PEER MENTOR PROFILE

The purpose of the Peer Mentor Profile is to promote a personalized approach and encourage students to seek out assistance if needed. Your profile information will be published on our Center's website along with your picture. If you have a picture you would like us to use, please forward it to me either via e-mail or bring it to the Center (I will scan it and return it to you). If you would prefer, we can use your school ID picture.

Thanks!
