

Be seen. Be heard. BE YOU.

Our story

With a nod to the past and a vision for the future, Minot State University empowers generations for today's world. Founded in 1913 as Minot Normal School, our history began in Model Hall, where future teachers prepared for service in Northwestern North Dakota. As the decades changed, so did our name, campus, and degree offerings.

Today, we are proud to offer 100+ areas of study on a beautiful campus that has grown to over 100 acres in size. Students from our backyard to across the United States and over 55 countries call Minot State home.

Our community
Our welcoming, safe, and vibrant campus is located in Minot, the fourth largest city in North Dakota. You will always have something to do and explore! Discover the magic at **VisitMinot.org**.

Program spotlight:
Cybersecurity and operations

We're really good at what we do. Just ask the National Security Agency (NSA) and the Department of Homeland Security (DHS). Designated as a Center of Academic Excellence in Cyber Defense (CAE-CD) by the NSA and DHS, we continue to expand our degree offerings and your opportunities to become the best in the business.

Program spotlight:
Nursing

We know that nursing is more than just a career, it's a passion. At Minot State, you'll get hands-on experience at a Level II Trauma Center coupled with rural healthcare systems while learning from devoted experts who honed their skills on the floor, in the clinic, and on the job.

Minot State nursing grads consistently achieve a
100% pass rate on the NCLEX-RN
(national nursing licensure exam)

At Minot State, you'll join a community that values inclusivity, fosters leadership, and builds each other up.

First-Year Experience (FYE)

During your freshman year, you'll be part of a First-Year Learning Community. Based on a common theme, your three First-Year Experience classes will give you the opportunity to transition to university life, engage with campus and the community, and create connections with other new students.

FYE Learning Community spotlight: *Go take a hike!*

Embrace your nature-loving side in the classroom and outdoors — including an eight-day camping and hiking trip in October. See places like Arches National Parks and Dinosaur National Monument from a whole new perspective.

Wellness Center

Maximize your potential and prioritize your wellbeing. From exercise equipment and group fitness classes to rock climbing and outdoor recreation equipment, your exercise opportunities are boundless.
