What you can do with a management degree
As a manager, you will plan, direct, and oversee operations and employees. You may supervise an entire company, government office, specific department, or territory. Managers often specialize in a particular field, such as sales, finance, health services, human resources, social and community services, government, and education.

Make a plan to be a successful manager
Skilled managers are:
- **Leaders** – emotionally stable, enthusiastic and self-assured
- **Communicators** – relate well both to staff and superiors
- **Organizers** – make and execute plans to meet employers’ goals
- **Problem solvers** – identify and resolve problems
- **Flexible** – able to see things from different perspectives

Coursework
As a management major at Minot State, you’ll begin with core classes in accounting, business, marketing and management information systems, management and then delve into higher level learning in human resources, operations management, international business, organizational behavior, strategic management, and entrepreneurship.
