

# STUDENT INTAKE FORM RESULTS

## View individual results of an advisee:

- Log into Starfish and click on Students
- Go to the My Students tab and click on the student's name
- Click on the Info tab and scroll down the page
- If the student has completed the Student Intake Form, results should be listed under the Student Intake heading

The screenshot displays the Starfish interface for a user named Heather Martin. The top navigation bar includes 'Home', 'Appointments', and 'Students'. The main header shows 'MY STUDENTS' and 'TRAC'. A toolbar contains various action buttons: Flag, To-Do, Kudos, Message, Note, Appointment, and File. A sidebar on the left lists navigation options: Overview, Info (selected), Success Plans, Courses, Tracking, Meetings, Notes, and Network. The main content area shows student statistics: Major GPA: 0.000, Honors: No, Credits Attempted in Term: 0, Course Load: 0 courses, and Living On Campus: No. Below this is the 'Student Intake' section, which includes instructions to select answers for questions and a 'Date intake form was completed: 09-08-2020'. The 'Personal' section contains questions about first-generation status and financial aid, with the first question answered 'No' and the second question partially answered.

Select the appropriate answer to each question or type your answer into the text box where applicable. All required questions must be answered for the form to be submitted successfully. If any required questions are left unanswered, then you will be prompted to answer those questions before submitting. Click save and submit. You may access this form again later and update previous answers.

Date intake form was completed:  
09-08-2020

**Personal**

Are you a first-generation college student? (Neither of your parents have earned a four-year degree.)
