

Student Testimonials-Peer Mentoring Experience

“[My Peer Mentor] is very helpful in keeping is informed and being there if we need help”

“[My Peer Mentor] helped us with everything from discussions to organizing group activities. She has also let us know about important tips for classes, as well as future plans”

“[My Peer Mentor] really helped me start my year off well, with information and encouragement”

“It was really nice having someone my age to talk to instead of the teachers”

“Having a Peer Mentor has been beneficial in helping me get to know my classmates better”

“I liked having someone to coordinate us all in getting together and hanging out”

“[My Peer Mentor] gave good advice about college in general, and how freshman can ease the transition”

“It was a nice change to have someone else closer to our age contributing to the class; this made it easier and more fun to connect to this class’s theme”

“My peer mentor makes me aware of campus activities”

“It was nice to have a familiar face on campus, plus it was easier to ask [my Peer Mentor] campus questions than it was to ask my professors”

“[My Peer Mentor] has been fun in class and has helped us all become friends”

“[My Peer Mentor] makes going to class fun...he knows what we need to know and can help us”
