

**MINOT
STATE
UNIVERSITY**

Be seen. Be heard. BE YOU.

Our story

With a nod to the past and a vision for the future, Minot State University empowers generations for today's world. Founded in 1913 as Minot Normal School, our history began in Model Hall, where future teachers prepared for service in Northwestern North Dakota. As the decades changed, so did our name, campus, and degree offerings.

Today, we are proud to offer 100+ areas of study on a beautiful campus that has grown to over 100 acres in size. Students from our backyard to across the United States and over 55 countries call Minot State home.

Our community

Our welcoming, safe, and vibrant campus is located in Minot, the fourth largest city in North Dakota. You will always have something to do and explore! Discover the magic at [VisitMinot.org](https://www.visitminot.org).

Program spotlight:
Cybersecurity and Operations

We're really good at what we do. Just ask the National Security Agency (NSA) and the Department of Homeland Security (DHS). Designated as a Center of Academic Excellence in Cyber Defense (CAE-CD) by the NSA and DHS, we continue to expand our degree offerings and your opportunities to become the best in the business.

Program spotlight: **Nursing**

We know that nursing is more than just a career, it's a passion. At Minot State, you'll get hands-on experience at a Level II Trauma Center coupled with rural healthcare systems while learning from devoted experts who honed their skills on the floor, in the clinic, and on the job.

Minot State nursing grads consistently achieve a
100% pass rate on the NCLEX-RN
(National Council Licensure Exam)

Elevate your experience

At Minot State, you'll join a community that values inclusivity, fosters leadership, and builds each other up.

First-Year Experience (FYE)
