

## **ROBERT AND ILZE SANDO SCHOLARSHIP**

The Robert and Ilze Sando Scholarship Endowment was established in January 2000. Dr. Sando, professor emeritus, was hired as a faculty member and Pioneer Hall Dorm Director in the fall of 1966 at MSU. He served MSU for 36 years as a faculty member, department chair, and was Dean of the College of Business at the time of his retirement in June 2002. He currently serves on the MSU Development Foundation. His wife, Ilze, taught English classes at the beginning of his tenure, but for most of that time worked at the MSU Bookstore.
