

Learn with Minot State

Minot State University's Graduate Certificate in Knowledge Management (KM) program prepares you to be a knowledge leader in your organization by giving you the skills to:

- Describe the purposes, uses, and value of knowledge management
- Use social spaces to present business solutions, collaborate, and transfer knowledge
- Describe how intangible assets create value
- Manage knowledge workers in a virtual environment
- Exploit technology to enhance and accelerate management decisions

Creating and exchanging organizational knowledge will give you that extra edge to advance in your career.

Offered entirely online

In-state tuition for all students

Degree valued by employers

Wide array of career opportunities

Be seen. Be heard. Be empowered.

Flexibility

Our KM certificate can be earned online, making it possible for you to attend class regardless of where you live, work, or are traveling.

You can complete this highly accelerated certificate program in as little as two semesters, giving you a competitive edge. You can also set a more relaxed pace by completing the program over additional semesters.

Quality

- Our KM certificate is valued by many employers.
- Minot State faculty members are highly qualified in their respective fields.
- This program is accredited by the International Accreditation Council for Business Education (IACBE).

Affordability

When you enroll in the certificate program, you pay our affordable in-state tuition regardless of residency.

Required courses

The KM certificate program requires completion of 12 semester hours.

- BIT 562 Management Information Systems (3 SH)
Offered fall semester term 1
- BIT 566 Knowledge Management (3 SH)
Offered fall semester term 2
- BADM 535 Management Principles and Practices (3 SH) *Offered fall semester term 2 or spring semester term 2*
- BIT 570 E-Business Strategy (3 SH)
