

BURT AND GWEN TRAUB COLLEGE OF BUSINESS SCHOLARSHIP

North Dakota natives Burt Traub and Gwen (Steinwand) Traub graduated from Garrison High School. Burt earned a Bachelor of Science in Business Education from Minot State in 1960 and Gwen attended Minot State in 1958 and 1959. Both remember, with a high degree of admiration, the excellent teaching skills of Minot State business faculty members, J. Bernard Busse and Doris Slaaten. While attending Minot State, Burt was a member of Mu Sigma Tau Fraternity and Gwen was a member of Sigma Sigma Sigma Sorority. After 43 years in banking, the computer industry and finance, Burt retired in 2003 to Arizona where he and Gwen currently reside.

This scholarship endowment was established in recognition of the MSU College of Business's continuing commitment to instill in its students the principles that promote a strong work ethic, a desire to succeed and a commitment to lifelong learning.
