

MSU Community,

Another update regarding Beaver Athletics this fall at Minot State. Yesterday, our athletic conference (the NSIC) Board of Directors, comprised of the 16-member institution presidents, voted and took action regarding Fall 2020 athletics. Earlier this morning the NSIC Office announced that decision resulting in the cancellation of fall competition and championships along with the suspension of all sports competition (including winter sports) through December 31, 2020.
