Preparing business educators to meet the needs of a rapidly changing global environment...

MASTER OF EDUCATION with a BUSINESS CONCENTRATION (MED-B) students are beginning or advanced secondary/post-secondary instructors who effectively enhance student learning and demonstrate the high level of knowledge, skills, abilities, and commitments reflected in the National Board of Professional Teaching (NBPT) standards for personal and professional excellence. The MED-B curriculum blends pedagogy with current issues and trends in business education. Minot State University graduates leave the program with strong research skills, specifically in the application of action research.
