

Academic Testing Center

Directions and Parking Information

Traveling north on Broadway, make a left onto 11th AVE NW. Turn into the parking lot (first left after the cemetery). Visitor parking is available in front of the Student Center (Building E on the map below). A visitor parking permit is available free of charge at the Information Desk on the 1st floor of the Student Center. To obtain a permit, please bring your Driver's License and know your license plate number.

The Academic Testing Center is located on the 3rd floor of the Administration building (Building D on the map below). If entering through the Student Center doors, go to the left through the connecting hallway. Take the stairs at the end of the hallway up to the third floor. The Academic Testing Center is located in the middle of the hallway on the right.

An elevator is located on the west end of the building. Be sure to use the elevator in the Administration Building as the Student Center and Administration Building do not connect on the third floor.
