

Meet the Peer Mentors

Spring 2019

Darrel Doll

Hometown: Roseville, CA

Major: Mathematics **Grade level:** Senior

Favorite MSU activity: Sporting Events

Learning Community: *Minutia: Scope it Out*

My interests include sporting events, playing pool in the Beaver Dam, and mathematics. I've been to Jamaica and Mexico since being in college. After graduation I would like to pursue either teaching or data analytics. I wanted to be a peer mentor in order to provide insight into the college life of students. I want to help new students feel comfortable asking questions.

Mary Elizabeth Gamas

Hometown: Minot, ND

Major: Criminal Justice/Music **Grade level:** Junior

Favorite MSU activity: Concerts

Learning Community: *It's All In Your Head*

I love music and have played the viola for most of my life. I plan on going to law school after I graduate, especially focusing on international law. I have loved all of the experiences I have had here at MSU, and am excited to help facilitate equally memorable experiences for incoming students.

Spencer Furniss

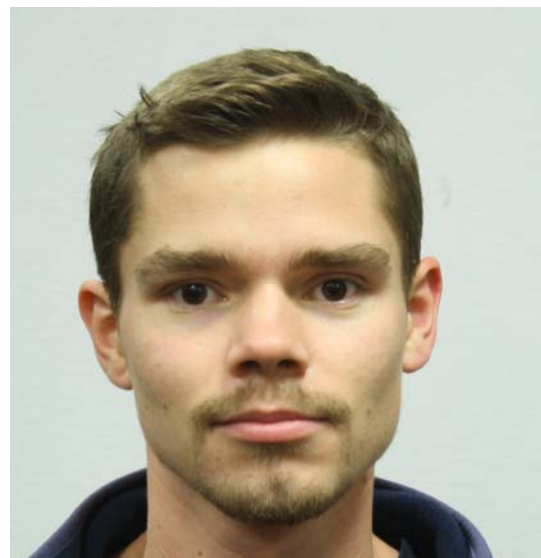

Hometown: Minot, ND

Major: Biology **Grade level:** Junior

Favorite MSU activity: Minot Symphony Orchestra performances

Learning Community: *Who Have you Been, and Who Will you Be?*

Quiet, serious, lots of interests: music (listening to, playing, writing), drawing, reading (history, science, religion, classics, economics, politics), watching good movies with friends (even black-and-white ones), hiking and wild-life-watching, cooking. I want to work in conservation and write music for movies.

Kaitlyn Hill

Hometown: Bowman, ND

Major: Athletic Training/Corporate Fitness

Grade level: Junior

Favorite MSU activity: Athletics

Learning Community: *Great Minds Think Alike*

I am currently a member of the MSU Women's Golf Team, SAAC, MSU Life and MSU OATS. In my free time I enjoy playing golf and rollerblading. I wanted to become a peer mentor to help make the transition from high school to college easier for incoming students.

Lauren Michayluk

Hometown: Wakaw, Saskatchewan

Major: Communication Disorders **Grade level:** Senior

Favorite MSU activity: Homecoming and Hockey Games

Learning Community: *Power of a Person*

I am a senior majoring in communication disorders. I hope to become a speech-language pathologist in the future. I am from a small town in Saskatchewan, Canada. I enjoy skating, reading, and going for walks. This will be my fourth semester as a peer mentor.

Shelby Tornato

Hometown: Saskatoon, SK

Major: Communication Disorders **Grade level:** Junior

Favorite MSU activity:

Learning Community: *Balancing Instincts*

I am a goalie for the MSU Women's Hockey team. I am a member of the NSSLHA and Special Olympics clubs, along with being a senator of Education and Health Sciences for the Student Government Association. After I graduate I plan on staying at MSU for Graduate School and eventually becoming a speech language pathologist.
