

**REMINDER:**

**Raise Non-Returning Student Flags Soon**  
*(NOT including students who are graduating)*

**After Thanksgiving, Registrar’s Office staff will begin calling students who have not yet registered.**

**HOLIDAY CLOSURES NOW BLOCKED ON STARFISH APPOINTMENT CALENDARS**

A new feature has been implemented in Starfish, where students are blocked from scheduling appointments during dates when the university is closed. If faculty/staff have recurring schedule blocks on those days, students will not see these times as an option to schedule. If faculty/staff wish to meet with a student on these days, they may make the appointment for the student.

**41 Referrals Created So Far This Semester**

Referrals include: Access Services Accommodations, Career Exploration, POWER Center / TRIO, Student Health Clinic and Counseling, Tutoring, and Writing Center

**Starfish Referral Superstars**
