

## **NEW!** Quickly Refer Students To Campus Resources

It's now quick and easy for advisors, instructors, coaches and other support personnel to refer students to campus resources using Starfish. The following referrals are now available:

- **Access Services Accommodations**
- **Career Services – Career Exploration and Job Search**
- **Peer Tutoring**
- **POWER Center / TRIO**
- **Writing Center**
- **Coming Soon – Student Health and Counseling and possibly more**

### **How do you raise referrals?**

- Select the student's name in Starfish.
- Select the referral icon, choose the appropriate referral, enter a comment, and save. [Click here](#) for more detailed instructions.

### **What happens after the referral is raised?**

- Students will automatically receive an email regarding the referred resource, which may include application instructions, contact information, and/or how to make an appointment.
- The department will be notified of the referral and may reach out to the student.
