilson completes 30 years of service at MSC

by Valerie Payette

A group of people who should receive a great deal of credit by the people at MSC are the maintenance men. Without them the buildings would be messy and dirty, the lawn, trees, and flowers would be out of hand and we wouldn't have heat in the building. And we all know that people wouldn't survive in Minot, N.D., without heat.

The man in charge of all maintenance for MSC's campus and the boiler unit is Floyd Wilson. Wilson has been working with maintenance at the college for 30 years. He was hired in the fall of 1952 as Superintendent of Buildings and Grounds. In 1967 he took over the boiler unit and campus police schedules and gained the title of Physical Plant and Service Director.

Wilson was also a head resident at Pioneer Hall for three years when it was a

men's dorm. He has been a part of the remodeling on campus and has seen many new buildings go up.

The library was supposed to be the last building to receive heat from the old boiler system but the buildings added to the campus after the library were also hooked up so it's been overloaded. They are in the process of installing a 900 horse power boiler system of which the primary fuel will be coal. In the past, the boiler system has been running on gas and oil.

All you need to do is walk across campus or through a building to realize what work it takes to maintain this college. To Floyd Wilson: We appreciate the years and work you've given to MSC to make it as beautiful as it is and realize that it involves more work than we've thought. Thank you.

The game room is located in the basement of the Student Union. It is a place of activity with most being around the noon hour. The different games include three pinball machines, a foosball table, five pool tables, and other assorted video games. The game room has a staff of five students and is open from 9:00 to 4:30, Monday through Friday, fall through spring quarter and other hours during the summer.

The cafeteria is located on the second floor of the Student Union and serves two meals a day, according to Manager Carolyn Loffelbeim. They are open from 11:00 to 1:00 for lunch and 4:30 to 6:00 for supper. They are open five days a week with hot, well-balanced meals. In conjunction with the cafeteria, MSC also has a snack bar which is open five days a week from 7:00 a.m. to 7:30 p.m. and on Saturdays from 10:00 to 4:30. The snack bar serves three different meals a day along with various types of food ranging from salads, to fruits, to any type of sandwich along with a large selection of cakes, pies and other goodies.

The third floor lounge is tastefully done to encourage students to do their thing there whether it is to study, to chat with friends or to just look out the window which has a good view of the campus. The style is modern and casual with solid blue and multi-colored couches, white tables, chairs, end tables and a swinging lamp. The second floor lounge is more formal with areas of group arrangements of couches, chairs, hassocks, and reading material. This lounge opens to the ball room and is used for dances and other activities.

# A look at future elementary education

by Valerie Payette

Campus Laboratory School, located on the edge of Minot State's campus, is an experiment station for future elementary education teachers at MSC.

Many college students talk about it as being chaotic but it really isn't. There are no desks or assigned seats so it looks somewhat unorganized. The rooms are set up so the class participates more as a group. The teachers work with the children at their own level of competence so they are not forced to keep up or compete with one another. The laboratory school consists of grades 1-6.

The annual Minot State College Spring Breakout activities started April 27 with a concert by Mark Smith and the Kramer & Company magic act.

Steve and Maureen, a guitar group, gave a concert April 29, from 11 a.m. to 1 p.m. in the Student Union Snackbar.

Montana, a bluegrass band originally known as the Mission Mountain Wood Band, played May 5 by the Busse fountain. Doc Holt also gave a concert by the Busse fountain at 2 p.m. May 6, and held workshops earlier that morning in the music department. His guitar and banjo music consisted of a little bit of every type of music.

There were also a couple movies shown during Spring Breakout in the Science Auditorium of Cyril Moore Hall.

Who is the football players encouragement, the basketball players extra cheerleader and everyone's friend? He's the heartthrob of MSC's cheering section. He gets the crowd and players going, and even puts on a little entertainment for the kids in the crowd. Who is this guy? Well, he's the MSC Beaver, the mascot of our school. No matter what the sporting event he will be there representing our school at all the home games. The person behind the mask is a loyal MSC student who volunteers for the job.

# Homecoming vibrates with activities

by Peggy Hansen  
This year's Homecoming Week, Oct. 5-10, vibrated with activity from the opening of the queen candidate's campaigns on Monday to the Homecoming '81 Dance on Saturday evening.

Weeklong student body activities, designed to foster "Red and Green Spirit," culminated in the pep rally in Swain Hall on Friday morning. The rally was highlighted by the "Mister MSC" contest where the contestants came in costume and did stand-up routines. The queen candidates chose Morris Elfenbaum, sponsored by the football team, to be the winner. "Also-rans" were Bob Smith of Tau Kappa Epsilon and Kevin Howe of Mu Sigma Tau.

Homecoming Queen coronation, together with the Vagabond Variety Show, was staged on Oct. 8 at McFarland Auditorium at 7 p.m. The student body elected Donna Bumann queen from a roster of candidates that included: Dee Ann Buchert of Delta Epsilon Phi, Carla Larson of Beta Theta, Cindy Krogen of Delta Zeta, Gloria Vestal of Sigma Sigma Sigma, and Julie Tellefson, candidate for Campus Players.

Donna Bumann, an independent candidate, is a 24-year-old senior from New Salem majoring in physical education with minors in biology, coaching, and art. She was crowned by 1980 Homecoming Queen Janean Romine.

Bumann has been involved in many activities on and off-campus including the SA, M-club, and working with the Cancer Society and the American Heart Association. She has also received many athletic honors.

On Friday, MSC hosted several happenings including a 9 a.m. meeting of the Board of Regents who discussed, among other topics, university status for MSC; a noon luncheon reunion of Hall of Fame charter member James Coleman and his former athletes at the Minot Elks Lodge; a 6 p.m. alumni registration and no-host cocktail party at the Holiday Inn followed by the Golden Award Banquet at 7 p.m. where Minot businessmen James A. Sorority and fraternity alumni breakfasts from 7-9 a.m. initiated Saturday's action-packed schedule. Grande Parade '81 rolled to a start at 10 a.m. featuring the celebration of three events: MSC Homecoming, Rodeo Week in Minot, and Band Day. The parade's grand marshal was General David C. Jones, Chairman of the Joint Chiefs of Staff, who attended MSC in the early 1940's before entering military life. He joined MSC alumni in a reunion of World War II veterans and students.

well-played contest by the Beavers.

The Beaver defense prevented Dickinson from scoring in regulation play. The 7 points racked up by the Blue Hawks were scored early in overtime. The Beaver offense twice came just short of touch-downing during the game, but were kept barricaded by the Dickinson defense on their own end during overtime.

The induction ceremony for the Athletic Hall of Fame took place during half-time of the football game. The new inductees are: Duane Carlson and Art Lee, both of Minot; Dale Brown, Baton Rouge, La; Howard Dunnell, Culver, Ind.; Alvin Keck, Klamath Falls, Ore.; Donald Kolbe, Mohall; and Clifton (Zoonie) McLean, Plentywood, Mont.

About 70 people turned out for the festive occasion when present and

former Vagabond Male Chorus members met for a 10-year reunion banquet at 5 p.m. at the Riverside on Saturday. The reunion was well-received, according to Joseph Hegstad, director of Choral Music, and they will continue to have it.

The Beaver Booster Club no-host cocktail party began at 5:30 p.m. at the Holiday Inn and was followed by the Beaver Booster Club Hall of Fame Banquet. This year's guests of honor were the new members of the Athletic Hall of Fame.

Homecoming Week wound to a close with the Homecoming '81 Dance at 9:30 p.m. at the Holiday Inn. Entertainment was provided by the MSC Jazz Ensemble, an 18-member band which played swing, pop, and "big-band"-type music reminiscent of the '40's.

## ***Long awaited dream is completed***

*by Valerie Payette*

The construction of the MSC field house began with a ground-breaking ceremony on May 10, 1978 and proceeded with no major problems according to Robert Anderson, architect for the project. During the fall months, the footing, foundation, and backfill were completed, finishing all the basic support systems. Throughout the winter, work continued with the pouring of concrete in temporary enclosures. And as spring approached, preliminary concrete work was completed to facilitate the dramatic changes the field house was scheduled to undergo in early summer.

In the summer, steel radial trusses were delivered and put into place, completing the steel span over the field house. Custom-made panels, measuring 45 feet high and 8 feet wide, made of a concrete structure with insulation, were lifted into place by a large crane. That was just a small part of the massive structure that took almost four years to complete. The finishing touches took place over the fall and winter of the '81-'82 school year.

The field house is used for many activities and one is the amateur basketball tournament.

The outside walls of the field house get put up in position.

The frame of the scoreboard gets connected to the top.

The diameter of the field house is 310 feet with the actual floor space adding up to 152,967 square feet and the volume 5,444,160 cubic feet. The height of the building from the basketball court to the trusses is 50.6 feet.

The field house is equipped for almost any type of sport. Since there are no interior obstructions, a multi-purpose area allows four courts each for basketball, tennis, volleyball and there is also four racquetball courts built inside the field house. Surrounding these areas is a six lane 160-meter track. There has also been a four-sided scoreboard donated by three Minot area sponsors.

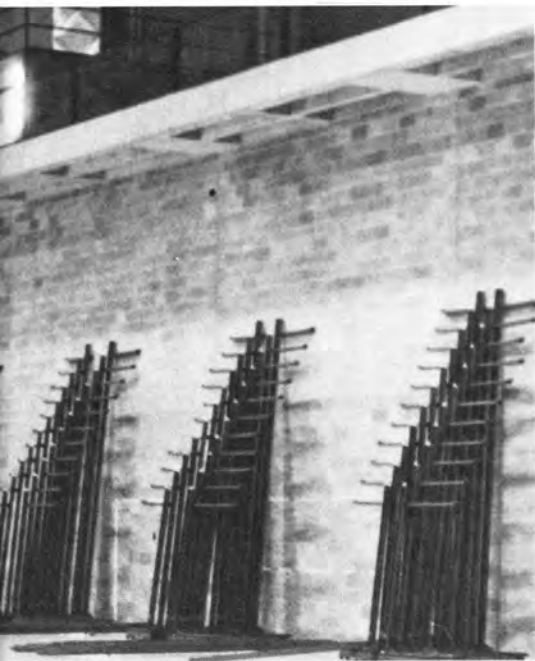

All this is located on the bottom floor. Second floor contains the physical education classrooms and offices. Also on the second floor is a batting cage and various storerooms. Second floor is often used by students and others in the community for jogging. Third floor is used for gymnastics and has extra room for tracksters and joggers.

The seating in the field house consists of 9,650 retractable seats; 4,450 contoured backseats on the main floor and 5,200 bleacher seats on the top floor.

A special box for the press is suspended from the radial truss roof system. Also a special 1,300 car parking facility has been constructed on the hill north of the building.

This unique picture shows the steel girders being put into place during construction.

The seating in the field house was completed this year.

Taken before the seats were installed, this picture shows the elaborate scoreboard sponsored by American Bank and Trust Company, Northern Bottling, and Hardees of Minot.

The final expected cost of the project was set at 6.2 million dollars, \$4.8 million which was supplied by the North Dakota Legislature, \$600,000 by the city of Minot, and much of the rest was supplied through donations. Many plaques were presented to various Minot clubs and organizations during the Beaver basketball games in appreciation of their donations.

The long awaited spectators dream has finally been completed. The field house is a wonderful opportunity for any potential athlete or student in the field of health and physical education. It is a convenience, and a much appreciated one, for anyone who wants to get some exercise and also for those who just like to spectate!

# MSC graduates its first class in the field house

by Joni Heine

"Done at last" was the feeling of many of the graduating seniors on the morning of May 28, 1982. At ten o'clock the faculty and seniors filed into the fieldhouse led by two honorary student marshalls, Leanne Feldmann and Peggy Solem. MSC's Concert Band played "March Processional." This day marked the last day for the seniors as collegiates of Minot State College and the first in entering the business world.

Once seated Reverend Darrel Saathoff, pastor of Christ Lutheran Church of Minot, gave the invocation. Doran Christensen, associate director of the National Council for Accreditation of Teacher Education, addressed the graduating class which was the first to graduate from the new fieldhouse. Christensen, a graduate of Minot State College, congratulated MSC on their high accreditation in the teaching profession and congratulated all of the seniors. Four hundred three seniors

received their diplomas from President Gordon B. Olson as Joel A. Davy, vice president for academic affairs, announced their names. Forty-seven of the 403 graduated with honors—seven summa cum laude, 3.90 and above; eleven magna cum laude, 3.50 to 3.90; and 29 cum laude, 3.50 to 3.75. The 14 Who's Who were also recognized by Olson. Once Reverend Darrel Saathoff gave the benediction the graduates were ushered out the door to start their new future.
