

Authorized Payer Setup

Students may grant “Authorized Payer” access to others (e.g. parents) allowing these individuals to make payment towards their student account balance. Please note that Authorized Payers are only allowed to make payments and this permission does not automatically grant access to other account details such as financial aid received, prior payments made, etc.

1. Log in to **Campus Connection** and click on the **Financial Account** tile.

Financial Account

2. Click on **Pay Online Now** and select MSU. You will then be routed to the online payment portal, Nelnet.

The links below will securely connect you to the online payment processor for Campus Connection. Select the link for the institution you wish to pay.

This allows you to make electronic payments, view your eBill, and set up authorized payers to make payments on your behalf.

The payment will be applied to your student account in Campus Connection shortly after submission. If your student account was past due, the registration/transcript hold in Campus Connection will be lifted as the system refreshes.
